

## Appendix 4E

### Preliminary Final Report For the year ended 30 June 2025

Name of entity	Elanor Commercial Property Fund (ECF), a stapled entity comprising Elanor Funds Management Limited as Responsible Entity of Elanor Commercial Property Fund I (ECPF I), and Elanor Funds Management Limited as Responsible Entity of Elanor Commercial Property Fund II (ECPF II).
ARSN	Elanor Commercial Property Fund I 636 623 099
ARSN	Elanor Commercial Property Fund II 636 623 517
ABN	Elanor Funds Management Limited 39 125 903 031
Reporting period	Year ended 30 June 2025
Previous corresponding period	Year ended 30 June 2024

This Preliminary Final Report is given to the ASX in accordance with Listing Rule 4.3A. The Report should be read in conjunction with the attached Preliminary Final Report for the year ended 30 June 2025. The previous corresponding period is the year ended 30 June 2024.

### Results for Announcement to the Market

#### Financial Performance

		A \$'000
Revenue from ordinary activities	Down 0.3% to	40,478
Loss from ordinary activities attributable to security holders	Down 79.8% to	(5,396)
Loss from for the period attributable to security holders	Down 79.8% to	(5,396)
Funds from Operations (FFO) <sup>1</sup>	Up 6.9% to	35,418

#### Distribution

<b>Current Period</b>	<b>Amount per unit</b>
Quarterly Distribution - 1 July 2024 to 30 September 2024	1.875 cents
Quarterly Distribution - 1 October 2024 to 31 December 2024	1.875 cents
Quarterly Distribution - 1 January 2025 to 31 March 2025	1.875 cents
Record date for determining entitlement to the Final Distribution	30 June 2025
Date the Final Distribution is payable:	1 September 2025
The components of the Final Distribution comprise:	Trust Distribution: 1.1875 cents

Note: Further information on tax components of the distribution will be provided to security holders with their distribution statement for the year ending 30 June 2025.

#### Notes:

- Funds from Operations (FFO) has been determined in accordance with the Property Council Guidelines and adjusted for amortisation of borrowing cost and manager contribution which is excluded from FFO and represents the Directors' view of underlying earnings from ongoing operating activities, being statutory profit / (loss) (under IFRS), adjusted for non-cash and other items such as property revaluations, derivative mark-to-market impacts, amortisation of tenant incentives, gains/losses on sale of investment properties, straight-line rental adjustments, non-FFO tax expenses/benefits and other unrealised one-off items. This includes ECF's proportional ownership of 19 Harris Street's FFO, which is held as an equity accounted investment.
- The Distributions for the year ended 30 June 2025 are based on a payout ratio of 80% of Funds from Operations. Further information on tax components of the distribution will be provided to security holders with their distribution statement for the year ending 30 June 2025.

**Net Tangible Assets**

<b>Current Period</b>	<b>Current Period</b>
Net tangible asset backing per security	\$0.69
<b>Previous Corresponding Period</b>	
Net tangible asset backing per security	\$0.83

**Control Gained Over Entities During The Period**

None.

**Control Lost Over Entities During The Period**

None.

**Details Of Any Associates And Joint Venture Entities Required To Be Disclosed:**

- 49.90% equity investment in Harris Property Trust

**Accounting Standards Used By Foreign Entities**

International Financial Reporting Standards.

**Commentary On Results For The Period**

## DIRECTORS' REPORT

The Directors of Elanor Funds Management Limited (Responsible Entity), as responsible entity of the Elanor Commercial Property Fund, present their report together with the consolidated financial report of Elanor Commercial Property Fund (ECF, Group, Consolidated Group or Fund) and the financial report of the Elanor Commercial Property Fund II (ECPF II) for the year ended 30 June 2025.

The annual financial report of the Consolidated Group comprises ECPF I and its controlled entities and ECPF II.

The Responsible Entity is a company limited by shares, incorporated and domiciled in Australia. Its registered office and principal place of business is Level 38, 259 George Street, Sydney NSW 2000.

ECPF I and ECPF II were registered as managed investment schemes on 18 October 2019. The units of ECPF I and the units of ECPF II are combined and issued as stapled securities in the Group. The Group's securities are traded on the Australian Securities Exchange (ASX: ECF). The units of each scheme cannot be traded separately and can only be traded as stapled securities. Although there is no ownership interest between ECPF I and ECPF II, ECPF I is deemed to be the parent entity of the Group in accordance with the Australian Accounting Standards.

Elanor Asset Services Pty Limited (ABN 83 614 679 622), a wholly owned subsidiary of Elanor Investors Group, is the Manager of the Fund, providing services in accordance with the Investment Management Agreement. The Trust Company (Australia) Limited is the Custodian of the Fund, pursuant to the Custody Deed.

The Directors' report is a combined Directors' report that covers both schemes. The financial information for the Group is taken from the financial reports and notes.

### 1. Directors

The following persons have held office as Directors of the Responsible Entity during the year and up to the date of this report:

- Ian Mackie (Chair)
- Anthony (Tony) Fehon (Director, and appointed as Managing Director on 9 September 2024)
- Glenn Willis (resigned as Managing Director and Chief Executive Officer, on 9 September 2024)
- Nigel Ampherlaw (resigned on 23 September 2024)
- Su Kiat Lim
- Karyn Baylis
- Victor Rodriguez (resigned on 3 September 2024)
- Kathy Ostin

### 2. Principal activities

The principal activity of the Fund is the investment in Australian commercial office properties, located in major metropolitan areas or established commercial precincts.

### 3. Distributions

Distributions in respect of the year ended 30 June 2025

The following table details the Consolidated Group's distributions that were declared and / or paid in respect of the year ended 30 June 2025:

<b>Consolidated Group</b>	<b>Distribution Cents per stapled security</b>	<b>30 June 2025 \$'000</b>
Distribution paid: 1 July - 30 September 2024	1.875	5,935
Distribution paid: 1 October - 31 December 2024	1.875	7,631
Distribution paid: 1 January - 31 March 2025	1.875	7,631
Distribution payable: 1 April - 30 June 2025	1.875	7,631
<b>Total distribution relating to the year ended 30 June 2025</b>	<b>7.50</b>	<b>28,828</b>

### 4. Operating and financial review

#### OVERVIEW AND STRATEGY

The Elanor Commercial Property Fund is an externally managed real estate investment fund that invests in high investment quality commercial office properties.

The Fund's objective is to provide strong, risk-adjusted returns through a combination of regular distributions and capital growth. To achieve this objective, the Fund's strategy is to:

- Invest in commercial office properties with differentiated competitive market positions that are located in major metropolitan areas or established commercial precincts;
- Execute leasing strategies and actively manage the properties to grow the income and capital value of the assets;
- Acquire additional high investment quality commercial office properties in line with the Fund's investment criteria; and
- Maintain a conservative capital structure with a target Gearing range between 30% and 40%.

During the year ended 30 June 2025, the Fund completed and achieved the following key initiatives and results:

- Funds from Operations (FFO) for the period of \$35.4 million or 8.70 cents per security
- Distributions of \$28.8 million or 7.50 cents per security, at a payout ratio of 80%, within the Fund's target payout ratio range (80% – 100%);
- The Lederer Group became a strategic investor in the Fund, underwriting \$50 million including an offer to sub-underwrite a potential rights issue, which led to the Lederer Group investing \$37.0 million in the Fund. As a result of this investment, the Lederer Group was entitled to appoint a nominee to the Investment Committee. As of the date of this report, no nominee has been appointed.
- The Fund completed a fully underwritten 1 for 3.5 pro-rata non-renounceable entitlement offer raising \$52 million at \$0.58 per security. The offer saw a 65.4% take-up rate from eligible securityholders (including oversubscriptions), with the Lederer Group sub-underwriting the balance, resulting in their security holding increasing from 14.8% to 25.8%. The Fund deployed the majority of the capital raised through a significant investment in the Harris Street Fund Capital Notes, acquiring 38,313 notes representing 95.8% of the total issuance. The remaining proceeds were used to pay down the existing \$20 million capex facility and increase working capital.

# ELANOR COMMERCIAL PROPERTY FUND

## DIRECTORS' REPORT

### 4. Operating and financial review

#### OVERVIEW AND STRATEGY (CONTINUED)

- Successfully executed a range of new leases and renewals for nearly 12,000m<sup>2</sup>, further enhancing the Fund's income security and tenant quality;
- Reduced FY26 lease expiries from 28% to 25% (by area);;
- Maintained a high occupancy level of 96.3% weighted average across the fund;
- Key leasing initiatives during the period included:
  - Lease executed with NBN for part level 4 (907 m<sup>2</sup>) at Workzone West, Perth, WA.
  - Lease executed with Life Without Barriers on the ground floor (686 m<sup>2</sup>) and Heads of Agreement (HOA) signed with Strive Communicate Care on Level 2 (882 m<sup>2</sup>) at 30-38 Limestone St, Ipswich, QLD.
  - HOA signed with Open Colleges for part level 6 (1,059 m<sup>2</sup>) at Workzone West, Perth, WA.
  - Lease executed signed with National Australia Bank on the ground floor (705 m<sup>2</sup>) at 96 Mount Gravatt Capalaba Rd, Upper Mount Gravatt, QLD.
  - HOA signed with Smarter Communities on level 21 (674 m<sup>2</sup>) at 50 Cavill Ave, Surfers Paradise, QLD.

The Fund's portfolio of commercial office assets:

- Comprises nine high investment quality properties located in established commercial office precincts in Brisbane, Gold Coast, Perth, Canberra, Adelaide and Sydney, with a combined investment property value of \$495.3 million (including 49.9% of 19 Harris Street);
- Generates approximately 69% of its income from ASX-listed tenants (29%, including CIMIC, NAB, Coles and Wesfarmers); Multinationals (23%, including ITV, Abvacus dx, Accor) and Federal and State Governments (17%); and
- Had a gearing ratio of 38.1% at balance date (44.3% on a look through basis).

## DIRECTORS' REPORT

### 4. Operating and financial review (continued)

#### INVESTMENT PORTFOLIO

The valuation of the Fund's portfolio of investment properties at 30 June 2025 has decreased by \$18.8 million (3.66%) since 30 June 2024 (a \$11.3 million or 2.23% decrease since 31 December 2024). The valuation of the equity accounted investment in the 19 Harris Street property at 30 June 2025 decreased by \$4.6 million (26.95%) since 30 June 2024.

This decrease in portfolio valuation is primarily due to rising capitalisation and discount rates driven by the high-interest rate environment and broader market conditions. These impacts have been partially offset by increasing portfolio rents for the Fund. The Fund's portfolio valuation decrease is consistent with reduced asset valuations across the Australian commercial office market. The Sydney City commercial office market has been more severely impacted by rising capitalisation rates based on recent commercial property transactions, and this is reflected in the value of the Fund's 49.9% interest in the 19 Harris Street property.

The resilience of the Fund's property portfolio is a result of its tenant quality, occupancy of 96.3% (2024:98.4%), and WALE of 3.4 years (2024: 4 years). Strong tenant demand has driven 3.1% positive leasing spreads and 2.4% like-for-like income growth, reflecting the strength of the leasing outcomes achieved during the year. This is a direct result of the Fund's strategy to invest in commercial office properties with differentiated competitive market positions.

