RPM enters into a Scheme Implementation Deed with Caterpillar

13 October 2025

RPMGlobal Holdings Limited (ASX: RUL) [RPM or the Company] has entered into a Scheme Implementation Deed (**SID**) with Caterpillar Inc. (**Caterpillar**) pursuant to which Caterpillar (or its wholly owned subsidiary) will acquire 100% of the fully diluted share capital in RPM by way of a Scheme of Arrangement (**Scheme**).

Under the terms of the Scheme, RPM shareholders will be entitled to receive \$5.00 cash per share, which represents a premium of 32.6% to RPM's closing price of \$3.77 per share on 28 August 2025, being the last trading day before the announcement of Caterpillar's non-binding, conditional and indicative proposal.

The Scheme represents the culmination of an extensive and meaningful period of engagement between RPM and Caterpillar.

The RPM Board unanimously recommend that RPM shareholders vote in favour of the Scheme, in the absence of a Superior Proposal (as defined in the SID), and subject to the Independent Expert concluding, and continuing to conclude, that the Scheme is in the best interests of RPM shareholders.

Implementation of the Scheme is subject to regulatory approvals from the Foreign Investment Review Board (**FIRB**) and the Australian Competition and Consumer Commission (**ACCC**), and other customary conditions, including RPM shareholder approval, Court approval, and there being no Material Adverse Change (as defined in the SID).

RPM shareholders do not need to take any action at the present time.

Scheme Consideration

The Scheme Consideration implies an equity value of \$1,123¹ million and an Enterprise Value (**EV**) of \$1,048 million² and represents a:

- 32.6% premium to the last closing price of \$3.77 per share on 28 August 2025³; and
- 44.2% premium to the 1-month Volume Weighted Average Price (**VWAP**) of \$3.47⁴

The RPM Board unanimously recommends the Scheme

After careful consideration, the RPM Board unanimously recommends that shareholders vote in favour of the Scheme, in the absence of a Superior Proposal (as defined in the SID) and subject to the Independent Expert concluding in its report (and continuing to conclude) that the Scheme is in the best interests of RPM shareholders.

Subject to the same qualifications, each RPM Board member intends to vote, or will cause to be voted, any shares held or controlled by them or held on their behalf at the time of the Scheme meeting in favour of the Scheme.

The RPM Board believes that the Scheme is an attractive offer for RPM shareholders for the following reasons:

- **Attractive premium:** the Scheme represents a premium of 32.6% to the undisturbed RPM share price;

¹ Based on fully diluted shares on issue of 224,637,447 which comprises 221,395,785 ordinary shares and 3,241,662 options. Aside from RPM issuing the contracted FY2026 annual share option grant to key managers (such issue being included within that agreed total of 3,241,662 options), no further securities will be issued, allotted or offered by RPM before implementation of the Scheme and no further dividends, distributions or reductions in capital will be made up until implementation of the Scheme. If any such dividend is declared or paid to RPM shareholders, this cash amount will be deducted from the scheme consideration otherwise payable to RPM shareholders.

² Based on fully diluted RPM Shares of 224,637,447, comprising 221,395,785 ordinary shares and 3,241,662 options on issue, and net cash of \$75.4 million as at 30 June 2025.

³ Being the last trading day before the announcement of Caterpillar's non-binding, conditional and indicative proposal.

⁴ VWAP based on cumulative trading volume from 29 July 2025 up to and including 28 August 2025.

- **Certainty of value:** the consideration is payable in cash, with the Scheme not being conditional on funding approvals; and
- **Limited conditionality:** the Scheme is subject to FIRB approval and other conditions customary for transactions of this nature and is not conditional on financing or diligence.

Chairman of RPM, Stephen Baldwin, said:

“The Board of RPM is pleased to announce this proposed transaction with Caterpillar, a world-leading organisation with deep capabilities and a long-term commitment to the mining sector. We believe the transaction represents an excellent outcome for RPM shareholders, recognising the significant progress the Company has made in transforming into a global leader in mining software and technology solutions. Importantly, Caterpillar’s global reach and resources will provide an enhanced platform for RPM’s products, customers, and employees to continue to thrive.”

RPM’s Chief Executive Officer, Richard Mathews, said:

“Since joining RPM in 2012, I have been privileged to lead a deliberate transformation of the Company from a traditional mining consultancy into a truly global leader in enterprise mining software and technology solutions. Over this period, we have built a strong subscription-based business, invested heavily in product innovation, and developed deep, long-term partnerships with many of the world’s largest mining companies. This proposed transaction with Caterpillar represents the natural next chapter in that journey. Caterpillar’s global scale, resources, and reputation for innovation will enable RPM’s products and people to reach new heights, while ensuring our customers continue to receive the same high-quality service and support they rely on. I am incredibly proud of what our team has achieved over the past decade and excited by the opportunities that lie ahead as part of Caterpillar.”

Caterpillar’s Group President, Resource Industries, Denise Johnson, said:

“RPM has deep mining domain expertise with a proven track record of solving complex challenges faced by mining customers. RPM’s culture and agile approach to developing solutions aligns well with Caterpillar’s intense focus on solving customer needs. Their software solutions complement Caterpillar’s existing technologies —especially in areas such as asset management, fleet management and autonomy—and together, we have the potential to enhance mine site operations for our customers, unlocking even greater value.”

Key terms

The implementation of the Scheme is subject to conditions customary for a transaction of this nature, including:

- FIRB approval;
- ACCC approval;
- RPM shareholder approval;
- Court approval;
- the Independent Expert concluding, and continuing to conclude, that the Scheme is in the best interests of RPM shareholders;
- ASIC and ASX each issue or provide consents, waivers, and approvals required to implement the Scheme;
- no material adverse change to RPM; and
- no prescribed events occurring.

The Scheme is not conditional on any external funding approvals.

The SID contains certain customary termination rights for RPM and Caterpillar, including that either party may terminate the SID in the event of an unremedied material breach of the SID by the other party (including a material breach of a warranty given by the other party under the SID).

The SID also contains customary exclusivity obligations on RPM, including “no-shop”, “no talk”, and “no due diligence” obligations (the latter two obligations being subject to a customary fiduciary exception), “notification” obligations, and a matching right regime that applies to any superior proposal received by RPM.

Under the SID, RPM is required to pay a break fee to Caterpillar in certain customary circumstances. The amount of the break fee (should it become payable under the SID) is \$10.0m (excluding GST).

A copy of the SID (which sets out the Conditions, the terms on which the Scheme will be implemented, and other provisions relating to the Scheme and its implementation) is attached to this announcement.

Indicative timetable and next steps

RPM shareholders do not need to take any action at this time.

As outlined above, implementation of the Scheme is subject to (among other Conditions) approval of the Scheme at a meeting of the RPM shareholders ordered by the Court to be convened to consider the Scheme (Scheme Meeting).

For this Condition to be satisfied and for the Scheme to proceed, the resolution to approve the Scheme to be considered and voted on by RPM shareholders at the Scheme Meeting must be approved by at least 75% of the total number of votes cast by RPM shareholders on that resolution and by a majority in number (more than 50%) of all eligible RPM shareholders present and voting at the Scheme Meeting (in person or by proxy, attorney or corporate representative). An explanatory statement in respect of the Scheme (**Scheme Booklet**) will be prepared by RPM and sent to RPM shareholders before the Scheme Meeting.

The Scheme Booklet will contain important information relating to the Scheme and the Scheme Meeting, including:

- the reasons for the RPM Directors' unanimous recommendation in respect of the Scheme;
- a copy of the report prepared by the Independent Expert appointed by RPM in respect of the Scheme, which will include the Independent Expert's opinion on whether the Scheme is in the best interests of RPM shareholders; and
- notice of, and information about, the Scheme Meeting, which is currently expected to be held in December 2025, including instructions on how to vote on the resolution to approve the Scheme.

