

## FY25 R&D TAX REFUND OF \$4.6 MILLION RECEIVED

**PERTH, AUSTRALIA; 16 October 2025:** Hazer Group Ltd (“Hazer” or the “Company”, ASX: HZR) is pleased to announce the approval and receipt of its FY 2025 Research and Development (“R&D”) tax incentive refund of \$4.58 million.

The refund is related to eligible R&D expenditure incurred during FY 2025. A further refund is expected next year in connection with expenditure incurred in the current financial year.

The Australian Federal Government’s R&D Tax Incentive program provides a cash refund on eligible research and development activities performed by Australian companies and is an important program that strongly supports Australian innovation.

**Glenn Corrie, Chief Executive Officer of Hazer Group, said, “This substantial R&D tax incentive refund underscores Hazer’s continued commitment to advancing the scale-up of our world-leading methane pyrolysis technology. These non-dilutive funds further strengthen our cash position enabling us to drive forward our commercialisation strategy.”**

Authorised for release by the Board of the Company.

#### Forward-looking Statements

This announcement may contain certain "forward-looking statements" which may not have been based solely on historical facts but are based on the Company's current expectations about future events and results.

Where the Company expresses or implies an expectation or belief as to future events or results, such expectation or belief is expressed in good faith and believed to have a reasonable basis. However, forward-looking statements are subject to risks, uncertainties, assumptions, and other factors, which could cause actual results to differ materially to futures results expressed, projected, or implied by such forward looking statements.

The Company does not undertake any obligation to release publicly any revisions to any "forward-looking statements" to reflect events or circumstances after the date of this announcement, or to reflect the occurrence of unanticipated events, except as may be required under the applicable securities laws.