The following table shows a summary of ECF's investment portfolio as at balance date:

Property	Location	Carrying Value	Carrying Value
		30 June 2025	30 June 2024
		\$'m	\$'m
50 Cavill Avenue	Surfers Paradise QLD	122.0	110.5

## DIRECTORS' REPORT

### 4. Operating and financial review (continued)

#### FINANCIAL RESULTS

The Fund recorded a statutory loss after tax of \$5.4 million for the year ended 30 June 2025 (2024: loss after tax of \$26.7 million).

Funds from Operations (FFO) were \$35.4 million (2024: \$33.1 million) or 9.40 cents (2024: 10.47 cents) per weighted average security. FFO is the Directors' measure of the periodic amount available for distributions and has been determined in accordance with the Property Council Guidelines and adjusted for amortisation of borrowing costs and the contribution from manager.

The Fund's balance sheet remains strong at 30 June 2025, with net assets of \$279.7 million, and cash on hand of \$10.5 million. The Fund also has \$20.0 million in undrawn debt facilities.

A summary of the Fund's results for the year is set out below:

	<b>Consolidated Group 30 June 2025</b>	<b>ECPF II 30 June 2025</b>
<b>Key financial results</b>		
Net statutory loss (\$'000)	(5,396)	(1,952)
Funds from Operations (FFO) (\$'000)	35,418	1,932
Distributions payable to security holders (\$'000)	7,631	472
FFO per stapled security (cents)	8.70	0.47
FFO per weighted average stapled security (cents)	9.40	0.51
Distributions (cents per stapled security)	7.50	0.42
Net tangible assets (\$ per stapled security)	0.69	0.04
Gearing (net debt / total assets less cash) (%)	38.1	44.1
Gearing (look-through) <sup>1</sup> (%)	44.2	44.1

<sup>1</sup> Adjusted for equity accounted investment of 19 Harris Street, Pyrmont, NSW.

The table below provides a reconciliation from statutory net loss to Funds from Operations:

	<b>Consolidated Group 30 June 2025 \$'000</b>	<b>ECPF II 30 June 2025 \$'000</b>
<b>Funds from Operations (FFO)<sup>1</sup></b>	<b>\$'000</b>	<b>\$'000</b>
<b>Statutory net loss</b>	<b>(5,396)</b>	<b>(1,952)</b>
<i>Adjustments for items included in statutory loss:</i>		
Fair value loss included in share of profit from equity accounted investment <sup>2</sup>	3,714	–
Fair value loss on investment properties	22,644	2,194
Fair value loss on derivatives	4,470	261
Fair value loss on capital notes	–	–
Straight lining of rental income <sup>3</sup>	1,696	37
Amortisation expense <sup>4</sup>	7,459	1,392
Transaction costs	(8)	–
<i>Adjustments for non profit item:</i>		
Share of FFO from equity accounted investments	839	–
<b>Funds from Operations (FFO)<sup>1</sup></b>	<b>35,418</b>	<b>1,932</b>

Note 1: Funds from Operations (FFO) has been determined in accordance with the Property Council Guidelines and adjusted for amortisation of borrowing cost and manager contribution which is excluded from FFO and represents the Directors' view of underlying earnings from ongoing operating activities, being statutory profit / (loss) (under IFRS), adjusted for non-cash and other items such as property revaluations, derivative mark-to-market impacts, amortisation of tenant incentives, gains/losses on sale of investment properties, straight-line rental adjustments, non-FFO tax expenses/benefits and other unrealised one-off items. This includes the group's proportional ownership of 19 Harris Street's FFO, which is held as an equity accounted investment.

Note 2: Includes amortisation of the manager contribution of \$0.93 million.

Note 3: Straight lining of rental income is a non-cash accounting adjustment recognised in rental income in the Statement of Profit or Loss.

Note 4: Amortisation expense includes the amortisation of capitalised leasing costs and rental abatements, and debt establishment costs recognised in the Statement of Profit or Loss.

## DIRECTORS' REPORT

### 4. Operating and financial review (continued)

#### CLIMATE-RELATED FINANCIAL DISCLOSURES

Elanor Investors Group ('Elanor' or 'Elanor Group'), as the Manager of a portfolio of commercial office properties across Australia, recognises the impact that climate change is having on the environment and the importance of its contribution to climate change mitigation initiatives.

Specifically, Elanor is advancing its understanding of climate-related risks and opportunities in line with leading practice frameworks and standards being set by the Australian Accounting Standards Board to ensure it is ready for climate-related financial disclosure.

As part of Elanor's commitment to sustainability and responsible business practices, the Elanor Group continues to progress disclosure on measuring, monitoring, and reporting of climate-related risks and opportunities in line with the Australian Sustainability Reporting Standards ('ASRS').

The following sections outline the progress Elanor is making on climate change initiatives and climate-related financial disclosure in line with the ASRS framework covering the areas of governance, strategy, risk management, and targets and metrics.

#### Governance

The Elanor Board takes responsibility for overseeing the Elanor's sustainability strategy and policies, which includes managing climate-related financial risks and opportunities. A Sustainability Committee has been established which is a committee of the Board. This Committee oversees Management's approach to the identification and management of sustainability and ESG risks and opportunities that drive business performance, including climate-related, environmental sustainability, community impact, inclusive workplaces, corporate governance, responsible investment, supply chain impact and responsible procurement.

The ESG Management Committee, operating under a Charter, reports to the Sustainability Committee as a Management Committee. Chaired by the Managing Director, the ESG Management Committee ensures the Group identifies, assesses, and manages material ESG risks, including climate-related risks and opportunities.

Working closely with Elanor's Executive Management Committee and key business unit managers, the ESG Management Committee collaborates to achieve the successful formulation and implementation of Elanor's ESG initiatives. The ESG Management Committee plays a pivotal role in developing an understanding of Elanor's climate-related risks and opportunities, and assessing the processes, controls, and procedures it uses to monitor, manage and oversee these risks and opportunities.

#### Strategy

Elanor Investors Group's third ESG Annual report, released last year, sets out the Elanor's ESG strategy. Short, medium and long-term goals have been identified against five material environment topics including energy and carbon management, ecological impacts, water management, waste impacts and climate change vulnerability. Currently, portfolio-wide identification of decarbonisation opportunities, including net zero modelling are priorities.

Elanor is currently developing its strategy for managing its climate-related risks and opportunities as an integral part of Elanor's strategic considerations. Elanor is working with key internal and external expert stakeholders to understand the current and anticipated effects of those climate-related risks and opportunities on the business model and value chain and readying itself for climate-related financial disclosure.

For personal use only

# ELANOR COMMERCIAL PROPERTY FUND

## DIRECTORS' REPORT

### 4. Operating and financial review (continued)

#### Risk management

The Board and ESG Committees are responsible for monitoring and managing climate-related risks and opportunities. To ensure that climate-related risks and opportunities are managed in a coordinated manner, a process is underway to consider how to integrate climate-related risks and opportunities into Elanor's Risk Management Framework and Risk Appetite Statement along with broader ESG, business-related and macro-economic matters.

To ensure climate-related risks and opportunities are addressed more effectively, a climate change vulnerability analysis process is being integrated into due diligence procedures for all new asset acquisitions.

In the coming years, this analysis will be extended to evaluating climate-related risks and opportunities thoroughly from both a physical risk and transition risk perspective.

#### Metrics and targets

Elanor is committed to reducing its environmental impact on the planet and understanding its climate-related financial impact.

Energy usage data and scope 1 and 2 carbon emissions have been collected for all Elanor-managed assets for financial years 2022, 2023, 2024 and 2025. This data will help to establish energy consumption and carbon emission targets for Elanor's managed fund real estate portfolio.

Elanor is currently evaluating the impact of its business operations on the environment and exploring ways to minimise its carbon footprint. These efforts include:

- Energy efficiency improvements;
- On-site renewable energy generation; and
- Long term generation credits procurement.

Elanor's 2025 ESG report, to be released later in 2025, will provide details on the Elanor Group's energy and carbon management initiatives, achievements, and plans across the portfolio to enhance its climate-related financial disclosure.

By drawing on the draft ASRS requirements and enhancing the Elanor Group's understanding of climate-related risks and opportunities, Elanor aims to foster sustainable and responsible business practices that benefit the Elanor Group's securityholders, including ECF's securityholders, key stakeholders and the environment.

# ELANOR COMMERCIAL PROPERTY FUND

## DIRECTORS' REPORT

### 4. Operating and financial review (continued)

#### RISK MANAGEMENT

Earnings variability and potential capital value impacts due to the prevailing interest rate environment and economic conditions are the primary risk to the Fund in the coming period. Potential capital value movements are related to higher return hurdles for real estate investments as interest rates rise, driven by volatility and uncertainty in respect of short- and long-term interest rates.

Further, risks may also relate to increased operating expenses, a softening of rental growth, an increase in required incentives or longer letting up periods and possible weather-related events. While general market uncertainty may impact the availability of capital for acquisition opportunities, demand for quality assets is expected to remain positive.

These risks to the Fund are mitigated through hedging of interest rates and active management of the Fund's portfolio. Regular and active engagement with tenants across the portfolio and ongoing assessments of tenant rental risks contribute strongly to the performance of the Fund. Further risk mitigants include the broadening of the Fund's tenant mix and actively managing the Fund's cash position and capital structure.

#### SUMMARY AND OUTLOOK

The Fund's core strategy will remain focused on actively managing and growing earnings from its investment portfolio, realising value-add opportunities across the existing portfolio, and acquiring additional high investment quality commercial office properties in Australia.

The resilience of the Fund's property portfolio in the current economic environment reflects its tenant quality, occupancy of 89%, and WALE of 3.5 years. Strong tenant demand has driven positive leasing spreads of 4.9% and like-for-like income growth of 1.4%, reflecting the strength of the leasing outcomes achieved during the year. This is a direct result of the Fund's strategy to invest in commercial office properties with differentiated competitive market positions.

Looking ahead, risks to the Fund in the coming year include demand variability associated with uncertain economic market conditions. This has been mitigated by management by successfully renewing and extending leasing agreements with existing tenants and actively marketing any remaining vacant space to secure the portfolio's future income.

The active asset management of the Fund's portfolio is generating improved operational performance, and strategic initiatives to grow and realise the capital value of the Fund are being progressed.

# ELANOR COMMERCIAL PROPERTY FUND

## DIRECTORS' REPORT

### 11. Indemnification and insurance of officers and auditors

During the financial year, the Responsible Entity paid a premium in respect of a contract insuring the Directors of the Responsible Entity (as named above), the Company Secretary, and all executive officers of the Responsible Entity and of any related body corporate against a liability incurred in their capacity as Directors and officers of the Responsible Entity to the extent permitted by the *Corporations Act 2001* (Cth). The contract of insurance prohibits disclosure of the nature of the liability and the amount of the premium.