Subject to RPM shareholders approving the Scheme by requisite majorities at the Scheme Meeting and the other Conditions being satisfied (or, if applicable, waived), RPM currently expects that the Scheme will be implemented in the first calendar quarter of 2026.

These dates are all indicative and subject to change.

RPM is being advised by MA Moelis Australia as financial adviser and Baker McKenzie as its legal adviser.

Responsibility and Reasonable endeavours

- 3.2 RPM is the party responsible for the conditions precedent in clauses 3.1(a) (*Court Approval*), 3.1(b) (*Shareholder Approval*), 3.1(c) (*Convening Orders*), 3.1(d) (*Independent Expert's Report*), 3.1(e) (*no Prescribed Occurrence*), 3.1(f) (*No Material Adverse Change*) and 3.1(g) (*Options*).
- 3.3 Both parties are responsible for the conditions precedent in clauses 3.1(h) (*Restraints*) and 3.1(i) (*Regulatory Consents*).
- 3.4 Each of RPM and CAT must use its reasonable endeavours to procure that:
- (a) each of the conditions precedent in clause 3.1 for which it is a party responsible, are satisfied as expeditiously as possible and in any event on or before the End Date and continues to be satisfied at all times until the last time it is required to be satisfied (as the case may require), including providing all reasonable assistance and information to the other party which is lawful and necessary to satisfy such conditions; and
 - (b) there is no occurrence within the control of RPM or CAT (as the context requires) or their Subsidiaries that would prevent the conditions in clause 3.1 from being satisfied.
- 3.5 Without limiting clause 3.4, RPM or CAT (as the context requires) must:
- (a) promptly apply for all relevant Regulatory Consents and provide the other party with a copy of all those applications (provided that any commercially sensitive information may be redacted from the copy provided or alternatively be provided on a 'counsel to counsel' basis only as between the external legal counsel of RPM and CAT);
 - (b) take all the steps for which it is responsible as part of the Regulatory Consent process, including responding to requests for information at the earliest practicable time;
 - (c) provide the other party with all information and assistance reasonably requested in connection with the applications for Regulatory Consents. To the extent that the information is confidential or commercially sensitive to CAT or RPM, it may be redacted; and
 - (d) use reasonable endeavours to consult with the other party in advance in relation to all material communications with any Government Agency relating to any Regulatory Consent and
 - (e) so far as it is reasonably practicable to do so, allow the other party and its Representatives the opportunity to be present at any meetings with any Government Agency subject to the relevant Government Agency consenting to such attendance, provided that RPM and its Representatives or CAT and its Representatives (as applicable) will be excluded from such portions of any meetings necessary when commercially sensitive information, personal information or otherwise confidential information of the CAT Group or RPM Group (as applicable) is to be discussed.
- 3.6 Without limiting clause 3.4, CAT must pay any applicable fee or filing charge for the Foreign Investment Approval and the ACCC Approval.
- 3.7 Each party undertakes to use its best endeavours to procure that there is no occurrence within the control of RPM or CAT (as the context requires) that would prevent a condition precedent in clause 3.1, which such party must use best endeavours to satisfy, being satisfied in accordance with its terms.

- 3.8 Each party, in respect of matters within its knowledge, must keep the other reasonably informed of the progress towards satisfying the conditions precedent.

Waiver of conditions precedent

- 3.9 The conditions precedent in clauses 3.1(a) (*Court Approval*), 3.1(b) (*Shareholder approval*) and 3.1(c) (*convening orders*) cannot be waived.
- 3.10 The condition precedent in clause 3.1(d) (independent expert's report) are for the sole benefit of RPM and may only be waived by RPM (in its absolute discretion) in writing.
- 3.11 The conditions precedent in clauses 3.1(e) (*no Prescribed Occurrence*), 3.1(f) (*no Material Adverse Change*) and 3.1(g) (*Options*) are for the sole benefit of CAT and may only be waived by CAT (in its absolute discretion) in writing.
- 3.12 The conditions precedent in clauses 3.1(h) (*Restraints*) and 3.1(i) (*Regulatory Consents*) are for the benefit of both RPM and CAT and may only be waived by both of them.
- 3.13 If a party waives the breach or non-fulfilment of any of the conditions precedent in clause 3.1, that waiver does not prevent that party from taking action against the other party for any breach of this Deed that resulted in the breach or non-fulfilment of the relevant condition precedent.
- 3.14 Waiver of a breach or non-fulfilment in respect of one condition precedent does not constitute:
- (a) a waiver of breach or non-fulfilment of any other condition precedent resulting from the same event; or
 - (b) a waiver of breach or non-fulfilment of that condition precedent resulting from any other event.

Termination on failure of condition precedent

- 3.15 If a condition in 3.1:
- (a) is not satisfied or (where capable of waiver) waived by the date specified for its satisfaction; or
 - (b) becomes incapable of being satisfied by the date specified for its satisfaction and is not waived,
- then the parties must consult in good faith to:
- (c) determine whether the Transaction may proceed by way of alternative means or methods;
 - (d) change the date of the application made to the Court for an order under section 411(4)(b) of the Corporations Act approving the Scheme or adjourning that application (as applicable) to another date agreed by RPM and CAT (being a date no later than five Business Days before the End Date); or
 - (e) extend the relevant date or End Date.
- 3.16 If the parties are unable to reach agreement under clause 3.15 within five Business Days of becoming aware of the relevant occurrence, then unless that condition precedent is waived by RPM or CAT or both in accordance with in clauses 3.9 to 3.14 (as applicable), either party may terminate this Deed without any liability to the other party because of that termination, unless the relevant occurrence or the failure of the condition precedent to be satisfied, or of

the Scheme to become Effective, arises out of a deliberate act, omission or breach of this Deed by a party in which case that party will not be entitled to terminate this Deed under this clause 3.16.

- 3.17 Subject to any rights or obligations arising under or pursuant to clauses that are expressed to survive termination, on termination of this Deed, no party shall have any rights against or obligations to any other party under this Deed except for those rights and obligations which accrued prior to termination. For the avoidance of doubt, nothing in this clause affects the obligation of RPM to pay the Break Fee, or the obligation of CAT to pay the Reverse Break Fee, if it is required to do so under clause 13 or 14 (as applicable).
- 3.18 If the condition in clause 3.1(b) (*Shareholder Approval*) is not satisfied only because of a failure to obtain the majority required by section 411(4)(a)(ii)(A) of the Corporations Act, then either party may by written notice within three Business Days after the date of the conclusion of the Scheme Meeting require the approval of the Court to be sought, pursuant to the Court's discretion in that section, provided the party has in good faith formed the view that the prospect of the Court exercising its discretion in that way is reasonable. If such written notice is given, RPM must make such submissions to the Court and file such evidence as counsel engaged by RPM to represent it in Court proceedings related to the Scheme, having consulted with CAT, considers is reasonably required to persuade the Court to exercise its discretion. If approval is given, the condition in clause 3.1(b) (*Shareholder Approval*) is deemed to be satisfied for all purposes.

Certain notices

- 3.19 If RPM or CAT becomes aware that any condition precedent has been satisfied, it must promptly notify the other in writing of this fact.
- 3.20 If, before the time specified for satisfaction of a condition precedent, an event or occurrence that will prevent, or is likely to prevent, that condition precedent being satisfied occurs, the party with knowledge of that event must promptly give the other party written notice of that event or occurrence.
- 3.21 If a condition precedent is not satisfied or waived by the time and date specified for satisfaction of that condition precedent, then, unless there is no reasonable prospect that the condition precedent will be satisfied before the End Date, RPM must, after consultation with CAT, make an application to defer the Second Court Date until such time (being not later than the Business Day before the End Date) as reasonably required to enable the relevant condition precedent to be satisfied.
- 3.22 RPM and CAT (as the case may be) must promptly notify each other in writing of any fact, matter, change, event or circumstance causing, or which, so far as can reasonably be foreseen, would cause a breach or non-satisfaction of any of the conditions precedent.

