Background

The Company's Constitution provides that any Director appointed in addition to the existing Directors will hold office until the next following annual general meeting and is then eligible for re-election.

ASX Listing Rule 14.4 also provides that each additional director appointed during the year is to hold office until the next annual general meeting and is then eligible for election as a Director of the Company.

The Board, having assessed Mr Bodegraven's associations and experience, and given that he also acts as the Company's group Sales and Marketing Manager, has determined that he is not independent.

Directors' Recommendation

Resolution 2 is an ordinary resolution and so requires the approval of more than 50% of the votes cast by Shareholders.

The Chair intends to vote all available undirected proxies in favour of this Resolution.

Resolution 3 – Re-election of Mr Brendan Mason as Director

Background

The Company's Constitution requires that, in accordance with rule 38.1(c), a Director must retire at the end of the Annual General Meeting and, being eligible, offers himself for re-election as a Director of the Company.

ASX Listing Rule 14.4 also provides that each Director must not hold office (without re-election) past the third annual general meeting following the Director's appointment or 3 years, whichever is longer.

Mr Brendan Mason was appointed a Director of the Company on 29 July 2017 and was last re-elected as a Director at the Company's 2024 AGM.

Under this Resolution, Mr Mason has elected to retire by rotation, and being eligible, seeks re-election as a Director of the Company at this AGM.

He is a member of the Company's Audit, Risk & Finance Committee and the Company's Remuneration & Nomination Committee.

The Board, having assessed Mr Mason's associations and experience, and has determined that he

is independent.

Directors' Recommendation

The Directors (excluding Mr Mason) recommend that Shareholders vote for this Resolution.

Resolution 3 is an ordinary resolution and so requires the approval of more than 50% of the votes cast by Shareholders.

The Chair intends to vote all available undirected proxies in favour of this Resolution.

Voting Exclusions

There are no voting exclusions on this Resolution.

Resolution 4 – Ratification of Prior Issue of 1,500,000 Shares to Keaz Limited

Background

As announced by the Company on 25 March 2025, the Company issued 1,500,000 Shares to Keaz Limited utilising the Company's existing capacity under Listing Rule 7.1.

On 25 March 2025, the Company had signed an Asset Agreement for the acquisition of IP from Keaz Limited (Hong Kong) for the amount of \$120k. These shares will be voluntarily escrowed for the period of 12 months from the date of issue, being 25 March 2026.

ASX Listing Rule 7.1

This Resolution proposes that Shareholders of the Company approve and ratify the prior issue and allotment of 1,500,000 Shares, which were issued on 26 March 2025.

All of the Shares were issued by utilising the Company's existing capacity under Listing Rule 7.1.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The Shares did not fit within any of the exceptions to Listing Rule 7.1 and, as it has not been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the Issue Date.

Listing Rule 7.4 allows the Shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval to subsequently approve the issue of Shares for the purposes of Listing Rule 7.4.

If this Resolution is passed, the issue of Shares will be excluded in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12 month period following the Issue Date.

If this Resolution is not passed, the issue of Shares will be included in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12 month period following the Issue Date.

Resolution 5 – Ratification of Prior Issue of 15,357,143 Placement Shares

Background

On 16 April 2025, the Company announced that the Company has completed a share placement to sophisticated and professional investors to raise \$1,075,000 at 7 cents per share.

The proceeds from the share placement will be used to accelerate Orcoda's direct sales & marketing strategy to significantly grow its annual recurring revenue, and for general working capital purposes.

Specifically, the Company is in the advanced stage of hiring two senior sales executives who have deep consulting experience and connections in the resources sector and public sector to drive SaaS sales and sales of Orcoda Workforce Logistics System (OWLS), the patented proprietary workforce mobilisation and management software platform which applies to mining, oil & gas projects and to Government infrastructure projects.

The Company has agreed to issue 15,357,143 fully paid ordinary shares at 7 cents per share to several sophisticated and professional investors to raise \$1,075,000, pursuant to and within the Company's capacity under ASX Listing Rule 7.1A.

The issue price of \$0.07 per share represents a 10% discount to the Company's 15-day VWAP of \$0.078 prior to the request for a trading halt on 14 April 2025.

This Resolution proposes that Shareholders of the Company approve and ratify the prior issue and allotment of 15,357,143 Placement Shares, which was issued on 22 April 2025 (**Issue Date**) and were issued under Listing Rule 7.1A

At last year's AGM, the Company sought and obtained approval of its Shareholders under Listing Rule 7.1A to increase this 15% limit by an extra 10% to 25%.

