Accessing the online platform

The AGM will be webcast for participation by shareholders and proxyholders via the online platform at <https://meetings.openbriefing.com/CCL2025>.

To participate, you will need a computer or mobile/tablet device with internet access. We recommend logging in to our online platform at least 15 minutes prior to the scheduled start time for the AGM using the instructions below to check that it works on your device.

Enter <https://meetings.openbriefing.com/CCL2025> into a web browser on your computer or device. To be verified as a shareholder or proxyholder who is eligible to vote and participate in the meeting:

- Shareholders will need their Shareholder Reference Number (SRN) or Holder Identification Number (HIN) printed at the top of the Voting Form; and
- Proxy holders will need their proxy code which MUFG Corporate Markets (**MUFG**) will provide via email no later than 24 hours prior to the Meeting.

More information about how to use the AGM platform, including how to vote and ask questions during the meeting is available in the Online Guide, which has been lodged with the ASX and is available on our website at: <https://www.cuscal.com/investors/>.

Shareholders who are entitled to vote

You are eligible to attend and vote at the AGM, if you are registered as a shareholder as at 7:00pm (Sydney time) on Tuesday, 28 October 2025.

How to vote

Each resolution considered at the AGM will be conducted by a poll, rather than a show of hands. Shareholders may vote by:

- Using the online platform during the meeting;
- Appointing a proxy; or
- Lodging a direct vote before the meeting.

Online voting

A shareholder who wishes to vote online during the meeting will need to log onto the platform, using the instructions set out above. Online voting will be open between 3:30 pm (Sydney time) on Thursday, 30 October 2025 and the time at which the Chairman announces voting closure.

Voting by proxy

A shareholder entitled to attend and vote is entitled to appoint not more than two proxies, by completing the 'Appoint a Proxy' section in the enclosed Voting Form. Each proxy will have the right to vote on a poll and to speak at the AGM. The proxy can be either an individual or a body corporate. A proxy need not be a shareholder.

Where two proxies are appointed by a shareholder, the appointment of the proxy may specify the proportion or the number of votes that the proxy may exercise. If the appointment does not specify the proportion or number of the shareholder's votes which each proxy may exercise, the votes will be divided equally among the proxies.

If a proxy is not directed how to vote on an item, the proxy may generally vote, or abstain from voting, as they think fit. Proxy appointments in favour of the Chairman that do not contain a direction on how to vote will be used, where possible, to support each of the Resolutions.

Direct voting before the meeting

If a shareholder is unable to participate in the AGM, they are entitled to vote their shares directly before the meeting, by completing and returning the 'Direct Voting' section of the enclosed Voting Form. They will then not need to appoint a proxy. The shareholder must mark either the 'for', 'against' or 'abstain' box for each item on the Voting Form. If a shareholder does not give a direction on all the items, or if they complete sections of the Voting Form for both the appointment of a proxy and a direct vote, the Voting Form will be treated as the appointment of the Chairman as proxy for the shareholder.

Submitting a Voting Form

The Voting Form must be signed by the shareholder or the shareholder's attorney and accompanied by an original or certified copy of any Power of Attorney under which it is signed. Voting Forms given by corporations must be executed in accordance with the *Corporations Act 2001* (Cth) (**Corporations Act**).

Please lodge the Voting Form online at <https://au.investorcentre.mpms.mufig.com> in accordance with the instructions provided on the website or send the hard copy Voting Form via post (in the reply-paid envelope provided) or by fax to MUFG on +61 2 9287 0309.

Explanatory Memorandum

This Explanatory Memorandum forms part of the Notice of Meeting and is intended to provide shareholders of the Company with information to assess the merits of the proposed resolutions. The Directors recommend that shareholders read this Explanatory Memorandum in full before making any decision in relation to the resolutions.