The Responsible Entity has not otherwise, during or since the end of the financial year, except to the extent permitted by law, indemnified or agreed to indemnify an officer of the Responsible Entity or of any related body corporate against a liability incurred in their capacity as an officer.

The Group indemnifies the auditor (PricewaterhouseCoopers Australia) against any liability (including legal costs) for third party claims arising from a breach by the Group of the auditor's engagement terms, except where prohibited by the *Corporations Act 2001* (Cth).

### 12. Environmental regulation

To the best of their knowledge and belief after making due enquiry, the Directors have determined that the Group has complied with all significant environmental regulations applicable to its operations in the jurisdictions in which it operates.

### 13. Significant changes in state of affairs

There was no significant change in the state of affairs of the Fund during the year.

### 14. Auditor's independence declaration

A copy of the auditor's independence declaration, as required under section 307C of the *Corporations Act 2001* (Cth), is included on the page following the Directors' Report.

### 15. Non audit services

Details of amounts paid or payable to the auditor for non-audit services provided during the year by the auditor are outlined in Note 18 to the financial statements.

There were no non-audit services provided by the auditor during the year (2024: nil).

### 16. Likely developments and expected results of operations

For details of the takeover offer received in August 2025 see the Events occurring after reporting date section below.

The financial statements have been prepared on the basis of the current known market conditions. The extent of any potential deterioration in either the capital or physical property markets on the future results of the Fund is unknown. Such results could include property market valuations, the ability of the Fund to raise or refinance debt, and the cost of such debt and the ability to raise equity.

The economic and market uncertainty are difficult to forecast. The Fund will continue to engage regularly with all tenants, investors and financiers across the Fund's portfolio.

At the date of this report and to the best of the Directors' knowledge and belief, other than matters disclosed under Events occurring after reporting date, there are no other anticipated changes in the operations of the Fund which would have a material impact on the future results of the Fund.

# ELANOR COMMERCIAL PROPERTY FUND

## DIRECTORS' REPORT

### 17. Going concern

As at 30 June 2025, the Fund has a net current asset deficiency of \$4.3 million and net assets of \$279.7 million. ECPF II has a net current asset position of \$0.03 million and net assets of \$16.1 million.

The net current asset deficiency of the Fund is attributable to a current payable of \$7.6 million (ECPF II: \$0.5 million) for the Fund's June Quarter distribution. The Fund (including ECPF II) has access to \$20.0 million of undrawn capex debt facilities, of which \$9.3 million can be claimed for capex works funded from working capital.

ECF's secured debt facility agreement contains clauses whereby an event of default is triggered if there is a change in the majority of the board of directors or a change in persons having voting power of more than 50% of the securities in the Fund without prior written consent of the lender. In the event of a takeover as outlined in the Events occurring after reporting date section below, if lender consent is not obtained, or alternatively, if the bidder does not refinance the debt facility currently in place, the secured debt facility could become immediately due and payable. At the time of signing, the likelihood of the success of the takeover offer and the plans of the bidder as regards to the Fund's debt facility are not known.

As of the date of this report, the Directors believe the Fund and ECPFII, as standalone stapled entity, will be able to realise its assets and discharge its liabilities in the ordinary course of business.

These financial statements have been prepared on a going concern basis.

#### Responsible Entity and Trustee

On 23 August 2024, Elanor Investors Group (ASX: ENN) requested, and the ASX granted, a voluntary suspension of the trading of ENN securities on the ASX to enable Elanor to consider a range of options to stabilise and maintain its ongoing financial position. Elanor Funds Management Limited (EFML) is a wholly owned subsidiary of Elanor Investors Group and the Responsible Entity of ECF. If Elanor Investors Group is not able to stabilise and maintain its ongoing financial position, it may cast uncertainty about EFML's ability to act as Responsible Entity of the Fund.

To progress towards a stabilised financial position, ENN have entered in to binding terms to expand its strategic alliance with Rockworth Capital Partners ("Rockworth"), who will invest up to \$125.0 million into Elanor and recapitalise the business through a combination of secured debt and perpetual notes. The Rockworth Investment is subject to regulatory approval, and approval by Elanor securityholders at an Extraordinary General Meeting, which is expected to be held late October 2025.

### 18. Events occurring after reporting date

On 4 August 2025, ECF received a letter from the Lederer Group stating that it intends to make an unsolicited off-market takeover offer ("Takeover Offer") to acquire all the stapled securities in the Fund and on 20 August 2025 a Bidder's Statement was released to the ASX. The Lederer Group intends, subject to certain conditions, to offer ECF security holders 70 cents in cash for each ECF stapled security they do not currently own.

In accordance with the RE Board's standard governance procedures, and consistent with market practice, the RE Board has established an Independent Board Committee ("ECF IBC") and adopted appropriate protocols to manage any potential conflicts of interest that may arise between the interests of Elanor Investors Group and the interests of ECF securityholders. The ECF IBC is comprised of Ian Mackie and Kathy Ostin, each of whom are Independent Directors. The ECF IBC has been established to represent the interest of ECF and the Fund's securityholders.

# ELANOR COMMERCIAL PROPERTY FUND

## DIRECTORS' REPORT

### 18. Events occurring after reporting date (continued)

The ECF IBC has appointed Ord Minnett Corporate Finance as independent financial advisor and Arnold Bloch Liebler as legal adviser.

The ECF IBC is committed to maximising value for all ECF securityholders and fulfilling its responsibilities to oversee the execution of the Fund's stated strategy on behalf of ECF securityholders.

On 20 August 2025, the ECF Independent Board Committee responded to the Takeover Offer and recommended that security holders reject the offer and take no action.

The Directors of the Responsible Entity are not aware of any other matter since the end of the period that has or may significantly affect the operations of the Fund, the result of those operations, or the state of the Fund's affairs in future financial periods that are not otherwise referred to in this Directors' Report.

### 19. Rounding of amounts to the nearest thousand dollars

In accordance with ASIC Corporations (*Rounding in Financials/Directors' Reports*) Instrument 2016/191, amounts in the financial statements have been rounded to the nearest thousand dollar, unless otherwise indicated.

This report is made in accordance with a resolution of the Board of Directors of the Responsible Entity. The Financial Statements were authorised for issue by the Directors on 25 August 2025.

Signed in accordance with a resolution of the Directors pursuant to section 298(2) of the *Corporations Act 2001 (Cth)*. The Directors have the power to amend and re-issue the Financial Statements.

## Auditor's Independence Declaration

As lead auditor for the audit of Elanor Commercial Property Fund I and Elanor Commercial Property Fund II for the year ended 30 June 2025, I declare that to the best of my knowledge and belief, there have been:

- a. no contraventions of the auditor independence requirements of the *Corporations Act 2001* in relation to the audit; and
- b. no contraventions of any applicable code of professional conduct in relation to the audit.

This declaration is in respect of Elanor Commercial Property Fund I and Elanor Commercial Property Fund II and the entities they controlled during the period.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### About this Report

Elanor Commercial Property Fund (the Fund, Group or Consolidated Group) is a 'stapled' entity comprising Elanor Commercial Property Fund I (ECPF I) and its controlled entities, including Elanor Commercial Property Fund II (ECPF II). The units in ECPF I are stapled to units in ECPF II. The stapled securities cannot be traded or dealt with separately.

For the purposes of the consolidated financial report, ECPF I has been deemed the parent entity of ECPF II in the stapled structure. The Directors applied judgement in the determination of the parent entity of the Fund and considered various factors including asset size and capital structure. The financial report of the Fund comprises the consolidated financial report of Elanor Commercial Property Fund I and its controlled entities, including Elanor Commercial Property Fund II. As permitted by *ASIC Corporations (Stapled Group Reports) instrument 2015/838*, this report is a combined report that presents the financial statements and accompanying notes of both the consolidated Fund and ECPF II stand-alone.

These general purpose financial statements have been prepared in accordance with the *Corporations Act 2001*, the Scheme Constitutions and Australian Accounting Standards. Compliance with Australian Accounting Standards ensures compliance with International Financial Reporting Standards ('IFRS').

Comparative figures have been restated where appropriate to ensure consistency of presentation throughout the financial report.

The accounting policies adopted in the preparation of the financial report are consistent with those of the previous financial year, and the adoption of new and amended standards as set out below.

### New accounting standards and interpretations

#### (a) New and amended standards adopted by the Fund

There are no standards, interpretations or amendments to existing standards that are effective for the first time for the financial year beginning 1 July 2024 that have a material impact on the amounts recognised in prior periods or will affect the current or future periods.

#### (b) New accounting standards and interpretations not yet adopted

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 July 2025 and have not been adopted early in preparing these financial statements. AASB 18 Presentation and Disclosure in Financial Statements will be effect for the 30 June 2027 reporting period, and Management are assessing if this will have a material impact on the Fund.

### Basis of Consolidation

The consolidated financial report of the Fund incorporates the assets and liabilities of ECPF I (the Parent) and all of its subsidiaries, including ECPF II as at 30 June 2025. ECPF I is the parent entity in relation to the stapling. The results and equity of ECPF II (which is not directly owned by ECPF I) have been treated and disclosed as a non-controlling interest. Whilst the results and equity of ECPF II are disclosed as a non-controlling interest, the stapled securityholders of ECPF II are the same as the stapled securityholders of ECPF I.

This financial report also includes a separate column representing the financial report of ECPF II, incorporating the assets and liabilities of ECPF II as at 30 June 2025.

For the purpose of preparing the financial statements, the Fund is a for-profit entity. The financial report is presented in Australian Dollars.

# ELANOR COMMERCIAL PROPERTY FUND

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### About this report (continued)

#### Going concern

As at 30 June 2025, the Fund has a net current asset deficiency of \$4.3 million and net assets of \$279.7 million. ECPF II has a net current asset position of \$0.03 million.

The net current asset deficiency of the Fund is attributable to a current payable of \$7.6 million (ECPF II: \$0.5 million) for the Fund's June Quarter distribution. The Fund (including ECPF II) has access to \$20.0 million of undrawn capex debt facilities, of which \$9.3 million can be claimed for capex works funded from working capital.

ECF's secured debt facility agreement contains clauses whereby an event of default is triggered if there is a change in the majority of the board of directors of the responsible entity or a change in persons having voting power of more than 50% of the securities in the Fund without prior written consent of the lender. In the event of a takeover as outlined in the "Events occurring after reporting date" note below, if lender consent is not obtained, or alternatively, if the Lederer Group does not refinance the debt facility currently in place, the secured debt facility could become immediately due and payable. At the time of signing, the likelihood of the success of the takeover offer and the plans of the Lederer Group as regards to the Fund's debt facility are not known.

Accordingly, as of the date of this report, the Directors believe the Fund will be able to continue to successfully meet its covenant obligations and to refinance its facilities to ensure the Fund's ability to realise its assets and discharge its liabilities in the ordinary course of business.

The Financial Statements have been prepared on a going concern basis using historical cost conventions, except for investment properties, investment properties within the equity accounted investments, derivative financial instruments, and other financial assets or liabilities which are stated at their fair value.

