EXPLANATORY STATEMENT

Purpose of Information

This Explanatory Statement (**Explanatory Statement**) accompanies and forms part of the Company's Notice of Annual General Meeting (**Notice**) for the 2025 Annual General Meeting (**Meeting**) to be held virtually at 4:00 pm (AEDT) on Friday, 24 October 2025.

The Notice incorporates, and should be read together with, this Explanatory Statement.

This Explanatory Statement does not take into account any person's investment objectives, financial situation or particular needs. If you are in any doubt about what to do in relation to the Meeting, you should consult your financial or other professional adviser.

Receipt and consideration of Accounts & Reports

A copy of the Annual Report for the financial year ending 30 June 2025 which incorporates the Company's Financial Report, Directors' Report (including the Remuneration Report and the Auditors Report) is not enclosed as there is no longer a requirement for the Company to incur the printing and distribution cost associated with doing so for all shareholders. You may obtain a copy free of charge in hard copy form by contacting the Company Secretary at 1300 007 001 and you may request that this occurs on a standing basis for future years.

Alternatively, you may access the Annual Report at the Company's website: <https://spirit.com.au/investor-hub> or via the Company's announcement platform on ASX under the ASX Code "STI". Except as set out in Resolution 1, no resolution is required on these reports.

Shareholders will have the opportunity to ask questions about or make comments on the 2025 Annual Report and the management of the Company. The auditor will be invited to attend to answer questions about the audit of the Company's 2025 Annual Financial Statements.

Resolution 1: Adoption of Remuneration Report

Background

Section 250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report must be put to the vote at the Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors' Report in the Company's Annual Report for the year ended 30 June 2025. The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act, shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Annual General Meeting.

In accordance with Division 9 of Part 2G.2 of the Corporations Act, if twenty-five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must go up for re-election.

It is noted that at the Company's last annual general meeting, the votes cast against the Remuneration Report represented less than twenty-five (25%) per cent of the total votes cast on that resolution and accordingly, a spill resolution will not under any circumstances be required for the Meeting.

The Directors will consider the outcome of the vote and comments made by shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

Directors' Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company

(and such interests are described in the Remuneration Report) and, as described in the voting exclusions on this Resolution (set out in the Notice), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this Resolution, the Directors unanimously recommend that shareholders vote in favour of Resolution 1 to adopt the Remuneration Report.

The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

Voting Exclusions

See Note 6 and 7 for voting exclusions on this Resolution.

Resolution 2: Re-election of Lynn Warneke as a Director of the Company

Background

The Constitution of the Company requires that at every annual general meeting, at least one Director shall retire from office and provides that such Directors are eligible for re-election at the meeting. Lynn Warneke being eligible, offers herself for re-election.

Lynn is an experienced Non-Executive Director and Chair, with an extensive background and expertise in strategy, digital services and product development, customer experience, emerging technologies, innovation and cybersecurity. Her industry experience spans critical infrastructure, professional services, retail/wholesale, government, tertiary education and consulting, as well as the technology and startup sectors.

Lynn's prior executive and consulting career includes senior roles in ASX and internationally listed companies, and Chief Operating Officer, Chief Information Officer and Deputy Chief Digital Officer positions in large public organisations, with operational accountability for corporate services, people and culture, finance and ICT functions. Lynn has also worked in the startup and technology sectors, most recently as interim Chief Operating Officer for a privately owned FinTech startup. She has consulted to clients including Nab, Telstra, KPMG, Aēsop, Coles and Transfield Services (now Broadspectrum), and spearheaded a range of technology, business and customer strategies and projects and product innovations leveraging AI, Internet-of-Things and Augmented Reality. Amongst several awards for her successful customer and workplace digital transformations, Lynn was awarded #7 CIO of the Year in 2020 which recognises Australia's most innovative CIOs.

Lynn is an industry mentor with Australian startup and scaleup hub, Stone & Chalk and a member of the ACS National AI Committee.

She is a Graduate member of the AICD (GAICD) and a Fellow of the Governance Institute of Australia (FGIA) and the ACS (FACS). She holds a BA (Information Science) and Master of Laws (New Technologies Law specialisation).

