#### 4. RESOLUTION 4 – RE-ELECTION OF MR. NICHOLAS YATES AS A DIRECTOR

4.1 In accordance with Rule 5.1 of the Company's Constitution, at each Annual General Meeting of the Company, one-third of the directors (other than the Managing Director), or if their number is not three or a multiple of three, then the number nearest to but not exceeding one-third, need to retire from office by rotation. Further, and in accordance with the ASX Listing Rules, no director may retain office for more than three years without submitting himself or herself for re-election even though this would result in more than one-third of the directors retiring from office.

4.2 Accordingly, Mr. Yates is required to retire by rotation at the Annual General Meeting, and being eligible, offers himself for re-election as a director. Information as follows:

4.3 Nicholas Yates, Bachelor of Engineering (Mechanical), has 36 years of experience in engineering services and construction. He has held several CEO and board positions in both listed and private companies, including Chief Executive, Infrastructure ANZ at Transfield Services, followed by Chief Executive Officer and now Chairman of ASX-listed BSA Limited. Nicholas was appointed to the Saunders Board in September 2020 and has since served as a Non-Executive Director and a member of the Remuneration Committee and Audit and Risk Committee. He was appointed Chairman on 1 July 2023.

4.4 The Board (excluding Mr. Yates) considered whether Mr. Yates has any interest, position or relationship that may interfere with his independence as a Director, having regard to the relevant factors as set out in the ASX Corporate Governance Council Principles & Recommendations (4th edition). The Board (excluding Mr. Yates) considers that there is no such interest, position or relationship and that Mr Yates (if re-elected) would continue to serve as an independent Director.

4.5 Prior to submitting himself for re-election, Mr. Yates has confirmed that he would continue to have sufficient time to properly fulfil his duties and responsibilities to the Company.

4.6 The Board supports the re-election of Nicholas Yates as he contributes to the Board significant executive experience in the areas of engineering services and construction, commercial negotiation and governance, as well as complementing the skills of the existing Directors.

4.7 Resolution 4 is an ordinary resolution, which requires a simple majority of votes cast by Shareholders present and entitled to vote on the Resolution.

4.8 **Recommendation:** The Directors (with Mr Nicholas Yates abstaining) unanimously recommend that Shareholders vote in favour of Resolution 4.

#### 5. RESOLUTION 5 – APPROVAL FOR THE GRANTING OF PERFORMANCE RIGHTS UNDER THE SAUNDERS INTERNATIONAL LIMITED RIGHTS PLAN TO MR MARK BENSON (OR HIS NOMINEE)

##### **Background**

5.1 Resolution 5 seeks Shareholder approval, pursuant to Listing Rule 10.14, for the issue of up to 318,288 long term variable remuneration performance rights (**Performance Rights**) to Mr. Mark Benson (or his nominee), the former Managing Director and a continuing Executive Director of the

Company, under the Saunders International Limited Rights Plan (the **Plan**). Refer to Annexure A of this Explanatory Statement for a copy of the Plan.

- 5.2 The Company intends to issue the Performance Rights to Mr. Benson to further encourage and facilitate share ownership for Mr. Benson in his new capacity as an Executive Director and as a means for enhancing the alignment of interests between the Mr. Benson and Shareholders generally.
- 5.3 Further, the Company must also observe the requirements of Chapter 2E of the Corporations Act to grant the Performance Rights (discussed below).

#### **Chapter 2E of the Corporations Act**

- 5.4 Chapter 2E of the Corporations Act prohibits a public company from giving a Financial Benefit (defined below) to a Related Party (defined below) of a public company unless either:
- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
  - (b) prior Shareholder approval is obtained to the giving of the financial benefit.
- 5.5 A "Related Party" is defined widely in section 228 of the Corporations Act and includes, relevantly, a director (or proposed director) of a public company, any entity that controls (or is reasonably likely to control) a public company, and any entity that is controlled by a person or entity which is otherwise a Related Party, or there are reasonable grounds to believe that a person/entity is likely to become a Related Party of the public company.
- 5.6 A "Financial Benefit" for the purposes of the Corporations Act has a very wide meaning. It includes the public company paying money or issuing securities to the Related Party. In determining whether or not a financial benefit is being given, it is necessary to look to the economic and commercial substance and effect of what the public company is doing (rather than just the legal form). Any consideration which is given for the financial benefit is to be disregarded, even if it is full or adequate.
- 5.7 The proposed Resolution 5, if passed, will confer a Financial Benefit to Mr. Benson (who is a Related Party of the Company).
- 5.8 However, it is the view of the Directors that the issue of the Performance Rights to Mr. Benson falls within the exception set out in Section 21 of the Corporations Act, which provides that Shareholder approval is not required where a Financial Benefit is given to a Related Party as reasonable remuneration for the Related Party's role as an officer or employee of the company.
- 5.9 Your Directors consider that the issue of the Performance Rights is reasonable remuneration for Mr. Benson's performance of his role as an Executive Director of the Company and, accordingly, the Company is not seeking Shareholder approval for Resolution 5 for the purposes of Chapter 2E of the Corporations Act.

#### **Why is shareholder approval being sought?**

- 5.10 Under Listing Rule 10.14, Shareholder approval is required for the Company to issue equity securities to a Director under an employee incentive scheme. Further, if approval is given for the purposes of Listing Rule 10.14, the Company will be entitled to rely on Listing Rule 10.12 (Exception 8), as an exception to any requirement that may otherwise apply requiring Shareholder approval for the issue of equity securities under Listing Rule 10.11.
- 5.11 Similarly, where Shareholder approval is granted for the purposes of Listing Rule 10.14, the Company will be entitled to rely on Listing Rule 7.2 (Exception 14) so that the Performance Rights do not reduce the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

- 5.12 Resolution 5 therefore seeks the required Shareholder approval for the issue of the Performance Rights to Mr. Benson for the purposes of Listing Rule 10.14.

***Effect of Shareholder approval***

- 5.13 If Resolution 5 is passed, the Company will be able to issue the Performance Rights and such issue will not utilise any of the Company's 15% Capacity (pursuant to Exception 14 under Listing Rule 7.2) nor will the resulting Shares issued upon conversion of those Performance Rights (pursuant to Exception 9 under Listing Rule 7.2).
- 5.14 If Resolution 5 is not passed, then the Company will not be able to issue the Performance Rights to Mr. Benson. The Company would need to consider alternative remuneration arrangements as the Board considers it is important for the Company to offer incentives to its Directors and executives that are in line with market practice.

***Requirements of Listing Rule 10.15***

- 5.15 Pursuant to and in accordance with Listing Rule 10.15, the following information is provided in relation to Resolution 5:

### Key terms of the proposed grant

5.16 Key terms of the Performance Rights to be granted to Mr Mark Benson are set out in the table below:

Tranche	Maximum as % of Total Fixed Remuneration	Maximum Number of Performance Rights	Measurement Periods Commencing 1 July 2025	Vesting Condition
32	15%	159,144	3 years	RTSR
33	15%	159,144	3 years	NEPSG
Total	30%	318,288		

- 5.17 As noted above, Mr. Benson will continue to act as an Executive Director of the Company until 31 December 2025 i.e. for only half of FY26. Therefore, the Performance Rights to be issued to him will be based on 30% of Mr. Benson's fixed remuneration (as opposed to the previous 60% for FY25).
- 5.18 The maximum number of Performance Rights will vest only if stretch objectives for each tranche are achieved. Half of the Performance Rights will vest if the target objectives are achieved. The end of the measurement period for a tranche of Performance Rights will be extended by up to two years at the Board's discretion if significantly less than target vesting would have been achieved for that tranche at the end of the measurement period.
- 5.19 The Performance Rights will be granted at nil cost to the grantee. The Black-Scholes formula is used for calculating the maximum number of performance rights to be granted, resulting in a value of \$0.64 per Share.
- 5.20 The two vesting conditions to be used will be relative total shareholder return (**RTSR**) and normalised earnings per share growth (**NEPSG**).
- 5.21 **RTSR Tranches:** RTSR will be measured by comparing the Company's TSR over the measurement period with the TSRs achieved by companies that are in a comparator group and remain listed on the ASX at the end of the measurement period. Total shareholder return (**TSR**) is the percentage return generated from an investment in a company's shares over the measurement period assuming that dividends are reinvesting into the company's shares.
- 5.22 The vesting scale will be applied to the tranches subject to objective measurement of Saunders' performance relative to the comparator group with the vesting scale ranging as follows:

Performance Level	Saunders TSR relative to constituents of Peer Group	% of Tranche Vesting
Very Good	≥ P75	100%
Between Target and Very Good	> P50 and < P75	Pro-rata
<b>Target - Expected Outcome/At-Risk</b>	<b>P50</b>	<b>50%</b>
Between Very Poor and Target	> P25 and < P50	Pro-rata
Very Poor	P25	25%
Below Threshold	< P25	0%

5.23 **NESPG Tranches:** NESPG will be assessed as the compound annual growth rate (**CAGR**) reflected in the increase in normalised earnings per share (**EPS**) from the base year (**FY2025**) to normalised EPS for the final year of the measurement period. Normalised EPS will relate to normal operations and will exclude abnormal items as determined by the Board in its discretion.

