VOTING EXCLUSION STATEMENTS

The Corporations Act and the ASX Listing Rules (as applicable) require that certain persons must not vote, and the Company must disregard any votes cast by or on behalf of certain persons, in respect of certain Resolutions that will be put to Shareholders at the Meeting. The persons that are excluded from voting on each Resolution (if any) are described below.

In respect of **Resolution 3** (Adoption of Remuneration Report), a vote must not be cast, and the Company will disregard any votes cast, on Resolution 3:

- by or on behalf of a person who is a member of Key Management Personnel whose remuneration details are included in the Remuneration Report and/or any Closely Related Party of such a person, in any capacity (including as a proxy); or
- by any person who is a member of Key Management Personnel as at the time Resolution 3 is voted on at the Meeting, or a Closely Related Party of such a member of Key Management Personnel, as a proxy, unless the vote is cast as proxy on behalf of a person otherwise entitled to vote on Resolution 3:
- in accordance with the express direction of the appointor; or
- by the Chair where the proxy appointment does not specify the way the proxy is to vote on Resolution 3 and expressly authorises the Chair to exercise the proxy in respect of Resolution 3 as the Chair sees fit even though the resolution is connected directly or indirectly with the remuneration of a member of KMP.

The **Key Management Personnel** or **KMP** of the Company are the Directors of the Company, and those other persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly. The KMP during the financial year to 30 June 2025 are identified in the Remuneration Report contained in the Directors’ Report for the year ended 30 June 2025.

Closely-related parties are defined in the Corporations Act, and include certain family members, dependents and companies the KMP control.

In respect of **Resolutions 4** (relating to the issue of Service Rights to Mr Kavanagh) and **5** (relating to the issue of Performance Rights to Mr Kavanagh), the Company will disregard any votes cast in favour of either Resolution by or on behalf of Mr Kavanagh or any of his Associates, regardless of the capacity in which the vote is cast.

However, the Company will not disregard any such vote in favour of Resolution 4 or 5 if it is cast by:

- a person as proxy or attorney for a person who is entitled to vote on the relevant Resolution, in accordance with the directions given to the proxy or attorney to vote on that Resolution in that way;
- the Chair as proxy or attorney for a person who is entitled to vote on the relevant Resolution, in accordance with a direction given to the Chair to vote on that Resolution as the Chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an Associate of a person excluded from voting, on the Resolution; and
 - the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Further, a vote must not be cast (and the Company will disregard any vote cast) on Resolution 4 or 5 by a member of the KMP (as at the time the relevant Resolution is voted on at the Meeting), or a Closely Related Party of that member of the KMP, as a proxy, unless the vote is cast as proxy for a person otherwise entitled to vote on the relevant Resolution:

- in accordance with the express direction of the appointor; or
- by the Chair where the proxy appointment does not specify the way the proxy is to vote on the relevant Resolution and expressly authorises the Chair to vote the proxy votes the subject of that proxy appointment on the relevant Resolution as the Chair sees fit, even though the Resolution is connected directly or indirectly with the remuneration of a member of the KMP.

In respect of **Resolution 6** (relating to approval of the Global Plan), the Company will disregard any votes cast in favour of Resolution 6 by or on behalf of any person who is eligible to participate in the Global Plan and their Associates (each person being a **Restricted Voter**). However, the Company will not disregard a vote cast in favour of Resolution 6 by a Restricted Voter if it is cast by:

- a person as a proxy or attorney for a person who is entitled to vote on Resolution 6, in accordance with the directions given to the proxy or attorney to vote on the Resolution in that way;
- the Chair as proxy or attorney for a person who is entitled to vote on Resolution 6, in accordance with a direction given to the Chair to vote on Resolution 6 as the Chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an Associate of a person excluded from voting, on the Resolution; and
 - the holder votes on the Resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Further, a vote must not be cast (and the Company will disregard any vote cast) on Resolution 6 by a member of the KMP (as at the time the Resolution is voted on at the Meeting), or a Closely Related Party of that member of the KMP, as a proxy, unless the vote is cast as proxy for a person otherwise entitled to vote on Resolution 6:

- in accordance with the express direction of the appointor; or
- by the Chair where the proxy appointment does not specify the way the proxy is to vote on Resolution 6 and expressly authorises the Chair to vote the proxy votes the subject of that proxy appointment on Resolution 6 as the Chair sees fit, even though the Resolution is connected directly or indirectly with the remuneration of a member of the KMP.

QUORUM

The Company's Constitution provides that two Shareholders who are present at the meeting and entitled to vote on a Resolution at the meeting constitutes a quorum for the meeting.

GENERAL BUSINESS

Any other business proposed in accordance with the Company's Constitution and applicable law will be considered, as appropriate and/or required.

VOTING ENTITLEMENTS

For the purpose of section 1074E(2)(g)(i) of the Corporations Act and regulation 7.11.37 of the Corporations Regulations, the Company has determined that, for the purposes of the Meeting, Shares will be taken to be held by the holders registered as at 11:00am (AEDT) on Monday, 3 November 2025. Shareholders so registered at that time are, subject to the applicable voting exclusions set out in this Notice of Meeting, entitled to attend and vote at the AGM (whether themselves or by their duly appointed proxy, attorney or corporate representative). This means that transfers of Shares registered after that time will be disregarded in determining entitlements to attend the AGM and vote on the Resolutions.

VOTING

Each of the Resolutions set out in this Notice of Meeting will be decided by a poll in accordance with the Constitution and section 250JA of the Corporations Act.

