Invitation from the Chair

16 September 2025

Dear Shareholders,

I am pleased to invite you to the 2025 Annual General Meeting (**AGM**) of BHP Group Limited (**BHP**). The AGM will be held on Thursday 23 October 2025 at 10:00am (Melbourne time).

For those shareholders not able to join us in person, we invite you to participate in the meeting by submitting questions and your proxy vote in advance of the meeting. You may also watch the webcast live online at bhp.com/agm. Details can be found in this Notice of Meeting.

It is an honour and a privilege to be your new Chair. Your Board and I are excited about the future of this great company. I want to acknowledge the contribution of my predecessor, Ken MacKenzie, who led the Board as Chair for seven years and retired on 31 March 2025. I thank Ken for his outstanding service to the Board and BHP during his tenure. Ken leaves a lasting legacy at BHP.

Rewarding shareholders and building for the future

The company performed strongly in FY2025, generating significant cash flow. Healthy cash returns are important for shareholders, including the hundreds of thousands of retail shareholders who rely on BHP to support their income and retirement.

Over the past five years, BHP has delivered more than US\$50 billion in cash dividends to our shareholders. For FY2025, your Board determined dividends totalling 110 US cents a share.

This represents a total distribution to shareholders of US\$5.6 billion, or 55 per cent of the underlying attributable profit for FY2025.

As we have for the past 140 years, we continued to position BHP's portfolio to align to the global trends shaping our future."

For personal use only

Our performance allows us to plan for and invest in value adding growth projects. BHP has a strong growth pipeline of organic and greenfield projects in copper, iron ore and potash. Our growth strategy generates greater exposure to commodities that the world needs to reduce greenhouse gas emissions and, as the population grows, to urbanise and seek higher living standards.

As we have for the past 140 years, we continued to position BHP's portfolio to align to the global trends shaping our future. We have reshaped BHP's portfolio to increase our exposure to future-facing commodities and higher-quality steelmaking materials. Your company is well placed to meet the challenges of our rapidly changing world.

Board recommendation

The Board considers that all resolutions (Items 2 to 4) are in the best interests of BHP shareholders and recommends you vote in favour of those Items.

Thank you for your continued support of BHP. I encourage you to join us at the AGM and look forward to meeting with many of our shareholders in person on the day.

Yours sincerely

Ross McEwan

Explanatory Notes

Item 1

Financial Statements and reports

The Corporations Act requires BHP to lay before the AGM its financial report, Directors' Report and Auditor's Report for the financial year ended 30 June 2025.

This Item does not require a vote, but shareholders as a whole will be given a reasonable opportunity to ask questions or make comments about the management of BHP.

Ernst & Young (EY), BHP's Auditor, will also be present at the meeting. Shareholders as a whole will be given a reasonable opportunity to ask EY questions about the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by BHP in relation to the preparation of the Financial Statements, and the independence of the Auditor in relation to the conduct of the audit.

The reports are contained in BHP's Annual Report 2025, available on BHP's website at bhp.com/investors/annual-reporting

Items 2 to 9

Re-election of Non-executive Directors

Under BHP's Constitution, at least one-third of Directors must retire (and may seek re-election) at each AGM. However, the Board has adopted a policy under which all Non-executive Directors must seek re-election annually. Accordingly, all Non-executive Directors are retiring and submit themselves for re-election.

The Board annually reviews the performance of each Director seeking re-election at the AGM. The Nomination and Governance Committee has also reviewed the composition of the Board. Based on these reviews and for the reasons outlined on the following pages, the Board considers all Directors seeking re-election demonstrate commitment to their role. The contribution of each Director is and continues to be important to BHP's long-term sustainable success. The Board as a whole has an appropriate mix of skills, backgrounds, knowledge, experience and diversity to operate effectively.

All Non-executive Directors have been determined by the Board to be independent, on the basis that they are free of any interest, position or relationship that might influence or reasonably be perceived to influence in a material respect their capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of BHP as a whole rather than in the interests of an individual security holder or other party. The Corporate Governance Statement 2025, available on BHP's website at bhp.com/investors/annual-reporting, contains more information on the independence of Directors.