Item 1. Financial Reports

In accordance with the *Corporations Act 2001* (Cth) the Company's Financial Report, Directors' Report and Independent Auditor's Report (together, the **Reports**) for the year ended 30 June 2025 will be presented at the AGM.

The Reports are in the Company's Annual Report for the year ended 30 June 2025 (**FY25 Annual Report**) which can be accessed on the Company's website at <https://www.cuscal.com/annual-reports/>.

This item does not require a formal resolution and accordingly, no vote will be held on this item of business. Shareholders will have a reasonable opportunity to ask questions about, or make comments on, the FY25 Annual Report and the management of the Company at the AGM. The Chairman will also allow a reasonable opportunity for shareholders to ask questions to the external auditor relevant to the conduct of the audit, the preparation and content of the Independent Auditor's Report, the accounting policies adopted by the Company in relation to the preparation of the FY25 Annual Report and the independence of the external auditor.

In addition to the opportunity to ask questions at the AGM, written questions to the external auditor about the content of the Auditor's Report and the conduct of the audit of the FY25 Annual Report may be submitted using any of the methods set out in the 'Participating in the Annual General Meeting' section above. The questions will be passed on to the external auditor. In addition, a reasonable opportunity will be allowed at the AGM for the external auditor or its representative to answer the questions that have been submitted.

Item 2. Adoption of the Remuneration Report

In accordance with section 250R(2) of the *Corporations Act 2001* (Cth), the Board is presenting the Company's Remuneration Report to shareholders for consideration and adoption by a non-binding vote.

The Remuneration Report was published in the FY25 Annual Report and has been submitted to shareholders for consideration and adoption. A copy is available at: <https://www.cuscal.com/annual-reports/>.

The Remuneration Report:

In the interests of corporate governance, the Directors abstain from making a recommendation in relation to this resolution. The Chairman of the AGM intends to vote all available and undirected proxies in favour of this resolution.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the AGM before shareholders are asked to vote to adopt the Remuneration Report.

Items 3. Re-election of Trudy Vonhoff as a Director

The Board at the date of this Notice of Meeting is comprised of six Non-Executive Directors and one Executive Director (being the Managing Director).

The Board seeks to have an appropriate mix of skills, experience, expertise and diversity to enable it to discharge its responsibilities and enhance the operation of the Company's business and its future strategy. The Board regularly reviews its composition, including the skills matrix to ensure it continues to reflect the necessary and desirable competencies of Directors. Board succession planning and the selection of new Directors is guided by the Board skills matrix, taking into consideration the current Directors' mix of skills, knowledge and experience.

All Directors have extensive business experience in their chosen fields of endeavour, and in business generally and these skills are relevant to the business conducted by the Company.

There is one resolution proposed for the re-election of a Director to the Board.

There were no nominations received from shareholders for the 2025 annual elections.

Pursuant to Rule 6.1(i)(B) of the Company's Constitution, a Director who is not the Managing Director may not hold office without re-election beyond the third AGM following the meeting of shareholders at which the Director was last elected or re-elected.

Ms Trudy Vonhoff, being eligible for re-election pursuant to Rule 6.1(i)(B) of the Company's Constitution, offers herself for re-election.

Trudy Vonhoff

Trudy Vonhoff was appointed to the Cuscal Board on 10 April 2019.

She is the Chairman of the Board Risk Committee and a member of the Board Audit Committee and the Board Remuneration and Nominations Committee.

She is an experienced Non-Executive Director and previously served as a director on the boards of Ruralco Holdings Ltd, AMP Bank Limited, Cabcharge Australia Limited; and Tennis NSW. Trudy also held senior executive positions with Westpac Banking Corporation and AMP Bank Limited.

Trudy brings to the Board strong financial, risk management and governance skills, together with deep experience in financial services.

Trudy holds a Bachelor of Business, a Master of Business Administration and is a Fellow of the Australian Institute of Company Directors and a Senior Fellow of FINSIA.

