Item 2 – Remuneration Report

The Remuneration Report for the financial year ended 30 June 2025 is set out in the 2025 Annual Report as part of the Directors' Report. This report will be available at australianunity.com.au/companyperformance from mid-September.

The Remuneration Report includes:

- a discussion of the relationship between that policy and the Company's performance; and
- details of the performance conditions associated with the remuneration of Directors and Executives.

As outlined in section 250R(3) of the Corporations Act, the vote on this resolution is advisory only and does not bind the Directors or the Company. Members will be given a reasonable opportunity to ask questions and make comments on the report, and the Board will take the outcome of the vote into consideration when reviewing remuneration practices and policies.

Directors' recommendation

The Directors unanimously recommend that Eligible Guardian Members vote in favour of the resolution in Item 2.

Note: This resolution is proposed as an ordinary resolution. This resolution will only be passed if at least 50 percent of the votes cast by or on behalf of Eligible Guardian Members are cast in favour of the resolution.

Item 3 – Re-electing Directors

Under rule 4.3(a) of the Company's constitution, Directors are elected for a term of three years. Additionally, rule 4.5(b) provides that any Director appointed by the Board shall hold office only until the next AGM.

Dr Helen Nott has served as a Director for three years without re-election. She will retire at the conclusion of this AGM and offers herself for re-election. The Board considers her to be 'independent' as defined in the Australian Unity Limited Board Charter (**Independent**).

Lucinda Brogden AM has similarly served as a Director for three years without re-election. She will retire at the conclusion of the AGM and offers herself for re-election. The Board considers her to be Independent.

Prof Patricia O'Rourke was appointed a Director in the period since the 2024 AGM. She will retire at the conclusion of this AGM and offers herself for re-election. Appropriate background checks have been completed, including a 'Fit and Proper' assessment under APRA Prudential Standard CPS 520 *Fit and Proper*. No concerns were identified. The Board considers her to be Independent and has found no interest, position or relationship likely to materially influence her independent judgement or her capacity to act in the best interests of the Company.

Gordon Ballantyne was also appointed a Director in the period since the 2024 AGM. He will retire at the conclusion of this AGM and offers himself for re-election. Appropriate background checks have been completed, including a 'Fit and Proper' assessment under APRA Prudential Standard CPS 520 *Fit and Proper*. No concerns were identified. The Board considers him to be Independent and has found no interest, position or relationship likely to materially influence his independent judgement or his capacity to act in the best interests of the Company.

Australian Unity is committed to maintaining a high-quality board that reflects the optimal blend of skills, experience and diversity to effectively represent members and advance Australian Unity's purpose.

A summary of the board skills matrix is provided in the governance section of the 2025 Annual Report. The matrix sets out the key competencies and areas of experience the Board collectively aims to reflect in its composition. It serves as a framework to assess and align director capabilities with Australian Unity's strategic priorities.

The Board also undertakes regular self-assessments and conducts an annual performance evaluation to support continuous improvement. These processes inform the Board's approach to succession planning and the ongoing review of its composition.

Following a comprehensive consideration of the current mix of skills, experience, diversity and other attributes represented on the Board, the Directors not standing for re-election recommend the re-election of each non-executive director.

This resolution will involve four separate votes, each recorded as a separate item in the minutes:

- the first vote, to re-elect Dr Helen Nott as a Director;
- the second vote, to re-elect Lucinda Brogden AM as a Director;
- the third vote, to re-elect Prof Patricia O'Rourke as a Director; and
- the fourth vote, to re-elect Gordon Ballantyne as a Director.

Directors' recommendation

The remaining Directors (who are not up for re-election as part of each vote) support the re-election as Director of Dr Helen Nott, Lucinda Brogden AM, Prof Patricia O'Rourke and Gordon Ballantyne.

Note: These resolutions are proposed as ordinary resolutions. These resolutions will only be passed if at least 50 percent of the votes cast by or on behalf of Eligible Guardian Members are cast in favour of the resolution.

Item 4 – Non-executive director remuneration cap

Under the Company's constitution, the Board is responsible for determining the remuneration paid to non-executive directors, within an annual maximum aggregate amount approved by members at an AGM. This approved amount applies to each financial year and remains the same regardless of the number of non-executive directors. The Board also has the discretion to decide how the total amount is distributed among the directors.

To support the Company's governance and attract and retain talented board members, we are seeking member approval—under rule 4.14(a) of the Company's constitution—to increase the maximum annual aggregate amount of remuneration for non-executive directors by \$100,000. This would lift the cap from \$2,200,000 to \$2,300,000.

The current limit of \$2,200,000 was approved by members at the 2023 AGM. Since then, total annual remuneration paid to non-executive directors has remained within that approved amount.

Since the 2023 resolution, the Australian Unity Group (Group) has continued to experience significant expansion and increasing complexity in the environment in which it operates. Notably, the Board has overseen:

- the successful and ongoing development and execution of important social infrastructure projects including the Herston Quarter development in Brisbane, Queensland
- the acquisition and integration of the myHomeCare and IOOF life bonds businesses
- the sale of Australian Unity's banking business
- the ongoing movements resulting from the Company's strategy to exit fixed interest and commercial property assets, including the disposal of Australian Unity Investments Limited as responsible entity of the Property Income Fund and the divestment of management rights of Altius Asset Management
- the continued advocacy to Government and private health providers for sustainable and accessible private health insurance offerings, and
- the implementation of significant regulatory change in the aged care and financial services sectors.

These projects and the future strategy of the Company demand substantial and increasing time and effort commitments from our directors. Their dedication to providing an appropriate level of time to supporting Australian Unity's overall governance settings and upholding its commitment to community and social outcomes remains critical to the Group's continued success.

Historically, the Company has infrequently reviewed and increased director remuneration which has resulted in irregular increases. Consequently, this has led to seeking infrequent and irregular approval from members to increase the aggregate limit of non-executive director remuneration. The Company is now shifting to a preferred policy of annual remuneration reviews which will mean the Company will be seeking more regular approval from members of more modest increases.

To align with this shift, in 2025, the Company seeks to increase the non-executive director remuneration cap to \$2,300,000 per financial year (inclusive of any superannuation contributions payable by the Company on behalf of non-executive directors). This proposed increase will:

- enable the Board to have added flexibility to appoint an additional director as permitted under the Company's constitution, allowing the Group to further enhance its 'best practice' governance models;
- ensure the Board maintains the right levels of diversity, skill and experience appropriate for the breadth and depth of the Company;
- position the Board adequately to review and respond to emerging risks that may arise for the Group;
- enable Australian Unity to remunerate non-executive directors fairly and appropriately, reflecting the scale and complexity of the different businesses the Company operates and the depth and scale of responsibility Board members accept; and
- align with industry standards, enabling Australian Unity to attract and retain high-quality talent on the Board.

Under rule 4.14(a) of the Company's constitution, this aggregate limit may only be raised with the approval of members at an AGM of the Company.

Note: This resolution is proposed as an ordinary resolution. This resolution will only be passed if at least 50 percent of the votes cast by or on behalf of Eligible Guardian Members are cast in favour of the resolution.

Directors' recommendation

The Directors unanimously recommend that Eligible Guardian Members vote in favour of the resolution in Item 4.