#### Responsible Entity and Trustee

On 23 August 2024, Elanor Investors Group (ASX: ENN) requested, and the ASX granted, a voluntary suspension of the trading of ENN securities on the ASX to enable Elanor to consider a range of options to stabilise and maintain its ongoing financial position. Elanor Funds Management Limited (EFML) is a wholly owned subsidiary of Elanor Investors Group and the Responsible Entity of ECF. If Elanor Investors Group is not able to stabilise and maintain its ongoing financial position, it may cast uncertainty about EFML's ability to act as Responsible Entity of the Fund.

To progress towards a stabilised financial position, ENN have entered in to binding terms to expand its strategic alliance with Rockworth Capital Partners ("Rockworth"), who will invest up to \$125.0 million into Elanor and recapitalise the business through a combination of secured debt and perpetual notes. The Rockworth Investment is subject to regulatory approval, and approval by Elanor securityholders at an Extraordinary General Meeting, which is expected to be held late November 2025.

#### Rounding of amounts to the nearest thousand dollars

In accordance with ASIC Corporations (*Rounding in Financials/Directors' Reports*) Instrument 2016/191, amounts in the financial statements have been rounded to the nearest thousand dollars, unless otherwise indicated.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### About this report (continued)

#### Critical accounting judgements and key sources of estimation uncertainty

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

In preparing the financial statements for the year ended 30 June 2025, significant areas of estimation, uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amount recognised in the financial statements are consistent with those disclosed in the financial report of the previous financial year.

Enhanced disclosures have been incorporated throughout the financial statements to enable users to understand the basis for the estimates and judgments utilised. The estimates or assumptions which are material to the financial statements are discussed in the following notes:

- Investment Properties - assumptions underlying fair value - Note 6
- Equity Accounted Investments – assumptions underlying carry value – Note 7
- Derivative financial instruments - assumptions underlying fair value – Note 10
- Capital Notes – assumptions underlying fair value – Note 13

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### Results

This section focuses on the operating results and financial performance of the Fund. It includes disclosures of revenue and distributions.

### 1. Segment information

#### OVERVIEW

The Fund only operates in one business segment, being the investment in commercial properties in Australia.

The table below provides a reconciliation from statutory net loss to Funds from Operations for the Consolidated Group and ECPF II.

	Consolidated Group 30 June 2025 \$'000	ECPF II 30 June 2025 \$'000
<b>Funds from Operations (FFO)<sup>1</sup></b>		
<b>Statutory net loss</b>	<b>(5,396)</b>	<b>(1,952)</b>
<i>Adjustments for items included in statutory loss:</i>		
Fair value loss included in share of profit from equity accounted investment <sup>2</sup>	3,714	–
Fair value loss on investment property	22,644	2,194
Fair value loss on derivatives	4,470	261
Fair value gain on capital notes	–	–
Straight lining of rental income <sup>3</sup>	1,696	37
Amortisation expense <sup>4</sup>	7,459	1,392
Transaction costs <sup>5</sup>	(8)	–
<i>Adjustments for non profit / (loss) item:</i>		
Share of FFO from equity accounted investments	839	–
<b>Funds from Operations (FFO)<sup>1</sup></b>	<b>35,418</b>	<b>1,932</b>

	Consolidated Group 30 June 2024 \$'000	ECPF II 30 June 2024 \$'000
<b>Funds from Operations (FFO)<sup>1</sup></b>		
<b>Statutory net (loss)/profit</b>	<b>(26,704)</b>	<b>648</b>
<i>Adjustments for items included in statutory (loss)/profit:</i>		
Transaction and establishment costs <sup>5</sup>	755	125
Fair value loss included in share of profit from equity accounted investment	13,236	–
Fair value (gain)/loss on investment property	35,311	(98)
Fair value loss on derivatives	2,598	134
Straight lining of rental income <sup>3</sup>	231	53
Amortisation expense <sup>4</sup>	6,246	1,198
Share of FFO from equity accounted investments	1,470	–
<b>Funds from Operations (FFO)<sup>1</sup></b>	<b>33,143</b>	<b>2,060</b>

<sup>1</sup> Funds from Operations (FFO) has been determined in accordance with the Property Council Guidelines and adjusted for amortisation of borrowing cost and contribution from manager which is excluded from FFO and represents the Directors' view of underlying earnings from ongoing operating activities, being statutory profit / (loss) (under IFRS), adjusted for non-cash and other items such as property revaluations, derivative mark-to-market impacts, amortisation of tenant incentives and contribution from manager, gains/losses on sale of investment properties, straight-line rental adjustments, non-FFO tax expenses/benefits and other unrealised one-off items. This includes the group's proportional ownership of 19 Harris Street's FFO, which is held as an equity accounted investment.

<sup>2</sup> Fair value loss included in share of profit from equity accounted investment includes amortisation of manager contribution of \$0.93m.

<sup>3</sup> Straight lining of rental income is a non-cash accounting adjustment recognised in rental income in the Statement of Profit or Loss.

<sup>4</sup> Amortisation expense includes the amortisation of capitalised leasing costs and rental abatements, and debt establishment costs recognised in the Statement of Profit or Loss.

<sup>5</sup> Transaction costs incurred related to the proposed divestment of certain Fund assets.

# ELANOR COMMERCIAL PROPERTY FUND

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### 2. Revenue

#### OVERVIEW

The Fund's main source of revenue is rental income from its investment in commercial properties.

	Consolidated Group 30 June 2025 \$'000	Consolidated Group 30 June 2024 \$'000	ECPF II 30 June 2025 \$'000	ECPF II 30 June 2024 \$'000
WorkZone West	13,815	13,704	–	–
50 Cavill Avenue	7,725	7,713	–	–
Garema Court	7,207	7,614	–	–
Campus DXC	1,832	3,177	–	–
NEXUS Centre	2,799	2,443	–	–
200 Adelaide St	3,221	3,295	–	–
Limestone Centre	2,390	2,615	2,390	2,615
34 Corporate Drive	1,489	1,557	–	–
<b>Total revenue from operating activities</b>	<b>40,478</b>	<b>42,118</b>	<b>2,390</b>	<b>2,615</b>

#### ACCOUNTING POLICY

##### Rental income

The Fund is the lessor of operating leases. Rental income arising from operating leases is recognised as revenue on a straight-line basis over the lease term.

Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised as an expense over the term of the lease on the same basis as the lease income.

##### Rental abatements

Where a rental abatement is granted retrospectively on uncollected past due rent, the abatement is expensed as an impairment of trade receivables. Where an agreement on past due receivables has not been reached by 30 June 2025, an estimate of the expected abatement on the outstanding balance is made and incorporated into the expected credit loss calculation.

Rental abatements or other lease modification accompanied by extensions of lease terms or other changes in lease scope, are accounted for as a lease modification. The abated portion will be capitalised as a lease incentive and amortised on a straight-line basis over the remaining life of the lease.

##### Lease incentives

Lease incentives (including rent free periods, fit out and other payments) are accounted for on a straight-line basis over the lease term and offset against rental income in the statement of profit or loss. The lease term is the non-cancellable period of the lease together with any further term for which the tenant has the option to continue the lease, where, at the commencement date of the lease, it is reasonably certain that the tenant will exercise that option.

For personal use only

# ELANOR COMMERCIAL PROPERTY FUND

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### 2. Revenue (continued)

#### Outgoings

Outgoings recoveries are recognised in accordance with AASB 15 and are typically invoiced monthly based on an annual estimate. Revenue related to outgoings recoveries is recognised over time as the estimated costs are consumed by the tenant. Should any adjustment be required based on actual costs incurred, this is accounted for on a monthly basis.

### 3. Distributions

#### OVERVIEW

In accordance with the Fund's Constitutions, the Fund determines distributions based on a number of factors, including forecast earnings and expected economic conditions.

The following distributions were declared and paid by the Consolidated Group during the year or post balance date:

	Distribution FY25 cents per stapled security	Total FY25 amount \$'000
<b>Consolidated Group</b>		
Distribution paid: 1 July - 30 September 2024	1.875	5,935
Distribution paid: 1 October - 31 December 2024	1.875	7,631
Distribution paid: 1 January - 31 March 2025	1.875	7,631
Distribution payable: 1 April - 30 June 2025 <sup>1</sup>	1.875	7,631
<b>Total distribution relating to the year ended 30 June 2025</b>	<b>7.50</b>	<b>28,828</b>

<sup>1</sup> The distribution of 1.88 cents per stapled security for the quarter ended 30 June 2025 will be paid on 1 September 2025.

	Distribution FY24 cents per stapled security	Total FY24 amount \$'000
<b>Consolidated Group</b>		
Distribution paid: 1 July - 30 September 2023	2.125	6,727
Distribution paid: 1 October - 31 December 2023	2.125	6,727
Distribution paid: 1 January - 31 March 2024	2.125	6,727
Distribution paid: 1 April - 30 June 2024	2.125	6,727
<b>Total distribution relating to the year ended 30 June 2024</b>	<b>8.50</b>	<b>26,908</b>

#### ECPF II

The following distributions were declared and paid by ECPF II during the year or post balance date:

	Distribution FY25 cents per stapled security	Total FY25 amount \$'000
Distribution paid: 1 July - 30 September 2024	0.10	322
Distribution paid: 1 October - 31 December 2024	0.10	396
Distribution paid: 1 January - 31 March 2025	0.11	441
Distribution payable: 1 April - 30 June 2025 <sup>1</sup>	0.11	472
<b>Total distribution relating to the year ended 30 June 2025</b>	<b>0.42</b>	<b>1,631</b>

<sup>1</sup> The distribution of 0.11 cents per stapled security for the quarter ended 30 June 2025 will be paid on 1 September 2025.

For personal use only

# ELANOR COMMERCIAL PROPERTY FUND

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### 3. Distributions (continued)

	Distribution FY24 cents per stapled security	Total FY24 amount \$'000
Distribution paid: 1 July - 30 September 2023	0.15	486
Distribution paid: 1 October - 31 December 2023	0.14	439
Distribution paid: 1 January - 31 March 2024	0.11	358
Distribution paid: 1 April - 30 June 2024	0.12	389
<b>Total distribution relating to the year ended 30 June 2024</b>	<b>0.52</b>	<b>1,672</b>

### ACCOUNTING POLICY

Distributions are recognised as a liability when declared or at the record date (if earlier). Distributions paid and payable are recognised as distributions within equity. Distributions paid are included in cash flows from financing activities in the statement of cash flows.

### 4. Earnings per stapled security

#### OVERVIEW

Basic earnings per stapled security is calculated as net profit or loss attributable to securityholders divided by the weighted average number of ordinary stapled securities issued.

Diluted earnings per stapled security is calculated as profit or loss attributable to securityholders adjusted for any profit or loss recognised in the year in relation to dilutive potential stapled securities divided by the weighted average number of stapled securities and dilutive stapled securities.

