How the Chair Intends to Vote Available Proxies

The Chair of the Meeting intends to vote all available proxies in favour of the Resolutions set out in this Notice.

Any directed proxies that are not voted on a poll at the Meeting will automatically default to the Chair of the Meeting, who is required to vote proxies as directed.

Proxy voting by KMP

Resolutions 1, 3 and 4 relate to the remuneration of KMP (being the Directors).

If a Shareholder who is not a member of the Company's KMP appoints a member of the Company's KMP (being the Directors) or one of the KMP's closely related parties (such as close family members or any controlled entities) as their proxy, the proxy will not be able to cast the Shareholder's votes on Resolutions 1, 3 or 4 unless the proxy is directed how to vote or the Chair of the Meeting is appointed as proxy.

If the Chair of the Meeting is appointed as a Shareholder's proxy or becomes their proxy by default and the Shareholder does not mark a voting box on the Proxy Form for Resolutions 1, 3 or 4 (as applicable), then by completing and submitting the Proxy Form the Shareholder will be expressly authorising the Chair of the Meeting to exercise the proxy in respect of Resolutions 1, 3 or 4 (as applicable) as the Chair decides, even though the item is connected with the remuneration of the Company's KMP.

Voting Exclusions

Certain voting restrictions apply to Resolution 1 (Adoption of the Remuneration Report), and Resolutions 3, 4, 5 and 6 (Issue of Performance Rights to the Managing Director & CEO, Mr Loui Kannikoski, the Executive Director Finance, Mr Andrew Wackett, the GM Corporate Services, Ms Kerren Kannikoski, and the GM WA Operations, Mr Tom Kannikoski, respectively), as set out on page 11.

If you wish to appoint a member of the KMP (which includes each of the Directors and the Chair) as your proxy or attorney, please read the voting exclusions carefully.

Terms and abbreviations used in this Explanatory Statement are defined in the Glossary on page 25.

FY25 Financial Statements and Reports

In accordance with the Corporations Act, the Financial Report and the Directors' and Auditor's Reports for the year ended 30 June 2025 (**FY25**) will be put before the Annual General Meeting. These reports are contained within the Company's 2025 Annual Report.

This is the Company's second Annual Report since listing on the ASX on 30 July 2024.

The **2025 Annual Report** is available at:
<https://investors.bhagwanmarine.com/presentations-and-reports>

At the Meeting, the Chair will provide Shareholders with a reasonable opportunity to ask questions about and make comments on these reports.

KPMG Auditor Partner, Mr Hayden Rutters will also be available at the Meeting, and a reasonable opportunity will be given to Shareholders to ask questions of the Auditor relevant to the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted in relation to the preparation of the financial statements, and the independence of the Auditor in relation to the conduct of the audit.

Shareholders may also submit written questions to the Auditor on the content of the Auditor's Report or the conduct of its audit for the year ended 30 June 2025. Such questions must be received by no later than 22 October 2025. The Auditor is not required to provide written answers.

The Corporations Act does not require a formal resolution on this matter.

Resolution 1 – Adoption of the Remuneration Report

In accordance with section 250R of the Corporations Act, Shareholders are asked to consider and vote on the adoption of the Remuneration Report for the year ended 30 June 2025, as presented on pages 52 to 66 of Bhagwan's 2025 Annual Report.

The Company was listed on the ASX on 26 July 2024. The FY25 Remuneration Report outlines our first full year's remuneration arrangements, as a publicly listed company, for Key Management Personnel (**KMP**).

The FY25 Remuneration Report contains information about the remuneration arrangements for KMP, including the Non-Executive Directors, the Managing Director & CEO, and other Executive KMP, for the financial year ended 30 June 2025.

At the Meeting, the Chair will provide Shareholders a reasonable opportunity to ask questions about and make comments on the FY25 Remuneration Report.

The vote on the adoption of the FY25 Remuneration Report is advisory only and does not bind the Company or its Directors. However, the Board will actively consider the outcome of the vote and comments made by Shareholders on the FY25 Remuneration Report at the Meeting when reviewing remuneration policies and practices for future years.

If at least 25% of the votes cast are against the adoption of the FY25 Remuneration Report at two consecutive annual general meetings, the Company will be required to put a resolution to the second annual general meeting (**Spill Resolution**), to approve calling a general meeting (**Spill Meeting**). If more than 50% of shareholders vote in favour of the Spill Resolution, the Company must then convene a Spill Meeting within 90 days of the second annual general meeting. All of the Directors who were in office when the applicable Directors' Report was approved, other than the Managing Director, will need to stand for re-election at the Spill Meeting if they wish to continue as Directors.

If at least 25% of the votes cast on this Resolution are against the adoption of the FY25 Remuneration Report, it will not result in the Company putting a Spill Resolution to Shareholders, as voting at the 2024 AGM on the adoption of the FY24 Remuneration Report was 100% in favour.

Board Recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 1.

The Chair intends to vote undirected proxies in favour of Resolution 1.

Resolution 2 – Re-election of Ms Tracey Horton AO as a Director

The Company's Constitution and ASX Listing Rule 14.4 provide that a Director (excluding the Managing Director) must not hold office without re-election past the third annual general meeting following that Director's appointment or three years, whichever is longer. Clause 47(b) of the Company's Constitution provides that if no Director is required to retire pursuant to clause 47(a) of the Constitution, the Director to retire at the Meeting is a Director (other than the Managing Director) who wishes to retire and offer themselves for re-election.

Accordingly, Ms Tracey Horton retires in accordance with clause 47(b) of the Company's Constitution and ASX Listing Rule 14.4 and, being eligible, offers herself for re-election.