Certificate

- 3.23 At the hearing on the Second Court Date, RPM and CAT must provide to the Court a certificate confirming whether or not the conditions precedent in clause 3.1 (other than the condition in clause 3.1(a) (*Court Approval*)) have been satisfied or waived in accordance with this Deed. A draft of such certificate must be provided by each party to the other party by 12.00 pm on the Business Day prior to the Second Court Date.

5.8 RPM must, unless there has been a change of recommendation in compliance with this Deed, include in the Scheme Booklet a statement that each RPM Board Member:

- (j) it does not, in the reasonable opinion of RPM, result in unreasonable disruptions to the Business or require RPM to make further disclosure to any other entity or Government Agency.

5.12 The obligations pursuant to clause 5.11 commence from the date of this Deed and cease on the earlier of:

- (a) the Implementation Date; and
- (b) the date on which this Deed is terminated in accordance with its terms.

- 5.15 RPM and CAT are entitled to separate representation at all Court proceedings affecting the Transaction.

- 5.17 RPM and CAT must give all undertakings to the Court in all Court proceedings which are reasonably required to obtain Court approval and confirmation of the Transaction as contemplated by this Deed.

- in which case either party may terminate this Deed.

No partnership or joint venture

- 5.19 Subject to this Deed, nothing in this clause requires either party to act at the direction of the other. The business of each party will continue to operate independently from the other until the Implementation Date. The parties agree that nothing in this Deed constitutes the relationship of a partnership or a joint venture between the parties.

Change of control provisions

- 5.20 As soon as practicable after the date of this Deed, the parties must seek to identify any change of control, unilateral termination rights, or similar provisions in favour of any counterparty in any contract which is material to the business of the RPM Group as a whole (including leases or contracts of insurance) and to which a member of the RPM Group is a party which would, or would reasonably be likely to, be triggered by the implementation of the Scheme (**Change of Control Provision**).

for the purposes of obtaining the relevant Consent or any other relief, confirmation, approval or exemption.

- 5.22 The parties acknowledge that provided that RPM has complied with its obligations under clauses 5.20 and 5.21, failure to obtain any Consent will not prevent, delay or otherwise affect implementation of the Scheme, and in no circumstances will it give rise to any liability under this Deed or otherwise in respect of the Scheme on the part of any member of the RPM Group to any member of the CAT Group (or to any other person).
- 5.23 CAT agrees to provide reasonable assistance to RPM to enable RPM to obtain the Consents or any other relief, confirmation, approval or exemption from the relevant counterparties and Government Agency concerning the Identified Contract provided that nothing in this clause requires CAT to:
- (a) incur external expense or make any payment; or
 - (b) agree to any new conditions with, or provide any new guarantees or security to, an Identified Contract counterparty which are not acceptable to CAT (acting reasonably).

W&I Deed and W&I Insurance Policy

- 5.26 CAT acknowledges and agrees that all costs payable to the relevant insurer(s) and/or broker in respect of the W&I Insurance Policy (including the gross premium payable plus any premium taxes and fees and charges in respect of the W&I Insurance Policy) will be paid by CAT.
- 5.27 Notwithstanding clauses 5.24 to 5.26, the parties agree that, if the W&I Insurance Policy is obtained by CAT, the W&I Insurance Policy must include terms to the effect that:
- (a) the insurer irrevocably waives its rights to bring any claim against any RPM Indemnified Party by way of subrogation, claim for contribution or otherwise, except claims by way of subrogation against:
 - (i) RPM to the extent that the relevant loss arose out of fraud by RPM; or
 - (ii) a director or officer of RPM at the date of this Deed to the extent that the relevant loss arose out of fraud by that director or officer,and only to the extent of the rights of recovery relating directly to fraud by RPM or the relevant director or officer (as applicable); and
 - (b) CAT acknowledges that each RPM Indemnified Party is entitled to directly enforce such waivers and that in respect of the waivers CAT contracts in its own right and as agent of each RPM Indemnified Party.
- 5.28 Each party acknowledges and agrees that CAT is under no obligation to take out and incept the W&I Insurance Policy.

ju

- (a) RPM and CAT must use their best endeavours to agree the amendments to this Deed and, if applicable, the Scheme and Deed Poll that are reasonably necessary to reflect the CAT Counterproposal and to implement the CAT Counterproposal, in each case as soon as reasonably practicable; and

- 13.2 In the circumstances referred to in clause 13.1, CAT has requested that provision be made for the payments outlined in clauses 13.5 and 13.6, without which CAT would not have entered into this Deed or otherwise agreed to assist in implementing the Scheme.
- 13.3 RPM confirms that the RPM Board has acknowledged that:
- (a) it has received advice from its external legal advisers in relation to this Deed and the operation of this clause 13;
 - (b) it believes the implementation of the Scheme will provide significant benefits to RPM and RPM Shareholders, such that it is reasonable and appropriate for RPM to agree to the Break Fee in order to secure CAT's participation in the Transaction; and
 - (c) the Break Fee is intended to be compensatory in nature and represents a genuine and reasonable estimate of cost and loss that would be suffered by CAT if this Deed was entered into and the Scheme is subsequently not implemented, including to compensate CAT for the costs and expenses referred to in clause 13.7.

Payment by RPM to CAT

- 13.4 If:

Jul

 - (ii) RPM has validly terminated this Deed under clause 15.1(a) and RPM has given the appropriate termination notice to CAT;

- (c) CAT terminates this Deed pursuant to clauses 15.2(a) or 15.2(c) and has given the appropriate termination notice to RPM,

then RPM must pay CAT the Break Fee (without set-off or withholding) in accordance with clauses 13.5 and 13.6.

Satisfaction of payment obligation

- 13.5 RPM must pay CAT the amount claimed under clause 13.4 within five Business Days after receipt by RPM of a demand for payment in writing from CAT except to the extent that a finding has been made by a court, Takeovers Panel, regulatory authority or tribunal as described in clause 13.9, or an application has been made to such a body seeking such a finding.
- 13.6 RPM's obligation to make the payment referred to in clause 13.5 will be satisfied by the payment of the relevant amount in immediately available funds to the account nominated by CAT for the purposes of this clause.

- 13.7 The amount payable by RPM under clauses 13.5 and 13.6 is intended to be an amount to compensate CAT for:
- (a) advisory costs (including costs of advisers other than success fees);
 - (b) costs of management and directors' time;
 - (c) out-of-pocket expenses by CAT and its Representatives; and

Jul

- (d) the opportunity costs incurred by CAT in pursuing the Scheme or in not pursuing other alternative acquisitions or strategic initiatives which CAT could have developed to further its business and objectives,

and the parties agree that:

- (e) the costs actually incurred by CAT will be of such a nature that they cannot all be accurately ascertained; and
- (f) the Break Fee is a genuine and reasonable pre-estimate of those costs.