Earnings used in the calculation of basic and diluted earnings per stapled security reconciles to the net profit or loss in the statements of comprehensive income as follows:

	Consolidated Group 30 June 2025 \$'000	Consolidated Group 30 June 2024 \$'000	ECPF II 30 June 2025 \$'000	ECPF II 30 June 2024 \$'000
The earnings per stapled security measures shown below is based upon the profit / (loss) attributable to securityholders:				
Basic and diluted (loss)/earnings per stapled security (cents)	(1.43)	(8.44)	(0.52)	0.20
(Loss) / profit attributable to securityholders used in calculating basic and diluted earnings per stapled security (\$'000)	(5,396)	(26,704)	(1,952)	648
Weighted average number of stapled securities used as denominator in calculating basic earnings per stapled security	376,771,069	316,556,353	376,771,069	316,556,353
Weighted average number of stapled securities used as denominator in calculating diluted earnings per stapled security	376,771,069	316,556,353	376,771,069	316,556,353

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### Operating Assets and Liabilities

This section includes information about the assets used by the Fund to generate profits and revenue, specifically information relating to its investment properties and liabilities.

## 6. Investment properties

### OVERVIEW

Investment Properties are held solely for the purpose of earning rental income and/or for capital appreciation. At balance date, the Fund's investment property portfolio comprised eight commercial properties in Australia. Independent valuations were performed as at 30 June 2025.

#### (a) Carrying values of investment properties

Property	Valuation	Consolidated	Consolidated	ECPFII	ECPFII
		Group	Group	30 June	30 June
		30 June	30 June	2025	2024

#### Highest and best use

For all investment properties, the current use equates to the highest and best use.

#### Fair value hierarchy and valuation techniques

The fair value measurement for investment properties has been categorised as Level 3 fair value based on the key inputs to the valuation techniques used below:

# ELANOR COMMERCIAL PROPERTY FUND

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### 6. Investment properties (continued)

Valuation Techniques	Significant unobservable inputs	Range FY25	Range FY24	Weighted average FY25	Weighted average FY24
<i>Discounted cash flows</i> – involves the projection of a series of inflows and outflows to which a market-derived discount rate is applied to establish an indication of the present value of the income stream associated with the property.	Adopted discount rate <sup>1</sup>	7.50% - 9.50%	7.50% - 8.25%	8.13%	7.89%
	Adopted terminal yield <sup>2</sup>	7.75% - 9.25%	7.25% - 9.00%	8.14%	8.00%
	Net property income (per sqm) <sup>3</sup>	\$443 - \$726	\$418 - \$936	\$609	\$651
<i>Capitalisation method</i> – involves determining the net market income of the investment property. This net market income is then capitalised at the adopted capitalisation rate to derive a core value.	Adopted capitalisation rate <sup>4</sup>	7.50% - 9.00%	7.25% - 8.75%	7.90%	7.78%

<sup>1</sup> Adopted discount rate: The rate of return used to convert cash flows, payable or receivable in the future, into present value. It reflects the opportunity cost of capital, that is the rate of return the cash can earn if put to other uses having similar risk. The rate is determined with regard to market evidence.

<sup>2</sup> Adopted terminal yield: The capitalisation rate used to convert the future net market rental revenue into an indication of the anticipated value of the property at the end of the holding period when carrying out a discounted cash flow calculation. The rate is determined with regard to market evidence.

<sup>3</sup> Net property income (per sqm): The forecast annual net rental income per sqm reflecting leased occupancy and likely to be leased space based on commitments and estimates. Resulting WALE and occupancy rate from existing tenancies will impact the forecast cash flow from net property income. The rate is determined with regard to existing lease terms and other market evidence.

<sup>4</sup> Adopted capitalisation rate: The rate at which net market rental revenue is capitalised to determine the value of a property. The rate is determined with regard to market evidence.

### ACCOUNTING POLICY

#### Recognition and measurement

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured at fair value. Gains and losses arising from changes in the fair value of investment properties are included in the statement of profit or loss in the year in which they arise.

Fair value is defined as the price at which an asset or liability could be exchanged in an arm's length transaction between knowledgeable, willing parties, other than in a forced or liquidation sale.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the asset. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss in the year in which the property is derecognised.

#### Valuation process

In reaching estimates of fair value, management judgment needs to be exercised. The aim of the valuation process is to ensure that assets are held at fair value and that the Fund is compliant with applicable Australian Accounting Standards, regulations, and the Fund's Constitutions. All properties are required to be internally valued every six months with the exception of those independently valued during that six-month period.

For personal use only

# ELANOR COMMERCIAL PROPERTY FUND

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### 6. Investment properties (continued)

The internal valuations are performed by utilising the information from a combination of asset plans and forecasting tools prepared by the asset management team. Appropriate capitalisation rate, terminal yield and discount rates based on comparable market evidence and recent external valuation parameters are used to produce a capitalisation-based valuation and a discounted cash flow valuation. Both valuations are considered to determine the final valuation.

The Fund's valuation policy requires that each property in the portfolio is valued by an independent valuer at least every three years. In practice, properties may be valued more frequently than every three years primarily where there may have been a material movement in the market and where there is a significant variation between the carrying value and the internal valuation.

Independent valuations are performed by independent and external valuers who hold a recognised relevant professional qualification and have specialised expertise and experience in the location and types of investment properties valued.

#### Valuation technique

##### *Capitalisation method*

Capitalisation rate is an approximation of the ratio between the net operating income produced by an investment property and its fair value. This excludes consideration of costs of acquisition or disposal. The net income is capitalised in perpetuity from the valuation date at an appropriate investment yield. The adopted percentage rate investment yield reflects the capitalisation rate and includes consideration of the property type, location and comparable sales.

##### *Discounted cash flows (DCF)*

Under the DCF method, a property's fair value is estimated using explicit assumptions regarding the benefits and liabilities of ownership over the asset's life including an exit or terminal value. The DCF method involves the projection of a series of cash flows on a real property interest. The cash flow projections reflect tenants currently in occupation or are contracted to meet lease commitments or are likely to be in occupation based on the market's general perception and relevant available market evidence. To this projected cash flow series, an appropriate discount rate is applied to establish the present value of the income stream associated with the property. The discount rate is the rate of return used to convert a monetary sum, payable or receivable in the future, into present value. The rate is determined based on market evidence.

All property investments are categorized as level 3 in the fair value hierarchy. There were no transfers between the hierarchies during the year.

##### *Sensitivity Information*

The key unobservable inputs to measure the fair value of investment properties are disclosed below along with sensitivity to a significant increase or decrease set out in the following table:

	Fair value measurement sensitivity to increase in input	Fair value measurement sensitivity to decrease in input
Discount rate (%)	Decrease	Increase
Terminal yield (%)	Decrease	Increase
Capitalisation rate (%)	Decrease	Increase

For personal use only

# ELANOR COMMERCIAL PROPERTY FUND

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### 6. Investment properties (continued)

#### *Sensitivity Analysis*

When calculating the income capitalisation approach, the net property income has a strong inter-relationship with the adopted capitalisation rate given the methodology involves assessing the total income receivable from the property and capitalising this in perpetuity to derive a capital value. In theory, an increase in the income and an increase (softening) in the adopted capitalisation rate could potentially offset the impact to the fair value. The same can be said for a decrease in the income and a decrease (tightening) in the adopted capitalisation rate. A directionally opposite change in the income and the adopted capitalisation rate could potentially magnify the impact to the fair value.

When assessing a discounted cash flow, the adopted discount rate and adopted terminal yield have a strong interrelationship in deriving a fair value given the discount rate will determine the rate at which the terminal value is discounted to the present value. The impact on the fair value of an increase (softening) in the adopted discount rate could potentially offset the impact of a decrease (tightening) in the adopted terminal yield. The same can be said for a decrease (tightening) in the adopted discount rate and an increase (softening) in the adopted terminal yield. A directionally similar change in the adopted discount rate and adopted terminal yield could potentially magnify the impact to the fair value.

The adopted forecast net property income in the discounted cash flow is reflective of existing lease terms and other market data. Assets with higher WALE and occupancy rates improve net property income resulting in higher cash flow forecasts. The increased forecasted cash flow increases the fair value of the property.

	Fair value measurement sensitivity			
	Increase by	Decrease by	Increase by	Decrease by
	0.25%	0.25%	0.25%	0.25%
	\$'000	\$'000	%	%
Discount rate (%)	(13,157)	13,726	(3.1)	3.2
Terminal yield (%)	(14,387)	16,097	(3.4)	3.8
Capitalisation rate (%)	(13,736)	14,611	(3.2)	3.4

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### 7. Equity accounted investments

#### OVERVIEW

This note provides an overview and detailed financial information of the Group's investments that are accounted for using the equity method of accounting.

(a) Interest in associate

	Principal activity	Percentage Ownership	Consolidated Group 30 June 2025 \$'000
Harris Property Trust	Commercial office building	49.90%	12,580
<b>Total equity accounted investment</b>			<b>12,580</b>

	Principal activity	Percentage Ownership	Consolidated Group 30 June 2024 \$'000
Harris Property Trust	Commercial office building	49.90%	17,222
<b>Total equity accounted investment</b>			<b>17,222</b>

The carrying amount of equity investments at the beginning and end of the current year is set out below:

	Consolidated Group 30 June 2025 \$'000	Consolidated Group 30 June 2024 \$'000
Carrying amount at the beginning of the period	17,222	31,614
Share of loss from equity accounted investment <sup>1</sup>	(4,642)	(14,164)
Distribution received	–	(228)
<b>Total carrying value at the end of the period</b>	<b>12,580</b>	<b>17,222</b>

<sup>1</sup> Share of loss from equity accounted investment of \$4.2 million (\$13.2 million in 2024) on the face of the Statement of Profit or Loss includes amortisation from the Manager Contribution of \$0.93 million in addition to the figure above.

<b>Total Liabilities</b>	<b>122,545</b>	<b>107,658</b>
Contributed equity	87,100	87,100
Accumulated losses	(61,890)	(52,588)
<b>Total Equity</b>	<b>25,210</b>	<b>34,512</b>

	Harris Property Trust	
	30 June 2025	30 June 2024
	\$'000	\$'000
<b>Financial performance</b>		
Revenue	11,609	10,010
Loss for the period	(9,300)	(28,388)
Other comprehensive income for the period	–	–
<b>Total comprehensive loss for the period</b>	<b>(9,300)</b>	<b>(28,388)</b>

There are no capital commitments (30 June 2024: nil) at 30 June 2025 for Harris Property Trust.

There are no contingent liabilities (30 June 2024: nil) at 30 June 2025 for Harris Property Trust.

Reconciliation of the above summarised financial information to carrying amount of the interest in the material associate recognised in the financial statements:

	Harris Property Trust	
	30 June 2025	30 June 2024
	\$'000	\$'000
Net assets of the associate	25,210	34,512
Proportion of the Group's ownership interest	49.90%	49.90%
Group's share of net assets of the associates	12,580	17,222
<b>Carrying amount of the Group's interest</b>	<b>12,580</b>	<b>17,222</b>

An assessment has been performed for Harris Property Trust to ensure the underlying property asset has been recognised at fair value, in accordance with the Group's accounting policy and methodology for fair value measurement of Investment Properties as described in Note 6. The Harris Property Trust asset was internally valued 30 June 2025 at a value of \$138.0 million.

