However, the Company need not disregard a vote if it is cast by the person chairing the Meeting as proxy for a person who is entitled to vote, where the Shareholder does not direct in writing the way the proxy is to vote on this Resolution 4, if the appointment of proxy expressly authorises the Chair to exercise the proxy even if this Resolution 4 is connected directly or indirectly with the remuneration of a member of the KMP for the Company or if the Company is part of a consolidated entity, of the entity.

### Voting intention of the Chair

Shareholders should be aware that any undirected proxies given to the Chair will be cast by the Chair and counted in favour of the Resolutions the subject of this Meeting, including Resolution 4, subject to compliance with the Corporations Act. In exceptional circumstances, the Chair may change his/her voting intention on any Resolution, in which case an ASX announcement will be made. ## 4. Resolution 2 – Re-Election of Linda Hale as a Director

---

### 4.1 General

In accordance with Rule 19.3(b) of the Company's Constitution and ASX Listing Rule 14.4, no Director who is not a managing director may hold office without re-election beyond the third annual general meeting following the meeting at which the Director was last elected or re-elected or three years, whichever is longer. Rules 19.3(a) and 19.3(d) of the Constitution further provide that if no director is required to retire under Rule 19.3(b) then the director who has been longest in office since last being elected must retire and as between directors who were elected on the same day the director to retire may be agreed by these directors.

Ms Hale was first elected as a director at the Company's 2023 annual general meeting. She therefore retires at the annual general meeting in accordance with the Constitution and, being eligible, has offered herself for re-election at the meeting.

Ms Hale has over 30 years' experience in the mining, stockbroking and financial service sectors. Prior to joining the Board, Ms. Hale was Company Secretary at the Company from 20 February 2020 until her resignation on 31 January 2023. Previous roles have included Executive Director of Finance and Administration and Company Secretary for CIBC Eyres Reed. She has also consulted on organisational change and held project management roles. Ms. Hale holds a Bachelor of Business, is a member of CPA Australia and a graduate of the Australian Institute of Company Directors.

If Resolution 2 is passed, Ms Hale will be elected as a Director of the Company. If Resolution 2 is not passed, Ms Hale will not be elected as a Director of the Company.

### 4.2 Directors' recommendation

The Directors (with Ms Hale abstaining) recommend that Shareholders vote in favour of Resolution 2. The Chair intends to exercise all undirected proxies in favour of Resolution 2.

## 5. Resolution 3 – Approval to issue Incentives to Aaron Colleran

---

### 5.1 General

The Company is proposing, subject to obtaining Shareholder approval, to issue up to a total of 3,245,750 Incentives to Aaron Colleran (or his nominees).

The Company is at an important stage of growth with the expansion of the Eloise mine and development of the Jericho deposit, and the proposed issue of Incentives seeks to align the efforts of Mr Colleran to achieving the key objectives of the Company through this critical phase and the resultant creation of Shareholder value. In addition, the Board believes it is important

# Explanatory Memorandum

to offer these Incentives to continue to retain a highly experienced and qualified executive of Mr Colleran's calibre in a competitive market whilst conserving the Company's available cash reserves.

The Incentives are to be issued under the Company's Incentive Plan, the terms of which are summarised in Schedule 1.

The terms and conditions of the issue of Incentives to Mr Colleran are set out in Schedule 2, including the applicable vesting conditions.

Resolution 3 seeks Shareholder approval pursuant to Listing Rule 10.14 for the issue of up to a total of 3,245,750 Incentives under the Incentive Plan to Mr Colleran (or his nominees) (**Issue**).

## 5.2 Listing Rule 10.14

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire Equity Securities under an employee incentive scheme:

- (a) a Director of the Company (Listing Rule 10.14.1);
- (b) an associate of a Director of the Company (Listing Rule 10.14.2); or
- (c) a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its Shareholders (Listing Rule 10.14.3),

unless it obtains the approval of its Shareholders.

The Issue falls within Listing Rule 10.14.1 (or Listing Rule 10.14.2 if Mr Colleran elects for the Incentives to be granted to his nominee) and therefore requires the approval of Shareholders under Listing Rule 10.14.

