A Shareholder who is entitled to cast two or more votes may appoint two proxies and may specify the proportion, or number, of votes which each proxy is entitled to exercise. If no proportion or number is specified, each proxy may exercise up to half of the Shareholder's votes.

Shareholders and their proxies should be aware that:

- (a) if a proxy votes, they must cast all directed proxies as directed; and
- (b) any directed proxies which are not voted will automatically default to the Chair, which must vote the proxies as directed.

To vote by proxy, you must complete and lodge the Proxy Form using one of the following methods:

Online	Lodge the Proxy Form online at www.investorvote.com.au
By post	Computershare Investor Services Pty Limited GPO Box 242 Melbourne VIC 3001 Australia

For details on how to complete and lodge the Proxy Form, please refer to the instructions on the Proxy Form.

For your proxy appointment to be effective, it must be received by the Company not less than 48 hours before the Annual General Meeting (i.e. by 11:00 a.m. (Adelaide time) on Tuesday, 18 November 2025). Proxy Forms received later than this time will be invalid.

A proxy may decide whether to vote on an item of business, except where the proxy is required by law or the Constitution to vote, or abstain from voting in his or her capacity as proxy. If a proxy is directed how to vote on an item of business, the proxy may only vote on the item as directed. If a proxy is not directed how to vote on an item of business, the proxy may vote as he or she thinks fit.

If you appoint the Chair as your proxy but do not direct the Chair on how to vote, then by completing and submitting your voting instructions you are expressly authorising the Chair to vote in favour of each item of business, even where an item of business is directly or indirectly connected to the remuneration of a member of the Key Management Personnel of the Company. The Chair intends to vote all available (including undirected) proxies in favour of all Resolutions, subject to the applicable voting exclusions and prohibitions.

You cannot lodge a direct vote and appoint a proxy for the same voting rights. The appointment of one or more duly appointed proxies will not preclude a Shareholder from attending the Annual General Meeting and voting personally. If the Shareholder votes on a Resolution, the proxy must not vote as the Shareholder's proxy on that Resolution.

1.1 Purpose of Resolution

The 2025 Annual Report for the financial year ended 30 June 2025 includes the report of the Directors (**Directors' Report**), the auditor's report (**Auditor's Report**) and the financial report (which includes the financial statements and Directors' declaration) (**Financial Report**).

The Corporations Act requires that the Directors' Report, the Auditor's Report and the Financial Report be laid before the Annual General Meeting.

Apart from the matters involving remuneration which are required to be voted upon, neither the Corporations Act nor the Company's Constitution requires a vote of Shareholders at the Annual General Meeting on the 2025 Annual Report.

1.2 Questions to the Chair

Shareholders will be given reasonable opportunity at the meeting to raise questions and make comments on the 2025 Annual Report.

In addition to asking questions at the Annual General Meeting, Shareholders may address written questions to the Chair about the management of the Company or to the Company's auditor, Justin Humphrey of Grant Thornton, if the question is relevant to:

- the content of the Auditor's Report; or
- the conduct of its audit of the Financial Report to be considered at the Annual General Meeting.

Note: Under section 250PA(1) of the Corporations Act, a Shareholder must submit the question to the auditor by giving the question to the Company no later than the fifth business day before the day on which the Annual General Meeting is held.

2. Resolution 1: Adoption of Remuneration Report

2.1 Purpose of Resolution

The Remuneration Report of the Company for the financial year ended 30 June 2025 is set out in the Directors' Report contained in the 2025 Annual Report.

The Remuneration Report sets out the Company's remuneration arrangements for the executive and non-executive Directors and executive employees of the Company.

Section 250R(2) of the Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report of a company be adopted must be put to a vote.

A reasonable opportunity will be given for the discussion of the Remuneration Report at the Annual General Meeting.

This Resolution is an ordinary resolution and so requires the approval of more than 50% of the votes cast by Shareholders.