At balance date, no impairment loss has been recognised with respect to Harris Property Trust.

# ELANOR COMMERCIAL PROPERTY FUND

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### 7. Equity accounted investments (continued)

#### ACCOUNTING POLICY

##### Investment in associates and joint ventures

An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policy decisions.

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

Management of the Group reviewed and assessed the classification of the Group's investment in the associated entities in accordance with AASB 128 on the basis that the Group has significant influence over the financial and operating policy decisions of the investee.

The results, and assets and liabilities of associates or joint ventures are incorporated in these financial statements using the equity method of accounting, except when the investment, or a portion thereof, is classified as held for sale, in which case it is accounted for in accordance with AASB 5. Under the equity method, an investment in an associate or a joint venture is initially recognised in the statement of financial position at cost and adjusted thereafter to recognise the Group's share of the profit or loss and other comprehensive income of the associate or joint venture. When the Group's share of losses of an associate or a joint venture exceeds the Group's interest in that associate or joint venture (which includes any long-term interests that, in substance, form part of the Group's net investment in the associate or joint venture), the Group discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate or joint venture.

Investments in associates and joint ventures are assessed for impairment when indicators of impairment are present. When necessary, the entire carrying amount of the investment (including goodwill) is tested for impairment in accordance with AASB 136 *Impairment of Assets* as a single asset by comparing its recoverable amount (higher of value in use and fair value less costs to sell) with its carrying amount. Any impairment loss recognised forms part of the carrying amount of the investment. Any reversal of that impairment loss is recognised in accordance with AASB 136 to the extent that the recoverable amount of the investment subsequently increases.

An assessment has been performed for Harris Property Trust to ensure the underlying property asset has been recognised at fair value, in accordance with the Group's accounting policy and methodology for fair value measurement of Investment Properties as described in Note 6 above.

At balance date, no impairment loss has been recognised with respect to the Group's associate.

When an entity transacts with an associate or a joint venture of the Group, profits and losses resulting from the transactions with the associate or joint venture are recognised in the Group's financial statements only to the extent of interests in the associate or joint venture that are not related to the Group.

Contribution from manager <sup>1</sup>	835	1,762	-	-
<b>Total other non-current liability</b>	<b>835</b>	<b>1,762</b>	<b>-</b>	<b>-</b>

<sup>1</sup> On 24 May 2022, the Elanor Investors Group made an \$8.4m contribution to the Fund as part of the 19 Harris Street acquisition. Under the Australian Accounting Standards, this contribution was recognised as a contract liability upon initial recognition and \$3.8m of the liability was utilised to offset transaction costs. The remaining balance is released to Statement of Profit or Loss over a 5-year period.

#### ACCOUNTING POLICY

Trade and other payables represent liabilities and accrued expenses owing by the Fund at year end which are unpaid. The amounts are unsecured and usually paid within 30 days of recognition. Trade and other payables are recognised at amortised cost and normal commercial terms and conditions apply to payables.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### Finance and Capital Structure

This section provides further information on the Fund's debt structure and financial risk management in respect of its exposure to credit, liquidity and market risks.

### 9. Interest bearing liabilities

#### OVERVIEW

The Fund has access to debt facilities totalling \$214.7 million, which comprise of three secured debt facilities (\$80.0 million, \$75.0 million and \$39.7 million), and a \$20.0 million capex facility, which will all mature on 31 August 2026.

The total drawn amount at 30 June 2025 is \$194.7 million. The weighted average debt facility maturity at year end is 1.17 years with an average all-in cost of debt of 4.39% p.a. At 30 June 2025, the interest rate risk of drawn facilities is hedged to 76.9%. The fair value of the debt facilities is \$196.0 million which is calculated by discounted cash flows using each facility's current borrowing rate.

The Group's borrowings are subject to financial covenants, including but not limited to:

- Loan to value ratio not exceeding 52.5%
- Interest coverage ratio of at least 2.0x

The Group has complied with the debt covenants throughout the year. Debt covenant forecasts for these two covenants have been performed, and there are no indications that the Funds will not continue to comply until the next testing period.

ECF's secured debt facility agreement contains clauses whereby an event of default is triggered if there is a change in the majority of the board of directors of the responsible entity or a change in persons having voting power of more than 50% of the securities in the Fund without prior written consent of the lender. In the event of a takeover as outlined in the "Events occurring after reporting date" note below, if lender consent is not obtained, or alternatively, if the Lederer Group does not refinance the debt facility currently in place, the secured debt facility could become immediately due and payable. At the time of signing, the likelihood of the success of the takeover offer and the plans of the Lederer Group as regards to the Fund's debt facility are not known.

	Consolidated Group 30 June 2025 \$'000	Consolidated Group 30 June 2024 \$'000	ECPF II 30 June 2025 \$'000	ECPF II 30 June 2024 \$'000
<b>Current</b>

<b>Total non-current</b>	<b>194,496</b>	<b>124,855</b>	<b>14,128</b>	<b>7,395</b>
<b>Total interest bearing liabilities</b>	<b>194,496</b>	<b>194,855</b>	<b>14,128</b>	<b>14,122</b>

During the year, the Fund has complied with all debt covenants as required by its loan agreements.

# ELANOR COMMERCIAL PROPERTY FUND

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### 9. Interest bearing liabilities (continued)

#### ACCOUNTING POLICY

Interest bearing liabilities are recognised initially at cost, being the fair value of the consideration received net of transaction costs associated with the borrowing. Subsequent to initial recognition, interest bearing liabilities are recognised at amortised cost using the effective interest method. Under the effective interest method, any transaction fees, costs, discounts and premiums directly related to the borrowings are recognised in the statement of profit or loss over the expected life of the borrowings.

Interest bearing liabilities are classified as current liabilities where the liability has been drawn under a financing facility which expires within one year. Amounts drawn under financial facilities which expire after one year are classified as non-current where the Fund has an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date.

For personal use only

# ELANOR COMMERCIAL PROPERTY FUND

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### 10. Derivative financial instruments

#### OVERVIEW

The Fund's derivative financial instruments consist of interest rate swap contracts to hedge its exposure to movements in variable interest rates. The interest rate swap agreements allow the Fund to raise long term borrowings at a floating rate and effectively swap them into a fixed rate.

	Consolidated Group 30 June 2025 \$'000	Consolidated Group 30 June 2024 \$'000	ECPF II 30 June 2025 \$'000	ECPF II 30 June 2024 \$'000
<b>Current assets</b>				
Interest rate swaps	1,314	3,061	28	154
<b>Non-current assets</b>				
Interest rate swaps	165	2,887	5	140
<b>Total derivative financial instruments</b>	<b>1,479</b>	<b>5,948</b>	<b>33</b>	<b>294</b>

#### (a) Valuation

The fair value of interest rate swaps is calculated as the present value of the estimated future cash flows based on observable yield curves (level 2). The interest rate swap hedges interest rate risk on the Fund's debt facilities.

All of the resulting fair value estimates are included in Level 2. The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

The fair value of derivatives has been determined with reference to market observable inputs for contracts with similar maturity profiles. The valuation is a present value calculation which incorporates fixed rate and forward interest rate curves.

#### (b) Hedging

##### *Instruments used by the Group*

Interest rate swaps are currently in place to hedge 76.9% of the variable loan principal outstanding. The fixed interest rate of the swaps range between 0.87% to 3.04% (2024: 0.76% to 3.04%) and variable rates of the loans range between 3.78% to 4.48% (2024: 4.00% to 4.42%) in addition to a fixed line fee of 1.45%.

The swaps contracts require settlement of net interest receivable or payable every 90 days. The settlement dates coincide with the dates on which interest is payable on the underlying debt.

As result any fair value movement of the interest rate swaps are recognised in the profit and loss.

#### ACCOUNTING POLICY

Derivatives are initially recognised at fair value at the date the derivative contract is entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in profit or loss immediately.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### 12. Financial Risk Management

#### OVERVIEW

The Fund's principal financial instruments comprise cash, receivables, capital notes, interest bearing loans, derivatives, payables and distribution payables. The Fund's activities are exposed to a variety of financial risks: market risk (including interest rate risk); credit risk; and liquidity risk.

This note presents information about the Fund's exposure to each of the above risks, the Fund's objectives, policies and processes for measuring and managing risk and the Fund's management of capital. Further quantitative disclosures are included through these financial statements.

The Board of Directors (Board) of the Responsible Entity of the Fund has overall responsibility for the establishment and oversight of the Fund's risk management framework. The Board is responsible for monitoring the identification and management of key risks to the business.

The Board has established a Risk Management Framework outlining principles for overall risk management covering specific areas, such as mitigating foreign exchange, interest rate and liquidity risks. The Risk Management Framework provides a framework to identify and manage financial risks with a key philosophy of risk mitigation. Derivatives are exclusively used for hedging purposes, not as trading or other speculative instruments. The Fund uses derivative financial instruments such as interest rate swaps where possible to hedge certain risk exposures.

The Fund uses different methods to measure different types of risk to which it is exposed. These methods include sensitivity analysis in the case of interest rate risk, ageing analysis for credit risk and cash flow forecasting for liquidity risk.

There have been no other significant changes in the types of financial risks or the Fund's risk management program (including methods used to measure the risks).

#### (a) Market risk

Market risk refers to the potential for changes in the value of the Group's financial instruments or revenue streams from changes in market prices. There are various types of market risks to which the Group is exposed including those associated with interest rates, currency rates and equity market price.

#### (b) Interest rate risk

Interest rate risk refers to the potential fluctuations in the fair value or future cash flows of a financial instrument because of changes in market interest rates.

As at reporting date, the Fund had the following undiscounted (including future interest payable) interest bearing assets and liabilities:

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### 12. Financial Risk Management (continued)

#### (c) Interest rate sensitivity

At reporting date, if Australian interest rates had been 1% higher / lower and all other variables were held constant, the impact on the Group in relation to cash and cash equivalents, derivatives, interest bearing loans and the Fund's profit and equity would be:

Consolidated Group 30 June 2025	Amount \$'000	Increase by 1%		Decrease by 1%	
		Profit/ (loss) \$'000	Equity \$'000	Profit/ (loss) \$'000	Equity \$'000
Cash and cash equivalents	10,462	105	–	(105)	–
Derivative financial instruments	1,479	1,497	–	(1,497)	–
Capital notes	40,150	402	–	(402)	–
Interest bearing loans	194,496	(1,945)	–	1,945	–
<b>Total increase/(decrease)</b>		<b>59</b>	<b>–</b>	<b>(59)</b>	<b>–</b>

Consolidated Group 30 June 2024	Amount \$'000	Increase by 1%		Decrease by 1%	
		Profit/ (loss) \$'000	Equity \$'000	Profit/ (loss) \$'000	Equity \$'000
Cash and cash equivalents	7,675	77	–	(77)	–
Derivative financial instruments	5,948	1,497	–	(1,497)	–
Interest bearing loans	194,855	(1,949)	–	1,949	–
<b>Total (decrease)/increase</b>		<b>(375)</b>	<b>–</b>	<b>375</b>	<b>–</b>

Of the \$194.7 million floating rate interest bearing loans, \$149.7 million or 76.9% of this amount was hedged using interest rate swap agreements. These agreements are in place to swap the floating interest rate payable to a fixed rate to minimise the interest rate risk.

