EXPLANATORY STATEMENT

Purpose of Information

This Explanatory Statement ("**Statement**") accompanies and forms part of the Company's Notice ("**Notice**") of General Meeting ("**Meeting**") to be held virtually via a webinar conferencing facility at 10.00am (AEST) on 24 September 2025.

The Notice incorporates, and should be read together, with this Explanatory Statement.

Resolution 1: Ratification of Prior Issue of Tranche 1 Placement Shares

Background

As noted above, the Company is seeking Shareholder approval pursuant to ASX Listing Rule 7.4 to ratify the issue of 45,000,000 fully paid ordinary shares in the Company issued on 8 August 2025 at an issue price of \$0.015 (1.5 cents) per Share on the terms as announced on 4 August 2025.

The Shares were issued without Shareholder approval out of the Company's 15% placement capacity pursuant to ASX Listing Rule 7.1.

ASX Listing Rules

ASX Listing Rules 7.1 allows the Company to issue new securities up to 15% of the existing capital of the Company in any 12-month period without the prior approval of Shareholders, excluding any issues that are subject to one of the exceptions in ASX Listing Rule 7.2 applies. The issue of the shares was within the Company's available placement capacity under ASX Listing Rules 7.1.

Under ASX Listing Rule 7.4 an issue of securities will be treated as having been made with the approval of Shareholders for the purposes of ASX Listing Rule 7.1 if the issue did not breach ASX Listing Rule 7.1 at the time and Shareholders subsequently approve it. The issue of the Shares was within the Company's ASX Listing Rules 7.1 placement capacity and the Company now seeks ratification from Shareholders for the issue pursuant to ASX Listing Rule 7.4 so as to refresh its capacity to make further issues (if required) without Shareholder approval under Listing Rules 7.1.

If Resolution 1 is approved, the prior issue of 45,000,000 Shares may be treated by the Company as having been made with Shareholder approval under ASX Listing Rule 7.1. The Company will therefore have the flexibility, if required, to issue additional equity securities without the 45,000,000 Shares counting towards the 15% threshold for the purposes of ASX Listing Rules 7.1.

If Resolution 1 is not approved, the prior issue of 45,000,000 Shares will not be treated by the Company as having been made with Shareholder approval under ASX Listing Rules 7.1. The Company will therefore have the 45,000,000 Shares as counting towards the 15% threshold for the purposes of ASX Listing Rule 7.1. This will limit the Company's placement capacity under the Listing Rule 7.1.

ASX Listing Rule Disclosure Requirements

ASX Listing Rule 7.5 requires that the following information be provided to Shareholders for the purpose of obtaining Shareholder approval pursuant to ASX Listing Rule 7.4:

- a) the Shares were issued to institutional and sophisticated investors, who are not related parties, identified by the book build conducted by the Lead Manager, CPS Capital Group Pty Ltd. There were no participants in the Placement that were investors required to be disclosed under ASX Guidance Note 21;
- b) the number and class of securities issued was 45,000,000 fully paid ordinary shares in the Company, issued on the same terms and conditions as the Company's existing Shares;
- c) the Shares were issued on 8 August 2025;
- d) the Shares were issued at a price of \$0.015 (1.5 cents) per Share;
- e) the Shares were not issued under an agreement; and

- f) the purpose of the issue was to raise funds to immediately advance IBX's MagSense® imaging technology, specifically the HER2 Breast Cancer indication, and initiate the Phase 1 clinical programs for both prostate and ovarian cancer indications and for general working capital.

Board Recommendation

The Board recommends that Shareholders vote in favour of the resolution.

The Chair of the Meeting intends to vote undirected proxies in favour of Resolution 1.

Voting Exclusions

Refer to Note 6 for voting exclusions.

Resolution 2: Approval to issue Tranche 2 Placement Shares

Background

Resolution 2 seeks Shareholder approval for the purpose of Listing Rule 7.1 and all other purposes for the issue of 179,999,999 Shares in the Company at an issue price of \$0.015 (1.5 cents) per Share to institutional and sophisticated investors in relation to the Tranche 2 Placement as announced on 4 August 2025.