2.2 Voting consequences

In accordance with the Corporations Act, the vote on this Resolution is advisory only and does not bind the Company.

However, Part 2G.2, Division 9 of the Corporations Act provides that if at least 25% of the votes cast on this Resolution are voted against the adoption of the Remuneration Report at the Annual General Meeting, then:

- if comments are made on the Remuneration Report at the Annual General Meeting, the Company's Remuneration Report for the next financial year will be required to include an explanation of the Board's proposed action in response or, if no action is proposed, the Board's reason for this; and
- if at the next Annual General Meeting, at least 25% of the votes cast on the resolution for adoption of the Remuneration Report are against such adoption, the Company will be required to put to Shareholders a resolution proposing that a general meeting be called to consider the election of Directors of the Company (**Spill Resolution**). If a Spill Resolution is passed, all of the Directors, other than the managing director, will cease to hold office at the subsequent general meeting, unless re-elected at that meeting.

2.3 Voting exclusion and Directors' recommendations

As set out in Resolution 1, a voting prohibition statement applies with respect to the voting on this Resolution by certain persons connected to the Company.

What this means for Shareholders: If you intend to appoint a member of the Key Management Personnel (such as one of the Directors) as your proxy, please ensure that you direct them how to vote on Resolution 1. If you intend to appoint the Chair of the Annual General Meeting as your proxy, you can direct the Chair how to vote by marking the boxes for Resolution 1 (for example, if you wish to vote for, against or abstain from voting), or you can choose not to mark any of the boxes for Resolution 1 and give the Chair your express authority to vote your undirected proxy (in which case the Chair will vote in favour of this item of business).

As the Resolution relates to matters including the remuneration of the Directors, the Board, as a matter of corporate governance and in accordance with section 250R(2) of the Corporations Act, makes no recommendations regarding this Resolution.

Resolution 1 is an ordinary resolution and so requires the approval of more than 50% of the votes cast by Shareholders.

The Chair of the Annual General Meeting intends to vote undirected proxies in favour of Resolution 1, subject to compliance with the Corporations Act.

3. Resolution 2: Re-election of Dirk van Dissel

3.1 Purpose of Resolution

In accordance with section 19.2(a) of the Constitution, Mr Dirk van Dissel was appointed as a Director of the Company by Board resolution on 29 September 2025 to fill a casual vacancy.

Mr van Dissel retires from office under ASX Listing Rule 14.4 and rule 19.2(b) of the Constitution and stands for re-election.

3.2 The law

This Resolution is required as rule 19.2(b) of the Company's Constitution provides that a director appointed as a casual vacancy under rule 19.2, who is not a managing director, holds office until the conclusion of the next annual general meeting following his or her appointment.

Further, ASX Listing Rule 14.4 provides that a director (other than the managing director) appointed to fill a casual vacancy or as an addition to the board must not hold office (without re-election) past the next annual general meeting of the company.

3.3 Director resume

Mr Dirk van Dissel has more than 20 years' experience in private equity, boutique investment banking and stockbroking. He has provided corporate advisory services and equity capital markets solutions to micro-cap and small-cap companies across the life sciences (biotechnology and healthcare), industrial technology, information and mobile technology, and resources sectors.

Mr van Dissel has particular expertise in the identification and evaluation of early-stage healthcare projects, and has extensive experience in capital raising for both ASX-listed and unlisted companies. He has also advised on numerous buy-side and sell-side transactions.

3.4 Director independence

The Board considers that Mr Dirk van Dissel is free from any business or any other relationship that could materially interfere with, or reasonably be perceived to interfere with, the exercise of his

unfettered and independent judgement and is able to fulfil the role of independent Director for the purpose of the ASX Recommendations.

3.5 Directors' recommendations and interests

The Board (with Mr van Dissel abstaining) recommends that Shareholders vote in favour of Resolution 2.

Resolution 2 is an ordinary resolution and so requires the approval of more than 50% of the votes cast by Shareholders.

