This Explanatory Statement should be read in conjunction with the Notice of General Meeting.

Capitalised terms in this Explanatory Statement are defined in the Glossary or otherwise in the Explanatory Statement.

## 1. RESOLUTIONS 1(A) AND 1(B) – RATIFICATION OF SHARES ISSUED TO FEBRUARY 2025 PLACEMENT PARTICIPANTS (NON-RELATED PARTIES)

#### 1.1 Background Information

On 26 February 2025, the Company announced it had received firm commitments from various sophisticated, professional and otherwise exempt investors (February 2025 Placement Participants) identified by Joint Lead Managers, GBA Capital Pty Ltd (GBA Capital) and Charles Street Capital Pty Ltd (Charles Street Capital) to raise \$1.15 million (before costs) through the issue of 20,909,090 Shares in the Company at an issue price of \$0.055 per Share (February 2025 Placement Shares).

The Placement was conducted in tranches comprising the following:

- (a) a private placement of 20,909,090 February 2025 Placement Shares to the February 2025 Placement Participants (who are not Related Parties of the Company), at an issue price of \$0.055 per February 2025 Placement Share, comprising:
  - 5,304,950 February 2025 Placement Shares issued pursuant to the Company's "15%" placement capacity afforded under Listing Rule 7.1; and
  - 15,604,140 February 2025 Placement Shares issued pursuant to the Company's "10%" additional placement capacity afforded under Listing Rule 7.1A; and
- (b) the grant of 10,454,545 Unlisted Options, each exercisable at \$0.10 on or before 30 June 2028 (Series A Unlisted Options), to be granted to the February 2025 Placement Participants on the basis of one Series A Unlisted Option granted for every two February 2025 Placement Shares issued, for no additional consideration, subject to Shareholder approval (with the approval for this issue being the subject of Resolution 2).

The February 2025 Placement Shares issued to the February 2025 Placement Participants were issued by the Company on 10 March 2025 using the Company's issuing capacities under Listing Rules 7.1 and 7.1A.

#### 1.2 Use of Funds Raised under the February 2025 Placement

Funds raised from the February 2025 Placement, together with the Company's existing cash reserves, have been used to undertake a 22-hole drill program at the high-grade Block 3 gallium discovery, where Nimy has already outlined extensive mineralisation, and for general working capital purposes.

#### 1.3 Listing Rule 7.1 – Requirement for Shareholder Approval

As described in Section 1.1 above, the Company has issued a total of 20,909,090 February 2025 Placement Shares under the Placement to the February 2025 Placement Participants. None of the February 2025 Placement Participants who participated in the issue of 20,909,090 February 2025 Placement Shares were or are Directors or other Related Parties of the Company.

Resolutions 1(a) and 1(b) are ordinary resolutions seeking ratification from Shareholders for the prior issue of 20,909,090 February 2025 Placement Shares.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the February 2025 Placement Shares does not fall within any of these exceptions and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12-month period from the issue date of the February 2025 Placement Shares.

A Listing Rule 7.1A mandate allows an entity to increase its 15% limit in Listing Rule 7.1 by an extra 10% if Shareholders approve a special resolution at a company's General Meeting. The Company's Shareholders approved the extra 10% placement capacity mandate pursuant to Listing Rule 7.1A at the Company's Annual General Meeting held on 28 November 2024, allowing the Company the ability to place a total of 25% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issue under Listing Rules 7.1 and 7.1A.

If Resolutions 1(a) and 1(b) are passed, the issue of the February 2025 Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1 and 10% limit in Listing Rule 7.1A, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12-month period following the issue date.

If Resolutions 1(a) and 1(b) are not passed, the issue of the February 2025 Placement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1 and 10% limit in Listing Rule 7.1A, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12-month period following the issue date.

### 1.4 Listing Rule 7.5 Information Requirements

In accordance with the disclosure requirements of Listing Rule 7.5, the following information is provided in relation to Resolutions 1(a) and 1(b):

### (a) Persons to whom the securities were issued or the basis on which those persons were determined

The February 2025 Placement Shares were issued to professional, sophisticated and otherwise exempt investors who are clients of GBA Capital and Charles Street Capital, who acted as Joint Lead Managers and corporate advisory to the Placement. The recipients were identified through a bookbuild process, which involved the Joint Lead Managers seeking expressions of interest to participate in the capital raising from non-related parties of the Company.

Each February 2025 Placement Participant is a sophisticated or professional investor within the meaning of section 708(8), (10), (11) or (12) of the Corporations Act, being an investor to whom securities may be issued without a prospectus or other disclosure document.

None of the February 2025 Placement Participants are related parties of the Company, members of the Company's key management personnel, a substantial holder, an advisor or an associate of these parties, with no February 2025 Placement Shares issued to any party greater than 1% of the Company's issued capital at the time of issue.

### (b) The number and class of securities issued

20,909,090 February 2025 Placement Shares were issued to the February 2025 Placement Participants utilising the Company's placement capacities pursuant to Listing Rules 7.1 and 7.1A. The February 2025 Placement Shares are fully paid ordinary Shares ranking equally with the Company's existing Shares then on issue.

