Resolutions

Remuneration Report

Resolution 1 – Adoption of Remuneration Report

The remuneration report for the Company is set out in the Company's 2025 Annual Report. The remuneration report outlines the Company's remuneration framework and the remuneration outcomes for the financial year the subject of the remuneration report for the Board and Key Management Personnel.

The Chairman will allow a reasonable opportunity for Shareholders to ask questions about, or make comments on, the remuneration report at the meeting.

Under the Corporations Act if, at two consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report, then a further resolution (Spill Resolution) may be required to be considered at the second annual general meeting as to whether a further meeting be convened to put certain Directors to re-election. The Directors to be put to re-election are those Directors, other than the Managing Director, who were Directors when the resolution to make the directors report was passed.

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the requirement for a Spill Resolution will not arise at this Meeting irrespective of the outcome of the vote on Resolution 1.

Voting

If you are appointing the Chair as your proxy, please note that the proxy form accompanying this Notice expressly authorises the Chair to vote any undirected proxies in favour of Resolution 1 even though the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel. Accordingly, if you are appointing the Chair as your proxy and do not wish your proxy to vote in favour of Resolution 1, you will need to mark "against" or "abstain" where indicated in the proxy form in relation to Resolution 1.

Re-election of Director

Resolution 2 – Re-election of Warwick Grigor as Director

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

Clause 14.2 of the Company's Constitution requires that at the Company's annual general meeting, one third of the Directors shall retire from office. The retiring Director(s) must not be a Managing Director. The Director(s) to retire at the annual general meeting are those who have been in office the longest since their last election. For Directors re-elected on the same day, those to retire shall be agreed amongst themselves or by drawing lots.

As the Company currently has 3 Directors (excluding the Managing Director) 1 must retire.

ASX Listing Rule 14.5 also provides that an entity which has Directors must hold an election of Directors at each annual general meeting.

Mr Warwick Grigor was last re-elected as a Director at the 2022 AGM. Mr Michael Quinert was last re-elected as a Director at the 2023 AGM. Mr Andy Goodwin was last elected as a Director at the 2024 AGM.

Accordingly, as the longest serving since his last election, Mr Warwick Grigor will retire in accordance with Clause 14.2 of the Company's Constitution and a biography of Warwick Grigor, who was first appointed as a Director of the Company on 7 December 2015 is set out in the Company's annual financial report for the year ended 30 June 2025.

Directors' recommendation

The Directors (excluding Warwick Grigor) recommend that Shareholders vote for this Resolution.

Ratification of Prior Issue of Fully Paid Ordinary Shares

Resolution 3 – Ratifications of Prior Issues of Fully Paid Ordinary Shares to Specialty Materials Investments, LLC

Background

As announced by the Company on 27 May 2021, the Company entered into a share placement agreement with Specialty Materials Investments, LLC (**Investor**), an institutional investor, pursuant to which the Company secured \$8,000,000 in funding (**Share Placement Agreement**). Please refer to Schedule 1 for a summary of the Share Placement Agreement.

The Company has received the \$8,000,000 in two tranches, tranche 1 being \$5,000,000 which was received shortly after 27 May 2021 and tranche 2 being \$3,000,000 which the Company received on 30 November 2021.

Under the Share Placement Agreement, the Company will issue fully paid ordinary shares (**Placement Shares**) in relation to all or part of the placement amount at the Investor's request during up until 3 June 2025.

At the 2021, 2022, 2023 and 2024 AGMs the Company sought, and received, shareholder approval to ratify prior issues of Placement Shares to the Investor worth a total value of \$5,400,000 and which had been issued by utilising the Company's capacity under Listing Rule 7.1 at that time.

Since the 2024 AGM the Company has issued a further 5,000,000 fully paid ordinary shares issued on 8 October 2024, 30,000,000 fully paid ordinary shares issued on 17 January 2025, 50,000,000 fully paid ordinary shares issued on 29 July 2025 and 34,866,667 fully paid ordinary shares issued on 5 September 2025. These additional issues of Placement Shares were issued by utilising the Company's existing capacity under Listing Rule 7.1. The Share Placement Agreement has now been completed.

Resolution 3 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the 119,666,667 fully paid ordinary shares since the 2024 AGM.

ASX Listing Rules 7.1 and 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Listing Rule 7.4 sets out an exception to Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. To this end, Resolution 3 seeks Shareholder approval to the issue of the Placement Shares for the purposes of Listing Rule 7.4.

