Dear shareholder

It is my pleasure to invite you to the 2025 Annual General Meeting of Northern Star Resources Ltd (**Northern Star** or the **Company**).

Northern Star has just completed a constructive year of growth investment, positioning our largest asset, KCGM, for sustained future success. We are confident that the investments made particularly with the acquisition of the Hemi Development Project in the Pilbara region of Western Australia will deliver significant value for shareholders and exciting opportunities for our people in all our operations. With an increased focus on productivity and cost control we are well positioned during FY26 to responsibly, safely and profitably grow our production footprint and cashflow margins.

At the AGM Stuart Tonkin, Managing Director & Chief Executive Officer and I will provide an overview of Northern Star's operations and performance during the financial year ended 30 June 2025. A copy of these presentations will be made available on our website immediately prior to the AGM. For further information on the Company's performance, please refer to our 2025 Annual Report, which is available on our website at <https://www.nsrld.com/investors/reports/>.

Notice of Annual General Meeting 2025

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of the shareholders in connection with the business to be conducted at the Annual General Meeting to be held at 1:30pm AWST on Tuesday, 18 November 2025 as a hybrid event:

in **person** at: QV1 Conference Centre - Function Room
Level 2, QV1 Building
250 St Georges Terrace
Perth WA 6000
Australia

online at: investor.automic.com.au

The purpose of this Explanatory Statement is to provide information which the Directors believe to be material to shareholders in deciding whether or not to pass the Resolutions in the Notice of Meeting.

1. Financial Report, Directors' Report and Auditor's Report

In accordance with the Company's Constitution and section 317 of the Corporations Act, the Financial Report of the Company for the financial year ended 30 June 2025 will be tabled, together with the declaration of the Directors, the Directors' Report and the Auditor's Report.

In the Company's 2025 Annual Report, which is available on the Company's website at <https://www.nsrltd.com/investors/reports>, the Financial Report is set out on pages 146 to 205, the Independent Auditor's Report is set out on pages 200 to 205, and the Directors' Report (including the Remuneration Report) is set out on pages 92 to 145.

Shareholders will have a reasonable opportunity to ask questions and make comments about the Reports as well as the business and management of the Company. Shareholders will also have a reasonable opportunity to ask a representative of the Company's external auditor, Deloitte Touche Tohmatsu, questions in relation to:

- the conduct of the audit;
- the preparation and content of the Auditor's Report;
- the accounting policies adopted by the Company in relation to the preparation of its financial statements; and
- the independence of the auditor in relation to the conduct of the audit.

2. Resolution 1 - Adoption of Remuneration Report

In accordance with section 250R(2) of the Corporations Act, the Company tables its Remuneration Report covering the financial year ended 30 June 2025, for consideration and adoption by way of an ordinary resolution. The vote on this item is advisory only and does not bind the Directors of the Company. Nevertheless, the Board will consider the outcome of the vote when considering the Company's future remuneration structures.

The Remuneration Report is set out in the Company's 2025 Annual Report on pages 106 to 145, available on the Company's website at <https://www.nsrltd.com/investors/reports/>.

The letter from the Chair of the People & Culture Committee on pages 108 to 110 of the Annual Report and the further details within the Remuneration Report on pages 106 to 145 of the 2025 Annual Report explain the outcome of measurement of the Company's achievements against the Performance Rights KPIs at 30 June 2025. In summary:

- 26.3% vesting of FY25 STI;
- 98.4% of FY22 LTI-1, and
- 50% vesting of Tranche 3 and 4 of the FY23 conditional retention rights (CRR).

In addition, note the Remuneration Report contains:

- (a) information about the Board's policy for determining the nature and amount of remuneration of Directors and senior executives of the Company;
- (b) details of the remuneration of, and equity held by, the Directors and Executive KMP of the Company; and
- (c) a summary of the key terms of contractual arrangements with the Executive KMP, including the period of notice required to terminate the contract.

Notice of Annual General Meeting 2025

3. Resolution 2 & Resolution 3 – Approval of the issue of FY26 LTI Performance Rights and FY26 STI Performance Rights to Managing Director & Chief Executive Officer, Stuart Tonkin

The proposed grants of Performance Rights to Mr Tonkin, the Company's Managing Director & Chief Executive Officer, under Resolutions 2 and 3, are key components of the Company's remuneration arrangements for Mr Tonkin, representing 77% of Mr Tonkin's maximum remuneration package for FY26.