- in respect of Resolution 1(a) 5,304,950 February 2025 Placement Shares were issued to the February 2025 Placement Participants utilising the Company's placement capacity pursuant to Listing Rule 7.1; and
- in respect of Resolution 1(b) 15,604,140 February 2025 Placement Shares were issued to the February 2025 Placement Participants utilising the Company's additional placement capacity pursuant to Listing Rule 7.1A.

The February 2025 Placement Shares are fully paid ordinary Shares ranking equally with the Company's existing Shares then on issue.

#### (c) Date on which the securities were issued

The February 2025 Placement Shares in respect of Resolutions 1(a) and 1(b) were issued by the Company on 10 March 2025.

#### (d) Price at which the securities were issued

For Resolutions 1(a) and (b), the February 2025 Placement Shares were issued to the February 2025 Placement Participants at an issue price of \$0.055 per Placement Share. This included a free attaching Series A Unlisted Option on the basis of one Series A Unlisted Option for every two February 2025 Placement Shares subscribed for. The issue of Series A Unlisted Options is the subject of Resolution 2.

#### (e) Purpose of issue and the use or intended use of the funds raised

The Company used the funds raised from the issue of the February 2025 Placement Shares for the purposes described in Section 1.2 of this Notice.

#### (f) Issued under an agreement

The issue of the February 2025 Placement Shares was not made under an agreement.

### (g) Voting exclusion

A voting exclusion statement in respect of Resolutions 1(a) and 1(b) is included in this Notice.

### 1.5 Directors' Recommendation – Resolutions 1(a) and 1(b)

The Directors unanimously recommend that Shareholders vote in favour of Resolution 1(a) and Resolution 1(b) as it will refresh the Company's issuing capacity under Listing Rule 7.1 and 7.1A, respectively, and give the Company the flexibility to raise additional working capital through the offer and issue of equity securities, if and as required.

## 2. RESOLUTION 2 – APPROVAL TO ISSUE SERIES A UNLISTED OPTIONS TO FEBRUARY 2025 PLACEMENT PARTICIPANTS (NON-RELATED PARTIES)

### 2.1 Background Information

As described in Section 1.1 above, the Company agreed to issue 10,454,545 Unlisted Options, each exercisable to one Share at \$0.10 and expiring on or before 30 June 2028 (Series A Unlisted Options), to the February 2025 Placement Participants, on the basis of one free attaching Option for every two February 2025 Placement Shares subscribed for.

#### 2.2 Listing Rule 7.1 – Requirement for Shareholder Approval

Resolution 2 is an ordinary resolution seeking approval by Shareholders for the proposed issue of 10,454,545 Series A Unlisted Options to the February 2025 Placement Participants.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of Series A Unlisted Options does not fall within any of these exceptions and exceeds the 15% limit in Listing Rule 7.1. It therefore requires approval of the Company's Shareholders under Listing Rule 7.1.

To this end, Resolution 2 seeks Shareholder approval for the issue of Series A Unlisted Options under and for the purposes of Listing Rule 7.1.

If Resolution 2 is passed, the Company will be able to proceed with the issue of Series A Unlisted Options to the February 2025 Placement Participants, and the Company will potentially raise up to \$1,045,454 if all Series A Unlisted Options are exercised before their expiry date.

If Resolution 2 is not passed, the Company will not be able to proceed with the issue of Series A Unlisted Options to the February 2025 Placement Participants, and the Company will not potentially raise up to \$1,045,454, on the exercise of all Series A Unlisted Options.

#### (h) A voting exclusion statement

A voting exclusion statement in respect of Resolution 2 is included in this Notice.

#### 2.4 Directors' Recommendation - Resolution 2

The Directors unanimously recommend that Shareholders vote in favour of Resolution 2 as it will refresh the Company's issuing capacity under Listing Rule 7.1, giving the Company the flexibility to raise additional working capital through the offer and issue of equity securities, if and as required. Further, it will enable the Company to raise up to \$1,045,454 in funds if all Series A Unlisted Options are issued and all are exercised prior to their expiry date.

## 3. RESOLUTION 3 – RATIFICATION OF PRIOR ISSUE OF SERIES A UNLISTED OPTIONS TO JOINT LEAD MANAGER, GBA CAPITAL PTY LTD (NON-RELATED PARTY)

#### 3.1 Background Information

As described in section 1.1 above, the Company completed a Placement on 26 February 2025, raising \$1.15 million (before costs) through the issue of 20,909,090 February 2025 Placement Shares in the Company at an issue price of \$0.055 per Share.

Both GBA Capital and Charles Street Capital acted as Joint Lead Managers to the February 2025 Placement. In accordance with a lead manager agreement signed with both Joint Lead Managers, the fees payable to both Joint Lead Managers for lead manager services performed includes the grant of 5,000,000 Options to each Joint Lead Manager, on the same terms as the Series A Unlisted Options to be issued to the February 2025 Placement Participants (being the subject of Resolution 2).

