OUTLOOK & GUIDANCE

STEVEN SEWELL

OUTLOOK & GUIDANCE

For personal use only

Multi-pronged growth strategy positions ASK well to leverage our key enablers and deliver recurring income and value creation over the medium to long term

Outlook

- **Organic** – positive sector drivers, supported by sector leading Storage King operating platform
- **Acquisitions** – fragmented sector provides acquisition opportunities
- **Developments** – substantial development pipeline and experienced capability
- **Platform** – enhancements include data and technology driven customer, people and revenue initiatives

FY26 Guidance

- FY26 distribution guidance of 6.2 cents per security with 25% via a fully franked dividend¹
- Distribution payout ratio expected in range of 90%-100% of FFO

Our guidance is predicated on no material deterioration in current business conditions.

ASK Proposal Update

ASK announced a revised non-binding and indicative proposal from the Consortium² on 14 July 2025 with a revised price of \$1.65 per security.

The ASK Independent Board Committee granted the Consortium a six-week period of due diligence (commencing on 21 July 2025), to determine whether a binding proposal can be developed that is capable of being recommended to securityholders and implemented.

1. ASK's parent entity, Abacus Storage Operations Limited, currently has sufficient franking credits to fully frank dividends amounting to approximately \$102 million. ASK's intention is to distribute these franking credits to securityholders over the medium term.
2. Ki Corporation Limited and Public Storage together referred to as the 'Consortium'.