The Board considers that the proposed grants of FY26 LTI and STI Performance Rights to Mr Tonkin, who has the capacity to influence the long-term performance of the Company, is part of an Executive KMP framework that:

- ensures there is effective alignment between shareholder wealth creation, performance and reward, taking into account the size and scope of the Company's operations;
- is appropriate to incentivise, reward and retain the high performing team at Northern Star; and
- is geared to achieving the Company's Purpose and strategic growth objectives, consistent with our carbon emissions reductions pathways.

Mr Tonkin's total FY26 remuneration package comprises:

- Total Fixed Annual Remuneration (**FAR**) (base salary and superannuation): \$2,200,000. The Board approved a \$365,000 increase to Mr Tonkin's fixed annual remuneration for FY26 following an externally run peer benchmarking exercise;
- Short Term Incentive (**STI**) to be measured on 30 June 2026: maximum opportunity is 140% of FAR (on a face value basis), assuming all targets are fully achieved (being the STI Performance Rights the subject of Resolution 3); and
- Long Term Incentive (**LTI**) to be measured on 30 June 2029: maximum opportunity is double FAR (on a face value basis), assuming all targets are fully achieved (being the LTI Performance Rights the subject of Resolution 2).

Mr Tonkin can elect to receive the STI component of his FY26 remuneration package as either 100% Performance Rights, or 50% cash and 50% Performance Rights, at the time he accepts his Invitation for the FY26 STI.

ASX Listing Rules

Under ASX Listing Rule 10.14.1, shareholder approval is required for a Director of the Company to acquire equity securities under an employee incentive scheme. If approval is given by shareholders under ASX Listing Rule 10.14, separate shareholder approval is not required under ASX Listing Rules 7.1 or 10.11.

Shareholder approval is sought:

- under Resolution 2, for the issue of 237,333 FY26 LTI Performance Rights to Mr Tonkin, to be measured over a four year period ending on 30 June 2029; and
- under Resolution 3, for the issue of 166,133 FY26 STI Performance Rights to Mr Tonkin, to be measured over a one year period ending on 30 June 2026,

in each case, on the terms described below, under and for the purposes of ASX Listing Rule 10.14.

The Board has determined that the form of convertible securities to be issued as incentives to the Executive KMP, including Mr Tonkin, will be Performance Rights. Performance Rights will be granted to Mr Tonkin under the FY20 Share Plan, which was last approved by shareholders at the 2023 Annual General Meeting. A summary of the FY20 Share Plan appears in Appendix 1 to this Notice.

Because Resolutions 2 and 3 are not inter-conditional:

- if Resolution 2 is not approved, the Company will not be able to proceed with the issue of FY26 LTI Performance Rights to Mr Tonkin (but may, subject to shareholder approval of Resolution 3, proceed with the issue of FY26 STI Performance Rights to Mr Tonkin); and
- if Resolution 3 is not approved, the Company will not be able to proceed with the issue of FY26 STI Performance Rights to Mr Tonkin (but may, subject to shareholder approval of Resolution 2, proceed with the issue of FY26 LTI Performance Rights to Mr Tonkin).

If either or both of Resolutions 2 and 3 are not approved, Northern Star will deliver alternative forms of remuneration for Mr Tonkin, such as cash, in lieu of the FY26 STI or FY26 LTI Performance Rights not awarded to him.

Notice of Annual General Meeting 2025

If Resolution 2 is passed, Northern Star will proceed with the issue of 237,333 FY26 LTI Performance Rights to Mr Tonkin. If Resolution 3 is passed, Northern Star will proceed with the issue of up to 166,133 FY26 STI Performance Rights to Mr Tonkin (if he does not elect to take 50% in cash). As shareholder approval pursuant to ASX Listing Rule 7.1 is not required for these issues of Performance Rights (because shareholder approval is being obtained under ASX Listing Rule 10.14), the issue of Performance Rights the subject to Resolutions 2 and 3 (if approved) to Mr Tonkin will not use any of the Company's 15% annual placement capacity.

