Voting by Proxy

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, Shareholders are advised that:

- each Shareholder has a right to appoint a proxy;
- the proxy need not be a Shareholder of the Company; and
- a Shareholder who is entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the Shareholder appoints two proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Shareholders and their proxies should be aware that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

If you appoint the Chair of the Meeting as your Proxy or the Chair of the Meeting is appointed as your Proxy by default, and you do not provide any voting directions on your Proxy Form, you will be expressly authorising the Chair of the Meeting to cast your vote as he sees fit. If you intend to appoint a member of the Key Management Personnel (other than the Chair) or any of their closely related parties as your proxy, please ensure that you direct them how to vote.

Subject to any voting restrictions and exclusions, the Chair intends to vote in favour of all Resolutions.

If the Proxy Form is signed under a Power of Attorney on behalf of a Shareholder, then the Attorney must make sure that either the original Power of Attorney or a certified copy is sent with the Proxy Form, unless the Power of Attorney has already provided it to the Share Registry.

If a representative of a corporate Shareholder or a corporate proxy will be attending the Meeting, the representative should provide the Share Registry with adequate evidence of their appointment, unless this has previously been provided to the Share Registry.

Voting in person

To vote in person, attend the Meeting at the time, date and place set out above.

You may still attend the Meeting and vote in person even if you have lodged appointed a proxy. If you have previously submitted a Proxy Form, your attendance will not revoke your proxy appointment unless you actually vote at the Meeting for which the proxy is proposed to be used, in which case, the proxy's appointment is deemed to be revoked with respect to voting on that Resolution.

Please bring your personalised Proxy Form with you as it will help you to register your attendance at the Meeting. If you do not bring your Proxy Form with you, you can still attend the Meeting but representatives from MUFG Corporate Markets will need to verify your identity.

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the Annual Financial Report of the Company for the financial year ended 31 December 2024 together with the Remuneration Report, the Reports of the Directors and the Auditor.

The Company will not provide a hard copy of the Company's Annual Financial Report to Shareholders unless specifically requested to do so. The Company's Annual Financial Report is available on its website at: <https://www.mayfieldchildcare.com.au/investors/>

Shareholders will be given the opportunity to ask questions and to make comments on the management and performance of the Company.

The Company's Auditor will be present at the Meeting, and during the discussion of this item, will be available to discuss matters relevant to the audit.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed Company's Annual General Meeting, a resolution that the Remuneration Report be adopted must be put to the Shareholders. However, such a resolution is advisory only and does not bind the Company or the Directors of the Company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and Senior Management of the Company. The Remuneration Report is part of the Directors' Report contained in the Annual Financial Report of the Company for a financial year.

The Chair of the meeting must allow a reasonable opportunity for its Shareholders to ask questions about or make comments on the Remuneration Report at the Annual General Meeting.

2.2 Voting consequences

A Company is required to put to its shareholders a resolution proposing the calling of another meeting of Shareholders to consider the appointment of Directors of the Company (**Spill Resolution**) if, at two consecutive Annual General Meetings, at least 25% of the votes cast on a Remuneration Report resolution are voted against adoption of the Remuneration Report and at the first of those Annual General Meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those Annual General Meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the Company must convene a Shareholder meeting (**Spill Meeting**) within 90 days of the second Annual General Meeting.

All of the Directors of the Company who were in office when the Directors' Report (as included in the Company's Annual Financial Report for the most recent financial year) was approved, other than the Managing Director of the Company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as Directors of the Company is approved will be the Directors of the Company.

2.3 Previous voting results

At the Company's previous Annual General Meeting, the votes cast against the Remuneration Report considered at that Annual General Meeting were more than 25%. Accordingly, the Spill Resolution will be relevant for this Meeting if at least 25% of the votes cast on this Resolution are voted against adoption of the Remuneration Report. Refer to Resolution 2 and Section 3 for further information.

2.4 Board recommendation

The Chair of the meeting intends to vote all available undirected proxies in **FAVOUR** of this Resolution.

3. RESOLUTION 2 – SPILL RESOLUTION

If less than 25% of the votes cast on Resolution 1 are voted against adoption of the Remuneration Report, the Chair will withdraw Resolution 2.

3.1 General

The Corporations Act requirements for this Resolution to be put to vote are set out in Section 2.2.