On 10 March 2025, the Company issued 5,000,000 Series A Unlisted Options to GBA Capital for the joint services provided in conjunction with Charles Street Capital.

#### 3.2 Joint Lead Management Agreement

The Company, Charles Street Capital and GBA Capital, as Joint Lead Managers, entered into an agreement (Lead Management Agreement) to which Charles Street Capital and GBA Capital were engaged to manage the Placement and to provide corporate advisory and capital raising services in respect of the capital raising under the February 2025 Placement.

Pursuant to the terms of the Lead Management Agreement, the Joint Lead Managers were engaged on an exclusive basis to:

- (a) determine investor demand for the Placement;
- (b) solicit bids from institutional and professional investors to the Placement;
- (c) advise on the pricing for the Placement; and
- (d) manage and co-ordinate the Placement.

For performing these services, Joint Lead Managers:

- (a) will receive a commission fee of 6% (plus GST) of the gross proceeds raised under the Placement, payable in cash; and
- (b) on the successful completion of the February 2025 Placement, be granted Options as a Joint Lead Manager, subject to Shareholder approval under this Resolution.

The Joint Lead Managers will also be reimbursed for its out-of-pocket expenses and external legal expenses incurred in connection with the February 2025 Placement.

#### 3.3 Listing Rule 7.1 – Requirement for Shareholder Approval

Resolution 3 is an ordinary resolution seeking ratification from Shareholders for the prior issue of 5,000,000 Series A Unlisted Options to Joint Lead Manager, GBA Capital.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of Series A Unlisted Options to GBA Capital does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the date of issue.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of 5,000,000 Series A Unlisted Options to GBA Capital under Resolution 3.

If Resolution 3 is passed, the 5,000,000 Series A Unlisted Options issued to GBA Capital will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of issue.

If Resolution 3 is not passed, the 5,000,000 Series A Unlisted Options issued to GBA Capital will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12-month period following the date of issue.

#### 3.4 Listing Rule 7.5 Information Requirements

In accordance with the disclosure requirements of Listing Rule 7.5, the following information is provided in relation to Resolution 3:

## (a) Persons to whom the securities were issued or the basis on which those persons were determined

The Series A Unlisted Options were issued to GBA Capital, or its nominee(s), a non-related party of the Company.

#### (b) The number and class of securities issued

The Company issued 5,000,000 Series A Unlisted Options to GBA Capital, being unlisted options to subscribe for Shares, utilising the Company's placement capacity under Listing Rule 7.1.

The Series A Unlisted Options are unlisted options, exercisable at \$0.10 each and expires on 30 June 2028. Each Series A Unlisted Option is exercisable into one Share that ranks equally with all existing Shares on issue. The terms of Series A Unlisted Options are set out in Schedule 1.

The Company will not seek quotation of the Series A Unlisted Options.

#### (d) The date on which the securities were issued

The Series A Unlisted Options to GBA Capital in respect of Resolution 3 were issued by the Company on 10 March 2025.

#### (e) The price or consideration the entity has received or will receive for the issue

The Series A Unlisted Options were issued at nil issue price in consideration for services performed by GBA Capital as Joint Lead Manager under the Lead Management Agreement for the February 2025 Placement.

#### (f) The purpose of the issue and the use or intended use of the funds raised

The Series A Unlisted Options were issued in part payment for services provided in connection with the February 2025 Placement. No amount will be raised on the issue of the Series A Unlisted Options to GBA Capital.

If all 5,000,000 Series A Unlisted Options issued to GBA Capital are exercised prior to expiry, the Company will raise up to \$500,000 on receipt of the exercise price, and the Company anticipates it will use those funds for working capital purposes, as required at that time.

### (g) If the securities were or will be issued under an agreement, a summary of any other material terms of the agreement

The material terms of the Joint Lead Manager Agreement are described in Section 3.2 of this Notice.

#### (h) A voting exclusion statement

A voting exclusion statement in respect of Resolution 3 is included in this Notice.

#### 3.5 Directors' Recommendation – Resolution 3

The Directors unanimously recommend that Shareholders vote in favour of Resolution 3 as it will assist the Company in conserving its cash which would otherwise have been used as payment for the provision of services in managing the Placement and in addition, it will enable the Company to raise up to \$500,000 in additional funds should all 5,000,000 Series A Unlisted issued to GBA Capital be exercised prior to their expiry date.

### 4. RESOLUTION 4 – APPROVAL TO ISSUE SERIES A UNLISTED OPTIONS TO JOINT LEAD MANAGER, CHARLES STREET CAPITAL PTY LTD (RELATED PARTY)

#### 4.1 Background Information

As described in section 1.1 above, the Company completed a Placement on 26 February 2025, raising \$1.15 million (before costs) through the issue of 20,909,090 Shares in the Company at an issue price of \$0.055 per Share.

Both GBA Capital and Charles Street Capital acted as Joint Lead Managers to the February 2025 Placement. In accordance with a lead manager agreement signed with both Joint Lead Managers, the fees payable to both Joint Lead Managers for lead manager services performed includes the grant of 5,000,000 Options to each Joint Lead Manager, on the same terms as the Series A Unlisted Options proposed to be issued to the February 2025 Placement Participants, the subject of Resolution 2.