Directors' Recommendation

The Board (with Ms Warneke abstaining) recommends that Shareholders vote in favour of the election of Ms Lynn Warneke.

The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

Voting Exclusions

There are no voting exclusions on this Resolution.

Resolution 3: Ratification of prior issue of 1,886,793 Shares**Background**

On 6 November 2024 the Company issued 18,867,924 Shares (on a pre consolidation basis) at an issue price of \$0.053 (5.3 cents) (on a pre consolidation basis) per Share on the terms as announced on 28 October 2024. As announced on 10 December 2024, the Company has completed consolidation of its securities as approved at 2024 Annual General Meeting.

The Company is seeking shareholder approval to ratify the issue of 1,886,793 Shares (on a post consolidation basis) at an issue price of \$0.53 (53 cents) per Share (on a post consolidation basis) on the terms as announced on 28 October 2024.

The issue of the Shares does not fit within any of the exceptions in Listing Rule 7.1 and, as it has not yet been approved by shareholders, it uses part of the Company's 15% placement capacity limit under Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without shareholder approval under Listing Rule 7.1 for the 12-month period following the issue date.

Listing Rule 7.4 - approval of prior share issues

Listing Rule 7.1 allows the Company to issue new securities up to 15% of the existing capital of the Company in any 12-month period without the prior approval of shareholders, excluding any issues that are subject to one of the exceptions in Listing Rule 7.2 applying. The issue of the Shares was within the Company's available placement capacity under Listing Rule 7.1.

Under Listing Rule 7.4 an issue of securities will be treated as having been made with the approval of shareholders for the purposes of Listing Rule 7.1 if the issue did not breach Listing Rule 7.1 at the time and shareholders subsequently approve it. As the issue of Shares was within the Company's Listing Rule 7.1 placement capacity and was not previously approved by shareholders, the Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

To this end, Resolution 3 seeks shareholder ratification for the prior issue of 1,886,793 Shares under and for the purposes of Listing Rule 7.4.

Effect of Resolution 3

If Resolution 3 is approved, the prior issue of the 1,886,793 Shares will be treated by the Company as having been made with shareholder approval under Listing Rule 7.1. The Company will therefore have the flexibility, if required, to issue additional equity securities.

If Resolution 3 is not approved, the Company will have issued 1,886,793 Shares utilising the 15% capacity limit for the purposes of Listing Rule 7.1. This will limit the Company's placement capacity under Listing Rule 7.1, decreasing the number of equity securities the Company can issue without shareholder approval over the 12-month period following the relevant issue date. It will reduce the Company's ability to respond quickly to opportunities to raise capital via placement or to utilise equity securities as consideration for acquisitions.

Additional information required by Listing Rule 7.5

In accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 3:

Persons Issued To	The Shares were issued to Mr Russell Baskerville, who at the time of issue was not a Director of the Company
Number of Equity Securities issued	1,886,793 (on a post consolidation basis)
Type of Equity Securities issued	Fully paid ordinary shares
Date of Issue	6 November 2024

Price	Issue price of \$0.053 (5.3 cents) per share (on a pre consolidation basis) \$0.53 (53 cents) per share (on a post consolidation basis)
Purpose of Issue/ Use of Funds	The purpose of the issue was to raise funds for general working capital of the Company as announced On 28 October 2024

Directors' Recommendation

The Board (with Mr Baskerville abstaining) recommends that shareholders vote in favour of the ratification of the prior issue of 1,886,793 Shares as described above.

The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

Voting Exclusions

See Note 6 in the Notice for voting exclusions on this Resolution.

Resolution 4: Approval to Grant FY26 Performance Rights to Julian Challingsworth (or his nominee)

Background

Resolution 4 seeks shareholder approval to grant 583,333 Performance Rights to Mr Julian Challingsworth (or his nominee) as his FY26 long term incentive on the terms described below and in accordance with the Company's Employee Incentive Plan (**EIP**), as well as approval for the issue of any Shares on vesting and exercise of those Performance Rights.

Performance Rights are proposed to be granted to Mr Challingsworth to further enhance the alignment of his interests with the interests of shareholders.