Other board roles currently held by Trudy include:

- Credit Corp Group Limited (ASX: CCP) (Director and Chair of the Nomination Committee);
- IRESS Limited (ASX: IRE) (Director and Chair of the Audit and Risk Committee);
- Australian Cane Farms Limited (Director); and
- Tennis Australia (Independent Member of the Nominations Committee).

Recommendation: The Board (Ms Vonhoff abstaining) unanimously recommends that shareholders vote in favour of this resolution.

Item 4. Approval of Cuscal Limited Long Term Incentive Plan

The Board is seeking shareholder approval for the Company's Long Term Incentive Plan (**LTI Plan**) which enables the Company to reward and incentivise the Executive Leadership Team and other employees that may be invited to participate in the LTI Plan from time to time. The LTI Plan drives focus on making decisions and implementing strategies that generate long-term shareholder value. Performance measures promote sustainable financial returns and positive shareholder outcomes.

Item 4 is being put to shareholders for the purposes of Exception 13(b) of ASX Listing Rule 7.2. ASX Listing Rule 7.1 restricts the number of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period. Exception 13(b) of ASX Listing Rule 7.2 is an exception to the rule and applies to an issue under an employee incentive scheme if, within three years before the date of the securities being issued, shareholders have approved the scheme.

If this resolution is approved by shareholders, issues under the LTI Plan over the three year period will not be included in the calculation of the Company's 15% annual placement capacity.

If this resolution is not approved by shareholders, any securities issued pursuant to the LTI Plan will be included in the Company's 15% annual placement capacity.

The Directors consider it desirable to maximise the flexibility available to the Company through Exception 13(b) so that the Company may access capital under ASX Listing Rule 7.1 through subsequent equity security issues as required.

The Board is also seeking shareholder approval of the LTI Plan in order that it may obtain the benefit of the exemption in section 260C(4) of the *Corporations Act 2001* (Cth) for financial assistance provided under an employee equity scheme approved by shareholders.

In accordance with Exception 13(b) of ASX Listing Rule 7.2, the Company provides the following information:

- A summary of the terms of the LTI Plan is set out in **Annexure A**;
- Since the Company's listing, 1,637,684 performance rights and share rights have been issued under Exception 13(a) of ASX Listing Rule 7.2; and
- The maximum number of equity securities that the Company proposes to issue under the LTI Plan over the three year period is 5,000,000, being approximately 0.026% of the number of ordinary securities the Company has on issue as at the date of this Notice of Meeting, excluding issues of equity securities approved by shareholders under ASX Listing Rules 10.11 or 10.14. The maximum number is not intended to be a prediction of the actual number of equity securities to be issued under the LTI Plan, simply a ceiling for the purposes of Exception 13(b) of ASX Listing Rule 7.2.

Recommendation: The Board unanimously recommends that shareholders vote in favour of this resolution.

Item 5. Approval of the grant of performance rights to Mr Craig Kennedy under the Cuscal Limited Long Term Incentive Plan in respect of his FY26 Long Term Incentive

The Board is seeking shareholder approval under ASX Listing Rule 10.14 for the proposed issue of performance rights to Mr Kennedy under the Long Term Incentive Plan (**LTI Plan**) in respect of Mr Kennedy's FY26 Long Term Incentive (**LTI**).

ASX Listing Rule 10.14 requires a listed entity to obtain shareholder approval before it issues any equity securities under an employee incentive scheme to specified persons, including a Director of the Company.

Once shareholder approval is obtained under ASX Listing Rule 10.14, the Company is entitled to rely on Exception 8 of ASX Listing Rule 10.12 as an exception to any requirement that may otherwise apply requiring shareholder approval under ASX Listing Rule 10.11. Similarly, shareholder approval will not be required under ASX Listing Rule 7.1, as ASX Listing Rule 7.2 (Exception 14) applies.