Resolution 3 seeks the required Shareholder approval to the Issue under and for the purposes of Listing Rule 10.14. As Shareholder approval is sought under Listing Rule 10.14, approval under Listing Rule 7.1 or 10.11 is not required.

If Resolution 3 is passed, the Company will be able to proceed with the issue of up to 3,245,750 Incentives to Mr Colleran (or his nominee).

If Resolution 3 is not passed, the Company will not be able to proceed with the issue of 3,245,750 Incentives to Mr Colleran (or his nominees) and the Company will need to agree alternative remuneration incentives with Mr Colleran.

## 5.3 Technical information required by Listing Rule 10.15

Pursuant to and in accordance with Listing Rule 10.15, the Company advises:

- (a) the Incentives will be issued under the Incentive Plan to Mr Colleran (or his nominees), a Director of the Company;
- (b) Mr Colleran is a related party of the Company by virtue of being a Director and falls into the category stipulated by Listing Rule 10.14.1 (Mr Colleran's nominees, if applicable, would fall within Listing Rule 10.14.2 as his associates);
- (c) the maximum number of Incentives to be issued to Mr Colleran (or his nominees) is 3,245,750;
- (d) Mr Colleran's current total remuneration package as at the date of this Notice is \$700,000 per annum (inclusive of superannuation) although he has agreed to defer \$200,000 of his fixed remuneration in FY26. The deferred amount will be paid in two equal

# Explanatory Memorandum

instalments, the first in January 2026 and the second in July 2026 subject to the achievement of certain Group cash balance targets. Mr Colleran is also eligible for a Short Term Incentive Bonus (**STI**) as set out in the Remuneration Report. Mr Colleran has been awarded an STI payment of \$392,000 for the period ended 30 June 2025;

- (e) 15,328,609 Incentives have previously been issued to Mr Colleran under the Company's Incentive Plan for a nil acquisition price. As at 30 June 2025, as disclosed in the Remuneration Report, Mr Colleran held 11,640,538 Incentives. Subsequent to the FY25 year end, Mr Colleran exercised 1,000,000 Incentives. He, therefore, currently holds 10,640,538 Incentives.
- (f) the Incentives will be issued on the terms and conditions contained in Schedule 2;
- (g) the Board considers that Incentives, rather than Shares, are an appropriate form of incentive because they reward the achievement of financial and non-financial business objectives over a multi-year period and the holder will only obtain the value of the Incentives upon satisfaction of the relevant milestones;
- (h) the Company attributes a value of \$958,924 to the 3,245,750 Incentives. The valuation was conducted by an independent party using a combination of Monte Carlo (for the market based hurdles such as Total Shareholder Return) and Black-Scholes-Merton (for non-market based hurdles such as the growth in Cu reserves and resources, and production target) valuation methodologies. The assumptions underlying the valuation of the Incentives are described in the tables below:

## 5.4 Chapter 2E of the Corporations Act

In accordance with section 208 of the Corporations Act, the Company must obtain Shareholder approval to give a Financial Benefit to a related party unless an exception applies.

The issue of the Incentives constitutes the giving of a Financial Benefit and Mr Colleran is a related party of the Company by virtue of being a Director.

Section 211 of the Corporations Act provides an exception to the requirement to obtain Shareholder approval for giving a Financial Benefit to a related party if:

- (a) the benefit is remuneration of a related party as an officer (including a Director) of the company; and
- (b) to give the remuneration would be reasonable given the circumstances.

The Board (excluding Mr Colleran, in light of his personal interest in the Resolution) considers that the proposed issue of Incentives is reasonable in all the circumstances and that the exception in section 211 of the Corporations Act applies. Accordingly, the Board (excluding Mr Colleran) considers that Shareholder approval under section 208 of the Corporations Act is not required for the proposed issue of Incentives.

## 5.5 Board recommendation

The Board (other than Mr Colleran who has a personal interest in the outcome of the Resolution) recommends that Shareholders vote in favour of Resolution 3. The Chair intends to exercise all undirected proxies in favour of Resolution 3.