5.24 The vesting scale will be applied to the tranches subject to objective review of Saunders' performance with the vesting scale ranging as follows:

Performance Level	Saunders Normalised EPSG	% of Tranche Vesting
Very Good - NESPG 15% CAGR	≥ 15%	100%
Between Target and Very Good	> 10% and < 15%	Pro-rata
<b>Target - NESPG 10% CAGR</b>	<b>10%</b>	<b>50%</b>
Between Very Poor and Target	> 5% and < 10%	Pro-rata
Very Poor - NESPG 5% CAGR	5%	25%
Below Threshold	< 5%	0%

5.25 No tax deduction is available to the Company for the value of the Performance Rights granted but it is anticipated that the Company will obtain a tax deduction equal to the value of the Shares issued pursuant to the exercise of vested performance rights.

#### **Directors' Recommendation**

5.26 For the reasons given above, your Directors unanimously recommend (with Mr. Benson abstaining) that Shareholders vote in favour of Resolution 5.

### **6. RESOLUTION 6 – APPROVAL FOR THE GRANTING OF PERFORMANCE RIGHTS UNDER THE SAUNDERS INTERNATIONAL LIMITED RIGHTS PLAN TO MR ANGELO DE ANGELIS (OR HIS NOMINEE)**

#### **Background**

- 6.1 Resolution 6 seeks Shareholder approval, pursuant to Listing Rule 10.14, for the issue of up to 377,112 long term variable remuneration performance rights (**Performance Rights**) to Mr. Angelo De Angelis (or his nominee), the newly appointed Managing Director of the Company, under the Saunders International Limited Rights Plan (the **Plan**). Refer to Annexure A of this Explanatory Statement for a copy of the Plan.
- 6.2 The Company intends to issue the Performance Rights to Mr. De Angelis to further encourage and facilitate share ownership for the newly appointed Managing Director and as a means for enhancing the alignment of interests between the Managing Director and Shareholders generally.
- 6.3 Further, the Company must also observe the requirements of Chapter 2E of the Corporations Act to grant the Performance Rights (discussed below).

#### **Chapter 2E of the Corporations Act**

6.4 Chapter 2E of the Corporations Act prohibits a public company from giving a Financial Benefit (defined below) to a Related Party (defined below) of a public company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or

- (b) prior Shareholder approval is obtained to the giving of the financial benefit.
- 6.5 A "Related Party" is defined widely in section 228 of the Corporations Act and includes, relevantly, a director (or proposed director) of a public company, any entity that controls (or is reasonably likely to control) a public company, and any entity that is controlled by a person or entity which is otherwise a Related Party, or there are reasonable grounds to believe that a person/entity is likely to become a Related Party of the public company.
- 6.6 A "Financial Benefit" for the purposes of the Corporations Act has a very wide meaning. It includes the public company paying money or issuing securities to the Related Party. In determining whether or not a financial benefit is being given, it is necessary to look to the economic and commercial substance and effect of what the public company is doing (rather than just the legal form). Any consideration which is given for the financial benefit is to be disregarded, even if it is full or adequate.
- 6.7 The proposed Resolution 6, if passed, will confer a Financial Benefit to Mr. De Angelis (who is a Related Party of the Company).
- 6.8 However, it is the view of the Directors that the issue of the Performance Rights to Mr. De Angelis falls within the exception set out in Section 21 of the Corporations Act, which provides that Shareholder approval is not required where a Financial Benefit is given to a Related Party as reasonable remuneration for the Related Party's role as an officer or employee of the company.
- 6.9 Your Directors consider that the issue of the Performance Rights is reasonable remuneration for Mr. De Angelis's performance of his role as the Managing Director of the Company and, accordingly, the Company is not seeking Shareholder approval for Resolution 6 for the purposes of Chapter 2E of the Corporations Act.

***Why is shareholder approval being sought?***

- 6.10 Under Listing Rule 10.14, Shareholder approval is required for the Company to issue equity securities to a Director under an employee incentive scheme. Further, if approval is given for the purposes of Listing Rule 10.14, the Company will be entitled to rely on Listing Rule 10.12 (Exception 8), as an exception to any requirement that may otherwise apply requiring Shareholder approval for the issue of equity securities under Listing Rule 10.11.
- 6.11 Similarly, where Shareholder approval is granted for the purposes of Listing Rule 10.14, the Company will be entitled to rely on Listing Rule 7.2 (Exception 14) so that the Performance Rights do not reduce the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.
- 6.12 Resolution 6 therefore seeks the required Shareholder approval for the issue of the Performance Rights to Mr. De Angelis for the purposes of Listing Rule 10.14.

***Effect of Shareholder approval***

- 6.13 If Resolution 6 is passed, the Company will be able to issue the Performance Rights and such issue will not utilise any of the Company's 15% Capacity (pursuant to Exception 14 under Listing Rule 7.2) nor will the resulting Shares issued upon conversion of those Performance Rights (pursuant to Exception 9 under Listing Rule 7.2).
- 6.14 If Resolution 6 is not passed, then the Company will not be able to issue the Performance Rights to Mr. De Angelis. The Company would need to consider alternative remuneration arrangements as the Board considers it is important for the Company to offer incentives to its Directors and executives that are in line with market practice.

## **Directors' Recommendation**

- 6.25 Your Directors unanimously recommend (with Mr. De Angelis abstaining), for the reasons given above, that Shareholders vote in favour of Resolution 6.

## **7. RESOLUTION 7 – RATIFICATION OF PRIOR ISSUE OF PLACEMENT SHARES**

### **Background**

- 7.1 On 15 July 2025, the Company announced a total placement of 7,692,308 Shares at an issue price of \$0.65 per Share (**Placement**) to:
- (a) Ahrens pursuant to a subscription agreement entered into between the Company and Ahrens on or around 14 July 2025; and
  - (b) Anacacia pursuant to a subscription agreement entered into between the Company and Anacacia on or around 14 July 2025,
- (collectively, the **Subscription Agreements** and each a **Subscription Agreement**).
- 7.2 The Placement consisted of 5,384,615 Shares issued to Ahrens and 2,307,693 Shares issued to Anacacia (**Placement Shares**), which were both issued under the Company's available 15% Capacity on 22 July 2025.

### **Listing Rule 7.1**

- 7.3 The Placement was undertaken in two separate tranches to each place within the Company's existing 15% placement capacity calculated in accordance with Listing Rule 7.1 (**15% Capacity**).
- 7.4 As the Placement does not fit within any of the exceptions to Listing Rule 7.1, the issue of the Placement Shares counts towards the Company's utilisation of its 15% Capacity for the 12 months after the issue of the Placement Shares. This means that the Company's capacity to issue further securities without Shareholder approval under Listing Rule 7.1 is reduced by 7,692,308 Shares until 22 July 2026.

### **Listing Rule 7.4**

- 7.5 Under Listing Rule 7.4, an issue of any equity securities made by the Company without approval under Listing Rule 7.1 may be treated as having been made with approval under Listing Rule 7.1 if each of the following apply:
- (a) the issue was not in breach of that rule; and
  - (b) the holders of ordinary shares in the Company subsequently approve the issue.
- 7.6 Although Shareholder approval is not required for the Company to issue the Placement Shares (as they were issued under the Company's 15% Capacity as discussed above), the Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues, as required under Listing Rule 7.1.
- 7.7 Accordingly, the Company is seeking ratification by Shareholders of the prior issue of the Placement Shares so that these Shares will not reduce the Company's 15% Capacity in the next 12 months after the issue of the Placement Shares. This in turn would provide the Company with greater flexibility in managing its future capital requirements.

### **Effect of Shareholder approval**

- 7.8 If Resolution 7 is approved, the Placement Shares will be excluded in calculating the Company's utilisation of its 15% Capacity. This in turn would refresh the Company's 15% Capacity (i.e. replenish it, to the extent of the number of Placement Shares) and therefore provide the Company with flexibility to issue equity securities up to the cap in the future without obtaining Shareholder approval, if required.
- 7.9 If Resolution 7 is not passed, the Placement Shares will be included in calculating the Company's utilisation of its 15% Capacity. This would effectively decrease the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the issue date of the Placement Shares, which will impact on the Company's flexibility for future capital raisings.

#### **Requirements of Listing Rule 7.5**

- 7.10 Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 7:

<b>Name of the persons receiving the securities</b> <i>Listing Rule 7.5.1</i>	The Placement Shares were issued to Ahrens Group Pty Ltd and Anacacia Pty Ltd.
<b>The number and class of securities</b> <i>Listing Rule 7.5.2</i>	7,692,308 Shares
<b>If securities are not fully paid ordinary securities, a summary of the material terms of the securities</b> <i>Listing Rule 7.5.3</i>	N/A
<b>The date on which the securities were issued</b> <i>Listing Rule 7.5.4</i>	The Placement Shares were issued on 22 July 2025.
<b>The price or other consideration the entity has received for the issue</b> <i>Listing Rule 7.5.5</i>	The Placement Shares were issued at a price of \$0.65 per Share.
<b>The purpose of the issue, including the use (or intended use) of any funds raised by the issue</b> <i>Listing Rule 7.5.6</i>	The Company used the subscription proceeds to fund the cash consideration in connection with the Acquisition.
<b>If securities were issued under an agreement, a summary of any material terms of the agreement</b> <i>Listing Rule 7.5.7</i>	The Placement Shares were issued under the Subscription Agreements. A summary of the material terms of each Subscription Agreement is set out in Annexure B.
<b>Voting exclusion statement</b> <i>Listing Rule 7.5.8</i>	A voting exclusion statement is set out above in this Notice of Meeting.