Resolutions 3, 4 and 5 – Issue of Performance Rights to the Managing Director & CEO, Mr Loui Kannikoski, the Executive Director Finance, Mr Andrew Wackett and the GM Corporate Services, Ms Kerren Kannikoski (respectively)

Background

Shareholder approval is being sought under ASX Listing Rule 10.14 for the proposed grant of Performance Rights under the Incentive Awards Plan to each of the following persons who is either a related party of the Company or an associate of a related party of the Company:

- the Managing Director & CEO, Mr Loui Kannikoski, for the issue of 574,870 Performance Rights (**Resolution 3**);
- the Executive Director Finance, Mr Andrew Wackett, for the issue of 389,834 Performance Rights (**Resolution 4**); and
- the General Manager of Corporate Services, Ms Kerren Kannikoski (who is an associate of Mr Loui Kannikoski), for the issue of 203,062 Performance Rights (**Resolution 5**).

Each of the above proposed issues of Performance Rights will be voted on as separate Resolutions as set out in the Notice, and the voting exclusion set out on page 11 will be applicable.

The Board considers that the proposed grants and issue of Performance Rights to Mr Loui Kannikoski, Mr Andrew Wackett and Ms Kerren Kannikoski (each an executive in the Company holding senior management roles) is in the Company's interests as it further aligns the interests of each of those executives with the interests of Shareholders to maximise Shareholder value.

The grant of Performance Rights under the Company's Incentive Awards Plan forms part of the Company's remuneration strategy, which seeks to build a performance-oriented culture that:

- supports the achievement of the Company's strategic vision, growth and progression as one of Australia's leading marine solutions companies; and
- attracts, retains and motivates executives by providing market-competitive fixed remuneration and incentives.

The proposed grants of Performance Rights under the Company's Incentive Awards Plan will form part of each executive's remuneration package and long-term incentive opportunity for the financial year ending 30 June 2026.

It is anticipated that further grants of Performance Rights will be made to Mr Loui Kannikoski, Mr Andrew Wackett and Ms Kerren Kannikoski each year as a long-term incentive and as part of their executive remuneration arrangements.

The number of Performance Rights proposed to be issued was calculated with input from an independent remuneration advisor who has indicated that the total remuneration package (including the grant of Performance Rights) for Mr Loui Kannikoski, Mr Andrew Wackett and Ms Kerren Kannikoski is within the range of market practice for similar roles in comparable ASX-listed and private companies, and the Directors (excluding Mr Loui Kannikoski and Mr Andrew Wackett) therefore consider the grant of the Performance Rights under Resolutions 3, 4 and 5 to be reasonable remuneration.

If Resolutions 3, 4 and 5 (each a separate Resolution) are passed, it is anticipated that the Performance Rights will be granted to Mr Loui Kannikoski, Mr Andrew Wackett and Ms Kerren Kannikoski (or their nominee) (respectively) on or around 14 November 2025.

Summary of the Material Terms of Performance Rights

Each Performance Right proposed to be granted and issued to Mr Loui Kannikoski, Mr Andrew Wackett, and Ms Kerren Kannikoski will give them the right to receive one Share in the Company, subject to the achievement of the performance conditions (set out below) at the end of a three-year performance period beginning on 1 July 2025 and ending on 30 June 2028 (**Performance Period**).

The number of Performance Rights to be issued is calculated based on each executive's maximum long-term incentive opportunity, divided by \$0.493, being the 5-day VWAP of Bhagwan Marine Shares at 30 June 2025.

No value will be received by the recipient of the relevant Performance Rights if the performance conditions attached to those Performance Rights are not met, or the Performance Rights otherwise lapse.

The proposed Performance Rights will, if approved, be issued under the Incentive Awards Plan as approved by Shareholders on 12 November 2024. A summary of the Incentive Awards Plan is set out in **Annexure A**. The Incentive Awards Plan provides a framework under which individual grants of equity or equity-based incentive awards.

The material terms and performance conditions of the proposed grant of Performance Rights are set out in **Annexure B**.

Performance Conditions Applicable

The Performance Rights are subject to the achievement of two performance conditions comprising EBITDA growth and relative total shareholder return over the Performance Period.

The Performance Rights will be weighted as follows:

- 50% of the Performance Rights will be subject to a performance measure based on the Company's EBITDA compound annual growth rate (**EBITDA CAGR**) of 5% to 15% over the Performance Period (**EBITDA CAGR Performance Rights**); and
- 50% of the Performance Rights will be subject to a relative total shareholder return (**rTSR**) performance measure over the Performance Period (**rTSR Performance Rights**).

The Board considers EBITDA CAGR growth over the Performance Period an appropriate measure for long-term incentives, as it is well understood within the business and a key measure of performance and shareholder value. The Board will continue to evaluate this measure in future years. EBITDA is a measure of the Company's profitability before interest, tax, depreciation and amortisation. EBITDA also indicates how much cash the Company makes and is a widely used metric for measuring performance.

The Board believes that rTSR is well accepted by the market as a key measure of performance. rTSR is a measure of the performance of the Company's Shares over a defined period compared with the TSR of a comparator group of companies.

Performance Conditions – EBITDA CAGR Performance Rights

The EBITDA CAGR must be met for all or part of the Performance Rights to vest. The Board has set the EBITDA CAGR at 5% to 15% over the Performance Period.

