

17 JULY 2025

PACIFIC EDGE OPENS \$5.0 MILLION SHARE PURCHASE PLAN

DUNEDIN, New Zealand – Cancer diagnostics company Pacific Edge Limited (“Pacific Edge”, the “Company”) (NZX, ASX: PEB) today announces the opening of its Share Purchase Plan (“SPP”) to raise \$5.0 million.

This SPP is further to the announcement on 3 June 2025 in respect of Pacific Edge’s successful conditional placement (the “Placement”)¹ of \$16.1 million of new ordinary shares to certain investors — \$1.1 million more than originally sought — at a price of \$0.10 per share to support an aggregate capital raising of circa \$21.0 million. The Placement is conditional on shareholder approval, which is to be sought at the Annual Shareholders’ Meeting on 6 August 2025. The issue of shares under the SPP is conditional on the Placement becoming unconditional.

The SPP is open to “Eligible Shareholders”, who are all persons recorded on Pacific Edge’s share register at 7:00pm NZT on 11 July 2025 as being a holder of Pacific Edge shares and who have an address in New Zealand.

Eligible Shareholders are able to apply for up to a maximum of \$50,000 of new shares per shareholder at \$0.10 per share, the same price per share offered to investors that took part in the Placement. Pacific Edge can elect to accept oversubscriptions at its absolute discretion to ensure that it has sufficient flexibility to cater for demand from its retail shareholder base.²

The new shares to be issued under the SPP and Placement (subject to those offers becoming unconditional) are expected to be allotted on 13 August 2025 and will rank equally with existing Pacific Edge shares on issue on the allotment date. Pacific Edge envisages using the new capital to:

- Extend cash runway to support operations for over 12 months without Medicare coverage, and without reductions in its cost base, while pursuing re-coverage;
- Accelerate adoption of Triage in the US with its February 2025 inclusion in the American Urological Association (AUA) microhematuria guideline as a catalyst for sales, marketing and reimbursement;
- Continue generating clinical evidence in an AV, CV and CU³ framework for coverage, guidelines and medical policy for Triage Plus and Monitor Plus; and
- Invest in innovation and product development for In Vitro Diagnostic (IVD) kits to support entry into international markets in a decentralised deployment model.

¹ A separate Notice of Annual Shareholders’ Meeting is also being released to the NZX and ASX today detailing the resolutions to be put to shareholders including the resolution relating to the Placement.

² Pacific Edge also reserves the right to scale oversubscriptions under the SPP. If it does so, oversubscriptions will be scaled according only to the number of shares held by applicants under the SPP at 7.00pm NZT on 11 July 2025.

³ AV: Analytical Validity; CV: Clinical Validity; CU: Clinical Utility.

Pacific Edge Chairman Chris Gallaher said: "The inclusion of Cxbladder Triage in the AUA guideline has allowed the company to view the Medicare non-coverage determination that came into effect in April 2025 differently.

"The Company has a strong desire to use those guidelines to build on the commercial momentum already established. The robust evidence emerging from its clinical evidence program is shifting clinical sentiment towards the broader adoption of Pacific Edge's tests in the US and further afield. Pacific Edge is determined not to lose that momentum, and it is for this reason it is undertaking the capital raising," Mr Gallaher said.

Eligible Shareholders can apply for shares under the SPP online at www.pacifedge.capitalraise.co.nz or alternatively complete and return a hard copy Application Form (which is available on request from Pacific Edge's Share Registrar, MUFG Pension & Market Services) before 7.00pm NZT on the Closing Date, which is Thursday 31 July 2025 (unless the SPP offer period is extended). Applications received after the Closing Date may not be accepted.

CHAIRMAN'S LETTER

17 July 2025

Dear Pacific Edge Shareholder,

PACIFIC EDGE LIMITED – RETAIL OFFER

On behalf of the Board of Directors of Pacific Edge, I am pleased to provide Eligible Shareholders the opportunity to subscribe for Shares in Pacific Edge through this Retail Offer. Capitalised terms used in this document have the meaning given to them in the Glossary at the back of this document or in the relevant section of this document.