Qualifications

- 13.8 No amount shall be payable by RPM under this clause 13 if the Scheme becomes Effective, notwithstanding the occurrence of any event in clause 13.4. To the extent that any amounts have already been paid under this clause 13 and the Scheme becomes Effective, such amounts shall be immediately refunded to RPM.
- 13.9 This clause 13 does not impose an obligation on RPM to pay the Break Fee to the extent (and only to the extent) that the obligation to pay the amount:
- (a) constitutes unacceptable circumstances as declared by the Takeovers Panel; or
- (b) is held to be unenforceable by one party against the other as determined by a court, after all proper avenues of appeal and review, whether judicial or otherwise, have been exhausted. The parties must take all reasonable steps to ensure that any such determination applies to the minimum extent possible.
- 13.10 The parties must not make or cause or permit to be made, any application to a court or the Takeovers Panel for or in relation to a determination of a kind referred to in clause 13.9.

Other claims

- 13.11 The maximum aggregate amount which RPM is required to pay in relation to this Deed (including any breach of this Deed by RPM), other than in the case of fraud or in the event of any wilful or intentional breach by RPM of this Deed, is the Break Fee and in no event will the aggregate liability of RPM under or in connection with this Deed exceed the Break Fee.

Exclusive remedy

- 13.12 Notwithstanding any other provision under this Deed, where the Break Fee is paid to CAT under this Deed, CAT cannot make any claim for damages against RPM or the other RPM Indemnified Parties in relation to any event or occurrence referred to in clause 13.4. Nothing in this clause limits:
- (a) RPM's liability for fraud or in the event of any wilful or intentional breach by RPM of this Deed; or
- (b) CAT's ability to seek specific performance or injunctive relief in respect of any breach or threatened breach by RPM of its obligations under this Deed.

14. Reverse Break Fee

Background

Jul

- 14.1 RPM and CAT acknowledge that, having entered into this Deed, if the Scheme is subsequently not implemented, RPM and RPM Shareholders will incur significant costs, including significant opportunity costs.
- 14.2 In the circumstances referred to in clause 14.1, RPM has requested that provision be made for the payments outlined in clauses 14.5 and 14.6, without which RPM would not have entered into this Deed.
- 14.3 CAT confirms and acknowledges that:
- (a) it has received advice from its external legal advisers in relation to this Deed and the operation of this clause 14;
 - (b) it believes the implementation of the Scheme will provide significant benefits to CAT, such that it is reasonable and appropriate for CAT to agree to the Reverse Break Fee in order to secure RPM's participation in the Transaction; and
 - (c) the Reverse Break Fee is intended to be compensatory in nature and represents a genuine and reasonable estimate of cost and loss that would be suffered by RPM if this Deed was entered into and the Scheme is subsequently not implemented, including to compensate RPM for the costs and expenses referred to in clause 14.7.

Payment by CAT to RPM

- 14.4 If:
- (a) RPM terminates this Deed pursuant to clause 15.1(a) and has given the appropriate termination notice to CAT; or
 - (b) CAT does not pay the aggregate Scheme Consideration in accordance with the terms and conditions of this Deed, the Scheme and the Deed Poll,
- then CAT must pay RPM the Reverse Break Fee (without set-off or withholding) in accordance with clauses 14.5 and 14.6.

Satisfaction of payment obligation

- 14.5 CAT must pay RPM the amount claimed under clause 14.4 within five Business Days after receipt by CAT of a demand for payment in writing from RPM except to the extent that a finding has been made by a court, Takeovers Panel, regulatory authority or tribunal as described in clause 14.9, or an application has been made to such a body seeking such a finding.
- 14.6 CAT's obligation to make the payment referred to in clause 14.5 will be satisfied by the payment of the relevant amount in immediately available funds to the account nominated by RPM for the purposes of this clause.

Nature of payment

- 14.7 The amount payable by CAT under clauses 14.5 and 14.6 is intended to be an amount to compensate RPM for:
- (a) advisory costs (including costs of advisors other than success fees);
 - (b) costs of management and directors' time;
 - (c) the distraction of the RPM management team from conducting RPM's business as usual caused by pursuing the Scheme;

ju

- (d) the damage to RPM's reputation associated with a failed transaction and the implications of that damage to RPM's business;
- (e) out-of-pocket expenses by RPM and its Representatives; and
- (f) the opportunity costs incurred by RPM in pursuing the Scheme or in not pursuing other alternative acquisitions or strategic initiatives which RPM could have developed to further its business and objectives,

and the parties agree that:

- (g) the costs actually incurred by RPM will be of such a nature that they cannot all be accurately ascertained; and
- (h) the Reverse Break Fee is a genuine and reasonable pre-estimate of those costs.

Qualifications

- 14.8 No amount shall be payable by CAT under this clause 14 if the Scheme becomes Effective, notwithstanding the occurrence of any event in clause 14.4. To the extent that any amounts have already been paid under this clause 14 and the Scheme becomes Effective, such amounts shall be immediately refunded to CAT.
- 14.9 This clause 14 does not impose an obligation on CAT to pay the Reverse Break Fee to the extent (and only to the extent) that the obligation to pay the amount:
- (a) constitutes unacceptable circumstances as declared by the Takeovers Panel; or
 - (b) is held to be unenforceable by one party against the other as determined by a court, after all proper avenues of appeal and review, whether judicial or otherwise, have been exhausted. The parties must take all reasonable steps to ensure that any such determination applies to the minimum extent possible.
- 14.10 The parties must not make or cause or permit to be made, any application to a court or the Takeovers Panel for or in relation to a determination of a kind referred to in clause 14.9.

CAT Limitation of Liability

- 14.11 Subject to clause 4.2, but notwithstanding any other provision of this Deed:
- (a) the maximum aggregate liability of CAT to RPM under or in connection with this Deed (including in respect of any breach or repudiation of this Deed, including breach of any representations or warranties) will be an amount equal to the Reverse Break Fee; and
 - (b) the payment by CAT of the Reverse Break Fee represents the sole, maximum and absolute liability of CAT and the CAT Indemnified Parties in aggregate under or in connection with this Deed and no further damages, fees, expenses or reimbursements of any kind will be payable by CAT or the CAT Indemnified Parties under or in connection with this Deed. Nothing in this clause limits CAT's liability under the Deed Poll,

provided that, nothing in this clause limits CAT's liability for fraud or in the event of any wilful or intentional breach by CAT of this Deed.

Exclusive remedy

14.12 Notwithstanding any other provision under this Deed, where the Reverse Break Fee is paid to RPM under this Deed:

- (a) payment of that amount is the sole and exclusive remedy for RPM;
- (b) that amount is received by RPM in complete settlement of any and all claims under this Deed or otherwise that RPM may have against CAT; and
- (c) neither RPM nor any of its Related Bodies Corporate may make any claim against CAT or the other CAT Indemnified Parties whatsoever for specific performance, injunctive relief, damages, loss, liability, compensation, payments, fees, expenses or reimbursements against CAT or any other CAT Indemnified Party,

in each case, in respect of the matter giving rise to the payment and otherwise under this Deed or in connection with the Transaction or Scheme, to the maximum extent permitted by law.

15. Termination

Termination

15.1 Without prejudice to any other rights of termination under this Deed, RPM may terminate this Deed by written notice to CAT at any time before 8.00 am on the Second Court Date if:

- (a) CAT is in breach of this Deed (including a breach of a CAT Representation and Warranty under clause 8) and:
 - (i) that breach is material in the context of the Scheme taken as a whole;
 - (ii) RPM has given written notice to CAT setting out the breach and stating an intention to terminate this Deed if the breach is not remedied; and
 - (iii) the breach is not remedied by CAT to RPM's reasonable satisfaction within 10 Business Days (or any shorter period ending on the Second Court Date) from the time the notice is given in accordance with clause 15.1(a)(ii); or
- (b) a majority of RPM Board Members change, withdraw or adversely revise or modify their recommendation that RPM Shareholders vote in favour of the Scheme, or recommends a Competing Proposal, in each case as permitted to do so under this Deed, provided that, if required to do so under clause 13, RPM has paid the Break Fee to CAT in accordance with that clause.

