NOTES

1. Explanatory Memorandum

The Explanatory Memorandum accompanying this Notice of Annual General Meeting is incorporated in and comprises part of this Notice of Annual General Meeting and should be read in conjunction with this Notice of Annual General Meeting.

2. Voting Exclusion Statements

Resolution 1 - The Company will disregard votes cast by a member of the Key Management Personnel, details of whose remuneration are included in the Remuneration Report, or a Closely Related Party of such a member, in contravention of section 250R or 250BD of the Corporations Act.

However, such a person may cast a vote on this Resolution if:

- the person is appointed as proxy that specifies how the proxy is to vote on the Resolution, and the vote is not cast on behalf of a person who is otherwise excluded from voting on this Resolution as described above; or
- the person is the Chair voting an undirected proxy and their appointment expressly authorises the Chair to exercise the proxy even though the Resolution is connected with the remuneration of the Key Management Personnel of the Company.

Resolution 3 - At the date of this Notice of Meeting, the Company has not approached any particular existing Shareholder or an identifiable class of existing Shareholders to participate in the issue of the Equity Securities. Accordingly, the proposed persons to whom any Equity Securities may be issued to under the 10% Placement Facility are not as yet known or identified.

In these circumstances (and in accordance with guidance under ASX Guidance Note 21 relating to Listing Rule 7.1A), ASX considers a material benefit to be one that is likely to induce the recipient of the benefit to vote in favour of the transaction regardless of its impact on ordinary security holders. Where it is not known who will participate in the proposed issue (as is the case in respect of any Equity Securities issued under the 10% Placement Facility), Shareholders must consider the proposal on the basis that they may or may not get a benefit and that it is possible that their holding will be diluted, and there is no reason to exclude their votes.

No existing Shareholders' votes will therefore be excluded from voting on Resolution 3.

3. Who may vote

In accordance with Regulation 7.11.37 of the Corporations Regulations, the Company (as convenor of the Meeting) has determined that a person's entitlement to attend and vote at the Meeting will be those persons set out in the register of Shareholders as at 7.00pm (AEDT) on 28 October 2025. This means that any Shareholder registered at 7.00pm (AEDT) on 28 October 2025 is entitled to attend and vote at the Meeting.

4. Direct voting using the Lumi AGM Online Platform

The Meeting will be held by way of a hybrid meeting which means it is being held from a physical location in Melbourne and also being held electronically using the Lumi AGM technology.

To ensure all Shareholders are able to attend the Meeting and are given a reasonable opportunity to participate in the Meeting, the Meeting is being held at a physical site and also electronically using the Lumi AGM technology which gives Shareholders access to join and participate in the Meeting via webcast, submit questions to the Chairman in real time and directly vote at the Meeting using the voting technology.

- If the Shareholder is entitled to cast two or more votes at the Meeting, the Shareholder may appoint two proxies and may specify the proportion or number of the votes which each proxy is appointed to exercise. If the Shareholder appoints two proxies and the appointment does not specify the proportion or number of votes each proxy may exercise, each proxy may exercise half of the votes held by that Shareholder.
- If the Shareholder appoints only one proxy, that proxy is entitled to vote on a show of hands. If a Shareholder appoints two proxies, only one proxy is entitled to vote on a show of hands.
- Where two proxies are appointed, any fractions of votes resulting from the appointment of two proxies will be disregarded.
- A Proxy Form accompanies this Notice.

7. Voting requirements

Recommendation 6.4 of the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (4th edition) and ASX guidance provide that a listed entity should ensure that all substantive resolutions at a meeting of security holders are decided by a poll rather than by a show of hands. In accordance with these recommendations, the Chair has determined in accordance with rule 16.14 of the Constitution that all Resolutions put to Shareholders at the Meeting will be decided by poll rather than by a show of hands.

In accordance with the Company's Constitution and the ASX Listing Rules, each Resolution put to Shareholders at the meeting must be passed by way of an ordinary resolution which requires the Resolution be approved by a majority of votes cast by Shareholders entitled to vote on the Resolution, other than Resolution 1, which is advisory only, and Resolutions 3 and 4, which must be passed by way of a special resolution in accordance with ASX Listing Rule 7.1A and the Corporations Act, such that the Resolution must be approved by 75% of the votes cast by Shareholders entitled to vote on the Resolution.

8. Corporate Representative

Any corporate Shareholder who has appointed a person to act as its corporate representative at the Meeting should provide that person with a certificate or letter executed in accordance with the Corporations Act authorising him or her to act as that company's representative. The authority must be sent to the Company and/or registry at least 24 hours in advance of the Meeting.