#### **Recommendation**

- 7.11 For the reasons given above, your Directors unanimously recommend that Shareholders vote in favour of Resolution 7.

### **8. RESOLUTION 8 – RATIFICATION OF PRIOR ISSUE OF TRANCHE 1 INITIAL CONSIDERATION SHARES**

#### **Background**

- 8.1 On 15 July 2025, the Company announced its entry into a share sale agreement (**Share Sale Agreement**) to acquire 100% of the issued shares in each of:
- (a) Aqua Metro Pty Ltd;

- (b) Aqua Metro Plant Pty Ltd; and
  - (c) Aqua Metro Services Pty Ltd,
- (collectively, the **Target Companies**, and each a **Target Company**) for up to \$30.0 million from:
- (d) Aqua Metro Holdings Pty Ltd as trustee for the Aqua Metro Holdings Trust; and
  - (e) Aqua Metro SPV Pty Ltd as trustee for the Aqua Metro SPV Trust,
- (collectively, the **Vendors**, and each a **Vendor**) (**Acquisition**).

8.2 The total purchase price includes:

- (a) an initial payment of \$18.0 million on completion of the Share Sale Agreement (**Completion**), comprising:
  - (i) \$11.0 million in cash; and
  - (ii) \$7.0 million in new Shares (**Initial Consideration Shares**), with the Share component subject to a 12-month voluntary escrow period; and
- (b) a potential second instalment payable to the Vendors based on the Target Companies' EBIT performance during a 24-month earn-out period commencing 1 July 2024 and ending on 30 June 2026 (inclusive), calculated as the average of FY2025 and FY2026 EBIT, multiplied by 4.0x and is subject to a maximum earn-out cap of \$12.0 million. If the \$12.0 million earn-out target is achieved in full, the second instalment payable to the Vendors will comprise:
  - (i) \$7.0 million in cash; and
  - (ii) \$5.0 million in new Shares, also subject to a 12-month voluntary escrow.

8.3 Under the Share Sale Agreement, the Initial Consideration Shares to be issued to the Vendors on Completion will be issued in two tranches, as follows:

- (a) as announced on 16 October 2025, the first tranche of 4,739,437 Shares was issued to the Vendors on 16 October 2025 at an issue price of \$0.74<sup>2</sup> per Share under the Company's remaining 15% Capacity (**Tranche 1 Initial Consideration Shares**); and
- (b) the second tranche, being the excess above the Company's 15% Capacity (**Tranche 2 Initial Consideration Shares**), is expected to be issued within 5 business days of the date of this Meeting, subject to Shareholder approval, which is sought as part of Resolution 8.

**Listing Rule 7.1**

8.4 The Tranche 1 Initial Consideration Shares were issued within the Company's remaining 15% Capacity.

8.5 As the issue of the Tranche 1 Initial Consideration Shares does not fit within any of the exceptions to Listing Rule 7.1, the issue of those Shares counts towards the Company's utilisation of its 15% Capacity for the 12 months after the date of their issue. This means that the Company's capacity to issue further securities without Shareholder approval under Listing Rule 7.1 is reduced by 4,739,437 Shares until 16 October 2026.

---

<sup>2</sup> Rounded from the 30-day VWAP of the Company's Shares up to 14 October 2025 (being the completion date of the Acquisition) of \$0.73848432.

#### **Listing Rule 7.4**

8.6 Under Listing Rule 7.4, an issue of any equity securities made by the Company without approval under Listing Rule 7.1 may be treated as having been made with approval under Listing Rule 7.1 if each of the following apply:

- (a) the issue was not in breach of that rule; and
- (b) the holders of ordinary shares in the Company subsequently approve the issue.

8.7 Although Shareholder approval was not required for the Company to issue the Tranche 1 Initial Consideration Shares (as they were issued under the Company's remaining 15% Capacity as discussed above), the Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues, as required under Listing Rule 7.1.

8.8 Accordingly, the Company is seeking ratification by Shareholders of the prior issue of the Tranche 1 Initial Consideration Shares so that these Shares will not reduce the Company's 15% Capacity in the next 12 months after their issue. This in turn will provide the Company with greater flexibility in managing its future capital requirements.

#### **Effect of Shareholder approval**

8.9 If Resolution 8 is approved, the Tranche 1 Initial Consideration Shares will be excluded in calculating the Company's utilisation of its 15% Capacity. This in turn would refresh the Company's 15% Capacity (i.e. replenish it, to the extent of the number of Tranche 1 Initial Consideration Shares) and therefore provide the Company with flexibility to issue equity securities up to the cap in the future without obtaining Shareholder approval, if required.

8.10 If Resolution 8 is not passed, the Tranche 1 Initial Consideration Shares will be included in calculating the Company's utilisation of its 15% Capacity. This would effectively decrease the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the issue date of the Tranche 1 Initial Consideration Shares, which will impact on the Company's flexibility for future capital raisings.

#### **Requirements of Listing Rule 7.5**

8.11 Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 8:

<b>Name of the persons receiving the securities</b> <i>Listing Rule 7.5.1</i>	The Tranche 1 Initial Consideration Shares were issued to the Vendors.
<b>The number and class of securities</b> <i>Listing Rule 7.5.2</i>	4,739,437 Shares
<b>If securities are not fully paid ordinary securities, a summary of the material terms of the securities</b> <i>Listing Rule 7.5.3</i>	N/A
<b>The date on which the securities were issued</b> <i>Listing Rule 7.5.4</i>	The Tranche 1 Initial Consideration Shares were issued on 16 October 2025.
<b>The price or other consideration the entity has received for the issue</b> <i>Listing Rule 7.5.5</i>	The Tranche 1 Initial Consideration Shares were issued as part of the consideration payable by the Company to the Vendors for the Acquisition under the Share Sale Agreement that completed on 14 October 2025.
<b>The purpose of the issue, including the use (or intended use) of any funds raised by the issue</b>	The Company issued the Tranche 1 Initial Consideration Shares to the Vendors as part of the consideration payable

<i>Listing Rule 7.5.6</i>	to them on completion of the Acquisition under the Share Sale Agreement.
<b>If securities were issued under an agreement, a summary of any material terms of the agreement</b> <i>Listing Rule 7.5.7</i>	The Tranche 1 Initial Consideration Shares were issued to the Vendors under the Share Sale Agreement. A summary of the material terms of the Share Sale Agreement is set out in Annexure C.
<b>Voting exclusion statement</b> <i>Listing Rule 7.5.8</i>	A voting exclusion statement is set out above in this Notice of Meeting.

### **Recommendation**

- 8.12 For the reasons given above, your Directors unanimously recommend that Shareholders vote in favour of Resolution 8.

## **9. RESOLUTION 9 – APPROVAL OF THE ISSUE OF THE TRANCHE 2 INITIAL CONSIDERATION SHARES**

### **Background**

- 9.1 As noted in Resolution 8 above, as part of the completion of the Share Sale Agreement the Company has recently issued 4,739,437 Shares to the Vendors as Tranche 1 Initial Consideration Shares. This represents only half of the \$7.0 million worth of Initial Consideration Shares that were due to be issued to the Vendors on completion of the Share Sale Agreement. Under the Share Sale Agreement, the Company has agreed to issue to the Vendors the excess shares (**Excess Shares**) comprising:
- (a) the balance of the Initial Consideration Shares, being 4,739,437, representing the balance of \$7.0 million worth of new Shares that were due to be issued to the Vendors on completion of the Share Sale Agreement (**Tranche 2 Initial Consideration Shares**), subject to Shareholder approval of this Resolution 9; and
  - (b) up to \$5.0 million worth of new Shares, if the earn-out hurdles are met (**Earn-Out Consideration Shares**), subject to Shareholder approval of Resolution 9 below.
- 9.2 If Shareholders approve this Resolution 9, the Tranche 2 Initial Consideration Shares will be issued to the Vendors within 5 business days of the date of the passage of Resolution 9.

### **Listing Rule 7.2 Exception 17**

- 9.3 Listing Rule 7.2 Exception 17 provides that:
- (a) an agreement to issue equity securities that is conditional on the holders of the entity's ordinary securities approving the issue under Listing Rule 7.1 before the issue is made is an exception to Listing Rule 7.1, and therefore an issue in reliance of Listing Rule 7.2 Exception 17 will not utilise the Company's 15% Capacity; and
  - (b) if an entity relies on this Listing Rule 7.2 Exception 17, it must not issue the equity securities without Shareholder approval.
- 9.4 Accordingly, the Company is seeking Shareholder approval for the issue of the Tranche 2 Initial Consideration Shares, so that the issue of the Tranche 2 Initial Consideration Shares complies with Listing Rule 7.1 and will not be counted towards the Company's utilisation of its 15% Capacity for the 12 months after the issue of the Tranche 2 Initial Consideration Shares.