Eligible Shareholders are all persons who were recorded in Pacific Edge's share register at 7:00pm NZT on 11 July 2025 as being a holder of Pacific Edge Shares and who have an address in New Zealand. The Retail Offer is part of Pacific Edge's equity raising initiative announced on 30 May 2025, whereby Pacific Edge undertook a \$16 million placement of Shares to selected investors at \$0.10 per Share (the "**Placement**"), subject to Pacific Edge shareholder approval which is expected to be sought at the Annual Shareholders' Meeting ("**ASM**") on 6 August 2025.

Pacific Edge is seeking to raise up to \$5 million under the Retail Offer. However, Pacific Edge can elect to accept oversubscriptions at its absolute discretion to ensure that it has sufficient flexibility to cater for demand from its retail shareholder base.

The capital raising is aimed at ensuring Pacific Edge has the cash reserves to capitalise on its recent clinical and commercial milestones, grow in non-Medicare channels and regain Medicare coverage of its tests. Medicare coverage of the company's tests ceased after the 'Genetic testing for Oncology; Specific Tests' (L39365) Local Coverage Determination became effective on 24 April 2025.

Specifically, Pacific Edge envisages using the new capital to:

- Extend cash runway to support operations for over 12 months without Medicare coverage, and without reductions in its cost base, while pursuing re-coverage;
- Accelerate adoption of Triage in the US with its February 2025 inclusion in the American Urological Association (AUA) microhematuria guideline as a catalyst for sales, marketing and reimbursement;
- Continue generating clinical evidence in an AV, CV and CU¹ framework for coverage, guidelines and medical policy for Triage Plus and Monitor Plus; and
- Invest in innovation and product development for In Vitro Diagnostic (IVD) kits to support entry into international markets in a decentralised deployment model.

Inclusion in the AUA guideline has allowed the company to view the non-coverage determination differently and Pacific Edge has a strong desire to use those guidelines to build on the commercial momentum already established. The robust evidence emerging from its clinical evidence program is shifting clinical sentiment towards the broader adoption of Pacific Edge's tests in the US and further afield. Pacific Edge is determined not to lose that momentum, and it is for this reason it has undertaken the capital raising.

The Board considers that it is important to offer a Retail Offer to all Eligible Shareholders of Pacific Edge to enable them to participate in the capital raising and acquire new Shares at the same price as the Placement. Each Eligible Shareholder may elect to subscribe for up to \$50,000 of new Shares, subject to scaling.

The price per Share under the Retail Offer will be \$0.10c, being the price paid by investors in Pacific Edge's recent Placement. In addition, the Retail Offer provides Eligible Shareholders the opportunity to purchase additional Shares in Pacific Edge without incurring brokerage or other transaction costs.

¹ AV: Analytical Validity; CV: Clinical Validity; CU: Clinical Utility.

All of Pacific Edge's Directors and senior management are participating in the capital raising at \$0.10c per Share.

Details of the Retail Offer, including terms and conditions of the Retail Offer and an explanation of how you can participate, are contained in this document. The Investor Presentation and other important information released on 30 May 2025 are available at www.nzx.com and www.asx.com.au under the ticker code "PEB".

We encourage you to read these documents carefully before you decide whether to participate. We also encourage all Eligible Shareholders that wish to do so to apply online. Please note that if Pacific Edge receives Applications in excess of \$5 million (plus the total amount of oversubscriptions accepted by Pacific Edge, if any), Applications may be scaled back on a proportionate basis in accordance with the number of Shares held by applicants on the Record Date (being 7:00pm NZT on 11 July 2025).

The Retail Offer is conditional on Pacific Edge shareholder approval being received for the Placement at the ASM.

We suggest that you seek financial, investment or other professional advice before making an investment decision.

If you wish to participate in the Retail Offer, you must ensure that your Application (and, if you are a Custodian as defined in clause 3 of the Terms and Conditions, your Custodian Certificate), is submitted to the Share Registrar allowing sufficient time for it to be received by 7:00pm NZT on 31 July 2025. Online applications or Application Forms returned by mail must be received by Pacific Edge's Share Registrar, MUFG Pension & Market Services, no later than 7:00pm NZT on 31 July 2025. Shares issued under the Retail Offer are expected to be allotted on or around 13 August 2025, unless the Closing Date is extended.

On behalf of the Board, please consider this opportunity and we sincerely thank you for your ongoing support of Pacific Edge.