Sections 200B and 200E of the Corporations Act

Subject to certain exceptions, section 200B of the Corporations Act prohibits the giving of certain benefits to individuals who hold a managerial or executive office on leaving their employment with the Company or any of its related bodies corporate, or who have held a managerial or executive office in the prior three years without shareholder approval under section 200E of the Corporations Act.

Accordingly, Shareholder approval under Resolutions 2 and 3 is also being sought for the purposes of section 200E of the Corporations Act, to provide Mr Tonkin any 'termination benefits' that may result from the Board exercising discretions conferred on it under the FY20 Share Plan, such as automatic or early vesting (rather than lapse or forfeiture) of FY26 LTI and STI Performance Rights (and receipt of Shares upon exercise of vested FY26 LTI and STI Performance Rights), which may otherwise be prohibited under section 200B, in the event that Mr Tonkin ceases employment with the Company. The Board's current intention is to exercise such discretions available to it under the FY20 Share Plan only in limited circumstances, such as but not limited to where a person leaves employment or office without fault on their part, such as being medically unfit to continue working.

Under the FY20 Share Plan, vested Rights automatically lapse on the tenth anniversary of their grant date. If a participant ceases to be a Group Employee, then Rights held by them that:

- had already vested when the employee ceased employment – expire 12 months after their end date; or
- vest after their end of employment date (this could occur for example as a result of the Board exercising discretion to enable the employee to retain unvested Rights beyond their end of employment date, or as a result of the employee retiring, or the employee dies or is made redundant) – expire 6 months after the relevant vesting date.

It is noted that the amount or value of the benefits related to Mr Tonkin's FY26 LTI and STI for which approval is sought cannot presently be ascertained. The amount or value of the benefits, or the calculation of the amount or value, will depend on a range of factors including as follows:

- (a) the circumstances of and reasons for Mr Tonkin's cessation of employment;
- (b) the number of Performance Rights in relation to which it is proposed to exercise the discretion;
- (c) the time elapsed since the Performance Rights were granted relative to the vesting date;
- (d) whether or not relevant vesting conditions would be likely to be satisfied but for the cessation; and
- (e) the Market Value of the Company's Shares at the relevant time.

For the avoidance of doubt, the Company confirms it will comply with the requirements of ASX Listing Rule 10.19 in the event of Mr Tonkin's termination as a director and officer of the Company.

Quantum of FY26 LTI and STI grants

The number of Performance Rights for which approval is sought under Resolutions 2 and 3 comprises the maximum opportunity in respect of the variable component of Mr Tonkin's total remuneration opportunity for FY26. The actual number of Performance Rights that will vest and become capable of exercise will ultimately depend on the extent to which the FY26 LTI and STI performance criteria are met during the applicable performance period. For each Performance Right that vests and is exercised, the Company will issue or transfer Mr Tonkin one Share.

The high proportion of performance-based remuneration for Mr Tonkin means that a significant portion of his maximum FY26 remuneration opportunity, 77%, will be 'at risk' and contingent on the satisfaction of various challenging long and short term Company performance measures, with a view to rewarding the achievement of the Company's strategy.

The Company's Minimum Holding Condition Policy applies to Mr Tonkin, requiring him to acquire and maintain a minimum level of Share and/or vested Rights ownership with a value equating to

Notice of Annual General Meeting 2025

100% of his FAR on and from 30 June 2025. Mr Tonkin has complied with the Minimum Holding Condition Policy and continues to do so as at the date of the Notice of Annual General Meeting.

FY26 LTI metrics – Resolution 2

The metrics and weightings chosen for the FY26 LTI take into account investor feedback on performance metrics, targets and relative weightings. The performance measures are linked to key financial and non-financial drivers which are expected to have significant short and long term impacts on the success of the Company and therefore are aligned with shareholders' interests.

In particular, for the FY26 LTI metrics and weighting are as follows:

- Financial – TSR performance to outperform the S&P/TSX Global Gold Index by 5% for 100% vesting of this KPI (60% weighting);
- Emissions Reduction – demonstrate tangible, sustainable annualised Scope 1 and 2 carbon Emissions Reductions of 300,000 tonnes of CO₂ equivalent in aggregate by 30 June 2029, below 1 July 2021 business as usual baseline levels; and
- No performance measure applies to the final 20% of the FY26 LTI, which will vest subject to the service condition requiring full-time employment to 30 June 2029 being satisfied.