If Resolution 3 is passed, the issue of Placement Shares will be excluded in calculating the Company's 15% capacity to issue Equity Securities under Listing Rule 7.1 without Shareholder approval over the 12-month period following their respective issue dates.

If Resolution 3 is not passed, the issue of Placement Shares the subject of the Resolution, will be included in calculating the Company's 15% capacity to issue Equity Securities under Listing Rule 7.1 without Shareholder approval over the 12-month period following the Issue Date.

Information required by ASX Listing Rule 7.5

The following information is provided to Shareholders for the purposes of Listing Rule 7.5.

- (a) The Placement Shares were issued to Specialty Materials Investments, LLC, who is not a related party of the Company;
- (b) The Company issued a total of 119,866,667 Placement Shares as follows:
 - i. 5,000,000 shares at an issue price of \$0.04 per Placement Share on 8 October 2024;

 - iv. 34,666,667 shares at an issue price of \$0.03 per Placement Share on 5 September 2025.
- (c) The Placement Shares were fully paid on issue and ranked equally in all aspects with all existing fully paid ordinary shares previously issued by the Company.
- (d) Funds raised from the issue of the Placement Shares have been and will be used by the Company to underwrite the Company's growth strategy and for general working capital.
- (e) The Placement Shares were issued pursuant to the Share Placement Agreement. The material terms of the Share Placement Agreement are set out in Schedule 1.
- (f) The Share Placement Agreement has now been completed.

Background

Under the Company's Incentive Awards Plan (**Plan**), the Company may issue or grant Shares, Options or Performance Rights.

It is proposed that, subject to Shareholder approval, a total of 4,000,000 Performance Rights (**Performance Rights**) will be granted to the Directors of the Company, being Messrs Michael Bell, Andrew Goodwin, Michael Quinert and Warwick Grigor (or their respective nominees) (each a "**Related Party**") and together the "**Related Parties**") under the Company's Incentive Awards Plan.

Resolutions 4 to 7 seek Shareholder approval for the grant of the Performance Rights to the Related Parties.

Related Party Transaction

Under the Corporations Act, for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in Sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in Sections 210 to 216 of the Corporations Act.

The grant of the Performance Rights to the Related Parties, under the Plan, requires the Company to obtain Shareholder approval because this constitutes giving a financial benefit and, as the Related Parties are Directors, they are each a related party of the Company. If the Director's nominees receive the Performance Rights, they will also be a related party by virtue of each being an associate of a Director (as relevant).

For each Director for whom the issue of Performance Rights were considered, the other non-conflicted Directors considered the proposed issue, and formed the view that the giving of the financial benefit to that Director was reasonable remuneration given the circumstances of the Company, the quantum of the Performance Rights, the terms of the Performance Rights, and the responsibilities held by that Director in the Company.

Accordingly, the non-conflicted Directors of the Company believe that the issue of these Performance Rights to each of the Directors fall within the "reasonable remuneration" exception as set out in section 211 of the Corporations Act and relies on this exception for the purposes of Resolutions 4 to 7 respectively.

ASX Listing Rule 10.14

ASX Listing Rule 10.14 provides that a company must not permit any of the following persons to acquire securities under an employee incentive scheme without the approval of holders of ordinary securities of the acquisition:

- (a) a director of the company;
- (b) an associate of a director; or
- (c) a person whose relationship with the company or a person referred to in (a) or (b) above is, in ASX's opinion, such that approval should be obtained.

If Resolutions 4 to 7 are passed, Performance Rights will be granted to directors of the Company (or their respective nominees) who fall within Listing Rule 10.14.1 (if a director) or Listing Rule 10.14.2 (if a nominee of a director). Therefore, the Company requires Shareholder approval in accordance with ASX Listing Rule 10.14 to grant the Performance Rights to the Related Parties (or their respective nominees).

If a Resolution is not passed, the Company will not be able to grant the Performance Rights the subject of that Resolution and will need to assess whether alternative incentives are to be offered to the relevant Related Party.