The issue of 15,357,143 Placement Shares did not fit within any of the exceptions (to Listing Rules 7.1 and 7.1A) and, as it has not been approved by the Company's Shareholders, it effectively uses up the 10% limit in Listing 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under 7.1A for the 12 month period following the Issue Date (noting that the extra 10% under Listing Rule 7.1A will expire unless re-approved by the Company's Shareholders on an annual basis).

Listing Rule 7.4 allows the Shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

A note to Listing Rule 7.4 also provides that an issue made in accordance with Listing Rule 7.1A can be approved subsequently under Listing Rule 7.4 and, if it is, the issue will then be excluded from variable "E" in Listing Rule 7.1A.2 (which means that the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1A is not reduced).

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval to subsequently approve the issue of 15,357,143 Placement Shares for the purposes of Listing Rule 7.4.

If this Resolution is passed, the issue of 15,357,143 Placement Shares under the Placement will be excluded in calculating the Company's 10% capacity to issue equity securities under Listing Rules 7.1A (10%) without Shareholder approval over the 12-month period following the Issue Date.

If this Resolution is not passed, the issue of 15,357,143 Placement Shares under the Placement will be included in calculating the Company's 10% capacity to issue equity securities under Listing Rule 7.1A (10%) without Shareholder approval over the 12-month period following the Issue Date.

Information required by ASX Listing Rule 7.5

The following information is provided to Shareholders for the purposes of Listing Rule 7.5.

- The Placement Shares were issued to professional and sophisticated investors identified by the Company. No broker was used for the placement, and no commission will be payable. None of the allottees were related parties. There were two Placement holders who were associated with substantial shareholders:
 - (i) Deemrend Pty Ltd – shares allotted in placement = 7,142,857 which is more than 1% of the shares on issue. Deemrend owns 3.87% of the capital of the Company and is not a substantial shareholder by itself but associated entities being associated through Stephen Pronk hold the following:
 - (a) Pronk Holdings Pty Ltd – 13,077,084 shares = 7.03%
 - (b) Tulip Super Fund – 2,000,000 shares = 1.03%Therefore, collectively Mr Stephen Pronk's associated entities own 11.98% of the shares on issue therefore collectively are a substantial shareholder.
 - (ii) Chembank Pty Ltd that was allotted 3,000,000 shares which is more than 1% of the issued capital:

(a) Chembank – owns 7,000,000 shares = 3.76% of the capital of the Company and is not a substantial shareholder by itself but associated entities, being associated through Andrew Carr hold the following:

(b) Blanco Trading Pty Ltd – owns 8,000,000 shares = 4.3%

Therefore, collectively, Mr Andrew Carr associated entities own 8.06% of the shares on issue; therefore, collectively are a substantial shareholder.

- The Company issued 15,357,143 Placement Shares.
- The Placement Shares were fully paid on issue and ranked equally in all aspects with all existing fully paid ordinary shares previously issued by the Company.
- The Placement Shares were issued on 22 April 2025.
- Each of the Placement Share were issued at an issue price of 7 cents per share, which raised \$1,075,000.
- Funds raised from the issue of the Shares have been and will be used by the Company for to accelerate the direct sales and marketing strategy to significantly grow its annual recurring revenue and for general working capital purposes.

Special Resolution

Resolution 6 – Adoption of New Constitution

Background

Under section 136(2) of the Corporations Act, a company may modify or repeal its constitution or a provision of its constitution by special resolution of its shareholders.

Resolution 6 seeks the approval of Shareholders to repeal the Existing Constitution and adopt the New Constitution as the constitution of the Company.

The New Constitution reflects amendments to the Corporations Act and ASX Listing Rules and developments in general corporate governance practices by ASX-listed companies since listing (being the date the Existing Constitution was adopted).

The Company is proposing to adopt the New Constitution, which is referenced in Annexure A in substitution for, and to the exclusion of, the Existing Constitution, which is to be repealed. The New Constitution is broadly consistent with the provisions of the Existing Constitution, and that Directors believe the amendments are not material nor will they have any significant impact on Shareholders.

The proposed Replacement Constitution is available for viewing on the company's website at <https://www.orcoda.com.au/investors>. A copy of the Replacement Constitution, signed by the Chairman for the purposes of identification, will be tabled at the Annual General Meeting.

Under the Corporation Act, the Company may elect to either amend parts of its existing constitution or replace the entire document. As there have been a number of changes to the Corporations Act and Listing Rules since the adoption of the existing constitution being with the current Constitution, even with the former name of the Company and very outdated, the directors consider that it is preferable in the circumstances to repeal the existing document and replace it with the Replacement Constitution rather than to amend and insert specific updates. Accordingly, if the Resolution for Item 6 is passed, the existing constitution will be repealed in its entirety and replaced with the Replacement Constitution.