Details of the vesting schedule for EBITDA CAGR Performance Rights are set out below:

EBITDA CAGR over the 3- year Performance Period	% of Performance Rights that Vest
Less than 5% EBITDA CAGR	Nil
At 5% EBITDA CAGR	25%
Between 5% and 15% EBITDA CAGR	Straight line pro-rata
At or above 15% EBITDA CAGR	100%

Measuring EBITDA - EBITDA is calculated using statutory earnings before interest, tax, depreciation and amortisation. Where EBITDA means the underlying consolidated EBITDA of the group over the Performance Period attributable to the Company's Shareholders, normalised for foreign exchange gains or losses and for non-recurring or irregular items (such as transaction costs related to M&A, restructuring costs and other items deemed by the Board to be non-recurring/irregular). The base EBITDA will be \$50.9m, being proforma EBITDA for the year ending 30 June 2025.

Performance Conditions - rTSR Performance Rights

The rTSR must be met for all or part of the Performance Rights to vest. The Board has set relative TSR hurdles between the P50 and P75 of the Comparator Group for the Performance Period.

The Comparator Group is set out in **Annexure C** and includes companies listed on the ASX with a higher and lower market capitalisation than Bhagwan.

Details of the vesting schedule for rTSR Performance Rights are set out below:

rTSR over the 3-year Performance Period	% of Performance Rights that Vest
Less than P50	Nil
At P50	50%
Between P50 and P75	Straight line pro-rata
At or above P75	100%

Vesting of Performance Rights

The Board will assess the extent to which the above performance conditions were achieved at the end of the Performance Period and determine the number of Performance Rights that vest.

The Performance Rights lapse if the performance conditions are not met at the end of the relevant Performance Period.

Exercise of Vested Performance Rights

No exercise price is payable on exercise of the Performance Rights and the Company will not raise any funds from the grant of the Performance Rights or on their exercise.

If the performance conditions are satisfied, all or part of the Performance Rights will vest and become exercisable within 15 years from the date of grant at the election of the holder.

On exercise of the vested Performance Rights, the Board has the discretion to either issue new Shares, or a cash payment of equivalent value or acquire Shares on-market to satisfy the exercise of Performance Rights.

Treatment of Performance Rights on Cessation of Employment

If Mr Loui Kannikoski, Mr Andrew Wackett and Ms Kerren Kannikoski resign and their employment is terminated for cause before the vesting date, all of their unvested Performance Rights will lapse (unless the Board determines otherwise).

If Mr Loui Kannikoski, Mr Andrew Wackett and/or Ms Kerren Kannikoski (all being executives) cease employment after the Performance Rights have vested but not been exercised, each may continue to hold the vested Performance Rights depending on the circumstances of cessation of employment.

Takeover or Other Change of Control of Bhagwan Marine

In the event of a Change of Control or Business Sale (defined in **Annexure B**):

- a) any performance conditions in respect of unvested Performance Rights will be deemed to be automatically waived unless and to the extent the Board otherwise resolves; and
- b) the Board may require that all vested Performance Rights be exercised as part of a Change of Control/Business Sale, failing which they lapse.

Board Discretions

Under the Incentive Awards Plan, the Board has a number of other discretions in relation to Performance Rights. This includes the ability to exercise clawback powers in certain circumstances, and subject to the Corporations Act and the ASX Listing Rules, to amend the terms applying to Performance Rights.

Subject to the ASX Listing Rules, and in accordance with the Incentive Awards Plan, the Board also has the discretion to waive or reduce in whole or in part the performance conditions.

ASX Listing Rule 10.14

ASX Listing Rule 10.14 provides that, subject to certain exceptions, a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme unless the Company obtains the prior approval of its Shareholders:

- ASX Listing Rule 10.14.1 - a Director (in the case of a trust, a director of the responsible entity of the trust);
- ASX Listing Rule 10.14.2 - an associate of a person referred to in Listing Rule 10.14.1; or
- ASX Listing Rule 10.14.3 - a person whose relationship with the Company or a person referred to in ASX Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its Shareholders.

The proposed grant of Performance Rights and the subsequent acquisition of Shares by Directors Mr Loui Kannikoski and Mr Andrew Wackett, falls within ASX Listing Rule 10.14 and, therefore, require Shareholders' approval unless an exception applies.

ASX Listing Rule 10.14 also applies to the proposed grant of Performance Rights to Ms Kerren Kannikoski, as she is an associate of Mr Loui Kannikoski, a Director.

It is currently intended that the Company issue new Shares upon the vesting and exercise of the Performance Rights.

Accordingly, Resolutions 3, 4 and 5 are seeking Shareholder approval in respect of the grant of Performance Rights to Mr Loui Kannikoski, Mr Andrew Wackett and Ms Kerren Kannikoski (respectively), and the subsequent issue, transfer or allocation of, and acquisition of Shares in respect of those Performance Rights, under the Incentive Awards Plan for the purposes of ASX Listing Rule 10.14 and all other purposes.

Information Required by ASX Listing Rule 10.15

For the purposes of the Shareholder approval sought under ASX Listing Rule 10.14 and in accordance with the requirements of ASX Listing Rule 10.15 and for all other purposes, the following information is provided to Shareholders in respect of the proposed grant of Performance Rights:

- a) the persons to acquire the Performance Rights under the Incentive Awards Plan are each of Mr Loui Kannikoski, Mr Andrew Wackett and Ms Kerren Kannikoski or each of their respective nominees;