Shareholder Approval (Listing Rule 10.14)

Pursuant to and in accordance with the requirements of ASX Listing Rule 10.15, the following information is provided in relation to the proposed grant of Performance Rights:

- (a) Messrs Michael Bell, Andrew Goodwin, Michael Quinert and Warwick Grigor are related parties by virtue of being Directors of the Company and so fall under Listing Rule 10.14.1. If the Performance Rights are granted to nominees of Messrs Michael Bell, Andrew Goodwin, Michael Quinert and Warwick Grigor the nominee will be an Associate of the Director and fall under Listing Rule 10.14.2;
- (b) the number of Performance Rights (being the nature of the financial benefit being provided) to be granted to the Related Parties (or their nominees) is:

Related Party	Number of Performance Rights			Total

Warwick Grigor	19,083,772	819,073	4,770,944

- (d) the current total remuneration package of the Related Parties (inclusive of superannuation and equity-based remuneration) for the current financial year, and for the previous two financial years, is as follows. This is in addition to the Performance Rights proposed to be granted under Resolutions 4 to 7:

Related Party	Current financial year to 30 June 2026 (estimate)	Financial year Ended 30 June 2025	Financial year Ended 30 June 2024
Michael Bell	\$560,000	\$547,516	\$499,530

- b. Andrew Goodwin was issued 300,000 Performance Rights following Shareholder approval at the 2024 AGM;
 - c. Michael Bell was issued 300,000 Performance Rights following Shareholder approval at the 2024 AGM; and
 - d. Warwick Grigor was issued 600,000 Performance Rights following Shareholder approval at the 2024 AGM;
- (f) the material terms of the Performance Rights are set out in Schedule 2. The following are the key terms of the Performance Rights to be granted to the Related Parties:
- a. the Performance Rights to be granted will be subject to the following vesting conditions:

Vesting Conditions	Tranche 1 Vesting Condition	Tranche 2 Vesting Condition	Tranche 3 Vesting Condition
Share Price ¹	\$0.07	\$0.11	\$0.17
Sales (AUD) ²	\$1.5 million	\$2.0 million	\$5.0 million

Notes:

1. 20-day VWAP Share price at 30 June of applicable financial year (Tranche 1: FY26; Tranche 2: FY27; Tranche 3: FY28) exceeds the price shown. 25% weighting i.e. 25% of the Performance Rights in a Tranche will be measured against this vesting condition
2. Sales revenue received during the applicable financial year (Tranche 1: FY26; Tranche 2: FY27; Tranche 3: FY28) is at least the amount shown, based on audited accounts. 40% weighting i.e. 40% of the Performance Rights in a Tranche will be measured against this vesting condition.

In addition:

1. 10% of each Tranche is subject to the achievement by a Director of their personal KPI for an applicable financial year (Tranche 1: FY26; Tranche 2: FY27; Tranche 3: FY28) as determined by the Board; and
 2. 25% of each Tranche is subject to the Director remaining a director of the Company at 30 June of the applicable financial year (Tranche 1: FY26; Tranche 2: FY27; Tranche 3: FY28).
- b. the Performance Rights will expire on 30 September 2028 (Tranche 1), 30 September 2029 (Tranche 2), 30 September 2030 (Tranche 3) (**Expiry Date**);
 - c. subject to applicable vesting conditions being satisfied (or waived by the Board in its discretion or in accordance with the Plan) and any adjustment permitted under the Plan, one Performance Right will be exercisable prior to the Expiry Date at the holder's election into one Share of the Company (which will be granted on the same terms and conditions as the Company's existing Shares);
- (g) the Company wishes to grant Performance Rights as they are a cost-effective mechanism to incentivise the Related Parties, as they do not impact the Company's cash reserves and are simpler to administer than the grant of Shares that would need to be cancelled if the vesting conditions are not satisfied or waived;
- (h) the Performance Rights proposed to be granted to the Related Parties have been valued at \$195,555 internally based on each Performance Right having a value equal to the current share price being, of \$0.07 per Share as at the close of trade on 2 October 2025;
- (i) the Performance Rights will be granted to the Related Parties (or their nominees) no later than 12 months after the date of the General Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules) and it is anticipated the Performance Rights will be granted on one date;
- (j) the Performance Rights will be granted for nil cash consideration; accordingly, no funds will be raised;

- (k) a summary of the Incentive Awards Plan, which applies to the Performance Rights, is set out in Schedule 3;
- (l) no loan has or will be provided to the Related Parties in relation to the grant or subsequent exercise of the Performance Rights;
- (m) details of any securities issued or granted under the Plan will be published in the Company's annual report relating to the period in which they were issued or granted, along with a statement that approval for the issue or grant was obtained under Listing Rule 10.14; and
- (n) any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue or grant of securities under the Plan after Resolutions 4-7 are approved and who were not named in this Notice of Meeting will not participate until approval is obtained under that rule.