PROXIES

A Shareholder may appoint a proxy for the meeting by following the instructions set out below and on the Proxy Form accompanying this Notice of Meeting. For a proxy appointment to be effective, a completed Proxy Form (and, if applicable, any Power of Attorney or other authority under which the Proxy Form is signed), must be received by Computershare in accordance with the instructions on the Proxy Form at the postal or website address or fax number below, or a proxy appointment must be validly lodged online, in each case, **not later than 11.00am (AEDT) on Monday, 3 November 2025 (being at least 48 hours prior to the Meeting)**. Any Proxy Form received, or proxy appointed online, after this time will not be valid for the purpose of the Meeting.

By mail:	Computershare Investor Services Pty Limited GPO Box 242 Melbourne VIC 3001 Australia
By facsimile:	1800 783 447 (within Australia) +61 (3) 9473 2555 (outside Australia)
Online:	Using the website maintained by the Company's Share Registry at www.investorvote.com.au or, by Intermediary Online subscribers only, at https://www.intermediaryonline.com

To lodge a proxy online, the holder identification number (HIN) or security holder reference number (SRN) is required. The HIN or SRN appears at the top of the Proxy Form attached.

A shareholder entitled to attend and vote at the Company's AGM is entitled to appoint not more than two persons as his / her proxy to attend and vote on behalf of the shareholder. A proxy need not be a shareholder of the Company and can be an individual or body corporate. If more than one proxy is appointed, each proxy must be appointed to represent a specified proportion of the shareholder's voting rights that each proxy is entitled to exercise. If the Shareholder appoints two proxies and does not specify each proxy's voting rights, the voting rights are deemed to be 50% of the total number of Shares the subject of the proxy appointment for each proxy. Fractions of votes are to be disregarded.

A proxy may decide whether to vote on a Resolution, except where the proxy is required by law or the Constitution to vote, or abstain from voting, in his or her capacity as proxy. If a proxy is directed how to vote on a Resolution, the proxy may only vote on the Resolution as directed. If a proxy is not directed how to vote on a Resolution, the proxy may vote on that Resolution as they determine (subject to any applicable voting exclusions set out in this Notice Meeting).

If a Shareholder lodges a Proxy Form or appoints a proxy online but fails to nominate a proxy, the Shareholder will be taken to have appointed the Chair of the Meeting as the Shareholder's proxy by default.

The appointment of one or more duly appointed proxies will not preclude a Shareholder from attending and voting at the Meeting. If the Shareholder appoints a proxy in respect of a Resolution but nonetheless attends the Meeting and votes on that Resolution, the authority of that Shareholder's proxy to vote on that Resolution on the Shareholder's behalf will be automatically suspended.

If a Shareholder appoints a body corporate as a proxy, that body corporate will need to ensure that it:

- appoints an individual as its corporate representative to exercise its powers at the Meeting, in accordance with section 250D of the Corporations Act; and
- provides satisfactory evidence of the appointment of its corporate representative prior to commencement of the Meeting.

If such evidence is not received before the Meeting, then the body corporate (through its representative) will not be permitted to act as proxy. Please contact Computershare to obtain the relevant corporate representative appointment documentation. You will require the shareholding details of the body corporate, including the SRN or HIN and registered address for the shareholding to obtain the corporate representative documentation.

A Proxy Form signed under a power of attorney or other authority (if any) must be accompanied by the signed power of attorney, or a certified copy of the power of attorney.

DIRECTING YOUR PROXY HOW TO VOTE

You can direct your proxy how to vote on a Resolution by marking the "for", "against" or "abstain" boxes on the Proxy Form or, if the proxy is appointed online, by directing the proxy how to vote on the relevant Resolution in accordance with the instructions on the website. If you have appointed someone other than the Chair as your proxy and you do not direct them how to vote, that person may vote, or abstain from voting, at their discretion (except where the proxy is required by law or the Constitution to vote, or abstain from voting, in his or her capacity as proxy, including to comply with the applicable voting exclusions set out in this Notice of Meeting). If a proxy is directed how to vote on a Resolution, the proxy may only vote on that

Resolution as directed. If a proxy is not directed how to vote on a Resolution, the proxy may vote as they determine, subject to the applicable voting exclusions set out in this Notice of Meeting.

If the abstention box for any Resolution is marked on the Proxy Form (or selected in an online proxy appointment), the proxy will be directed not to vote on a poll and the relevant Shares will not be counted in calculating the required majority on the poll for that Resolution.

NO DIRECTION AND APPOINTING THE CHAIR AS YOUR PROXY

The Chair intends to vote all available (including undirected) proxies in favour of all Resolutions (subject to the applicable voting exclusions described above), including Resolutions 3, 4, 5 and 6. You should note that if you appoint the Chair as your proxy, or the Chair is appointed as your proxy by default, you will be taken to have expressly authorised the Chair to exercise the proxy in respect of each applicable Resolution as the Chair sees fit, even if the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel. In particular, Shareholders should note that, if a Shareholder appoints the Chair as its proxy, or if the Chair is appointed as that Shareholder's proxy by default, in relation to Resolutions 3, 4, 5 and/or 6 and the Shareholder does not mark the "for", "against" or "abstain" box opposite the relevant item on the Proxy Form (or, if the proxy is appointed online, does not direct the proxy how to vote on the relevant Resolution in accordance with the instructions on the website), by signing the Proxy Form (or, if the proxy is appointed online, by completing the proxy appointment in accordance with the instructions on the website), the Shareholder will be deemed to have authorised the Chair to vote the Shares the subject of the Shareholder's proxy appointment in favour of the relevant Resolution, and the Chair may vote those Shares in this way, even though that Resolution is connected directly with the remuneration of members of Key Management Personnel.

