Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director, if any) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Company's Remuneration Report did not receive a Strike at the 2024 annual general meeting. The Company's ability to issue Equity Securities under Listing Rule 7.1A will be in addition to its 15% annual placement capacity under Listing Rule 7.1.

(e) **At what price can the Equity Securities be issued?**

Any Equity Securities issued under Listing Rule 7.1A must be issued for a cash consideration per Equity Security which is not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph 8.2(i) above, the date on which the Equity Securities are issued, **(Minimum Issue Price)**.

(f) **When can Equity Securities be issued?**

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A will be valid from the date of the Meeting and will expire on the earlier of:

- (i) the date that is 12 months after the date of the Meeting;
- (ii) the time and date of the Company's next annual general meeting; or
- (iii) the time and date of Shareholder approval of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(10% Placement Period).

(g) **What is the effect of Resolution 5?**

The effect of Resolution 5 will be to allow the Company to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without further Shareholder approval or using the Company's 15% annual placement capacity under Listing Rule 7.1.

8.3 **Specific information required by Listing Rule 7.3A**

Pursuant to and in accordance with Listing Rule 7.3A, the following information is provided in relation to the 10% Placement Facility:

(a) **Final date for issue**

The Company will only issue the Equity Securities under the 10% Placement Facility during the 10% Placement Period (refer to Section 8.2(f) above).

(b) **Minimum issue price**

Where the Company issues Equity Securities under the 10% Placement Facility, it will only do so for cash consideration and the issue price will be not less than the Minimum Issue Price (refer to Section 8.2(e) above).

(c) **Purposes of issues under the 10% Placement Facility**

The Company may seek to issue Equity Securities under the 10% Placement Facility for the purposes of raising funds for continued investment in the Company's current assets, the acquisition of new assets or investments (including expenses associated with such an acquisition), and/or for general working capital.

(d) **Risk of economic and voting dilution**

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

If this Resolution 5 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' economic and voting power in the Company may be diluted as shown in the below table (in the case of Options and Performance Rights, only if these Equity Securities are converted into Shares).

The table below shows the dilution of existing Shareholders based on the current market price of Shares and the current number of Shares for Variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 (see Section 8.2(c) above) as at the date of this Notice (**Variable A**), with:

- (i) two examples where Variable A has increased, by 50% and 100%; and
- (ii) two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

Shares (Variable A in Listing Rule 7.1A.2)	Dilution			
	Issue price per Share	\$0.017 50% decrease in Current Market Price	\$0.034 Current Market Price	\$0.068 100% increase in Current Market Price

	Funds raised	\$6,869,476	\$13,738,952	\$27,477,904

Shares (Variable A in Listing Rule 7.1A.2)	Dilution			
	Issue price per Share	\$0.017 50% decrease in Current Market Price	\$0.034 Current Market Price	\$0.068 100% increase in Current Market Price

100% increase in Variable A	Funds raised	\$9,159,301	\$18,318,603	\$36,637,206

Notes:

1. The table has been prepared on the following assumptions:
 - (a) The issue price is the current market price \$0.034, being the closing price of the Shares on ASX on 1 October 2025, being the latest practicable date before the date of this Notice.
 - (b) Variable A comprises of 2,693,912,189 existing Shares on issue as at the date of this Meeting, assuming the Company has not issued any Shares in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with Shareholder approval under Listing Rule 7.1 and 7.4.
 - (c) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 - (d) No convertible securities (including any issued under the 10% Placement Facility) are exercised or converted into Shares before the date of the issue of the Equity Securities.
 - (e) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes quoted Equity Securities which are convertible into Shares, it is assumed that those quoted Equity Securities are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
2. The number of Shares on issue (i.e. Variable A) may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue, scrip issued under a takeover offer or upon exercise of convertible securities) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting.

The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.

The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

(e) Allocation policy

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing Shareholders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new investors who are not related parties of or associates of a related party of the Company.