EXPLANATORY MEMORANDUM

This Explanatory Memorandum forms part of the Notice convening the Annual General Meeting of Shareholders of Ava Risk Group Limited (**Company**) to be held as a hybrid meeting at Jolimont Foyer, Pullman Melbourne on the Park, 192 Wellington Parade, East Melbourne Vic 3002, and also using online AGM Technology at 11:00 am (AEDT) on 30 October 2025.

This Explanatory Memorandum is to assist Shareholders in understanding the background to, and the legal and other implications of, the Notice and the reasons for the proposed resolutions. Both documents should be read in their entirety and in conjunction with each other.

Financial Report

The *Corporations Act 2001* (Cth) (**Corporations Act**) requires that the report of the Directors, the auditor's report and the financial report be laid before the Annual General Meeting.

Apart from the matters involving remuneration which are required to be voted upon, neither the Corporations Act nor the Constitution requires a vote of Shareholders at the Annual General Meeting on the financial statements and reports.

Shareholders will be given a reasonable opportunity at the Meeting to raise questions and make comments on these reports.

In addition to asking questions at the Meeting, Shareholders may address written questions to the Chairman about the management of the Company or to the Company's auditor, if the question is relevant to:

- (a) the content of the auditor's report; or
- (b) the conduct of its audit of the annual financial report to be considered at the Meeting.

Note: Under section 250PA(1) of the Corporations Act, a Shareholder must submit the question to the Company no later than the fifth business day before the day on which the Annual General Meeting is held.

Written questions for the auditor must be delivered by 5:00pm on Thursday, 23 October 2025. Please send any written questions to:

Resolution 1: Remuneration Report

The Corporations Act requires that at a listed Company's Annual General Meeting, a resolution that the Remuneration Report be adopted must be put to the Shareholders. However, such a resolution is advisory only and does not bind the Directors of the Company.

The Remuneration Report sets out the Company's remuneration arrangements for Key Management Personnel of the Company. The Remuneration Report is part of the Directors' Report contained in the annual financial report of the Company for the financial year ending 30 June 2025. A copy is available on the Company's **website**.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

Voting consequences

Under the Corporations Act, if at least 25% of the votes cast on a Remuneration Report resolution are voted against the adoption of the Remuneration Report in two consecutive Annual General Meetings, the Company will be required to put to Shareholders a resolution proposing the calling of an extraordinary general meeting to consider the appointment of Directors of the Company at the second Annual General Meeting (**Spill Resolution**).

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the extraordinary general meeting (**Spill Meeting**) within 90 days of the second Annual General Meeting, at which all of the Directors (other than the Executive Directors) of the Company, would need to stand for re-election.

Following the Spill Meeting, those persons whose election or re-election as Directors of the Company are approved by the Shareholders, will be the Directors of the Company.

At the Company's 2024 Annual General Meeting, less than 25% of the votes cast on the resolution dealing with the Remuneration Report were voted against the adoption of the Remuneration Report. Accordingly, a Spill Resolution will not be put to this meeting regardless of the votes cast for or against this Resolution 1.

Shareholders should be aware that any undirected proxies given to the Chairman will be cast by the Chairman and counted in favour of Resolution 1, subject to compliance with the Corporations Act.

Directors' recommendation

As the resolution relates to matters including the remuneration of the Directors, the Board, as a matter of corporate governance and in accordance with the spirit of section 250R(4) Corporations Act, makes no recommendation regarding this resolution.

Resolution 2: Re-election of Director – Mr Mark Stevens

Listing Rule 14.5 requires the Company to hold an election of directors at each annual general meeting.

In addition, rule 19.3 of the Company's Constitution provides that no Director, who is not a managing director, may hold office without re-election beyond the third annual general meeting following the meeting at which the Director was last elected or re-elected. Further, at every annual general meeting, 1/3 of the Directors or, if their number is not a multiple of 3, then, subject to the Listing Rules, the number nearest to 1/3, must retire from office and be eligible for re-election. The Directors to retire in each year are the Directors longest in office since last being elected or re-elected. Between Directors who were elected on the same day, the Director to retire, if they cannot otherwise agree, must be determined by ballot.

In accordance with Listing Rule 14.5 and rule 19.3 of the Constitution, Mr Mark Stevens retires and, being eligible, stands for re-election.

Mr Stevens has more than 30 years of experience in senior management roles with multi-national corporations, Mark is a seasoned executive with broad experience in sales and general management in the telecommunications and information technology sector. Mark has held senior positions with Nortel Networks Inc., Aircom International Limited, ECI Telecom Ltd, Transmode Systems AB, and more recently Infinera Corporation. He has lived and worked in Europe, the United States, Singapore and Australia. Mark holds a Master of Business Administration from the University of Melbourne, a Bachelor of Engineering degree from Monash University and is a Graduate Member of the Australian Institute of Company Directors.