The Chair of the Annual General Meeting intends to vote undirected proxies in favour of Resolution 2.

4. Resolution 3: Ratification of prior issue of Tranche 1 Placement Shares issued under ASX Listing Rule 7.1

4.1 General

On 1 October 2025, the Company announced that it had received firm commitments for a two-tranche placement of 100,000,000 new Shares in the Company, to sophisticated and institutional investors, at a price of \$0.012 per Share (**Placement**) to raise approximately \$1.2 million (before costs).

The Shares issued under the Placement are to be issued in two tranches:

- (a) On 8 October 2025, 33,647,583 Shares were issued to professional and sophisticated investors to raise \$403,771 (before costs) (**Tranche 1 Placement Shares**).
 - (b) On or around 21 November 2025, the Company proposes to issue 66,352,417 Shares to raise \$796,229, subject to receiving Shareholder approval (**Tranche 2 Placement Shares**),
- (collectively, the **Placement Shares**).

A portion of the Tranche 1 Placement Shares, being 13,788,550 Tranche 1 Placement Shares, were issued within the Company's 15% annual limit permitted under ASX Listing Rule 7.1 without the need for Shareholder approval. However, the Company is now seeking Shareholder approval and ratification for the prior issue of the 13,788,550 Tranche 1 Placement Shares pursuant to ASX Listing Rule 7.4.

4.2 ASX Listing Rules 7.1 and 7.4

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of the 13,788,550 Tranche 1 Placement Shares does not fit within any of the exceptions listed in ASX Listing Rule 7.2 and, as it has not yet been approved by the Company's Shareholders, it effectively uses up the 15% limit in ASX Listing Rule 7.1. This reduces the Company's capacity to issue further Equity Securities without Shareholder approval under ASX Listing Rule 7.1 for the 12 month period following the date of issue of the 13,788,550 Tranche 1 Placement Shares (**Issue Date**).

ASX Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the Company's capacity to issue further Equity Securities without Shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities in the future without having to obtain Shareholder approval for such issue under ASX Listing Rule 7.1. Accordingly, the Company is seeking ratification by Shareholders for the prior issue of the

13,788,550 Tranche 1 Placement Shares so that they do not reduce the Company's 15% limit in the next 12 months after the Issue Date, thereby providing the Company with greater flexibility in managing its future capital requirements.

4.3 Effect of Shareholder approval (information required under ASX Listing Rule 14.1A)

If Resolution 3 is passed, the issue of the 13,788,550 Tranche 1 Placement Shares will be excluded in calculating the Company's 15% limit under ASX Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12 month period following the Issue Date.

If Resolution 3 is not passed, the issue of the 13,788,550 Tranche 1 Placement Shares will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12 month period following the Issue Date.

4.4 Information required by ASX Listing Rule 7.5

For the purposes of ASX Listing Rule 7.5, information regarding the issue of the 13,788,550 Tranche 1 Placement Shares is provided as follows:

The names of the persons to whom the Company will issue the securities 7.5.1	<p>The Tranche 1 Placement Shares outlined above were issued to professional and sophisticated investors who are exempt from the disclosure requirements under Chapter 6D of the Corporations Act and who were identified through a bookbuild process which involved the Company's lead manager, Taylor Collison Limited, seeking expressions of interest to participate in the Placement from non-related parties of the Company.</p> <p>For the avoidance of doubt, none of the recipients were issued more than 1% of the Company's current issued capital who were:</p> <ul style="list-style-type: none"> • A member of the key management personnel; • A substantial holder of the entity; • An adviser of the entity; or • An associate of any of the above.

4.5 Recommendation and voting requirements

The Directors recommend that Shareholders approve Resolution 3.

Resolution 3 is an ordinary resolution and so requires the approval of more than 50% of the votes cast by Shareholders.

The Chair of the Annual General Meeting intends to vote all available undirected proxies in favour of Resolution 3.

