## VOTING INFORMATION AND NOTES

### A. Voting entitlement on a poll

On a poll, each Shareholder present (in person, by proxy, attorney or representative) has one vote for each fully paid Share they hold.

### B. Proxies

A Shareholder entitled to attend and vote at this meeting is entitled to appoint a proxy to attend and vote on the Shareholder's behalf. If the Shareholder is entitled to cast two or more votes at the meeting, the Shareholder may appoint up to two proxies to attend and vote on the Shareholder's behalf.

If a Shareholder appoints two proxies, each proxy must be appointed to represent a specified proportion or number of the Shareholder's votes. Absent this specification, on a poll, each proxy may exercise half the votes.

A proxy can be either an individual or a body corporate and need not be a Shareholder of the Company. If a Shareholder appoints a body corporate as proxy, the body corporate will need to appoint an individual as its corporate representative and provide satisfactory evidence of this appointment.

If a Shareholder's instruction is to abstain from voting for a particular item of business, the Shareholders' votes will not be counted in computing the required majority on a poll.

To appoint a proxy, a proxy form must be signed by the Shareholder or the Shareholder's attorney duly authorised in writing. If the Shareholder is a corporation, the proxy form must be signed in accordance with section 127 of the Corporations Act. To be effective, a proxy form (and, if it is signed by an attorney, the authority under which it is signed or a certified copy of the authority) must be received by the Company not later than 48 hours prior to the commencement of the meeting. Proxy form and authorities may be lodged:

- online at: [au.investorcentre.mpms.mufg.com](http://au.investorcentre.mpms.mufg.com) or
- by post to:  
MUFG Corporate Markets, Locked Bag A14, Sydney South, NSW 1235; or
- by facsimile to MUFG Corporate Markets on: +61 2 9287 0309; or
- by hand to:  
MUFG Corporate Markets at Parramatta Square, Level 22, Tower 6, 10 Darcy Street, Parramatta NSW 2150.

Shareholders who forward their proxy forms by fax must make available the original executed form of the proxy for production at the meeting, if called upon to do so.

#### ***Chairman acting as proxy***

Shareholders may appoint the Chairman as their proxy.

Where the Chairman is appointed as a proxy by a Shareholder entitled to cast a vote on a particular Resolution and the proxy form specifies how the Chairman is to vote on the Resolution (that is, a directed proxy), the Chairman must vote in accordance with that direction.

**In respect of proxies where no voting direction has been given (undirected proxies), the Chairman intends to vote all available proxies in favour of each Resolution.**

In relation to Resolution 1, if the Shareholder has appointed the Chairman as their proxy and no voting direction has been given, the Shareholder will be expressly authorising the Chairman to exercise the undirected proxy in respect of Resolution 1 even though the resolution is connected with the remuneration of members of the KMP of the Company. Please read the directions on the proxy form carefully, especially if you intend to appoint the Chairman of the meeting as your proxy.

### C. Voting Exclusion Statement

In accordance with the Corporations Act and the ASX Listing Rules, the Company will disregard votes cast in favour of resolutions as per the following table:

Resolution	Persons Excluded From Voting
<b>1</b> Remuneration Report	<ul style="list-style-type: none"><li>a member of the Key Management Personnel (KMP) as disclosed in the Remuneration Report; and</li><li>any Closely Related Party of such a member.</li></ul>
<b>3</b> Ratification of previous issue of shares	<ul style="list-style-type: none"><li>any person who participated in the issue of such Shares;</li><li>any of their associates.</li></ul>
<b>4</b> 10% placement capacity	<ul style="list-style-type: none"><li>any person who may participate in any issue of Shares under this resolution;</li><li>any person who might obtain a material benefit, except a benefit solely in the capacity as the holder of Shares, if the resolution is passed; and</li><li>any associate of any such persons.</li></ul>

However, the Company need not disregard a vote in favour of a resolution if:

- it is cast by a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with the directions given to the proxy or attorney; or
- it is cast by the Chair of the meeting as proxy or attorney for a person who is entitled to vote, in accordance with a direction given to the Chair to vote as the Chair decides; or
- it is cast by a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
  - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting on the resolution; and
  - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

### D. Entitlement to vote at the meeting

For the purpose of the meeting, Shares in the Company will be taken to be held by those persons who are registered holders at 7.00 pm (Sydney time) on Monday, 17 November 2025. Accordingly, transactions registered after that time will be disregarded in determining entitlements to attend and vote at the meeting.