Mr Stevens is the Chair of the Company's Audit and Risk Committee.

Directors' recommendation

The Directors (with Mr Stevens abstaining) unanimously recommend that Shareholders vote in favour of this Resolution.

Resolution 3: Approval of 10% Placement Facility

Listing Rule 7.1A enables an eligible entity to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the Annual General Meeting (10% Placement Facility). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity. The Company is now seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer below).

The Directors of the Company believe that Resolution 3 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.

Description of Listing Rule 7.1A

(a) Shareholder approval:

The ability to issue Equity Securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an Annual General Meeting.

(b) Equity Securities:

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company. The classes of quoted equity securities of the Company at the date of the Notice are ordinary Shares.

(c) Formula for calculating 10% Placement Facility:

Listing Rule 7.1A.2 provides that eligible entities which have obtained Shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12 month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

(A x D) – E

A is the number of Shares on issue 12 months before the date of issue or agreement: plus the number of fully paid Shares issued in the 12 months under an exception in Listing Rule 7.2 (other than 9, 16 or 17); plus the number of fully paid Shares issued in the 12 months on the conversion of convertible securities within Listing Rule 7.2 exception 9 where: the convertible securities were issued or agreed to be issued before the commencement of the 12 months; or the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or 7.4; plus the number of partly paid Shares issued in the 12 months under an agreement to issue securities within Listing Rule 7.2 exception 16 where: the agreement was entered into before the commencement of the 12 months; or the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or 7.4; plus the number of partly paid Shares that became fully paid in the 12 months; plus the number of fully paid Shares issued in the 12 months with approval of holders of Shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid Shares under the entity's 15% placement capacity without Shareholder approval; and less the number of fully paid Shares cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of Shareholders under Listing Rule 7.1 or 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A:

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

As at 2 September 2025, the Company has on issue 290,472,026 Shares. As at 2 September 2025, the Company has a capacity to issue a further 43,570,804 securities.

10% Placement Period:

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the earlier to occur of:

- i. the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained;
- ii. the time and date of the Company's next annual general meeting; or
- iii. the time and date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Listing Rule 7.1A

The effect of Resolution 3 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Equity Securities over the 15 Trading Days on which trades in the relevant class were recorded immediately before:
- the date on which the price at which the Equity Securities are to be issued is agreed; or
 - if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the table below. There is a risk that:
- the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date Shareholders provide their approval at the Annual General Meeting; and
 - the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

In accordance with Listing Rule 7.3A.2, the table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue to all Shareholders) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' Meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the market price, as at 2 September 2025.

Variable A in Listing Rule 7.1.A.2		Dilution		
		\$0.0415 50% decrease in Issue Price	\$0.083 Issue Price	\$0.166 100% increase in Issue Price

	Funds Raised	\$1,808,200.82	\$3,616,401.63	\$7,232,803.26

	Funds Raised	\$2,410,934.41	\$4,821,868.82	\$9,643,737.63
580,948,052 Shares				

The table has been prepared on the following assumptions:

- i. the Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 - ii. none of the 481,770 Performance Rights that the Company currently has on issue are exercised into Shares before the date of the issue of the Equity Securities.
 - iii. the 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
 - iv. the table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
 - v. the table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% Placement capacity under Listing Rule 7.1.
 - vi. the issue of Equity Securities under the 10% Placement Facility consists only of Shares.
 - vii. the issue price is \$0.083 being the closing price of the Shares on ASX on 2 September 2025.
- (c) The Company will only issue and allot the Equity Securities during the 10% Placement period. The approval under Resolution 3 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).
- (d) The Company may seek to issue the Equity Securities for cash consideration. In such circumstances, the Company intends to use the funds raised towards an acquisition of new business assets or investments (including expenses associated with such acquisition) and/or general working capital.
- The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities.
- (e) The Company's allocation policy will depend on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility.
- The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to factors including, but not limited to, the following:
- i. the methods of raising funds that are available to the Company, including but not limited to, a rights issue or other issue in which existing Shareholders can participate;
 - ii. the effect the issue of the Equity Securities might have on the control of the Company;
 - iii. the financial situation and solvency of the Company; and
 - iv. advice from corporate, financial and broking advisers (if applicable).
- The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.
- (f) The Company sought and obtained approval from Shareholders under Listing Rule 7.1A at the Annual General Meeting held on 31 October 2024. In accordance with Listing Rule 7.3A.6(a) the Company makes the following disclosure:
- i. Equity Securities on issue as at 31 October 2024 totalled 290,138,693 securities; and
 - ii. The Company has not issued any Equity Securities under Listing Rule 7.1A in the 12 months preceding the Meeting.