5. Resolution 4: Ratification of prior issue of Tranche 1 Placement Shares issued under ASX Listing Rule 7.1A

5.1 General

A summary of the Placement is set out in section 4.1 above.

A portion of the Tranche 1 Placement Shares, being 19,859,033 of the Tranche 1 Placement Shares, were issued within the Company’s additional 10% Placement Facility under ASX Listing Rule 7.1A which was approved by Shareholders at the 2024 Annual General Meeting.

5.2 ASX Listing Rules 7.1, 7.1A and 7.4

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under ASX Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% (**10% Placement Facility**). The Company sought, and received approval, for this 10% Placement Facility at the 2024 Annual General Meeting.

ASX Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1A and does not impact upon the Company’s ability to issue further Equity Securities under ASX Listing Rule 7.1A in the 12 month period following the date of issue of the 19,859,033 Tranche 1 Placement Shares (**Issue Date**).

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities in the future without having to obtain Shareholder approval for such issue under ASX Listing Rule 7.1A. Accordingly, the Company is seeking ratification by Shareholders for the prior issue of the 19,859,033 Tranche 1 Placement Shares so that they do not reduce the Company’s 10% Placement

Facility after the Issue Date, thereby providing the Company with greater flexibility in managing its future capital requirements.

5.3 Effect of Shareholder approval (information required under ASX Listing Rule 14.1A)

If Resolution 4 is passed, the issue of the 19,859,033 Tranche 1 Placement Shares will be excluded in calculating the Company's 10% Placement Facility under ASX Listing Rule 7.1A, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the Issue Date.

If Resolution 4 is not passed, the issue of the 19,859,033 Tranche 1 Placement Shares will be included in calculating the Company's 10% Placement Facility under ASX Listing Rule 7.1A, effectively decreasing the number of Equity Securities it can issue without Shareholder approval for the 12-month period following the Issue Date.

5.4 Information required by ASX Listing Rule 7.5

For the purposes of Listing Rule 7.5, information regarding the issue of the 19,859,033 Tranche 1 Placement Shares is provided as follows:

The names of the persons to whom the Company will issue the securities 7.5.1	<p>The Tranche 1 Placement Shares outlined above were issued to professional and sophisticated investors who are exempt from the disclosure requirements under Chapter 6D of the Corporations Act and who were identified through a bookbuild process which involved the Company's lead manager, Taylor Collison Limited, seeking expressions of interest to participate in the Placement from non-related parties of the Company.</p> <p>For the avoidance of doubt, none of the recipients were issued more than 1% of the Company's current issued capital who were:</p> <ul style="list-style-type: none"> • A member of the key management personnel; • A substantial holder of the entity; • An adviser of the entity; or • An associate of any of the above.
The number and class of securities issued 7.5.2	<p>The 19,859,033 Tranche 1 Placement Shares (being a portion of Tranche 1 Placement Shares), which are fully paid ordinary shares in the Company, were issued by the Company pursuant to ASX Listing Rule 7.1A.</p>

The issue price 7.5.5	<p>The issue price was \$0.012 per Tranche 1 Placement Share, being \$238,308 in total before costs.</p>
The purpose of the issue, including the intended use of the funds raised 7.5.6	<p>Funds from the Tranche 1 Placement above will be used to fund the Company's Anti-Obesity Project, for general working capital and costs associated with due diligence on other opportunities, as well as the Placement costs.</p>

<p>If the securities were issued under an agreement, a summary of the material terms of the agreement</p> <p>7.5.7</p>	<p>The Tranche 1 Placement Shares above were issued under a term sheet that detailed:</p> <ul style="list-style-type: none"> the price of each Tranche 1 Placement Share; and the proposed issue date of each Tranche 1 Placement Share.

5.5 Recommendation and voting requirements

The Directors recommend that Shareholders approve Resolution 4.