ASX Listing Rules

Listing Rule 7.1 provides that, subject to certain exceptions, prior approval of shareholders is required for an issue of securities by a company if those securities, when aggregated with the securities issued by the company during the previous twelve (12) months (without approval and which were not subject to an exception), exceed fifteen percent (15%) of the number of shares on issue at the commencement of that twelve (12) month period.

The proposed issue of Shares does not fall within any of the exceptions in Listing Rule 7.1. The Company has however chosen to seek Shareholder approval for the issue of Shares to the Placement participants and not use the capacity under ASX Listing Rule 7.1.

If Resolution 2 is approved by Shareholders, the Company will be able to proceed with the issue of Shares during the period of three (3) months after the Meeting or a longer period, if allowed by ASX. In addition, the issue of the Shares will be excluded from calculating the Company's fifteen percent (15%) limit in Listing Rule 7.1 and the Company will retain the flexibility to issue securities in the future up to the fifteen percent (15%) placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

If Resolution 2 is not approved by Shareholders, the Company would not be able to proceed with the issue of 179,999,999 Shares with Shareholder approval. If the Company is unable to proceed with the issue it may be required to re-negotiate the terms of the Placement with the participants.

ASX Listing Rule Disclosure Requirements

The following information is provided to satisfy the requirements of ASX Listing Rule 7.3:

- a) the Shares will be issued to the institutional and sophisticated investors under the Placement (or their nominees(s));
- b) the number and class of securities being issued is up to 179,999,999 fully paid ordinary shares in the Company, to be issued on the same terms and conditions as the Company's existing Shares;
- c) the Shares will be issued by no later than three months after the date of this Meeting however are expected to be issued on or around 24 September 2025;
- d) the Shares will be issued at an issue price of \$0.015 (1.5 cents) per Share;
- e) the Shares are not being issued under an agreement; and
- f) the purpose of the issue is to raise funds to immediately advance IBX's MagSense® imaging technology, specifically the HER2 Breast Cancer indication, and initiate the Phase 1 clinical programs for both prostate and ovarian cancer indications and for general working capital.

Board Recommendation

The Board recommends that Shareholders vote in favour of Resolution 2.

The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

Voting Exclusions

Refer to Note 6 for voting exclusions.

Resolution 3: Approval to issue free attaching listed options to Placement participants

Resolution 3 seeks Shareholder approval for the purpose of Listing Rule 7.1 and all other purposes for the issue of up to 224,999,999 free attaching listed options, exercisable at \$0.04 (4 cents) and expiring on 13 December 2027 (**Listed Options**) to sophisticated and professional investors as part of the Placement announced by the Company on 4 August 2025.

Refer to Annexure 1 for the detailed terms of the Options.

ASX Listing Rules

Listing Rule 7.1 provides that, subject to certain exceptions, prior approval of shareholders is required for an issue of securities by a company if those securities, when aggregated with the securities issued by the company during the previous twelve (12) months (without approval and which were not subject to an exception), exceed fifteen percent (15%) of the number of shares on issue at the commencement of that twelve (12) month period.

The proposed issue of Options does not fall within any of the exceptions in Listing Rule 7.1. The Company has however chosen to seek Shareholder approval for the issue of Options to the Placement participants and not use the capacity under ASX Listing Rule 7.1.

If Resolution 3 is approved by Shareholders, the Company will be able to proceed with the issue of Listed Options during the period of three (3) months after the Meeting or a longer period, if allowed by ASX. In addition, the issue of the Listed Options will be excluded from calculating the Company's fifteen percent (15%) limit in Listing Rule 7.1 and the Company will retain the flexibility to issue securities in the future up to the fifteen percent (15%) placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

If Resolution 3 is not approved by Shareholders, the Company would not be able to proceed with the issue of up to 224,999,999 Listed Options. If the Company is unable to proceed with the issue it may be required to re-negotiate the terms of the Placement with the participants.