On 10 March 2025, the Company issued 5,000,000 Series A Unlisted Options to GBA Capital for the joint services provided in conjunction with Charles Street Capital (refer Resolution 3). The remaining 5,000,000 Series A Unlisted Options due to Charles Street Capital has yet to be issued, and forms the subject for approval under this resolution.

Charles Street Capital is a company owned and operated by Mr Justin Warburton, who is also the son of Nimy Resources' Non-Executive Director, Mr Neil Warburton. For the purposes of section 228(3) of the Corporations Act and ASX Listing Rule 10.11.1, Mr Justin Warburton is considered a related party and as such the issue should be approved by Shareholders.

#### 4.2 Joint Lead Management Agreement

The Company, Charles Street Capital and GBA Capital, as Joint Lead Managers, entered into an agreement (Lead Management Agreement) to which Charles Street Capital and GBA Capital were engaged to manage the Placement and to provide corporate advisory and capital raising services in respect of the capital raising under the February 2025 Placement.

A summary of the Lead Management Agreement is set out in section 3.2 of this Notice.

### 4.3 Listing Rule 10.11 – Requirement for Shareholder Approval

Resolution 4 is an ordinary resolution and seeks approval from Shareholders for the proposed issue of 5,000,000 Series A Unlisted Options to Joint Lead Manager, Charles Street Capital.

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rule 10.11.1 to 10.11.4 is such that, ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains approval of its shareholders.

The proposed issue of 5,000,000 Series A Unlisted Options to Charles Street Capital falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12.

As Shareholder approval is being sought under Listing Rule 10.11, approval under Listing Rule 7.1 is not required. Accordingly, the proposed issue of 5,000,000 Series A Unlisted Options to Charles Street Capital will not be included in the use of the Company's 15% annual placement capacity pursuant to Listing Rule 7.1.

To this end, Resolution 4 seeks the required shareholder approval for the issue of 5,000,000 Series A Unlisted Options to Charles Street Capital under and for the purposes of Listing Rule 10.11.

If Resolution 4 is passed, the Company will be able to proceed with the issue of 5,000,000 Series A Unlisted Options Series to Charles Street Capital, increasing the total number of Options on issue. If all 5,000,000 Series A Unlisted Options proposed to be issued to Charles Street Capital are exercised prior to its expiry, the Company will raise up to \$500,000 on receipt of the exercise price and anticipates it will use those funds for working capital purposes, as required at that time.

If Resolution 4 is not passed, the Company will not be able to proceed with the issue of 5,000,000 Series A Unlisted Options to Charles Street Capital or its nominee(s). In this scenario, the Company will be required to satisfy its obligation to Charles Street Capital as Joint Lead Manager in another manner, which will most likely be via a cash payment. In this eventuality, this will negatively impact the Company's available working capital funds and Charles Street Capital may be less inclined to assist the Company in its future capital raising endeavours. The Company will also not potentially raise up to \$500,000 on the exercise of the 5,000,000 Series A Unlisted Options issued to Charles Street Capital.

#### 4.4 Information Required by Listing Rule 10.13 and section 219 of the Corporations Act

The person falls under Listing Rule 10.11.1 as Mr Justin Warburton is the son of the Company's Non-Executive Director, Mr Neil Warburton, thereby making him a related party.

#### (c) The number and class of securities to be issued to the person

The Company proposes to issue 5,000,000 Series A Unlisted Options.

#### (d) Terms of securities proposed to be issued

The Series A Unlisted Options are unlisted options, exercisable at \$0.10 each and expires on 30 June 2028. Each Series A Unlisted Option is exercisable into one Share that ranks equally with all existing Shares on issue. The terms of Series A Unlisted Options are set out in Schedule 1.

The Company will not seek quotation of the 5,000,000 Series A Unlisted Options.

#### (e) The date or dates on which the Company will issue the securities to the persons

Subject to Shareholder approval, the Company proposes to issue the 5,000,000 Series A Unlisted Options to Charles Street Capital following the Meeting, on one date and in any event no later than one month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).

#### (f) The price or consideration the entity will receive for the issue

The Series A Unlisted Options are to be granted at nil issue price in consideration for services performed by Charles Street Capital as Joint Lead Manager under the Lead Management Agreement for the February 2025 Placement.

#### (g) Purpose of the issue and use of funds raised

The Series A Unlisted Options will be issued in part payment for services provided in connection with the February 2025 Placement. No amount will be raised on the issue of the Series A Unlisted Options to Charles Street Capital.

#### (h) Remunerate and incentivise

The issue of the 5,000,000 Series A Unlisted Options to Charles Street Capital is not intended to remunerate or incentivise any director, and specifically also not Non-Executive Director Mr Neil Warburton, being the father of Mr Justin Warburton who is a director of Charles Street Capital. The 5,000,000 Series A Unlisted Options are intended to remunerate and incentivise Charles Street Capital.