Yours sincerely

Chris Gallaher

QUESTIONS AND ANSWERS

These Questions and Answers are a summary only and you should refer to the Offer Terms and Conditions later in this document for further information.

1. What is the Offer?

The Offer allows Eligible Shareholders to purchase up to \$50,000 worth of additional Shares in Pacific Edge without incurring brokerage or other transaction costs.

All Shares issued under the Offer will be of the same class as, and rank equally with, all Shares in Pacific Edge on issue at the Allotment Date. It is a term of the Offer that Pacific Edge will take any necessary steps to ensure that the Shares are, immediately after issue, quoted on the NZX Main Board. Pacific Edge also intends to ensure that new Shares issued under the Offer are quoted on the ASX.

2. Am I eligible to participate?

You are eligible to participate in the Offer if:

- (a) you were registered as a holder of Shares at 7.00 pm on 11 July 2025 (being the Record Date);
 - (b) your address recorded on the share register is in New Zealand; and
 - (c) you do not hold Shares on behalf of another person who resides outside of New Zealand.
-

3. How many Shares can I purchase?

Eligible Shareholders may apply for up to \$50,000 of Shares under the Offer, subject to scaling. There is a minimum subscription amount of \$100.

Pacific Edge is inviting Applications for up to \$5 million of Shares in aggregate. However, Pacific Edge can accept oversubscriptions at its complete discretion. If Pacific Edge receives Applications in excess of \$5 million (plus the total amount of oversubscriptions accepted by Pacific Edge, if any), it may (at its complete discretion) scale back Applications according only to the number of Shares held by applicants under the Offer on the Record Date.

If Applications are scaled, applicants will receive the number of Shares equal to the dollar amount of the Application accepted (as scaled) divided by the Issue Price, and a refund of the balance of the relevant payment amount. All refunds will be made without interest. Refunds will not be paid for any difference arising solely due to rounding or where the aggregate amount of the refund payable is less than \$5.00.

4. What is the Issue Price of the Shares?

The Issue Price of the Shares to be issued under the Offer is \$0.10 per Share.

The market price of the Shares may change between the date the Offer opens, the date you apply for Shares under the Offer and the date on which Shares are allotted to you. As a result, the Issue Price may be higher, equal to or lower than the price at which Pacific Edge's Shares are trading on the NZX Main Board or ASX at the time the Shares are allotted to you. There is no certainty that Shares will trade at or above the Issue Price following the issue of Shares under the Offer. Therefore, you should seek your own financial advice in relation to the Offer and your participation under it. The market price on the NZX Main Board is quoted on the NZX website: www.nzx.com and the market price on ASX is quoted on the ASX website: www.asx.com.au.

Further information about Pacific Edge, including its most recent financial statements, can be obtained from Pacific Edge's website: www.pacificedgedx.com. You may obtain, free of charge, the most recent annual report and financial statements of Pacific Edge by contacting Pacific Edge (for details, please refer to the Directory). You are also recommended to monitor Pacific Edge's market announcements through the NZX or ASX website.

5. Do I have to participate?

No - participation in the Offer is entirely voluntary. However, your shareholding in Pacific Edge will be diluted if you do not participate in the Offer to a level that would maintain your proportionate shareholding. If you do not wish to participate in the Offer, do nothing.

6. How do I apply for Shares under the Offer?

If you wish to participate in the Offer, we encourage you to apply online at www.pacificedge.capitalraise.co.nz, and provide the correct payment in accordance with the online instructions. You will require your Shareholder Number and Validation Number to apply online. Alternatively, a hard copy Application Form can be requested from Pacific Edge's Share Registrar, MUFG Pension & Market Services, using the contact details set out in the Directory.

You must lodge your Application (together with payment) directly with the Share Registrar. All payments must be made in New Zealand dollars. If the exact amount of money is not received by the Share Registrar by the Closing Date, Pacific Edge reserves the right not to accept all or part of your payment. In those circumstances, Pacific Edge will return your Application and refund all or part of your payment (without interest).

If your Application is rejected, all of the amounts paid will be refunded to you. If your Application is scaled back, you will receive the number of Shares in respect of which your Application is accepted at the Issue Price and receive a refund of the balance of the relevant payment amount. All refunds will be made without interest. Refunds will not be paid for any difference arising solely due to rounding or where the aggregate amount of the refund payable to you is less than \$5.00.