ECPF II 30 June 2025	Amount \$'000	Increase by 1%		Decrease by 1%	
		Profit/ (loss) \$'000	Equity \$'000	Profit/ (loss) \$'000	Equity \$'000
Cash and cash equivalents	663	7	–	(7)	–
Derivative financial instruments	33	106	–	(106)	–
Interest bearing loans	14,128	(141)	–	141	–
<b>Total (decrease)/increase</b>		<b>(28)</b>	<b>–</b>	<b>28</b>	<b>–</b>

ECPF II 30 June 2024	Amount \$'000	Increase by 1%		Decrease by 1%	
		Profit/ (loss) \$'000	Equity \$'000	Profit/ (loss) \$'000	Equity \$'000
Cash and cash equivalents	191	2	–	(2)	–
Derivative financial instruments	294	106	–	(106)	–
Interest bearing loans	14,122	(141)	–	141	–
<b>Total decrease/(increase)</b>		<b>(33)</b>	<b>–</b>	<b>33</b>	<b>–</b>

Of the \$14.1 million floating rate interest bearing loans, \$10.6 million or 75.0% of this amount was hedged using interest rate swap agreements. These agreements are in place to swap the floating interest rate payable to a fixed rate to minimise the interest rate risk.

# ELANOR COMMERCIAL PROPERTY FUND

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### 12. Financial Risk Management (continued)

#### (d) Credit risk

Credit risk represents the loss that would be recognised if counterparties failed to perform as contracted. The Fund manages credit risk on receivables by performing credit reviews of prospective debtors, obtaining collateral where appropriate and performing detailed reviews on any debtor arrears. Credit risk on derivatives is managed through limiting transactions to investment grade counterparties.

The Group applied the AASB 9 *Financial Instruments* simplified approach using the provision matrix for measuring the expected credit losses (ECL) which uses a lifetime expected loss allowance. The ECL calculation is based on assumptions about risk of default and expected loss rates. The Group has considered the following in assessing the expected credit loss: ageing of the debtor's balances, tenant payment history, assessment of the tenant's financial position, existing market conditions and forward-looking estimates.

At balance date, the Fund has recognised a provision for expected credit losses of \$0.37 million. This provision reflects the amount of tenant rental arrears at balance date that is likely to be waived in respect of past occupancy and also includes any additional amount relating to arrears at balance date that has been assessed to have credit risk in respect of the financial position of the tenant.

#### *Exposure to credit risk*

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk at the reporting date was:

	Consolidated Group 30 June 2025 \$'000	Consolidated Group 30 June 2024 \$'000	ECPF II 30 June 2025 \$'000	ECPF II 30 June 2024 \$'000
Cash and cash equivalents	10,462	7,675	663	191
Receivables	1,277	809	133	352
<b>Total</b>	<b>11,739</b>	<b>8,484</b>	<b>796</b>	<b>543</b>

Where entities have a right of set-off and intend to settle on a net basis under netting arrangements, this set-off has been recognised in the financial statements on a net basis. Details of the Fund's contingent liabilities are disclosed in Note 16.

For personal use only

# ELANOR COMMERCIAL PROPERTY FUND

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### 12. Financial Risk Management (continued)

#### (d) Credit risk (continued)

At balance date there were no other significant concentrations of credit risk. No allowance has been recognised for the GST from the taxation authorities. Based on historical experience, there is no evidence of default from these counterparties which would indicate that an allowance was necessary.

#### *Impairment losses*

The ageing profile of the receivables balance as at 30 June 2025 is as follows:

	Consolidated Group 30 June 2025 \$'000	Consolidated Group 30 June 2024 \$'000	ECPF II 30 June 2025 \$'000	ECPF II 30 June 2024 \$'000
Current	1,137	592	38	76
Past due 31-61 days	204	229	86	51
Past due 61+ days	309	116	47	138
<b>Total</b>	<b>1,650</b>	<b>937</b>	<b>171</b>	<b>265</b>
Provision for expected credit losses	(373)	(128)	(37)	–
<b>Net trade and other receivables</b>	<b>1,277</b>	<b>809</b>	<b>134</b>	<b>265</b>

#### (e) Capital risk management

The Fund maintains its capital structure with the objective to safeguard its ability to continue as a going concern, to increase the returns for securityholders and to maintain an optimal capital structure. The capital structure of the Fund consists of equity as listed in Note 11.

The Fund assesses its capital management approach as a key part of the Fund's overall strategy and it is continuously reviewed by management and the Directors of the Responsible Entity.

To achieve the optimal capital structure, the Board may use the following strategies: amend the distribution policy of the Fund; issue new units through a private placement; conduct a buyback of units; acquire debt; or dispose of investment properties.

#### (f) Liquidity risk

The Group manages liquidity risk by maintaining sufficient cash including working capital and other reserves, as well as through securing appropriate committed credit facilities.

The following are the undiscounted contractual cash flows of derivatives and non-derivative financial liabilities shown at their nominal amount (including future interest payable).

For personal use only

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### 13 Capital Notes

#### OVERVIEW

On 31 November 2024, the Fund acquired 38,313 capital notes that are unsecured hybrid securities that were issued by the Harris Street Fund (note that the Fund holds a 49.9% interest in Harris Street, refer to note 7 for further details). The notes were issued at a value of \$1,000 per note and total of \$38.3 million.

	Capital Notes 30 June 2025 (units)	Capital Notes 30 June 2024 (units)	Consolidated Group 30 June 2025 \$'000	Consolidated Group 30 June 2024 \$'000
Opening balance	-	-	-	-
Capital notes additions	38,313	-	38,313	-
Accrued interest	-	-	1,838	-
Net fair value adjustments	-	-	(1)	-
<b>Total capital notes</b>	<b>38,313</b>	<b>-</b>	<b>40,150</b>	<b>-</b>

Key terms of the capital notes are as follows:

- Maturity date: 30 June 2027
- Cash coupon: 5.00% p.a., payable quarterly in arrears for each calendar quarter ending 31 March, 30 June, 30 September and 31 December
- PIK coupon: 7.5% p.a., capitalising quarterly in arrears as at 31 March, 30 June, 30 September and 31 December paid on redemption
- Redemption premium: Noteholders will receive a premium on redemption equal to 10% of the difference between the Exit Price less the property valuation on the date of the notes issuance of \$138 million. The exit price is equal to:
  - Sales proceeds received by the Harris Property Trust under a sale contract of the property, less any transaction costs associated with the sale of the property; or
  - If the property is not sold, the value assessed by an independent valuer dated no earlier than 3 months prior to the redemption date.

#### ACCOUNTING POLICY

##### Recognition and measurement

Capital Notes are measured at fair value through profit and loss under AASB 9 *Financial instruments*. Interest income, including both cash and PIK components, will be recognised on an accrual basis, with fair value movements separately identified in profit or loss. The fair value measurement for capital notes has been categorised as Level 3 in the fair value hierarchy because they are valued using unobservable inputs.

Fair value is defined as the price at which an asset or liability could be exchanged in an arm's length transaction between knowledgeable, willing parties, other than in a forced or liquidation sale.

Capital notes are categorised as level 3 in the fair value hierarchy. The valuation of these instruments relies on significant unobservable inputs, which require judgment and estimation by management.

For personal use only

# ELANOR COMMERCIAL PROPERTY FUND

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### Valuation process

The fair value is determined using a discounted cash flow model, which incorporates:

- Discount rate: Based on market conditions and risk premiums
- Credit spreads: Adjusted for issuer-specific risk
- Redemption premium valuation: The redemption premium has been determined based on a probability weighted scenario analysis based on the exit value of Harris Street

### Valuation technique

#### *Discounted cash flows (DCF)*

Under the DCF method, the fair value of the capital notes are estimated using explicit assumptions regarding the discount rate and also the terminal value of the Harris Street property over the life of the capital notes. The DCF method involves the projection of a series of cash flows which reflect the cash and PIK coupon interest rate payments. To this projected cash flow series, an appropriate discount rate is applied to establish the present value of the income stream associated with the notes. The discount rate is the rate of return used to convert a monetary sum, payable or receivable.

#### *Sensitivity information*

The valuation methodology relies on several key market inputs and assumptions. The discount rate construction begins with the risk-free rate derived from government bond yields for the relevant term. Credit spread assessment incorporates analysis of comparable subordinated real estate debt instruments, adjusting for specific features of this transaction including the security position and property metrics.

Property value assumptions are particularly critical for the valuation of the redemption premium. The current expected exit price embedded within the model is based on detailed market analysis and specific property factors. This includes consideration of the Pymont market dynamics, tenant profile, and broader commercial property market conditions.

	Fair value measurement sensitivity to increase	Fair value measurement sensitivity to decrease
Discount rate including credit spread(%)	Decrease	Increase
Harris Street Property Exit Value (\$)	Increase	Decrease

	Range of inputs	Probability weighted Average
Discount rate including credit spread(%)	14.64% - 14.96%	14.64% - 14.96%
Harris Street Property Exit Value (\$)	\$138m - \$138m	\$138m

### Other Items

This section provides information that is not directly related to the specific line items in the consolidated financial statements, including information about contingent liabilities, related parties, events after the end of the reporting year, remuneration of auditors and changes in accounting policies and disclosures.

## 14. Related parties

### OVERVIEW

Related parties are persons or entities that are related to the Fund as defined by AASB 124 *Related Party Disclosures*. This note provides information about transactions with related parties during the year.

#### (a) Key management personnel

##### *Responsible Entity*

Elanor Funds Management Limited is the Responsible Entity of the Fund and is the Key Management Personnel (KMP) of the Fund.

##### *Directors of the Responsible Entity*

The Directors of Elanor Funds Management Limited are:

- Ian Mackie (Chair)
- Anthony (Tony) Fehon (Director, and appointed as Managing Director on 9 September 2024)
- Glenn Willis (resigned as Managing Director and Chief Executive Officer on 9 September 2024)
- Nigel Ampherlaw (resigned on 23 September 2024)
- Su Kiat Lim
- Karyn Baylis
- Victor Rodriguez (resigned on 3 September 2024)
- Kathy Ostin

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### 14. Related parties (continued)

#### Key Management Personnel

In addition to the Directors, the following persons were Key Management Personnel of the Responsible Entity with the authority for the strategic direction of the Fund:

- David Burgess – Fund Manager (resigned as Fund Manager on 16 February 2025)
- John d’Almeida – Fund Manager (appointed as Fund Manager on 16 February 2025)
- Symon Simmons – Chief Financial Officer
- Paul Siviour (Resigned 9 September 2024)

#### Remuneration of Management Personnel

Compensation is paid to the Responsible Entity in the form of fees and is disclosed below. No other amounts are paid by the Fund directly or indirectly to the Management Personnel for services provided to the Fund.