### **Effect of Shareholder approval**

- 9.5 If Resolution 9 is passed, the Company will proceed with the issue of the Tranche 2 Initial Consideration Shares in accordance with the terms of the Share Sale Agreement, which will occur within 5 business days of the date of the passage of this Resolution; and
- 9.6 If Resolution 9 is passed, approval pursuant to Listing Rule 7.1 is not required for the issue of the Tranche 2 Initial Consideration Shares (as the issue falls under Listing Rule 7.2 Exception 17), and the issue of the Tranche 2 Initial Consideration Shares will not use up any of the Company's 15% Capacity.
- 9.7 If Resolution 9 is not passed, the Company will not be able to proceed with the issue of the Tranche 2 Initial Consideration Shares. Instead, under the terms of the Share Sale Agreement, the Company will be required to pay the Vendors cash in place of the issuance of the Tranche 2 Initial Consideration Shares.

### **Requirements of Listing Rule 7.3**

- 9.8 Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution 9:

<b>Name of the persons the securities will be issued to</b> <i>Listing Rule 7.3.1</i>	The Tranche 2 Initial Consideration Shares will be issued to the Vendors.
<b>The number and class of securities</b> <i>Listing Rule 7.3.2</i>	Half of the \$7.0 million (i.e. \$3,500,000) worth of Shares, that is, 4,739,437 Shares based on the 30-day VWAP as at Completion of \$0.73848432 per Share.
<b>If securities are not fully paid ordinary securities, a summary of the material terms of the securities</b> <i>Listing Rule 7.3.3</i>	N/A
<b>The date or dates on which the securities will be issued</b> <i>Listing Rule 7.3.4</i>	Within 5 business days of the date of the passage of this Resolution 9.
<b>The price or other consideration the entity has received for the issue</b> <i>Listing Rule 7.3.5</i>	The Tranche 2 Initial Consideration Shares will be issued as part of the consideration payable by the Company to the Vendors for the Acquisition under the Share Sale Agreement that completed on 14 October 2025.
<b>The purpose of the issue, including the intended use of any funds raised by the issue</b> <i>Listing Rule 7.3.6</i>	The Tranche 2 Initial Consideration Shares will be issued as part of the consideration payable by the Company to the Vendors for the Acquisition under the Share Sale Agreement.
<b>If securities are being issued under an agreement, a summary of any other material terms of the agreement</b> <i>Listing Rule 7.3.7</i>	The Tranche 2 Initial Consideration Shares will be issued under and in accordance with the terms of the Share Sale Agreement. A summary of the material terms of the Share Sale Agreement is set out in Annexure C.
<b>If the securities are being issued under, or to fund, a reverse takeover, information about the reverse takeover</b> <i>Listing Rule 7.3.8</i>	N/A
<b>Voting exclusion statement</b> <i>Listing Rule 7.3.9</i>	A voting exclusion statement is set out above in this Notice of Meeting.

## Recommendation

- 9.9 For the reasons given above, your Directors unanimously recommend that Shareholders vote in favour of Resolution 9.

## 10. RESOLUTION 10 – APPROVAL OF THE ISSUE OF THE EARN-OUT CONSIDERATION SHARES

### Background

- 10.1 As noted in Resolutions 8 and 9 above, under the Share Sale Agreement, the Company has agreed to issue to the Vendors the Earn-Out Consideration Shares comprising up to \$5.0 million worth of new Shares, if the earn-out hurdles are met, and subject to Shareholder approval of this Resolution 10.
- 10.2 Subject to the fulfilment of the earn-out criteria in the Share Sale Agreement (see section 8.2(b) of Resolution 8 above), the Company will issue the Earn-Out Consideration Shares to the Vendors on or about 11 December 2026 (assuming there is no dispute on the earn-out statement prepared by the Company).
- 10.3 By way of illustrative example, if the price per Share calculated in accordance with the 30-day VWAP as at the earn-out payment date is \$0.80 per Share, the maximum number of Earn-Out Consideration Shares to be issued to the Vendors (if the earn-out is achieved in full) is 6,250,000 Shares (being \$5.0 million divided by \$0.80 per Share).
- 10.4 Shareholders should note that the 30-day VWAP as at the earn-out payment date may be higher or lower than the above example of \$0.80 per Share. The lower the 30-day VWAP is as at the earn-out payment date, the greater the number of Earn-Out Consideration Shares that will need to be issued to the Vendors. Conversely, the higher the 30-day VWAP is as at the earn-out payment date, the lower the number of Earn-Out Consideration Shares that will need to be issued to the Vendors.
- 10.5 The table in Section 10.16 below shows a range of alternative hypothetical 30-day VWAPs as at the earn-out payment date, and the corresponding number of Earn-Out Consideration Shares that would need to be issued to the Vendors. In the table in Section 10.16 below, the lowest hypothetical 30-day VWAP as at the earn-out payment date is shown as \$0.65 per Share, and the highest hypothetical 30-day VWAP as at the earn-out payment date is shown as \$1.12 per Share. This is reflective of the lowest and highest price at which the Company's Shares have traded in the 12 months before the date of this Notice.
- 10.6 For the purpose of this Resolution 10, the Company **commits that the maximum number of Earn-Out Consideration Shares it will issue is 7,692,308**. This reflects a floor price for the 30-day VWAP of \$0.65 per Share. If the 30-day VWAP as at the earn-out payment date is below \$0.65 per Share (and assuming the earn-out is achieved in full):
- (a) the Company will issue up to a maximum number of 7,692,308 Earn-Out Consideration Shares to the Vendors; and
  - (b) the balance of the \$5.0 million worth of Earn-Out Consideration Shares will either be paid by the Company to the Vendors in cash or the Company will separately seek shareholder approval at the 2026 AGM to issue the balance in new Shares, and if such separate approval is granted at the 2026 AGM, the balance of the new Shares would be issued within 3 months of the date of that separate approval, as required by Listing Rules Listing Rule 7.2 (Exception 17) and Listing Rule 7.3.4.
- 10.7 Under the Share Sale Agreement, the Company may, by no later than 5 business days before the earn-out payment date (which will be on or before 11 December 2026 if there are no dispute on the earn-out statement prepared by the Company), elect in its discretion to pay each Vendor an amount in cash as an alternative to and in substitution for the Company's obligation to issue the Earn-Out Consideration Shares.

- 10.8 Resolution 10 seeks Shareholder approval for the purposes of Listing Rule 7.1 for the issue of the Earn-Out Consideration Shares.

**Listing Rule 7.2 Exception 17**

- 10.9 Listing Rule 7.2 Exception 17 provides that:

- (a) an agreement to issue equity securities that is conditional on the holders of the entity's ordinary securities approving the issue under Listing Rule 7.1 before the issue is made is an exception to Listing Rule 7.1, and therefore an issue in reliance of Listing Rule 7.2 Exception 17 will not utilise the Company's 15% Capacity; and
- (b) if an entity relies on this Listing Rule 7.2 Exception 17, it must not issue the equity securities without Shareholder approval.

- 10.10 Accordingly, the Company is seeking Shareholder approval for the issue of the Earn-Out Consideration Shares, so that the issue of the Earn-Out Consideration Shares complies with Listing Rule 7.1 and will not be counted towards the Company's utilisation of its 15% Capacity for the 12 months after the issue of the Earn-Out Consideration Shares.

**Waiver of Listing Rule 7.3.4**

- 10.11 Listing Rule 7.3.4 requires a notice of meeting with a resolution to approve the issue of equity securities to state that the securities will be issued within three months of the date of the shareholder's meeting.
- 10.12 As announced on 25 September 2025, the Company has obtained a waiver from ASX to the extent necessary to permit the Company to not state in this Notice of Meeting that the Earn-Out Consideration Shares will be issued within three months of the date of the Meeting, subject to the following conditions:

*Based solely on the information provided, ASX Limited ('ASX') grants Saunders International Limited (the 'Entity') a waiver from Listing Rule 7.3.4 to the extent necessary to permit the Entity in its notice of meeting ('Notice') seeking shareholder approval for the issue of up to 7,692,308 deferred consideration shares ('Earn-Out Consideration Shares') to Aqua Metro Pty Ltd, not to state the securities will be issued no later than 3 months from the date of the shareholder meeting, on the following conditions.*

- 1.1 *The Earn-Out Consideration Shares are issued upon achieving the applicable milestone, and in any event, no later than 12 December 2026;*
- 1.2 *the maximum Earn-Out Consideration Shares is capped at 7,692,308 fully paid ordinary shares;*
- 1.3 *the material terms of the Earn-Out Consideration Shares are fully and clearly set out in the Notice, including the relevant milestone;*
- 1.4 *details regarding the dilutive effect of the Earn-Out Consideration Shares on the Entity's capital structure is included in the Notice to ASX's satisfaction;*
- 1.5 *the terms of the waiver are clearly disclosed in the Notice of meeting to ASX's satisfaction;*
- 1.6 *if the milestone is achieved, the achievement of that milestone and the basis on which the Entity's directors determined that the milestone has been achieved is announced to the market, along with the number of Earn-Out Consideration Shares issued; and*
- 1.7 *for any annual reporting period during which any Earn-Out Consideration Shares have been issued or any of them remain to be issued, the Entity's annual report sets out the number of Earn-Out Consideration Shares issued in that annual reporting period, the*

number of Earn-Out Shares that remain to be issued and the basis on which the Earn-Out Consideration Shares may be issued

#### **Effect of Shareholder approval**

- 10.13 If Resolution 10 is passed, the Company will proceed with the issue of the Earn-Out Consideration Shares in accordance with the terms of the Share Sale Agreement, which will occur on or about 11 December 2026, being a date that is later than 3 months of the date of this Resolution, subject to the conditions imposed by ASX noted in section 10.12 above.
- 10.14 If Resolution 10 is passed, approval pursuant to Listing Rule 7.1 is not required for the issue of the Earn-Out Consideration Shares (as the issue falls under Listing Rule 7.2 Exception 17), and the issue of the Earn-Out Consideration Shares will not use up any of the Company's 15% Capacity.
- 10.15 If Resolution 10 is not passed, the Company will not be able to proceed with the issue of the Earn-Out Consideration Shares. Instead, under the terms of the Share Sale Agreement, the Company will be required to pay the Vendors cash in place of the issuance of the Earn-Out Consideration Shares.

