EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. BACKGROUND TO RESOLUTIONS 1 TO 5

1.1 Placement

As announced on the ASX on 2 July 2025, the Company received firm commitments to raise approximately \$12.5 million through the issue of securities to new and existing professional and sophisticated investors (**Placement Participants**) (**Placement**).

Under the Placement, the Company issued 147,058,824 new Shares at \$0.085 per Share (**Placement Shares**) to raise approximately \$12.5 million. 53,929,608 of the Placement Shares were issued on 14 July 2025 pursuant to the Company's placement capacity under Listing Rule 7.1, ratification of which is sought pursuant to Resolution 1. A further 93,129,216 Placement Shares were also issued on 14 July 2025 pursuant to the Company's placement capacity under Listing Rule 7.1A, ratification of which is sought pursuant to Resolution 2.

Subject to Shareholder approval sought pursuant to Resolution 3, the Company has agreed to issue participants of the Placement one free attaching Option (exercisable at \$0.10 on or before the date that is 3 years from the date of issue) for every two Shares subscribed for under the Placement (**Placement Options**). The terms of the Placement Options are set out in Schedule 1. The Company intends to seek quotation of the Placement Options.

1.2 Joint Lead Managers

The Company appointed GBA Capital Pty Ltd (**GBA Capital**) and Roth Capital Partners, LLC (**Roth Capital**) as joint lead managers to the Placement (**Joint Lead Managers**). The company has entered into a lead manager mandates with the Joint Lead Managers (**Joint Lead Manager Mandate**), pursuant to which the Company has agreed to pay/issue the Joint Lead Managers (or their nominee/s):

- (a) a placement fee of 6% of the amount raised under the Placement; and
- (b) 8,823,529 Options, being 6% of the securities issued under the Placement, exercisable at \$0.106 on or before three years from the date of issue (**Broker Options**). The Company is seeking Shareholder approval to issue the Broker Options pursuant to Resolutions 4 and 5. The Broker Options will be issued under the terms set out in Schedule 2.

The fee to be paid to the Joint Lead Managers is split evenly between the Joint Lead Managers. The Joint Lead Manager Mandate is otherwise on standard market terms and conditions.

1.3 Use of Funds

The Company intends to apply the funds raised from the Capital Raising (less expenses) to progress its near terms objectives, namely:

- (a) to progress its US and Australian operations, including exploration and pilot mining activities, restating the USBM resource to a JORC 2012/SK-1300 compliant resource at the Antimony Canyon Project in Utah; and exploration at Wild Cattle Creek in New South Wales;
- (b) to investigate a potential US mainboard listing; and
- (c) to contribute towards general working capital and costs associated with the Placement.

2. RESOLUTIONS 1 AND 2 – RATIFICATION OF PRIOR ISSUE OF PLACEMENT SHARES – LISTING RULES 7.1 AND 7.1A

2.1 General

These Resolutions seek Shareholder ratification for the purposes of Listing Rule 7.4 for the issue of an aggregate of 147,058,824 Shares at an issue price of \$0.085 per Share to raise \$12.5 million.

53,929,608 Shares were issued pursuant to the Company's capacity under Listing Rule 7.1 (being, the subject of Resolution 1) and 93,129,216 Shares were issued pursuant to the Company's placement capacity under Listing Rule 7.1A (being, the subject of Resolution 2).

2.2 Listing Rules 7.1 and 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A however, an Eligible Entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%. The Company obtained this approval at its annual general meeting held on 29 November 2024.

The issue does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 and 7.1A for the 12 month period following the date of the issue.

2.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue.

2.4 Technical information required by Listing Rule 14.1A

If these Resolutions are passed, the issue will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

If these Resolutions are not passed, the issue will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

3. RESOLUTION 3 – APPROVAL TO ISSUE PLACEMENT OPTIONS TO PLACEMENT PARTICIPANTS

3.1 General

A summary of the Placement is set out in Section 1.1 above.

This Resolution seeks Shareholder approval for the purposes of Listing Rule 7.1 for the issue of one free attaching Placement Options for every two Shares subscribed for under the Placement. The Placement Options will be exercisable at \$0.10 each on or before the date that is three years from the date of issue and otherwise on the terms and conditions set out in Schedule 1.

A summary of Listing Rule 7.1 is set out in Section 2.2 above.

The proposed issue falls within exception 17 of Listing Rule 7.2. Under Listing Rule 7.2 (Exception 17), if the issue of securities is subject to prior shareholder approval, it does not count toward the 15% placement limit set by Listing Rule 7.1. The proposed issue therefore requires the approval of Shareholders under Listing Rule 7.1.