The Board supports the election of each candidate and with the relevant Director seeking re-election abstaining, recommends shareholders vote in favour of Items 2 to 9 for the reasons set out on the following pages.

The vote on this Item is advisory only and does not bind the Directors or BHP. The Board will consider the outcome of the vote when reviewing BHP's remuneration framework. Shareholders as a whole will have a reasonable opportunity to ask questions about or make comments on the Remuneration Report.

Item 11

Approval of equity grants to the Chief Executive Officer

BHP is seeking shareholder approval to grant Mike Henry, the Chief Executive Officer and an Executive Director of BHP, securities under BHP's Equity and Cash Incentive Plan rules (**BHP's Incentive Plan Rules**). The equity grants are under two plans – BHP's Cash and Deferred Plan (**CDP**) and Long Term Incentive Plan (**LTIP**).

If Item 11 is approved by shareholders, grants will be made under BHP's Incentive Plan Rules on the terms set out below. Each CDP Deferred Right and LTIP Performance Right granted under these plan rules is a conditional right to one fully paid ordinary share in BHP, subject to meeting the applicable service and/or performance conditions.

These conditional rights have been proposed as they create share price alignment between Mike and ordinary shareholders but do not provide him with the full benefits of share ownership (such as dividends and voting rights) unless and until the rights vest.

Under Australian Securities Exchange (**ASX**) Listing Rule 10.14, shareholder approval is required for an issue of BHP securities to Directors. Approval would not be required where the terms of the grant require that the underlying shares are purchased on-market. The Board is seeking shareholder approval in the interests of transparency and good governance, and to preserve flexibility for BHP to issue shares or purchase shares on-market at the relevant time.

Summary of awards

Cash and Deferred Plan (CDP)

It is proposed that 63,669 FY2025 CDP Deferred Rights (2 Year) and 63,669 FY2025 CDP Deferred Rights (5 Year) (**CDP Deferred Rights**) are granted with a face value of US\$3.31 million.

The performance period for the FY2025 CDP Deferred Rights is 1 July 2024 to 30 June 2025. Towards the end of the annual performance period, the Board conducts an assessment of Mike's performance against the CDP scorecard to determine the value of Mike's total FY2025 CDP award. One-third of the CDP award is paid in cash in September after the end of the performance period, one-third is granted as CDP Deferred Rights (2 Year) and one-third is granted as CDP Deferred Rights (5 Year). Vesting of the CDP Deferred Rights are subject to Mike's continued employment with BHP until the vesting date.

Long Term Incentive Plan (LTIP)

It is proposed that 151,581 2025 LTIP Performance Rights are granted with a face value equal to 200 per cent of Mike's annual base salary at the date of grant (i.e. US\$1.970 million x 200% = US\$3.940 million).

For the 2025 LTIP, the performance period is 1 July 2025 to 30 June 2030, with vesting shortly after. Vesting of Mike's LTIP Performance Rights is conditional on BHP's five-year relative total shareholder return (**TSR**) compared to the following benchmarks:

- 67% will vest subject to BHP's TSR relative to the MSCI World Metals and Mining index TSR (**Sector TSR**)
- 33% will vest subject to BHP's TSR relative to the MSCI World index TSR (**World TSR**)

Vesting of either TSR component of the LTIP occurs on a sliding scale, as follows:

BHP's TSR performance	% of the LTIP Performance Rights that will vest
Below the 50th percentile	0%
Equal to the 50th percentile	25%
Between the 50th percentile and the weighted 80th percentile	Vesting will be on a sliding scale between 25% and 100%
Equal to, or exceeds, the 80th percentile	100%

If the TSR performance condition is not met, there is no retesting and awards will lapse.

Vesting of the LTIP Performance Rights is also subject to Mike's continued employment with BHP until the vesting date.

In addition, vesting of Mike's CDP Deferred Rights (5 Year) and LTIP Performance Rights are subject to a holistic review of performance at the end of the five-year performance periods, including a review of safety and sustainability performance, financial performance and corporate governance and conduct.

