Explanatory Memorandum

1. Introduction

1.1 Overview

This Explanatory Memorandum has been prepared for the information of Securityholders in connection with the business to be conducted at the Meetings to be held at Level 31, Gateway, 1 Macquarie Place, Sydney NSW 2000 on Wednesday, 12 November 2025 at 11.00am (Sydney time).

1.2 Eligibility to vote

Securityholders will be eligible to vote at the Meetings if they are registered holders of Securities on Monday, 10 November 2025 at 7.00pm (Sydney time).

1.3 Voting methods

Securityholders can attend the Meetings and vote on each resolution in person. If Securityholders are unable to attend the Meetings, they may appoint a proxy online at <https://au.investorcentre.mpms.mufig.com/> or by submitting a Proxy Form to the registry. To log in, you will need your holder identifier (SRN, HIN or employee identification) and postcode. Please note that your proxy appointment needs to be received by no later than 11.00am (Sydney time) on Monday, 10 November 2025.

Attorneys

Any Securityholder entitled to vote may appoint an attorney to vote on their behalf. For an appointment to be effective for the Meetings, the instrument effecting the appointment (or a certified copy of it) must be received by DigiCo at its registered office or by DigiCo's registry by no later than 11.00am (Sydney time) on Monday, 10 November 2025.

Corporate representatives

A body corporate which is a Securityholder, or which has been appointed as a proxy, may appoint an individual to act as its representative at the Meetings in accordance with sections 250D and 253B of the Corporations Act.

Representatives should provide satisfactory evidence of their appointment including any authority under which that appointment is signed (unless previously given to DigiCo) prior to the start of the Meetings.

1.4 Voting by proxy

A Securityholder entitled to vote at the Meetings is entitled to appoint a proxy. A proxy need not be a Securityholder.

The appointment of one or more proxies will not preclude a Securityholder from being present and voting, and the Securityholder will have the opportunity to either retain the proxy appointment or revoke it and vote during the meeting.

A Securityholder entitled to cast more than one vote on a Resolution may appoint two proxies, in which case the Securityholder should specify the proportion or number of votes that each proxy is appointed to exercise. If no proportions or numbers are specified, each proxy may exercise half of the Securityholder's votes.

Securityholders are encouraged to direct their proxies how to vote on each resolution by selecting the 'for', 'against' or 'abstain' box for each item on the Proxy Form. If a proxy chooses to vote, then they must vote in accordance with the directions set out in the Proxy Form. On a poll, if a Securityholder has appointed a proxy (other than the Chair of the Meetings) and the appointment of the proxy specifies the way the proxy is to vote on the resolution, and that Securityholder's proxy is either not recorded as attending the meetings or does not vote on the resolution, the Chair of the Meetings will be taken to have been appointed as the proxy for the Securityholder for the purposes of voting on that resolution and must vote in accordance with the written direction of that Securityholder.

The Chair of the Meetings intends to vote all available proxies in favour of each Resolution in this Notice of Meetings. In particular, please note that if the Chair of the Meetings is appointed as your proxy, and you have not directed them how to vote, then by submitting the proxy form you will be expressly authorising the Chair of the Meetings to exercise your undirected proxy on resolution 1 even though the resolution is connected with the remuneration of the Company's KMP.

In order for the proxy appointment to be valid, completed Proxy Forms (together with any authority under which the proxy was signed or a certified copy of the authority) must be submitted before 11.00am (Sydney time) on Monday, 10 November 2025 in one of the following ways:

- by mail: Locked Bag A14, SYDNEY SOUTH, NSW 1235
- online at: <https://au.investorcentre.mpms.mufig.com/>
- by facsimile: (+61 2) 9287 0309

Ordinary business

2. Financial Report, Directors' Report and Auditor's Report

The Annual Report for the year ended 30 June 2025 (which includes the Financial Report, the Directors' Report and the Auditor's Report) will be presented to the Meetings. Securityholders are able to access a copy of the Annual Report on DigiCo's website at: <https://www.hmccapital.com.au/investment-strategies/digital-infrastructure/digico-infrastructure-reit/>.

Questions and comments

Securityholders as a whole will be given a reasonable opportunity to ask questions about, and make comments on, the Annual Report and the management of DigiCo. There is no formal Resolution to be voted on in relation to this item of business.