## (i) If the securities were or will be issued under an agreement, a summary of any other material terms of the agreement

The material terms of the Lead Management Agreement, which covers the issue of the 5,000,000 Series A Unlisted Options to Charles Street Capital, are described in Sections 3.2 and 4.2 of this Notice.

#### (j) Voting Exclusion

A voting exclusion statement in respect of Resolution 4 is included in this Notice.

#### (k) Valuation

The 5,000,000 Series A Unlisted Options proposed to be issued Charles Street Capital pursuant to Resolution 4 have been valued by internal management (who, it is considered, have sufficient qualifications, expertise and experience to conduct such a valuation) based on a valuation methodology using the Black & Scholes Option Pricing Model, which is the most widely used and recognised model for pricing options. The acceptance of this model is due to its derivation being grounded in economic theory. The value of an option calculated by the Black & Scholes Model is a function of a number of variables. The assessment of the estimated value of the Options has been prepared applying the following assumptions:

Input										
Grant date	10 March 2025									
Expiry date	30 June 2028									
Spot price on grant date	\$0.05 per share									
Exercise price	\$0.10 per option									
Risk free rate	3.81%									
Volatility	115%									
Number of Unlisted Options	5,000,000									
Value per Unlisted Option	\$0.0308									
Total value for the issue	\$154,000									

Note – the valuation noted above is not necessarily the market price that the Unlisted Options can be traded at and is not automatically the market price of taxation purposes.

#### (l) Dilution

If the 5,000,000 Series A Unlisted Options issued to Charles Street Capital are exercised, a total of 5,000,000 Shares would be issued. This will increase the number of Shares on issue from 240,480,791 (being the total number of Shares on issue as at the date of this Notice) to 245,480,791 (assuming that no Shares are issued and no convertible securities vest or are exercised, including any proposed to be issued under any other Resolutions in this Notice) with the effect that the shareholding of existing Shareholders would be diluted by an aggregate of 2.04%.

The market price for Shares during the term of Series A Unlisted Options would normally determine whether they would be exercised. If, at any time, any of the 5,000,000 Series A Unlisted Options are exercised and the Shares are trading on ASX at a price that is higher than the exercise price, there may be a perceived cost to the Company.

### (m) Trading History

The trading history of the Shares' closing prices on ASX in the 12 months before the date of this Notice is set out below:

	Share Price	Date
Highest	\$0.15	23 January 2025
Lowest	\$0.042	18, 19, 20 November 2024
Last	\$0.093	9 June 2025

The Board is not aware of any other information that is reasonably required by Shareholders to allow them to decide whether it is in the best interests of the Company to pass Resolution 4.

#### 4.5 Directors' Recommendation - Resolution 4

The Directors (other than Mr Neil Warburton who has abstained himself from voting on this Resolution) believe Resolution 4 is in the best interest of the Company and its Shareholders and unanimously recommend that the Shareholders vote in favour of this Resolution.

### 6.3 Listing Rule 7.1 – Requirement for Shareholder Approval

Resolution 6 is an ordinary resolution and seeks approval from Shareholders for the issue of 2,000,000 Series B Unlisted Options to Joint Lead Manager, GBA Capital. The issue of 6,000,000 Series B Unlisted Options to Charles Street Capital is the subject of Resolution 7. The proposed issue of 2,000,000 Series B Unlisted Options to GBA Capital does not fall within any of these exceptions and exceeds the 15% limit in Listing Rule 7.1. It therefore requires approval of the Company's Shareholders under Listing Rule 7.1.

If Resolution 6 is passed, the Company will be able to proceed with the issue of 2,000,000 Series B Unlisted Options to GBA Capital or its nominee(s), increasing the total number of Options on issue. If all the 2,000,000 Series B Unlisted Series to GBA Capital are exercised prior to its expiry, the Company will raise up to \$270,000 on receipt of the exercise price. In addition, the issue will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1. The Company anticipates it will use those funds for working capital purposes, as required at that time.

If Resolution 6 is not passed, the Company will not be able to proceed with the issue of 2,000,000 Series B Unlisted Options to GBA Capital or its nominee(s). In this scenario, the Company will be required to satisfy its obligation to GBA Capital in another manner, which will most likely be via a cash payment. In this eventuality, this will negatively impact the Company's available working capital funds and GBA Capital may be less inclined to assist the Company in its future capital raising endeavours. The Company will also not potentially raise up to \$270,000 on the exercise of the 2,000,000 Series B Unlisted Options issued to GBA Capital.

### 6.4 Listing Rule 7.3 Information Requirements

In accordance with the disclosure requirements of Listing Rule 7.3, the following information is provided in relation to Resolution 6:

The Company will not seek quotation of the Series B Unlisted Options.

The Series B Unlisted Options will be issued in part payment for services provided in connection with the May 2025 Placement. No amount will be raised on the issue of the Series B Unlisted Options to GBA Capital.