Calculation of number of FY26 LTI Performance Rights to be granted

The formula applied for the proposed grant of FY26 LTI Performance Rights to Mr Tonkin is:

$$\text{LTI} = \frac{\text{FAR} \times 2}{\text{B}}$$

where:

FAR = Mr Tonkin's FY26 Fixed Annual Remuneration (comprising salary and superannuation);

B = Volume weighted average price (VWAP) of Shares in the 5 ASX trading days on and from 21 August 2025, being \$18.5393; and

LTI = Quantity of LTI Performance Rights to be granted in FY26.

In setting Executive KMP remuneration, the Board endeavours to strike the right balance between rewarding performance and aligning interests with those of the Company's shareholders. The maximum FY26 LTI opportunity for Mr Tonkin, which equates to 2 x FAR (on a face value basis) if all performance criteria are met, is unchanged from the FY25 LTI opportunity for Mr Tonkin.

The FY26 LTI Performance Rights will be subject to the terms of the Invitation made by the Board to Mr Tonkin and incorporating the rules of the FY20 Share Plan as summarised in Appendix 1. The FY26 LTI Performance Rights proposed to be granted to Mr Tonkin are subject to two performance measures with relative weightings totalling 80% linked with the Company's strategic goals, and may vest according to the vesting scales, and a time-tested component of 20%, as set out in the table below.

No holding lock applies to the FY26 LTI.

At the end of the four-year performance period, performance will be measured against the performance targets, and the quantum of FY26 LTI Performance Rights that vest (and that lapse) will be assessed by the Board. Full details of the extent to which the performance targets are met and the proportion of FY26 LTI Performance Rights that vest, and that lapse, will be disclosed in Northern Star's 2029 remuneration report.

The FY26 LTI Performance Rights will carry a Dividend Equivalent right, to be delivered to Mr Tonkin in the form of cash, net of tax, in relation only to vested FY26 LTI Performance Rights. No Dividend Equivalent cash sum will be payable in relation to any FY26 Performance Rights which do not vest.

Performance measures, targets and weightings applicable to the FY26 LTI

FY26 LONG TERM INCENTIVE KPI's (annual grant, four year performance period)		
KPI & weighting	Quantum	Measurement
LTI KPI (1) Total Shareholder Return (TSR) measured against the S&P/TSX Global Gold Index 60% of the total number of LTI Performance Rights proposed to be granted	142,400 Performance Rights	The KPI (1) Performance Rights will be subject to a TSR vesting condition which ranks the TSR performance of the Company with the TSR performance against the S&P/TSX Global Gold Index (GGI) over a four year performance period. The Board will assess the Company's TSR performance and the TSR performance of the S&P/TSX Global Gold Index for the purposes of the KPI (1) Performance Rights.
Vesting scale		TSR < Index 0% vest Threshold TSR = Index 50% vest TSR = Index + (0% to <5%) pro rata vesting Target TSR ≥ Index + 5% 100% vest
LTI KPI (2) Emissions Reduction 20% of the total number of LTI Performance Rights proposed to be granted	47,467 Performance Rights	The KPI (2) Performance Rights will be subject to an emissions reduction vesting condition which requires demonstrable tangible, sustainable annualised Scope 1 and 2 carbon Emissions Reductions of 300,000 tonnes CO ₂ equivalent in aggregate by 30 June 2029, below 1 July 2021 business as usual baseline levels. For the avoidance of doubt, the 300,000t CO ₂ equivalent is in the aggregate and will take into account any reductions achieved under the FY22 LTI-2, FY22 LTI-1, FY23 LTI, FY24 LTI and FY25 LTI by the end of FY28.
LTI KPI (3) Retention Condition 20% of the total number of LTI Performance Rights proposed to be granted	47,466 Performance Rights	The KPI (3) Performance Rights will be subject to a retention condition requiring continued full-time employment until 30 June 2029.
Service Condition	In addition to the KPIs described above, a service condition will apply - that is, subject to Board discretion, the Employee must continue to be employed by the Company on a full-time basis until 30 June 2029.	
Board Discretion	The Board retains discretion to adjust the LTI award or vesting outcome, including in the case of, but not limited to, a fatality. The Board has discretion to apply malus to reduce unvested or vested Awards, and clawback the value delivered following exercise of vested Awards, in the form of shares (if not yet sold) and or cash (if shares have been sold or if vested Awards were settled in cash), within two years from the vesting date. The Board may exercise these powers in its absolute discretion including in circumstances of material misstatements or omissions in the Company's financial statements, negligence or recklessness by the employee.	