In exceptional circumstances, the Chair may change their voting intention, in which case an ASX announcement will be made by the Company.

If you wish, you can appoint the Chair as your proxy and direct the Chair to cast your votes contrary to the above stated voting intention (subject to the applicable voting exclusions described above) or to abstain from voting on a Resolution. To do so, simply mark your voting (or abstention) directions on the Proxy Form before you return it or, if the proxy is appointed online, direct the proxy how to vote on (or abstain from voting on) the relevant Resolution in accordance with the instructions on the website.

RESOLUTIONS

In accordance with the Corporations Act and the Constitution, in order for each of Resolutions 1, 2 and 4-6 to be passed, it must be passed as an ordinary Resolution. This means that each of these Resolutions must be passed by more than 50% of the votes cast by (or on behalf of) shareholders who are entitled to vote on the Resolution. In accordance with section 250R(3) of the Corporations Act, Resolution 3 is an advisory, non-binding resolution, as explained in the Explanatory Notes in respect of Resolution 3 below.

DEFINED TERMS

Words that are defined in the Glossary at the end of the Explanatory Notes have the same meaning when used in this Notice of Meeting (and the Explanatory Notes) unless the context otherwise requires.

Dated in Sydney this 2 October 2025.

EXPLANATORY NOTES

These Explanatory Notes are an explanation of, and contain information about, the Resolutions to be considered at the Nanosonics Limited (**Nanosonics** or the **Company**) Annual General Meeting (**AGM** or the **Meeting**) to be held on Wednesday, 5 November 2025 and are to assist shareholders to determine how they wish to vote on the Resolutions. It forms part of the accompanying Notice of AGM and should be read in conjunction with it.

Items of Business

2025 Reports (Financial Report, Directors' Report and Auditor's Report)

The Corporations Act requires that the Financial Report (which includes the financial statements and the Directors' declaration, the Directors' Report and the Auditor's Report) for the year ended 30 June 2025 to be laid before the AGM.

Shareholders will be given a reasonable opportunity to ask questions about, and to make comments on, these reports and the management of the Company. Shareholders will also be given an opportunity to ask a representative of the Auditor questions relevant to the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by Nanosonics in relation to the preparation of the Financial Report and the independence of the auditor in relation to the conduct of the audit.

A copy of the Annual Report (which includes the Financial Report, the Directors' Report and the Auditor's Report) is available on the Company's website at <https://www.nanosonics.com.au/> in the Investor Centre section or may be requested from the Company Secretary. There is no requirement for a formal resolution on this item and, accordingly, there will be no formal resolution put to, and no vote on this item at, the meeting.

Resolution 1 – Re-election of a Director, Mr Steven Sargent

Mr Steven Sargent was appointed as a Non-Executive Director of the Company in July 2016, and was appointed Chairman in July 2022.

Mr Sargent had a 22-year career with General Electric and has extensive multi-industry, global experience across a range of industries including healthcare, energy and financial services across the USA, Europe and Asia Pacific. Mr Sargent is currently a Director of Ramsay Health Care Limited (ASX:RHC), and Ramsay Generale de Sante (GDS.PA). Mr Sargent's unlisted board roles include acting as a Director of the Great Barrier Reef Foundation and Chairman of The Origin Energy Foundation. Previously, Mr Sargent was a Director of Origin Energy Limited (ASX:ORG), a Director of OFX Group Limited (ASX: OFX), a Director of Veda Group, a Director of Bond University and a Director of the Business Council of Australia.

Mr Sargent currently serves as the Chairman of the Nomination Committee and a member of each of the Audit & Risk Committee, the People & Culture, Safety and Remuneration Committee and the Innovation & Development Committee.

The Board (with Mr Sargent abstaining) considers that, having regard to all relevant factors Mr Sargent is (and, if re-elected at the Meeting, will qualify as) an independent Director.

Directors' Recommendation:

The Board, excluding Mr Sargent, considers that Mr Sargent continues to be a valuable contributor to the Board in light of the extensive skills, knowledge and experience that he brings to the Board and his role as

Chairman, and recommends (including for the purpose of rule 20.6 of the Constitution) that shareholders vote in favour of Resolution 1.

Resolution 2 – Election of a Director, Mr Gerard Dalbosco

Mr Dalbosco joined the Nanosonics Board in January 2025 following a distinguished executive career, most notably at EY, where he held leadership roles which included Oceania Managing Partner & CEO, Asia Pacific Managing Partner – Markets & Joint Deputy CEO, and Oceania Managing Partner – Transaction Advisory Services. Mr Dalbosco retired from EY in 2020.

Mr Dalbosco's previous governance roles include Mercy Health & Aged Care, Berry Street Victoria and the Committee for Melbourne. Mr Dalbosco is currently a Non-executive Director at Medibank Private Ltd and serves as Chair of Melbourne Archdiocese Catholic Schools. He is also Chair of the Gillespie Family Council & Gillespie Family Foundation (founders/owners of Bakers Delight).

Mr Dalbosco currently serves as a member of the People & Culture, Safety and Remuneration Committee and is the Chairman of the Audit & Risk Committee.