15.2 Without prejudice to any other rights of termination under this Deed, CAT may terminate this Deed by written notice to RPM at any time before 8.00 am on the Second Court Date if:

- (a) RPM is in breach of this Deed (including a breach of a RPM Representation and Warranty under clause 8 and a breach of a Prescribed Occurrence) and:
 - (i) that breach is material in the context of the Scheme taken as a whole;
 - (ii) CAT has given written notice to RPM setting out the breach and stating an intention to terminate this Deed if the breach is not remedied; and
 - (iii) the breach is not remedied by RPM to CAT's reasonable satisfaction within 10 Business Days (or any shorter period ending on the Second Court Date) from the time the notice is given in accordance with clause 15.2(a)(ii);
- (b) any RPM Board Member:

- (i) changes, withdraws or adversely revises or modifies his or her Voting Intention or Recommendation that RPM Shareholders vote in favour of the Scheme; or
- (ii) otherwise makes a public statement indicating that they no longer support the Scheme; or
- (iii) recommends a Competing Proposal, whether or not permitted to do so under this Deed; or
- (c) in any circumstance where RPM enters into a definitive agreement to implement a Competing Proposal.

For the avoidance of doubt, a statement that shareholders should 'take no action pending further advice' (or words to that effect) is not regarded as an adverse modification of a recommendation for the purposes of clauses 15.1 and 15.2 provided that the RPM Board publicly re-affirms its Voting Intention and Recommendation in favour of the Transaction when making any such statement and that RPM complies with the matching right process set out in clauses 12.10 and 12.11 (as applicable).

Termination by agreement

15.3 This Deed is terminable if agreed to in writing by RPM and CAT.

Effect of termination

15.4 If this Deed is terminated by either party under clauses 3.16, 5.18, 15.1 or 15.2, this Deed will become void and have no effect, without any liability or obligation on the part of any party, other than in relation to rights and obligations that accrued prior to termination and other than in relation to the provisions of this clause 13 and of clauses 1 (Definitions and interpretation), 8 (Representations and warranties), 11 (Confidentiality), 16 (GST) and 17 (Notices), 18 (General) which will remain in force after termination.

16. GST

16.1 Unless expressly included, the consideration for any supply under or in connection with this Deed does not include GST.

16.2 Despite the other provisions of this Deed, to the extent that any supply made by a party (**Supplier**) to another party (**Recipient**) under or in connection with this Deed is a taxable supply and a tax invoice has been provided to the Recipient, the Recipient must pay to the Supplier, in addition to the consideration otherwise to be provided under this Deed for that supply (unless it expressly includes GST) an amount equal to the amount of that consideration (or its GST exclusive market value) multiplied by the rate at which GST is imposed in respect of the supply.

16.3 The additional amount on account of GST payable in accordance with clause 16.2 will be paid at the same time and in the same manner as the first part of the consideration otherwise payable for the supply is provided.

16.4 Except where the context suggests otherwise, terms used in this clause 16 have the meanings given to those terms by the A New Tax System (Goods and Services Tax) Act 1999 (as amended from time to time).

18. General

Remedies

- 18.1 Each party acknowledges that any breach of this Deed will cause material damage to the other party and that damages may not be a sufficient remedy for such breach. Accordingly, unless expressly specified otherwise, the other party has the right to seek injunctive relief or specific performance as a remedy for any actual or threatened breach, in addition to any other remedies available at law or in equity under or independently of this Deed.

Costs

- 18.2 Subject to clause 18.3, each party must bear its own costs and expenses (including professional fees and stamp duty) incurred by it in connection with the negotiation, preparation and execution of this Deed and the implementation or attempted implementation of the Scheme.

Stamp duty

- 18.3 CAT must pay all stamp duty and any related fines or penalties in respect of this Deed, the Deed Poll and the acquisition of the Scheme Shares in accordance with the Scheme and indemnify RPM (on RPM's own behalf and separately as trustee or nominee for the other RPM Indemnified Parties and RPM Shareholders) against any liability arising from failure to comply with this clause 18.3.

Entire agreement

- 18.4 To the extent permitted by law, in relation to the subject matter of this Deed, this Deed:
- (a) embodies the entire understanding of the parties and constitutes the entire terms agreed on between the parties; and
 - (b) supersedes any prior agreement (whether or not in writing) between the parties other than the Confidentiality Deed.

ju

Further assurances

- 18.5 Each party must, at its own expense, whenever requested by the other party, promptly do or, to the extent reasonably practicable, arrange for others to do everything, including executing any documents, reasonably necessary to give full effect to this Deed and the transactions contemplated by this Deed.

No merger

- 18.6 The rights and obligations of the parties do not merge on completion of any transaction contemplated under this Deed. They survive the execution and delivery of any assignment or other document entered into to implement any transaction contemplated under this Deed.

Assignment

- 18.7 Other than any assignment, novation or other dealing required by CAT to give effect to clause 2.3 (which will not require the consent of RPM), a party cannot assign, novate or otherwise transfer or deal in any other way with any of its rights or obligations under this Deed without the other party's prior written consent.

Invalid or unenforceable provisions

- 18.8 If a provision of this Deed is invalid or unenforceable in a jurisdiction:
- (a) it is to be read down or severed in that jurisdiction to the extent of the invalidity or unenforceability; and
 - (b) that fact does not affect the validity or enforceability of that provision in another jurisdiction or the remaining provisions of this Deed.

Waiver and exercise of rights

- 18.9 A waiver by a party of a provision of, or of a right under, this Deed is only binding on the party granting the waiver if it is given in writing and is signed by the party or an authorised officer of the party granting the waiver.
- 18.10 A waiver is effective only in the specific instance and for the specific purpose for which it is given.
- 18.11 A single or partial exercise of a right by a party does not preclude another exercise of that right or the exercise of another right.
- 18.12 The failure to exercise, or the delay in exercising, a right does not operate as a waiver or prevent the party so failing or exercising its right from later doing so.

Amendment

- 18.13 Except as expressly provided to the contrary in this Deed, this Deed may only be amended by a document signed by or on behalf of each party.

Counterparts

- 18.14 This Deed may be signed electronically and in counterparts and all counterparts taken together constitute one document.

Rights cumulative

- 18.15 Except as expressly provided to the contrary in this Deed or as permitted by law, the rights, powers and remedies provided in this Deed are cumulative and do not exclude any other rights, powers or remedies provided by law independently of this Deed.

Consents or approvals

- 18.16 A party may give its approval or consent conditionally or unconditionally, or withhold its approval or consent, in its absolute discretion unless this Deed expressly provides otherwise.

Governing law and jurisdiction

- 18.17 This Deed is governed by the laws of Queensland, Australia.

- 18.18 Each party irrevocably and unconditionally:

- (a) submits to the non-exclusive jurisdiction of the courts of Queensland; and
- (b) waives, without limitation, any claim or objection based on absence of jurisdiction or inconvenient forum.

Service of process

- 18.19 Each party agrees that a document required to be served in proceedings about this Deed may be served:
- (a) by being delivered to or left at its address for service of notices under clauses 17.1; or
 - (b) in any other way permitted by law.

