9.

A member of the Company's Key Management Personnel or their Closely Related Party must not, whether in person or by proxy, vote in their own right on the adoption of the Remuneration Report in Resolution 1.

# Explanatory Memorandum

This Explanatory Memorandum has been prepared to assist members with their consideration of the resolutions to be put to the Annual General Meeting to be held on 12 November 2025. These explanatory notes should be read with, and form part of, the accompanying Notice of Annual General Meeting.

## 1. Financial Statements and Reports

As required by law, the financial report, Directors' report and Auditor's report are laid before the AGM. Members will be given a reasonable opportunity at the meeting to ask questions and make comments on these reports. There is no requirement however for members to approve the reports.

The Auditor will be present to answer audit-related questions from shareholders and will respond to any relevant written questions provided these are submitted to the Company no later than five business days prior to the Annual General Meeting.

## 2. Resolution 1 – Remuneration Report

The Remuneration Report of the Company for the financial year ended 29 June 2025 is set out in the Company's 2025 Annual Report.

The Remuneration Report sets out the Company's remuneration arrangements for directors and the Company's employees. The Chairman of the meeting will allow a reasonable opportunity for shareholders to ask questions about, or make comments on, the Remuneration Report at the meeting.

By law, the Company is required to put the Remuneration Report to a vote by members at the Annual General Meeting. The vote on the resolution is advisory only and does not bind the Directors or the Company. The Board will consider the outcome of the vote and comments made by shareholders on the Remuneration Report at the meeting when reviewing the Company's remuneration policies.

A voting exclusion applies to Key Management Personnel and their Closely Related Parties in certain circumstances – please see the notes to Resolution 1.

Under the Corporations Act, if 25% or more of the votes that are cast are voted against the adoption of the Remuneration Report at two consecutive AGMs, shareholders will be required to vote at the second of those AGMs on a resolution (a 'spill' resolution) that another meeting be held within 90 days at which all of the Company's directors (other than the Managing Director) must stand for re-election.

***As the Directors have a personal interest in the proposed Resolution 1, they make no recommendations as to how shareholders should vote on the Resolution.***

Mr Cowin holds a Bachelor of Arts from the University of Western Ontario, Canada and a Doctor of Laws, honoris causa from the University of Western Ontario, Canada.

Mr Cowin is not considered independent due to his relationship with major shareholder, Somad Holdings Pty Ltd, which is the trustee of a trust for the benefit of Mr Cowin's adult children. Mr. Cowin is also currently acting as Executive Chairman on an interim basis pending the appointment of a new Group CEO/Managing Director.

***The Directors (with Mr Cowin abstaining) recommend that you vote in favour of this resolution.***

#### 4. Resolution 3 – Re-election of Ms Ursula Schreiber as a Director

# Explanatory Memorandum continued

## 6. Resolution 5 – Renewal of proportional takeover bid provisions

### 6.1 Proportional takeover provisions

A proportional takeover bid is one under which an offer is made for only a proportion of each shareholder's shares.

Clause 28 of the Constitution prohibits the registration of a transfer of shares under a proportional takeover bid unless and until an ordinary resolution approving the bid is passed by the relevant shareholders.

The proportional takeover provisions were last approved and renewed at the 2022 annual general meeting. The existing proportional takeover approval provisions will cease to have effect on 1 December 2025, unless renewed by special resolution of the shareholders.

### 6.2 Effect of proportional takeover provisions proposed to be renewed

The effect of the proportional takeover provisions is that, if a proportional takeover bid is made to shareholders, the Directors are required to seek shareholder approval for such takeover bid at least 14 days before the last day of the bid period.

The resolution approving the bid must be passed by more than 50% of the votes cast on the resolution. The bidder and any associate of the bidder will be excluded from voting.

If a resolution to approve the bid is voted on and is rejected, all offers under the bid are taken to be withdrawn and each binding takeover contract for the bid is rescinded.

If no resolution has been voted on to approve the bid in the required timeframe, a resolution is taken to have been passed approving the bid.

The proportional takeover provisions do not apply to full takeover bids and will only apply until 1 December 2028, unless renewed again by shareholders.

### 6.3 Reasons for renewing proportional takeover provisions

A proportional takeover bid involves an offer to buy only a specified portion of each shareholder's shares. Therefore, without the proportional takeover provisions, a proportional takeover bid for the Company might enable a bidder to obtain control of the Company without shareholders having an opportunity to sell all their shares.

The proportional takeover provisions give shareholders the opportunity to decide whether or not a proportional takeover bid is acceptable and should be allowed proceed.

### 6.4 Advantages and disadvantages of provisions during current period

As far as the Directors are aware, there have not been any actual advantages or disadvantages to either the Directors or shareholders arising from the proportional takeover provisions during the period in which those provisions have been in effect.

### 6.5 Potential advantages of renewal—shareholders

The proportional takeover provisions ensure that all shareholders have an opportunity to consider a proportional takeover bid and vote on whether it should be permitted to proceed.

The provisions may help shareholders avoid being locked in as a minority and avoid a bidder acquiring control of the Company without paying an adequate control premium.

The provisions may assist in ensuring that any future proportional takeover bid is structured to be attractive to a majority of independent shareholders.

#### **6.6 Potential disadvantages of renewal—shareholders**

However, the approval provisions may make a proportional takeover more difficult to achieve and therefore discourage proportional bids. This in turn, may reduce opportunities for shareholders to sell shares in the Company at an attractive price to persons seeking control of the Company and may therefore eliminate any element of takeover speculation from the Company's share price.

It may also be argued that the provisions constitute an additional restriction on the ability of shareholders to deal freely with their shares.

#### **6.7 Potential advantages and disadvantages of renewal—Directors**

There are no specific advantages or disadvantages for Directors (in their capacity as Directors of the Company) of the proportional takeover provisions.

#### **6.8 Present acquisition proposals**

At the date of this notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

***The Directors consider that it is in the best interest of shareholders to have the right to vote on a proportional takeover bid and therefore unanimously recommend that you vote in favour of this resolution.***