In accordance with section 208 of the *Corporations Act 2001* (Cth), to give a financial benefit to a related party, the Company must obtain shareholder approval, unless the giving of the financial benefit falls within an exception to sections 210 to 216 of the *Corporations Act 2001* (Cth).

Mr Kennedy is a related party of the Company for the purposes of section 208 of the *Corporations Act 2001* (Cth) as a Director of the Company. The issue of performance rights to Mr Kennedy constitutes the giving of a financial benefit for the purposes of section 208 of the *Corporations Act 2001* (Cth). Section 211 of the *Corporations Act 2001* (Cth) provides an exception to the requirement to obtain shareholder approval for giving a financial benefit if the benefit is remuneration of a related party as an officer (including a Director) of the Company; and to give the remuneration would be reasonable given the circumstances.

The Board (excluding Mr Kennedy) considers that the proposed issue of performance rights to Mr Kennedy is reasonable in all the circumstances given his role as Managing Director of the Company and that the exception in section 211 of the *Corporations Act 2001* (Cth) applies. Accordingly, the Board (excluding Mr Kennedy) considers that shareholder approval under section 208 of the *Corporations Act 2001* (Cth) is not required for the issue of performance rights to Mr Kennedy.

If this resolution is approved by shareholders the Company will issue the proposed performance rights to Mr Kennedy.

If this resolution is not approved by shareholders, the Board may exercise its discretion to pay cash to Mr Kennedy at the end of four years in lieu of the performance rights, subject to the performance conditions described below.

Managing Director Remuneration for FY26

For FY26 Mr Kennedy will have a target short-term incentive (**STI**) opportunity of 50% of Total Fixed Remuneration (**TFR**) and a maximum STI opportunity of 75% of TFR and an LTI (face value allocation) of 80% of TFR. This appropriately balances the mix of short-term and long-term incentives and aligns the interests of the Managing Director with shareholders.

Mr Kennedy's total remuneration for FY26 is comprised of the following:

1. TFR of \$1,217,823; and
2. Variable remuneration comprising:
 - a) STI with a target opportunity of 50% of TFR and a maximum opportunity of 75% of TFR; and
 - b) An LTI (face value allocation) of 80% of TFR.

The Board is not seeking shareholder approval of Mr Kennedy's FY26 remuneration but rather the FY26 LTI award.

Consistent with Cuscal's Remuneration Framework, the purpose of the LTI award is to drive the focus of the Managing Director to make decisions and implement strategies that generate long-term shareholder value and promote sustainable financial returns, and positive shareholder outcomes.

Proposed FY26 LTI grant to Mr Kennedy

Mr Kennedy's FY26 LTI is to be granted in the form of performance rights issued under the LTI Plan.

For FY26, Mr Kennedy's LTI grant value is \$974,258, equating to 329,831 performance rights, each valued at \$2.95 (rounded to the nearest whole cent) by the Company using the method described under 'Issue Price' in the table below.

For FY26, the proposed LTI grant includes a specific one-off performance tranche linked to the successful delivery of synergies from the announced acquisition of Indue Limited (**Indue Acquisition**). This tranche is designed to reinforce accountability for delivering significant shareholder value through the integration process.

The FY26 LTI grant has been designed to:

- Incentivise exceptional performance in the integration of Indue and realisation of synergies;
- Align Executive interests with shareholders by linking rewards to tangible value creation; and
- Reinforce a culture of accountability and performance excellence during a critical strategic transformation.

The FY26 LTI award is proposed in 3 tranches as set out below. Each performance right will entitle the participant to acquire one share on vesting, subject to the satisfaction of performance conditions and vesting conditions.

Consideration	The performance rights will be issued for nil consideration. There is no loan repayable by Mr Kennedy in respect of these performance rights.