The Board is of the view that the proposed benefits to be granted under Resolution 2 pursuant to the FY20 Share Plan meet a fundamental requirement in incentive plan design - the FY26 LTI performance measures and the way they are calibrated are within the power of the Plan's participants to influence, and achievement of those performance measures (particularly the 60% weighting toward total shareholder returns) would generate significant shareholder value.

Exercise of any vested FY26 LTI Performance Rights in exchange for Shares and sale of such resulting Shares by Mr Tonkin are both subject to compliance with the Company's Securities Trading Policy.

Notice of Annual General Meeting 2025

FY26 STI metrics - Resolution 3

The metrics and weightings chosen for the FY26 STI take into account investor feedback on performance metrics, targets and relative weightings. As with the FY26 LTI, the performance measures are linked to key financial and non-financial drivers, which are aimed more specifically at driving consistent year-on-year positive impacts on the Company's success, aligned with shareholders' interests.

The measures, metrics and relative weightings of each FY26 STI KPI are:

- Safety - serious injury frequency rate (SIFR) of 2.9 for 100% vesting (20% weighting). SIFR is the frequency rate (per million hours worked) of Serious Injuries as defined in the Work Health and Safety Act 2020 (WA) on a 12 month moving average basis. In addition a nil fatality gateway applies;
- Strategic - satisfactory progress on schedule and cost in relation to the Company's growth projects including the KCGM Growth Project, Hemi development, and portfolio development (25% weighting);
- Production - gold sales within stated FY26 production guidance of 1,700koz to 1,850koz per annum (40% weighting); and
- Financial - all-in sustaining cost within stated FY26 cost guidance of A\$2,700/oz to A\$2,300/oz (15% weighting).

Calculation of number of FY26 STI Performance Rights to be granted

Mr Tonkin has the right to elect to receive the STI component of his FY26 remuneration either as 100% STI Performance Rights, or 50% cash and 50% STI Performance Rights.

The formula applied for the proposed grant of FY26 STI Performance Rights to Mr Tonkin is:

$$\text{STI} = \frac{\text{FAR} \times 140\%}{\text{B}}$$

where:

FAR = Mr Tonkin's FY26 Fixed Annual Remuneration (comprising salary and superannuation);

B = Volume weighted average price of Shares in the 5 ASX trading days on and from 21 August 2025, being \$18.5393; and

STI = Quantity of STI Performance Rights to be granted in FY26 (on the assumption for current purposes that Mr Tonkin will elect to receive 100% of his FY26 STI in Performance Rights).

The FY26 STI Performance Rights proposed to be granted to Mr Tonkin are subject to four performance criteria. Details of the performance measures and their relative weightings, and vesting scales, are set out in the table overleaf.

In addition to the performance measures, the FY26 STI Performance Rights are subject to a service condition requiring Mr Tonkin to remain employed by the Company until 30 June 2026.

No holding lock applies to the FY26 STI.

At the end of the one-year performance period, performance against the KPIs and the quantum of FY26 STI Performance Rights that vest (and that lapse) will be assessed by the Board. Full details of the extent to which the performance targets are met, and the proportion of FY26 STI Performance Rights that vest, and that lapse, will be disclosed in the 2026 remuneration report.

The FY26 STI Performance Rights will carry a Dividend Equivalent right, to be delivered to Mr Tonkin in the form of cash, net of tax, in relation only to vested FY26 STI Performance Rights. No Dividend Equivalent cash sum will be payable in relation to any FY26 Performance Rights which do not vest.

The Board is of the view that the proposed benefits to be granted under Resolution 3 pursuant to the FY20 Share Plan meet a fundamental requirement in incentive plan design - the FY26 STI performance measures and the way they are calibrated are within the power of the Plan's participants to influence, and achievement of those performance measures would generate shareholder value over a shorter term period, and progress towards achievement of the Company's longer term strategic goals.

The FY26 STI Performance Rights will be subject to the terms of the Invitation made by the Board to Mr Tonkin and incorporating the rules of the FY20 Share Plan as summarised in Appendix 1. Exercise of any vested FY26 STI Performance Rights in exchange for Shares, and sale of such resulting Shares, by Mr Tonkin is subject to compliance with the Company's Securities Trading Policy.