Since retiring from EY, Mr Dalbosco has held no role with EY nor received any ongoing payments from EY as part of any retirement plan. Further, Mr Dalbosco did not have any dealings with Nanosonics as part of any of his roles with EY. Mr Dalbosco had no involvement in the selection of EY as the Company's statutory auditor, which pre-dated his appointment to the Board. The Board (with Mr Dalbosco abstaining) does not consider that Mr Dalbosco's background as a former EY partner has any impact on his independence, and considers him to be (and considers that, if elected at the Meeting, he will qualify as) an independent Director.

Mr Dalbosco, who was appointed as a Director by the Board since the Company's last annual general meeting, will retire as a Director at the Meeting and, being eligible, offers himself for election as a Director at the meeting.

The Company has conducted appropriate checks into Mr Dalbosco's background and experience and those checks have not revealed any information of concern.

Directors' Recommendation:

The Board, excluding Mr Dalbosco, considers that Mr Dalbosco is a valuable addition to the Board in light of the particular skills, knowledge and experience that he brings to the Board and recommends that shareholders vote in favour of Resolution 2.

Resolution 3 – Adoption of Remuneration Report

The Company is required to put a resolution to its Shareholders to adopt (by way of a non-binding, advisory vote) the Remuneration Report at the Meeting in accordance with section 250R(2) of the Corporations Act. That resolution is Resolution 3.

The Remuneration Report is contained in the Directors' Report, which forms part of the Annual Report. In accordance with section 250R(3) of the Corporations Act, the vote on Resolution 3 is advisory only and does not bind the Directors or the Company. Shareholders will be given a reasonable opportunity to ask questions and make comments concerning the Remuneration Report during the AGM.

If 25% or more of the eligible votes cast on this Resolution are against the adoption of the Remuneration Report and, at the next annual general meeting of the Company, 25% or more of votes cast on the resolution

to adopt the remuneration report for FY26 are against the adoption of that remuneration report, a 'spill resolution' will then be put to Shareholders at that annual general meeting. If more than 50% of the votes cast on that 'spill resolution' are in favour of the 'spill resolution', then an extraordinary general meeting of the Company will be held within 90 days after that annual general meeting, at which the Directors (other than the Managing Director) who were in office on the date of issue of the Company's remuneration report for FY26 must retire and stand for re-election.

A voting exclusion statement applies to Resolution 3, as set out in the Notice of Meeting.

Directors' Recommendation:

Noting that each Director has a personal interest in his or her own remuneration from the Company, the Board unanimously recommends that shareholders vote in favour of Resolution 3. As noted in the Notice of Meeting, the Chair intends to vote all available (including undirected) proxies in favour of Resolution 3 (subject to the applicable voting exclusions set out in the Notice of Meeting).

Resolution 4 – Issue of 59,233 Service Rights to the Chief Executive Officer and President, Mr Michael Kavanagh, in respect of Mr Kavanagh's 2025 Short Term Incentive grant (FY25 STI) and under the Nanosonics Equity Plan

Shareholder approval is sought for the issue of 59,233 Service Rights to Mr Michael Kavanagh, Nanosonics' Chief Executive Officer and President, in respect of Mr Kavanagh's FY25 STI and under the terms and conditions of the Nanosonics Equity Plan, which was last approved by shareholders for the purpose of ASX Listing Rule 7.2 (Exception 13) at the 2023 AGM (**Nanosonics Equity Plan**), the material terms and conditions of which are summarised below. As explained below, the FY25 STI has already been earned by Mr Kavanagh and fifty percent of his FY25 STI has already been paid in cash. The balance of Mr Kavanagh's FY25 STI (being \$248,848) (**FY25 STI Entitlement Balance**) will, subject to Resolution 4 being passed, be awarded in the form of Service Rights, which will vest on 31 August 2026. The service condition described in the 'FY25 STI Terms' table below will apply until the Vesting Date. Once vested, these Service Rights will be subject to an exercise restriction for a further 12 months to 31 August 2027.

Under ASX Listing Rule 10.14, an issue of securities (including the Service Rights the subject of this Resolution 4) to a director under an employee incentive scheme is required to be approved by shareholders (subject to limited exceptions). Mr Kavanagh is a director of Nanosonics and, therefore, shareholder approval is being sought for the purpose of ASX Listing Rule 10.14. Approval of Resolution 4 for the purpose of ASX Listing Rule 10.14 will also result in any Service Rights the subject of Resolution 4 issued to Mr Kavanagh being excepted from the restriction in ASX Listing Rule 7.1. Accordingly, if Resolution 4 is passed by shareholders, the issue of Service Rights the subject of Resolution 4 (and any new ordinary shares issued to Mr Kavanagh on satisfaction of those Service Rights) will be excluded for the purpose of calculating Nanosonics' annual 'placement capacity' limit under ASX Listing Rule 7.1 and will therefore not count towards the annual 15% new security issue capacity availability to the Company under that ASX Listing Rule.

Background

In respect of the FY25 STI, the Board, after considering prior performance, market conditions and approved budgets, set two Group financial metrics with a total 60% weighting, being Profit Before Tax (PBT) and Global Total trophon Units. Each of the Group financial metrics included a measure for threshold, target and stretch performance outcomes. The remaining 40% weighted metrics were operational in nature and aligned with the Board's business priorities.

The Board determined that Mr Kavanagh achieved an overall STI outcome of 90.9% against target (comprising 61.8% financial and 29.1% in respect of the individual operational metrics), which represented 60.6% of the potential maximum outcome (comprising 41.2% financial and 19.4% in respect of the individual operational metrics).

