12 August 2025

Platinum Capital Limited ABN 51 063 975 431

Good afternoon, ladies and gentlemen.

Welcome to today's hybrid general meeting.

My name is Margaret Towers and I am the Chair of the Company. I have been appointed to act as the Chair of today's meeting.

I would like to begin by acknowledging that I am speaking to you from the land of the Gadigal people of the Eora nation. I also acknowledge the traditional custodians of the various lands from which each of you are joining the meeting today. I pay my respects to their Elders past, present and emerging.

It is now 1:30pm in Sydney and I have been informed that a quorum is present. Accordingly, I declare the meeting open.

Let me start by introducing my fellow Board members who are here with me, Ian Hunter, Joanne Jefferies and Katrina Glendinning.

A notice of today's General meeting was provided to Shareholders on 11 July 2025 and was further supplemented on 5 August 2025.

I will take the notice of General meeting as read.

The resolution being put to shareholders today will be decided by a poll. To ensure that everyone has adequate time to cast their vote, I now formally declare the poll open.

- lastly, from shareholders using the teleconference facility.

I now turn to the formal business of the meeting.

## Background to the General Meeting

- On 5 August 2025, the Company withdrew the proposed restructure with Platinum International Fund Complex ETF, as the Board determined that the 75% approval threshold required for a scheme of arrangement was unlikely to be met.
- Today, shareholders are being asked to vote to approve an on-market buy-back for up to 50% of the Company's issued share capital.
- If approved, the Board will limit the buy-back to no more than 20% of the Company's issued share capital in the period prior to the extraordinary general meeting that has been requisitioned by L1 Capital.
- The Board believes the on-market buy back provides a liquidity mechanism for shareholders who wish to exit, some or all of their investment, closer to NTA.
- This has been one of the Board's primary objectives following the announcement of its strategic review in April 2024.

As announced on 5 August 2025, the Company withdrew the proposed restructure via a scheme of arrangement with Platinum International Fund Complex ETF.

The Board conducted a proxy solicitation campaign to ascertain support for the Scheme. Having regard to the voting intentions of some of the Company's substantial shareholders and L1 Capital and its associates' notified intention to vote against the Scheme, the Board believed the Scheme would not receive sufficient support to meet

the 75% approval threshold required. The Board therefore considered that it was in the best interests of shareholders to withdraw the Scheme.

Accordingly, at today's General meeting, shareholders are being asked to vote to approve an on-market buy-back for up to 50% of the Company's issued share capital.

Today's resolution is an ordinary resolution, requiring the approval of at least 50% of votes cast to pass.

Importantly, L1 Capital and its associates, who together control the votes of approximately 18% of the shares on issue, have confirmed that they will be voting their shares in favour of today's resolution. This is on the basis that the Board has provided a commitment that the Company will buy-back no more than 20% of the Company's shares on issue in the period prior to the extraordinary general meeting that has been requisitioned by L1 Capital.

The Board is of the view that the proposed on-market buy-back provides a liquidity mechanism for shareholders who wish to exit, some or all of their investment, closer to NTA. This has been one of the Board's primary objectives following the announcement of its strategic review last year in April.
