GoldArc Resources Ltd (ASX:GA8) ("GA8" or "GoldArc" or "the Company") (formerly Asra Minerals Limited, ASX:ASR) is pleased to advise that, following shareholder approval obtained at the General Meeting held on Thursday 27th August 2025, the Australian Securities and Investments Commission (ASIC) has formally registered the change of the Company's name to GoldArc Resources Limited.

"Today marks a significant and exciting milestone for the Company and its shareholders. The transition to GoldArc Resources, with our new ticker GA8, is more than just a name change; it's a clear statement of our strategy and commitment to becoming a leading Australian gold explorer."

The name GoldArc defines our operational focus on the highly prospective geological 'arc' that hosts our projects, while the consolidated capital structure provides a stronger platform for future growth and is designed to be more compelling to institutional and long-term investors."

With this strategic rebranding now complete, we are better positioned than ever to accelerate our exploration programs and unlock the immense value of our Western Australian gold assets. We look forward to updating the market with results from our ongoing drilling campaigns under our new identity as GoldArc Resources."