Sections 200B and 200E of the Corporations Act

Section 200B of the Corporations Act generally provides that, subject to specific exceptions, Shareholder approval is required under Section 200E of the Corporations Act for the giving of benefits to a person occupying a managerial or executive office with the Company in connection with their retirement from a managerial or executive office. The term 'benefits' is widely defined.

The Incentive Plan, and the terms and conditions of grant of Performance Rights under the Incentive Plan to the Related Parties (or their nominees), contain a number of provisions which may operate to entitle the Related Parties (or their nominees), to an early vesting of Performance Rights and/or in different circumstances than might otherwise be the case in connection with their ceasing to hold a managerial or executive office with the Company. Some of the relevant provisions in the Incentive Plan (or terms and conditions) are subject to the Board exercising their discretion to allow such exercise (whether by waiving vesting conditions or extending the period for vesting or resolving that unvested Performance Rights do not lapse when otherwise they would).

These may constitute a "benefit" for the purposes of section 200B of the Corporations Act.

The value of any such benefits which may be given to the Related Parties (or their nominees) cannot presently be ascertained but matters, events and circumstances that may, or will, affect the calculation of that value include:

- (a) the number of Performance Rights held by the participant;
- (b) the number of Performance Rights that vest early or do not lapse when otherwise they would;
- (c) the price of Shares on the ASX on the date of ceasing to hold a managerial or executive office with the Company;
- (d) the status of any vesting conditions or other conditions for the Performance Rights and the Board's assessment of the performance of the participant up to the date of ceasing;
- (e) the participant's length of service and the extent to which they have served any applicable notice period; and
- (f) the reasons for ceasing to hold a managerial or executive office with the Company.

Shareholder approval is sought under section 200E of the Corporations Act to the giving of any benefit to the Related Parties (or their nominees) in connection with their future cessation of office or position with the Company under the terms of the Incentive Plan (or terms and conditions of grant) in relation to the Performance Rights, including as a result of any future exercise of a discretion by the Board under the terms of the Incentive Plan or the terms and conditions of the Performance Rights.

If Shareholder approval is given, the value of the benefit may be disregarded when applying Section 200F(2)(b) or Section 200G(1)(c) of the Corporations Act (i.e. the benefits will not count towards the statutory caps that apply to benefits that may be given without shareholder approval).

The Related Parties have advised that they have no current intention to resign from their positions with the Company.

Listing Rule 10.19

Listing Rule 10.19 provides that, without the approval of shareholders, an entity must ensure that no officer of the entity or any of its child entities will be, or may be, entitled to termination benefits if the value of those benefits and the termination benefits that may become payable to all officers together exceed 5% of the equity interests of the entity as set out in the latest accounts given to the ASX under the Listing Rules.

The section above notes that the Incentive Plan, and the terms and conditions of grant of Awards under the Incentive Plan to the Related Parties (or their nominees), contain a number of provisions which may constitute benefits for the purposes of section 200B of the Corporations Act. These provisions may also constitute termination benefits for the purposes of ASX Listing Rule 10.19. As such, the Company is also seeking Shareholder approval for these benefits to be given.

If Shareholders approve Resolutions 4 to 7 the value of the benefits will not be counted towards the 5% cap set out in Listing Rule 10.19.

Directors' recommendations

Each of Messrs Michael Bell, Andrew Goodwin, Michael Quinert and Warwick Grigor declines to make a recommendation to Shareholders in relation to the Resolution relating to the grant of Performance Rights to themselves (or their nominee) due to their interest in the outcome of the Resolution on the basis that they are to be granted Performance Rights in the Company should the Resolution be passed. However, in respect of the Resolutions dealing with the grant of the Performance Rights to each of the other Directors, each of Messrs Michael Bell, Andrew Goodwin, Michael Quinert and Warwick Grigor recommends that Shareholders vote in favour of Resolutions 4 - 7 for the following reasons:

- (a) the grant of Performance Rights is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties; and
- (b) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Performance Rights upon the terms proposed.

In forming their various recommendations, each Director considered the qualifications and experience of each other Related Party, the current market price of Shares, the current market practices when determining the number of Performance Rights to be granted as well as the expiry date, vesting conditions and other material terms of those Performance Rights.

Except as specified above, no other Director has a personal interest or other interest in the outcome of Resolutions 4-7.

The Board is not aware of any information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolutions 4-7.

Approval pursuant to ASX Listing Rule 7.1 is not required to grant the Performance Rights to the Related Parties or their nominees as approval is being obtained under ASX Listing Rule 10.14. Accordingly, the grant of Performance Rights to the Related Parties or their nominees will not be included in the 15% calculation of the Company's twelve-month capacity to issue Shares or other securities without shareholder approval pursuant to ASX Listing Rule 7.1.