- b) Mr Loui Kannikoski and Mr Andrew Wackett, being Directors of the Company, fall within ASX Listing Rule 10.14.1. Ms Kerren Kannikoski is an executive of the Company and an associate of Mr Loui Kannikoski, and therefore falls within the scope of ASX Listing Rule 10.14.2;
- c) the maximum number of Performance Rights under the Incentive Awards Plan for the financial year ending 30 June 2025, which Performance Rights may vest into an equivalent number of Shares if stretch performance hurdles are met, are as follows:
- Mr Loui Kannikoski (or his nominee) – maximum number of 574,870 Performance Rights and, if vested and exercised, 574,870 Shares;
 - Mr Andrew Wackett (or his nominee) – maximum number of 389,834 Performance Rights and, if vested and exercised, 389,834 Shares; and
 - Ms Kerren Kannikoski (or her nominee) – maximum number of 203,062 Performance Rights and, if vested and exercised, 203,062 Shares;
- d) the current total remuneration package for Directors, Mr Loui Kannikoski and Mr Andrew Wackett, is set out on page 18;
- e) a summary of the material terms of the Performance Rights to be issued under the Incentive Awards Plan (including the vesting conditions attached to the Performance Rights) is set out in **Annexure B**;
- f) the proposed grant of Performance Rights is being used as an incentive, motivation, and retention tool for Mr Loui Kannikoski, Mr Andrew Wackett and Ms Kerren Kannikoski (all being executives of the Company in full-time employment) to link their annual remuneration to the Company's performance. Performance Rights are used because they provide greater alignment with Shareholders' interests by requiring that the Performance Rights are held until they vest and are exercised into Shares. The use of Performance Rights also allows the Board the flexibility to exercise its discretion to clawback the Performance Rights in certain circumstances as permitted under the Incentive Awards Plan;
- g) the indicative value of the Performance Rights to be issued, under Resolutions 3, 4 and 5, is based on the value of Shares of \$0.493 per Share, being the 5-day VWAP of Bhagwan Shares at 30 June 2025, is:
- Mr Loui Kannikoski – \$283,411
 - Mr Andrew Wackett – \$192,188
 - Ms Kerren Kannikoski – \$100,109
- These amounts represent the maximum long-term opportunity component of their FY26 remuneration, as set out on page 18;
- h) the Performance Rights will be granted to each of the proposed recipients for nil cash consideration (in line with the terms of the Incentive Awards Plan) as part of their FY26 remuneration, as set out on page 18;
- i) as at the date of this Notice, the following Performance Rights have been previously granted (with shareholder approval) under the Incentive Awards Plan to each person the subject of Resolutions 3, 4 and 5:
- Mr Loui Kannikoski – 433,414 Performance Rights approved by shareholders on 12 November 2024, and which formed part of his remuneration package for the financial year ending 30 June 2025. The Performance Rights are subject to performance conditions over a 3-year performance period ending 30 June 2027;
 - Mr Andrew Wackett – 299,604 Performance Rights, approved by shareholders on 12 November 2024, and which formed part of his remuneration package for the financial year ending 30 June 2025. The Performance Rights are subject to performance conditions over a 3-year performance period ending 30 June 2027. Plus, 74,624 Share Rights granted under the Company's Prospectus and vest on 26 July 2026; and
 - Ms Kerren Kannikoski – 138,909 Performance Rights, approved by shareholders on 12 November 2024, and which formed part of her remuneration package for the financial year ending 30 June 2025. The Performance Rights are subject to performance conditions over a 3-year performance period ending 30 June 2027.
- j) no loan will be provided in relation to the acquisition of the Performance Rights;

- k) the Performance Rights will be granted on or around 14 November 2025 or otherwise no later than one month after the date of the Meeting;
- l) details of any Performance Rights granted to Mr Loui Kannikoski, Mr Andrew Wackett and Ms Kerren Kannikoski will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that prior Shareholder approval for the grant was obtained under ASX Listing Rule 10.14;
- m) subject to the terms of the Company's Incentive Awards Plan, the satisfaction of performance conditions and other conditions attached to Performance Rights, each Performance Right entitles Mr Loui Kannikoski, Mr Andrew Wackett, and Ms Kerren Kannikoski to be issued, transferred or allocated one Share in the Company for nil consideration. Under the Incentive Awards Plan, Shares will only be issued, transferred, or allocated (and value received) upon the vesting of relevant Performance Rights and exercise into Shares. Under the terms of the Incentive Awards Plan, the Shares to be provided on vesting and exercise of the Performance Rights may be issued by the Company or acquired on-market by the Company (or any trustee of the Plan) and transferred or allocated to the holder of the Performance Right;
- n) Mr Loui Kannikoski and Mr Andrew Wackett, and their fellow Directors are eligible to participate in the Incentive Awards Plan. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of Performance Rights under the Incentive Awards Plan after Resolutions 3, 4 and 5 are approved and who were not named in the Notice will not participate until approval is obtained under that rule;
- o) Mr Loui Kannikoski, Mr Andrew Wackett and Ms Kerren Kannikoski are all prohibited from hedging the security price exposure with respect of Performance Rights during the Performance Period applicable to those Performance Rights; and
- p) a voting exclusion statement in respect of Resolutions 3, 4 and 5 is set on page 11 in the Notice;

What happens if Resolutions 3, 4, and 5 are approved?

If Shareholder approval is given under ASX Listing Rule 10.14 for Resolutions 3, 4 and 5, Shareholder approval is not required under ASX Listing Rule 7.1. This is because ASX Listing Rule 7.2 (Exception 14) provides an exception to Shareholder approval under ASX Listing Rule 7.1, where Shareholder approval has been given under ASX Listing Rule 10.14.