### E. Quorum

The Constitution of the Company provides that 4 Shareholders present in person, by proxy, attorney or body corporate representative shall be a quorum for a general meeting.

### F. Appointing a corporate representative

Corporate representatives are requested to bring appropriate evidence of appointments as a representative. Proof of identity will be required for corporate representatives.

### G. Appointment of an attorney

Attorneys are requested to bring a power of attorney pursuant to which they are appointed. Proof of identity will also be required for attorneys.

## EXPLANATORY MEMORANDUM

### ACCOMPANYING THE NOTICE OF AGM TO BE HELD ON 18 NOVEMBER 2025

#### Financial Report

The Financial Report and the reports of the Directors and Auditor will be laid before the meeting in accordance with section 317 of the Corporations Act. Shareholders will be given an opportunity to ask questions or make comments about the management of the Company and may also ask a representative of the Company's Auditor questions relevant to the conduct of the audit and the accounting policies adopted by the Company.

#### 1. Adoption of Remuneration Report

The Company has included in the 2025 Annual Report a detailed Remuneration Report which provides prescribed information relating to remuneration. As required by the Corporations Act, the Remuneration Report is submitted for adoption by a non-binding vote. The Remuneration Report is set out in the 2025 Annual Report and available from the Company's website: [www.marmota.com.au](http://www.marmota.com.au). A reasonable opportunity for discussion of the Remuneration Report will be provided at the meeting.

Shareholders appointing a proxy for this Resolution should note the following:

- (a) If you appoint a member of the Key Management Personnel as your proxy (other than the Chairman) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member as your proxy you must direct the proxy how they are to vote on this Resolution. Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.
- (b) If you appoint the Chairman as your proxy (where he is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member) you do not need to direct your proxy how to vote on this Resolution. However, if you do not direct the Chairman how to vote, you must mark the acknowledgement on the Proxy Form to expressly authorise the Chairman to exercise his discretion in exercising your proxy even though this Resolution is connected directly or indirectly with the remuneration of Key Management Personnel.
- (c) If you appoint any other person as your proxy you do not need to direct your proxy how to vote, and you do not need to tick any further acknowledgement on the proxy form.

**RECOMMENDATION:** *The Board recommends shareholders vote in favour of adopting the Remuneration Report.*

#### 2. Re-election of Mr Aaron Brown as a Director

Mr Brown retires in accordance with the requirements of the Company's Constitution and ASX Listing Rule 14.4, and, being eligible, has offered himself for re-election as a Director.

##### **Mr Aaron Brown BSc (Hons), Geology**

Mr Brown is an exploration geologist with over 20 years' experience, exploring for gold, uranium, copper and nickel across a range of terrains in South Australia (particularly in the Gawler Craton), the Northern Territory and Western Australia. Aaron joined Marmota in January 2018 as Senior Geologist and joined the board as director of exploration in May 2021. Mr Brown has been working together with Dr Kevin Wills in driving the development of the Aurora Tank gold discovery. In his role as Head of Exploration, Marmota has discovered multiple bonanza grades at Aurora Tank (including the new NW flank), bonanza grades at the Greenwood gold and Campfire Bore projects that are part of Marmota's arc of Gawler Gold Deposits, and bonanza grades at the new Muckanippie Titanium discovery.