# Explanatory Memorandum

## 6. Resolution 4 - Renewal of Equity Participation Plan

---

### 6.1 Introduction

Pursuant to Resolution 4, the Company is seeking to renew the approval of Shareholders for the adoption of the Company's Equity Participation Plan (**Incentive Plan**) as an exception under Listing Rule 7.2 Exception 13(b) which would enable securities issued under the Incentive Plan (which are not otherwise subject to Shareholder approval) over the next three years to be excluded from the calculation of the number of securities issued for the purposes of Listing Rule 7.1.

### 6.2 Background

At the Company's 2023 AGM, the Company obtained Shareholder approval to grant Incentives, and issue Shares upon the exercise or vesting of the Incentives, under the terms of the Incentive Plan up to a maximum of 26,000,000 securities (**2023 Capacity**).

As at the date of this Notice, the Company has issued 19,476,067 incentives under the 2023 Capacity. This does not include the Incentives proposed to be issued to Aaron Colleran that are the subject of Resolution 3. The Company will issue the balance of the Incentives under the 2023 Capacity prior to the renewal of the Incentive Plan (that is the subject of Resolution 4) taking effect. Assuming Resolution 4 is approved, the Company will issue the balance of the 2023 Capacity and then retain capacity to issue a further 30,000,000 Incentives to Eligible Persons that do not otherwise require shareholder approval under the Listing Rules.

The Directors consider that it is desirable to maintain an equity incentive scheme under which Eligible Persons may be offered the opportunity to subscribe for Incentives in order to strengthen links between the Company and its employees.

The Incentive Plan is designed to provide Incentives to Eligible Persons and to recognise their contribution to the Company's success. Under the Company's current circumstances, the Directors consider that the Incentives to Eligible Persons are a cost effective and efficient incentive for the Company as opposed to alternative forms of incentives such as higher cash bonuses or increased remuneration.

To enable the Company to secure Eligible Persons who can assist the Company in achieving its objectives, it is necessary to provide remuneration and Incentives to such personnel. The Incentive Plan is designed to achieve this objective, by encouraging continued improvement in performance over time and by encouraging Eligible Persons to acquire and retain significant shareholdings in the Company.

The purpose of the Incentive Plan is to:

- (a) assist in the attraction, retention, reward and motivation of Eligible Persons;
- (b) link the reward of Eligible Persons to longer term performance and the creation of shareholder value;
- (c) align the interests of Eligible Persons more closely with the interests of shareholders by providing an opportunity for Eligible Persons to receive an equity interest in the form of options, performance rights and Shares;
- (d) provide Eligible Persons with the opportunity to share in any future growth in the value of the Company; and
- (e) provide greater incentive for Eligible Persons to focus on the Company's longer term goals.

The Company seeks approval to maintain the Incentive Plan.

## Listing Rules

Listing Rule 7.1 allows the Company to issue a maximum of 15% of its capital in any 12 month period without requiring Shareholder approval (**15% Placement Capacity**).

Listing Rule 7.2 provides certain exceptions to Listing Rule 7.1, allowing certain issues of securities to be excluded from the calculation of the number of securities issued during the 12 month period. Exception 13(b) of Listing Rule 7.2 provides that Listing Rule 7.1 does not apply to securities issued under an employee incentive plan, if within three years before the date of issue, Shareholders have approved the issue of securities under the Incentive Plan as an exception to Listing Rule 7.1.

Resolution 4 proposes that Shareholders consider and renew the approval of the Incentive Plan in accordance with Listing Rule 7.2 (Exception 13), which would enable securities issued under the Incentive Plan over the next three years to be excluded from the calculation of the number of securities under the Company's 15% Placement Capacity for the purposes of Listing Rule 7.1.

If Resolution 4 is passed, the Company will be able to issue securities under the Incentive Plan to Eligible Persons (provided such Eligible Persons, for example Aaron Colleran, would not require Shareholder approval pursuant to Chapter 10 of the Listing Rules) over a period of three years up to a nominated maximum amount without using the Company's 15% Placement Capacity under Listing Rule 7.1. If Resolution 4 is not passed, the Company will not be able to issue securities under the Incentive Plan in excess of the previously approved maximum amount to Eligible Persons without using the Company's 15% Placement Capacity limit under Listing Rule 7.1, effectively decreasing the number of securities the Company can issue or agree to issue without obtaining Shareholder approval over the 12 month period following any such issue.