Additional detail in respect of the FY25 STI outcomes is set out in section 5.2 of the Remuneration Report.

Service Rights were chosen by the Company as the form of the equity component of the FY25 STI (including Mr Kavanagh's FY25 STI grant the subject of Resolution 4) as they provide alignment between the interests of the Company's executives and Shareholders but do not provide the executives with the full benefits of share ownership unless and until the Service Rights vest and are exercised. The number of Service Rights that will be granted and issued to Mr Kavanagh was calculated by dividing Mr Kavanagh's FY25 STI Entitlement Balance by the Volume Weighted Average Price (**VWAP**) of Nanosonics' shares traded on ASX during the 20 trading days following the release of the Company's FY25 full year results to the ASX (that is, over the period 26 August 2025 to 22 September 2025), which was \$4.2012 (**Service Right Face Value**). Using that methodology, the value of each Service Right is \$4.2012 (being the Service Right Face Value), with the 59,233 Service Rights having a total value of \$248,848. The actual value (if any) of the Service Rights will depend on whether the service-based vesting condition described below is satisfied, the Service Rights are ultimately exercised, and the Nanosonics share price at the time of exercise.

Mr Kavanagh is currently the only Director entitled to participate in the Nanosonics Equity Plan. As at the date of this Notice of Meeting, no Directors, other than Mr Kavanagh, have been issued any equity securities (including Service Rights) under the Nanosonics Equity Plan. Details of any securities issued under the Nanosonics Equity Plan will be published in the Annual Report of Nanosonics relating to the period in which the securities were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the Nanosonics Equity Plan after Resolution 4 is approved and who are not named in this Notice of Meeting will not participate until approval is obtained under that rule.

As at the date of this Notice of Meeting:

- (i) Mr Kavanagh has previously been granted 21,914 Service Rights and 856,017 Performance Rights under the Nanosonics Equity Plan. No acquisition price was paid by Mr Kavanagh for those Service Rights or Performance Rights. The grant and issue of these Service Rights and Performance Rights to Mr Kavanagh was previously approved by Shareholders (for the purpose of ASX Listing Rule 10.14) at the 2023 AGM held on 3 November 2023 and the 2024 AGM held on 12 November 2024; and

In accordance with the terms of those Service Rights and Performance Rights, no acquisition or subscription price was paid by Mr Kavanagh for the issue of those Shares.

No other securities (as defined in the ASX Listing Rules) have been issued to Mr Kavanagh under the Nanosonics Equity Plan. For completeness, the Company has previously issued (with shareholder approval for the purpose of ASX Listing Rule 10.14) equity securities to Mr Kavanagh under the Company's "Omnibus Equity Plan" (**Omnibus Plan**). The types and number of those equity securities that Mr Kavanagh holds as at

the date of this Notice of Meeting are set out in the table in the “Mr Kavanagh’s remuneration” section below.

If shareholder approval for the issue of the Service Rights the subject of Resolution 4 is not obtained at the Meeting, then, subject to the achievement of the service-based vesting condition described below, Mr Kavanagh may, at the Board’s discretion, be entitled to receive a cash payment at the Vesting Date (defined below) of an amount equal to the FY25 STI Entitlement Balance, being \$248,848.

Directors' recommendation

The Board, excluding Mr Kavanagh (who abstains from making a recommendation to shareholders because of his personal interest in the outcome of the Resolution), recommends that shareholders vote in favour of the Resolution. As stated in the Notice of Meeting, the Chair intends to vote all available (including undirected) proxies in favour of Resolution 4 (subject to the applicable voting exclusions described in the Notice of Meeting).

A voting exclusion statement applies to Resolution 4, as set out in the Notice of Meeting.

Resolution 5 – Issue of 405,184 Performance Rights to the Chief Executive Officer and President, Mr Michael Kavanagh, in respect of Mr Kavanagh’s FY26 Long-Term Incentive grant (FY26 LTI) and under the Nanosonics Equity Plan

Shareholder approval is sought for the issue of 405,184 Performance Rights to Mr Michael Kavanagh, Nanosonics’ Chief Executive Officer and President, in respect of Mr Kavanagh’s FY26 LTI and under the terms and conditions of the Nanosonics Equity Plan, the material terms and conditions of which are summarised below.

As noted in the Explanatory Notes to Resolution 4 above, under ASX Listing Rule 10.14, an issue of securities (including the Performance Rights the subject of this Resolution 5) to a director under an employee incentive scheme is required to be approved by shareholders (subject to limited exceptions). Mr Kavanagh is a director of Nanosonics and, therefore, shareholder approval is being sought for the purpose of ASX Listing Rule 10.14. Approval of Resolution 5 for the purpose of ASX Listing Rule 10.14 will also result in any Performance Rights the subject of Resolution 5 issued to Mr Kavanagh being excepted from the restriction in ASX Listing Rule 7.1. Accordingly, if Resolution 5 is passed by shareholders, the issue of Performance Rights the subject of Resolution 5 (and any new ordinary shares issued to Mr Kavanagh on satisfaction of those Performance Rights) will be excluded for the purpose of calculating Nanosonics’ annual ‘placement capacity’ limit under ASX Listing Rule 7.1 and will therefore not reduce the annual 15% new security issue capacity availability to the Company under that ASX Listing Rule.