Similarly, Securityholders as a whole will have a reasonable opportunity at the Meetings to ask KPMG, the Auditor for the financial year ended 30 June 2025, questions relating to the conduct of the audit, preparation and content of the Auditor's Report, and accounting policies adopted by DigiCo, in addition to the independence of the Auditor.

Alternatively, prior to the Meetings, you can submit written questions to KPMG about the content of the Auditor's Report or the conduct of the audit. Written questions must be received by the registry no later than 5.00pm (Sydney time) on 5 November 2025 at the postal address or fax number for lodgement of proxies. The questions may also be sent to the Company Secretary at Andrew.Selim@hmccapital.com.au. A list of relevant questions for KPMG will be available at the Meetings. Please note that KPMG is not obliged to provide written responses to any questions and individual responses will not be sent to Securityholders.

3. Resolution 1 – Remuneration Report

(Company only)

3.1 Content of Remuneration Report

Securityholders as a whole will have a reasonable opportunity at the Meetings to ask questions about or make comments on the Remuneration Report. The Remuneration Report is included in DigiCo's 2025 Annual Report at pages 25 to 32, which is available at <https://www.hmccapital.com.au/investment-strategies/digital-infrastructure/digico-infrastructure-reit/>.

The Remuneration Report sets out the remuneration policies of the Company and reports on the remuneration arrangements in place for the Company's KMP and DigiCo's Manager during the year ended 30 June 2025.

Resolution 1 is advisory only and does not bind the Directors. However, the Board will take the outcome of the vote and discussion at the Meetings into account in setting remuneration policy for future years.

3.2 Directors' Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company as set out in the Remuneration Report, the Board recommends that Securityholders vote **in favour** of adopting the Remuneration Report.

Voting restrictions apply in relation to this resolution as set out in the Voting Exclusions of the Notice.

4. Resolution 2 – Election of Director – Michael Juniper

(Company only)

4.1 General

In accordance with Rule 10.1(c) of the Company's constitution, Michael Juniper retires and seeks election as a Non-Executive Director of the Company. In 2025, Michael was appointed to the Board, and was also appointed as a senior executive in HMC Capital Group's Digital Infrastructure platform management team.

Michael brings more than two decades of experience in digital infrastructure. Most recently he was a founding executive at AirTrunk, where he was pivotal in shaping the business from inception to a leading Australian and APAC regional data centre platform dealing with the world's largest cloud and technology companies. Over his distinguished 9-year role as Executive Director at AirTrunk, Michael also led the expansion of the business outside of Australia and into major Asian markets, including Japan, Singapore, Malaysia and Hong Kong.

Before AirTrunk, Michael held senior leadership roles at Metronode, where he led commercial growth, enterprise and government contract wins, and operational performance, positioning that business as a premier data centre operator in Australia. This success laid the groundwork for its later acquisition by Equinix.

The Directors consider Michael to be a non-independent director, given his senior executive role with HMC Capital.

Appropriate background checks were completed before Michael was appointed to the Board and the Board has confirmed that Michael has the necessary time to devote to DigiCo.

4.2 Directors' Recommendation

For the reasons set out above and after considering the mix of skills and expertise Michael brings to his role as a Director of the Company, the Directors (with Michael abstaining) recommend that Securityholders vote **in favour** of Resolution 2.

5. Resolution 3 – Appointment of KPMG as Auditor

(Company only)

5.1 General

Section 327B(1)(a) of the *Corporations Act 2001* (Cth) requires the Company to appoint an auditor at its first AGM. Accordingly, the Company is seeking Securityholder approval of the appointment of KPMG as the Company's auditor.

In accordance with section 328B of the *Corporations Act* (Cth), the Company has received a written notice of nomination from a Securityholder of the Company for KPMG to be appointed as the Company's auditor. A copy of the Notice is set out below.

KPMG has given its written consent to act as the Company's auditor (subject to securityholder approval of this resolution).

Under the *Corporations Act 2001* (Cth), Unitholder approval is not required to appoint an auditor of the Trust. Accordingly, the Responsible Entity has appointed KPMG as the auditor of the Trust.

5.2 Directors' Recommendation

The Board recommends that Securityholders vote **in favour** of Resolution 3.