FY26 Total Remuneration Package for Mr Loui Kannikoski and Mr Andrew Wackett

The ASX Listing Rules require this Notice to include details of Directors, Mr Loui Kannikoski and Mr Andrew Wackett, current FY26 total remuneration package. The FY26 remuneration packages for the financial year ending 30 June 2026 are:

Name	FY26 Fixed Remuneration (Salary + Super)	FY26 Short-Term Incentive (Max opportunity)	FY26 Long-Term Incentive (Max opportunity)	Total FY26 Remuneration (Fixed + at-risk opportunity)
Loui Kannikoski, Managing Director & CEO	\$566,822	\$283,411	\$283,411 As per Resolution 3	\$1,133,644
Andrew Wackett, Executive Director Finance	\$384,375	\$192,188	\$192,188 As per Resolution 4	\$768,751

The proposed grant of Performance Rights represents the FY26 Long-Term Incentive (maximum opportunity) above, which is calculated based on 50% of each of Mr Loui Kannikoski's and Mr Wackett's fixed remuneration for FY26.

The proposed grant of Performance Rights to Ms Kerren Kannoikoski (resolution 5) represents her FY26 Long-Term Incentive (maximum opportunity), which is calculated based on 30% of her fixed remuneration for FY26.

Details on the Fixed Remuneration and Short-Term Incentive are set out in the Company's 2025 Remuneration Report. The Long-Term Incentive is the subject of Resolutions in this Notice.

Related Party Transactions Generally

Chapter 2E of the Corporations Act prohibits a public company from giving a financial benefit to a related party of the public company unless either:

- the giving of the financial benefit falls within one of the nominated exceptions to the provision; or
- shareholder approval is obtained prior to the giving of the financial benefit, and the benefit is given within 15 months after obtaining such approval.

For the purposes of Chapter 2E of the Corporations Act:

- Mr Loui Kannikoski is a related party of the Company as he is an Executive Director of the Company;
- Ms Kerren Kannikoski is a related party of the Company as she holds the role of Executive GM Corporate Services in the Company and is the spouse of Mr Loui Kannikoski, a Director; and
- Mr Andrew Wackett is a related party of the Company as he is an Executive Director of the Company.

Under section 208 of the Corporations Act, for a public company or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- obtain the approval of the public company's members; and
- give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

Shareholder approval is not being sought for the purposes of section 208 of the Corporations Act on the basis that:

- the grant of Performance Rights is within the range of market practice for similar roles in comparable ASX-listed companies, and the Directors therefore consider the grant of the Performance Rights to be reasonable remuneration; and
- the Directors (excluding Mr Kannikoski and Mr Wackett, who have an interest in the resolutions) are comfortable that the grant of the proposed Long-Term Incentives in the form of Performance Rights would constitute reasonable remuneration for the purposes of section 211 of the Corporations Act.

Shareholdings in Bhagwan Marine

Details of Mr Loui and Ms Kerren Kannikoski's relevant interests in the Company are as follows: 112,294,051 Shares (representing 40.8% of the current capital) and 571,504 Performance Rights approved by shareholders on 12 November 2024.

Details of Mr Andrew Wackett's relevant interests in the Company are as follows: 160,000 Shares and 299,604 Performance Rights approved by shareholders on 12 November 2024, and 74,624 Share Rights granted pre-IPO.

Other Considerations

No funds will be raised from the grant of Performance Rights or the issue, transfer, or allocation of Shares following the vesting and exercise of the Performance Rights. If Shares are transferred or allocated, rather than issued upon vesting and exercise, funds will be expended by the Company to acquire the Shares on-market.

Australian International Financial Reporting Standards require the Performance Rights to be expensed in accordance with AASB 2 – Share-Based Payments. Expensing Performance Rights will have the effect of increasing both the expenses and contributed equity of the Company.

There are no significant opportunity costs to the Company or benefits foregone by the Company in granting Performance Rights.

Capacity Under Incentive Awards Plan

The proposed grant of Performance Rights under the Awards Incentive Plan will dilute the percentage interest of Shareholders' holdings following the vesting and exercise of the Performance Rights into Shares. The number of Performance Rights proposed to be issued represents approximately 0.42% of the Company's current Share capital.

Shareholders approved on 12 November 2024 the grants of securities, including Performance Rights under the Awards Incentive Plan. The maximum number of Equity Securities that may be issued under the Incentive Awards Plan over three years following Shareholders' approval (without further Shareholder approval) must not exceed 13,760,012, being 5% of the Company's Share capital. At the date of this Notice, a total of 2,250,808 Performance Rights have been issued under the Incentive Awards Plan.

It is proposed to issue 1,351,062 Performance Rights under Resolutions 3, 4, 5, and 6.

What happens if the Resolution is approved or not approved - Information required by ASX Listing Rule 14.1A

If Resolutions 3, 4 and 5 are approved by Shareholders, the issue of Performance Rights will not be included in calculating the Company's capacity to issue Equity Securities equivalent to 15% of the Company's ordinary securities under ASX Listing Rule 7.1.

If Resolutions 3, 4 and 5 are not approved by Shareholders, the proposed grant of Performance Rights will not proceed. In these circumstances, the Board will need to consider alternative remuneration arrangements, such as cash payments equal to the value of the Performance Rights.

Voting Exclusion

A voting exclusion statement with respect to Resolutions 3, 4 and 5 is set out on page 11 in the Notice.

Board Recommendation

The Directors (with Mr Loui Kannikoski (in respect of Resolutions 3 and 5) and Mr Wackett (in respect of Resolution 4) abstaining) consider that the grant of Performance Rights to Mr Loui Kannikoski, Mr Andrew Wackett and Ms Kerren Kannikoski, as executives, is appropriate in all circumstances, and it forms part of their remuneration, which is reasonable remuneration considering the Company's circumstances and their respective executive roles and responsibilities.