It is proposed that Mr Challingsworth be granted 583,333 Performance Rights, which has been determined by dividing Mr Challingsworth's maximum FY26 LTI opportunity, being \$315,000 by \$0.54 (54 cents), which is calculated by reference to the 30-day volume weighted average price (**VWAP**) of \$0.54 per Share to 4 September 2025.

As the Performance Rights will form part of Mr Challingsworth's remuneration, they will be granted for no cash payment and there will be no amount payable on vesting. Each vested Performance Right entitles Mr Challingsworth to be issued one Share, or equivalent cash payment, on vesting. Prior to vesting, Performance Rights do not entitle Mr Challingsworth to any dividends or voting rights.

Consistent with the Company's desire to align the interest of the CEO to those of shareholders, the Board believes that having regard to the Company's current cash position and in order to compensate Mr Challingsworth in line with current market practices, Performance Rights provide an appropriate and meaningful form of remuneration that aligns with shareholder interests.

Approval is being sought in Resolution 4 in respect of the proposed grant of Performance Rights to Mr Challingsworth under the EIP as a component of his overall executive remuneration package put in place on his commencement as Managing Director and CEO of the Company.

If Resolution 4 is not approved by shareholders, then the Board may consider other ways to remunerate the Managing Director and CEO.

Terms of Performance Rights

A total of 583,333 Performance Rights will be granted to Mr Challingsworth under the EIP, subject to shareholder approval. The vesting of the Performance Rights is contingent on the satisfaction of the vesting conditions outlined below.

LTI Vesting Conditions

A total of 583,333 Performance Rights (equivalent to \$315,000 at \$0.54 per Share) will vest subject to the following conditions:

- (a) **Performance measure:** Absolute total shareholder return (**TSR**), being the percentage change between the 30-day VWAP of \$0.54 (to 4 September 2025) and the highest 30-day VWAP achieved between any trading update relating to FY28 results issued after 1 April 2028 and 45 trading days after the announcement of the FY28 audited results.
- (b) **Vesting scale:** The proportion of Performance Rights that vest will be determined by reference to a vesting scale approved under the EIP, with vesting capped at 110% of the initial grant.
- (c) **Service condition:** Mr Challingsworth must remain employed until 31 December 2028 (six months post 30 June 2028) and 30 June 2028 for each part of the Performance Rights to vest in proportion.

Unvested Rights lapse at the end of the performance period unless the Nomination and Remuneration Committee exercises its discretion under rule 8.7 of the EIP.

Cessation of employment

Where Mr Challingsworth ceases employment as a 'bad leaver' (which includes by resignation or dismissal for cause or poor performance), unvested Performance Rights will immediately lapse and any vested Performance Rights may be exercised within 60 days of ceasing employment if permitted by the Company's securities trading policy, or within 60 days of restrictions ceasing to apply under the Company's securities trading policy. Vested Performance Rights that are not exercised by this time will lapse.

In all other circumstances, a pro rata portion of unvested Performance Rights will remain on foot and will vest and become exercisable in the normal course subject to the original conditions, as though Mr Challingsworth had not ceased employment. The remaining portion of unvested Performance Rights will lapse immediately. Any vested Performance Rights will remain on foot and may be exercised until the expiry date.

However, the Board retains discretion under the EIP to determine to treat any unvested Performance Rights other than in the manner set out above if the Board determines that the relevant circumstances warrant such treatment.

Change of control

If a Corporate Control Event (being, amongst other things, a transaction or arrangement under which a person and their associates would have or acquire a relevant interest in, or voting power over, 60% or more of the Company's Shares) is likely to occur, the Board has a discretion to determine that some or all of the Performance Rights vest and become exercisable. If a Corporate Control Event occurs prior to the Board exercising its discretion, all unvested Performance Rights granted will automatically vest and become exercisable into Shares, irrespective of whether Vesting Conditions have been achieved.

Clawback

Under the EIP, the Board has broad "clawback" powers to determine that the Performance Rights lapse or any Shares allocated on vesting are forfeited in certain circumstances, including for example in the case of a breach of duties to a Group company or fraud or misconduct.

Restrictions on dealing

Mr Challingsworth may not deal with or enter into any arrangement for the purpose of hedging Performance Rights prior to vesting.

Legal Requirements – Listing Rule 10.14

ASX Listing Rule 10.14 requires that the Company not permit a Director or their associates to acquire securities under an “employee incentive scheme” without shareholder approval (unless an exception applies).