Performance measures and service condition	The FY26 LTI Grant will be issued in three tranches with performance and service conditions as follows: <ul style="list-style-type: none"> • Tranche 1 (28%) will have a 3 year performance period commencing 1 July 2025 and ending 30 June 2028 plus a one year service period ending 30 June 2029 (aligned with the Financial Accountability Regime (FAR)), with Relative TSR as the metric;

- **Tranche 2** (28%) will have a 3 year performance period commencing 1 July 2025 and ending 30 June 2028 plus a one year service period ending 30 June 2029 (aligned with FAR), with Absolute EPS CAGR as the metric; and
- **Tranche 3** (24%) will have a 3 year performance period commencing on completion of the Indue Acquisition plus a one year service period ending one year after the end of the performance period (aligned with FAR). The performance metric will be aligned with the timeline for synergy realisation of the Indue Acquisition, and with metric as delivery of synergies at a minimum 30% overachievement of the synergy target with no increase to cost ratio. In the event the Indue Acquisition does not complete for any reason, Tranche 3 will automatically lapse. Performance will be assessed annually and cumulatively at the end of the performance period, with independent validation of synergy outcomes.

Performance is measured over the relevant three-year performance period for each tranche. The measures operate independently and will be tested at the end of the relevant performance period. The performance rights are also subject to a service condition that requires the Managing Director to be employed by the Company for an additional year following the end of the relevant performance period, except as outlined in Annexure A in relation to treatment on cessation of employment. Performance rights will only vest at the end of the total four year vesting period for each tranche.

Relative TSR

28% of Mr Kennedy's FY26 performance rights will be tested against the Company's Relative total shareholder return (**Relative TSR** relative to a comparator group over the performance period (**TSR Rights**)).

The Company's relative TSR over the relevant performance period will be assessed against the performance of the S&P/ASX 201-300 Index, excluding companies in the Energy and Materials Global Industry Classification Standard sectors (**TSR Comparator Group**) over the performance period. Vesting percentages will be calculated by ranking the Group's TSR performance relative to the TSR Comparator Group over the relevant performance period, as provided in the table below.

Relative TSR over the performance period	Percentage of performance rights that vest
TSR is below the 50 th percentile	0%
TSR is at the 50 th percentile	50%
TSR is between the 50 th and 75 th percentiles	Pro rata straight-line vesting between 50% and 100%
TSR is greater than or equal to the 75 th percentile	100%

Absolute EPS CAGR

28% of Mr Kennedy's FY26 Performance Rights will be tested against the Group's EPS growth over the performance period. EPS growth will be measured by reference to the Group's net profit for the performance period, divided by the weighted average number of shares on issue across the performance period. EPS growth will be expressed as a CAGR percentage as follows:

Absolute EPS CAGR over the performance period	Percentage of performance rights that vest
EPS is below threshold (<9.7%)	0%
EPS is at threshold (9.7%)	50%
EPS is between threshold and maximum performance (>9.7% and <11.5%)	Pro rata straight-line vesting between 50% and 100%
EPS is greater than or equal to maximum performance (≥11.5%)	100%

The Board may (in its absolute discretion) make adjustments to exclude the effects of extraordinary events, material business acquisitions or divestments, and certain one-off costs.

