The vote on the FY2025 Remuneration Report is advisory and will not bind hipages or its Directors. However the Board will take the outcome of the vote into consideration when reviewing the future remuneration policies and practices of hipages.

## Item 3 – Re-election of Adir Shiffman

Adir Shiffman was appointed as a Director by the Board on 7 July 2023 and was elected by shareholders on 9 November 2023. Pursuant to ASX Listing Rule 14.5, Adir Shiffman offers himself for re-election in accordance with article 3.6 of hipages' Constitution.

Based on this performance review, the Board assessed Adir Shiffman to be an effective member of the Remuneration and Nominations Committee and an important contributor to the Board.

*The Board (other than Adir Shiffman because of his interest in this resolution) recommends that shareholders vote in favour of this resolution.*

### Item 4 – Re-election of Kate Hill

Kate Hill was appointed as a Director by the Board on 25 August 2023 and was elected by shareholders on 9 November 2023. Pursuant to ASX Listing Rule 14.5, Kate Hill offers herself for re-election in accordance with article 3.6 of hipages' Constitution.

*The Board (other than Kate Hill because of her interest in this resolution) recommends that shareholders vote in favour of this resolution.*

### Items 5, 6 and 7 – Issue of Equity Securities

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

- a director of the company;
- an associate of a director of the company; or
- a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The following resolutions 5 to 7 fall within Listing Rule 10.14.1 and therefore require the approval of hipages' shareholders under Listing Rule 10.14:

- the proposed issue of performance rights to Roby Sharon-Zipser; and
- the proposed issue of share rights to Inese Kingsmill.

### Item 5 – Grant of deferred equity component of FY2025 short-term incentive (STI) to Chief Executive Officer, Roby Sharon-Zipser

Resolution 5 seeks shareholder approval for the grant of 38,944 performance rights, and any shares on vesting and exercise of performance rights, to RSZ Pty Ltd atf RSZ Trust, an entity controlled by the Chief Executive Officer, Roby Sharon-Zipser under the terms of hipages' Management Equity Plan, as part of his total remuneration package for the year ended 30 June 2025.

#### Summary of key terms of the deferred equity component of FY2025 STI

The FY2025 Executive Incentive Remuneration Framework aims to drive the achievement of hipages' annual objectives and long-term value creation for shareholders.

For FY2025, Roby Sharon-Zipser is eligible for a short-term equity incentive opportunity of 35% (target) / 52.5% (maximum) of his FY2025 total fixed remuneration (**TFR**) of \$668,093; split 70% in cash and subject to shareholder approval, 30% in deferred equity vesting on 30 June 2026.

Based on financial and non-financial performance measures for the 12-month performance period ending 30 June 2025, Roby Sharon-Zipser was awarded 50.14% of his target short-term incentive opportunity, representing \$82,070 in cash and \$35,173 in equity. Further details of Roby Sharon-Zipser's performance outcomes for FY2025 are set out in section 5.2 of the 2025 Remuneration Report.

Roby Sharon-Zipser is entitled to 38,944 performance rights, calculated by dividing the \$35,173 deferred equity component of his short-term incentive award by approximately \$0.90315614 being the 5-day VWAP of HPG shares ending on 30 June 2025.

The performance rights will vest and become exercisable 12 months after the end of the relevant performance period, being 30 June 2026.

## Shareholder approval

If shareholders approve resolution 5, then 38,944 performance rights will be granted to RSZ Pty Ltd atf RSZ Trust, an entity controlled by CEO Roby Sharon-Zipser shortly after the AGM and in any event no later than three years after the AGM.

If shareholders do not approve resolution 5, hipages will not be able to issue the performance rights and the Board will discuss alternative options with Roby Sharon-Zipser in good faith.

For other information required under the ASX Listing Rules, see section: *Additional information required by the ASX Listing Rules* and the hipages FY2025 Remuneration Report. For a summary of key terms of the hipages Management Equity Plan, see the section at the end of this Notice titled: *Summary of key terms of hipages' Management Equity Plan (HMEP)*.

*The Board (other than Roby Sharon-Zipser because of his interest in this resolution) recommends that shareholders vote in favour of this resolution.*

## Item 6 – Grant of FY2026 long-term incentive (LTI) to Chief Executive Officer, Roby Sharon-Zipser

Resolution 6 seeks shareholder approval for the grant of 500,426 performance rights, and any shares on vesting and exercise of performance rights, to RSZ Pty Ltd atf RSZ Trust, an entity controlled by the Chief Executive Officer, Roby Sharon-Zipser under the terms of hipages' Management Equity Plan, as part of his total remuneration package for the year ending 30 June 2026.

### Summary of key terms of the FY2026 LTI

The aim of hipages' long-term incentive pursuant to the hipages Management Equity Plan (**LTI**) granted in the form of performance rights is to deepen the alignment between executive reward and long-term shareholder returns and encourage executives to take actions focused on creating sustainable results over the long-term leading to wealth creation for shareholders, rather than on short-term financial targets which may not be aligned to hipages' long term strategic objectives.