Trust and deed poll

- 18.20 It is acknowledged and agreed by RPM that CAT not only enters into this Deed on its own behalf but also as trustee for the CAT Indemnified Parties (other than CAT) in respect of rights, benefits and remedies expressed to be in favour of, or which are for the benefit of, or which benefit, the CAT Indemnified Parties (other than CAT) including the release in clause 9.3.
- 18.21 It is acknowledged and agreed by CAT that RPM not only enters into this Deed on its own behalf but also as trustee for the RPM Indemnified Parties (other than RPM) in respect of rights, benefits and remedies expressed to be in favour of, or which are for the benefit of, or which benefit, the RPM Indemnified Parties (other than RPM) including the release in clause 9.1.
- 18.22 Without limiting clauses 18.20 and 18.21 or any other terms of, or the operation and effect of, this Deed, it is acknowledged and agreed by the parties that this Deed will also operate as a separate deed poll by each of CAT and RPM in favour of, and for the benefit of, each CAT Indemnified Party (other than CAT) and each RPM Indemnified Party (other than RPM) respectively so that this Deed may be directly enforced by or on behalf of any other CAT Indemnified Party and any other RPM Indemnified Party respectively if they choose to do so.

No agreement

- 18.23 This Deed does not constitute an agreement for CAT to acquire the RPM Shares from each of the RPM Shareholders.

Indemnities and reimbursement obligations

- 18.24 Any indemnity, reimbursement or similar obligation in this Deed:

ju

- (a) is a continuing obligation despite the satisfaction of any payment or other obligation in connection with this Deed, any settlement or any other thing;
- (b) is independent of any other obligations under this Deed; and
- (c) continues after this Deed, or any obligation arising under it, ends.

It is not necessary for a party to incur expense or make payment before enforcing a right of indemnity in connection with this Deed.

Deed Poll

- 2.6 This Scheme attributes actions to CAT [and CAT Nominee] but does not itself impose an obligation on CAT [or CAT Nominee] to perform those actions. [Each of] CAT [and CAT Nominee] has executed the Deed Poll in favour of each Scheme Shareholder under which CAT [and CAT Nominee] has covenanted, subject to this Scheme becoming Effective, to perform certain steps attributed to [it/them] under this Scheme and to do all things necessary to implement this Scheme, including to provide the Scheme Consideration to RPM for the benefit of the Scheme Shareholders.

3. Conditions precedent

Conditions precedent to Scheme

- 3.1 This Scheme is conditional on, and will have no force or effect until, the satisfaction of each of the following conditions precedent:
- (a) all of the conditions in clause 3.1 of the Scheme Implementation Deed, other than the condition in the Scheme Implementation Deed relating to Court approval of this Scheme, having been satisfied or waived in accordance with the terms of the Scheme Implementation Deed before 8.00am on the Second Court Date;
 - (b) neither the Scheme Implementation Deed nor the Deed Poll having been terminated in accordance with their terms before 8.00am on the Second Court Date;
 - (c) approval of this Scheme by the Court under paragraph 411(4)(b) of the Corporations Act, including with any alterations made or required by the Court under section 411(6) of the Corporations Act and agreed to in writing by CAT and RPM;
 - (d) any other conditions made or required by the Court under section 411(6) of the Corporations Act in relation to this Scheme, and which are agreed to in writing by CAT and RPM, having been satisfied; and
 - (e) the orders of the Court made under paragraph 411(4)(b) (and, if applicable, section 411(6) of the Corporations Act) approving this Scheme coming into effect under section 411(10) of the Corporations Act on or before the End Date (or any later date RPM and CAT agree in writing).

Certificate in relation to conditions precedent

- 3.2 RPM and CAT must each provide to the Court on the Second Court Date a certificate, or such other evidence as the Court requests, confirming (in respect of matters within their knowledge) whether or not all of the conditions precedent in clauses 3.1(a) and 3.1(b) have been satisfied or waived as at 8.00am on the Second Court Date.
- 3.3 A certificate referred to in clause 3.2 constitutes conclusive evidence of the satisfaction or waiver of the conditions precedent referred to in the relevant certificate.

Termination

- 3.4 Without limiting any rights under the Scheme Implementation Deed, if the Scheme Implementation Deed is terminated in accordance with its terms before this Scheme becomes Effective, each of RPM and CAT are released from any:
- (a) further obligation to take steps to implement this Scheme; and
 - (b) liability with respect to this Scheme.

End Date

- 3.5 Unless RPM and CAT otherwise agree in writing, this Scheme will lapse and have no further force or effect if:
- (a) the Effective Date has not occurred on or before the End Date; or
 - (b) the Scheme Implementation Deed or the Deed Poll is terminated in accordance with its terms before the Scheme becomes Effective.

om

4. Implementation of Scheme

Lodgement of Court orders

- 4.1 RPM must lodge with ASIC, in accordance with section 411(10) of the Corporations Act, an office copy of the Court order approving this Scheme by 5.00pm on the Business Day on which such office copy is received (or such later date as agreed in writing by CAT).

Transfer of Scheme Shares

- 4.2 On the Implementation Date:
- (a) subject to this Scheme becoming Effective and the payment of the Scheme Consideration in accordance with clauses 5.1 to 5.4, the Scheme Shares, together with all rights and entitlements attaching to the Scheme Shares as at the Implementation Date, must be transferred to CAT [Nominee], without the need for any further act by any Scheme Shareholder (other than acts performed by RPM as attorney and agent for Scheme Shareholders under clause 8.8), by:
 - (i) RPM delivering to CAT [Nominee] a duly completed Scheme Transfer, executed on behalf of the Scheme Shareholders by RPM, for registration; and
 - (ii) CAT [Nominee] duly executing the Scheme Transfer, attending to the stamping of the Scheme Transfer (if required), and delivering the Scheme Transfer to RPM for registration; and
 - (b) immediately following receipt of the Scheme Transfer in accordance with clause 4.2(a)(ii), but subject to the stamping of the Scheme Transfer (if required), RPM must enter, or procure the entry of, the name and address of CAT [Nominee] in the RPM Register as the holder of all the Scheme Shares.

5. Scheme Consideration

Provision of Scheme Consideration

- 5.1 CAT [and CAT Nominee] must, by no later than 5.00pm on the Business Day before the Implementation Date, deposit, or procure the deposit, in cleared funds an amount equal to the aggregate amount of the Scheme Consideration payable to each Scheme Shareholder, into an Australian dollar denominated trust account operated by RPM as trustee for the Scheme Shareholders (**Trust Account**) and notified to CAT at least five Business Days prior to the Implementation Date. Any interest on the amounts deposited (less bank fees and other charges) must be credited to CAT's account.
- 5.2 On the Implementation Date, subject to funds having been deposited in accordance with clause 5.1, RPM must pay or procure the payment of the Scheme Consideration from the Trust Account to each Scheme Shareholder based on the number of Scheme Shares held by such Scheme Shareholder as set out in the RPM Register on the Scheme Record Date.
- 5.3 The obligations of RPM under clause 5.2 will be satisfied by RPM (in its absolute discretion):
- (a) making or procuring the making of a deposit into an account with an ADI in Australia notified by a Scheme Shareholder to RPM and recorded in the RPM Register as at the Scheme Record Date, whether or not for the purposes of payments of dividends (**Registered Account**); or

- (b) if RPM has not been notified by a Scheme Shareholder of a Registered Account, despatching or procuring the despatch to that Scheme Shareholder of a cheque drawn on an Australian bank for the relevant amount in A\$ by pre-paid ordinary post (or if the Registered Address of the Scheme Shareholder is outside Australia, by pre-paid airmail post) in the name of the Scheme Shareholder (or in the case of joint holders, in accordance with the procedures set out in clause 5.6) in an envelope addressed to the Registered Address as at the Scheme Record Date.