Voting Prohibitions

Sections 224(1) and (2) of the Corporations Act provide that a vote may not be cast (in any capacity) by or on behalf of the related party to whom the resolution would permit a financial benefit to be given (or an associate of that person) other than a vote cast a proxy by a person in writing that specifies how the proxy is to vote on the proposed resolution and which is not cast on behalf of the relevant related party (or an associate of that person).

In accordance with sections 200E(2A) and (2B) of the Corporations Act no votes on Resolutions 4 to 7 may be cast by the Related Parties or any associate of the Related Parties. This restriction does not prevent the Related Parties or any of their associates from voting on the Resolution as proxy for another person which specifies how the proxy holder is to vote.

Appointment of Auditor

Resolution 8 – Appointment Of Auditor

As announced on 3 June 2025, the Board resolved to change auditor of the company from BDO Audit Pty Ltd to PKF Perth.

BDO Audit Pty Ltd applied for and received ASIC consent to resign as auditor of the Company.

Pursuant to section 327C(1) of the Corporations Act the Company appointed PKF Perth as auditor of the Company. In compliance with section 327C(2) of the Corporations Act, an auditor appointed under section 327C(1) of the Corporations Act holds office until the Company's next AGM.

For the purpose of section 327B of the Corporations Act, Resolution 8 seeks shareholder approval for the appointment of PKF Perth as auditor of the Company.

PKF Perth have been duly nominated in accordance with section 328B(1) of the Corporations Act. In accordance with section 328B(3) of the Corporations Act, a copy of the notice of nomination of auditor accompanies this Notice of Meeting at Schedule 4.

PKF Perth have provided their consent to be appointed as auditor.

The Board recommends that Shareholders vote in favour of Resolution 8.

The Chairman intends to vote all undirected proxies in favour of this Resolution.

ASX Listing Rule 7.1A

Resolution 9 – ASX Listing Rule 7.1A Approval of Future Issue of Securities

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

ASX Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval at its annual general meeting by way of special resolution to allow it to issue Equity Securities up to 10% of its issued capital (**10% Placement Capacity**) to increase this 15% limit by an extra 10% to 25%.

The Company is an Eligible Entity, meaning it is an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 9 is not passed then the Company will not have the availability of the additional 10% Placement Capacity to issue Equity Securities without Shareholder approval provided under ASX Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without shareholder approval set out in Listing Rule 7.1. Accordingly, if the Company intends to issue securities over and above its placement capacity under ASX Listing Rule 7.1 then Shareholder approval will be required to issue such securities.

The effect of Resolution 9 will be to allow the Company to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period up to 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under Listing Rule 7.1.

Resolution 9 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 9 for it to be passed.

Listing Rule 7.1A

Listing Rule 7.1A enables an Eligible Entity to seek shareholder approval at its annual general meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity under Listing Rule 7.1.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000 or less.

The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of less than \$300,000,000. If however, on the date of the Meeting the Company's market capitalisation exceeds \$300,000,000, then Resolution 9 will no longer be effective and will be withdrawn.

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has 1 class of quoted Equity Securities on issue, being the Shares (ASX Code: FGR.)

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the following formula:

$$(A \times D) - E$$

Where:

- A is the number of Shares on issue 12 months before the date of issue or agreement to issue:
- (a) plus the number of Shares issued in the previous 12 months under an exception in Listing Rule 7.2 other than exception 9, 16 or 17;
 - (b) plus the number of fully paid ordinary securities issued in the previous 12 months on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - o the convertible securities were issued or agreed to be issued more than 12 months immediately preceding the date of issue or agreement to issue; or
 - o the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4;
 - (c) plus the number of fully paid ordinary securities issued in the last 12 months under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - o the agreement was entered into more than 12 months before; or
 - o the agreement or issue was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4;
 - (d) plus the number of any other fully paid ordinary securities issues in the previous 12 months with approval under Listing Rule 7.1 or 7.4;
 - (e) plus the number of partly paid shares that became fully paid in the previous 12 months immediately preceding the date of issue or agreement to issue; and
 - (f) less the number of Shares cancelled in the previous 12 months immediately preceding the date of issue or agreement to issue.
- D is 10%.
- E is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months immediately preceding the date of issue or agreement to issue where the issue or agreement has not been subsequently approved by the holders of Ordinary Securities under ASX Listing Rule 7.4.