The Replacement Constitution has been noted by ASX and contains a number of changes to the company's current constitution. Many of these changes are administrative or minor in nature. A brief overview of the material differences between the current constitution and the Replacement Constitution is set out in the table below. This overview is not exhaustive and does not identify all of the differences between the existing constitution and the Replacement Constitution. There have been no fundamental changes to shareholders' rights, such as the right to vote at a general meeting or to participate in dividends.

Shareholders will have the opportunity to ask questions about the Replacement Constitution at the Annual General Meeting or by contacting the Company Secretary.

Professional Advice

If you have any doubt or do not understand this Resolution, it is strongly recommended that you seek advice from a solicitor or other professional advisor.

Directors' Recommendation

The Board of Directors recommend Shareholders vote for this Resolution.

This Resolution is a Special Resolution. For a Special Resolution to be passed, at least 75% of the votes validly cast on the resolution by Shareholders (by number of ordinary shares) must be in favour of this Resolution.

The Chair intends to vote all available undirected proxies in favour of Resolution 6.

Voting Exclusions

There are no voting exclusions on this Resolution.

Resolution 7 – ASX Listing Rule 7.1A Approval of Future Issue of Securities (Additional 10% Placement Capacity)

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to add an additional 10% capacity.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the

S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

As of the date of this Notice of Meeting, the Company has a market capitalisation of approximately **\$13.12 million** and therefore is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

This Resolution seeks Shareholder approval by way of a special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

Information Required by ASX Listing Rule 7.3A

The following information is provided to Shareholder for the purposes of Listing Rule 7.3A.

Period for which the approval will be valid

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) the date which is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) the time and date of the entity's next annual general meeting; and
- (c) the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Minimum price at which the equity securities may be issued under Listing Rule 7.1A

Any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company's equity securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume-weighted average market price of the equity securities in that class, calculated over 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at the equity securities are to be issued is agreed by the Company and the recipient of the equity securities; and
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a), the date on which the equity securities are issued.

Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholders approve this Resolution. However, if Shareholders approved this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used for the following purposes:

- (a) raising funds to further develop the Company's business; and

- (b) raising funds to be applied to the Company's working capital requirements.

Risk of economic and voting dilution to existing ordinary Securityholders

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' economic and voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

The table below shows the potential dilution of existing Securityholders on the basis of 3 different assumed issue prices and values for the variable "A" in the formula in rule 7.1A.2:

Variable "A" ASX Listing Rule 7.1A.2		Potential Dilution and Funds Raised		
		\$0.035 50% decrease in issue price	\$0.070 issue prices ^(b)	\$0.140 100% increase in issue price

"A" is a 50% increase in shares on issue, being	10% voting dilution^(c)	28,127,132	28,127,132	28,127,132
	Funds raised	\$984,450	\$1,968,899	\$3,937,798

	Funds raised	\$1,312,599	\$2,625,199	\$5,250,398

Notes:

- (a) Based on the total number of fully paid ordinary Shares on issue as at 12 September 2025.
- (b) Based on the closing price of the Company's Shares on ASX as at 12 September 2025.
- (c) The table assumes that the Company issues the maximum number of ordinary Shares available to be issued under Listing Rule 7.1A.
- (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of equity securities under Listing Rule 7.1A based on that Shareholder's holding at the date of this Explanatory Statement.
- (e) The table shows the effect of an issue of equity securities under Listing Rule 7.1A only, not under the Company's 15% placement capacity under Listing Rule 7.1.

Allocation policy for issues under Listing Rule 7.1A

The Company's allocation policy and the identity of the allottees of equity securities under Listing Rule 7.1A will depend on a number of factors, including:

- (a) the Company's intentions in relation to the possible issue of equity securities (for cash consideration) during the Listing Rule 7.1A mandate period;
- (b) the structure and timeframe of the capital raising opportunities available to the Company and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
- (c) the potential effect on the control of the Company;
- (d) the Company's financial position and the likely future capital requirements; and
- (e) advice from the Company's corporate or financial advisors.

Based on the Company's historical cashflow reports and capital raising activities in the past 12 months, the Company considers that it may raise funds during the Listing Rule 7.1A mandate period, although this cannot be guaranteed. As of the date of this Notice, no specific intention to issue equity securities in relation to any parties, investors or existing Securityholders have been formed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules and the Corporations Act, the Board of Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

If and when the determination is made to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company's obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

Issue or agreement to issue equity securities under Listing Rule 7.1A in the 12 months prior to AGM

The total cash consideration received for the Placement was raise \$1,075,000.

From this amount of cash, the Company has spent to date, a total of \$735,000 in (i) \$ 435,000 hiring of new salespersons and (ii) \$300,000 working capital. The remaining amount of cash is \$340,000