- 5.4 If CAT is required by section 260-5 or Subdivision 14-D of Schedule 1 to the *Taxation Administration Act 1953* (Cth) or section 255 of the *Income Tax Assessment Act 1936* (Cth) (or equivalent provisions) to pay to a Government Agency an amount in respect of the acquisition of the Scheme Shares (**Withholding Amount**), CAT is permitted to deduct the Withholding Amount from the Scheme Consideration otherwise payable to those Scheme Shareholders and remit such amounts to the Government Agency. The aggregate sum payable shall not be increased to reflect the deduction of the Withholding Amount and the remission of the Withholding Amount to the Government Agency shall be taken to discharge a commensurate part of the amount owing to the relevant Scheme Shareholders. CAT must pay any Withholding Amount in the time required by law and, if requested in writing by the relevant Scheme Shareholder, provide a receipt or other appropriate evidence of such payment (or procure the provision of such receipt or other evidence) to the relevant Scheme Shareholder.
- 5.5 To the extent that, following satisfaction of RPM's obligations under clause 5.2, there is a surplus in the amount held by RPM as trustee for the Scheme Shareholders in the Trust Account, that surplus must be paid by RPM to CAT.

Joint holders

- 5.6 In the case of Scheme Shares held in joint names:
- (a) subject to clause 5.3, the Scheme Consideration is payable to the joint holders and any cheque required to be sent under this Scheme will be made payable to the joint holders and sent to either, at the sole discretion of RPM, the holder whose name appears first in the RPM Register as at the Scheme Record Date or to the joint holders; and
- (b) any other document required to be sent under this Scheme will be forwarded to either, at the sole discretion of RPM, the holder whose name appears first in the RPM Register as at the Scheme Record Date or to the joint holders.

Unclaimed monies

- 5.7 RPM may cancel a cheque issued under this clause 5 if the cheque:
- (a) is returned to RPM (or its agents); or
- (b) has not been presented by a Scheme Shareholder within six months after the Implementation Date.
- 5.8 During the period of one year commencing on the Implementation Date, on request in writing from a Scheme Shareholder to RPM (or the RPM Registry) (which request may not be made until the date which is 10 Business Days after the Implementation Date), RPM must reissue a cheque that was previously cancelled under clause 5.7.
- 5.9 The Public Trustee Act will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in section 98 of the Public Trustee Act). Any interest or other

om

benefit accruing from the unclaimed Scheme Consideration will be to the benefit of CAT [Nominee].

Fractional entitlements and splitting

- 5.10 Where the calculation of the Scheme Consideration to be issued to a particular Scheme Shareholder would result in the Scheme Shareholder becoming entitled to a fraction of a cent, the fractional entitlement will be rounded up or down (as applicable) to the nearest whole cent.

Orders of a court or Government Agency

- 5.11 If written notice is given to RPM (or the RPM Registry) of an order or a direction made by a court of competent jurisdiction or by a Government Agency that:
- (a) requires consideration to be provided to a third party (either through payment of a sum or the issuance of a security) in respect of Scheme Shares held by a particular Scheme Shareholder, which would otherwise be payable or required to be issued to that Scheme Shareholder by RPM in accordance with this clause 5, RPM will be entitled to procure that provision of that consideration is made in accordance with that order or direction; or
 - (b) prevents RPM from providing consideration to any particular Scheme Shareholder in accordance with this clause 5, or the payment or issuance of such consideration is otherwise prohibited by applicable law, RPM will be entitled to (as applicable) retain an amount, in Australian dollars, equal to the number of Scheme Shares held by that Scheme Shareholder multiplied by the Scheme Consideration until such time as provision of the Scheme Consideration in accordance with this clause 5 is permitted by that order or direction or otherwise by applicable law.
- 5.12 To the extent that amounts are so deducted or withheld in accordance with clause 5.11, such deducted or withheld amounts will be treated for all purposes under this Scheme as having been paid to the person in respect of which such deduction and withholding was made, provided that such deducted or withheld amounts are actually remitted as required.

6. Dealings in RPM Shares

Determination of Scheme Shareholders

- 6.1 Each Scheme Shareholder will be entitled to participate in this Scheme.
- 6.2 To establish the identity of the Scheme Shareholders, dealings in RPM Shares will only be recognised if:
- (a) in the case of dealings of the type to be effected by CHESS, the transferee is registered in the RPM Register as the holder of the relevant RPM Shares before the Scheme Record Date; and
 - (b) in all other cases, share transfer forms in registrable form or transmission applications in respect of those dealings are received by the RPM Registry before the Scheme Record Date,

and RPM must not accept for registration, or recognise for any purposes (except a transfer to CAT [Nominee] pursuant to this Scheme and any subsequent transfer by CAT [Nominee] or its successors in title), any transfer or transmission application or other request received after

ju

such time, or received prior to such times but not in registrable or actionable form, as appropriate.

RPM's obligation to register

- 6.3 RPM must register any registrable transfers or transmission applications of the Scheme Shares in accordance with clause 6.2(b) before the Scheme Record Date provided that, for the avoidance of doubt, nothing in this clause 6.3 requires RPM to register a transfer that would result in an RPM Shareholder holding a parcel of RPM Shares that is less than a 'marketable parcel'. For the purposes of this clause 6.3, 'marketable parcel' has the meaning given in the Operating Rules.

Transfers after the Scheme Record Date

- 6.4 If this Scheme becomes Effective, a Scheme Shareholder (and any person claiming through that Scheme Shareholder) must not dispose of, or purport or agree to dispose of, any Scheme Shares or any interest in Scheme Shares on or after the Scheme Record Date, other than in accordance with this Scheme, and any attempt to do so will have no effect and RPM will be entitled to disregard any such disposal.

Maintenance of RPM Register

- 6.5 For the purpose of determining entitlements to the Scheme Consideration, RPM must, until the Scheme Consideration has been paid to the Scheme Shareholders, maintain the RPM Register in accordance with this clause 6. The RPM Register in this form will solely determine entitlements to the Scheme Consideration.

Effect of holding statements

- 6.6 All statements of holding for RPM Shares (other than statements of holding for RPM Shares in favour of CAT [Nominee]) will cease to have effect after the Scheme Record Date as a document of title in respect of those RPM Shares.
- 6.7 Each entry on the RPM Register (other than entries on the RPM Register in respect of CAT [Nominee] or its successors in title) as at the Scheme Record Date will cease to have any effect except as evidence of the entitlements of the Scheme Shareholders to the Scheme Consideration in respect of the RPM Shares relating to that entry.

Information to be made available to CAT

- 6.8 As soon as practicable on or after the Scheme Record Date, and in any event within two Business Days after the Scheme Record Date, RPM must ensure that details of the names, Registered Addresses, Registered Accounts and holdings of RPM Shares for each Scheme Shareholder as shown in the RPM Register are available to CAT in the form CAT reasonably requires.

7. Quotation of RPM Shares

- 7.1 RPM must apply to ASX to suspend trading of RPM Shares on ASX with effect from the close of trading on the Effective Date.
- 7.2 On a date after the Implementation Date to be determined by CAT, RPM must take all steps reasonably necessary and within its power (including by applying to ASX and satisfying any conditions reasonably required by ASX) to procure the:
- (a) termination of the official quotation of RPM Shares on ASX; and

Jul

- (b) removal of RPM from the official list of ASX.

8. General Scheme provisions

Consent to amendments to this Scheme

- 8.1 If the Court proposes to approve this Scheme subject to any alterations or conditions under section 411(6) of the Corporations Act:
- (a) RPM may by its counsel, and with the consent of CAT, consent to those alterations or conditions on behalf of all persons concerned including, for the avoidance of doubt, all Scheme Shareholders; and
 - (b) each Scheme Shareholder agrees to any such alterations or conditions which counsel for RPM has consented to.

