#### 3. Background to Resolutions 1 to 4

On 25 July 2025, the Company announced that it had received firm commitments to raise approximately \$1.5 million before costs via a placement of 50,000,000 Shares (**Placement Shares**) at an issue price of \$0.03 (3 cents) per Placement Share (the **Placement**). Every two Placement Shares are to be accompanied by one free-attaching unlisted option (each with an exercise price of \$0.08 (8 cents) and expiring three years from issue) (**Placement Options**).

Euroz Hartleys Limited and Boston Road Capital acted as the **Brokers** of the Placement. The subscribers for Placement Shares and Placement Options are unrelated sophisticated investors identified by the Brokers or by the Company.

15,250,007 Placement Shares were issued on 30 July 2025 under the placement capacity available to the Company under Listing Rule 7.1 (9,150,000 Placement Shares) and Listing Rule 7.1A (6,100,007 Placement Shares). Resolution 1 seeks the approval of Shareholders to ratify the prior issue of the Placement Shares under and for the purposes of Listing Rule 7.4 and all other purposes.

The issue of the remaining 34,750,000 Placement Shares is subject to Shareholder approval. Resolution 2 seeks Shareholder approval to issue the remaining 34,750,000 Placement Shares under and for the purposes of Listing Rule 7.1 and all other purposes.

The issue of all Placement Options is subject to Shareholder approval. Resolution 3 seeks Shareholder approval to issue up to 25,000,003 Placement Options (on the basis of one Placement Option for every two Placement Shares) under and for the purposes of Listing Rule 7.1 and all other purposes.

The Company agreed to issue the Brokers (and/or their nominee(s)) an aggregate of 6,000,000 unlisted options with the same terms as Placement Options (**Broker Options**),

The Company seeks approval under Listing Rule 7.4 to refresh its capacity to make further issues without shareholder approval under Listing Rule 7.1 and/or 7.1A.

#### (e) Expiry Date

Any Performance Rights that have not vested in accordance with these terms on or before the expiry date will expire and automatically lapse and become incapable of vesting into Shares. Any Performance Rights that have vested in accordance with these terms but have not been exercised on or before the date that is the earlier of the expiry date or one year from the vesting date, will expire and automatically lapse and become incapable of converting into Shares.

#### (f) Timing of issue of Shares and quotation of Shares on achievement of Vesting Condition

Within 5 Business Days of the Board confirming a Vesting Condition has been achieved and receipt of a signed notice of exercise in accordance with the terms of the Company's employee securities incentive plan, the Company will:

- (a) issue, allocate or cause to be transferred to the Holder (or its nominee) the number of Shares to which the Holder is entitled;
- (b) if required, and subject to paragraph 7 below, give ASX a notice that complies with section 708A(5)(e) of the Corporations Act; and
- (c) do all such acts, matters and things to obtain the grant of quotation of the Shares by ASX in accordance with the Listing Rules.

All Shares issued upon the conversion of Performance Rights will upon issue rank equally in all respects with the then issued Shares.

#### (g) Restrictions on transfer of Shares

If the Company is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, Shares issued on conversion of a Performance Right may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Corporations Act.

#### (h) Change in Control

- (a) If prior to the earlier of the conversion of the Performance Rights or the Expiry Date a Change of Control Event occurs, then each Performance Right will automatically vest and immediately convert to a Share.
- (b) A Change of Control Event means:
  - (i) a takeover bid (as defined under the Corporations Act): upon the occurrence of the
    offeror under a takeover offer in respect of all the Shares announcing that it has
    achieved acceptances in respect of more than 50.1% of the Shares and that takeover
    bid has become unconditional (except any condition in relation to the cancellation or
    conversion of the Performance Rights); or
  - (ii) a court approval of a merger by way of scheme of arrangement (but shall not include a merger by way of scheme of arrangement for the purposes of a corporate restructure (including change of domicile, consolidation, sub-division, reduction or return of the issued capital of the Company)) provided such merger results in a change of control of more than 50% of the ordinary voting securities in the Company.

#### (i) Leaver

Where the Holder (or the person who is entitled to be registered as the holder) of the Performance Rights is no longer employed, or their engagement is discontinued (for whatever reason), with the Company, any unconverted and unvested Performance Rights will automatically lapse and be forfeited by the Holder, unless the Board otherwise determines in its discretion.

#### (j) Participation in new issues

There are no participation rights or entitlements inherent in the Performance Rights and a holder will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Performance Rights. However, the Company will give the holder notice of the proposed issue prior to the date for determining entitlements to participate in any such issue.

#### (k) Adjustment for bonus issues of Shares

If the Company makes a bonus issue of Shares or other securities to existing Shareholders (other than an issue in lieu or in satisfaction, of dividends or by way of dividend reinvestment), the number of Shares which must be issued on the vesting of a Performance Right will be increased by the number of Shares which the holder would have received if the Performance Right had vested before the record date for the bonus issue.

#### (I) Adjustments for reorganisation

If there is a reorganisation (including, without limitation, consolidation, sub-division, reduction or return) of the issued capital of the Company, the rights of a holder will be varied, as appropriate, in accordance with the ASX Listing Rules which apply to reorganisation of capital at the time of the reorganisation.

#### (m) Quotation of Performance Rights

The Performance Rights will be unquoted Performance Rights.

#### (n) Transfer

The Performance Rights are not transferable.

#### (o) Dividend and voting rights

A Performance Right does not entitle the Holder to vote or receive any dividends.

# (p) Return of capital rights

The Performance Rights do not confer any right to a return of capital, whether in a winding up, upon a reduction of capital or otherwise.

#### (q) Rights on winding up

A Performance Right does not entitle the holder to participate in the surplus profits or assets of the Company upon winding up of the Company.

#### (r) No other rights

- (a) A Performance Right does not give a Holder any rights other than those expressly provided by these terms and those provided at law where such rights at law cannot be excluded by these terms.
- (b) A Performance Right does not confer the right to a change in the number of underlying Shares over which the Performance Right can vest into.

#### (s) ASX

The Performance Rights shall otherwise have such terms as required by ASX.