The effect of this Resolution being passed is the Company will be required to hold another meeting of Shareholders within 90 days of the date of this Meeting (**Spill Meeting**) and the Vacating Directors will cease to hold office immediately before the end of the Spill Meeting. The business of the Spill Meeting will be to put to vote resolutions to appoint persons to offices vacated by the Vacating Directors.

In the event a Spill Meeting is required a separate notice of meeting will be distributed to Shareholders with details about those persons who will seek election as Directors of the Company at the Spill Meeting.

3.2 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the voting restrictions applying to Resolution 1 apply in the same manner to this Resolution.

4. RESOLUTION 3 – ELECTION OF DIRECTOR – GREGORY JOHNSON

4.1 General

The Constitution allows the Board to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and ASX Listing Rule 14.4, any Director so appointed holds office only until the next Annual General Meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Gregory Johnson, having been appointed as a Director by the Board on 12 September 2024 will retire in accordance with the Constitution and ASX Listing Rules, and being eligible, seeks election from Shareholders.

4.2 Qualifications and other material directorships

Greg brings to Mayfield over 30 years of experience in the funds management industry and as Non-Executive Director roles at private and ASX-listed companies.

Greg has held senior capital raising and client relationship roles at Macquarie, Perpetual, and Dimensional, and has led Operations and Client Service teams at Deutsche Bank, Credit Suisse and Macquarie Funds Management. From 2011 to 2019, Greg was a partner in Apostle Funds Management. Greg is currently assisting a Sydney-based Funds Manager with their efforts in the Institutional market on a part-time basis.

Greg has been appointed Non-Executive Director at various ASX-listed companies and currently holds a number of director positions, including former Non-Executive Chair of ASX-listed Gladiator Resources Limited (ASX:GLA), and is a Non-Executive Director for the South Sydney Rabbitohs member company, and Greyhound Racing New South Wales.

Greg has received graduate directorship qualifications with the Australian Institute of Company Directors (**GAICD**).

4.3 Independence

Greg has no interests, positions or relationships that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of the Company as a whole, rather than in the interests of an individual security holder or other party.

If re-elected, the Board considers that Gregory Johnson will be an independent director.

4.4 Other material information

The Company conducts appropriate checks on the background and experience of candidates before their appointment to the Board. These include checks as to a person's experience, educational qualifications, character, criminal record and bankruptcy history. The Company undertook such checks prior to the appointment of Greg.

4.5 Technical information required by Listing Rule 14.1A

If Resolution 3 is passed, Greg will be re-elected to the Board as an Independent Director. In the event that Resolution 3 is not passed, Greg will not continue in his role as an independent Director. The Company may identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

4.6 Board recommendation

Having received an acknowledgement from Greg that he will have sufficient time to fulfil his responsibilities as a Director and having reviewed Greg's performance since his appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Chair recommends that Shareholders vote in favour of this Resolution.

The Chair of the meeting intends to vote all available undirected proxies in **FAVOUR** of this Resolution.

5. RESOLUTION 4 – ELECTION OF DIRECTOR – LUBNA MATTA

This Section has been updated in respect of the Company's notice of annual general meeting dated 22 April 2025, as released to ASX and sent to Shareholders, to reflect the change in nature of Lubna Matta's role as a Director. Refer to the Company's ASX announcement dated 4 July 2025 for further information.

5.1 General

The Constitution allows the Board to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and ASX Listing Rule 14.4, any Director so appointed holds office only until the next Annual General Meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Lubna Matta, having been appointed as a Director by the Board on 23 January 2025 will retire in accordance with the Constitution and ASX Listing Rules, and being eligible, seeks election from Shareholders.

5.2 Qualifications and other material directorships

Lubna brings to Mayfield over 15 years of experience in legal, corporate advisory and business growth and as a Non-Executive Director for private companies, and as a Director of Mayfield.

Lubna specialises in developing and growing companies addressing local community needs. She has been pivotal in forging relationships with online logistics organisations to establish on demand grocery needs of consumers which has now been adopted by supermarket chains, large and small.

Lubna has previously served on the Board of the Company as a Non-Executive Director between 10 December 2021 and 30 September 2023.

Lubna holds a Bachelor of Laws degree from Monash University.

5.3 Independence

As announced on 4 July 2025, Lubna's role has transitioned from Executive Director to Non-Executive Director of the Company, given the Company's operational requirements.