Scheme Shareholders' agreements and warranties

- 8.2 Each Scheme Shareholder irrevocably:
- (a) agrees to the transfer of their RPM Shares, together with all rights and entitlements attaching to those RPM Shares, to CAT [Nominee] in accordance with the terms of this Scheme;
 - (b) agrees to the variation, cancellation or modification of the rights attached to their RPM Shares constituted by or resulting from this Scheme;
 - (c) agrees to, on the direction of CAT [Nominee], destroy any share certificates or holding statements relating to their RPM Shares and acknowledges that after the transfer of the RPM Shares to CAT [Nominee] any share certificate relating to their RPM Shares will not constitute evidence of title to those RPM Shares;
 - (d) acknowledges and agrees that this Scheme binds RPM and all Scheme Shareholders (including those who do not attend the Scheme Meeting and those who do not vote, or who vote against this Scheme, at the Scheme Meeting) and, to the extent of any inconsistency, overrides the constitution of RPM; and
 - (e) consents to RPM and CAT doing all things and executing all deeds, instruments, transfers or other documents as may be necessary, incidental or expedient to the implementation and performance of this Scheme,

without the need for any further act by that Scheme Shareholder.

- 8.3 Each Scheme Shareholder is taken to have warranted to RPM and CAT [and CAT Nominee] on the Implementation Date, and appointed and authorised RPM as its attorney and agent to warrant to CAT [and CAT Nominee] on the Implementation Date, that:
- (a) all of its RPM Shares (including any rights and entitlements attaching to those RPM Shares) which are transferred under this Scheme will, at the date of transfer, be fully paid and free from all mortgages, charges, liens, encumbrances, pledges, security interests (including any 'security interests' within the meaning of section 12 of the *Personal Property Securities Act 2009* (Cth)) and interests of third parties of any kind, whether legal or otherwise, and restrictions on transfer of any kind;
 - (b) it has full power and capacity to transfer its RPM Shares to CAT [Nominee] together with any rights and entitlements attaching to those RPM Shares; and

Jul

- (c) it has no existing right to be issued any RPM Shares, RPM options, RPM performance rights, RPM convertible notes or any other RPM securities.

8.4 RPM undertakes in favour of each Scheme Shareholder that it will provide the warranties in clause 8.3, to the extent enforceable, to CAT [and CAT Nominee] on behalf of that Scheme Shareholder.

Title to and rights in Scheme Shares

8.5 To the extent permitted by law, the Scheme Shares (including all rights and entitlements attaching to the Scheme Shares) transferred under this Scheme to CAT [Nominee] will, at the time of transfer of them to CAT [Nominee], vest in CAT [Nominee] free from all mortgages, charges, liens, encumbrances, pledges, security interests (including any 'security interests' within the meaning of section 12 of the *Personal Property Securities Act 2009* (Cth)) and interests of third parties of any kind, whether legal or otherwise and free from any restrictions on transfer of any kind.

8.6 On and from the Implementation Date, subject to the provision of the Scheme Consideration to each Scheme Shareholder in the manner contemplated by clause 5, and pending registration by RPM of CAT [Nominee] as the holder of all of the Scheme Shares in the RPM Register, CAT [Nominee] will be beneficially entitled to the Scheme Shares.

Appointment of sole proxy

8.7 Immediately upon the provision of the Scheme Consideration to each Scheme Shareholder in the manner contemplated by clause 5, and until registration by RPM of CAT [Nominee] as the holder of all of the Scheme Shares in the RPM Register, each Scheme Shareholder:

- (a) is deemed to have appointed CAT [Nominee] as attorney and agent to appoint any director, officer, secretary or agent nominated by CAT [Nominee] as its sole proxy and, where applicable or appropriate, corporate representative to:
 - (i) attend shareholders' meetings;
 - (ii) exercise the votes attaching to the Scheme Shares registered in their name; and
 - (iii) sign any shareholders' resolution or document,whether in person, by proxy or by corporate representative;
- (b) must not attend or vote at any shareholders' meetings or sign any resolutions, whether in person, by proxy or by corporate representative (other than pursuant to clause 8.7(a));
- (c) must take all other actions in the capacity of a registered holder of Scheme Shares as CAT [Nominee] reasonably directs; and
- (d) acknowledges and agrees that in exercising the powers referred to in clause 8.7(a), CAT [Nominee] and any director, officer, secretary or agent nominated by CAT [Nominee] under clause 8.7(a) may act in the best interests of CAT [Nominee] as the intended registered holder of the Scheme Shares.

Authority given to RPM

8.8 Each Scheme Shareholder, without the need for any further act:

ju

- (a) on the Effective Date, irrevocably appoints RPM and each of its directors, officers and secretaries (jointly and each of them severally) as its attorney and agent for the purpose of enforcing the Deed Poll against CAT [and CAT Nominee], and RPM undertakes in favour of each Scheme Shareholder that it will enforce the Deed Poll against CAT [and CAT Nominee] on behalf of and as agent and attorney for each Scheme Shareholder; and
- (b) on the Implementation Date, irrevocably appoints RPM and each of its directors, officers and secretaries (jointly and each of them severally) as its attorney and agent for the purpose of executing any document or doing or taking any other act necessary, desirable or expedient to give effect to this Scheme and the transactions contemplated by it, including executing the Scheme Transfer.

8.9 RPM accepts each such appointment contemplated by clause 8.8. RPM, as attorney and agent of each Scheme Shareholder, may sub-delegate its functions, authorities or powers under clause 8.8 to all or any of its directors, officers, secretaries or employees (jointly, severally, or jointly and severally).

Binding effect of Scheme

8.10 This Scheme binds RPM and all of the Scheme Shareholders (including those who do not attend the Scheme Meeting, do not vote on this Scheme, do not vote at the Scheme Meeting, or vote against this Scheme at the Scheme Meeting) and, to the extent of any inconsistency and to the extent permitted by law, overrides the constitution of RPM.

Costs and stamp duty

- 8.11 CAT [and CAT Nominee]:
- (a) must pay all stamp duty and any related fines and penalties in respect of this Scheme and the Deed Poll, the performance of the Deed Poll and each transaction effected by or made under this Scheme and the Deed Poll; and
 - (b) indemnifies each Scheme Shareholder against any liability arising from failure to comply with clause 8.11(a).

Consent

8.12 Each of the Scheme Shareholders consents to RPM doing all things necessary or incidental to, or to give effect to, the implementation of this Scheme, whether on behalf of the Scheme Shareholders, RPM or otherwise.

No liability when acting in good faith

8.13 Neither RPM nor CAT [or CAT Nominee] nor any of their respective directors, officers, agents or employees will be liable for anything done or omitted to be done in the performance of this Scheme or the Deed Poll in good faith.

Notices

8.14 Where a notice, transfer, transmission application, direction or other communication referred to in this Scheme is sent by post to RPM, it will not be deemed to be received in the ordinary course of post or on a date and time other than the date and time (if any) on which it is actually received at RPM's registered office or at the office of the RPM Registry.

- 8.15 The accidental omission to give notice of the Scheme Meeting or the non-receipt of such a notice by any RPM Shareholder will not, unless so ordered by the Court, invalidate the Scheme Meeting or the proceedings of the Scheme Meeting.

Further assurances

- 8.16 Each of RPM and CAT must, at its own expense, whenever requested by the other of them, promptly do or, to the extent reasonably practicable, arrange for others to do everything, including executing any documents, reasonably necessary to give full effect to this Scheme and the transactions contemplated by this Scheme.

Governing law and jurisdiction

- 8.17 This Scheme is governed by the laws of Queensland.
- 8.18 Each of RPM and CAT irrevocably and unconditionally:
- (a) submits to the non-exclusive jurisdiction of the courts of Queensland and courts competent to hear appeals from those courts; and
 - (b) waives, without limitation, any claim or objection based on absence of jurisdiction or inconvenient forum.