Once submitted, you will not be able to withdraw or revoke your Application.

7. How many Shares will I receive?

Subject to scaling, you will receive the number of Shares equal to the dollar amount of Shares you have applied for divided by the Issue Price. If, once divided by the Issue Price, the dollar amount of Shares you have applied

for does not equal a whole number of Shares, the number of Shares allotted to you will be rounded down to the nearest Share. Refunds will not be paid for any fractional entitlements.

If Pacific Edge receives Applications for Shares in excess of \$5 million (plus the total amount of oversubscriptions accepted by Pacific Edge, if any), it may (at its complete discretion) scale back the number of Shares to be allotted to each applicant according only to the number of Shares held by applicants under the Offer on the Record Date.

8. How long is the Offer open and when will I receive my Shares?

The Offer opens on 17 July 2025 and is expected to close at 7.00 pm on 31 July 2025, unless extended. If you want to participate you should ensure that your Application and payment is received by the Share Registrar by 7.00 pm on the Closing Date. Applications or payments received after this time may not be accepted.

Online applications are encouraged. If you are returning your Application Form by mail, please allow adequate time for mail deliveries.

You will receive Shares issued to you under the Offer on the Allotment Date, which is currently expected to be on or around 13 August 2025. A statement confirming the number of Shares issued to you under the Offer will be sent to you no later than 5 Business Days after the Allotment Date.

Pacific Edge may, subject to the Listing Rules and applicable laws, extend the Closing Date and the Allotment Date.

9. Are there any conditions to the Offer?

Allotment of the Offer is conditional on the Placement becoming unconditional. The Placement is conditional on shareholder approval. If the condition to the Offer is not satisfied, all application monies will be returned to applicants, and no Shares will be allotted under the Offer. No interest will be payable on any monies returned to applicants.

If the Placement does not become unconditional then no Shares will be issued under the Offer.

10. What if I own Shares through a trustee or Custodian or own Shares in more than one capacity?

If you own Shares through a trustee or Custodian, then, subject to certain certification requirements and other conditions, you may instruct the trustee or Custodian to purchase Shares on your behalf up to the \$50,000 limit. If you own Shares in more than one capacity (e.g. because you are a trustee or Custodian and also own Shares in your own name), then you may either purchase Shares yourself or instruct your trustee or Custodian to purchase Shares on your behalf. You may not do both.

If you are a Custodian, or hold shares through a Custodian, please refer to clauses 2 and 3 of the Offer Terms and Conditions.

11. Is the Offer transferable to another person?

No. The Offer is personal to you and you may not transfer your right to purchase Shares under the Offer to anyone else.

12. Will the Shares be quoted?

The Shares will be quoted on the NZX Main Board and ASX. The NZX Main Board is a licensed market operated by NZX Limited, which is a licensed market operator regulated under the Financial Markets Conduct Act 2013. NZX accepts no responsibility for any statement in this document.

It is expected that you will be able to commence trading the Shares allotted to you under the Offer on the NZX Main Board on the Allotment Date (being 13 August 2025, unless extended) and on ASX on the business day after the Allotment Date.

13. Why are shareholders outside New Zealand not eligible to participate in the Offer?

Shareholders outside of New Zealand are not eligible to participate in the Offer because of legal limitations in countries outside of New Zealand, the relatively small number of shareholders in those other jurisdictions and the cost to Pacific Edge of complying with the regulatory requirements of those other jurisdictions. Pacific Edge has determined, pursuant to the Listing Rules, that it would be unduly onerous to extend the offer of Shares under the Offer to shareholders outside of New Zealand.

14. Will my shareholding be diluted if I do not participate?

If you choose not to participate in the Offer, or you are not eligible to participate in the Offer, your shareholding percentage in Pacific Edge will be diluted. For example, assuming you hold 100,000 shares in Pacific Edge and that a total of \$21 million is raised under the Placement and the Offer, 210,000,000 Shares will be issued under the Placement and the Offer and if you do not elect to acquire any Shares in the Offer (and did not receive any Shares under the Placement), your shareholding will be diluted by approximately 20.5%.²