**RECOMMENDATION:** *The Board (other than the director who is the subject of this resolution) recommends that shareholders vote in favour of Mr Brown's re-election.*

### 3. Ratification of issue of shares on 7 February 2025

Resolution 3 seeks ratification of the allotment and issue by the Company of 90,909,091 Shares at an issue price of \$0.055 per Share issued to sophisticated and professional investors. The Shares were issued within the Company's existing capacity under ASX Listing Rule 7.1. Refer to the Company's Appendix 3B and 2A notices lodged with the ASX on 3 and 7 February 2025, respectively.

#### *Listing Rule 7.1*

ASX Listing Rule 7.1 provides that a company must not, without the approval of holders of ordinary securities and subject to specified exceptions which are not relevant to this Placement, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

#### *Listing Rule 7.4*

ASX Listing Rule 7.4 provides that where the holders of the Company's ordinary securities approve an issue of equity securities after it has been made or agreed to be made, those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1, provided the issue or agreement did not breach Listing Rule 7.1. If shareholders provide approval, then the issue of those securities does not reduce the Company's capacity to issue further Equity Securities (without Shareholder approval) under the Company's 7.1 Placement Capacity.

#### *Effect of Resolution 3*

If Resolution 3 is passed, the shares approved will be excluded in calculating the Company's capacity to issue shares under Listing Rule 7.1, effectively refreshing the number of Equity Securities it can issue without Shareholder approval over the 12 month period following the issue date. If Resolution 3 is not passed, the previous issue will be included in calculating the Company's placement capacity.

#### *Technical information required by ASX Listing Rule 7.4*

Pursuant to and in accordance with ASX Listing Rule 7.4, the following information is provided in relation to the Placement:

- (a) The number of securities: 90,909,091 fully paid ordinary shares issued on 7 February 2025;
- (b) The price at which the securities were issued: \$0.055 per share;
- (c) The terms of the securities:  
The Shares issued were fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) The Placement Shares were allotted and issued to sophisticated and institutional investors including existing shareholders, none of whom were related parties requiring disclosure pursuant to section 7.4 of ASX Guidance Note 21. The Company engaged Alpine Capital Pty Ltd as lead manager to market to and select eligible participants;
- (e) The use of the funds raised: to accelerate the Company's planned drill campaigns, commence titanium metallurgical work at Marmota's new Muckanippie titanium discovery featuring bonanza heavy mineral grades, carry out the Aurora Tank scoping study and maiden gold resource, and working capital;
- (f) Voting exclusion statement: A voting exclusion statement forms part of this notice.

RECOMMENDATION: *The Board recommends that eligible shareholders vote in favour of the ratification of the previous issues of shares and options.*

### 4. Approval of 10% placement capacity

#### 4.1 Background

ASX Listing Rule 7.1A enables eligible entities to issue Equity Securities (as that term is defined in the ASX Listing Rules) up to 10% of the fully paid ordinary securities through placements over a twelve month period after the Annual General Meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1.

An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity. As at the date of this Notice of Meeting, the Company has the capacity to issue 85,018,430 shares under ASX Listing Rule 7.1.

The Company seeks shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility. Resolution 4 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The exact number of Equity Securities (if any) to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to Section 4.2 (c) below). The Company may use funds raised from any 10% Placement Facility for funding specific projects and/or general working capital.

The Directors of the Company believe that Resolution 4 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this resolution.

## 4.2 ASX Listing Rule 7.1.A

### (a) *Shareholder approval*

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

### (b) *Equity Securities*

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has one class of Equity Securities being Shares.

### (c) *Formula for calculating 10% Placement Facility*

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

**A** is the number of fully paid ordinary securities on issue at the commencement of the relevant period,

- (a) plus the number of ordinary securities issued in the relevant period under an exception in rule 7.2 other than exception 9, 16 or 17,
- (b) plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
  - the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
  - the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4,
- (c) plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
  - the agreement was entered into before the commencement of the relevant period; or
  - the agreement or issue was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4,
- (d) plus the number of any other fully paid ordinary securities issued in the relevant period with approval under rule 7.1 or rule 7.4,

Note: This may include fully paid ordinary securities issued in the relevant period under an agreement to issue securities within rule 7.2 exception 17 where the issue is subsequently approved under rule 7.1.