Roseanne Healy (Chair) and Greg Johnson (together, the **Independent Directors**), consider that Lubna, will not, if elected, qualify as an independent director given that until recently she was an Executive Director and further, she was nominated as a director by a substantial holder in the Company.

However, the Board has considered the materiality of Lubna's position and is of the view that it will not interfere with her capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of the Company as a whole rather than in the interests of an individual security holder or other party.

If elected the Independent Directors consider Lubna Matta will not be an independent director.

5.4 Other material information

The Company conducts appropriate checks on the background and experience of candidates before their appointment to the Board. These include checks as to a person's experience, educational qualifications, character, criminal record and bankruptcy history.

The Company undertook such checks, however following the appointment of Lubna.

5.5 Technical information required by Listing Rule 14.1A

If Resolution 4 is passed, Lubna will be re-elected to the Board as a Non-Executive Director. In the event that Resolution 4 is not passed, Lubna will not continue in her role as a Non-Executive Director. The Company may identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

5.6 Board recommendation

As Lubna's nomination was made outside of the Company's independent selection and appointment process, the Independent Directors have not issued a formal recommendation regarding this Resolution.

The Chair of the meeting intends to vote all available undirected proxies marked **ABSTAIN** in relation to this Resolution.

6. RESOLUTION 5 – APPROVAL OF LISTING RULE 7.1A MANDATE

This Section has been updated in respect of the Company's notice of annual general meeting dated 22 April 2025, as released to ASX and sent to Shareholders, to reflect updated dates and more current information.

6.1 General

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its Shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to add an additional 10% capacity and increase this 15% to 25% (**7.1A Mandate**).

An "eligible entity" for the purposes of ASX Listing Rule 7.1A means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$24,512,997.925 (based on the number of Shares on issue and the closing price of Shares on the ASX on 24 July 2025).

6.2 Technical information required by ASX Listing Rule 14.1A

For this Resolution to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be cast in favour of the Resolution.

If Resolution 5 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in ASX Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 5 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under ASX Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in ASX Listing Rule 7.1.

6.3 Technical information required by ASX Listing Rule 7.3A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to Resolution 5:

(a) **Period for which the 7.1A Mandate is valid**

The 7.1A Mandate will commence on the date of the Annual General Meeting at which the approval is obtained and expires on the earlier of:

- (i) 29 August 2026, being 12 months from the date of this Annual General Meeting;
- (ii) the time and date of the Company's next Annual General Meeting; and
- (iii) the time and date on which Shareholders approve a transaction under ASX Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or ASX Listing Rule 11.2 (disposal of the main undertaking).

(b) **Minimum price**

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of the Company's Equity Securities and be issued for cash consideration per security which is not less than 75% of the volume weighted average market price for securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the securities are not issued within 10 trading days of the date in paragraph (i), the date on which the Equity Securities are issued.

(c) **Use of funds raised under the 7.1A Mandate**

As at the date of this Notice, the Company has not formed an intention to offer any Equity Securities under ASX Listing Rule 7.1A during the ASX Listing Rule 7.1A mandate period if Shareholders approve this Resolution. However, if Shareholders approved this Resolution and the Company did raise funds from the issue of Equity Securities under ASX Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used to capitalise on growth opportunities for the following purposes:

- (i) acquisition of childcare centres (including expenses associated with such an acquisition);
- (ii) development of the Company's current business; and
- (iii) general working capital.

(d) **Risk of Economic and Voting Dilution to existing Ordinary Securityholders**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 5 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue as at 24 July 2025.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the potential economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

		Dilution			
Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Issue Price		
			\$0.163	\$0.325	\$0.488
			50% decrease	Issue Price	50% increase
			Funds Raised		
Current	75,424,609	7,542,460	\$1,229,420	\$2,451,299	\$3,680,720
50% increase	113,136,914	11,313,691	\$1,844,131	\$3,676,949	\$5,521,081
100% increase	150,849,218	15,084,921	\$2,458,842	\$4,902,599	\$7,361,441

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under ASX Listing Rule 7.1.