Key terms

Key term	Description
How the number of CDP Deferred Rights and LTIP Performance Rights were calculated	<p>The proposed number of CDP Deferred Rights and LTIP Performance Rights to be granted to Mike were calculated using the following formula:</p> <ul style="list-style-type: none"> – the maximum value of the grant (being US\$1.655 million for the CDP Deferred Rights (2 Year), US\$1.655 million for the CDP Deferred Rights (5 Year) and US\$3.940 million for the LTIP Performance Rights) <i>multiplied by</i> – the US\$/A\$ exchange rate (being the average exchange rate over the 12 months up to and including 30 June 2025, to convert the value of the grant into Australian dollars) <i>divided by</i> – the average daily closing price of BHP shares traded on the ASX over the 12 months up to and including 30 June 2025, <i>and</i> – rounded down to the nearest whole number of awards
Vesting	<p>On vesting, each CDP Deferred Right and LTIP Performance Right entitles Mike to receive one share in BHP (unless the Board exercises its discretion to settle vested awards with a cash payment of equivalent value instead).</p> <p>Before vesting, the CDP Deferred Rights and LTIP Performance Rights do not carry entitlements to ordinary dividends or other shareholder rights. A dividend equivalent payment (DEP) is provided on vesting of CDP Deferred Rights and LTIP Performance Rights in either cash or additional shares. The DEP is calculated as the value of dividends that would have been received over the vesting period if Mike had held those shares in BHP from the first date of the vesting period. Where shares are provided to satisfy the DEP, the DEP amount is divided by the closing price of BHP shares on the date prior to vesting.</p> <p>The decision to vest awards is subject to the overriding discretion of the Board. The Board has an absolute discretion to determine that, notwithstanding satisfaction (or non-satisfaction) of the applicable service and/or performance conditions, the CDP Deferred Rights and LTIP Performance Rights may be adjusted upwards or downwards (including to zero) if appropriate, including to better reflect shareholder expectations, to take into account the total value of the award at the time of any vesting, or to account for personal or group performance or any other factor that the Board reasonably determines is appropriate to take into account. The Board also has an absolute discretion to determine that some or all of the rights may vest, not vest, lapse or be subject to a dealing restriction.</p>
Malus and clawback	<p>In order to prevent an executive obtaining an inappropriate benefit (including where the executive acts fraudulently or dishonestly, is in material breach of their obligations to BHP, or where vesting is not justified or supportable in the circumstances) the Board may determine some or all awards (including cash, CDP Deferred Rights and LTIP Performance Rights) lapse, are forfeited or clawed back. The Board may also suspend or delay vesting of CDP Deferred Rights and LTIP Performance Rights if an investigation is underway, and until the outcome of any investigation is known. BHP has a Malus and Clawback Policy that applies to all equity awards.</p>
Cessation of employment	<p>Upon the cessation of employment, unless the Board determines otherwise, the following treatment applies:</p> <ul style="list-style-type: none"> – on resignation or termination for cause, all unvested CDP Deferred Rights and LTIP Performance Rights lapse; – where employment ends due to death, serious injury, disability, all unvested CDP Deferred Rights and LTIP Performance Rights vest; and – where employment ends for any other reason (i.e. where the participant is a 'good leaver') all unvested CDP Deferred Rights (2 Year) may remain on foot, and a pro-rated portion of unvested CDP Deferred Rights (5 Year) and LTIP Performance Rights will remain on foot and the remainder will lapse.
Change of control	<p>On a change of control event as defined in BHP's Incentive Plan Rules or on the divestment of a material business or subsidiary, the Board has discretion to determine the treatment of the CDP and LTIP awards.</p>

Explanatory Notes continued

Other information

There is no cost payable by Mike and no loan made by BHP to Mike in relation to the grant of the CDP Deferred Rights or LTIP Performance Rights or the allocation of shares on vesting. Mike is the only Director (or associate of a Director) entitled to participate in the CDP and LTIP in the year ended 30 June 2025.

Details of Mike's current maximum total remuneration package are set out below. More details of Mike's remuneration are contained in the Remuneration Report, released in August 2025.