Directors Mr Kannikoski and Mr Wackett decline to make a recommendation to Shareholders in relation to the Resolution relating to the grant of Performance Rights to themselves (or their respective nominees) due to their material personal interest in the outcome of the Resolution on the basis that they are to be granted Performance Rights in the Company should the Resolution be passed. However, in respect of the Resolutions dealing with the grant of the Performance Rights to each of the other Directors, each of the Directors recommends that Shareholders vote in favour of Resolutions 3 and 4 for the reasons set out above. Each of the Directors (other than Mr Loui Kannikoski, as he is an associate of Ms Kerren Kannikoski) recommends that Shareholders vote in favour of Resolution 5.

The Chair intends to vote undirected proxies in favour of Resolutions 3, 4 and 5.

Except as specified above, no other Director has a personal interest or other interest in the outcome of Resolutions 3, 4 or 5.

Resolution 6 - Issue of Performance Rights to Mr Tom Kannikoski

Background

Shareholders' approval is being sought under ASX Listing Rule 10.11 for the proposed grant of 183,296 Performance Rights under the Incentive Awards Plan to the Company's GM WA Operations, Mr Tom Kannikoski.

The Board considers that the proposed grant of Performance Rights to Mr Tom Kannikoski is in the Company's interests as it further aligns the interests of Mr Tom Kannikoski with the interests of Shareholders to maximise Shareholder value.

The grant of Performance Rights under the Company's Incentive Awards Plan forms part of the Company's remuneration strategy, which seeks to build a performance-oriented culture that:

- supports the achievement of the Company's strategic vision, growth and progression as one of Australia's leading marine solutions companies; and
- attracts, retains and motivates executives by providing market-competitive fixed remuneration and incentives.

The proposed grants of Performance Rights under the Company's Incentive Awards Plan will form part of Mr Tom Kannikoski's remuneration package and long-term incentive opportunity for the financial year ending 30 June 2026.

It is anticipated that further grants of Performance Rights will be made to Mr Tom Kannikoski each year as a long-term incentive.

The number of Performance Rights to be granted to Mr Tom Kannikoski was calculated with input from an independent remuneration advisor who has indicated that his FY26 total remuneration package is within the range of market practice for similar roles in comparable ASX-listed and private companies, and therefore, the Directors consider the grant of the Performance Rights under Resolution 6 to be reasonable remuneration.

If Resolution 6 is passed, it is anticipated that the Performance Rights will be granted to Mr Tom Kannikoski (or his nominee) on or around 14 November 2025.

Summary of the Material Terms of Performance Rights

The Performance Rights proposed to be granted and issued to Mr Tom Kannikoski will be on the same terms as the Performance Rights proposed to be granted to Mr Loui Kannikoski, Mr Andrew Wackett and Ms Kerren Kannikoski the subject of Resolutions 3, 4 and 5, respectively (as outlined above).

Each Performance Right proposed to be granted and issued to Mr Tom Kannikoski will give him the right to receive one Share in the Company, subject to the achievement of the performance conditions (set out below) at the end of a three-year performance period beginning on 1 July 2025 and ending on 30 June 2028 (**Performance Period**).

The number of Performance Rights of 183,296 to be issued is calculated based on Mr Tom Kannikoski's maximum FY26 long-term incentive opportunity of \$90,365 divided by \$0.493, being the 5-day VWAP of Bhagwan Marine Shares at 30 June 2025.

No value will be received if the performance conditions are not met, or the Performance Rights otherwise lapse.

The material terms and performance conditions of the proposed grant of Performance Rights are set out in **Annexure B**.

Performance Conditions Applicable

The Performance Rights are subject to the achievement of two performance conditions comprising EBITDA growth and relative total shareholder return over the Performance Period.

The Performance Rights will be weighted as follows:

- 50% of the Performance Rights will be subject to a performance measure based on the Company's EBITDA compound annual growth rate (**EBITDA CAGR**) of 5% to 15% over the Performance Period (**EBITDA CAGR Performance Rights**); and
- 50% of the Performance Rights will be subject to a relative total shareholder return (**rTSR**) measure over the Performance Period (**rTSR Performance Rights**).

The Board considers EBITDA CAGR growth over the Performance Period an appropriate measure for this inaugural grant of long-term incentives, as it is well understood within the business and a key measure of performance and shareholder value. The Board will continue to evaluate this measure in future years. EBITDA is a measure of the Company's profitability before interest, tax, depreciation and amortisation. EBITDA also indicates

how much cash the Company makes and is a widely used metric for measuring performance.

The Board believes that rTSR is well accepted by the market as a key measure of performance. rTSR is a measure of the performance of the Company's Shares over a defined period compared with the TSR of a comparator group of companies.

Performance Conditions – EBITDA CAGR Performance Rights

The EBITDA CAGR must be met for all or part of the Performance Rights to vest. The Board has set the EBITDA CAGR at 5% to 15% over the Performance Period.

Details of the vesting schedule for EBITDA CAGR Performance Rights are set out below:

EBITDA CAGR over the 3-year Performance Period	% of Performance Rights that Vest
Less than 5% EBITDA CAGR	Nil
At 5% EBITDA CAGR	25%
Between 5% and 15% EBITDA CAGR	Straight line pro-rata
At or above 15% EBITDA CAGR	100%

Performance Conditions - rTSR Performance Rights

The rTSR must be met for all or part of the Performance Rights to vest. The Board has set rTSR hurdles between P50 and P75 of the Comparator Group set over the Performance Period. The Comparator Group is set out in **Annexure C** and includes companies listed on the ASX with a higher and lower market capitalisation than Bhagwan.