At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

Directors' recommendation

The Directors unanimously recommend that Shareholders vote in favour of this Resolution.

Resolution 4 – Amendment to Constitution

The Corporations Act permits a company to include in its constitution provisions prohibiting the registration of a transfer of securities resulting from a proportional takeover bid unless the relevant holders in a general meeting approve the bid. A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares but for the same proportion of each shareholder's shares (Proportional Takeover Bid).

In accordance with section 648D(1)(a) of the Corporations Act, the Company has included rule 15 in its Constitution, whereby a Proportional Takeover Bid for Shares may only proceed after the Proportional Takeover Bid has been approved in a meeting of Shareholders held in accordance with the terms set out in the Corporations Act (Proportional Takeover Provisions).

Pursuant to section 648G(1) of the Corporations Act, Proportional Takeover Provisions are required to be renewed on the third anniversary of the date of the adoption or last renewal of that clause. If the Proportional Takeover Provisions are not renewed, a company's constitution is taken to be altered by omitting the provision pursuant to section 648G(3) of the Corporations Act. Accordingly, rule 15 of the Constitution has ceased to have effect at the end of the third anniversary of its adoption.

A Company may amend its constitution (i.e. by special resolution of Shareholders) to insert the Proportional Takeover Provisions. Resolution 4 is a special resolution requiring approval of at least 75% of Shareholders eligible to vote.

This Resolution, if approved, will enable the Company to modify its Constitution by re-inserting the Proportional Takeover Provisions into the Constitution in the form of rule 15 (as set out in Annexure A of this Explanatory Memorandum). The new rule 15 is in the same form as the previous Proportional Takeover Provisions in the Company's Constitution.

The Company is permitted to seek further Shareholder approval to renew this rule for further periods of up to three years.

A copy of the Constitution was released to ASX on 18 March 2022 and is available for download from the Company's ASX announcements platform.

Information required by the Corporations Act

The following information is required by section 648G of the Corporations Act:

(a) Effect of Proportional Takeover Provisions

Pursuant to the Proportional Takeover Provisions, the registration of a transfer of shares acquired under a proportional off-market bid in respect of a class of securities in a company is prohibited unless and until a majority resolution to approve the proportional off-market bid is passed.

The Directors must ensure that a meeting of Shareholders is convened to vote on the resolution. The resolution must be voted on at least 14 days before the last day of the bid period (**Approving Resolution Deadline**). If no resolution to approve the bid has been voted on at the end of the day before the Approving Resolution Deadline, a resolution to approve the bid is taken to have been passed.

If the resolution is not passed before the Approving Resolution Deadline, the bid cannot proceed and any transfers giving effect to the takeover contracts for the bid will not be registered.

These Proportional Takeover Provisions do not apply to a full takeover bid for all of the Shares in the Company.

(b) Reasons for proposing Resolution 4

A Proportional Takeover Bid may result in the control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These provisions allow Shareholders to decide whether a

Proportional Takeover Bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

(c) Knowledge of any acquisition proposals

As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of a substantial interest in the Company.

(d) Potential advantages and disadvantages of Proportional Takeover Provisions for Shareholders

The potential advantages of the Proportional Takeover Provisions for Shareholders include:

- (i) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (ii) assisting in preventing Shareholders from being locked in as a minority;
- (iii) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (iv) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the Proportional Takeover Provisions for Shareholders include:

- (i) Proportional Takeover Bids may be discouraged;
- (ii) lost opportunity to sell a portion of their Shares at a potential premium price; and
- (iii) the likelihood of a Proportional Takeover Bid succeeding may be reduced.

If a Proportional Takeover Bid is made, the Company will incur the cost of calling a meeting of Shareholders.

(e) Potential advantages and disadvantages of Proportional Takeover Provisions for Directors

The Directors consider that the Proportional Takeover Provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a Proportional Takeover Bid should be accepted.

(f) Review of Proportional Takeover Provisions

There have been no full or Proportional Takeover Bids for the Company in the previous three years. Accordingly, there has been no example against which to review the advantages and disadvantages of the provision for the Directors and Shareholders during the past three years.

Directors Recommendation

The Directors believe that the potential advantages of renewing the Proportional Takeover Provisions outweigh any potential disadvantages and unanimously recommend that Shareholders vote in favour of Resolution 4.
