Explanatory Statement

This Explanatory Statement has been prepared for the information of Shareholders in relation to the business to be conducted at the Annual General Meeting.

The purpose of this Explanatory Statement is to provide Shareholders with all information known to the Company which is material to a decision on how to vote on the Resolutions in the accompanying Notice of Annual General Meeting.

This Explanatory Statement should be read in conjunction with the Notice of Annual General Meeting. Capitalised terms in this Explanatory Statement are defined in the Glossary.

1. Financial Statements and Reports

Shareholders are to receive and consider the Financial Statements, Directors' Report and the Auditor's Report of the Company for the financial year ended 30 June 2025.

Shareholders will be given the opportunity to ask questions of the Board and the Auditors in relation to the Annual Report for the financial year ended 30 June 2025 at the Meeting.

2. Resolution 1 – Adoption of the Remuneration Report

2.1 General

Pursuant to Section 250R(2) of the Corporations Act, the Company submits to Shareholders for consideration and adoption, by way of a non-binding resolution, its remuneration report for the year ended 2025 (the **Remuneration Report**). The Remuneration Report is a distinct section of the annual directors' report (the **Directors' Report**) which deals with the remuneration of Directors, executives and senior managers of the Company. More particularly, the Remuneration Report can be found within the Directors' Report in the Company's 2025 Annual Report. The Annual Report will be available on the Company's website at <https://aurisminerals.com.au> from the date it is lodged on the ASX platform.

By way of summary, the Remuneration Report:

- (a) explains the Company's remuneration policy and the process for determining the remuneration of its Directors and executive officers;
- (b) addresses the relationship between the Company's remuneration policy and the Company's performance; and
- (c) sets out the remuneration details for each Director and executive officer named in the Remuneration Report for the financial year ended 30 June 2025.

The remuneration levels for Directors, executives and senior managers are competitively set to attract and retain appropriate Directors and key management personnel.

The Chair of the Annual General Meeting will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on, the Remuneration Report.

The vote on Resolution 1 is advisory only and does not bind the Board or the Company. Notwithstanding, the Board will take the outcome of the vote into consideration when considering remuneration policy of the Company going forward.

2.2 Corporations Act requirements

The Corporations Act provides that Resolution 1 need only be an advisory vote of Shareholders and does not bind the Directors. However, the Corporations Act provides that if the Company's Remuneration Report resolution receives a "no" vote of 25% or more of votes cast at the Annual General Meeting, the Company's subsequent Remuneration Report must explain the Board's proposed action in response or, if the Board does not propose any action, the Board's reasons

for not making any changes. The Board will take into account the outcome of the vote when considering the remuneration policy, even if it receives less than a 25% “no” vote.

In addition, sections 250U and 250V of the Corporations Act sets out a “two strikes” re-election process, pursuant to which:

- (a) if, at an annual general meeting (**Later Annual General Meeting**), at least 25% of the votes cast on a resolution that the remuneration report be adopted are against the adoption of that remuneration report;
- (b) at the immediately preceding annual general meeting (**Earlier Annual General Meeting**), at least 25% of the votes cast on a resolution that the remuneration report be adopted were against the adoption of that remuneration report; and
- (c) a resolution was not put to the vote at the Earlier Annual General Meeting under an earlier application of section 250V of the Corporations Act,

then the Company must put to vote at the Later Annual General Meeting a resolution, requiring Shareholders to vote on whether the Company must hold another general meeting (**Spill Meeting**) to consider the appointment of all of the Directors at the time the Directors Report was approved by the Board who must stand for re-appointment (other than the Managing Director) (**Spill Resolution**). The Spill Resolution may be passed as an ordinary resolution.

If the Spill Resolution is passed, the Spill Meeting must be held within 90 days after the Spill Resolution is passed. All of the Company’s Directors who were Directors at the time when the resolution to make the Directors’ Report was passed (excluding the Managing Director of the Company who may, in accordance with the Listing Rules, continue to hold office indefinitely without being re-elected to the office) cease to hold office immediately before the end the Spill Meeting and may stand for re-election at the Spill Meeting.

At the Company’s 2024 annual general meeting, less than 25% of the eligible votes cast in respect of the 2024 remuneration report were cast against the adoption of the 2024 remuneration report. Accordingly, a Spill Resolution will not be put to the Meeting even if 25% or more of the votes cast in respect of the 2025 Remuneration Report are against the adoption of the 2025 Remuneration Report.

2.3 Resolution

Resolution 1 is an ordinary resolution to approve the Remuneration Report. The Remuneration Report is set out in the Directors’ report which forms part of the 2025 Annual Report.

The vote on Resolution 1 is advisory only and does not bind the Board or the Company. Notwithstanding, the Board will take the outcome of the vote into consideration when considering the remuneration policy of the Company going forward.

2.4 Directors’ recommendation

The Directors decline to make a recommendation as to how Shareholders should vote in respect of Resolution 1 as they each have an interest in the outcome of the Resolution.

3. Resolution 2 – Re-election of Mr Craig Hall as a Director

3.1 Background

In accordance with Listing Rule 14.5 and article 12.3(b) of the Company’s Constitution, at every annual general meeting an election of Directors must take place. Listing Rule 14.4 prevents a Director from holding office (without re-election) past the third annual general meeting following the Director’s appointment or 3 years, whichever is longer.

For this reason, Mr Craig Hall retires by way of rotation and, being eligible, offers himself for re-election as a Director.