Performance Rights (in the form of both FY26 LTI and STI) have been chosen in lieu of additional cash remuneration to encourage a long-term approach to decision making, while at the same time providing a balance between short term results and longer term growth and success. A significant proportion of Mr Tonkin's FY26 remuneration, 77%, is "at risk", meaning Mr Tonkin will only receive value under this part of his remuneration package if and to the extent that pre-determined performance measures and vesting conditions (as disclosed in this Explanatory Statement) are met, and if the Board (excluding Mr Tonkin) considers these awards are appropriate in all the circumstances. The performance measures selected for the FY26 Performance Rights are expected to have a significant positive short term and long-term impact on the Company, and to further align the interests of Mr Tonkin and the Company's shareholders.

Chapter 2E of the Corporations Act

For the purposes of Chapter 2E of the Corporations Act, Mr Tonkin is a "related party" of the Company and the grant of the FY26 LTI and STI Performance Rights to Mr Tonkin under the FY20 Share Plan will constitute the giving of a "financial benefit" to Mr Tonkin. Subject to certain exceptions, the Corporations Act prohibits the giving of financial benefits to a related party of the Company unless shareholder approval is obtained.

The Board (other than Mr Tonkin, because of his interest in Resolutions 2 and 3) considers that the grant of FY26 LTI and STI Performance Rights to Mr Tonkin is an appropriate and reasonable part of his remuneration, and that the financial benefit represented by the grant of the FY26 LTI and STI Performance Rights falls within the "reasonable remuneration" exception in section 211 of the Corporations Act. For this reason, the Company is not seeking shareholder approval of Resolutions 2 and 3 for the purposes of Chapter 2E of the Corporations Act.

4. Resolution 4 –Re-Election of Director

In accordance with rule 10.3(b)(ii) of Northern Star's Constitution and ASX Listing Rule 14.4, Mr Nick Cernotta having been appointed as a director by the Board on 1 July 2019, since the 2022 annual general meeting, retires and being eligible, offers himself for election. ⁵ The face value is calculated based on the volume-weighted average price of shares over the five ASX trading days commencing 21 August 2025, which was \$18.5393.

⁶ The Company obtained an independent valuation of the fair value of the Rights as at 10 September 2025 in respect of the FY26 LTI and STI Performance Rights proposed to be granted. The closing share price of Northern Star on 10 September 2025 was \$20.16.

The Board in accordance with a recommendation of the Nomination Committee, has reviewed the performance of Mr Cernotta standing for re-election and endorsed their nomination as a candidate. Mr Cernotta participated in the Board's deliberations regarding the recommendations for re-election.

Experience and qualifications of Mr Cernotta for re-election

Mr Cernotta is a mining engineer having held senior operational and executive roles in Australia and overseas for more than 35 years. He has considerable experience in the management and operation of large resource projects, with a track record for improving safety performance, managing costs and improving operational efficiencies, across multiple commodities and international jurisdictions.