Background

The structure of the FY26 LTI is as follows:

- **Relative Total Shareholder Return Measure (rTSR):** 50% of the FY26 LTI grant value will be based on Nanosonics’ Total Shareholder Return (TSR), measured against the TSR of the ASX Small Ordinaries constituents (100 to 300), excluding the GICS, Energy, Financials, Metal & Mining Industry and REITs sectors’ companies. This peer group of companies is aligned to Nanosonics in terms of size and industry. This metric provides a direct link between the experience of the Company’s shareholders and executive long-term rewards.
- **EPS CAGR measure:** 50% of the FY26 LTI grant value will be based on a 3-year Earnings Per Share (EPS) compound annual growth rate (CAGR) of the Company over the performance period FY26 to FY28. The Company believes that EPS CAGR ensures that LTI outcomes are closely aligned to shareholder experience and, together with the more operational focus of the STI, reflects the Company’s focus on sustainable growth over the coming years. When setting the EPS CAGR target for the 3 year Performance Period (defined below), the expected investments in R&D, and commercialisation activities associated with the CORIS launch, by the Company over the coming years were taken into account.

The Company considers that these two equally weighted measures achieve an appropriate balance between shareholder experience (rTSR) and Company performance (EPS CAGR).

Details of the vesting conditions that will apply to the Performance Rights the subject of Resolution 5, which are based on these measures, are described in the table entitled “FY26 LTI Terms” below (see the sections of the table entitled “Gate”, “Performance Conditions” and “Service Condition”)) (**Vesting Conditions**).

If Resolution 5 is approved, Mr Kavanagh will be invited to apply for 405,184 Performance Rights. These Performance Rights will be granted on the terms and conditions summarised below.

The Company uses Performance Rights as the form of the FY26 LTI (including Mr Kavanagh's FY26 LTI grant the subject of Resolution 5) because they are commonly used and well supported instruments that create long-term alignment between the interests of the Company's executives and ordinary shareholders but do not provide the executives with the full benefits of share ownership unless and until the Performance Rights vest and are exercised.

The number of Performance Rights that will be granted and issued to Mr Kavanagh (if Resolution 5 is passed at the Meeting) was calculated by dividing \$1,702,257.74, being Mr Kavanagh's maximum entitlement to participate in the FY26 LTI, by the Nanosonics share face value determined using the VWAP of Nanosonics shares traded on ASX for the 20 trading days following the release of the Company's FY25 full year results (that is, over the period 26 August 2025 to 22 September 2025), which was \$4.2012 (**Performance Right Face Value**). Using that methodology, the value of each Performance Right is \$4.2012 (being the Performance Right Face Value), with the 405,184 Performance Rights having a total value of \$1,702,257.74. The actual value (if any) of the Performance Rights will depend on whether the Vesting Conditions described below are satisfied (or, if applicable, waived), the Performance Rights are ultimately exercised, and the Nanosonics share price at the time of exercise.

As stated in the Explanatory Notes to Resolution 4 above:

- Mr Kavanagh is currently the only Director entitled to participate in the Nanosonics Equity Plan;
- as at the date of this Notice of Meeting, no Directors, other than Mr Kavanagh, have been issued any equity securities (including Performance Rights) under the Nanosonics Equity Plan;
- details of any securities issued under the Nanosonics Equity Plan will be published in the Annual Report of Nanosonics relating to the period in which the securities were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14; and
- any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the Nanosonics Equity Plan after Resolution 5 is approved and who are not named in this Notice of Meeting will not participate until approval is obtained under that rule.

The Explanatory Notes to Resolution 4 above include details of the securities (as defined in the ASX Listing Rules) that have been issued to Mr Kavanagh under the Nanosonics Equity Plan (with shareholder approval for the purpose of ASX Listing Rule 10.14), as well as details of the equity securities previously issued under the Omnibus Plan that Mr Kavanagh still holds as at the date of this Notice of Meeting. Other than as described in the Explanatory Notes to Resolution 4 above, no securities (as defined in the ASX Listing Rules) have been issued to Mr Kavanagh under the Nanosonics Equity Plan.

If shareholder approval for the issue of the Performance Rights the subject of Resolution 5 is not obtained at the Meeting, then the Board will consider alternative arrangements to appropriately remunerate and incentivise Mr Kavanagh (which may include the issue to Mr Kavanagh of the same number of Performance Rights on the same terms and conditions as those summarised in this Explanatory Note in respect of Resolution 4, except that any shares allocated or otherwise provided to Mr Kavanagh upon the exercise of those Performance Rights will be required to be purchased on-market on the ASX (such that the exception to ASX Listing Rule 10.14 in ASX Listing Rule 10.16(b) applies to those Performance Rights).

The material terms of the Performance Rights the subject of Resolution 5 are summarised in the table below. The Performance Rights the subject of Resolution 5 will be granted under, and subject to, the Nanosonics Equity Plan Rules, the material terms of which are summarised in the Explanatory Notes to Resolution 4 above.