- (e) plus the number of partly paid ordinary securities that became fully paid in the relevant period,
- (f) Less the number of fully paid ordinary securities cancelled in the relevant period;

*Note: A has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.*

**D** is 10%

**E** is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under ASX Listing Rules 7.4.

- (d) **ASX Listing Rule 7.1 and ASX Listing Rule 7.1A**  
The ability of an entity to issue Equity Securities under ASX Listing Rule 7.1A is in addition to the entity's 15% placement capacity under ASX Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to Section 4.2(c) above).

- (e) **Minimum Issue Price**  
Any equity securities issued under rule 7.1A.2 must be in an existing quoted class of the eligible entity's securities issued for cash consideration per security which is not less than 75% of the volume weighted average market price for securities in that class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the securities are to be issued is agreed by the entity and the recipient of the securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the securities are issued.

- (f) **10% Placement Period**  
An approval under this rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:
- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained.
  - (ii) The time and date of the entity's next annual general meeting.
  - (iii) the time and date of the approval by holders of the eligible entity's ordinary securities of a transaction under rule 11.1.2 or 11.2.

#### **4.3 Specific Information required by ASX Listing Rule 7.3A**

Pursuant to and in accordance with ASX Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) **Minimum Price**  
Any equity securities issued under rule 7.1A.2 must be in an existing quoted class of the eligible entity's securities issued for cash consideration per security which is not less than 75% of the volume weighted average market price for securities in that class calculated over the 15 trading days on which trades in that class were recorded immediately before:
- (i) the date on which the price at which the securities are to be issued is agreed by the entity and the recipient of the securities; or
  - (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the securities are issued.

(b) *Risk of Voting Dilution*

If Resolution 4 is approved by the Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company would be diluted as shown in the below table (in the case of unlisted options, only if the unlisted options are exercised). There is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A(2) as at the date of this Notice of Meeting.

The table also shows:

- (i) two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary shares the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro-rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable "A" in ASX Listing Rule 7.1A.2	Dilution			
	Issue Price (per Share)	50% decrease in Deemed Price: 2.65 cents	Deemed Price: 5.3 cents	100% Increase in Deemed Price: 10.6 cents
Current Variable A: 1,178,305,790 Shares	10% Voting Dilution	117,830,579 shares	117,830,579 shares	117,830,579 shares
	Funds Raised	\$3,122,510	\$6,245,021	\$12,490,041
50% increase in current Variable A: 1,767,458,685 Shares	10% Voting Dilution	176,745,868 shares	176,745,868 shares	176,745,868 shares
	Funds Raised	\$4,683,766	\$9,367,531	\$18,735,062
100% increase in current Variable A: 2,356,611,580 Shares	10% Voting Dilution	235,661,158 shares	235,661,158 shares	235,661,158 shares
	Funds Raised	\$6,245,021	\$12,490,041	\$24,980,083

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum securities available under the ASX Listing Rule 7.1A being 10% of the Company's shares on issue at the date of the Meeting;
- (ii) No unlisted options are exercised into fully paid ordinary securities before the date of the issue of securities under ASX Listing Rule 7.1A. The Company has 9,000,000 unlisted options on issue at the date of this Notice of Meeting;

- (iii) The table does not demonstrate an example of dilution that may be caused to a particular shareholder by reason of placements under ASX Listing Rule 7.1A, based on that shareholder's holding at the date of the Meeting;
- (iv) The table only demonstrates the effect of issues of securities under ASX Listing Rule 7.1A. It does not consider placements made under ASX Listing Rule 7.1, the "15% rule";
- (v) The price of ordinary securities is deemed for the purposes of the table above to be \$0.053 cents, being the closing price of the Company's listed securities on ASX on 26 September 2025 (**Deemed Price**). The Deemed Price is indicative only and does not consider the up to 25% discount to market that the securities may be placed at;
- (vi) The table does not take into account resolutions to be put before this Meeting.