Indue Acquisition – Delivery of synergies	24% of Mr Kennedy's FY26 performance rights will be tested against the Company's delivery of synergies in relation to the announced Indue Acquisition with metric required to meet a minimum 30% overachievement of the synergy target with no increase to cost ratio. In the event the Indue Acquisition does not complete for any reason, Tranche 3 will automatically lapse. Performance will be assessed annually and cumulatively at the end of the performance period, with independent validation of synergy and cost outcomes.
Testing	Performance measures for each tranche will be tested at the conclusion of the performance period for that tranche.
Vesting schedule	<p>The tranches are subject to the following vesting schedule:</p> <p>Tranche 1: 1 June 2029 (4-year vesting) Tranche 2: 1 June 2029 (4-year vesting) Tranche 3: One year following the end of the performance period for Tranche 3 which will be a period of three years commencing on completion of the Indue Acquisition (4-year vesting)</p>
Exercise and expiry of performance rights	<p>On vesting, the performance rights will be automatically exercised and no exercise price is payable by Mr Kennedy.</p> <p>Performance rights that remain unvested by the end of the performance period will lapse automatically.</p>
Treatment of cessation of employment	Refer to Annexure A.
Malus and clawback	Refer to Annexure A.
Dividends and voting rights	Refer to Annexure A.
Board discretion	Refer to Annexure A
Change of Control	The Board will retain ultimate overriding discretion to determine the treatment where a change of control is likely to occur.
Additional information	<p>Mr Kennedy is the only Director currently entitled to participate in the LTI Plan. Details of any performance rights issued under the LTI Plan will be published in the Company's Annual Report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14.</p> <p>If any additional person(s) covered by ASX Listing Rule 10.14 who are not named in the Notice of Meeting become(s) entitled to participate in the LTI Plan after this resolution is approved at the AGM, and who were not named in the Notice of Meeting, they will not participate until shareholder approval is obtained under that rule.</p> <p>Mr Kennedy has previously been issued the following equity securities under the LTI Plan as part of his remuneration:</p> <ul style="list-style-type: none"> • 207,189 performance rights at nil cost; and • 235,442 share rights issued at nil cost. <p>The performance rights to be issued to Mr Kennedy under this resolution will have a diluting effect on the percentage interest of existing shareholders' holdings. The diluting effect of these performance rights is 0.0017% of the Company's issued share capital as at the date of this Notice of Meeting.</p> <p>The Board considers the proposed remuneration arrangements for Mr Kennedy, including the proposed grant of performance rights under the LTI Plan for FY26, to be reasonable and appropriate having regard to the Company's circumstances and Mr Kennedy's duties and responsibilities.</p> <p>Mr Kennedy also holds 20,000 ordinary shares in the Company.</p>

Recommendation: The Board unanimously recommends that shareholders vote in favour of this resolution. Mr Kennedy has a material personal interest in the resolution and, therefore, has abstained from providing a recommendation.

Mr Kennedy is the only Director that has an interest in the outcome of the proposed resolution.

Item 6. Increase in Non-Executive Directors' fee pool

Under Rule 6.3 of the Company's Constitution and ASX Listing Rule 10.17, the maximum aggregate amount payable to Non-Executive Directors for their services to the Company in any financial year may not exceed the shareholder approved maximum (**NED Fee Pool**).

Shareholder approval is being sought to increase the NED Fee Pool for any financial year commencing on or after 1 July 2025 by \$500,000 from \$1,000,000 to \$1,500,000.

In accordance with ASX Listing Rule 10.17, the NED Fee Pool is inclusive of superannuation contributions made by the Company for the benefit of Non-Executive Directors and any fees which a Non-Executive Director agrees to sacrifice on a pre-tax basis. The fees payable to Non-Executive Directors are reviewed annually by the Board Remuneration and Nominations Committee.

Details of the remuneration of each Non-Executive Director are set out in the Remuneration Report published in the FY25 Annual Report for the financial year ended 30 June 2025.

The Board is seeking shareholder approval to increase the NED Fee Pool to ensure it can accommodate the payment of fees to the additional Non-Executive Director proposed to be appointed to the Cuscal Board in the event the Indue Acquisition completes and to accommodate additional fees for members of the Integration Advisory Committee that will report to the Cuscal Board. The increase to the NED Fee Pool will also ensure that the Company can set fees at a competitive level so that it can attract and retain the services of leading Non-Executive Directors into the future.

If this resolution is approved by shareholders the NED Fee Pool will increase to \$1,500,000.