Details of the vesting schedule for rTSR Performance Rights are set out below:

rTSR over the 3-year Performance Period	% of Performance Rights that Vest
Less than P50	Nil
At P50	50%
Between P50 and P75	Straight line pro-rata
At or above P75	100%

Vesting of Performance Rights

The Board will assess the extent to which the above performance conditions were achieved at the end of the Performance Period and determine the number of Performance Rights that vest.

The Performance Rights lapse if the performance conditions are not met at the end of the relevant Performance Period.

Exercise of Vested Performance Rights

No exercise price is payable on exercise of the Performance Rights, and the Company will not raise any funds from the grant of the Performance Rights or on their exercise.

If the performance conditions are satisfied, all or part of the Performance Rights will vest and become exercisable within 15 years from the date of grant at the election of the holder.

On exercise of the vested Performance Rights, the Board has the discretion to either issue new Shares, or a cash payment of equivalent value or acquire Shares on-market to satisfy the exercise of Performance Rights.

Treatment of Performance Rights on Cessation of Employment

If Mr Tom Kannikoski resigns and his employment is terminated for cause before the vesting date, all of his unvested Performance Rights will lapse, unless otherwise determined by the Board.

If Mr Tom Kannikoski ceases employment after the Performance Rights have vested but not been exercised, he may continue to hold the vested Performance Rights, depending on the circumstances of cessation of employment.

Takeover or Other Change of Control of Bhagwan Marine

In the event of a Change of Control or Business Sale (defined in **Annexure B**):

- any performance conditions in respect of unvested Performance Rights will be deemed to be automatically waived unless and to the extent the Board otherwise resolves; and
- the Board may require that all vested Performance Rights be exercised as part of a Change of Control/Business Sale, failing which they lapse.

Board Discretions

Under the Incentive Awards Plan, the Board has a number of other discretions in relation to Performance Rights. This includes the ability to exercise clawback powers in certain circumstances, and subject to the Corporations Act and the ASX Listing Rules, to amend the terms applying to Performance Rights.

Subject to the ASX Listing Rules and in accordance with the Incentive Awards Plan, the Board also has the discretion to waive or reduce in whole or in part the performance conditions.

ASX Listing Rule 10.11

ASX Listing Rule 10.11 provides that unless one of the exceptions in ASX Listing Rule 10.12 applies, the Company must not issue or agree to issue Equity Securities to:

- a related party (ASX Listing Rule 10.11.1);
- a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the Company (ASX Listing Rule 10.11.2);
- a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the Company and who has nominated a Director to the Board pursuant to a relevant agreement which gives them a right or expectation to do so (ASX Listing Rule 10.11.3);
- an associate of a person referred to in ASX Listing Rules 10.11.1 to 10.11.3 (ASX Listing Rule 10.11.4); or
- a person whose relationship with the Company or a person referred to in ASX Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by Shareholders (ASX Listing Rule 10.11.5),

unless it obtains the approval of its Shareholders.

As Mr Tom Kannikoski is the son of the Company's Managing Director & CEO, Mr Loui Kannikoski, he is a related party of the Company, the grant of the Performance Rights to him falls within ASX Listing Rule 10.11 and does not fall within any of the exceptions in ASX Listing Rule 10.12. It therefore requires Shareholder approval under ASX Listing Rule 10.11.

Mr Tom Kannikoski is not an "associate" (as defined in the Corporations Act and the ASX Listing Rules) of the Company's Managing Director & CEO, Mr Loui Kannikoski and Ms Kerren Kannikoski and therefore Mr Tom Kannikoski does not fall within the operation of ASX Listing Rule 10.14. Consequently, the Company is not proposing to seek Shareholder approval under ASX Listing Rule 10.14, but instead is seeking Shareholder approval for the purposes of ASX Listing Rule 10.11.

Resolution 6 seeks the required Shareholder approval to the grant of the Performance Rights to Mr Tom Kannikoski under and for the purposes of ASX Listing Rule 10.11.

Information required by ASX Listing Rule 10.13

Pursuant to and in accordance with ASX Listing Rule 10.13, the following information is provided in relation to Resolution 6:

- a) the Performance Rights will be granted to Mr Tom Kannikoski or his nominee;
- b) Mr Tom Kannikoski is the son of the Company's Managing Director & CEO, Mr Loui Kannikoski and Ms Kerren Kannokoski and accordingly, he falls within the category set out in ASX Listing Rule 10.11.1 as a related party of the Company;
- c) the maximum number of Performance Rights to be granted to Mr Tom Kannikoski or his nominee is 183,296 and, if vested and exercised, 183,296 Shares;
- d) a summary of the material terms of the Performance Rights to be issued to Mr Tom Kannikoski is set out in **Annexure B**;
- e) the Performance Rights proposed to be granted to Mr Tom Kannikoski will be granted on or around 14 November 2025 or otherwise no later than one month after the date of the Meeting;
- f) as the Performance Rights will be granted for no consideration and no amount is payable on the exercise of the Performance Rights, no funds will be raised from the grant;
- g) the proposed grant of Performance Rights is being used as an incentive, motivation, and retention tool for Mr Tom Kannikoski to link his remuneration to the Company's performance. Performance Rights are used because they provide greater alignment with Shareholders' interests by requiring that the Performance Rights are held until they vest and are exercised into Shares. The use of Performance Rights also allows the Board the flexibility to exercise its discretion to clawback the Performance Rights in certain circumstances as permitted under the Incentive Awards Plan;
- h) the Performance Rights are being granted under the Incentive Awards Plan, a summary of which is set out in **Annexure A**; and
- i) a voting exclusion statement is included in this Notice.