ASX Listing Rule Disclosure Requirements

The following information is provided to satisfy the requirements of ASX Listing Rule 7.3:

- a) the Listed Options will be issued to sophisticated and professional investors under Placement (or their nominees(s));
- b) the number and class of securities being issued is up to 224,999,999 Listed Options in the Company;

- f) the Listed Options are not being issued under an agreement; and
- g) the Listed Options are proposed to be issued to the participants in connection with the Placement announced on 4 August 2025. The issue of Listed Options will not raise any funds however, if any Listed Options are exercised in the future, the funds raised will be used to advance projects or working capital at the time of any such exercise.

Board Recommendation

The Board recommends that Shareholders vote in favour of Resolution 3.

The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

Voting Exclusions

Refer to Note 6 for voting exclusions.

Resolutions 4 & 5: Approval to issue 6,666,667 Shares and 6,666,667 free attaching listed options to Director – Brett Mitchell (or his nominee(s)) and approval to issue 1,666,667 Shares and 1,666,667 free attaching listed options to Director – Robert Proulx (or his nominee(s)) as part of the Placement

Background

The Company is seeking Shareholder approval to allow the Company's Directors, Mr Brett Mitchell and Mr Robert Proulx (or their nominee(s)), to participate in Tranche 2 of the Placement as announced on 4 August 2025 and pursuant to ASX Listing Rule 10.11 to allot and issue a total of 8,333,334 fully paid ordinary shares in the Company at an issue price of \$0.015 (1.5 cents) per Share and 8,333,334 free attaching Listed Options exercisable at \$0.04 (4 cents) and expiring on 13 December 2027.

The Shares and Listed Options are on the same terms as those Shares and Listed Options offered to institutional and sophisticated investors under the Placement as announced on 4 August 2025.

The details of the Shares and Listed Options proposed to be issued under Resolutions 4 and 5 are as follows:

Resolution	Name of the Director	Number of Shares	Issue Price	Number of Options	Funds Raised
Resolution 4	Brett Mitchell	6,666,667	\$0.015	6,666,667	\$100,000.00
Resolution 5	Robert Proulx	1,666,667	\$0.015	1,666,667	\$25,000.00

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue constitutes giving a financial benefit and Messrs Mitchell and Proulx are related parties of the Company by virtue of being Directors.

The Directors (other than Messrs Mitchell and Proulx who have a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue because the Shares and Listed Options will be issued to Messrs Mitchell and Proulx (or their nominee(s)) on the same terms as Shares and Listed Options issued to non-related party participants in the Placement and as such the giving of the financial benefit is on arm's length terms.

ASX Listing Rules

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed Company must not issue or agree to issue Equity Securities to:

- c) a related party;
- d) a person who is, or was at any time in the six (6) months before the issue or agreement, a substantial (30%+) holder in the Company;

Resolution 8: Approval to Amend Terms of Convertible Notes

Background

As announced on 7 March 2023, the Company entered into a convertible securities agreement with Mercer Street Global Opportunity Fund, LLC (**Mercer**), a US-based investment fund managed by Mercer Street Capital Partners, LLC whereby Mercer agreed to subscribe for, and the Company agreed to issue convertible notes (**Convertible Notes**) for an aggregate subscription amount of up to \$15,000,000 (**Convertible Securities Agreement**). A summary of the material terms of the Convertible Securities Agreement is set out in Annexure 3.

On 21 March 2023, 1,650,000 Convertible Notes (**First Convertible Notes**) and 14,138,956 Options were issued to Mercer in consideration for \$1.5 million. The issue of the First Convertible Notes was ratified by Shareholders pursuant to ASX Listing Rule 7.4 at the Company's annual general meeting held on 25 May 2023 (**2023 AGM**).

On 1 June 2023, 1,100,000 Convertible Notes (**Second Convertible Notes**) and 28,089,888 Options were issued to Mercer in consideration for \$1 million. The issue of Second Convertible Notes was approved by Shareholders pursuant to ASX Listing Rule 7.1 at the 2023 AGM.