Remuneration component	Amount
Annual base salary	US\$1.970 million
Pension contribution	10% of annual base salary
CDP – annual cash	Maximum of 120% of annual base salary

CDP – Deferred Rights (5 Year)	Maximum of 120% of annual base salary

BHP's Incentive Plan Rules were adopted in September 2023. A total of 156,296 CDP Deferred Rights were granted to Mike under the CDP (at no cost) in 2023 and 2024 and a total of 252,972 LTIP Performance Rights were granted to Mike under the LTIP (at no cost) in 2023 and 2024.

If shareholder approval is obtained, the CDP Deferred Rights and LTIP Performance Rights that are the subject of this approval will be granted to Mike following the AGM and prior to 30 October 2028. If shareholder approval is not obtained, the Board will consider alternative arrangements to appropriately remunerate and incentivise Mike.

Details of any securities issued under BHP's Incentive Plan Rules will be published in BHP's Remuneration Report, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under BHP's Incentive Plan Rules after the resolution in this Item is approved and who were not named in this Notice of Meeting will not participate until approval is obtained under that rule. Voting exclusion statement

- BHP will disregard any votes cast:
- in favour of Item 11 by or on behalf of Mike Henry, or his associates, regardless of the capacity in which the vote is cast; or
 - on Item 11 as a proxy by a person who is a member of BHP's KMP on the date of the AGM or their closely related parties.

- However, votes will not be disregarded if they are cast:
- as proxy or attorney for a person entitled to vote on Item 11 in accordance with a direction given to the proxy or attorney to vote on Item 11 in that way;
 - by the Chair of the AGM as proxy for a person entitled to vote on Item 11, in accordance with an express authorisation to exercise undirected proxies as the Chair of the AGM decides; or
 - by a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on Item 11; and
 - the holder votes on Item 11 in accordance with directions given by the beneficiary to the holder to vote in that way.

The Board, with Mike Henry abstaining, recommends shareholders vote in favour of this Item.

Participating and Voting continued

This section provides information on participating and voting if you are a shareholder and hold your BHP Group Limited shares directly.

1. Am I eligible to vote at the AGM?

In accordance with Regulation 7.11.37 of the Corporations Regulations 2001 (Cth), registered holders of shares in BHP at 7:00pm (Melbourne time) on Tuesday 21 October 2025 are entitled to attend and vote at the AGM as shareholders. Share transfers registered after that time will be disregarded in determining entitlements to attend and vote at the AGM.

If more than one joint holder of shares is present at the AGM (personally or by proxy, attorney or representative) and tender a vote, only the vote of the joint holder whose name appears first on the register will be counted.

All Items of business set out in this Notice of Meeting will be decided by way of a poll. On a poll, shareholders have one vote for every fully paid ordinary share held (subject to the restrictions on voting set out in this Notice of Meeting).

2. How can I attend the AGM in person or watch the AGM online?

To attend in person, you must register at the AGM. Registration desks will be open from 9:00am (Melbourne time). Please arrive at least 30 minutes before the meeting starts to allow time to register.

The proxy form you receive with your Notice of Meeting has a personalised barcode, which can be scanned to register at the AGM. Bring your proxy form to the AGM to make the registration process simpler.

You can watch a live webcast online as a guest at bhp.com/aggm. You will not be able to ask questions or vote online on the webcast facility.

3. How do I ask questions at the AGM?

Shareholders as a whole will have a reasonable opportunity to make comments and ask questions on the Items of business in this Notice of Meeting at the AGM and a reasonable opportunity to ask questions of BHP's Auditor. To make a comment or ask a question at the AGM, please follow the instructions provided to shareholders on the day. There may not be enough time during the meeting to address all comments and questions.

4. How do I ask BHP questions before the AGM?

We encourage shareholders to ask questions or make comments in advance of the AGM online at bhp.com/aggm by 5:00pm (Melbourne time) Thursday 16 October 2025. The Chair of the AGM will seek to address the key themes raised by shareholders before the AGM. There may not be enough time during the meeting to address all questions or comments. Individual responses will not be sent to shareholders.

5. How do I ask BHP's Auditor questions before the AGM?

Shareholders can submit written questions to BHP's Auditor on the content of the Auditor's Report or conduct of its audit of the annual financial report for the year ended 30 June 2025. Shareholders can submit questions to BHP's Auditor before the AGM online at bhp.com/aggm by 5:00pm (Melbourne time) Thursday 16 October 2025. BHP's Auditor is not required to provide individual responses to shareholders.