3.2 Technical information required by Listing Rule 14.1A

7.2 Director Recommendation

Each Director has a material personal interest in the outcome of these Resolutions on the basis that all of the Directors (or their nominee(s)) are to be issued Securities should these Resolutions be passed. For this reason, the Directors do not believe that it is appropriate to make a recommendation on these Resolutions.

7.3 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue constitutes giving a financial benefit and each of the proposed recipients is a related party of the Company by virtue of being a Director (or, in the case of Bishoy Habib, who ceased to be a Director effective from 28 July 2025, a Director in the last 6 months).

As Securities are proposed to be issued to all of the Directors, the Directors are unable to form a quorum to consider whether one of the exceptions set out in sections 210 to 216 of the Corporations Act applies to the issue. Accordingly, Shareholder approval for the issue is sought in accordance with Chapter 2E of the Corporations Act.

7.4 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- 10.14.1 a director of the entity;
- 10.14.2 an associate of a director of the entity; or
- 10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

7.5 Technical information required by Listing Rule 14.1A

If these Resolutions are passed, the Company will be able to proceed with the issue within 15 months after the date of the Meeting. As approval pursuant to Listing Rule 7.1 is not

required for the issue (because approval is being obtained under Listing Rule 10.14), the issue will not use up any of the Company's 15% annual placement capacity.

If these Resolution are not passed, the Company will not be able to proceed with the issue.

8. RESOLUTIONS 14 – APPROVAL OF GRANT OF POTENTIAL TERMINATION BENEFITS UNDER THE INCENTIVE PLAN

8.1 General

This Resolution seeks Shareholder approval in accordance with Part 2D.2 of the Corporations Act (including sections 200B, 200C and 200E of the Corporations Act) and Listing Rule 10.19 for the Company to give certain potential termination benefits to any current or future individual that holds managerial or executive office in the Company, or a related body corporate, who ceases to hold such position in connection with the Company's Plan.

Under the terms of the Plan and subject to the Listing Rules and the Corporations Act, the Board possesses the discretion to vary the terms or conditions of the Plan Securities. Notwithstanding the foregoing, without the consent of the participant in the Plan, no amendment may be made to the terms of any granted Plan Security which reduces the rights of the participant in respect of that Plan Security, other than an amendment introduced primarily to comply with legislation, to correct any manifest error or mistake or to take into consideration possible adverse tax implications.

As a result of the above discretion, the Board has the power to determine that some or all of a participant's Plan Securities will not lapse in the event of the participant ceasing employment or office before the vesting of their Plan Securities. The exercise of this discretion and any 'accelerated vesting' of securities under the Plan may constitute a 'termination benefit' prohibited under the Corporations Act, regardless of the value of such benefit, unless Shareholder approval is obtained. Accordingly, the Board seeks Shareholder approval pursuant to Resolution 14.

8.2 Part 2D.2 of the Corporations Act

The Corporations Act restricts the benefits which can be given to individuals who hold a managerial or executive office (as defined in the Corporations Act) in the Company or its related bodies corporate in connection with the retirement from their position in the Company or its related bodies corporate, unless an exception applies.

In accordance with section 200B of the Corporations Act, to give a benefit in connection with a relevant person's retirement from an office, the Company must, subject to various exceptions, obtain the approval of Shareholders in the manner set out in section 200E of the Corporations Act.

Provided shareholder approval is given, the value of the termination benefits may be disregarded when applying section 200F(2)(b) or section 200G(1)(c) of the Corporations Act (i.e., the approved benefit will not count towards the statutory cap under the Corporations Act).

In accordance with section 200C of the Corporations Act, the Company is also required to obtain the approval of Shareholders in the manner set out in section 200E of the Corporations Act where a benefit is given to a person who holds or has held a managerial or executive office in the Company or its related bodies corporate (or a spouse, relative or associate of such person) in connection with the transfer of the whole or any party of the undertaking or property of the Company.

8.3 Listing Rule 10.19

Listing Rule 10.19 provides that without shareholder approval, an entity must ensure that no officer of the entity or any of its child entities will be, or may be, entitled to termination benefits if the value of those benefits and the termination benefits that may become payable to all officers together exceed 5% of the equity interests of the entity as set out in the latest accounts given to ASX under the Listing Rules (**5% Threshold**).

8.4 Termination benefits and their value

Provided Shareholder approval is given, the value of the termination benefits may be disregarded when applying section 200F(2)(b) or section 200G(1)(c) of the Corporations Act (i.e. the approved benefit will not count towards the statutory cap under the legislation).