If Shareholder approval is given under ASX Listing Rule 10.11 for Resolution 6, Shareholder approval is not required under ASX Listing Rule 7.1. This is because ASX Listing Rule 7.2 (Exception 14) provides an exception to Shareholder approval under ASX Listing Rule 7.1 where Shareholder approval has been given under ASX Listing Rule 10.11.

Shareholdings in Bhagwan Marine

Details of Mr Tom Kannikoski's relevant interests in the Company are as follows: 158,730 Shares and 118,264 Performance Rights as approved by shareholders on 12 November 2024. The Performance Rights are subject to performance conditions over a 3-year performance period ending 30 June 2027.

Other Considerations

No funds will be raised from the grant of Performance Rights or the issue, transfer, or allocation of Shares following the vesting and exercise of the Performance Rights. If Shares are transferred or allocated, rather than issued upon vesting and exercise, funds will be expended by the Company to acquire the Shares on-market.

Australian International Financial Reporting Standards require the Performance Rights to be expensed in accordance with AASB 2 – Share-Based Payments. Expensing Performance Rights will have the effect of increasing both the expenses and contributed equity of the Company.

There are no significant opportunity costs to the Company or benefits foregone by the Company in granting Performance Rights.

Capacity Under Incentive Awards Plan

The proposed grant of Performance Rights under the Incentive Awards Plan will dilute the percentage interest of Shareholders' holdings following the vesting and exercise of the Performance Rights into Shares. The number of Performance Rights proposed to be issued represents approximately 0.066% of the Company's current Share capital.

Shareholders approved on 12 November 2024 the grants of securities, including Performance Rights under the Awards Incentive Plan. The maximum number of Equity Securities that may be issued under the Incentive Awards Plan over three years following Shareholders' approval (without further Shareholder approval) must not exceed 13,760,012, being 5% of the Company's Share capital. At the date of this Notice a total of 2,250,808 Performance Rights have been issued under the Incentive Awards Plan.

It is proposed to issue 1,351,062 Performance Rights under Resolutions 3, 4, 5, and 6.

Information required by ASX Listing Rule 14.1A

If Resolution 6 is approved by Shareholders, the grant of Performance Rights will not be included in calculating the Company's capacity to issue Equity Securities equivalent to 15% of the Company's ordinary securities under ASX Listing Rule 7.1.

If Resolution 6 is not approved by Shareholders, the proposed grant of Performance Rights will not proceed. In these circumstances, the Board will need to consider alternative remuneration arrangements, such as cash payments equal to the value of the Performance Rights.

Related Party transactions generally

Chapter 2E of the Corporations Act prohibits a public company from giving a financial benefit to a related party of the public company unless either:

- the giving of the financial benefit falls within one of the nominated exceptions to the provision; or
- shareholder approval is obtained prior to the giving of the financial benefit, and the benefit is given within 15 months after obtaining such approval.

For the purposes of Chapter 2E of the Corporations Act, Mr Tom Kannikoski is a related party of the Company as he is the son of Mr Loui Kannikoski, a Director.

Under section 208 of the Corporations Act, for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- obtain the approval of the public company's members; and
- give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

Shareholder approval is not being sought for the purposes of section 208 of the Corporations Act on the basis that:

- the grant of Performance Rights is within the range of market practice for similar roles in comparable ASX-listed companies, and the Directors, therefore, consider the grant of the Performance Rights to be reasonable remuneration; and
- the Directors (excluding Mr Loui Kannikoski) are therefore comfortable that the grant of the proposed Long-Term Incentives in the form of Performance Rights would constitute reasonable remuneration for the purposes of section 211 of the Corporations Act.

Voting Exclusion

A voting exclusion statement with respect to Resolution 6 is set out on page 11 in the Notice.

Board Recommendation

The Directors, excluding Mr Loui Kannikoski, consider that the grant of Performance Rights to Mr Tom Kannikoski, as an executive, is appropriate in all circumstances, and it forms part of his FY26 remuneration, which is reasonable remuneration considering the Company's circumstances and his executive role.

The Directors, excluding Mr Loui Kannikoski, unanimously recommend that Shareholders vote in favour of Resolution 6.

The Chair intends to vote undirected proxies in favour of Resolution 6.

No Director has a personal interest or other interest in the outcome of Resolution 6.

The “**Comparator Group**” means the group of companies selected by the Board (while those companies remain listed on ASX), or any successor or acquiring entities listed on ASX or any other recognised securities exchange, as determined by the Board from time to time (with such adjustments as appropriate in the circumstances).

At the end of the Performance Period, **Total Shareholder Return** may be adjusted for the Company, or any entity in the Comparator Group, for corporate events, including changes in the capital structure of the relevant entity that have occurred during the Performance Period (including but not limited to any consolidation, share-split, bonus issue, capital reduction or distribution or spin-out of assets) as determined by the Board.

The following summarises the recommended approach for the treatment of corporate events:

Situation	Treatment
Peer company acquires another company or divests part of its business.	The company will be retained in the peer group in all circumstances.
Peer company demerges into new listed companies.	The company will be removed from the analysis, effectively reducing the total peer group size by 1.
Peer company's TSR data is no longer available due to its acquisition by another listed company or as a result of a corporate restructure, which causes de-listing (e.g. merger or management buy-out).	The company will be removed from the analysis, effectively reducing the total peer group size by 1.
De-listing due to business failure (e.g. liquidation).	The company will be included in the TSR analysis and assigned a TSR value of -100% to ensure they are ranked last in the peer group.
Peer company is suspended from trading at the conclusion of the Performance Period.	The company is removed from the analysis and suspended from trading during the end average period. This will effectively reduce the peer group size by 1.
Other corporate events.	May vary depending on the specific event, though most events are captured by the above.