The Board is therefore seeking shareholder approval to grant Performance Rights to Mr Challingsworth on the terms set out above and under the EIP.

The EIP constitutes an “employee incentive scheme” under the Listing Rules.

Termination Benefits approval – section 200B and s200E Corporations Act

Sections 200B and 200E of the Corporations Act prohibit the Company from giving a benefit to a person who holds (or has held in the previous three years) a managerial or executive office with the Company or its subsidiaries, if that benefit is given in connection with that person's retirement from office and is in excess of that person's average annual base salary over the relevant period, unless the benefit is approved by shareholders or an exemption applies.

Approval is therefore sought under section 200E of the Corporations Act to allow for the Board to determine to accelerate vesting of some or all of Mr Challingsworth's unvested Performance Rights in the event Mr Challingsworth ceases employment in 'good leaver' circumstances being cessation other than due to resignation or dismissal for cause or poor performance and for the benefit not to be termination benefits for the purposes of the Corporations Act. Where Mr Challingsworth ceases as a 'bad leaver' (which includes by resignation or dismissal for poor performance), all unvested Performance Rights will lapse, unless the Board determines otherwise.

If shareholder approval is obtained, the value of the approved benefits will be disregarded when calculating Mr Challingsworth's termination benefits cap for the purpose of subsection 200F(2)(b) or subsection 200G(1)(c) of the Corporations Act.

The value of any benefit relating to the Performance Rights given in connection with Mr Challingsworth ceasing to hold managerial or executive office cannot presently be ascertained. However, matters, events and circumstances that will, or are likely to, affect the calculation of that value are:

- the number of Performance Rights held by Mr Challingsworth prior to cessation of his employment;
- the date when, and circumstances in which, Mr Challingsworth ceases employment;
- whether vesting conditions are waived or (if not waived) met, and the number of Performance Rights that vest (which could be all of the Performance Rights held by Mr Challingsworth; and
- the market price of the Shares on ASX on the date Shares are provided to Mr Challingsworth upon vesting of the Performance Rights.

Directors' Recommendation

The Board (with Mr Challingsworth abstaining) recommends that shareholders vote in favour of Resolution 4.

The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

Voting Exclusions

See Note 6 and 7 for voting exclusions on this Resolution.

Resolution 5 Approval to Grant FY26 Performance Rights to Simon McKay (or his nominee)

Background

Resolution 5 seeks shareholder approval to grant 138,888 Performance Rights to Mr Simon McKay (or his nominee) as his FY26 long term incentive on the terms described below and in accordance with the Company's EIP, as well as approval for the issue of any Shares on vesting and exercise of those Performance Rights.

Performance Rights are proposed to be granted to Mr McKay to further enhance the alignment of his interests with the interests of shareholders.

It is proposed that Mr McKay be granted 138,888 Performance Rights, which has been determined by dividing Mr McKay's maximum FY26 LTI opportunity, being \$75,000 by \$0.54 (54 cents), which is calculated by reference to the 30-day VWAP of \$0.54 per Share to 4 September 2025.

As the Performance Rights will form part of Mr McKay's remuneration, they will be granted for no cash payment and there will be no amount payable on vesting. Each vested Performance Right entitles Mr McKay to be issued one Share, or equivalent cash payment, on vesting. Prior to vesting, Performance Rights do not entitle Mr McKay to any dividends or voting rights.

Consistent with the Company's desire to align the interest of the Executive Director to those of shareholders, the Board believes that having regard to the Company's current cash position and in order to compensate Mr McKay in line with current market practices, Performance Rights provide an appropriate and meaningful form of remuneration that aligns with shareholder interests.

Approval is being sought in Resolution 5 in respect of the proposed grant of Performance Rights to Mr McKay under the EIP as a component of his overall executive remuneration package put in place on his commencement as Executive Director.

If Resolution 5 is not approved by shareholders, then the Board may consider other ways to remunerate the Executive Director.

Terms of Performance Rights

A total of 138,888 Performance Rights will be granted to Mr McKay under the EIP, subject to shareholder approval. The vesting of the Performance Rights is contingent on the satisfaction of the vesting conditions outlined below.