If this resolution is not approved by shareholders, the NED Fee Pool will remain at \$1,000,000. This will mean that the Board will not have the flexibility to accommodate the appointments proposed as part of the Indue acquisition in the event it completes, and any future Non-Executive Director appointments and fees will need to be assessed within the current NED Fee Pool. Non-Executive Directors do not receive incentive payments or equity-based remuneration. No securities in the Company have been issued to any Non-Executive Directors under ASX Listing Rules 10.11 or 10.14 with the approval of shareholders at any time within the preceding three years.

Recommendation: As this resolution relates to matters including the remuneration of the Directors, the Board, as a matter of corporate governance, makes no recommendation regarding this resolution.

Any service-related condition will be deemed to have been satisfied to the extent that the performance conditions have been met.</p> <p>The Board will retain ultimate overriding discretion to apply treatment(s) it deems appropriate in the circumstances.</p>
Malus and clawback	<p>Where, in the opinion of the Board, a participant has obtained, or may obtain, an unfair benefit as a result of an act (whether intentional, inadvertent, direct or indirect), which:</p> <ul style="list-style-type: none"> - Constitutes fraud; dishonest, gross misconduct; or gross incompetence in relation to the affairs of the Company or the Cuscal Group; - Brings the Company or the Cuscal Group into disrepute; - Is in breach of their obligations to the Company or the Cuscal Group, including non-compliance with any applicable Company policy; - Constitutes a failure to perform any other act reasonably and lawfully requested of the participant; or - Has the effect of delivering strong Company performance in a manner that is unsustainable or involves unacceptably high risk, and results or is likely to result in a detrimental impact on Company performance following the end of the period. <p>The Board may, in its absolute discretion, and subject to applicable laws, determine any treatment in relation to the performance rights. This includes, without limitation, to:</p> <ul style="list-style-type: none"> - Reset the performance measures and/or alter the performance period applying to the performance rights; - Deem all or any performance rights, whether unvested or vested, to have lapsed or been forfeited (as relevant); - Require the participant to repay the net proceeds of a sale of shares that have been allocated to them; and/or - Require the participant to repay a sum equal to a cash payment they received pursuant to the terms of the LTI Plan.
Dividends and voting rights	<p>Performance rights do not carry dividend or voting rights prior to vesting.</p> <p>Once the performance and service conditions have been met and the LTI performance rights convert into Cuscal shares, the shares are eligible to receive dividends.</p>

Legal compliance	<p>Notwithstanding any rule in the LTI Plan, securities will not be allocated, issued, acquired, transferred or otherwise dealt with under the LTI Plan if to do so would contravene the <i>Corporations Act 2001</i> (Cth), the ASX Listing Rules, or any other applicable laws (including any applicable foreign law) or require Cuscal or its related bodies corporate to pay, provide, or procure the payment or provision of, any money or benefits to the Participant which would require shareholder approval under Part 2D.2, Division 2 of the <i>Corporations Act 2001</i> (Cth).</p>

To submit a full vote on a resolution ensure you are in the **'Full Vote'** tab. Place your vote by clicking on the **'For'**, **'Against'**, or **'Abstain'** voting buttons.

Partial Votes

To submit a partial vote on a resolution ensure you are in the **'Partial Vote'** tab. You can enter the number of votes (for any or all) resolution/s. The total amount of votes that you are entitled to vote for will be listed under each resolution. When you enter the number of votes it will automatically tally how many votes you have left.

Note: If you are submitting a partial vote and do not use all of your entitled votes, the un-voted portion will be submitted as No Instruction and therefore will not be counted.

Once you have finished voting on the resolutions scroll down to the bottom of the box and click on the **'Submit Vote'** or **'Submit Partial Vote'** button.

Note: You can close your voting card without submitting your vote at any time while voting remains open. Any votes you have already made will be saved for the next time you open up the voting card. The voting card will appear on the bottom left corner of the webpage. The message **'Not yet submitted'** will appear at the bottom of the page.

You can edit your voting card at any point while voting is open by clicking on **'Edit Card'**. This will reopen the voting card with any previous votes made.