If all the 2,000,000 Series B Unlisted Options issued to GBA Capital are exercised prior to expiry, the Company will raise up to \$270,000 on receipt of the exercise price, and the Company anticipates it will use those funds for working capital purposes, as required at that time.

The material terms of the Joint Lead Manager Agreement are described in Section 6.2 of this Notice.

#### 6.5 Directors' Recommendation - Resolution 6

Resolution 6 is an ordinary resolution. The Chairperson intends to exercise all available proxies in favour of Resolution 6.

The Directors unanimously recommend that Shareholders vote in favour of Resolution 6 as it will assist the Company in conserving its cash which would otherwise have been used as payment for the provision of services in managing the Placement and in addition, it will enable the Company to raise up to \$270,000 in funds should all 2,000,000 Series B Unlisted Options be exercised prior to their expiry date.

## 7. RESOLUTION 7 – APPROVAL TO ISSUE SERIES B UNLISTED OPTIONS TO JOINT LEAD MANAGER, CHARLES STREET CAPITAL PTY LTD (RELATED PARTY)

#### 7.1 Background Information

In accordance with the lead manager agreement signed with both Joint Lead Managers (**May 2025** Lead Management Agreement), the fees payable to both Joint Lead Managers for lead manager services performed includes the grant of Options (being 2,000,000 to GBA Capital (refer Resolution 6) and 6,000,000 to Charles Street Capital (the subject of Resolution 7 of this Notice) on the same terms as the Series B Unlisted Options proposed to be issued to the May 2025 Placement Participants, the subject of Resolution 5 of this Notice.

The 6,000,000 allocation to Charles Street Capital includes 4,000,000 Options in lieu of a cash payment for ongoing corporate consultancy services.

Charles Street Capital is a company owned and operated by Mr Justin Warburton, who is also the son of Nimy Resources' Non-Executive Director, Mr Neil Warburton. For the purposes of section 228(3) of the Corporations Act and ASX Listing Rule 10.11.1, Mr Justin Warburton is considered a related party and as such the issue should be approved by Shareholders.

#### 7.2 Joint Lead Management Agreement

The Company, Charles Street Capital and GBA Capital, as Joint Lead Managers, entered into an agreement (May 2025 Lead Management Agreement) to which Charles Street Capital and GBA Capital were engaged to manage the Placement and to provide corporate advisory and capital raising services in respect of the capital raising under the May 2025 Placement.

A summary of the Lead Management Agreement is set out in section 6.2 of this Notice.

### 7.3 Listing Rule 10.11 – Requirement for Shareholder Approval

Resolution 7 is an ordinary resolution and seeks approval from Shareholders for the proposed issue of 6,000,000 Series B Unlisted Options to Joint Lead Manager, Charles Street Capital.

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rule 10.11.1 to 10.11.4 is such that, ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains approval of its shareholders.

The proposed issue of 6,000,000 Series B Unlisted Options to Charles Street Capital falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12.

As Shareholder approval is being sought under Listing Rule 10.11, approval under Listing Rule 7.1 is not required. Accordingly, the proposed issue of 6,000,000 Series B Unlisted Options to Charles Street Capital will not be included in the use of the Company's 15% annual placement capacity pursuant to Listing Rule 7.1.

Resolution 7 seeks the required shareholder approval for the issue of 6,000,000 Unlisted Series B Options to Charles Street Capital under and for the purposes of Listing Rule 10.11.

If Resolution 7 is passed, the Company will be able to proceed with the issue of the 6,000,000 Series B Unlisted Series B to Charles Street Capital or its nominee(s), increasing the total number of Options on issue. If all 6,000,000 Series B Unlisted Options to Charles Street Capital are exercised prior to its expiry, the Company will raise up to \$810,000 on receipt of the exercise price and anticipates it will use those funds for working capital purposes as required at that time.

If Resolution 7 is not passed, the Company will not be able to proceed with the issue of 6,000,000 Series B Unlisted Options to Charles Street Capital or its nominee(s). In this scenario, the Company will be required to satisfy its obligation to Charles Street Capital as Joint Lead Manager in another manner, which will most likely be via a cash payment. In this eventuality, this will negatively impact the Company's available working capital funds and Charles Street Capital may be less inclined to assist the Company in its future capital raising endeavours. The Company will also not potentially raise up to \$810,000 on the exercise of the 6,000,000 Series B Unlisted Options issued to Charles Street Capital.

### 7.4 Information Required by Listing Rule 10.13 and section 219 of the Corporations Act

#### (b) Which category in rules 10.11.1 - 10.11.5 the persons fall and why

The person falls under Listing Rule 10.11.1 as Mr Justin Warburton is the son of the Company's Non-Executive Director, Mr Neil Warburton, thereby making him a related party.

#### (c) The number and class of securities to be issued to the person

The Company proposes to issue 6,000,000 Series B Unlisted Options to Charles Street Capital, being unlisted options to subscribe for Shares.

#### (d) Terms of securities proposed to be issued

The Series B Unlisted Options are unlisted options, exercisable at \$0.135 each and expiring 3 years from the date of issue. Each Series B Unlisted Option is exercisable into one Share that ranks equally with all existing Shares on issue. The terms of Series B Unlisted Options are set out in Schedule 2.