#### **Requirements of Listing Rule 7.3**

- 10.16 Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution 10:

<b>Name of the persons the securities will be issued to</b> <i>Listing Rule 7.3.1</i>	The Earn-Out Consideration Shares will be issued to the Vendors.	
<b>The number and class of securities</b> <i>Listing Rule 7.3.2</i>	Up to \$5.0 million worth of Shares, with a floor price of \$0.65 per Share (that is, a maximum of 7,692,308 Shares). The table below provides a range of issue prices (based on the Company's Share price range over the preceding 12 months) and the corresponding maximum number of Earn-Out Consideration Shares calculated based on each of these issue prices.	
	<b>If the 30-day VWAP issue price for the Earn-Out Consideration Shares is...</b>	<b>...then the maximum number of Earn-out Consideration Shares to be issued would be (being \$5.0m divided by the relevant 30-day VWAP issue price)...</b>
	\$0.65 per share	7,692,308
	\$0.75 per share	6,666,667
	\$0.80 per share	6,250,000
	\$0.90 per share	5,555,556
	\$1.00 per share	5,000,000
	\$1.12 per share	4,464,286
<b>If securities are not fully paid ordinary securities, a summary of the material terms of the securities</b> <i>Listing Rule 7.3.3</i>	N/A	

<b>The date or dates on which the securities will be issued</b> <i>Listing Rule 7.3.4</i>	On or about 11 December 2026.
<b>The price or other consideration the entity has received for the issue</b> <i>Listing Rule 7.3.5</i>	The Earn-Out Consideration Shares will be issued as part of the consideration payable by the Company to the Vendors for the Acquisition under the Share Sale Agreement.
<b>The purpose of the issue, including the intended use of any funds raised by the issue</b> <i>Listing Rule 7.3.6</i>	The Earn-Out Consideration Shares will be issued as part of the consideration payable by the Company to the Vendors for the Acquisition under the Share Sale Agreement.
<b>If securities are being issued under an agreement, a summary of any other material terms of the agreement</b> <i>Listing Rule 7.3.7</i>	The Earn-Out Consideration Shares will be issued under and in accordance with the terms of the Share Sale Agreement. A summary of the material terms of the Share Sale Agreement is set out in Annexure C.
<b>If the securities are being issued under, or to fund, a reverse takeover, information about the reverse takeover</b> <i>Listing Rule 7.3.8</i>	N/A
<b>Voting exclusion statement</b> <i>Listing Rule 7.3.9</i>	A voting exclusion statement is set out above in this Notice of Meeting.

### **Recommendation**

- 10.17 For the reasons given above, your Directors unanimously recommend that Shareholders vote in favour of Resolution 10.

### **11. RESOLUTION 11 – APPROVAL OF FINANCIAL ASSISTANCE**

- 11.1 It is a requirement under the facility agreement dated 11 November 2024 between the Company, Commonwealth Bank of Australia (**CBA**) and others (as amended from time to time) (**Facility Agreement**) that the Target Companies will accede to the Facility Agreement as a guarantor of the obligations of the Company and other members of the Saunders Group and provide all asset security in favour of CBA.
- 11.2 As each Target Company will become a guarantor of the Company's obligations to CBA and provide security, the Target Companies are considered to be providing 'financial assistance' (for the purposes of the Corporations Act) in relation to an acquisition of shares in themselves. To that end, Shareholder approval under the Corporations Act is sought.
- 11.3 The 'financial assistance' that is being provided by the Target Companies is outlined below and no transfer of funds has been provided to the Company by the Target Companies in relation to the acquisition.
- 11.4 In the following paragraphs, the Company provides all material information that could reasonably be required by a Shareholder to approve the financial assistance for the purposes of section 260B of the Corporations Act.

### **Background**

- 11.5 As announced to the ASX on 15 July 2025, the Company has entered into the Share Sale Agreement for the Acquisition.

### **Restrictions on companies providing financial assistance**

- 11.6 Under section 260A(1) of the Corporations Act, a company may financially assist a person to acquire shares (or units of shares) in the company or a holding company of the company only if:
- (a) giving the assistance does not materially prejudice:
    - (i) the interests of the company or its shareholders; or
    - (ii) the company's ability to pay its creditors; or
  - (b) the assistance is approved by shareholders under section 260B of the Corporations Act; or
  - (c) the assistance is exempted under section 260C of the Corporations Act.
- 11.7 A company may be regarded as giving financial assistance if it gives something needed in order that a transaction be carried out, or something in the nature of aid or help. The term 'financial assistance' has no technical meaning and requires an examination of the commercial realities of the relevant transaction. Common examples of financial assistance include issuing a debenture, giving security over a company's assets and giving a guarantee or indemnity in respect of another person's liabilities.

**The proposed financial assistance**

- 11.8 The Company is party to the Facility Agreement with CBA. Under the Facility Agreement, the Company must ensure that each Target Company supports the obligations of the Company and other members of the Saunders Group, by providing guarantees to CBA in respect of the borrowers and security over all of their assets.
- 11.9 In the case of the Acquisition, CBA (as the lender) made available certain debt funding which the Company utilised to assist it in paying the initial cash consideration due to the Vendors on completion of the Share Sale Agreement. It is a requirement under the Facility Agreement that, following the requisite approvals under section 260B of the Corporations Act, each Target Company accedes to the Facility Agreement as a guarantor and provides to CBA a guarantee and security over all of its assets. Each Target Company will also become a borrower under the Facility Agreement. Under the Facility Agreement and as agreed with CBA, the accession and granting of a security must occur by 60 days post completion of the Acquisition.
- 11.10 It is proposed that, following the approvals under section 260B of the Corporations Act, the Target Companies enter into the following documents in connection with the Facility Agreement (**Accession Documents**):
- (a) an accession letter under which, among other things, each Target Company agrees to become a borrower and guarantor under the Facility Agreement and be bound by and comply with all of the terms and provisions of the Facility Agreement applicable to each of them as borrowers and guarantors;
  - (b) a general security agreement under which, among other things, each Target Company grants a security interest over all of their assets in favour of CBA; and
  - (c) any other security documents required by CBA (including any mortgage, general security agreement (however described) or specific security agreement (however described)).
- 11.11 The entry into the Accession Documents would constitute financial assistance within the meaning of section 260A of the Corporations Act in so far as it assists the Company to acquire the shares in the Target Companies.
- 11.12 In addition, a borrower under the Facility Agreement may arrange refinancing and additional financing facilities (including working capital facilities) of an amount to be determined in the future from time to time. In order to secure and regulate the obligations of that borrower, in

relation to such financing facilities, the Target Companies and any subsidiary of a Target Company may, from time to time:

- (a) execute, or accede to, a new facilities agreement as an obligor on terms acceptable to the Target Companies at the relevant time;
- (b) give one or more of a guarantee, indemnity or security interest over its assets (whether by way of mortgage, general security agreement (however described), specific security agreement (however described) or otherwise) to secure each obligor's obligations under any new facilities agreement or any related document; and
- (c) execute, or accede to, any document in connection with or ancillary to, any new facilities agreement, or guarantee, indemnity or security interest given in connection with any new facilities agreement, and any related document.

11.13 The refinancing may also amount to financial assistance under section 260A of the Corporations Act.

11.14 If this Resolution is not passed, and the guarantee and security from the Target Companies is not provided, CBA is entitled to terminate the facilities under the Facility Agreement and demand immediate repayment of the facilities.

***Effect of the financial assistance***

11.15 The giving of the guarantee and indemnity and security in connection with the Facility Agreement may impact each Target Company's ability to borrow money in the future and it is possible that this could materially prejudice the interests of the Company and its Shareholders.

11.16 However, the Company, as the new ultimate parent entity of the Target Companies has agreed to the provision of the proposed financial assistance noted above because each believes that to be in the best interests of the Target Companies, and the Saunders Group as a whole, as the Target Companies are now part of the Saunders Group. The assessment of material prejudice, including the Target Companies' ability to pay its creditors, embraces the whole transaction and so brings into account its immediate consequences in terms of determining whether there is material prejudice. The assessment of material prejudice has quantitative and qualitative elements.