### 6.3 Key features of the Incentive Plan

A copy of the Incentive Plan is available on the Company's website at <https://www.aicmines.com.au/careers/employee-documents/>. A summary of the key features of the Incentive Plan is set out in Schedule 1. The terms of the Incentive Plan remain unchanged from those approved by Shareholders at the 2022 AGM and re-approved by Shareholders at the 2023 AGM.

The Company is seeking approval under Listing Rule 7.2, Exception 13(b) to exempt grants of options, performance rights or other incentives in the form of shares to employees who are not related parties under Chapter 10 of the Listing Rules (as well as any Shares which are issued as result of any exercise of such options or performance rights) under the Incentive Plan from being counted as part of the Company's 15% Placement Capacity for the next three years to provide it with flexibility to continue remunerating its employees fairly and responsibly, and in a manner that encourages long term performance for Shareholders.

### 6.4 Requirement for Shareholder approval under Listing Rule 7.2

In the absence of approval under Listing Rule 7.2, Exception 13(b), grants of options, performance rights or other incentives in the form of shares to employees under the Incentive Plan may still occur after 19 November 2025 but those in excess of the 26,000,000 securities approved at the 2023 AGM will be counted as part of the Company's 15% Placement Capacity which would otherwise apply during a 12 month period (as set out in Listing Rule 7.1).

In accordance with Listing Rule 7.2, Exception 13(b), the following information is provided to Shareholders:

- (a) a summary of the terms of the Incentive Plan is set out in Schedule 1. The terms of the Incentive Plan are the same as those approved by Shareholders at the Company's 2022 AGM and re-approved at the Company's 2023 AGM.
- (b) As at the date of this Notice, a total of 19,476,067 Incentives in the form of performance rights have been granted under the 2023 Capacity since its approval at the 2023 AGM.

# Explanatory Memorandum

When (and if) the remaining 6,523,933 Incentives are approved by the Board to be issued under the 2023 Capacity, they will be issued prior to the renewal of the capacity (the subject of Resolution 4) under the Incentive Plan taking effect.

- (c) if Shareholders approve Resolution 4, the maximum number of securities proposed to be used under the Incentive Plan following its renewal taking effect and within the three year period (commencing on 19 November 2025) is 30,000,000, however this is an estimate only so as to illustrate a maximum. It is not envisaged 30,000,000 securities will be issued immediately. The grant of the Incentives is discretionary and the Board may resolve not to grant Eligible Persons some or all of the Incentives for which they are eligible.
- (d) A voting exclusion statement for Resolution 4 is included in the Notice.

## 6.5 Directors' recommendation

As each of the Directors may be eligible to participate in the Incentive Plan, the Directors make no recommendation as to how Shareholders should vote in on Resolution 4. The Chair of the Meeting intends to vote undirected proxies in favour of Resolution 4.

## 7. Resolution 5 - Appointment of auditor

---

### 7.1 Explanation

Following the consent of the Australian Securities and Investments Commission to the resignation of PricewaterhouseCoopers (**PWC**), the previous auditor of the Company, on 21 May 2025 the Directors appointed KPMG as the Company's auditor. The change in auditor followed a review of the Company's external audit arrangements, with KPMG selected based on its industry expertise and competitive fee structure.

Following the above appointment, KPMG holds office as auditor of the Company until the Company's next Annual General Meeting, being the Meeting the subject of this Notice of Meeting.

In accordance with section 327B of the Corporations Act, this appointment must now be confirmed by Shareholders at the Meeting.

In accordance with section 328B of the Corporations Act 2001, notice in writing nominating KPMG as auditor has been given to the Company by a Shareholder. A copy of this notice is attached to this Notice of Meeting as Annexure A.

KPMG has provided to the Company, and has not withdrawn, its written consent to act as auditor of the Company, in accordance with section 328A(1) of the Corporations Act.