The Company also obtained Shareholder approval for the issue of up to 13,750,000 Convertible Notes (**Subsequent Convertible Notes**) and 750,000,000 Options to Mercer under the Convertible Securities Agreement at the 2023 AGM. The Company issued the following Subsequent Convertible Notes:

- a) on 25 August 2023, 1,100,000 Subsequent Convertible Notes and 46,583,851 Options were issued to Mercer. The Company then obtained Shareholder approval for the issue of up to 12,650,000 Subsequent Convertible Notes and 690,000,000 Options to Mercer at its general meeting held on 13 November 2023;
- b) on 29 May 2024, 242,000 additional Subsequent Convertible Notes and 2,048,122 Options were issued to Mercer in consideration for \$220,000; and
- c) on 19 September 2024, the Company issued 550,000 Subsequent Convertible Notes and 12,254,902 Options to Mercer in consideration for \$500,000.

Between 21 July 2023 and 3 December 2024, a total of 467,727 First Convertible Notes were converted into Shares under the terms of the Convertible Securities Agreement. Of the 1,650,000 First Convertible Notes issued, there are currently 1,182,273 First Convertible Notes on issue that have not been converted into Shares.

For clarity, the proposed amendment to the floor price set out in the table below relates only to the First Convertible Notes on issue that have not been converted into Shares. The floor price for the remaining Convertible Notes will remain unchanged.

Proposed Amendments

On 21 August 2025, the Company entered into a deed of variation with Mercer (**Deed**), pursuant to which the Company and Mercer agreed, subject to Shareholder approval, to amend the Convertible Securities Agreement as follows (the **Amendments**):

	EXISTING TERM	AMENDED TERM
Floor Price for the First Convertible Price Notes	\$0.04, subject to adjustment in accordance with the Convertible Securities Agreement.	\$0.025, subject to adjustment in accordance with the Convertible Securities Agreement.

	EXISTING TERM	AMENDED TERM
Maturity Date	<p>(a) In respect of the First Convertible Notes, the Maturity Date is 30 months from the date of issue.</p> <p>(b) In respect of the Subsequent Convertible Notes issued on 29 May 2024, the Maturity Date is 18 months from the date of issue.</p>	<p>(a) In respect of the First Convertible Notes, the Maturity Date is 42 months from the date of issue.</p> <p>(b) In respect of the Subsequent Convertible Notes issued on 29 May 2024, the Maturity Date is 30 months from the date of issue.</p>

General

This Resolution seeks Shareholder approval for the purposes of Listing Rule 7.1 for the Amendments to:

- a) the terms of the First Convertible Notes to amend the floor price (**Floor Price**) from \$0.04 to \$0.025; and
- b) to amend the maturity date for:
 - i. the First Convertible Notes to the date that is 42 months from their issue; and
 - ii. the Subsequent Convertible Notes issued on 29 May 2024 to the date that is 30 months from their issue.

The Amendments would increase the maximum number of Shares that could be issued on conversion of the remaining First Convertible Notes from 29,556,825 Shares to 47,290,920 Shares.

Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Shareholder approval in respect of the Amendments is required under ASX Listing Rule 7.1 as an amendment to the terms of a convertible security is treated as a new issue of a convertible security for the purposes of the Listing Rules and does not fall within any of the exceptions set out in Listing Rule 7.2. Accordingly, the Company is seeking Shareholder approval pursuant to Listing Rule 7.1 so that it does not use up any of its 15% placement capacity under Listing Rule 7.1.

It may be argued that, by extending the maturity date, the terms of the Convertible Securities Agreement are not materially the same as were originally approved by Shareholders. As such, pursuant to this Resolution, the Company is seeking fresh Shareholder approval under Listing Rule 7.1. By seeking this approval, the Company will be able to ensure that the First Convertible Notes (and any Shares issued on conversion) do not reduce the Company's 15% placement capacity and otherwise have the benefit of Listing Rule 7.2 (Exception 9).

In light of the above, the Company and Mercer agreed that the Amendments would be subject to Shareholder approval.

Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Convertible Notes that are the subject of the Amendments (and any Shares issued on conversion of those Convertible Notes) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If this Resolution is not passed, the Company will not be able to proceed with the Amendments. If the Company is unable to proceed with the Amendments, it may be required to re-negotiate the terms of

the Convertible Securities Agreement and the Deed with Mercer. In this instance, the Existing Terms set out above will remain.