LTI Vesting Conditions

A total of 138,888 Performance Rights (equivalent to \$75,000 at \$0.54 per Share) will vest subject to the following conditions:

- (a) **Performance measure:** Absolute TSR, being the percentage change between the 30-day VWAP of \$0.54 (to 4 September 2025) and the highest 30-day VWAP achieved between any trading update relating to FY28 results issued after 1 April 2028 and 45 trading days after the announcement of the FY28 audited results.
- (b) **Vesting scale:** The proportion of Performance Rights that vest will be determined by reference to a vesting scale approved under the EIP, with vesting capped at 110% of the initial grant.
- (c) **Service condition:** Mr McKay must remain employed until 31 December 2028 (six months post 30 June 2028) and 30 June 2028 for each part of the Performance Rights to vest in proportion.

Unvested Rights lapse at the end of the performance period unless the Nomination and Remuneration Committee exercises its discretion under rule 8.7 of the EIP.

Cessation of employment

Where Mr McKay ceases employment as a 'bad leaver' (which includes by resignation or dismissal for cause or poor performance), unvested Performance Rights will immediately lapse and any vested Performance Rights may be exercised within 60 days of ceasing employment if permitted by the Company's securities trading policy, or within 60 days of restrictions ceasing to apply under the Company's securities trading policy. Vested Performance Rights that are not exercised by this time will lapse.

In all other circumstances, a pro rata portion of unvested Performance Rights will remain on foot and will vest and become exercisable in the normal course subject to the original conditions, as though Mr McKay had not ceased employment. The remaining portion of unvested Performance Rights will lapse immediately. Any vested Performance Rights will remain on foot and may be exercised until the expiry date.

However, the Board retains discretion under the EIP to determine to treat any unvested Performance Rights other than in the manner set out above if the Board determines that the relevant circumstances warrant such treatment.

Change of control

If a Corporate Control Event (being, amongst other things, a transaction or arrangement under which a person and their associates would have or acquire a relevant interest in, or voting power over, 60% or more of the Company's Shares) is likely to occur, the Board has a discretion to determine that some or all of the Performance Rights vest and become exercisable. If a Corporate Control Event occurs prior to the Board exercising its discretion, all unvested Performance Rights granted will automatically vest and become exercisable into Shares, irrespective of whether Vesting Conditions have been achieved.

Clawback

Under the EIP, the Board has broad "clawback" powers to determine that the Performance Rights lapse or any Shares allocated on vesting are forfeited in certain circumstances, including for example in the case of a breach of duties to a Group company or fraud or misconduct.

Restrictions on dealing

Mr McKay may not deal with or enter into any arrangement for the purpose of hedging Performance Rights prior to vesting.

Legal Requirements – Listing Rule 10.14

ASX Listing Rule 10.14 requires that the Company not permit a Director or their associates to acquire securities under an "employee incentive scheme" without shareholder approval (unless an exception applies).

The Board is therefore seeking shareholder approval to grant Performance Rights to Mr McKay on the terms set out above and under the EIP.

The EIP constitutes an "employee incentive scheme" under the Listing Rules.

SPECIAL BUSINESS

Resolution 6: Change of Company Name

Background

Section 157(1)(a) of the Corporations Act provides that a company may change its name if the company passes a special resolution adopting a new name.

As part of its FY25 strategic review, the Board determined to focus resources on aligning the Company's brand and positioning to reflect its evolution as a leading provider of integrated cyber security and managed technology services. In line with this direction, the Company has pursued a refreshed brand identity under the "Infotrust" banner. This identity reflects the Company's purpose of setting a new standard in the cyber security sector, and more accurately communicates its strategy to become a trusted Australian leader in this field.

To implement the rebrand, the Company applied for and has received ministerial consent from ASIC to use the word "trust" in its name and has also reserved a new ASX ticker code to replace "STI" once the change is effective.

Resolution 6 is therefore a special resolution which seeks Shareholder approval to change the Company's name from "Spirit Technology Solutions Ltd" to "Infotrust Ltd" and to amend the Constitution in accordance with section 136(2) of the Corporations Act. There is no substantive change to the Constitution other than updates to reflect the Company's new name following Shareholder approval of this special resolution.