11.17 The quantitative element involves an assessment of the impact of the Accession Documents on each Target Company's balance sheet, future profits and future cash flows. The prejudice to each Target Company's ability to pay its creditors relates to the guarantees and indemnities and security interests to be provided by the Target Companies in connection with the Facility Agreement. If the Company or any applicable subsidiary or related entity of it defaults under the Facility Agreement, CBA may decide to make a demand under the Facility Agreement and related finance documents (including by a call on a guarantee and indemnity or enforcement of security given by the Target Companies (or both)). Accordingly, the Target Companies will be liable for the default of the Company or any applicable subsidiary or related entity of it under the Facility Agreement.

11.18 The qualitative aspect requires an assessment of all the interlocking elements of the commercial transaction as a whole to determine where the net balance of financial advantage lies. The Directors consider that the acquisition of the shares in the Target Companies by the Company is to the benefit of the Target Companies and promotes the interests of the Target Companies. This is on the basis that the Target Companies will each respectively inherit a committed shareholder (being the Company) who will be focused on the performance of the Target Companies and their businesses.

11.19 The Directors do not currently believe that the Company or any relevant member of the Saunders Group's drawdown under the Facility Agreement would have any impact on the Target

Companies' ability to pay creditors, nor are they concerned about any potential default under the Facility Agreement or the Accession Documents.

- 11.20 However, if CBA becomes entitled to enforce any of its rights under the Facility Agreement because the Company or any applicable subsidiary or related entity of it defaults, the enforcement may materially prejudice the interests of the Target Companies and its shareholders. On enforcement, among other rights, CBA may become entitled to procure the sale of the assets of the Target Companies. The sale of assets on enforcement may result in a return to the Target Companies (and ultimately the Company as their shareholder) significantly lower than could have been achieved by the Target Companies had those assets been otherwise sold. This may materially prejudice the interests of each Target Company and its shareholders.
- 11.21 Accordingly, your Directors have decided to refer the proposal to Shareholders for approval under section 260B of the Corporations Act in light of the guarantee, indemnity and security that is to be provided by the Target Companies under the Accession Documents and the Facility Agreement.

#### **Shareholder approval of financial assistance**

- 11.22 Under section 260B(1) of the Corporations Act, shareholder approval for financial assistance by a company must be given by:
- (a) a special resolution passed at a general meeting of the company; or
  - (b) a resolution agreed to, at a general meeting, by all ordinary shareholders of the company.
- 11.23 In addition, if the company will be a subsidiary of a listed domestic corporation (such corporation being the **Listed Holding Company**) immediately after the transaction, then the financial assistance must also be approved by a special resolution passed at a general meeting of the Listed Holding Company under section 260B(2) of the Corporations Act.
- 11.24 In this case, following Completion, the Company is the Listed Holding Company and the sole shareholder of each Target Company and accordingly, Shareholder approval is being sought for the proposed financial assistance for the purpose of section 260B(2) of the Corporations Act.
- 11.25 The Directors have approved the statements in this Notice of Meeting and recommend that the Shareholders approve the giving of the financial assistance and pass this Resolution under section 260B(2) of the Corporations Act.
- 11.26 The Directors consider that this Notice of Meeting contains all material information known to the Company that could reasonably be required by a Shareholder in deciding how to vote on this Resolution, other than information that would be unreasonable to require the Company to disclose because the Company has previously disclosed that information to Shareholders.
- 11.27 As required by section 260B(5) of the Corporations Act, a copy of this Notice of Meeting and the Explanatory Statement were lodged with ASIC before they were sent to Shareholders.

#### **Recommendation**

- 11.28 Your Directors unanimously recommend, for the reasons given above, that Shareholders vote in favour of Resolution 11.

## **Annexure A – Copy of the Saunders International Limited Rights Plan Rules**

# Saunders International Limited

## Rights Plan Rules

### Cover notes regarding this Plan (not to be taken as part of the Rules):

- 1) The Rights are NOT exercised automatically by default to increase the likelihood that desirable taxing points can be achieved regardless of whether or not the Company is paying dividends or offering Participation to internationally located employees (this aspect may be changed in the Invitation, if needed). A Participant must submit an Exercise Notice in order to exercise vested Rights. However, this may be overridden in an Invitation, specifying an automatic exercise date, in respect of Participants outside of Australia where a fixed taxing point is required,
- 2) Unless a Settlement Restriction is specified in an Invitation, Rights will be considered "indeterminate" because they may be settled in cash (a kind of derivative). Indeterminate Rights are not considered "securities" by ASIC and Corporations Act s708 relief is not available. Division 1A of Part 7.12 must be relied upon for Australian Participants. However, a Settlement Restriction in the Invitation may limit settlement to Shares only, in which case s708 relief could be relied upon and specified in the Invitation (note: SARs of any kind cannot rely on s708 relief).
- 3) An Exercise Price can be specified for a Right to create an option type instrument, however it will be a cashless exercise option or share appreciation right, which is less dilutive and simpler to exercise. These are also derivatives and must rely on Part 7.12 of Division 1A,
- 4) Retesting is permitted at the discretion of the Board
- 5) Non-executive Directors are excluded from Participation,
- 6) In response to the receipt of an Invitation, a potential Participant may make an Application for Rights, which is subject to Board consideration and approval, such that all grants may be made on the same date after Applications are received,
- 7) Both market purchases, and new issues of Shares, may be used to settle Rights,
- 8) Dividend Equivalents may be payable in respect of vested Rights for as long as the Participant remains an employee, but is at the discretion of the Board,
- 9) On termination of employment those Rights not vested at the date of termination are forfeited on a pro-rata basis in the percentage that the remainder of the years of the Measurement Period bears upon the full Measurement Period,
- 10) Malus/clawback/Good Behaviour Bond features apply at all times, including following cessation of employment (addresses joining a competitor),
- 11) Major transactions are addressed including change in control, major return of capital, demerger and delisting,
- 12) Exercise Restriction Periods which are flexible, can be attached to Rights to defer the earliest exercise point following vesting (a form of deferral) and to ensure that equity is available for clawback, if needed,
- 13) Specified Disposal Restriction Period which are inflexible, can be attached to Shares that result from exercise (another form of deferral),
- 14) The plan is designed not to give rise to a termination benefit, by default, by avoiding vesting triggered by cessation of employment, though this may be overridden by the Board's general discretion to vest at any time,
- 15) International participation and local tax and legal compliance can be achieved via custom Invitation documents (i.e. there is a Rule in the Plan covering this approach),
- 16) The plan is written to be compliant with the ASX Listing Rules,
- 17) The Rights Plan can be used for a range of purposes, including but not limited to:
  - a) Long Term Variable Remuneration using Performance Rights,
  - b) Retention grants to employees below the senior executive level using Service Rights, or using Service Rights as part of Fixed Pay, or
  - c) Deferring Short Term Variable Remuneration using Service Rights or Restricted Rights.

- 7.2 In respect of accepted Applications, the Board will use reasonable endeavours to grant the Rights within 30 days of the end of the Application Period, unless otherwise determined by the Board.
- 7.3 Participants will be advised in writing when Rights have been granted and the date of the grant, via a Grant Notice.
- 7.4 No Rights may be issued to, or exercised by a Participant if to do so would contravene the Corporations Act, the ASX Listing Rules or any relief or waiver granted by ASIC or the ASX that binds the Company in making any offer or invitation under these Rules or otherwise in connection with the operation of this plan.
- 7.5 Shareholder approval must be obtained prior to a grant being made to a Director when required under the ASX Listing Rules.

## **8 Participants**

- 8.1 Eligible Persons whose Applications have been accepted and have been granted Rights will be referred to as Participants in the Plan.
- 8.2 They will remain Participants until all Rights they have been granted have either lapsed or been exercised and both any risk of forfeiture and disposal restrictions applicable to the Shares acquired by exercising the Rights have ceased to apply.

## **9 Rights May Not Be Disposed of or Transferred or Encumbered**

Rights may not be disposed of or transferred or otherwise dealt with (including for purposes of this Rule, encumbered or made subject to any interest in favour of any other person) and will lapse immediately on purported disposal, transfer or dealing unless the transfer is effected by operation of law on the death or legal incapacity of the Participant to the Participant's legal personal representative.

## **10 Measurement Periods**

- 10.1 The Measurement Period applicable to each Tranche of Performance Rights will be three years unless otherwise specified in the Invitation. The Measurement Periods for Performance Rights will relate to periods when performance conditions must be satisfied for them to vest.
- 10.2 The Measurement Period applicable to each Tranche of Service Rights will be specified in the Invitation. The Measurement Periods for Service Rights will relate to periods when service conditions must be satisfied for them to vest.
- 10.3 Measurement Periods for grants of Performance and Service Rights will commence on the first day of the financial year during which the Grant Date occurs unless otherwise determined by the Board and specified in the Invitation.

## **11 Vesting Conditions**

- 11.1 Vesting Conditions may relate to:
  - a) performance of the Company or an aspect of the Company's operations or the performance of the Participant, or
  - b) continued service of the Participant with the Group, or
  - c) any combination of the foregoing determined by the Board for each Tranche.
- 11.2 Vesting Conditions, if applicable, must be specified in the Invitation, along with the relationship between various potential levels of performance and levels of vesting that may occur.
- 11.3 Performance conditions may vary between different Invitations and between different Tranches of Rights specified in an Invitation.

