West Wits has secured firm commitments to raise \$14,358,000 before costs through a share placement to existing and new sophisticated and professional investors.

The Placement is a capital initiative by WWI to strengthen the Company's balance sheet, increase its effective holding in the WBP and fund commencement of operations at the Qala Shallows gold project being phase 1 of the broader WBP. These funds will enable:

- Commencement of the Company's Qala Shallows gold project;
- Feasibility study review and optimisation;
- Fund US\$5m for the buy-back of the 10% minority interest in WW SA which will increase the Company's ownership of the WBP from 66.6% to 74%. An agreement for the buy-back has been executed; and
- General working capital and corporate costs.

The Placement has been undertaken by way of the issue of 652,636,348 fully paid ordinary shares (**Placement Shares**) at \$0.022 per Placement Share representing a discount of 18.5% to the last closing price. Every two placement shares are proposed to be accompanied by one free-attaching option (**Placement Option**), each Placement Option having an exercise price of \$0.0385 (representing a 75% premium to the issue price) and expiring 2 years from the date of issue. The issue of Placement Options is subject to shareholder approval at a general meeting anticipated to be held in late July 2025 (**EGM**). The Company proposes seeking listing of Placement Options, subject to satisfying the quotation requirements of ASX. The terms of Placement Options are set out in Annexure A.

Three directors, (Quinert, Grigor and Van Heerden) have agreed to subscribe to the Placement for a total aggregate amount of \$260,000, subject to shareholder approval which will be sought at the EGM.

Approval will also be sought at the EGM to convert existing loans of \$550,000 plus interest (as described in the announcement released to ASX on 24 April 2025), including \$100,000 from Mr Quinert, into shares and options on the same terms as the Placement (such conversion being subject to shareholder approval).