The value of the termination benefits that the Board may give to individuals who hold managerial or executive office under the Plan cannot be determined in advance. This is because various matters will or are likely to affect that value. In particular, the value of a particular benefit will depend on factors such as the Company's Share price at the time of vesting, the number of Securities that vest or remain on foot and the extent to which any relevant vesting conditions have been satisfied (if applicable).

8.5 Technical information required by Listing Rule 14.1A

If this Resolutions is approved at the Meeting, individuals who hold a managerial or executive office in the Company will be entitled to be paid the termination benefits outlined above and the value may exceed the 5% Threshold.

If this Resolution is not approved at the Meeting, individuals who hold a managerial or executive office will not be entitled to be paid any termination benefits, unless they fall within an exception under the Corporations Act and do not breach the 5% Threshold.

The Chair intends to vote all available proxies in favour of this Resolution.

A voting exclusion statement and a voting prohibition statement apply to this Resolution.

9. RESOLUTION 15 – APPROVAL TO ISSUE SECURITIES UNDER THE INCENTIVE PLAN

9.1 General

This Resolution seeks Shareholder approval for purposes of Listing Rule 7.2 (Exception 13(b)) for the issue of a maximum of 100,000,000 Securities under the Company's Plan.

The objective of the Plan is to attract, motivate and retain key employees, contractors and other persons who provide services to the Company, and the Company considers that the adoption of the Plan and the future issue of Securities under the Plan will provide these parties with the opportunity to participate in the future growth of the Company.

A summary of Listing Rule 7.1 is set out in Section 2.2 above.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

9.2 Technical Information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to issue Securities under the Plan to eligible participants over a period of 3 years. The issue of any Securities to eligible participants under the Plan (up to the maximum number of Securities stated in Section 9.3 below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If this Resolution is not passed, the Company will be able to proceed with the issue of Securities under the Plan to eligible participants, but any issues of Securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the Securities.

SCHEDULE 6 – TERMS AND CONDITIONS OF PLAN

A summary of the material terms of the Company's Employee Securities Incentive Plan (**Plan**) is set out below.

Eligible Participant	Eligible Participant means a person that is a 'primary participant' (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company or an Associated Body Corporate (as defined in the Corporations Act) and has been determined by the Board to be eligible to participate in the Plan from time to time.
Purpose	The purpose of the Plan is to: <ul style="list-style-type: none">(a) assist in the reward, retention and motivation of Eligible Participants;(b) link the reward of Eligible Participants to Shareholder value creation; and(c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Shares, Options, Performance Rights or other convertible security (Securities).
Maximum number of Convertible Securities	The Company will not make an invitation under the Plan which involves monetary consideration if the number of Shares that may be issued, or acquired upon exercise of Convertible Securities offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan during the 3 year period ending on the day of the invitation, will exceed 5% of the total number of issued Shares at the date of the invitation (unless the Constitution specifies a different percentage and subject to any limits approved by Shareholders under Listing Rule 7.2 Exception 13(b)).
Plan administration	The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion (except to the extent that it prevents the Eligible Participant relying on the deferred tax concessions under Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth)). The Board may delegate its powers and discretion.
Eligibility, invitation and application	<p>The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for any (or any combination of) the Securities provided under the Plan on such terms and conditions as the Board decides.</p> <p>On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part.</p> <p>If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.</p>
Grant of Securities	The Company will, to the extent that it has accepted a duly completed application, grant the Eligible Participant the relevant number and type of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.

Rights attaching to Convertible Securities	<p>A Convertible Security represents a right to acquire one or more Plan Shares in accordance with the Plan (for example, an Option or a Performance Right).</p> <p>Prior to a Convertible Security being exercised, the holder:</p> <ul style="list-style-type: none"> (a) does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security other than as expressly set out in the Plan; (b) is not entitled to receive notice of, vote at or attend a meeting of the shareholders of the Company; (c) is not entitled to receive any dividends declared by the Company; and (d) is not entitled to participate in any new issue of Shares (see Adjustment of Convertible Securities section below).
Restrictions on dealing with Convertible Securities	<p>Convertible Securities issued under the Plan cannot be sold, assigned, transferred, have a security interest granted over or otherwise dealt with unless in Special Circumstances as defined under the Plan (including in the case of death or total or permanent disability of the holder) with the consent of the Board in which case the Convertible Securities may be exercisable on terms determined by the Board.</p> <p>A holder must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.</p>
Vesting of Convertible Securities	<p>Any vesting conditions applicable to the Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Eligible Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that security will lapse.</p>
Forfeiture of Convertible Securities	<p>Convertible Securities will be forfeited in the following circumstances:</p> <ul style="list-style-type: none"> (a) in the case of unvested Convertible Securities only, where the holder ceases to be an Eligible Participant (e.g. is no longer employed or their office or engagement is discontinued with the Company and any Associated Bodies Corporate (as defined in the Corporations Act) (the Group); (b) in the case of unvested Convertible Securities only, where a Eligible Participant acts fraudulently, dishonestly, negligently, in contravention of any Group policy or wilfully breaches their duties to the Group and the Board exercises its discretion to deem some or all of the Convertible Securities held by a Eligible Participant to have been forfeited; (c) where there is a failure to satisfy the vesting conditions in accordance with the Plan; (d) on the date the Eligible Participant becomes insolvent; or (e) on the Expiry Date. <p>subject to the discretion of the Board.</p>
Listing of Convertible Securities	<p>Convertible Securities granted under the Plan will not be quoted on the ASX or any other recognised exchange. The Board reserves the right in its absolute discretion to apply for quotation of Convertible Securities granted under the Plan on the ASX or any other recognised exchange.</p>