The Company will not seek quotation of the Series B Unlisted Options.

#### (e) The date or dates on which the Company will issue the securities to the persons

Subject to Shareholder approval, the Company proposes to issue the 6,000,000 Series B Unlisted Options to Charles Street Capital following the Meeting, and will issue these on one date no later than one month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).

#### (f) The price or consideration the entity will receive for the issue

The Series B Unlisted Options are to be granted at nil issue price in consideration for services performed by Charles Street Capital as Joint Lead Manager under the May 2025 Lead Management Agreement for the May 2025 Placement.

#### (g) Purpose of the issue and use of funds raised

If all 6,000,000 Series B Unlisted Options issued to Charles Street Capital are exercised prior to expiry, the Company will raise up to \$810,000 on receipt of the exercise price, and the Company anticipates it will use those funds for working capital purposes, as required at that time.

#### (h) Remunerate and incentivise

The issue of the 6,000,000 Series B Unlisted Options to Charles Street Capital is not intended to remunerate or incentivise any director, and specifically also not Non-Executive Director Mr Neil Warburton, being the father of Mr Justin Warburton who is a director of Charles Street Capital. The 6,000,000 Series B Unlisted Options are intended to remunerate and incentivise Charles Street Capital.

### (i) If the securities were or will be issued under an agreement, a summary of any other material terms of the agreement

The material terms of the May 2025 Lead Management Agreement are described in Sections 6.2 and 7.2 of this Notice.

#### (j) Voting Exclusion

A voting exclusion statement in respect of Resolution 7 is included in this Notice.

#### (k) Valuation

The 6,000,000 Series B Unlisted Options proposed to be issued to Charles Street Capital pursuant to Resolution 7 have been valued by internal management (who, it is considered, have sufficient qualifications, expertise and experience to conduct such a valuation) based on a valuation methodology using the Black & Scholes Option Pricing Model, which is the most widely used and recognised model for pricing options. The acceptance of this model is due to its derivation being grounded in economic theory. The value of an option calculated by the Black & Scholes Model is a function of a number of variables. The assessment of the estimated value of the Options has been prepared applying the following assumptions:

Input	
Grant date	27 May 2025
Expiry date	3 years from the date of issue
Spot price on grant date	\$0.081 per share
Exercise price	\$0.135 per option
Risk free rate	3.385%
Volatility	118%
Number of Unlisted Options	6,000,000
Value per Unlisted Option	\$0.0508
Total value for the issue	\$304,800

Note – the valuation noted above is not necessarily the market price that the Unlisted Options can be traded at and is not automatically the market price of taxation purposes.

### (l) Dilution

If the 6,000,000 Series B Unlisted Options issued to Charles Street Capital are exercised, a total of 6,000,000 Shares would be issued. This will increase the number of Shares on issue from 240,480,791 (being the total number of Shares on issue as at the date of this Notice) to 246,480,791 (assuming that no Shares are issued and no convertible securities vest or are exercised, including any proposed to be issued under any other Resolutions in this Notice) with the effect that the shareholding of existing Shareholders would be diluted by an aggregate of 2.10%.

The market price for Shares during the term of Series B Unlisted Options would normally determine whether they would be exercised. If, at any time, any of the 6,000,000 Series B Unlisted Options are exercised and the Shares are trading on ASX at a price that is higher than the exercise price, there may be a perceived cost to the Company.

### (m) Trading History

The trading history of the Shares' closing prices on ASX in the 12 months before the date of this Notice is set out below:

	Share Price	Date
Highest	\$0.15	23 January 2025
Lowest	\$0.042	18, 19, 20 November 2024
Last	\$0.093	9 June 2025

The Board is not aware of any other information that is reasonably required by Shareholders to allow them to decide whether it is in the best interests of the Company to pass Resolution 7.

#### 7.5 Directors' Recommendation – Resolution 7

The Directors (other than Mr Neil Warburton who has abstained himself from voting on this Resolution) believe Resolution 7 is in the best interest of the Company and its Shareholders and unanimously recommend that the Shareholders vote in favour of this Resolution.

#### 8. RESOLUTION 8 – POTENTIAL PLACEMENT – APPROVAL OF SHARE ISSUE UNDER LISTING RULE 7.1

#### 8.1 General

The Company is considering conducting a placement pursuant to which the Company will issue up to 40,000,000 Shares (**Proposed Placement Shares**) (the **Proposed Placement**).

Under the Proposed Placement, the Company intends to issue up to 40,000,000 Shares to unrelated parties (**Proposed Placement Participants**) at an issue price of no less than 80% of the 5-day VWAP at the time of issue, the subject of this Resolution 8.

The Proposed Placement Shares, if issued in full, represents approximately 16.63% of the Company's total issued share capital 240,480,791 at the date of this Notice (assuming that only the Proposed Placement Shares are issued and no other Shares are issued).