The change of Company name will not affect the Company's legal status or any of its existing assets or liabilities and will take effect once ASIC alters the Company's registration details.

Directors' Recommendation

The Board recommends that Shareholders vote in favour of this Resolution.

The Chair of the meeting intends to vote undirected proxies in favour of the Resolution.

SPECIAL BUSINESS

Resolution 7: Approval of 10% Placement Facility

Background

The Company is seeking shareholder approval by way of a special resolution to have the ability, if required, to issue equity securities under the 10% Placement Facility. The effect of this Resolution is to allow the Directors to issue equity securities under Listing Rule 7.1A during the 10% Placement Period (as defined below) without, or in addition to, using the Company's 15% Capacity under Listing Rule 7.1.

Listing Rules Information

Summary of Listing Rule 7.1A

Broadly speaking and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that the Company can issue without the approval of the shareholders over any 12- month period to 15% of the fully paid ordinary shares it had on issue at the start of that period (**15% Capacity**).

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% (**10% Placement Facility**) to a combined 25% limit.

An 'eligible entity' for the purposes of Listing Rule 7.1A means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is, at the date of this Notice, an eligible entity for these purposes. Note however that if, on the date of the Meeting, the market capitalisation of the Company exceeds \$300 million or the Company has been included in the S&P/ASX 300 Index, then this Resolution will no longer be effective and will be withdrawn.

This Resolution seeks shareholder approval by way of special resolution for the Company to have the additional 10% Placement Facility provided for in Listing Rule 7.1A to issue equity securities without further shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% Placement Facility to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

Formula for Calculating the 10% Placement Facility – Listing Rule 7.1A.2

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12-month period after the date of the annual general meeting, a number of equity securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue at the commencement of the "relevant period" (which, for the Company, is the 12-month period immediately preceding the date of the issue or agreement:

- (A) plus the number of fully paid shares issued in the relevant period under an exception in Listing Rule 7.2, other than exception 9, 16 or 17;
- (B) plus the number of fully paid shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the

- (ii) commencement of the relevant period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
- (C) plus the number of fully paid shares issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the relevant period; or
 - (ii) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
- (D) plus the number of fully paid shares issued in the relevant period with approval of holders of shares under Listing Rules 7.1 or 7.4.;
- (E) plus the number of partly paid shares that became fully paid in the relevant period;
- (F) less the number of fully paid shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by shareholders under Listing Rule 7.4.

The ability of an entity to issue equity securities under Listing Rule 7.1A is in addition to the entity's 15% Capacity under Listing Rule 7.1. The actual number of equity securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the equity securities in accordance with the formula stated above.

Type and Number of Equity Securities

Any equity securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of equity securities of the Company. The Company, as at the date of the Notice, has on issue the following class(es) of quoted equity securities:

ASX Security Code and Description	Total Number
STI : ORDINARY FULLY PAID	190,176,333

Specific information required by Listing Rule 7.3A

Placement Period

The period for which the approval of the 10% Placement Facility will be valid (as set out in Listing Rule 7.1A.1) commences on the date of this Meeting and expires on the first to occur of the following:

- (a) the date that is 12 months after the date of this Meeting;
- (b) the time and date of the Company's next annual general meeting; and
- (c) the time and date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(10% Placement Period).

The Company will only issue and allot the equity securities approved under the 10% Placement Facility during the 10% Placement Period.

Minimum Issue Price and Cash Consideration – Listing Rule 7.1A.3

The equity securities will be issued for cash consideration at an issue price of not less than 75% of the VWAP for the Company's equity securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at which the equity securities are to be issued is agreed by the Company and the recipient of the securities; or
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the equity securities are issued.

Purposes of the Funds Raised

The purposes for which the funds raised by an issue under the 10% Placement Facility under rule 7.1A.2 may be used by the Company for the Company's current business and/or general working capital.

Risk of Economic and Voting Dilution

If this Resolution is approved by Shareholders and the Company issues equity securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the dilution table below.

Shareholders may be exposed to economic risk and voting dilution, including the following:

- (a) the market price for the Company's equity securities may be significantly lower on the date of the issue of the equity securities than on the date of this Meeting; and
- (b) the equity securities may be issued at a price that is at a discount to the market price for the Company's equity securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the equity securities.