(c) *Date of Issue*

The Company will only issue and allot the securities during the 10% Placement Period. An approval under this rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained.
- (ii) the time and date of the entity's next annual general meeting.
- (iii) the time and date of the approval by holders of the eligible entity's ordinary securities of a transaction under rule 11.1.2 or 11.2.

(d) *Purpose of the Issue under the 10% Placement Capacity*

The Company may seek to issue the Equity Securities for the following purposes:

- (i) cash consideration. In such circumstances, the Company intends to use the funds raised towards advancing and growing the Company's Gawler gold project, including transitioning the Aurora Tank gold discovery to production, mining lease application, to develop its titanium discovery at Muckanippie, to advance its Uranium Project at Junction Dam, and working capital requirements.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(e) *Allocation Policy*

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice of Meeting, but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

(f) *Voting Exclusion Statement – ASX Listing Rule 7.3A7*

A voting exclusion statement is included in this Notice.

#### *Effect of Resolution 4*

If this resolution is passed, the Company will be able to access the additional 10% capacity to issue securities without Shareholder approval as provided for in Listing Rule 7.1A, should the Company consider it desirable to do so. If this resolution is not passed, the Company will not be able to access the additional 10% capacity to issue securities without Shareholder approval as provided for in Listing Rule 7.1A.

**RECOMMENDATION:** *The Board recommends shareholders vote in favour of approving the 10% placement capacity.*

## **5. Renewal of Partial Takeover Clause in the Constitution**

### **5.1 General**

Section 648G(1) of the Corporations Act provides that a company's proportional takeover approval provisions, unless sooner omitted from its constitution, cease to apply at the end of 3 years from adoption or renewal as appropriate unless otherwise specified. When the provisions cease to apply, a company's constitution is modified by omitting the provisions.

The Company's Constitution (including the proportional takeover provisions set out in clause 44) was renewed on 24 November 2022. Accordingly, the proportional takeover provisions included in the Constitution will expire unless they are renewed.

Resolution 5 is a special resolution which will enable the Company to renew clause 44 for a period of 3 years from the date of Shareholder approval. It is noted that Shareholder approval will not result in a change to the wording of clause 44. The Company is permitted to seek further Shareholder approval to renew this clause for further periods of up to 3 years on each occasion.

### **5.2 Proportional takeover provisions (clause 44 of Constitution)**

#### **5.2.1 General**

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

The proportional takeover provisions set out in clause 44 of the Constitution provides that a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the *Corporations Act*.

This clause will cease to have effect on the third anniversary of the date of the adoption of the last renewal of the clause.

#### **5.2.2 Information required by section 648G of the *Corporations Act***

##### *Effect of proportional takeover provisions*

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the proportional off-market bid is passed or the deadline for obtaining such approval has passed.

#### *Reasons for proportional takeover provisions*

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle and assist in ensuring that any partial bid is appropriately priced.

#### *Knowledge of any acquisition proposals*

As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

#### *Advantages and disadvantages of proportional takeover provisions during the period in which they have been in effect*

The Directors consider that the proportional takeover provisions had no advantages or disadvantages for them during the period in which they have been in effect. The advantages and disadvantages of the proportional takeover provisions for Shareholders include those set out immediately below, which were applicable during the period in which they have been in effect.

#### *Potential advantages and disadvantages of proportional takeover provisions*

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (b) assisting in preventing Shareholders from being locked in as a minority;
- (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (a) proportional takeover bids may be discouraged;
  - (i) lost opportunity to sell a portion of their Shares at a premium; and
  - (ii) the likelihood of a proportional takeover bid succeeding may be reduced.

#### *5.3 Recommendation of the Board*

The Directors do not believe the potential disadvantages outweigh the potential advantages of renewing the proportional takeover provisions and as a result consider that the renewal of the proportional takeover provision set out in clause 44 of the Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 5.

**RECOMMENDATION:** *The Board recommends shareholders vote in favour of approving the renewal of the partial takeover clause in the Constitution.*

**The Chairman of the Meeting intends to vote undirected proxies:  
FOR each of the Resolutions 1 to 5**