APPENDIX 1 – SUMMARY OF FY20 SHARE PLAN RULES

Purpose	The main objectives of the Plan are to create a stronger link between performance and longer-term remuneration outcomes for those who participate in the Plan (Participants) and allow Participants to share in the future growth and profitability of the Company.
Eligible Employees	Broadly, any full or part-time employee (including an executive director) of the Company or a subsidiary (Group Employee) who has not given a notice of resignation or been given a notice of termination of employment is eligible. Non-Executive Directors are not eligible to participate.
Administration of the Plan	The Plan will be administered by the People & Culture Committee under the directions of the Board. The Board may delegate its powers and discretions, determine procedures for the administration of the Plan, and resolve questions of interpretation and disputes in relation to the Plan.
Invitations	The Board may issue Invitations to Eligible Employees to be granted Awards under the Plan. The terms and conditions in the Invitation will prevail to the extent of any inconsistency with the FY20 Share Plan rules. For Group Employees, the measurable objectives, relative weightings and measurement periods during which time they are required to be met, are set by the Board annually in relation to the Executive KMP, and by the CEO annually in relation to other senior employees, for the short term incentives and long term incentives for each year in which Awards are granted under the Plan.
Awards	Awards will consist of grants of Performance Rights or other conditional rights to be delivered a Share on the vesting (Rights).
No transfer	A Right may not be transferred without the prior written approval of the Board.
Vesting Conditions	Awards will be subject to Vesting Conditions. Vesting Conditions are to be determined by the Board and described in the Invitation and will include performance conditions set by the Board. The Board may waive, replace or amend a Vesting Condition, for example, if the Board determines that it is no longer appropriate, practical or applicable.
Vesting of Awards	Awards will vest if and when the Board determines that the Vesting Conditions are satisfied and the Participant is notified of this in writing.
Delivery of Shares	Following vesting of a Right, the Participant will be entitled to delivery of a Share upon exercising the Right. Awards that vest are normally exercisable up until the tenth anniversary of the date of grant of the Awards (although shorter periods will apply if the Participant ceases to be employed). The Board will determine how the Shares are to be delivered, which may be by issue of new Shares to, purchase and transfer to, or procuring Shares to be held for the benefit of (i.e. through the Company's Employee Share Trust), the relevant Participant, or a combination of such methods of delivery. Alternatively, the Board may determine to settle in cash in lieu of delivering Shares.
Ranking of Shares	Any Shares delivered to a Participant when an Award is exercised will rank equally with all other issued Shares.
Restricted Shares	Invitations may specify that Shares delivered on vesting cannot be disposed of for a specified period following delivery.
Expiry	Vested Rights automatically lapse on the tenth anniversary of their grant date. Rights held by a former employee of the Group that: <ul style="list-style-type: none"> • had already vested when the employee ceased – expire 12 months after the employee's end date; or • vest after the employee's end date – expire 6 months after the vesting date.

Notice of Annual General Meeting 2025

Termination of employment	The Invitation will specify the consequences of cessation of employment during a performance period, depending on the reasons, and subject to Board discretion. For example, where employment ends because of agreed mutual separation, the proportion of the unvested Rights which is the same as the proportion of the relevant performance period during which the Participant was employed, may or may not lapse according to Board discretion, and the balance of the Rights will lapse on cessation, unless the Board exercises discretion otherwise.
Malus and Clawback	<p>The Board may reduce unvested Awards, and clawback previously vested Awards from a Participant or former Participant within two years from the date of delivery of Shares (or receipt of cash paid in lieu of delivering Shares). The Board may exercise this power having regard to matters it considers relevant acting in good faith in the interests of the Company. The Board intends for this power to be exercised in instances of:</p> <ul style="list-style-type: none"> • material financial misstatements; • significant negligence; • significant legal, regulatory and/or policy non-compliance; • significant harmful act by the individual; or • the Board holding the opinion that the Participant received or would receive a grossly unjustifiable benefit because of factors outside the Participant's control.
No participation rights	Rights granted under the Plan do not entitle the holder to participate in a new issue of Shares or other securities, or the right to any dividends or distributions paid on Shares unless the Board offers Dividend Equivalent rights in respect of any Rights that vest.
Control transactions	<p>If a control event occurs:</p> <p>(a) unvested Rights of each Participant in proportion to the relevant measurement period that has expired before the date of the control event (determined by the Board) will vest immediately (regardless of the status of the Vesting Conditions, without limiting the Board's ability to exercise downward discretion if circumstances warrant this); and</p> <p>(b) the balance of unvested Rights will vest or lapse on that date, as the Board determines in its discretion.</p> <p>A "control event" includes: a takeover bid where the bidder has acquired a relevant interest in more than 50% of the Shares and either the Board has recommended the bid or the bid has become unconditional; court approval of a scheme of arrangement which will, upon implementation, result in a person having a relevant interest in more than 50% of the Shares; or another event which the Board declares to be a control event.</p>
Amendment	The Board may amend the Plan. However, the Participant's consent is required for amendments to the Plan that reduce the rights of the Participant in respect of an Award that has already been granted (other than for legal reasons, correcting manifest errors/mistakes or tax reasons).
Operation	The Plan is subject to the Company's Constitution, the ASX Listing Rules, the Corporations Act and other applicable laws.
Board Discretion	The Board retains absolute discretion to vary Awards or the application of the rules of the Plan, and to exercise or refrain from exercising any power or discretion under the FY20 Share Plan rules.