(f) **Issues in the past 12 months**

The Company previously obtained Shareholder approval under Listing Rule 7.1A at its 2024 annual general meeting.

In the 12 months preceding the date of the Meeting and as at the date of this Notice, the Company has not issued or agreed to issue any Equity Securities under Listing Rule 7.1A.

(g) **Voting exclusion statement**

At the date of this Notice, the Company is not proposing to make an issue of Equity under Listing Rule 7.1A and has not approached any particular existing Shareholder or security holder to participate in any such issue.

However, in the event that between the date of this Notice and the date of the Meeting, the Company proposes to make an issue of Equity Securities under Listing Rule 7.1A to one or more existing Shareholders, those Shareholders' votes will be excluded under the voting exclusion statement in the Notice.

8.4 **Additional information**

Resolution 5 is a **special** resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board recommends that Shareholders vote in favour of Resolution 5.

9. Resolution 6 – Re-approval of Employee Securities Incentive Plan

9.1 General

The Company considers that it is desirable to maintain an employee incentive scheme pursuant to which the Company can issue Equity Securities to attract, motivate and retain key Directors, employees and consultants and provide them with the opportunity to participate in the future growth of the Company.

Resolution 6 seeks Shareholder approval for the re-approval of the employee securities incentive plan titled 'Kairos Minerals Limited Employee Securities Incentive Scheme' (**Plan**) in accordance with Listing Rule 7.2, exception 13(b).

Shareholders previously approved the issue of Equity Securities under the Plan as an exception to ASX Listing Rule 7.1 at the Company's 2022 annual general meeting (**Previous Approval**). Listing Rule 7.2, exception 13(b) provides that this approval lasts for a period of three years. The Previous Approval is due to expire on 18 November 2025 and re-approval is therefore sought for the Plan by Shareholders at this Meeting. No amendments are proposed to be made to the terms of the Plan as originally adopted on 22 November 2022.

Under the Plan, the Board may offer to eligible persons the opportunity to subscribe for such number of Equity Securities in the Company as the Board may decide and on the terms set out in the rules of the Plan, a summary of the key terms and conditions of which is in Schedule 3. In addition, a copy of the Plan is available for review by Shareholders at the registered office of the Company until the date of the Meeting. A copy of the Plan can also be sent to Shareholders upon request to the Company Secretary. Shareholders are invited to contact the Company if they have any queries or concerns

9.2 Listing Rules 7.1 and 7.2, exception 13(b)

Broadly speaking, Listing Rule 7.1 limits the ability of a listed entity from issuing or agreeing to issue Equity Securities over a 12-month period which exceeds 15% of the number of fully paid ordinary Shares it had on issue at the start of the 12-month period.

Listing Rule 7.2, exception 13(b), provides an exception to Listing Rule 7.1 such that issues of Equity Securities under an employee incentive scheme are exempt for a period of three years from the date on which Shareholders approve the issue of Equity Securities under the scheme as an exception to Listing Rule 7.1.

If Resolution 6 is passed, the Company will be able to issue up to a maximum of 320,000,000 Equity Securities under the Plan pursuant to Listing Rule 7.2, exception 13(b), to eligible participants over a period of three years without using the Company's 15% annual placement capacity under Listing Rule 7.1.

However, any future issues of Equity Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained will require additional Shareholder approval under Listing Rule 10.14 at the relevant time.

If Resolution 6 is not passed, any issue of Equity Securities pursuant to the Plan would need to be made either with Shareholder approval or, in default of Shareholder approval, pursuant to the Company's placement capacity under either or both Listing Rules 7.1 and 7.1A.