This dilution will relate only to your percentage shareholding of Pacific Edge as the number of Shares that you hold will not change as a result of not participating in the Offer. While Pacific Edge has attempted to make the Offer fair for Eligible Shareholders by permitting each Eligible Shareholder to apply for up to \$50,000 of Shares, the Offer is not a pro-rata offer and, even if you participate in the Offer, your shareholding percentage in Pacific Edge may change. Whether your shareholding in Pacific Edge increases or decreases will depend on the dollar amount of Shares you apply for, how many existing Shares you hold on the Record Date and how many Shares other Eligible Shareholders apply for and are allotted under the Offer. Larger shareholders may not be able to obtain sufficient Shares to maintain their percentage shareholding, while smaller shareholders may be able to

² The number of Shares and dilution percentage in this sentence are rounded as if \$16 million Shares were to be issued under the Placement. The actual dollar value of Shares subscribed for under the Placement is \$16,072,850 (representing 160,728,498 Shares). Accordingly, if \$5 million of Shares are issued under the Offer, the level of dilution will be slightly higher than the approximate figure set out under Question 14.

increase their percentage shareholding.

OFFER TERMS AND CONDITIONS

1. Eligible Shareholders

- 1.1 You may participate in the Offer if you are an Eligible Shareholder.
 - 1.2 An Eligible Shareholder is a person who, at 7.00 pm on the Record Date, was recorded in the share register of Pacific Edge as being a registered holder of Shares and having a registered address in New Zealand, unless that person holds Shares on behalf of another person who resides outside New Zealand. The Board, in its complete discretion, may also determine that any other person who is the registered owner of Shares at 7.00 pm on the Record Date is an Eligible Shareholder. For the avoidance of doubt, shareholders who are in the United States or shareholders who hold Shares on behalf of persons who are in the United States are not entitled to participate in the Offer.
 - 1.3 Joint holders of Shares are taken to be a single registered holder of Shares for the purposes of determining whether they are an Eligible Shareholder and the certification on the online application or the Application Form is taken to have been given by all of them.
 - 1.4 If you are an Eligible Shareholder, your rights under the Offer are personal to you and non-renounceable. This means you may not transfer them.
-

2. Issue Price and Number of Shares

- 2.1 The Issue Price of the Shares to be issued under the Offer is \$0.10 per Share.
 - 2.2 If, once divided by the Issue Price, the dollar amount of Shares you have applied for (or are allocated) does not equal a whole number of Shares, the number of Shares allotted to you will be rounded down to the nearest Share (subject to scaling). Refunds will not be paid for any fractional entitlements.
 - 2.3 Subject to clause 33.2, if you are an Eligible Shareholder you may apply to purchase a minimum of \$100 and a maximum of \$50,000 of Shares. The number of Shares that you receive on the Allotment Date may be subject to scaling as described in clause 8.
 - 2.4 Subject to clause 3, Eligible Shareholders may only apply for Shares having a maximum value of \$50,000. This applies to all Eligible Shareholders, including those who receive more than one offer under the Offer (for example, because they hold Shares in more than one capacity) and including whether the Eligible Shareholder is applying through a Custodian or the shareholder's own behalf.
 - 2.5 If you own Shares through a trustee or Custodian and also own shares in your own name then you may either purchase Shares yourself or instruct your trustee or Custodian to purchase shares on your behalf. You may not do both.
-

3. Custodians

- 3.1 Any Eligible Shareholder that:

(a) is a trustee corporation or a nominee company and holds Shares in Pacific Edge by reason only of acting for another person in the ordinary course of business of that trustee corporation or nominee company; or

(b) holds Shares in Pacific Edge by reason only of being a bare trustee of a trust to which the Shares are subject and is permitted to operate as a custodian under all relevant laws,

is a Custodian under the Offer.

3.2 Custodians may apply to purchase Shares under the Offer but only up to the total value of Shares it is validly directed to apply for on behalf of each beneficial owner in New Zealand for whom the Custodian acts as a Custodian and who was the beneficial owner of Shares on the Record Date. Custodians must confirm to Pacific Edge that they are holding Shares as a Custodian for those beneficial owners by providing the written certification to Pacific Edge described in clause 3.3 below. Each beneficial owner may only direct the Custodian to apply for a single Share parcel.