Resolution 8 seeks Shareholders approval pursuant to Listing Rule 7.1 to issue up to 40,000,000 Proposed Placement Shares to the Proposed Placement Participants.

If Resolution 8 is approved, funds raised from the Proposed Placement will allow the Company various options to access the growth capital needed for the advancements and future exploration work (including drilling) at the Company's projects and to help fund the Company's general working capital requirements. The Company currently anticipates that it will use such funding for:

- (a) Exploration and Evaluation activities at the Company's new and existing projects with a view to further develop the Mons Belt exploration target pipeline;
- (b) High impact drilling programs to follow-up and expand known Gallium, Copper and critical minerals at the Mons Belt Project and to further define later stage exploration prospects across the Mons Belt and undertake further drilling to progress Masson and Block 3 prospects towards a JORC compliant resource; and
- (c) for general working capital purposes.

The Company is currently considering a range of opportunities and no decisions have been made by the Board in relation to any specific transaction or funding source.

A capital raising may involve a placement to professional, sophisticated and institutional investors. Accordingly, the Company seeks approval to raise additional equity capital by way of the Proposed Placement to fund the abovementioned goals.

### 8.2 Listing Rule 7.1 and Listing Rule 14.1A – Requirement for Shareholder Approval

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Proposed Placement Shares does not fit within any of the exceptions to Listing Rules 7.1 and, as it has not yet been approved by Shareholders, it will effectively use up part of the Company's existing 25% placement capacity under Listing Rules 7.1 and 7.1A if the Company decides to proceed with the Proposed Placement. This reduces the Company's capacity to issue further Equity Securities without Shareholder approval under those Listing Rules for the 12-month period following the issue of the Proposed Placement Shares.

The effect of Shareholders passing Resolution 8 will be to allow the Company to retain the flexibility to issue Equity Securities in the future up to the 25% placement capacity set out in Listing Rules 7.1 and 7.1A, without the requirement to obtain prior Shareholder approval.

If Resolution 8 is passed, the Company will be able to proceed with the issue of up to 40,000,000 Proposed Placement Shares. In addition, the issue will be excluded from the calculation of the number of equity securities that the Company can issue without shareholder approval under Listing Rule 7.1.

If Resolution 8 is not passed, the Company will not be able to proceed with the issue of up to 40,000,000 Proposed Placement Shares without using its available placement capacity permitted under Listing Rules 7.1 and 7.1A. The Company does not presently have sufficient placement capacity to issue all of the Proposed Placement Shares. Accordingly, if Resolution 8 is not passed, the Company will not be able to proceed with the issue of all of the Placement Shares.

#### 8.3 Technical information required by Listing Rule 7.3

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution 8:

### (a) Persons to whom the securities were issued or the basis on which those persons were determined

The Proposed Placement Shares will be allotted to the Proposed Placement Participants, who will be sophisticated investors (in accordance with sections 708(8) of the Corporations Act), professional investors (in accordance with section 708(11) of the Corporations Act), other institutional and accredited investors to whom no disclosure is required under the Corporations Act.

At the date of this Notice, the Company has not entered into any negotiations with any corporate broker or any other party in regard to the fundraise contemplated under this Resolution and is therefore unable to name or identify who the corporate broker or lead manager might be. The names of the investors are accordingly not known to the Company but will likely be sourced from a corporate broker via a bookbuild process, which will involve a lead manager seeking expressions of interest to participate in the Proposed Placement from clients of the lead manager.

None of the proposed investors will be related parties of the Company, persons in a position of influence as described in Listing Rule 10.11, a substantial holder, an advisor, an associate of these parties, or a party who holds greater than 1% of the Company's issued capital at the time of issue.

### (b) The number and class of securities to be issued

The number of Proposed Placement Shares to be issued will not exceed 40,000,000.

#### (c) A summary of the material terms of the securities

The Proposed Placement Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares.

#### (d) The date on which the securities will be issued

If approved, and the Proposed Placement occurs, the Proposed Placement Shares will be issued on one date on or before 3 months after the date of the meeting as required by the Listing Rules.

#### (e) The price or consideration the entity has received or will receive for the issue

The issue price of the Proposed Placement Shares will not be less than 80% of the volume weighted average price for ordinary shares calculated over the last 5 days on which sales of ordinary shares were recorded before the date on determining the Proposed Placement Shares issue price.

#### (f) The purpose of the issue and the use or intended use of the funds raised

Any funds raised under the Proposed Placement will be used to fund the business goals as detailed in Section 8.1.

## (g) If the securities were or will be issued under an agreement, a summary of any other material terms of the agreement

The Company has not entered into any agreement for the issue of any of the Proposed Placement Shares.

#### (k) A voting exclusion statement

A voting exclusion statement in respect of Resolution 8 is included in this Notice.

#### 8.4 Directors' Recommendation – Resolution 8

The Directors unanimously recommend that Shareholders vote in favour of Resolution 8 as it will be excluded from the Company's issuing capacity under Listing Rule 7.1 and gives the Company the flexibility to raise additional working capital through the offer and issue of equity securities, if and as required.