Resolution 4 is an ordinary resolution and so requires the approval of more than 50% of the votes cast by Shareholders.

The Chair of the Annual General Meeting intends to vote all available undirected proxies in favour of Resolution 4.

6. Resolution 5: Approval of issue of Tranche 2 Placement Shares under ASX Listing Rule 7.1

6.1 General

A summary of the Placement is set out in section 4.1 above.

Pursuant to the Placement, and subject to Shareholder approval, the Company intends to issue the Tranche 2 Placement Shares, being 66,352,417 Shares, to professional and sophisticated investors to raise a further \$796,229 (before costs).

Resolution 5 seeks Shareholder approval pursuant to ASX Listing Rule for the issue of the Tranche 2 Placement Shares.

6.2 ASX Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The proposed issue of the Tranche 2 Placement Shares does not fall within any of the exceptions under ASX Listing Rule 7.2 and exceeds the 15% limit in ASX Listing Rule 7.1. It therefore requires the approval of the Company's Shareholders under ASX Listing Rule 7.1.

Resolution 5 seeks the required Shareholder approval for the issue of the Tranche 2 Placement Shares under and for the purposes of ASX Listing Rule 7.1.

6.3 Effect of Shareholder approval (information required under ASX Listing Rule 14.1A)

If Resolution 5 is passed, the Company will be able to proceed with the issue of the Tranche 2 Placement Shares. In addition, the issue of the Tranche 2 Placement Shares will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under ASX Listing Rule 7.1.

If Resolution 5 is not passed, the Company will not be able to proceed with the issue of the Tranche 2 Placement Shares.

6.5 Recommendation and voting requirements

The Board recommends that Shareholders approve Resolution 5.

Resolution 5 is an ordinary resolution and so requires the approval of more than 50% of the votes cast by Shareholders.

The Chair of the Annual General Meeting intends to vote all available undirected proxies in favour of Resolution 5.

7. Resolutions 6 and 7 (inclusive): Approval of issue of Tranche 2 Placement Shares to Related Parties, Dr David Brookes and Mr Dirk van Dissel, under ASX Listing Rule 10.11

7.1 General

A summary of the Placement is set out in section 4.1 above.

The Placement included a commitment by Directors, Dr David Brookes and Mr Dirk van Dissel, to participate in the capital raise on the same terms as all the other investors, subject to the Company obtaining Shareholder approval for the issue.

The issue of the Tranche 2 Placement Shares, being a total of 66,352,417 Shares, is the subject of Shareholder approval in Resolution 5.

Resolutions 6 and 7 seek Shareholder approval for the Tranche 2 Placement Shares that are to be issued to Dr David Brookes and Mr Dirk van Dissel who are Related Parties of the Company by virtue of being Directors of the Company. The Company proposes to issue 3,333,333 Tranche 2 Placement Shares to each of Dr David Brookes and Mr Dirk van Dissel (or their nominees) (**Placement Participation**).

7.2 Regulatory requirements

ASX Listing Rule 10.11

ASX Listing Rule 10.11 requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a director of the entity, an associate of the director, or a person whose relationship with the entity, director or associate of the director is, in ASX's opinion, such that approval should be obtained, unless an exception in ASX Listing Rule 10.12 applies.

As the Placement Participation involves the issue of Tranche 2 Placement Shares to Related Parties of the Company, Shareholder approval pursuant to ASX Listing Rule 10.11 is required unless an exception applies. Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Tranche 2 Placement Shares constitutes giving a financial benefit and each of Dr David Brookes and Mr Dirk van Dissel are a Related Party of the Company by virtue of being Directors.

As it is proposed that the Tranche 2 Placement Shares are to be issued to two of the three Directors, the Directors have been unable to form a quorum to consider whether one of the exceptions set out in sections 210 to 216 of the Corporations Act or ASX Listing Rule 10.12 applies to these issues. Accordingly, Shareholder approval is sought for the issue of the Tranche 2 Placement Shares to Dr David Brookes and Mr Dirk van Dissel in accordance with section 195(4) of the Corporations Act.