Information Required by ASX Listing Rule 7.3A

The following information is provided to Shareholder for the purposes of Listing Rule 7.3A.

Period for which the approval will be valid

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) the date which is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) the time and date of the entity's next annual general meeting; and
- (c) the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Minimum price at which the Equity Securities may be issued under Listing Rule 7.1A

Any Equity Securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company's Equity Securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the Equity Securities in that class, calculated over 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; and
- (b) if the Equity Securities are not issued within 10 trading days of the date in paragraph (a), the date on which the Equity Securities are issued.

Purposes for which the funds raised by an issue of Equity Securities under Listing Rule 7.1A may be used

As noted above, any Equity Securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of Equity Securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any Equity Securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholders approve this Resolution. However, if Shareholders approved this Resolution and the Company did raise funds from the issue of Equity Securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used for the following purposes:

- (a) developing, improving, testing and marketing its current graphene products and future graphene products the Company seeks to develop;
- (b) developing, improving, testing and marketing the Company's current and future assets and intellectual property;
- (c) acquiring new assets and investments (including expenses associated with and due diligence on such an acquisition);
- (d) funding ongoing business activities; and
- (e) for general working capital purposes.

Risk of economic and voting dilution to existing ordinary Securityholders

If this Resolution is approved, and the Company issues Equity Securities under Listing Rule 7.1A, the existing Shareholders' economic and voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the Company's Equity Securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
- (b) the Equity Securities may be issued at a price that is at a discount (as described above) to the market price for the Company's Equity Securities on the issue date;

which may have an effect on the amount of funds raised by the issue of Equity Securities under Listing Rule 7.1A.

The table below shows the potential dilution of existing Securityholders on the basis of 3 different assumed issue prices and values for the variable "A" in the formula in rule 7.1A.2:

Variable "A" ASX Listing Rule 7.1A.2		Potential Dilution and Funds Raised		
		\$ 0.024	\$ 0.048	\$ 0.096

Notes:

- (a) Based on the total number of fully paid ordinary Shares on issue as at 16 September 2025.
- (b) Based on the closing price of the Company's Shares on ASX as at 16 September 2025.
- (c) The table assumes that the Company issues the maximum number of ordinary Shares available to be issued under Listing Rule 7.1A.
- (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of Equity Securities under Listing Rule 7.1A based on that Shareholder's holding at the date of this Explanatory Statement.
- (e) The table shows the effect of an issue of Equity Securities under Listing Rule 7.1A only, not under the Company's 15% placement capacity under Listing Rule 7.1.

Shareholders should note that there is a risk that:

- (a) the market price for the Company's Shares (being the Equity Securities in the class the subject of the Listing Rule 7.1A mandate) may be significantly lower on the issue date than on the date of the Meeting; and
- (b) the Company's Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

Allocation policy for issues under Listing Rule 7.1A

The Company's allocation policy and the identity of the allottees of Equity Securities under Listing Rule 7.1A will depend on a number of factors, including:

- (a) the Company's intentions in relation to the possible issue of Equity Securities (for cash consideration) during the Listing Rule 7.1A mandate period;
- (b) the structure and timeframe of the capital raising opportunities available to the Company and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
- (c) the potential effect on the control of the Company;
- (d) the Company's financial position and the likely future capital requirements; and
- (e) advice from the Company's corporate or financial advisors.

Based on the Company's historical cashflow reports and capital raising activities in the past 12 months, the Company considers that it may raise funds during the Listing Rule 7.1A mandate period, although this cannot be guaranteed. As of the date of this Notice, no specific intention to issue Equity Securities in relation to any parties, investors or existing Securityholders have been formed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules and the Corporations Act, the Board of Directors reserve the right to determine at the time of any issue of Equity Securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

If and when the determination is made to proceed with an issue of Equity Securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company's obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of Equity Securities.

The Company previously sought Shareholder approval under Listing Rule 7.1A at the 2024 AGM however did not issue or agree to issue Equity Securities under Listing Rule 7.1A.2 in the 12 months preceding the AGM.

Compliance with Listing Rules 7.1A.4

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it will give to ASX:

- (a) a list of the recipients of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (b) the information required by Listing Rule 7.1A.4 for release to the market.

Voting Exclusion

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 9.

Directors' recommendation

The Board of Directors recommend that Shareholders vote for this Resolution.

Resolution 10 – replacement of constitution and insertion of proportional takeover provisions in the constitution

1.1 General

(a) New Constitution

A company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders.