6. How do I vote by proxy?

Appointing a proxy

Shareholders entitled to attend and vote at the meeting can appoint a proxy to attend and vote for them. The proxy does not need to be a shareholder and can be an individual or a body corporate.

Shareholders holding two or more shares can appoint either one or two proxies. If two proxies are appointed, the appointing shareholder can specify the proportion or number of votes that each proxy can exercise. If no proportion or number is specified, each proxy can exercise half the shareholder's votes.

Shareholders who wish to indicate how their proxy should vote should mark the appropriate boxes on the proxy form. If a proxy is not directed how to vote on an Item of business, or if any resolution other than those specified in this Notice of Meeting is proposed at the AGM, the appointing shareholder is authorising the proxy to vote as they decide, subject to any applicable voting exclusions.

Shareholders who return their proxy forms with a direction on how to vote but do not nominate the identity of their proxy will be taken to have appointed the Chair of the AGM as their proxy to vote on their behalf, including on Items related to the remuneration of BHP's KMP (see next page).

Proxy voting on Items 10 and 11

BHP's KMP (which includes each of the Directors and executives named in BHP's 2025 Remuneration Report) and their closely related parties will not be able to vote as proxy on Items 10 and 11 unless you direct them how to vote (or if the Chair of the AGM is your proxy – refer to the next paragraph). If you appoint any of those people as your proxy, you should direct them how to vote on Items 10 and 11, otherwise they will not be able to cast a vote as your proxy on the relevant Item.

If you appoint the Chair of the AGM as your proxy, you can direct the Chair of the AGM how to vote. If you appoint the Chair of the AGM as your proxy, or the Chair of the AGM is appointed as your proxy by default, but you do not direct the Chair how to vote (by marking a box next to Item 10 and 11) by signing and submitting the proxy form, you expressly authorise the Chair of the AGM to vote as they decide in respect of the relevant Item, even though the Items are connected with the remuneration of BHP's KMP.

Proxy voting on a poll

All Items will be decided by poll. On a poll, any directed proxies that are not voted at the meeting will automatically default to the Chair of the AGM, who is required to vote proxies as directed.

For proxies without voting instructions that are exercisable by the Chair of the AGM, the Chair of the AGM intends to vote all available proxies in favour of Items 2 to 11.

How do I submit a proxy form?

To appoint a proxy, submit the proxy form no later than 10:00am (Melbourne time) on Tuesday 21 October 2025.

BHP encourages you to register your proxy instructions online ahead of the meeting, even if you are planning to attend in person. Proxy instructions can be lodged online via the Share Registry website at investorvote.com.au. Only registered BHP shareholders may access this facility.

8. I am a representative of a corporate shareholder. How can I attend and vote?

A body corporate that is a shareholder or has been appointed as a proxy may appoint an individual to act as its representative at the AGM. The appointment must comply with the requirements of section 250D of the Corporations Act. The representative should bring evidence of their appointment to the AGM, including any authority that it was signed under, unless it has previously been given to BHP.

9. I have a power of attorney from a shareholder. How can I attend and vote?

A shareholder entitled to attend and vote may appoint an attorney to act on their behalf at the AGM. The attorney does not need to be a shareholder.

Attorneys must submit the instrument appointing the attorney and the authority that the instrument is signed under or a certified copy of the authority, in the same way and by the same time as outlined for proxy forms, unless it has previously been given to BHP.

10. If I hold shares through BHP Shareplus, how do I vote?

The Shareplus administrator will provide information on how to vote at the AGM. You must submit your vote by 10:00am (Melbourne time) Tuesday, 14 October 2025.

11. I am not a shareholder. How can I attend or watch the meeting?

Non-shareholders (who are not proxy holders, corporate representatives or attorneys) may be admitted to the AGM at the discretion of BHP as guests, and are requested to register by 10:00am (Melbourne time) on Tuesday 21 October 2025 by emailing their details to BHPAGMattendance@computershare.com.au