3.3 If a Custodian applies to purchase Shares on behalf of one or more beneficial owners, the Custodian must certify to Pacific Edge in writing by validly completing the online application or Application Form and, in either case, a Custodian Certificate (the form of which is available from the Share Registrar) that:

- (a) the Custodian holds Shares directly or indirectly as a Custodian for beneficial owners in New Zealand;
- (b) the beneficial owner on whose behalf the Custodian is submitting an Application is (i) in New Zealand or has otherwise been determined by the Board to be eligible to participate in the Offer; and (ii) was the beneficial owner of Shares on the Record Date; and (iii) not making a separate application as an Eligible Shareholder for Shares under the Offer (a beneficial owner who satisfies each of (i) to (iii) is, an “**eligible beneficial owner**”);
- (c) each beneficial owner (or the beneficial owner’s agent) has instructed the Custodian to apply for, and accept, under the Offer the dollar amount of Shares set out in the Application; and
- (d) no other Custodian is submitting an application under the Offer for that beneficial owner.

3.4 A Custodian may apply to purchase Shares under the Offer for a dollar amount greater than \$50,000, provided that the Custodian must not apply for more than \$50,000 of Shares on behalf of any eligible beneficial owner for whom the Custodian acts as Custodian. As a result, the maximum aggregate dollar value of Shares that a Custodian may apply for must not exceed \$50,000 multiplied by the number of eligible beneficial owners for whom the Custodian acts as Custodian.

3.5 Pacific Edge will issue Shares to a Custodian only if it is reasonably satisfied that the total issue price of Shares issued to any beneficial owner is not more than \$50,000, whether or not those Shares are issued through a Custodian or, if the beneficial owner is also a shareholder in Pacific Edge, in that beneficial owner's own right as a shareholder.

3.6 For the avoidance of doubt, a Custodian must not participate in the Offer on behalf of, and must not distribute this document or any other documents relating to the Offer to, any person in the United States.

4. **Completing an Application and paying for Shares**

- 4.1 If you wish to participate in the Offer, you must complete your Application online at www.pacificedge.capitalraise.co.nz and make payment in accordance with the instructions provided. Alternatively, complete and return a hard copy Application Form in accordance with the instructions on the Application Form. To request an Application Form, please contact Pacific Edge's Share Registrar using the contact details set out in the Directory. Online applications are encouraged.
- 4.2 To be valid, Applications must be received by the Share Registrar by 7.00 pm on 31 July 2025 (being the Closing Date). Applications received after that date will only be accepted at Pacific Edge's discretion. Shareholders applying via the Application Form should scan and email their completed Application Form to the Share Registrar at applications.nz@cm.mpms.mufg.com (please put "Pacific Edge Share Offer" in the subject line for easy identification).
-

5. **Pacific Edge's discretion to accept or reject Applications**

- 5.1 Pacific Edge has complete discretion to accept or reject your Application to purchase Shares under the Offer, including (without limitation) if:
- (a) your online application or Application Form is incorrectly completed, incomplete or otherwise determined by Pacific Edge to be invalid;
 - (b) your payment is dishonoured or has not been made correctly;
 - (c) your payment is not in New Zealand dollars for the exact dollar amount of Shares that you have specified in your Application;
 - (d) it appears that you are applying to subscribe for Shares with a value of more than \$50,000 including as a result of Shares you hold directly, jointly or through a Custodian or nominee arrangement (except if you are a Custodian applying on behalf of more than one beneficial owner in accordance with clause 3);
 - (e) your Application is received after 7.00 pm on 31 July 2025 (being the Closing Date unless extended). While Pacific Edge has discretion to accept late Applications and payment, there is no assurance that it will do so. Late Applications and payment, if not processed, will be returned to you at your registered address within 5 Business Days of the Allotment Date or within 5 Business Days of the date of receipt in respect of any late Applications received after the Allotment Date;
 - (f) Pacific Edge believes that you are not an Eligible Shareholder or Custodian; or
 - (g) Pacific Edge considers that your Application does not otherwise comply with these Offer Terms and Conditions or any applicable laws or regulatory requirements, or the acceptance of it would cause Pacific Edge to breach any applicable laws or regulatory requirements.