Mr Hall was appointed as a Director on 1 August 2018 and was re-elected at the Company's 2023 annual general meeting. Mr Hall will retire at the Meeting, and being eligible will submit himself for re-election.

Resolution 2 is an ordinary resolution to approve the re-election of Craig Hall as a Director. If Resolution 2 is not passed, Mr Hall will not be re-elected to his current directorship position.

3.2 Listing Rule and constitutional requirements

Listing Rule 14.5 requires that an entity which has directors must hold an election of directors at each annual general meeting. The note to the rule provides that if no director is required to stand for re-election under Listing Rule 14.4, an entity must select at least one director to stand for re-election by calling for a volunteer or by drawing lots. This rule is substantially reflected in clause 12.3(b) of the Constitution.

Craig Hall will retire in accordance with Listing Rule 14.5 and clause 12.3(b)(iv) of the Constitution.

3.3 Qualifications and other material directorships

Mr Hall is an experienced geologist with over 30 years of minerals industry experience in exploration, development and production roles in a range of commodities, principally precious and base metals. He has held a variety of senior positions with mid-tier and junior sector resource companies within Australia and overseas.

Mr Hall has previously consulted to the minerals industry providing high quality exploration outcomes, on-site mining support, expert reporting, project valuations and strategic advice to companies through an association with a well-respected Western Australian resource consultancy.

Mr Hall is not currently a director of any other ASX-listed companies. He has previously been a director of Horseshoe Metals Ltd and Scorpion Minerals Ltd.

3.4 Independence

Mr Hall has no interests, position, association or relationship that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an independent judgement to bear on issues before the Board and to act in the best interest of the Company and its security holders generally.

If re-elected, the Board considers Mr Hall will be an independent Director.

3.5 Directors' recommendation

The Directors (other than Craig Hall) support the re-election of Mr Hall and recommend that Shareholders vote in favour of Resolution 2. Mr Hall declines to make a voting recommendation noting his interest in the Resolution.

4. Resolution 3 – Approval of Additional 10% Placement Facility

4.1 General

Listing Rule 7.1A enables eligible entities to issue Equity Securities of up to 10% of its issued ordinary share capital through placements over a 12 month period following the entity's annual general meeting (or, if earlier than 12 months, until the entity's next annual general meeting, or the time and date of an approval of the entity's shareholders of a transaction under Listing Rule 11.1.2 or 11.2) (**Additional 10% Placement Facility**). The Additional 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less, as at the time of the entity's annual general meeting. The Company meets the requirements of an eligible entity for

this purpose because it is not included in the S&P/ASX 300 Index and has a market capitalisation of less than \$300 million.

The Company is seeking a mandate to issue securities under the Additional 10% Placement Facility as it will give the Company the flexibility to raise additional working capital whilst preserving the Company's cash reserves.

Equity Securities issued under the Additional 10% Placement Facility must be the same as an existing class of Equity Securities of the Company quoted on ASX.

As at the date of this Notice, the Company has only one class of quoted Equity Securities on issue, being fully paid ordinary Shares.

The exact number of Equity Securities that the Company may issue under the Additional 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

4.2 Listing Rules requirements

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

4.3 Resolution

Resolution 3 seeks Shareholder approval to enable the Company to issue Equity Securities under the Additional 10% Placement Facility. The effect of Resolution 3 will be to allow the Directors to issue Equity Securities under Listing Rule 7.1A during the period set out below.

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at the Annual General Meeting (in person or by proxy).

4.4 Information required by Listing Rule 14.1A

If Resolution 3 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rule 7.1 and 7.1A without any further Shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

4.5 Listing Rule information requirements

The following information is provided in relation to Resolution 3, in accordance with Listing Rule 7.3A:

This is why the voting dilution is shown in each example as 10%. existing Shareholders' holdings do not change from the date of this Meeting to the date of the issue under the Additional 10% Placement Facility; the Company issues Shares only and does not issue other types of Equity Securities (such as Options) under the Additional 10% Placement Facility. the impact of placements under Listing Rule 7.1 or following the conversion of convertible securities (e.g. Options, Performance Rights) is not included in the calculations; and economic dilution (ED) is calculated using the following formula: $ED = (MP - (NMC / TS)) / MP$ where: MP = the market price of shares traded on ASX, expressed in dollars; MC = market capitalisation prior to issue of equity securities, being the MP multiplied by the number of shares on issue; NMC = notional market capitalisation, being the market capitalisation plus the NSV; NSV = new security value, being the number of new equity securities multiplied by the issue price of those equity securities; and TS = total shares on issue following new Equity Security issue.

YOUR NAME AND ADDRESS

The name and address shown above is as it appears on the Company's share register. If this information is incorrect, and you have an Issuer Sponsored holding, you can update your address through the investor portal: <https://investor.automic.com.au/#/home> Shareholders sponsored by a broker should advise their broker of any changes.

STEP 1 – APPOINT A PROXY

If you wish to appoint someone other than the Chair of the Meeting as your proxy, please write the name of that Individual or body corporate. A proxy need not be a Shareholder of the Company. Otherwise if you leave this box blank, the Chair of the Meeting will be appointed as your proxy by default.

DEFAULT TO THE CHAIR OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chair of the Meeting, who is required to vote these proxies as directed. Any undirected proxies that default to the Chair of the Meeting will be voted according to the instructions set out in this Proxy Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of Key Management Personnel.

STEP 2 - VOTES ON ITEMS OF BUSINESS

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Proxy Voting Forms together. If you require an additional Proxy Voting Form, contact Automic Registry Services.