Section 195 of the Corporations Act

Section 195 of the Corporations Act essentially provides that a director of a public company may not vote or be present during meetings of directors when matters in which that director holds a “material personal interest” are being considered.

Two of the three Directors have a material personal interest in the outcome of Resolutions 6 and 7 and, as such, the Directors have not been able to form a quorum at a Directors meeting which is necessary to carry out the terms of Resolutions 6 and 7. The Directors have accordingly exercised their right under section 195(4) of the Corporations Act to put Resolutions 6 and 7 to the Shareholders to resolve.

7.3 Effect of Shareholder approval (information required under ASX Listing Rule 14.1A)

If Resolutions 6 and 7 are passed, the Company will be able to proceed with the issue of the Tranche 2 Placement Shares to those Related Parties of the Company. In addition, the issue of those Tranche 2 Placement Shares will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under ASX Listing Rule 7.1.

If any of Resolutions 6 and 7 are not passed, the Company will not be able to proceed with the issue of those Tranche 2 Placement Shares to those Related Parties.

7.4 Information required pursuant to ASX Listing Rule 10.13 and Chapter 2E of the Corporations Act

7.5 Recommendation and voting requirements

The Directors recommend that Shareholders approve Resolutions 6 and 7.

Resolutions 6 and 7 are ordinary resolutions and so require the approval of more than 50% of the votes cast by Shareholders.

8. Resolution 8: Approval to issue Advisor Options under ASX Listing Rule 7.1

8.1 General

The Company intends to issue a total of 4,000,000 unlisted Options to Taylor Collison Limited exercisable at \$0.025 per Option on or before the date which is 3 years from the date of issue (**Advisor Options**).

The Advisor Options are to be issued in consideration for the work completed by Taylor Collison Limited in connection with the Placement.

8.2 ASX Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The proposed issue of the Advisor Options does not fall within any of the exceptions under ASX Listing Rule 7.2 and exceeds the 15% limit in ASX Listing Rule 7.1. It therefore requires the approval of the Company's Shareholders under ASX Listing Rule 7.1.

Resolution 8 seeks the required Shareholder approval for the issue of the Advisor Options under and for the purposes of ASX Listing Rule 7.1.

8.3 Effect of Shareholder approval (information required under ASX Listing Rule 14.1A)

If Resolution 8 is passed, the Company will be able to proceed with the issue of the Advisor Options. In addition, the issue of the Advisor Options will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under ASX Listing Rule 7.1.

If Resolution 8 is not passed, the Company will not be able to proceed with the issue of the Advisor Options.

8.5 Recommendation and voting requirements

The Board recommends that Shareholders approve Resolution 8.

Resolution 8 is an ordinary resolution and so requires the approval of more than 50% of the votes cast by Shareholders.

The Chair of the Annual General Meeting intends to vote all available undirected proxies in favour of Resolution 8.

9. Resolution 9: Approval of additional 10% Placement Facility under ASX Listing Rule 7.1A

9.1 Purpose of Resolution

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under ASX Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% (**10% Placement Facility**).

An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an

eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of approximately \$3.6 million.

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% Placement Facility provided for in ASX Listing Rule 7.1A to issue Equity Securities without shareholder approval.

9.2 Effect of Shareholder approval (information required under ASX Listing Rule 14.1A)

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in ASX Listing Rules 7.1 and 7.1A without further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% Placement Facility to issue Equity Securities without Shareholder approval provided for in ASX Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in ASX Listing Rule 7.1.

9.3 ASX Listing Rule requirements — Description of ASX Listing Rule 7.1A

(a) Shareholder Approval

The ability to issue equity securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an annual general meeting.

(b) Equity Securities

Any equity securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of equity securities of the Company. The Company, as at the date of the Notice of Annual General Meeting & Explanatory Statement, has 247,237,922 ordinary shares on issue, being the "Shares".