- 5.2 Application monies will be held in a trust account with the Share Registrar until the corresponding Shares are allotted, or the application monies are refunded. If an Application is rejected, all of the relevant amounts will be refunded to the Applicant. If Applications are scaled back, the Applicant will receive the number of Shares at the Issue Price in respect of which the Application is accepted and refund the balance of the relevant application payment, except as set out in clause 8.3 of these Offer Terms and Conditions.
- 5.3 No interest will be paid on any application monies returned to you. Application monies may be direct debited by the Share Registrar on any day after your Application is received. Any refunds for whatever reason will be paid to you by direct credit only to your bank account (if those details are held by the Share Registrar) within 5 Business Days of the Allotment Date.
- 5.4 Pacific Edge is inviting Applications for up to \$5 million of Shares but Pacific Edge reserves the right to scale back at its complete discretion any Application for Shares under the Offer in accordance with clause 8 of these Offer Terms and Conditions. Pacific Edge reserves the right to terminate the Offer and reject all Applications at any time before the issue of the Shares on the Allotment Date.
-

6. Significance of submitting or sending an Application

- 6.1 If you apply to purchase Shares under the Offer, by completing and returning the Application Form or completing an online application:
- (a) you agree that your Application, on these Offer Terms and Conditions, will be irrevocable and unconditional (i.e. it cannot be withdrawn);
 - (b) you confirm that you have read and understood the Offer document in its entirety;
 - (c) you certify to Pacific Edge that you are an Eligible Shareholder entitled to apply for Shares under these Offer Terms and Conditions;
 - (d) you acknowledge that the Offer may not proceed;
 - (e) you certify that your acceptance of the Offer will not be, or cause, a breach of any law in any jurisdiction;
 - (f) you agree to pay the applicable Issue Price per Share up to a maximum amount equivalent to the parcel value in your Application;
 - (g) you certify to Pacific Edge that the total application amount payable by you at the Issue Price does not exceed \$50,000 from the following:
 - (i) the Shares the subject of the Application submitted by you;
 - (ii) any other Shares applied for, or issued to you, under the Offer or any similar arrangement in the 12 months before the date of your Application for Shares under the Offer;
 - (iii) any other Shares which you have instructed a Custodian to acquire on your behalf under the Offer;

- (iv) any other Shares issued to a Custodian under an arrangement similar to the Offer in the 12 months before the date of your Application for Shares under the Offer as a result of an instruction given by you to that Custodian or another Custodian and which resulted in you holding the beneficial interest in the Shares;
- (h) you agree to be bound by the constitution of Pacific Edge, which you may download for free from the Companies Office website <https://companies-register.companiesoffice.govt.nz/>;
- (i) without limiting Pacific Edge's discretion in clause 5 above, you authorise Pacific Edge (and its directors, employees or agents) to correct any error in, or omission from, your Application and to complete your Application by the insertion of any missing details;
- (j) you acknowledge that Pacific Edge may at any time irrevocably determine that your Application is valid, in accordance with these Offer Terms and Conditions, even if the Application is incomplete, contains errors or is otherwise defective;
- (k) you acknowledge that none of Pacific Edge, its directors, officers, employees, representatives, agents and advisors, or Pacific Edge related companies and affiliates, and each of their respective directors, officers, employees, representatives, agents and advisors has provided you with investment advice or financial product advice, and that none of them has an obligation to provide advice concerning your decision to apply for and purchase Shares under the Offer;
- (l) you acknowledge that Pacific Edge may disclose any information in or relating to your Application to the Share Registrar in connection with its management of the Offer;
- (m) you acknowledge the risk that the market price for the Shares may change between the date of the Offer and the Allotment Date. A change in market price during this period may affect the value of the Shares you received under the Offer;
- (n) you acknowledge that Pacific Edge is not liable for any exercise of its discretions referred to in these Offer Terms and Conditions;
- (o) you represent and warrant that you are not in the United States and you are not acting for the account or benefit of a person in the United States and you are not otherwise a person to whom it would be illegal to make an offer or issue of Shares under the Retail Offer and under any applicable laws and regulations;
- (p) you agree that the Offer is conditional on the Placement becoming unconditional and, accordingly, you agree that if the Placement does not become unconditional that no Shares will be issued under the Offer; and
- (q) you irrevocably and unconditionally agree to these Offer Terms and Conditions and agree not to do any act or thing which would be contrary to the spirit, intention or purpose of the Offer.

6.2 If a Custodian applies to subscribe for Shares under the Offer for a beneficial owner pursuant to clause 3, the certificate referred to in clause 6.1(g) will be taken to be given by each beneficial owner on whose behalf the Custodian is applying to subscribe for Shares.