Resolution 10 is a special resolution which will enable the Company to repeal its existing Constitution and adopt a new constitution (**Proposed Constitution**) which is of the type required for a listed public company limited by shares updated to ensure it reflects the current provisions of the Corporations Act and Listing Rules. This will incorporate amendments to the Corporations Act and Listing Rules since the current Constitution was adopted in 2018.

The Directors believe that it is preferable in the circumstances to replace the existing Constitution with the Proposed Constitution rather than to amend a multitude of specific provisions.

The Proposed Constitution is broadly consistent with the provisions of the existing Constitution. It is not practicable to list all of the changes to the Constitution in detail in this Explanatory Statement, however, a summary of the proposed material changes is set out below.

A copy of the Proposed Constitution is available for review by Shareholders at the Company's website (<https://firstgraphene.net/>) and at the office of the Company. A copy of the Proposed Constitution can also be sent to Shareholders upon request to the Company Secretary (1300 660 448). Shareholders are invited to contact the Company if they have any queries or concerns.

(b) Proportional takeover provisions

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, an entity may include a provision in its constitution whereby a proportional takeover bid for shares may only proceed after the bid has been approved by a meeting of shareholders held in accordance with the terms set out in the Corporations Act.

In accordance with section 648G(1) of the Corporations Act, such clause will cease to apply at the end of three years from the incorporation of the Company, insertion of the clause or renewal of the clause (as appropriate) unless otherwise specified. When this clause ceases to apply, the constitution will be modified by omitting the clause.

This Resolution is a special resolution which will enable the Company to modify its Constitution by inserting proportional takeover provisions into the Constitution in the form of clause 36. (as set out in Schedule 5 of this Notice).

1.2 **Summary of material proposed changes**

(a) Restricted Securities (clause 2.12)

In 2019 the ASX Listing Rules introduced changes to ASX Listing Rule 15 to require a company to have specific provisions in its constitution if it is to have ASX restricted securities on issue. The specific provisions relate to restrictions imposed on such securities.

(b) Virtual Meetings (clause 12.10)

Changes to the Corporations Act in 2022 permit companies to hold virtual shareholder meetings provided the constitution permits the company to do so. Clause 12.10 of the Proposed Constitution allows for the Company to hold virtual meetings of shareholders.

(c) Partial (proportional) takeover provisions (new clause 36)

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, the Company has included in the Proposed Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act.

This clause of the Proposed Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause.

1.3 Information required by section 648G of the Corporations Act

(a) Effect of proposed proportional takeover provisions

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the proportional off-market bid is passed.

(b) Reasons for proportional takeover provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle and assist in ensuring that any partial bid is appropriately priced.

(c) Knowledge of any acquisition proposals

As at the date of this Notice of Meeting, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

(d) Potential advantages and disadvantages of proportional takeover provisions

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- (i) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (ii) assisting in preventing Shareholders from being locked in as a minority;
- (iii) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (iv) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (v) proportional takeover bids may be discouraged;
- (vi) lost opportunity to sell a portion of their Shares at a premium; and
- (vii) the likelihood of a proportional takeover bid succeeding may be reduced.

1.4 **Recommendation of the Board**

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Proposed Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 10.

- Total AUD amount that can be drawn down: \$8,000,000
- Initial deposit shares issued: 2,800,000 shares at \$0.235 per share
- Fee paid: 1,021,276 shares at \$0.235 per share
- Final AUD value of shares to be issued: \$8,480,000 (“subscription amount”)
- Other Terms:
- The final number of shares to be issued by the Company will be determined by applying the Purchase Price (as set out below) to the subscription amount. The Purchase Price will initially be equal to \$0.30 per share and will reset after 10 August 2021 to the average of the five daily volume-weighted average prices selected by the Investor during the 20 consecutive trading days immediately prior to the date of the Investor’s notice to issue shares, rounded down to the next half a cent if the share price is at below 50 cents and whole cent if the share price is at above 50 cents, with no discount applicable to this formula. To the extent that Placement Shares are issued after six months, or 12 months, the Investor will receive a discount of, respectively, 3% or 6% to the foregoing Purchase Price formula.
- The Purchase Price will be the subject of a Floor Price of \$0.16. If the Purchase Price formula were to result in a purchase price that is less than the Floor Price, the Company may refuse to issue shares and instead opt to repay the relevant subscription amount in cash (with a 5% premium), subject to the Investor’s right to receive Placement Shares at the Floor Price in lieu of such cash repayment. The Purchase Price will not be the subject of a cap.