(c) Formula for Calculating the 10% Placement Facility

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained Shareholder approval at an annual general meeting may issue or agree to issue, during the 12-month period after the date of the annual general meeting, a number of equity securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of Shares on issue 12 months before the date of issue or agreement:

- (i) plus the number of fully paid ordinary securities issued in the 12 months under an exception to ASX Listing Rule 7.2 other than Exceptions 9, 16 or 17;
- (ii) plus the number of fully paid ordinary securities issued in the 12 months on the conversion of convertible securities within ASX Listing Rule 7.2, Exception 9 where:
 - (A) the convertible securities were issued or agreed to be issued before the commencement of the 12-month period; or
 - (B) the issue of, or agreement to issue the convertible securities was approved, or taken under these rules to have been approved under ASX Listing Rules 7.1 or 7.4;
- (iii) plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within ASX Listing Rule 7.2, Exception 16 where:
 - (A) the agreement was entered into before the commencement of the 12-month period; or

- (B) the agreement or issue was approved, or taken under these rules to have been approved under ASX Listing Rules 7.1 or 7.4;
- (iv) plus the number of any other fully paid ordinary securities issued in the 12 months with approval under ASX Listing Rules 7.1 or 7.4;
- (v) plus the number of any partly paid ordinary securities that became fully paid in the 12 months; and
- (vi) less the number of fully paid ordinary securities cancelled in the 12 months.

Note that A has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of equity securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the last 12 months immediately preceding the date of issue of the shares where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under ASX Listing Rule 7.4.

(d) **ASX Listing Rule 7.1 and ASX Listing Rule 7.1A**

The ability of an entity to issue equity securities under ASX Listing Rule 7.1A is in addition to the entity's 15% placement capacity under ASX Listing Rule 7.1.

In accordance with ASX Listing Rule 7.1, as at the date of this Notice of Annual General Meeting & Explanatory Statement, the Company currently has on issue 247,237,922 Shares and the capacity to issue 37,085,688 Equity Securities.

Under ASX Listing Rule 7.1A, the Company requests an additional 10% capacity which will increase the total number of equity securities that can be placed without Shareholder approval to a total of 61,809,480 Equity Securities in the next 12 months, which is an additional 24,723,792 Equity Securities.

The actual number of equity securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to paragraph (c) above).

(e) **Minimum Issue Price**

The Company may seek to issue the equity securities in consideration for cash only. The issue price of Equity Securities issued under ASX Listing Rule 7.1A must not be less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) **10% Placement Period**

Shareholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the Annual General Meeting at which approval is obtained;
- (ii) the time and date of the Company's next annual general meeting; or

- (iii) the time and date of the approval by Shareholders of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

or such longer period if allowed by the ASX (**10% Placement Period**).

9.4 Effect of ASX Listing Rule 7.1A

The effect of Resolution 9 will be to allow the Directors to issue the Equity Securities under ASX Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under ASX Listing Rule 7.1.

9.5 Specific information required by ASX Listing Rule 7.3A

In accordance with ASX Listing Rule 7.3A, information is provided as follows:

- (a) **Minimum price** - The equity securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) **Risk** - If Resolution 9 is approved by Shareholders and the Company issues equity securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted. The potential dilution effect is illustrated in the table below.

There is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

- (c) **Dilution** - The table below shows the dilution of existing Shareholders' voting power on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A.2 as at the date of the Notice of Annual General Meeting & Explanatory Statement.

The table also shows:

- (i) two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of:
 - (A) issues of ordinary securities that do not require Shareholder approval (for example, a pro-rata entitlements issue or scrip issue under a takeover offer); or
 - (B) future issues of ordinary securities that are made with approval by Shareholders under ASX Listing Rule 7.1; or
 - (C) future issues of ordinary securities that are made without approval and within the 15% placement capacity under ASX Listing Rule 7.1; and

- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price.