9.3 Specific information required by Listing Rule 7.2, exception 13(b)

Pursuant to and in accordance with Listing Rule 7.2, exception 13(b), the following information is provided in relation to the Plan:

- (a) A summary of the material terms of the Plan is in Schedule 3.
- (b) As at the date of this Notice, the following Equity Securities have been issued under the Plan since it was last approved by Shareholders on 22 November 2022:

Issue date	Equity Security	Number of Equity Securities
13 January 2025	Performance Rights	2,000,000
2 December 2024	Performance Rights	192,500,000

In addition to the above, the Company is proposing to issue up to 30,000,000 Director Performance Rights to Mr Simon Lill (or his nominee/s) subject to Shareholder approval pursuant to Listing Rule 10.14, the subject of Resolution 8.

- (c) The maximum number of Equity Securities proposed to be issued under the Plan pursuant to Listing Rule 7.2, exception 13(b), following approval of Resolution 6 is 320,000,000 (subject to adjustment in the event of a reorganisation of capital and further subject to applicable laws and the Listing Rules). The maximum number of Equity Securities is not intended to be a prediction of the actual number to be issued under the Plan but is specified for the purpose of setting a ceiling in accordance with Listing Rule 7.2 exception 13(b). It is not envisaged that the maximum number of Equity Securities for which approval is obtained will be issued immediately.
- (d) A voting exclusion statement is included in the Notice.

9.4 Additional information

Resolution 6 is an ordinary Resolution.

The Board declines to make a recommendation in relation to Resolution 6 due to their personal interests in the outcome of the Resolution.

10. Resolution 7 – Approval of potential termination benefits under the Plan

10.1 General

The Corporations Act contains certain limitations concerning the payment of 'termination benefits' to persons who hold a 'managerial or executive office'. The Listing Rules also provides certain limitations on the payment of 'termination benefits' to officers of listed entities.

As is common with employee incentive schemes, the Plan provides the Board with the discretion to, amongst other things, determine that some or all of the Equity Securities granted to a participant under the Plan (**Plan Securities**) will not lapse in the event of that participant ceasing their engagement with the Company before such Plan Securities have vested. This 'accelerated vesting' of Plan Securities may constitute a 'termination benefit' prohibited under the Corporations Act, regardless of the value of such benefit, unless Shareholder approval is obtained.

As the Company is seeking renewed approval under Listing Rule 7.2, exception 13(b) at this Meeting, the subject of Resolution 6, the Board has resolved to seek Shareholder approval for the granting of such termination benefits in accordance with this Resolution.

If Resolution 6 or Resolution 7 are not passed, the Company will not be able to offer 'termination benefits' to persons who hold a 'managerial or executive office' pursuant to the terms of the Plan.

10.2 Part 2D.2 of the Corporations Act

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with them ceasing to hold a 'managerial or executive office' (as defined in the Corporations Act) if an exemption applies or if the benefit is approved by Shareholders in accordance with section 200E of the Corporations Act.

Subject to Shareholder approval of Resolution 6, Shareholder approval is sought for the purposes of Part 2D.2 of the Corporations Act to approve the giving of benefits under the Plan to a person by the Company in connection with that person ceasing to be an officer of, or ceasing to hold a managerial or executive office in, the Company (or subsidiary of the Company) on the terms and conditions in this Explanatory Memorandum.

Under the terms of the Plan and subject to the Listing Rules and the Corporations Act, the Board possesses the discretion to vary the terms or conditions of the Plan Securities. Notwithstanding the foregoing, without the consent of the participant in the Plan, no amendment may be made to the terms of any granted Plan Security which reduces the rights of the participant in respect of that Plan Security, other than an amendment introduced primarily to comply with legislation, to correct any manifest error or mistake or to take into consideration possible adverse tax implications.

As a result of the above discretion, the Board has the power to determine that some or all of a participant's Plan Securities will not lapse in the event of the participant ceasing employment or office before the vesting of their Plan Securities.