The Company will issue the Placement Shares in relation to all or part of each of the above investments on the Investor’s request, during the period ending 36 months after the date of the investment.
- The Company has retained the right (but has no obligation) to repay the subscription amount in cash in lieu of issuing shares by way of a repayment of the subscription amount together with the difference between the market price of the shares and the Purchase Price (if any) in relation to the shares that would otherwise have been issued.

SCHEDULE 2 – TERMS OF PERFORMANCE RIGHTS

The material terms of the Performance Rights are as follows. The Performance Rights are also subject to the terms and conditions of the Incentive Awards Plan, which are summarised in Schedule 3:

Subject to the terms and conditions set out below, the Performance Rights will have the vesting conditions (**Vesting Conditions**) specified below:

Vesting Conditions	Tranche 1 Vesting Condition	Tranche 2 Vesting Condition	Tranche 3 Vesting Condition
Share Price ¹	\$0.07	\$0.11	\$0.17

- Sales revenue received during the applicable financial year (Tranche 1: FY26; Tranche 2: FY27; Tranche 3: FY28) is at least the amount shown, based on audited accounts. 40% weighting ie 40% of the Performance Rights in a Tranche will be measured against this vesting condition.

In addition,:

- 25% of each Tranche is subject to the Director remaining a director of the Company at 30 June of the applicable financial year (Tranche 1: FY26; Tranche 2: FY27; Tranche 3: FY28).

The Board will assess performance against the Vesting Conditions following the end of applicable financial year. If a Share Price or Sales revenue Vesting Condition is partially met, a proportionate percentage of the Performance Rights subject to that Vesting Condition will vest. - have regard to any matters it considers relevant (including any adjustments that the Board or its delegate considers appropriate to address external factors, such as external stakeholder expectations), and its decision will be final and binding; and

If you cease to be an Eligible Participant (e.g. by ceasing employment or engagement by the Company), subject to applicable laws and stock exchange rules, any Vesting Conditions in respect of unvested Performance Rights will be deemed to be automatically waived except and to the extent otherwise resolved by the Board in its discretion. For clarity, the Board may resolve that Performance Rights vest in part or remain unvested and do not lapse.

9 Change of Control

In the event of a Change of Control, subject to applicable laws and stock exchange rules, any Vesting Conditions in respect of unvested Performance Rights will be deemed to be automatically waived except and to the extent otherwise resolved by the Board in its discretion. 8. Cashless Exercise Facility

The Board may, in its discretion, where the 7 day VWAP price of Shares (**Market Value**) is higher than the exercise price of vested Options, permit a Participant not pay the exercise price for exercised Options and instead be issued that number of Shares equal in value to the positive difference between the then Market Value of the Shares at the time of exercise and the Exercise Price that would otherwise be payable to exercise those Options (with the number of Shares rounded down to the nearest whole Share) (**Cashless Exercise Facility**).

Incentive Awards Plan;

- (f) in respect of an unvested Convertible Security, a winding up resolution or order is made, and the Convertible Security does not vest in accordance with rules of the Incentive Awards Plan;

Your proxy voting instruction must be received by **1:00pm (AWST) on Tuesday, 04 November 2025**, being **not later than 48 hours** before the commencement of the Meeting. Any Proxy Voting instructions received after that time will not be valid for the scheduled Meeting.

SUBMIT YOUR PROXY

Complete the form overleaf in accordance with the instructions set out below.

YOUR NAME AND ADDRESS

The name and address shown above is as it appears on the Company's share register. If this information is incorrect, and you have an Issuer Sponsored holding, you can update your address through the investor portal: <https://investor.automic.com.au/#/home> Shareholders sponsored by a broker should advise their broker of any changes.

STEP 1 - APPOINT A PROXY

If you wish to appoint someone other than the Chair of the Meeting as your proxy, please write the name of that Individual or body corporate. A proxy need not be a Shareholder of the Company. Otherwise if you leave this box blank, the Chair of the Meeting will be appointed as your proxy by default.

DEFAULT TO THE CHAIR OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chair of the Meeting, who is required to vote these proxies as directed. Any undirected proxies that default to the Chair of the Meeting will be voted according to the instructions set out in this Proxy Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of Key Management Personnel.

STEP 2 - VOTES ON ITEMS OF BUSINESS

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Proxy Voting Forms together. If you require an additional Proxy Voting Form, contact Automic Registry Services.