## **12 Gate**

- 12.1 The Board may in its absolute discretion apply one or more Gates to Tranches of Performance Rights as a condition for vesting. If a Gate is to apply to a Tranche, it must be specified in the Invitation.
- 12.2 If a Gate is not satisfied then the Performance Rights in the Tranche to which the Gate applies will not vest irrespective of outcomes in relation to any Vesting Condition, unless otherwise determined by the Board.

## **13 Vesting of Performance and Service Rights**

- 13.1 Following the end of the Measurement Period, the Board will determine for each Tranche of Performance and/or Service Rights to which the Measurement Period applies, and which have not previously lapsed or vested, the extent to which it has vested, if at all, and notify Participants in a Vesting Notice.
- 13.2 Prior to the end of a Measurement Period the Board may determine that some or all of the Performance and Service Rights held by a Participant will vest or lapse. When such a determination is made the Board

will notify Participants in a Vesting Notice. When Rights vest under this Rule the Board may in its absolute discretion determine that the Exercise Restriction Period applicable to the Rights that vest is lifted.

#### **14 Board Discretion Regarding Vesting of Performance and Service Rights**

- 14.1 The Board retains discretion to increase or decrease, including to nil, the extent of vesting in relation to each Tranche of Performance Rights or Service Rights if it forms the view that it is appropriate to do so given the circumstances that prevailed during the Measurement Period. In exercising this discretion, the Board shall take into account, amongst other factors it considers relevant, the experience of Shareholders over the relevant Measurement Period.
- 14.2 Before exercising its discretion under this Rule, the Board may seek advice from an independent advisor as to whether the discretion should be exercised and if so then the alternative extent of vesting that should be considered by the Board.

#### **15 Lapsing of Rights**

Rights will lapse automatically on the earlier of:

- a) For unvested Rights, when there is no opportunity for them to vest at a later date, or
- b) The end of the Term of the Right.

#### **16 Exercise Restriction Period**

- 16.1 Subject to Rules 20, 27 and 28, all Rights are subject to a minimum Exercise Restriction Period of 90 days following the Grant Date.
- 16.2 The Board may determine that a longer Exercise Restriction Period will apply to a grant of Rights and if so, it must be specified in the relevant Invitation.
- 16.3 The Board will notify the Participants upon the elapsing of the Exercise Restriction Period if it occurs after the Vesting Date. The form of this notification will be determined by the Board from time to time.

#### **17 Exercise of Rights**

- 17.1 Unvested Rights may not be exercised.
- 17.2 Vested Rights may be exercised at any time between the latter to occur of the Vesting Date, the elapsing of the Exercise Restriction Period and the end of their Term applicable to such Rights, by the Participant submitting an Exercise Notice. If an Invitation so specifies, the exercising of vested and unexercised Rights may be completed automatically on a specific date following the end of the Measurement Period in which case the submission of an Exercise Notice is not required.
- 17.3 If a cleansing notice is required to be lodged by the Company pursuant to section 708A (5) (e) (i) of the Corporations Act for the Participants to be able to sell Shares that will be issued on exercise of Rights, then the Company may delay the exercise until a cleansing notice can be lodged with the ASX.
- 17.4 An Exercise Notice will be in the form determined by the Board from time to time, and provided to the Participant with a Vesting Notice.
- 17.5 Unless an Invitation contains a Settlement Restriction, on exercise of Rights the Board will determine in its absolute discretion whether to settle the Exercised Rights Value in whole Shares (including Restricted Shares) with any residual being forfeited, a cash payment to the Participant or a combination of whole Shares and a cash payment to the Participant. The Board will advise the Participant in writing of the result of its determination, in the Settlement Notice.
- 17.6 To the extent that the Exercised Rights Value is to be provided in Shares, the Board will in its discretion, either:
- (a) issue Shares to the Participant, or
  - (b) arrange for Shares to be acquired for the benefit of Participants by the trustee of the EST. The Company or another Group Company will contribute such funds as are needed from time to time to

the EST trustee to enable the EST trustee to acquire Shares and the trustee shall apply those funds to acquire Shares by:

- i. market purchase, or
- ii. subscription to a new issue

as directed by the Board.

- 17.7 To the extent that the Exercised Rights Value is to be paid in cash it will be paid via payroll less any legally required withholdings such as PAYG tax.
- 17.8 The Board may in its absolute discretion waive the remaining portion of the Exercise Restriction Period.
- 17.9 If the Exercised Rights value is settled in whole or in part by a new issue of Shares, the Company will arrange such Shares to be quoted on the ASX.

## **18 Dividend Equivalents**

- 18.1 Unless otherwise specified in the Invitation, at the time a dividend is paid by the Company in respect of a Share, Participants who are employees of the Group shall not be entitled to a Dividend Equivalent payment in respect of Vested Rights.
- 18.2 If the Board does decide to make a Dividend Equivalent payment, the amount of the Dividend Equivalent payment shall be the product of the number of vested Rights held on the date a dividend is paid on a Share and the relevant Dividend Equivalent.
- 18.3 Dividend Equivalent payments will be processed through payroll and will have required deductions such as PAYG and statutory superannuation contributions, if any, withheld.

## **19 Disposal Restriction Attached to Shares**

- 19.1 Shares acquired by Participants or held by the trustee of the EST for the benefit of Participants as a consequence of the exercise of Rights, may be subject to a Specified Disposal Restriction Period if specified in the relevant Invitation.
- 19.2 In addition to any restrictions imposed pursuant to Rule 19.1, all Shares acquired by Participants or held by the trustee of the EST for the benefit of Participants as a consequence of the exercise of Rights, shall be subject to Overriding Disposal Restrictions.
- 19.3 Shares that are subject to a Specified Disposal Restriction Period and/or an Overriding Disposal Restriction may not be disposed of or transferred or otherwise dealt with (including encumbered or made subject to any interest in favour of any other person) unless the transfer is effected by operation of law on the death or legal incapacity of the Participant to the Participant's legal personal representative.
- 19.4 In special circumstances such as if the Participant is affected by serious injury or illness, or severe financial hardship or a natural disaster, the Board may in its absolute discretion waive the remainder of any Specified Disposal Restriction Period.
- 19.5 If Shares subject to disposal restrictions are held by the Participant then the Company will impose a CHES holding lock to ensure that the disposal restrictions are complied with, unless otherwise determined by the Board.
- 19.6 On the first occasion following the cessation of the Specified Disposal Restriction Period, if any, when the Company believes that Shares may be sold without breaching the Overriding Disposal Restriction Period the Board will advise the Participant in writing of the date of that occasion. A Cessation of Disposal Restrictions Notice will be used for this purpose. However, if sale of the Shares may not be undertaken due to Division 3 of Part 7.10 of the Corporations Act (insider trading restriction provisions) then the effective date of the Cessation of Disposal Restrictions Notice will be delayed until the next point in time when sales of Shares may occur without breaching either the Company's share trading policy or Division 3 of Part 7.10 of the Corporations Act (insider trading restriction provisions). CHES holding locks applied by the Company to Restricted Shares will be removed at the time the Cessation of Disposal Restrictions Notice is effective.

## **20 Disposal Restriction Period and Exercise Restriction Period Release at Taxing Point**

- 20.1 If a taxing point arises for a Participant in relation to Vested but unexercised Rights that are subject to an Exercise Restriction Period then the Exercise Restriction Period will cease to apply to 50% of such Rights that are the subject of the tax liability, unless otherwise determined by the Board.
- 20.2 If a taxing point arises for a Participant in relation to Restricted Shares then the Specified Disposal Restriction Period (and associated CHESS holding locks if applicable) will cease to apply to 50% of such Shares that are the subject of the tax liability unless otherwise determined by the Board.

## **21 Fraud and Defalcation**

In the event that the Board forms the opinion that a Participant has committed an act of fraud or defalcation, the Participant will forfeit all unvested Rights and Vested Rights which are subject to an Exercise Restriction Period.

## **22 Board Discretion to Prevent Inappropriate Benefits, Malus and Clawback**

- 22.1 The Board has sole discretion to determine that some or all Rights held by a Participant that are unvested Rights or Vested Rights which are subject to an Exercise Restriction Period, will lapse on a specified date if allowing the Rights to be retained or exercised by the Participant would, in the opinion of the Board, result in an inappropriate benefit to the Participant. Such circumstances include but are not limited to:
- (a) if a Participant engages in any activities or communications that, in the opinion of the Board, may cause harm to the operations or reputation of the Company or the Board, including bringing the Company into disrepute,
  - (b) if the Board determines that a Participant or Participants took actions that caused harm or are expected to cause harm to the Company's stakeholders,
  - (c) if the Board forms the view that a Participant or Participants have taken excessive risks or have contributed to or may benefit from unacceptable cultures within the Company,
  - (d) if the Board forms the view that Participants have exposed employees, the broader community or environment to excessive risks, including risks to health and safety,
  - (e) if a Participant becomes the employee of a competitor or provides services to a competitor, either directly or indirectly, (as determined by the Board and unless otherwise determined by the Board),
  - (f) if there has been a material misstatement in the Company's financial reports, which once resolved, indicates that a larger number of Rights previously vested than should have, in light of the corrected information,
  - (g) if the Board determines that unacceptable "ESG" (environmental, social and governance) outcomes have been identified,
  - (h) if the Participant has committed an act of fraud dishonesty, defalcation or gross misconduct,
  - (i) if the Participant is terminated for cause,

  - (l) if the Participant has engaged in activities with the aim of achieving the goals outlined to them in a manner which is unsustainable or likely to detract from long term value of the Group.
- 22.2 While the Company has a separate malus and/or clawback policy that applies to variable remuneration, and that policy addresses unvested and/or Vested Rights and/or Restricted Shares, then in the event of any inconsistency between the Plan Rules and the policy, the policy shall apply.
- 22.3 At the time of assessing performance and/or service conditions to determine the level of vesting the Board shall also consider the Company's actual risk exposure during the Measurement Period relative to its risk governance policies and, in appropriate circumstances, reduce the level of vesting that would

otherwise have applied. The risk factors to be considered are those that are most relevant to the Company but may include: financial, regulatory, environmental, social, health & safety, governance, customer satisfaction, competition, technology and supply of materials/products.