The exercise of this discretion by the Board may constitute a 'benefit' for the purposes of section 200B of the Corporations Act. The Company is therefore seeking Shareholder approval for the exercise of the Board's discretion in respect of any current or future participant in the Plan who holds:

- (a) a managerial or executive office in, or is an officer of, the Company (or subsidiary of the Company) at the time of their leaving or at any time in the three years prior to their leaving; and
- (b) Plan Securities at the time of their leaving.

10.3 Valuation of the termination benefits

Provided Shareholder approval is given, the value of the termination benefits may be disregarded when applying section 200F(2)(b) or section 200G(1)(c) of the Corporations Act (i.e. the approved benefit will not count towards the statutory cap under the legislation).

The value of the termination benefits that the Board may give under the New Plan cannot be determined in advance. This is because various matters will or are likely to affect that value. In particular, the value of a particular benefit will depend on factors such as the Company's Share price at the time of vesting and the number of Plan Securities that will vest or otherwise be affected. The following additional factors may also affect the benefit's value:

- (a) the participant's length of service and the status of the vesting conditions attaching to the relevant Plan Securities at the time the participant's employment or office ceases; and
- (b) the number of unvested Plan Securities that the participant holds at the time they cease employment or office.

In accordance with Listing Rule 10.19, the Company will ensure that no officer of the Company or any of its child entities will, or may be, entitled to termination benefits if the value of those benefits and the terminations benefits that are or may be payable to all officers together exceed 5% of the equity interests of the Company as set out in the latest accounts given to ASX under the Listing Rules, without the Company obtaining Shareholder approval.

10.4 Additional information

Resolution 7 is conditional on the passing of Resolution 6. If Resolution 6 is not approved at the Meeting, Resolution 7 will not be put to Shareholders at the Meeting.

Resolution 7 is an ordinary resolution.

The Board declines to make a recommendation in relation to Resolution 7 due to their potential personal interests in the outcome of the Resolution.

11. Resolution 8 – Approval to issue Director Performance Rights

11.1 General

On 13 May 2025, the Company announced that Mr Simon Lill had been appointed as the Non-Executive Chairman of the Company with effect from 12 May 2025.

Pursuant to the terms of Mr Lill's appointment as Non-Executive Chairman, the Company agreed (amongst other things), subject to prior receipt of Shareholder approval, to issue up to 30,000,000 Performance Rights to Mr Lill (or his nominee/s) (**Director Performance Rights**) under the Plan as follows:

Tranche	Number of Director Performance Rights	Vesting Condition
A	10,000,000	The Company announcing a combined 2Moz JORC Code 2012 compliant gold resource (or gold equivalent) at 1.0g/t Au or higher in all resource categories.
B	10,000,000	The price of Shares as traded on the ASX achieving a 20 Day VWAP of at least \$0.04 (4 cents).
C	10,000,000	The price of Shares as traded on the ASX achieving a 20 Day VWAP of at least \$0.06 (6 cents).

The Director Performance Rights have an expiry date of 3 years from the date of issue and will be subject to the terms and conditions in Schedule 2. A summary of the material terms of the Plan is in Schedule 3.

The Company is at an important stage of development with significant opportunities and challenges in both the near- and long-term, and the proposed issue of Director Performance Rights aims to align the efforts of Mr Lill with the other Directors in seeking to achieve growth of the Company's projects and in the creation of Shareholder value.

The Board believes that the issue of these Director Performance Rights will align the interests of the Mr Lill with those of the Company and its Shareholders. In addition, the Board also believes that incentivising Mr Lill with Performance Rights is a prudent means of conserving the Company's available cash reserves. The Board believes it is important to offer these Director Performance Rights to continue to attract and maintain highly experienced and qualified board members in a competitive market.

Resolution 8 seeks Shareholder approval pursuant to Listing Rule 10.14 for the issue of up to 30,000,000 Director Performance Rights to Mr Lill (or his nominee/s) under the Plan.