7. Issue Price

- 7.1 You agree to pay the Issue Price per Share up to the maximum dollar amount you have specified on your online application or your Application Form.

8. Scaling

- 8.1 Subject to clause 8.2, if Pacific Edge receives Applications in excess of \$5 million (plus the total amount of oversubscriptions accepted by Pacific Edge, if any), it may (at its complete discretion) scale back Applications according only to the number of Shares held by applicants on the Record Date.
- 8.2 Notwithstanding any other provisions of these Offer Terms and Conditions, the maximum number of new Shares that may be issued under the Offer is the number of new Shares equal to 10% of the total number of Shares on issue on the date of this document ("**Maximum Number of Shares**"). If Pacific Edge receives oversubscriptions for new Shares in excess of the Maximum Number of Shares, Pacific Edge will scale down oversubscriptions to, at the least, ensure that it issues no more than the Maximum Number of Shares under the Offer. If Pacific Edge is required to scale Applications in accordance with this clause 8.2 it will do so according only to the number of Shares held by applicants on the Record Date. This clause 8.2 does not limit Pacific Edge's discretion under clause 8.1.
- 8.3 If your Application is scaled, your application monies will be greater than the value of the Shares you will be allotted. The difference will be refunded to you by direct credit within 5 Business Days of the Allotment Date, provided that any difference less than \$5.00 will be retained by Pacific Edge and not refunded. No interest will be paid on any application monies returned to you.

9. Shares

- 9.1 Shares issued under the Offer will rank equally with, and have the same voting rights, dividend rights and other entitlements as, existing fully paid Shares in Pacific Edge as at the Allotment Date.
- 9.2 Pacific Edge will take any necessary steps to ensure that the Shares issued are, immediately after their issue, quoted on the NZX Main Board. In addition, Pacific Edge will take any necessary steps to ensure that the Shares issued are quoted on ASX as soon as practicable after they are issued.
- 9.3 You cannot trade in any Shares issued to you pursuant to the Offer, either as principal or agent, until quotation on the NZX Main Board in accordance with the Listing Rules. Pacific Edge expects that the Shares will commence trading on the NZX Main Board on the Allotment Date and on ASX on, or as soon as practicable following, the Allotment Date. NZX accepts no responsibility for any statement in this document.
- 9.4 The issue of Shares under the Offer up to a value of \$50,000 per Eligible Shareholder (or per beneficial owner, in the case of holdings held by Custodians) is being undertaken under NZX Listing Rule 4.3.1 (Pro-rata issues and Share Purchase Plans).

10. Amendments to the Offer and waiver of compliance

- 10.1 Notwithstanding any other term or condition of the Offer and/or the Application Form (or online Application), Pacific Edge may, at its discretion:
- (a) make non-material modifications to the Offer or these Offer Terms and Conditions without notice (in which case Applications for Shares under the Offer will remain binding on the applicant notwithstanding such modification and irrespective of whether an Application was received by the Share Registrar before or after such modification is made); and/or
 - (b) suspend or terminate the Offer at any time before the issue of the Shares under the Offer (including by reviewing the timetable for the Offer). If the Offer is terminated, application monies will be refunded to applicants without interest within 5 Business Days of termination.
- 10.2 Pacific Edge reserves the right to waive compliance with any provision of these Offer Terms and Conditions, which will be done in accordance with New Zealand law (including the Listing Rules).
-

11. Governing law

- 11.1 These Terms shall be governed by and construed in accordance with the laws of New Zealand. Applicants submit to the exclusive jurisdiction of the Courts of New Zealand.
-

12. Dispute Resolution

- 12.1 If any dispute arises in connection with the Offer, Pacific Edge may settle it in any manner it thinks fit. It may do so generally or in relation to any particular shareholder, applicant, Application or Share. Pacific Edge's decision will be final and binding.
-

13. Inconsistency

- 13.1 Unless otherwise determined by the directors of Pacific Edge, in the event of any inconsistency between these Offer Terms and Conditions and:
- (a) the accompanying letter from the Chair of Pacific Edge, these Offer Terms and Conditions prevail; and
 - (b) Pacific Edge's constitution, Pacific Edge's constitution prevails.