For FY2026, Roby Sharon-Zipser is eligible for an LTI opportunity of 30% (target) / 60% (maximum) of his FY2026 total fixed remuneration (**TFR**) of \$668,093 (on an annualised basis), being \$200,428 (target) / \$400,856 (maximum). The relevant performance period is three years from 1 July 2025 to 30 June 2028 with no re-testing period.

## Explanatory Notes continued

The FY2025 LTI will be issued in two tranches:

Tranche	Performance Conditions	Weighting	Maximum Number of Performance Rights
<b>Market Tranche</b>	Market: Relative Total Shareholder Return (rTSR)	70%	367,275
<b>Strategic Tranche (non-market)</b>	Strategic (non-market): Monthly Active Users (MAU)	15%	133,151
	Strategic (non-market): Monthly Active Users (end-to-end) (MAU end-to-end)	15%	
<b>TOTAL</b>		100%	<b>500,426</b>

The number of performance rights to be issued to Roby Sharon-Zipser has been calculated by:

- in the case of the Market Tranche, by dividing 70% of his maximum LTI opportunity by the value of a performance right subject to an rTSR performance condition being, \$0.764. This valuation has been undertaken by an independent third party valuer using a Monte Carlo simulation; and
- in the case of the Strategic Tranche (non-market), by dividing 30% of his maximum LTI opportunity by the 5-day VWAP of HPG shares, as at 1 July 2025, being \$0.90315614.

### MARKET TRANCHE (weighted 70%)

#### 1. Market Performance Condition: Relative Total Shareholder Return (rTSR)

Performance will be assessed against a relative Total Shareholder Return (**rTSR**) measure. The comparator group for assessing rTSR performance comprises approximately 17 selected ASX-listed companies (as listed below), as approved by the Board. To determine rTSR performance, companies in the comparator group (including hipages) are ranked from highest to lowest in accordance with their TSR for the relevant performance period. The percentile ranking of hipages is used to determine LTI vesting levels.

Adore Beauty Group Limited, Appen Limited, Airtasker Limited, Articore Group Limited, Catapult Group International Ltd, Dubber Corporation Limited, Freelancer Limited, Infomedia Limited, Kogan.com Limited, OFX Group Limited, Readytech Holdings Limited, Reckon Limited, Siteminder Limited, Smartpay Holdings Limited, Temple & Webster Group Ltd, Urbanise.com Limited and ZIP Co Limited.

The following vesting schedule will apply to the rTSR performance measure:

hipages TSR ranking against comparator group	% of the Maximum LTI award that will vest
Below 50th percentile	Nil
At 50th percentile	50% (on Target)
Between the 50th and 75th percentile	Pro-rata vesting on a straight-line basis
At or above 75th percentile	100% (Maximum Stretch)

### STRATEGIC TRANCHE (weighted 30% in aggregate)

#### 2. Strategic (non-market) Performance Condition: Monthly Active Users (MAU) (weighted 15%)

Monthly Active Users or MAU is a measure of unique users that undertake a lead generation action **or** platform action in a month. This measure is an indicator of the success of the strategic shift from Marketplace to Platform.

A *lead generation action* means an action demonstrating intent to accept jobs from the platform. Today, this includes updating profile, changing lead settings, accepting a lead, buying a lead pack or ascending.

A *platform action* means an action on the platform, excluding a lead generation action. Today, this includes a job management action or platform marketplace action including obtaining a referral code for one of our partners to purchase tradiewear, insurance, legal services or tools.

The MAU target for 30 June 2028 will be set by the Board at the end of FY2026.

The following vesting schedule will apply to the MAU performance condition:

Percentage Monthly Active Users to Target	% of the Maximum LTI award that will vest
Below Threshold (<90% of Target)	Nil
Threshold (90% < Target < 100%)	25% to 75%
Target (100%)	75%
Stretch (100% < Target < 110%)	75% to 100%

### 3. Strategic (non-market) Performance Condition: Monthly Active Users end-to-end (MAU end-to-end) (weighted 15%)

Monthly Active Users (end-to-end) or MAU (end-to-end) is a measure of the number of unique users that undertake a lead generation action **and** platform action in a month. This measure is an indicator of the success of the strategic shift from Marketplace to Platform.

A *lead generation action* means an action demonstrating intent to accept jobs from the platform. Today, this includes updating profile, changing lead settings, accepting a lead, buying a lead pack or ascending.

A *platform action* means an action on the platform, excluding a lead generation action. Today, this includes a job management action or a platform marketplace action including obtaining a referral code for one of our partners to purchase tradiewear, insurance, legal services or tools.

The MAU (end-to-end) target for 30 June 2028 will be set by the Board at the end of FY2026.