The Directors of the Responsible Entity and other management personnel are paid by the Responsible Entity. Payments made from the Fund to the Responsible Entity do not include any amounts attributable to the compensation of key management personnel.

Consequently, no compensation as defined in AASB 124 *Related Party Disclosures*, is paid by the Fund to its Management Personnel, other than that paid to the Responsible Entity.

#### Related party disclosure

During the year, fees were incurred by the Fund to Elanor Investors Group and its controlled entities, in accordance with the Constitution of each Scheme, including management fees and cost recoveries.

	Consolidated Group 30 June 2025	Consolidated Group 30 June 2024	ECPF II 30 June 2025	ECPF II 30 June 2024
<b>Fees paid to Elanor Investors Group and its controlled entities:</b>	<b>\$</b>	<b>\$</b>	<b>\$</b>	<b>\$</b>

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### 14. Related parties (continued)

#### Related party holdings

Directors and other Key Management Personnel of the Responsible Entity and of its related entities may hold investments in the Fund. Such investments were purchased on normal commercial terms and were at arm's length. The number of securities held by Directors and other Key Management Personnel are as follows:

	30 June 2025
	No. of fully paid units
Investment held by Elanor Investment Trust	–
Investment held by Directors and Other Management Personnel	350,819
<b>Total</b>	<b>350,819</b>

  

	30 June 2024
	No. of fully paid units
Investment held by Elanor Investment Trust	39,755,650
Investment held by Directors and Other Management Personnel	405,711
<b>Total</b>	<b>40,161,361</b>

#### Cross-Staple Loan

The Fund has applied the ECL model under AASB 9 *Financial Instruments* to its unsecured intercompany loan receivable with ECPF II. An impairment provision as the 12-month ECL has been assessed at balance date. Despite the current economic environment, there has been no history of defaults and management has determined that there has not been a significant increase in credit risk on the intercompany loan since its inception as ECPF I. ECPF I maintains a strong capital position and forecasts sufficient cash flows to repay the loan to ECPF II on expiry. There is no impact on the Fund as this loan eliminates on consolidation.

### 15. Non-cancellable operating lease receivables

#### OVERVIEW

This note sets out the non-cancellable operating lease receivables of the Fund and the ECPF II.

	Consolidated Group 30 June 2025 \$'000	Consolidated Group 30 June 2024 \$'000	ECPF II 30 June 2025 \$'000	ECPF II 30 June 2024 \$'000

# ELANOR COMMERCIAL PROPERTY FUND

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### 16. Unrecognised items

#### OVERVIEW

Items that have not been recognised on the Fund's balance sheet, including contractual commitments for future expenditure and contingent liabilities which are not sufficiently certain to qualify for recognition as a liability on the balance sheet, are defined as unrecognised items. This note provides details of any such items.

#### (a) Contingent liabilities

The Directors are not aware of any material contingent liabilities of the Fund as at 30 June 2025 (30 June 2024: nil).

#### (b) Commitments

The Fund has commitments of \$0.48 million as at 30 June 2025 (30 June 2024: \$2.24 million) in respect of capital expenditures contracted.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

### 18. Auditor's remuneration

#### OVERVIEW

PricewaterhouseCoopers are the independent auditors of the Fund and have provided audit and other non-assurance related services to the Group and the Trust during the year.

During the year, the following fees were paid or payable for services provided by the auditor of the Fund:

	Consolidated Group 30 June 2025 \$	Consolidated Group 30 June 2024 \$
<b>Audit services</b>		
Audit and review of financial reports	263,000	231,196
<b>Total services provided by PwC</b>	<b>263,000</b>	<b>231,196</b>

### 19. Subsequent events

On 4 August 2025, ECF received a letter from the Lederer Group stating that it intends to make an unsolicited off-market takeover offer ("Takeover Offer") to acquire all the stapled securities in the Fund and on 20 August 2025 a Bidder's Statement was released to the ASX. The Lederer Group intends, subject to certain conditions, to offer ECF security holders 70 cents in cash for each ECF stapled security they do not currently own. On 20 August 2025, the ECF Independent Board Committee responded to the Takeover Offer and recommended that security holders reject the offer and take no action.

The Directors of Responsible Entity are not aware of any other matter since the end of the period that has or may significantly affect the operations of the Fund, the result of those operations, or the state of the Fund's affairs in future financial periods that are not otherwise referred to in this Directors' Report.

### 20. Accounting policies

#### OVERVIEW

This note provides an overview of the Fund's accounting policies that relate to the preparation of the financial report as a whole and do not relate to specific items. Accounting policies for specific items in the balance sheet or statement of comprehensive income have been included in the respective note.

#### (a) Interest Income

Interest income is recognised as it accrues using the effective interest rate method.

#### (b) Expenses

All expenses, including the responsible entity's fees and custodian fees, are recognised in profit or loss on an accruals basis.

#### (c) Income Taxation

Under current legislation, the Fund is not subject to income tax as securityholders are presently entitled to the income of the Fund.

## DIRECTORS' DECLARATION

In accordance with a resolution of the Directors of Elanor Funds Management Limited, the responsible entity for Elanor Commercial Property Fund I and Elanor Commercial Property Fund II, we declare that in the opinion of the Directors:

- a) the financial statements and notes set out on pages 19 to 61 are in accordance with the *Corporations Act 2001* (Cth) including:
  - i. complying with Australian Accounting Standards, the *Corporations Regulations 2001* and other mandatory professional reporting requirements; and
  - ii. giving a true and fair view of the entity's financial position as at 30 June 2025 and of its performance, for the year ended 30 June 2025; and
- b) there are reasonable grounds to believe that the Consolidated Group and the ECPF II will be able to pay their debts as and when they become due and payable.
- c) the financial statements also comply with International Financial Reporting Standards as issued by the International Accounting Standards Board; and
- d) The Directors have been given the declarations by the Chief Executive Officer and Chief Financial Officer required by Section 295A of the *Corporations Act 2001* (Cth).

This declaration is made in accordance with a resolution of the Boards of Directors in accordance with Section 295(5) of the *Corporations Act 2001* (Cth).

## Independent auditor's report

To the stapled securityholders of Elanor Commercial Property Fund and the unitholders of Elanor Commercial Property Fund II

### Report on the audit of the financial report

#### Our opinion

In our opinion:

The accompanying financial report of:

- Elanor Commercial Property Fund, being the stapled entity, which comprises Elanor Commercial Property Fund I (ECPF I) and its controlled entities and Elanor Commercial Property Fund II (together the Consolidated Group) and
  - Elanor Commercial Property Fund II (ECPF II)
- a. giving a true and fair view of the Consolidated Group's and ECPF II's financial positions as at 30 June 2025 and of their financial performance for the year then ended
  - b. complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

#### What we have audited

The Consolidated Group's and ECPF II's financial reports comprise:

- the statements of financial position as at 30 June 2025
- the statements of profit or loss for the year then ended
- the statements of comprehensive income for the year then ended
- the statements of changes in equity for the year then ended
- the statements of cash flows for the year then ended
- the notes to the financial statements, including material accounting policy information and other explanatory information
- the directors declaration.

---

## Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial report* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## Independence

We are independent of the Consolidated Group and ECPF II in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial reports in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

---

## Emphasis of matter - Responsible Entity and Trustee

We draw attention to the 'Responsible Entity and Trustee' subsection within the 'About this report' section in the financial report which outlines events that may cast uncertainty about the ability of the Responsible Entity of ECPF I and ECPF II, being Elanor Funds Management Limited, to continue to act as the Responsible Entity of ECPF I and ECPF II. Our opinion is not modified in respect of this matter.

---

## Our audit approach

An audit is designed to provide reasonable assurance about whether the financial reports are free from material misstatement. Misstatements may arise due to fraud or error. They are considered material if individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial reports.

We tailored the scope of our audit to ensure that we performed enough work to be able to give an opinion on the financial reports as a whole, taking into account the geographic and management structure of the Consolidated Group and ECPF II, their accounting processes and controls and the industry in which they operate.

## Audit Scope

The principal activity of the Consolidated Group and ECPF II is the investment in Australian commercial properties, located in major metropolitan areas of established commercial precincts.

Our audit focused on where the Consolidated Group and ECPF II made subjective judgements; for example, significant accounting estimates involving assumptions and inherently uncertain future events.

In establishing the overall approach to the group audit, we determined the type of work that needed to be performed by us, as the group auditor.

## Key audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial reports for the current period. The key audit matters were addressed in the context of our audit of the financial reports as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Further, any commentary on the outcomes of a particular audit procedure is made in that context. We communicated the key audit matters to the Audit and Risk Committee.

### Key audit matter

### How our audit addressed the key audit matter

#### Valuation of investment properties

(Refer to note 6) The Consolidated Group's and ECPF II's property portfolio consisted of commercial office investment properties as at 30 June 2025.

Independent valuations were obtained for all 8 investment properties by independent and external valuers who hold a recognised relevant professional qualification. Key assumptions include the discount rate and capitalisation rate.

This was a key audit matter because of the:

- relative size of the investment property portfolio to net assets and related valuation movements, and
- inherent subjectivity of the key assumptions that underpin the valuations.

We agreed the adopted fair values of properties to the independent valuation report (together the 'valuations') and assessed the competency, capability and objectivity of the relevant independent valuer.

We met with management to understand specific aspects of the property portfolio including, amongst other things, any significant leasing activity, capital expenditure and vacancies impacting the portfolio.

We assessed the appropriateness of significant assumptions used in the valuations, including the discount rate and capitalisation rate, with reference to evidence in independent valuation reports and external market data where available.

For a sample of valuations, we traced the rental income used in the valuation to the tenancy schedule

For personal use only

**Key audit matter**

**How our audit addressed the key audit matter**

and in turn agreed the tenancy schedule to the underlying lease agreements.

We considered the reasonableness of the disclosures made in relation to the significant assumptions in light of the requirements of Australian Accounting Standards.

---

**Other information**

The directors of Elanor Funds Management Limited, the Responsible Entity of ECPF I and ECPF II (the directors) are responsible for the other information. The other information comprises the information included in the annual reports for the year ended 30 June 2025, but does not include the financial reports and our auditor's report thereon.

Our opinion on the financial reports do not cover the other information and accordingly we do not express any form of assurance conclusion thereon through our opinion on the financial reports.

In connection with our audit of the financial reports, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial reports or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

---

**Responsibilities of the directors for the financial reports**

The directors are responsible for the preparation of the financial reports in accordance with Australian Accounting Standards and the *Corporations Act 2001*, including giving a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of the financial reports that are free from material misstatement, whether due to fraud or error.

In preparing the financial reports, the directors are responsible for assessing the ability of the Consolidated Group and ECPF II to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Consolidated Group and ECPF II or to cease operations, or have no realistic alternative but to do so.

---

### Auditor's responsibilities for the audit of the financial reports

Our objectives are to obtain reasonable assurance about whether the financial reports as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at:

[https://www.auasb.gov.au/admin/file/content102/c3/ar1\\_2020.pdf](https://www.auasb.gov.au/admin/file/content102/c3/ar1_2020.pdf). This description forms part of our auditor's report.