FY26 LTI terms

Maximum number of securities	<p>For the FY26 LTI, Mr Kavanagh will be invited to apply for 405,184 Performance Rights with a nil Exercise Price if Resolution 5 is approved at the Meeting. However, ordinary shares issued or transferred on the exercise of Performance Rights have the same dividend and voting rights as the ordinary shares in capital of the Company currently on issue. Ordinary shares issued or transferred to Mr Kavanagh on the exercise of Performance Rights will not be subject to a holding lock, and Mr Kavanagh will be free to deal with those shares, subject to compliance with Nanosonics' securities trading policy and applicable laws.</p> <p>When added to the other remuneration elements, it is considered that Mr Kavanagh's FY26 LTI will produce a total remuneration package that is market competitive and appropriate given the Company's circumstances for FY26, based on market benchmarking and the current Nanosonics executive remuneration policy.</p>

The Gate for the FY26 LTI will be as follows:</p> <ul style="list-style-type: none"> • For the rTSR tranche (being 202,592 (representing 50% of the total number) of the Performance Rights the subject of Resolution 5), the Gate is that the Company's TSR must be positive over the Performance Period (unless the Board determines otherwise in accordance with the Nanosonics Equity Plan Rules). • For the EPS CAGR tranche (being 202,592 (representing 50% of the total number) of the Performance Rights the subject of Resolution 5), no Gate applies.

Service Condition	In addition to the above Vesting Conditions, the Performance Rights will only vest if Mr Kavanagh remains in continuous employment with Nanosonics in his current or equivalent position from the date of grant to the respective Vesting Date and is not working out a notice period as at the Vesting Date (unless the Board determines otherwise in accordance with the Nanosonics Equity Plan Rules).
Vesting Date	30 September 2028
Exercise Restriction Period	The Performance Rights will be subject to an Exercise Restriction Period of one year after the Vesting Date and they may only be exercised after that date.
Exercise of Rights	<p>Upon exercise of vested Rights, if any dividends were paid by the Company between the Vesting Date and the date of exercise of the Performance Rights, Mr Kavanagh will be entitled to receive additional shares (or a cash payment) equal to the value of the dividends (calculated on the basis that they were reinvested in shares on ex-dividend date) that Mr Kavanagh would have been entitled to receive in respect of the shares into which his Performance Rights converted had he held those shares on the record dates in respect of those dividends.</p> <p>It is intended that any vested and exercised Performance Rights will be settled in shares. However, the board retains discretion to settle those Performance Rights in cash (of an amount equivalent to the value of those shares at the applicable time) or a combination of cash and shares in accordance with the Nanosonics Equity Plan. In accordance with the Nanosonics Equity Plan, any shares into which the Performance Rights convert on exercise may be, in the Board's discretion, new shares issued to Mr Kavanagh or existing shares (including shares acquired on market) that are transferred to Mr Kavanagh, or a combination of both.</p>
Lapse	The Performance Rights will automatically lapse if the Performance Conditions are not met (unless the Board determines otherwise in accordance with the Nanosonics Equity Plan Rules) or, where Performance Conditions are met, the Performance Rights will automatically lapse if they are not exercised by the Last Exercise Date
Loan Terms	No loan will be made to Mr Kavanagh in relation to the Performance Rights.
Grant date	If Resolution 5 is approved, the Performance Rights will be granted no later than 6 months after the date of the Meeting.
Malus & clawback	<p>If the Board becomes aware of circumstances that have resulted in an unfair or inappropriate benefit to an Executive KMP (which includes Mr Kavanagh) including:</p> <ul style="list-style-type: none"> • a material misstatement or omission in the consolidated financial statements of the Group; • the misconduct of any Executive KMP; or • any other circumstance that the Board determines in good faith to have resulted in an unfair or inappropriate benefit to the Executive KMP,

	the Board may, at its absolute discretion, reduce, cancel or clawback the Performance Rights the subject of Resolution 5 or any shares issued on exercise of those Performance Rights.
Adjustment to EPS CAGR-based Performance Condition	The Board has the discretion to adjust the EPS CAGR targets the subject of the EPS CAGR-based Performance Condition described above in certain circumstances, including the discretion to adjust the EPS CAGR targets to the extent required to remove the effects of matters outside of management's influence, any capital management initiative (such as a share buy-back program, return of capital, or other capital management initiative) undertaken by the Company, or merger or demerger, takeover bid, or capital reconstruction that occur, during the Performance Period to ensure that Mr Kavanagh is neither advantaged nor disadvantaged by matters that would otherwise materially affect the achievement or distort the outcome of the EPS CAGR-based Performance Condition.
General discretion	The Board has the discretion to amend the terms and conditions (including the Vesting Conditions) of the Performance Rights the subject of Resolution 5 in circumstances where the Board considers it to be in the best interests of the Company.

Mr Kavanagh's remuneration

Details of Mr Kavanagh's remuneration entitlements for FY25 and his interests in the Company's securities as at 30 June 2025 can be found on pages 52, 54 and 56 of the 2025 Remuneration Report. A summary of Mr Kavanagh's remuneration package for FY26 and the details of the equity securities that Mr Kavanagh owns or has a beneficial interest in as at the date of this Notice of Meeting are set out in the Explanatory Notes to Resolution 4 above.

Directors' recommendation

The Board, excluding Mr Kavanagh (who abstains from making a recommendation to shareholders because of his personal interest in the outcome of the Resolution), recommends that shareholders vote in favour of the Resolution. As stated in the Notice of Meeting, the Chair intends to vote all available (including undirected) proxies in favour of Resolution 5 (subject to the applicable voting exclusions described in the Notice of Meeting).

A voting exclusion statement applies to Resolution 5, as set out in the Notice of Meeting.

Resolution 6 – Approval of the Nanosonics Global Employee Share Plan

Background

The Company first adopted the Nanosonics Global Employee Share Plan (the **Global Plan**) in 2019. It was last approved by Shareholders (for the purpose of ASX Listing Rule 7.2 (Exception 13)) at the 2022 AGM. In recognition of the Company's global operations, the Global Plan allows the Board to make offers of certain securities to its employees, regardless of where they are located in the world, to encourage alignment between the Company's employees and the interests of shareholders. In particular, offers of securities under the Global Plan can be made to foreign employees in a manner that accommodates foreign legal and taxation requirements.