Exercise of Convertible Securities and cashless exercise	<p>To exercise a security, the Eligible Participant must deliver a signed notice of exercise and, subject to a cashless exercise (see next paragraph below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Securities (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice.</p> <p>An invitation to apply for Convertible Securities may specify that at the time of exercise of the Convertible Securities, the Eligible Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Eligible Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.</p> <p>Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.</p> <p>Convertible Securities may not be exercised unless and until that security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.</p>
Timing of issue of Shares and quotation of Shares on exercise	<p>Within five business days after the issue of a valid notice of exercise by a Eligible Participant, the Company will issue or cause to be transferred to that Eligible Participant the number of Shares to which the Eligible Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Eligible Participant.</p>
Restriction periods and restrictions on transfer of Shares on exercise	<p>If the invitation provides that any Shares issued upon the valid exercise of a Convertible Security are subject to any restrictions as to the disposal or other dealing by a Eligible Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Eligible Participant with this restriction.</p> <p>Additionally, Shares issued on exercise of the Convertible Securities are subject to the following restrictions:</p> <ul style="list-style-type: none"> (a) if the Company is required but is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, Shares issued on exercise of the Convertible Securities may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Corporations Act; (b) all Shares issued on exercise of the Convertible Securities are subject to restrictions imposed by applicable law on dealing in Shares by persons who possess material information likely to affect the value of the Shares and which is not generally available; and (c) all Shares issued on exercise of the Convertible Securities are subject to the terms of the Company's Securities Trading Policy.
Rights attaching to Shares on exercise	<p>All Shares issued upon exercise of Convertible Securities will rank equally in all respects with the then Shares of the Company.</p>

Change of control	If a change of control event occurs (being an event which results in any person (either alone or together with associates) owning more than 50% of the Company's issued capital), unvested Convertible Securities will vest unless the Board determines in its discretion otherwise. The Board's discretion in determining the treatment of any unvested Convertible Securities on a change of control event is limited to vesting or varying any vesting conditions in respect to the Convertible Securities and does not include a discretion to lapse or forfeit unvested Convertible Securities for less than fair value.
Participation in entitlements and bonus issues	Subject always to the rights under the following two paragraphs, Eligible Participants will not be entitled to participate in new issues of capital offered to holders of Shares such as bonus issues and entitlement issues.
Adjustment for bonus issue	If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the Eligible Participant is entitled, upon exercise of the Convertible Securities, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.
Reorganisation	If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Eligible Participant holding Convertible Securities will be changed to the extent necessary to comply with the ASX Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.
Buy-Back	Subject to applicable law, the Company may at any time buy-back Securities in accordance with the terms of the Plan.
Employee Share Trust	The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding Convertible Securities for holders under the Plan and delivering Shares on behalf of holders upon exercise of Convertible Securities.
Amendment of Plan	<p>Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.</p> <p>No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Eligible Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Eligible Participants.</p>
Plan duration	<p>The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Eligible Participants.</p> <p>If an Eligible Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Eligible Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Eligible Participant.</p>

Income Tax Assessment Act	The Plan is a plan to which Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth) applies (subject to the conditions in that Act) except to the extent an invitation provides otherwise.
Withholding	Notwithstanding any other provision of these Rules, and without limiting the amounts which may be deducted or withheld under Applicable Laws, if a member of the Group, a trustee or the Plan administrator is obliged, or reasonably believes that it may have an obligation to account for any Tax, or any superannuation amounts (or equivalent social security contributions, if applicable) in respect of a Participant (Withholding Amount), then that Group company, trustee or Plan administrator (as applicable) is entitled to withhold or be reimbursed by the Participant for the Withholding Amount payable or paid.