## **23 No Hedging**

Participants must not enter into an arrangement with anyone if it would have the effect of limiting their exposure to risk in relation to Rights (vested or unvested) or Restricted Shares.

## **24 Bonus Issues, Rights Issues and Capital Reorganisation**

- 24.1 In cases of bonus share issues by the Company the number of Rights held by a Participant shall be increased by the same number as the number of bonus shares that would have been received by the Participants had the Rights been fully paid ordinary shares in the Company, except in the case that the bonus share issue is in lieu of a dividend payment, in which case no adjustment will apply.
- 24.2 In the case of general rights issues to Shareholders there will be no adjustment to the Rights.
- 24.3 In the case of an issue of rights other than to Shareholders there will be no adjustment to the Rights.
- 24.4 In the case of other capital reconstructions the Board may make such adjustments to the Rights as it considers appropriate with a view to ensuring that holders of Rights are neither advantaged nor disadvantaged.
- 24.5 This rule is subject to the application of the Listing Rules.

## **25 Cessation of Employment**

- 25.1 In the event of the termination of employment of a Participant for cause, as determined by the Board, all unvested Rights and Rights subject to an Exercise Restriction Period will be forfeited by that Participant unless otherwise determined by the Board.
- 25.2 Unless an Invitation otherwise specifies, if a Participant ceases to be an employee of the Group, Performance Rights held by them in respect of which the Measurement Period has not been completed will be forfeited, unless otherwise determined by the Board.
- 25.3 Performance Rights that do not lapse at cessation of employment will continue to be held by Participants with a view to testing for vesting at the end of the Measurement Period. The Board has discretion to determine that any service conditions have been fulfilled at the end of the Measurement Period, regardless of whether or not a Participant remains employed by the Group.
- 25.4 If a Participant ceases to be an employee of the Group then Service Rights will be dealt with as specified in the relevant Invitation. In respect of Service Rights that are not forfeited upon cessation of employment, the Board has discretion to determine that any service conditions have been fulfilled at the end of the Measurement Period, regardless of whether or not a Participant remains employed by the Group.

## **26 Retirement Benefit Limit**

Notwithstanding any other provision in these Rules, the Company is not required to provide or procure the provision of any benefit which would result in a breach by the Company of Division 2 of Part 2D.2 of the Corporations Act relating to termination benefits to any Participants who are the holder of a managerial or executive office unless any prior approval required from the Shareholders for the provision of such a benefit has been sought and obtained by the Company.

## **27 Change in Control and Delisting**

- 27.1 Unless otherwise determined by the Board, in the event the Board determines that the Company will be imminently de-listed, whether in the case of a Change in Control or otherwise, the Vesting Conditions attached to the Tranche at the time of the Application will cease to apply and:
  - (a) Performance Rights constructed as Share Appreciation Rights will vest 100% unless otherwise determined by the Board,

- (b) unvested Performance Rights subject to a nil Exercise Price will vest in accordance with the application of the following formula to each unvested Tranche as at a date determined by the Board (Effective Date), noting that negative results will be taken to be nil and vesting cannot exceed 100%:

$$\begin{array}{ccccccc} \text{Number of} & & \text{Unvested} & & \text{\% of First Year} & & \text{(Share Price at the Effective Date – Share price at} \\ \text{Performance} & & \text{Performance} & & \text{of} & & \text{Measurement Period Commencement Date)} \\ \text{Rights in} & = & \text{Rights in} & \times & \text{Measurement} & \times & \text{Share price at Measurement Period Commencement} \\ \text{Tranche to Vest} & & \text{Tranche} & & \text{Period Elapsed} & & \text{Date} \\ & & & & & & \text{Date} \end{array}$$

- (c) any remaining unvested Performance Rights will vest to the extent, if any, determined by the Board having regard to performance over the Measurement Period prior to the Effective Date,
- (d) any unvested Performance Rights that remain following (b) and (c) will lapse, unless the Board determines that Participants may continue to hold unvested Rights following the Effective Date,
- (e) some or all unvested Service Rights may vest to the extent determined by the Board in its discretion, having regard to the circumstances that gave rise to the grant of Service Rights and any remainder will lapse immediately,
- (f) any unexercised Rights held by a Participant that are subject to an Exercise Restriction Period will cease to be so restricted on the date that the Board determines in its sole discretion, and
- (g) any Specified Disposal Restriction Period will be lifted, including the removal of any Company initiated CHES holding lock.

27.2 In the event the Board determines that the Company will be imminently become the subject of a Change in Control without delisting, the Board may make adjustments to:

- (a) Vesting Conditions,
- (b) Measurement Period,
- (c) Exercise Restriction Period,
- (d) Specified Disposal Restriction Period,
- (e) Exercise Price, and
- (f) Any automatic exercise of Vested Rights,

in respect of any Rights previously issued under these Rules and in accordance with the ASX Listing Rules, as necessary to ensure that the plan will operate as intended following the Change in Control.

## 28 Major Return of Capital to Shareholders or Demerger

In the event that the Board forms the view that a major part of the Company's assets or operations will imminently cease to be owned by the Group due to an intention to sell or separately list those assets or operations, or in the event of a major return of capital to Shareholders, the Board will determine the treatment of all vested and unvested Rights and Restricted Shares held by Participants including but not limited to vesting, lapsing and removal of the Exercise Restriction Period and Specified Disposal Restriction Period, and the automatic exercise of vested Rights on a specific date.

## 29 Disclosure Relief

Invitations will be made under Division 1A of Part 7.12 of the Corporations Act, unless otherwise specified in the relevant Invitation.

## 30 Employee Share Scheme Taxing Provisions to Apply

Subdivision 83A-C of the Income Tax Assessment Act 1997 applies to this Plan including to all Rights granted under the Plan and all Shares that arise from the exercising of Rights.

### 31 Overseas Transfers

If a Participant is transferred to work in another country and, as a result of that transfer, the Participant would:

- (a) suffer a tax disadvantage in relation to their Rights (this being demonstrated to the satisfaction of the Board); or
- (b) become subject to restrictions on their ability to deal with the Rights, or to hold or deal in the Shares or the proceeds of the Shares acquired on exercise, because of the security laws or exchange control laws of the country to which he or she is transferred,

then, if the Participant continues to hold an office or employment with the Group, the Board may decide that the Performance or Service Rights will vest on a date it chooses before or after the transfer takes effect, and that any Exercise Restriction Period or Disposal Restriction Period cease to apply. Any remainder may lapse or not lapse as determined by the Board.

### 32 Non-Australian Residents

When a Right is granted under the Plan to a person who is not a resident of Australia, the provisions of the Plan apply subject to such alterations or additions as the Board determines having regard to any applicable or relevant laws, matters of convenience and desirability and similar factors which may have application to the Participant or to the Company in relation to Rights. Such alterations or additions shall be specified in the Invitation.

Any such minute or determination shall be prima facie evidence of the determination in the absence of manifest error.
- 33.2 The Board may at any time by written instrument, or by resolution of the Board, amend or repeal all or any of the provisions of the Rules, including this Rule.
- 33.3 No amendment to or repeal of the Rules is to reduce the existing rights of any Participant in respect of any accepted Application that had commenced prior to the date of the amendment or repeal, other than with the consent of the Participant or where the amendment is introduced primarily:
  - (a) for the purpose of complying with or conforming to a present or future State, Territory or Commonwealth legal requirement governing, regulating or effecting the maintenance or operation of the Plan or like plans;

  - (c) to address possible adverse tax implications for Participants generally or the Company arising from:

### DEFAULT TO CHAIRMAN OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chairman of the Meeting, who is required to vote those proxies as directed. Any undirected proxies that default to the Chairman of the Meeting will be voted according to the instructions set out in this Proxy Form, including where the Resolutions are connected directly or indirectly with the remuneration of KMP.

### VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by placing a mark in one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

### APPOINTMENT OF A SECOND PROXY

You are entitled to appoint up to two persons as proxies to attend the Meeting and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning the Company's share registry or you may copy this form and return them both together.

To appoint a second proxy you must:

- on each of the first Proxy Form and the second Proxy Form state the percentage of your voting rights or number of shares applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- return both forms together.