ASX Listing Rules 7.1 and 7.2, Exception 13

As noted above, under ASX Listing Rule 7.1, an ASX-listed company must not, subject to specified exceptions, issue or agree to issue more than 15% of its issued share capital in any rolling 12-month period without the approval of Shareholders.

ASX Listing Rule 7.2, Exception 13 provides an exception to ASX Listing Rule 7.1 for an issue of securities under an employee incentive scheme where, within three years before the issue of those securities, shareholders have approved the issue of securities under the scheme as an exception to ASX Listing Rule 7.1. If Resolution 6 is passed at the Meeting, the issue of Shares under the Global Plan will be exempt from the operation of ASX Listing Rule 7.1 for a period of 3 years from the date of the Meeting. This means that any Shares issued under the Global Plan in that 3-year period will be excluded for the purpose of calculating of the Company's available 'placement capacity' in any rolling 12-month period under ASX Listing Rule 7.1 (and will therefore not reduce the 15% new security issue capacity available to the Company in such a 12-month period under ASX Listing Rule 7.1). As the Global Plan was last approved by Shareholders (for the purpose of ASX Listing Rule 7.2 (Exception 13)) at the 2022 AGM, if Resolution 6 is not approved at the Meeting, any issues of Shares under the Global Plan after the Meeting will be included for the purpose of calculating the Company's available 'placement capacity' in any rolling 12-month period under ASX Listing Rule 7.1 (and will therefore reduce the 15% new security issue capacity available to the Company in the relevant period).

Summary of the terms of the Global Plan:

A summary of the terms of the Global Plan is set out in the table below, as required by ASX Listing Rule 7.2 (Exception 13(b)):

Eligibility	Under the Global Plan, eligible employees (full time or part time employees of a subsidiary of Nanosonics) (Participants) may be offered the opportunity to acquire Shares. Global Plan Participants may elect to discontinue their participation at any time. Participation will automatically cease if a Global Plan Participant ceases to be an employee of the Nanosonics Group or otherwise ceases to be an eligible employee.
Contribution and acquisition of Shares	Under the Global Plan, certain regular deductions are made from a Global Plan Participant's after-tax salary, which are then held on trust (Contributions). At present, each Global Plan Participant's gross Contributions are limited to the lesser of 15% of the Global Plan Participant's gross remuneration and A\$25,000 each year. Shortly after the end of each consecutive six month "Offering Period", the Contributions will be used to subscribe for new Shares for the Global Participant. The subscription price (Share Issue Price) is determined by the Board, but must not be less than 85% of the lower of the prevailing Share price at the beginning and the end of the relevant Offering Period.
Restriction on dealing	A Global Plan Participant's right to purchase Shares is personal and may not be transferred or assigned to any other person, other than to a Legal Personal Representative in the event of death. The Board may determine that Shares issued under the Global Plan are subject to restrictions on disposal.

Adjustment on significant events	<p>If any of the following occur:</p> <p>(a) a variation of share capital, bonus issue or rights issue in relation to Nanosonics; or</p> <p>(b) a dividend in specie or demerger affecting a subsidiary,</p> <p>the Board may make such adjustments to the terms of offers as it considers appropriate.</p>
Rights attaching to Shares	<p><i>Ranking</i></p> <p>Each Global Plan Participant's Shares issued will rank equally in all respects with all existing Shares from the date of issue.</p> <p><i>Dividends and voting rights</i></p> <p>Subject to the term of any Offer, a Global Plan Participant is entitled to:</p> <p>(a) receive any dividend or other distribution or entitlement; and</p> <p>(b) exercise any voting rights,</p> <p>in respect of Shares held by that Global Plan Participant.</p>
Global Plan Limit	<p>The maximum aggregate number of Shares which may be issued under the Global Plan is 1% of the total number of Shares on issue.</p>
Suspension or termination	<p>The Global Plan may be suspended or terminated at any time by resolution of the Board.</p>

Number of securities issued since the date of the last approval

282,503 Shares have been issued under the Global Plan since 18 November 2022 when the Global Plan was last approved by Shareholders.

Maximum number of securities proposed to be issued

The maximum number of Shares proposed to be issued under the Global Plan following approval at the Meeting is 3,039,219 Shares.

The maximum number of Shares set out above is not intended to be a prediction of the actual number of Shares issued under the Global Plan following Shareholder approval of Resolution 6 at the Meeting, but is specified as a maximum number for the purposes of ASX Listing Rule 7.2, Exception 13(b). The actual number of Shares issued under the Global Plan following Shareholder approval of Resolution 6 at the Meeting may be different to that maximum number. In the event that the Company issues more than that number of Shares under the Plan, any Shares issued in excess of that number will be included for the purpose of calculating the Company's available 'placement capacity' in any rolling 12-month period under ASX Listing Rule 7.1 (and will therefore reduce the 15% new security issue capacity available to the Company in the relevant period).

Directors' recommendation

The Board recommends that shareholders vote in favour of Resolution 6. As stated in the Notice of Meeting, the Chair intends to vote all available (including undirected) proxies in favour of Resolution 6 (subject to the applicable voting exclusions described in the Notice of Meeting).

A voting exclusion statement applies to Resolution 6, as set out in the Notice of Meeting.