11.2 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire Equity Securities under an employee incentive scheme without the approval of its shareholders:

- (a) a director of the entity (Listing Rule 10.14.1);
- (b) an associate of a person referred to in Listing Rule 10.14.1 (Listing Rule 10.14.2);
- and

- (c) a person whose relationship with the entity or a person referred to Listing Rule 10.14.1 or 10.14.2 (Listing Rule 10.14.3).

Approval pursuant to Listing Rule 7.1 is not required for the issue of the Director Performance Rights as approval is being obtained under Listing Rule 10.14. Accordingly, the issue of the Director Performance Rights to Mr Simon Lill (or his nominee/s) will not be included in the Company's 15% annual placement capacity in Listing Rule 7.1.

The effect of Shareholders passing Resolution 8 will be to allow the Company to issue the Director Performance Rights to Mr Lill (or his nominee/s).

If Resolution 8 is not passed, the Company will not be able to proceed with the issue of the Director Performance Rights to Mr Lill (or his nominee/s) and the Company will consider other alternative commercial means to incentivise Mr Lill, including by the payment of cash, subject to the requirements of the Constitution, Corporations Act and Listing Rules.

11.3 Specific information required by Listing Rule 10.15

Pursuant to and in accordance with Listing Rule 10.15, the following information is provided in relation to the proposed issue of the Director Performance Rights:

- (a) The Director Performance Rights will be issued under the Plan to Mr Simon Lill (or his nominee/s).
- (b) Mr Lill falls into the category stipulated by Listing Rule 10.14.1 by virtue of being a Director of the Company. In the event that the Director Performance Rights are issued to a nominee of Mr Lill, that person will fall into a category stipulated by Listing Rule 10.14.2.
- (c) A maximum of 30,000,000 Director Performance Rights will be issued in the proportions set out in Section 11.1 above.
- (d) The current total annual remuneration for Mr Lill as at the date of this Notice is a cash salary of \$134,400 (inclusive of superannuation), and does not include the value of the proposed Director Performance Rights set out in Schedule 4.
- (e) No Equity Securities have previously been issued to Mr Simon Lill (or his nominee/s) under the Plan.
- (f) The Director Performance Rights will be issued on the terms and conditions set out in Schedule 2.
- (g) The Director Performance Rights will be issued for nil cash consideration and will be provided as an incentive component to Mr Lill's remuneration package for the reasons set out in Section 11.1 above.
- (h) The Director Performance Rights have been independently valued using a Monte Carlo valuation model as set out in Schedule 4. A summary of the valuation is set out below:

Director	Tranche A	Tranche B	Tranche C	Total
Mr Simon Lill	\$320,000	\$196,000	\$186,000	\$702,000

- (i) The Director Performance Rights will be issued to Mr Simon Lill (or his nominee/s) as soon as practicable following the Meeting and in any event, not later than 3 years following the Meeting.
- (j) A summary of the material terms of the Plan is in Schedule 3.

- (k) No loan will be provided in relation to the issue of the Director Performance Rights.
- (l) Details of any Equity Securities issued under the Plan will be published in the annual report of the Company relating to a period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.
- (m) Any additional persons covered by Listing Rule 10.14 who become entitled to participate in the Plan after Resolution 8 is approved and who were not named in the Notice will not participate until approval is obtained under Listing Rule 10.14.
- (n) A voting exclusion statement is included in the Notice.

11.4 Chapter 2E of the Corporations Act

In accordance with Chapter 2E of the Corporations Act, in order to give a financial benefit to a related party, the Company must:

- (a) obtain shareholder approval in the manner set out in sections 210 to 216 of the Corporations Act; and
- (b) give the benefit within 15 months of such approval,

unless the giving of a financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The proposed issue of the Director Performance Rights constitutes giving a financial benefit to a related party of the Company.

The Board (other than Mr Simon Lill who has a material personal interest in the outcome of this Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of the Director Performance Rights, because the issue of the Director Performance Rights pursuant to this Resolution 8 constitutes 'reasonable remuneration' payable to Mr Lill, and therefore falls within the exception stipulated by section 211 of the Corporations Act.