Number of Shares on issue (Variable "A" in ASX Listing Rule 7.1A.2)	No. of Shares issued under 10% placement capacity (10% voting dilution)	Dilution		
		Issue price		
		\$ 0.0075	\$ 0.015	\$ 0.0225
		Issue price at 50% decrease to current price	Issue price at current price	Issue price at 50% increase in current price
		Funds raised		
Current Shares 247,237,922	10% voting dilution	24,723,792	24,723,792	24,723,792
	Funds raised	\$185,428.44	\$370,856.88	\$556,285.32
50% increase to the current Shares 370,856,883	10% voting dilution	37,085,688	37,085,688	37,085,688
	Funds raise	\$278,142.66	\$556,285.32	\$834,427.99
100% increase to the current Shares 494,475,844	10% voting dilution	49,447,584	49,447,584	49,447,584
	Funds raised	\$370,856.88	\$741,713.77	\$1,112,570.65

* The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issue under a takeover offer) or that are issued with Shareholder approval under ASX Listing Rule 7.1 or without approval and within the 15% placement capacity under ASX Listing Rule 7.1.

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of equity securities available under the 10% Placement Facility.
 - (ii) No convertible securities (including any convertible securities issued under the 10% Placement Facility) are converted into Shares before the date of the issue of the equity securities.
 - (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
 - (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
 - (v) The table shows only the effect of issues of equity securities under ASX Listing Rule 7.1A, not under the 15% placement capacity under ASX Listing Rule 7.1.
 - (vi) The issue of equity securities under the 10% Placement Facility consists only of Shares.
 - (vii) The issue price is \$0.015 being the closing price of Shares on the ASX on 3 October 2025.
- (d) **Period of approval** - The Company will only issue the Equity Securities during the 10% Placement Period. The approval of Resolution 9 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under ASX Listing Rule 11.1.2 (a significant change of the nature or scale of activities) or ASX Listing Rule 11.2 (disposal of main undertaking).

- (e) **Purpose of issue** - The Company may seek to issue the Equity Securities in consideration for cash only. In such circumstances, the Company may use the funds raised towards the development of any new products and to meet additional working capital requirements.
- (f) **Disclosure obligations** - The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A.4. Namely, upon issue of any Equity Securities:
- (i) it will state in its announcement of the proposed issue under ASX Listing Rule 3.10.3 or in its application for quotation of the securities under ASX Listing Rule 2.7 that the securities are being issued under ASX Listing Rule 7.1A; and
 - (ii) give to the ASX immediately after the issue a list of names of the persons to whom the entity issued the equity securities and the number of the Equity Securities issued to each.
- (g) **Allocation policy** - The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to a number of factors including, but not limited to, the following:
- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
 - (ii) the effect of the issue of the Equity Securities on the control of the Company;
 - (iii) the financial situation and solvency of the Company; and
 - (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of the Notice of Annual General Meeting & Explanatory Statement but may include existing substantial Shareholders and/or new Shareholders who are not a Related Party or an associate of a Related Party of the Company.

- (h) **Issues in prior 12 months** - The Company obtained Shareholder approval under ASX Listing Rule 7.1A at the 2024 Annual General Meeting.

Details of Equity Securities issued in previous 12 months under ASX Listing Rule 7.1A:

- (i) **Voting Exclusion statement** - A voting exclusion statement is included in Resolution 9 of the Notice of Annual General Meeting. At the date of the Notice of Annual General Meeting & Explanatory Statement, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the equity securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice of Annual General Meeting.

9.6 Directors' recommendations and interests

The Board recommends that Shareholders vote in favour of Resolution 9.

Resolution 9 is a special resolution and so requires the approval of 75% or more of the votes cast by Shareholders.

The Chair of the Annual General Meeting intends to vote undirected proxies in favour of Resolution 9.
