Who we are:

COG Financial Services Limited (COG) has three complementary businesses:

1. Finance Broking & Aggregation ("FB&A"): Through its membership group of independent and equity owned brokers (brokers in which COG has invested), COG is Australia's largest asset finance group, representing over \$8.9 billion per annum of Net Assets Finance (NAF). Further growth is being achieved through organic growth in equipment finance, insurance broking, and through equity investment in brokers.
2. Novated Leasing ("Novated"): Through Fleet Network and its subsidiaries, Paywise and beCarWise, COG operates in the novated lease and salary packaging sector. Growth is being achieved through organic growth, with a significant opportunity arising from existing tax incentives associated with electric cars financed through a novated lease arrangement.
3. Asset Management & Lending (AM&L): The largest profit contribution is from peer-to-peer lending on property mortgage-backed business loans via our subsidiary Equity One. As a fee based business, it's profits are not exposed to changes in interest rates. In addition, through broker distribution, COG provides equipment finance to SMEs, and real property loans via our subsidiary Westlawn Finance Limited.

In all three businesses COG's market share is small relative to the market size in which it operates, and there are significant growth opportunities through future consolidation and organic growth.