The dilution table below shows the potential dilution of existing Shareholders on the basis of the market price of its quoted ordinary securities as at 15 September 2025 (**Current Share Price**) and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The dilution table also shows:

- (a) two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future shareholders' meeting; and
- (b) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

This dilution table has been prepared on the following assumptions:

- The Company issues the maximum number of equity securities available under the 10% Placement Facility;
- No convertible security is exercised and converted into ordinary securities before the date of the issue of the equity securities;
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular shareholder by reason of placements under the 10% Placement Facility, based on that shareholder's holding at the date of the Meeting;
- The table shows only the effect of issues of equity securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1;
- The issue of equity securities under the 10% Placement Facility consists only of ordinary securities. If the issue of equity securities includes quoted options, it is assumed that those quoted options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders; and
- The Current Share Price is \$0.57 being the closing market price of the Shares on ASX on 15 September 2025.

Allocation Policy

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of equity securities will be determined on a case-by-case basis having regard to relevant factors including, but not limited to, the following:

- the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- the effect of the issue of the equity securities on the control of the Company;
- the financial situation and solvency of the Company; and
- advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial shareholders, subject to compliance with Listing Rule 10.11, and/or new shareholders who are not related parties or associates of a related party of the Company.

Previous Issues under Listing Rule 7.1A.2

Information about equity securities issued under Listing Rule 7.1A.2 in the 12-month period preceding the date of the Meeting is set out as follows:

- the Company has not issued or agreed to issue any equity securities under Listing Rule 7.1A.2 in the 12-month period preceding the date of this Meeting; and

- (b) the Company had not agreed, before the 12-month period referred to in the preceding paragraph, to issue any equity securities under rule 7.1A.2 where such securities remain unissued as at the date of the Meeting.

Special Resolution

The ability to issue equity securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution. This means it requires approval of 75% of the votes cast by shareholders present or represented, and eligible to vote.

Directors' Recommendation

The Directors believe that this Resolution is in the best interests of the Company and unanimously recommend that shareholders vote in favour of this Resolution.

The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

Voting Exclusions

ANNEXURE A
MATERIAL TERMS OF EMPLOYEE INCENTIVE PLAN ('EIP')

- the EIP sets out the framework for the offer of Shares, Options or Performance Rights by the Company, and is typical for a document of this nature;
- in making its decision to issue Shares, Options or Performance Rights, the Board may decide the number of securities and the vesting conditions which are to apply in respect of the securities. The Board has broad flexibility to issue Shares, Options or Performance Rights having regard to a range of potential vesting criteria and conditions;
- in certain circumstances, unvested Options or Performance Rights will immediately lapse and any unvested Shares held by the participant will be forfeited if the relevant person is a “bad leaver” as distinct from a “good leaver”;
- if a participant acts fraudulently or dishonestly or is in breach of their obligations to the Company or its subsidiaries, the Board may determine that any unvested Performance Rights or Options held by the participant immediately lapse and that any unvested Shares held by the participant be forfeited;
- in certain circumstances, Shares, Performance Rights or Options can vest early, including following a change of control or other events of a similar nature;
- the total number of Shares that would be issued were each Option, Performance Right and Share under the EIP exercised or vested (as applicable), plus the number of Shares issued in the previous three years under the EIP, must not, at any time, exceed 5% of the total number of Company Shares on issue. - the Board has discretion to impose restrictions (except to the extent prohibited by law or the ASX Listing Rules) on Shares issued or transferred to a participant on vesting of an Option or a Performance Right, and the Company may implement appropriate procedures to restrict a participant from so dealing in the Shares;
- in respect of vested Options or Performance Rights, if the Board becomes aware of an event which would have resulted in vesting criteria not being satisfied, such as a material misstatement in the Company’s financial statements during the vesting period, any affected vested Options or Rights may be cancelled for no consideration;
- in the event of any reorganisation of the issued capital of the Company on, or prior to, the expiry of the Performance Rights or Options, the rights of the relevant security holder can be changed in the discretion of the Board, including to comply with the applicable ASX Listing Rules in force at the time of the reorganisation; and