The table above uses the following assumptions:

1. Based on the total number of fully paid ordinary Shares on issue as at 24 July 2025, being 75,424,609.
2. The issue price set out above is the closing market price of the Shares on the ASX on 24 July 2025, being \$0.325 (**Issue Price**). The Issue Price at a 50% increase and 50% decrease are each rounded to three decimal places prior to the calculation of the funds raised.
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Equity Securities in that class may be significantly lower on the issue date than on the date of the Annual General Meeting; and

- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. The recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under ASX Listing Rule 7.1A**

Shareholder approval was not obtained under ASX Listing Rule 7.1A at the Company's previous Annual General Meeting held on 30 May 2024.

6.4 Board recommendation

The Board recommends that Shareholders vote in **FAVOUR** of this Resolution. The Chair of the meeting intends to vote all available undirected proxies in **FAVOUR** of this Resolution.

7. RESOLUTION 6 – AMENDMENT TO CONSTITUTION

7.1 General

A company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders.

Resolution 6 is a special resolution which will enable the Company to amend its existing Constitution (**Amended Constitution**) to include a provision to permit the use of technology at general meetings, remove the restriction on joint holders and include partial (proportional) takeover provisions.

A copy of the Amended Constitution is available for review by Shareholders at the office of the Company. A copy of the Amended Constitution can also be sent to Shareholders upon request to the Company Secretary. Shareholders are invited to contact the Company if they have any queries or concerns.

7.2 Summary of material proposed changes

Use of technology (clause 35.4)	In April 2022 a permanent change was made to the Corporations Act allowing companies to hold meetings virtually and distribute meeting documents via electronic means. Under the new provision, a company may hold a meeting physically or physically and using virtual meeting technology. However, if a

Joint holders (clause 9.3)	<p>The ASX is considering replacement options for its Clearing House Electronic Subregister System (CHES). Due to complexities with the solution design, there is no current go-live date. To ensure compliance with any replacement CHES system, clause 9.3 of the Amended Constitution provides that the number of registered joint holders of securities shall be as permitted under the Listing Rules and the ASX Settlement Operating Rules.</p> <p>This Resolution will enable the Company to modify its Constitution by including the above change to ensure compliance with any replacement CHES system.</p>
Insertion of partial takeover provisions (new clause 107)	<p>What is a proportional takeover bid?</p> <p>A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares (e.g. 30% of each shareholder's shares).</p> <p>What are proportional takeover provisions?</p> <p>Under section 648G of the Corporations Act, companies may include proportional takeover rules in their constitutions that enable shareholders to vote on a proportional bid 'in-principle' before a proportional takeover bid is permitted to proceed. These rules will expire if they are not refreshed by a special resolution of shareholders every 3 years.</p> <p>When this clause ceases to apply, the constitution will be modified by omitting the clause.</p> <p>This Resolution will enable the Company to modify its Constitution by inserting proportional takeover provisions into the Amended Constitution in the form of a new clause 107.</p> <p>Similar provisions are commonly found in the constitutions of publicly listed companies on the ASX.</p> <p>Effect of proposed proportional takeover provisions</p> <p>Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the</p>

	<p>proportional off-market bid is passed at a general meeting of shareholders.</p> <p>Reasons for proportional takeover provisions</p> <p>The Directors consider that Shareholders should have the opportunity to vote on any proportional takeover bid for the Company.</p> <p>The Directors also consider that the provisions may avoid Shareholders feeling pressured to accept a bid in circumstances where they do not want it to succeed.</p> <p>Without these provisions, a bid may enable control of the Company to pass without Shareholders having the chance to sell all their shares to the bidder. The provisions give Shareholders the opportunity to decide whether a proportional takeover bid should proceed. If it does proceed, individual Shareholders can make a separate decision as to whether they wish to accept the bid for their shares.</p> <p>Knowledge of any acquisition proposals</p> <p>As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.</p> <p>Potential advantages and disadvantages of proportional takeover provisions</p> <p>The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.</p> <p>The potential advantages of the proportional takeover provisions for Shareholders include:</p> <ul style="list-style-type: none"> (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed; (b) assisting in preventing Shareholders from being locked in as a minority; (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid. <p>The potential disadvantages of the proportional takeover provisions for Shareholders include:</p>
--	---

	<div><div><div>(a) proportional takeover bids may be discouraged;</div><div>(b) lost opportunity to sell a portion of their Shares at a premium; and</div><div>(c) the likelihood of a proportional takeover bid succeeding may be reduced.</div></div><div><div>Board recommendation</div><div>The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Proposed Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of this Resolution.</div></div></div>
