“This funding will enable us to accelerate the development of Minim Martap and increase our strategic investment in Camrail, providing greater control and certainty over the transport and logistics network that underpins the Project, while also positioning us to expand operations in line with future rail capacity.”

“The investment from Afriland highlights the importance of the Minim Martap project to Cameroon as we move towards our maiden bauxite shipment in the first half of 2026.”

Equity Raising

An equity raising of approximately A\$215 million comprising a two-tranche placement to raise approximately A\$205 million (**“Placement”**) and an options exercise to raise approximately A\$10 million (**“Options Exercise”**) (together, the **“Equity Raising”**).

The Placement of approximately 790 million fully paid ordinary shares (**“New Shares”**) to institutional, sophisticated and professional investors, to raise approximately A\$205 million will comprise:

- An unconditional tranche to raise approximately A\$36 million, via the issue of approximately 137 million New Shares, utilising the Company’s available placement capacity pursuant to ASX Listing Rule 7.1 (**“Tranche 1”**); and
- A conditional tranche to EEA and Afriland (see below) to raise approximately A\$170 million, via the issue of approximately 653 million New Shares, which will be subject to shareholder approval, to be sought at a forthcoming Annual General Meeting (**“AGM”**) expected to be held in November (**“Tranche 2”**).

For the avoidance of doubt, all incoming institutional investors will receive their allocation in Tranche 1.

The Offer Price of A\$0.26 per New Share represents a 5.5% discount to Canyon’s last traded price on ASX of A\$0.275 (as at 22 September 2025) and a 9.6% discount to the 5-day volume-weighted average price (**“VWAP”**) on ASX of A\$0.288 (over the period up to and including 22 September 2025).

The Placement is not underwritten.

Strategic Investment

As part of the Equity Raising, there will be an approximately A\$110 million strategic investment from the Company’s major shareholder Eagle Eye Asset Holdings (**“EEA”**) comprising the exercise of approximately 137 million options at an exercise price of A\$0.07 to raise approximately A\$10 million as well as a commitment to subscribe for approximately A\$100 million under Tranche 2, subject to shareholder approval.

Furthermore, Afriland Bourse & Investissement (**“Afriland”**) (a wholly owned subsidiary of Afriland First Bank, which is the largest financial services group in Cameroon) has committed to subscribe for up to approximately A\$70 million under Tranche 2 (together with the strategic investment from EEA, the **“Strategic Investments”**). The investment by Afriland is subject to Afriland obtaining any and all necessary approvals from the Banque des États de l’Afrique Centrale (**“BEAC”**), the central bank for the Central African Economic and Monetary Community, the Commission de Surveillance du marché financier de l’Afrique Centrale (COSUMAF), the market regulator for the Central African Economic and Monetary Community and the Government of Cameroon to approve the subscription for New Shares.

The Strategic Investments will settle entirely in Tranche 2 and are subject to shareholder approval at the forthcoming AGM expected to be held in November.

Following settlement of Tranche 2, EEA will maintain their shareholding at 56.5% and Afriland will emerge as a 10.1% shareholder in Canyon.