The following vesting schedule will apply to the MAU (end-to-end) performance condition:

Percentage Monthly Active Users end-to-end to Target	% of the Maximum LTI award that will vest
Below Threshold (<90% of Target)	Nil
Threshold (90% < Target < 100%)	25% to 75%
Target (100%)	75%
Stretch (100% < Target < 110%)	75% to 100%

### Other key terms

The Board has discretion to amend the performance targets, the comparator group and/or how TSR is measured and modified for events which are considered to be outside management's control.

The FY26 tranche of performance rights will vest at the end of the performance period, being 30 June 2028, subject to the extent that the performance condition is achieved. There is no re-testing of the performance conditions. Vested performance rights are exercisable in the exercise periods notified by the Company from time to time.

### Shareholder approval

If resolution 6 is approved by shareholders, 500,426 performance rights will be granted to RSZ Pty Ltd atf RSZ Trust, an entity controlled by Chief Executive Officer, Roby Sharon-Zipser shortly after the AGM and in any event no later than three years after the date of the AGM. If shareholders do not approve resolution 6, hipages will not be able to issue the performance rights and the Board will discuss alternative options with Roby Sharon-Zipser in good faith.

For other information required under the ASX Listing Rules, see section: *Additional information required by the ASX Listing Rules* and the hipages FY2025 Remuneration Report. For a summary of key terms of the hipages Management Equity Plan, see section: *Summary of key terms of hipages' Management Equity Plan (HMEP)*.

## **Item 7 – Grant of Director Equity Entitlement to the Chair, Inese Kingsmill**

Resolution 7 seeks shareholder approval for the annual grant of Director Equity Entitlements valued at \$50,000, and any shares on vesting and exercise of Director Equity Entitlements, to the Chair, Inese Kingsmill under the terms of the hipages' Management Equity Plan, for the next three years.

The Director Equity Entitlements will be provided in the form of share rights, which vest immediately after grant. The provision of share rights to directors aligns the long-term interests of Non-Executive Directors with shareholders. The independence of Non-Executive Directors is carefully balanced including having regard to the number of share rights issued to Non-Executive Directors and by not linking the vesting of share rights to hipages' performance.

The number of share rights will be calculated by dividing the Director Equity Entitlement value of \$50,000 by the 5-day VWAP of HPG shares ending immediately before 25 August, in the relevant year (being the 5-day VWAP of HPG shares immediately before 25 August 2026, 25 August 2027 and 25 August 2028 respectively).

Share rights are not subject to any performance or time-based conditions and will vest immediately after grant.

### **Shareholder approval**

If shareholders approve resolution 7, Inese Kingsmill will receive an annual grant of Director Equity Entitlements valued at \$50,000 for the next three years. The first grant will be made on or around 25 August 2026 (and the following grants will be made on or around 25 August 2027 and 25 August 2028). The share rights will be issued no later than three years after the date of the AGM. If shareholders do not approve resolution 7, hipages will not be able to issue share rights to Inese Kingsmill and the Board will discuss alternative options with Inese Kingsmill in good faith.

For other information required under the ASX Listing Rules, see section: *Additional information required by the ASX Listing Rules* and the hipages FY2025 Remuneration Report. For a summary of key terms of the hipages Management Equity Plan, see the section at the end of this Notice titled: *Summary of key terms of hipages' Management Equity Plan (HMEP)*.

<b>Issue Price</b>	No price is payable for the grant, vesting or exercise of performance rights.
<b>Expiry Date</b>	Performance rights will expire five years after grant.
<b>Voting / dividend rights</b>	Performance rights do not confer any voting or dividend rights (unless and until converted to HPG shares).
<b>Exercise of rights</b>	On exercise, the Board may determine to settle the exercise of performance rights in cash, shares or a combination. If the Board determines to settle the performance rights in cash, the cash amount will be inclusive of superannuation and calculated based on the 5-day VWAP of HPG shares immediately before the exercise date. If the Board determines to settle the performance rights in shares, each performance right will convert to one ordinary HPG share.
<b>Cessation of employment</b>	If a participant ceases employment with hipages before their performance rights have vested, such performance rights will lapse unless the Board exercises its discretion otherwise. The Board may exercise its discretion for some or all of the performance rights to continue on foot and vest or become exercisable, subject to compliance with law and ASX Listing Rules. In exercising its discretion, the Board will have regard to the cessation of employment due to death, disability, genuine retirement or redundancy.
<b>Malus</b>	The Board may exercise its discretion to lapse unvested and vested performance rights in certain circumstances (in the Board's reasonable opinion) including fraud, dishonesty, material financial misstatement and actions that bring hipages into serious disrepute.

<b>Reorganisation</b>	In the event of a reorganisation of hipages share capital including consolidation, sub-division, reduction, issue of bonus shares, buy-back or cancellation, the Board may make appropriate adjustments so as to maintain the purpose of the plan and so that the percentage of the fully diluted share capital of hipages is the same before and after such reorganisation, subject to compliance with law and ASX Listing Rules.