11.5 Additional information

Resolution 8 is an ordinary resolution.

The Board (other than Mr Lill who has a material personal interest in the outcome of this resolution) recommends that Shareholders vote in favour of Resolution 8.

 16. **(Bonus issues):** If the Company makes a bonus issue of Shares or other securities to existing Shareholders (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment), the number of Shares which must be issued on the exercise of a vested Performance Right will be increased by the number of Shares which the holder would have received if the holder had exercised the Performance Right before the record date for the bonus issue.
 17. **(Return of capital rights):** The Performance Rights do not confer any right to a return of capital, whether in a winding up, upon a reduction of capital or otherwise.

18. **(Rights on winding up):** The Performance Rights have no right to participate in the surplus profits or assets of the Company upon a winding up of the Company.

Schedule 3 Summary of material terms of the Plan

A summary of the material terms and conditions of the Plan is set out below:

1. **(Eligible Participant):** A person is eligible to participate in the Plan (**Eligible Participant**) if they have been determined by the Board to be eligible to participate in the Plan from time to time and are an “ESS participant” (as that term is defined in Division 1A) in relation to the Company or an associated entity of the Company.

This relevantly includes, amongst others:
 - (a) an employee or director of the Company or an individual who provides services to the Company;
 - (b) an employee or director of an associated entity of the Company or an individual who provides services to such an associated entity;
 - (c) a prospective person to whom paragraphs (a) or (b) apply;
 - (d) a person prescribed by the relevant regulations for such purposes; or
 - (e) certain related persons on behalf of the participants described in paragraphs (a) to (d) (inclusive).
2. **(Maximum allocation):**
 - (a) The Company must not make an offer of Securities under the Plan in respect of which monetary consideration is payable (either upfront, or on exercise of convertible securities) where:
 - (i) the total number of Plan Shares (as defined in paragraph 13 below) that may be issued or acquired upon exercise of the convertible securities offered; plus
 - (ii) the total number of Plan Shares issued or that may be issued as a result of offers made under the Plan at any time during the previous 3 year period,would exceed 5% of the total number of Shares on issue at the date of the offer or such other limit as may be specified by the relevant regulations or the Company’s Constitution from time to time.
3. **(Purpose):** The purpose of the Plan is to:
 - (a) assist in the reward, retention and motivation of Eligible Participants;
 - (b) link the reward of Eligible Participants to Shareholder value creation; and
 - (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.
4. **(Plan administration):** The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion, subject to compliance with applicable laws and the Listing Rules. The Board may delegate its powers and discretion.
5. **(Eligibility, invitation and application):** The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides. An

invitation issued under the Plan will comply with the disclosure obligations pursuant to Division 1A.

On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

A waiting period of at least 14 days will apply to acquisitions of Securities for monetary consideration as required by the provisions of Division 1A.

6. **(Grant of Securities):** The Company will, to the extent that it has accepted a duly completed application, grant the successful applicant (**Participant**) the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
7. **(Terms of Convertible Securities):** Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

8. **(Vesting of Convertible Securities):** Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.
9. **(Exercise of Convertible Securities and cashless exercise):** To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

At the time of exercise of the Convertible Securities, and subject to Board approval, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

10. **(Delivery of Shares on exercise of Convertible Securities):** As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
11. **(Forfeiture of Convertible Securities):** Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules: any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.

12. **(Change of control):** If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.
13. **(Rights attaching to Plan Shares):** All Shares issued under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (**Plan Shares**) will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.
14. **(Disposal restrictions on Securities):** If the invitation provides that any Plan Shares or Convertible Securities are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.
15. **(Adjustment of Convertible Securities):** If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

16. **(Participation in new issues):** There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.
17. **(Amendment of Plan):** Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.
- No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.
18. **(Plan duration):** The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.
