EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared for the Shareholders of Meteoric Resources NL ABN 64 107 985 651 (**Company**) in connection with the business to be conducted at the Annual General Meeting of the Company to be at BDO Australia, Level 9, Mia Yellagonga Tower 2, 5 Spring Street, Perth WA 6000 on Wednesday, 19 November 2025 at 11:00am (WST).

This Explanatory Memorandum should be read in conjunction with, and form part of, the accompanying notice. The Directors recommend that Shareholders read this Explanatory Memorandum in full before making any decision in relation to the Resolutions.

Terms used in this Explanatory Memorandum will, unless the context otherwise requires, have the same meaning given to them in the glossary as contained in this Explanatory Memorandum.

Financial and Other Reports

As required by Section 317 of the Corporations Act, the financial statements for the year ended 30 June 2025 and the accompanying directors' report and auditor's report will be laid before the meeting.

Neither the Corporations Act, nor the Company's Constitution requires a vote on the reports. However, the Shareholders will have an opportunity to ask questions about the reports at the AGM.

1. Resolution 1 – Remuneration Report

1.1. Introduction

As required by the Corporations Act, the Board has presented the Remuneration Report to Shareholders for consideration and adoption by a non-binding vote. The Remuneration Report contains:

- information about the Board's policy for determining the nature and amount of remuneration of the Directors and senior executives of the Company;
- a description of the relationship between the Company's remuneration policy and the Company's performance;
- a summary of performance conditions for each of the Directors and senior executives, including a summary of why they were chosen and how performance is measured against them; and
- remuneration details for each Director and for each of the Company's specified executives.

The Remuneration Report, which is part of the Annual Report, has been sent to Shareholders who have made an election to receive the Annual Report. Copies of the Annual Report are available on the Company's web site www.meteoric.com.au.

1.2. Voting Consequences

The Corporations Act requires that a listed company must put to its shareholders at its annual general meeting a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (Spill Resolution) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against a adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (Spill Meeting) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

1.3. Previous Voting Results

At the Annual General Meeting held on 22 October 2024, the Company received votes of 88.69% in favour of the Remuneration Report and accordingly the Spill Resolution is not relevant for this Annual General Meeting.

If the Remuneration Report receives a 'no' vote of 25% or more at this Annual General Meeting, Shareholders should be aware that if there is a 'no' vote of 25% or more at the Company's next annual general meeting the consequences are that all Directors (other than the Managing Director) may be up for re-election.

1.4. Voting on the Remuneration Report

METEORIC RESOURCES NL
ABN 64 107 985 651
EXPLANATORY MEMORANDUM

In accordance with the Corporations Act, a vote on Resolution 1 must not be cast (in any capacity) by or on behalf of any persons falling within either of the following classes:

- (a) a member of the key management personnel, details of whose remuneration are included in the Remuneration Report; or
- (b) a Closely Related Party of such a member.

However, a person described above may cast a vote on Resolution 1 as a proxy if the vote is not cast on behalf of a person described in subparagraphs (a) or (b) above and either:

- (a) the person does so as a proxy appointed in writing that directs how the proxy is to vote on Resolution 1; or
- (b) the person is the Chair and the appointment of the Chair as proxy:
 - (i) does not specify the way the proxy is to vote on Resolution 1; and
 - (ii) expressly authorises the Chair to exercise the proxy even if Resolution 1 is connected directly or indirectly with the remuneration of the key management personnel.

The Chair will cast available proxies in favour of Resolution 1.

2. Resolution 2 – Re-election of Dr Andrew Tunks as a Director

2.1. Introduction

Clause 12.3 of the Constitution provides that:

- (a) A Director must not hold office without re-election:
 - (i) past the third annual general meeting following the Director's appointment or last election; or
 - (ii) for more than three years,whichever is the longer.
- (b) There must be an election of Directors at each annual general meeting of the Company. This can be satisfied by one or more of the following so long as the maximum number of Directors set by the Company in general meeting (if applicable) is not exceeded:
 1. a person standing for election as a new Director having nominated in accordance with article 12.6;
 2. any Director who was appointed under article 12.7 standing for election as a Director;
 3. any Director who is retiring at the end of the annual general meeting due to the tenure limitation in article 12.3(a), standing for re-election; or
 4. if no person or Director is standing for election or re-election in accordance with paragraphs (a), (b) or (c), then the Director who has been a Director the longest without re-election must retire and stand for re-election. If two or more Directors have been a Director the longest and an equal time without re-election, then in default of agreement, the Director to retire will be determined by ballot.
- (c) This article does not apply to one Managing Director who is exempt from retirement and re-election in accordance with article 13.10.

This article 12.3 only applies while the Company is on the official list of ASX

Dr Andrew Tunks was appointed by the Directors as Non-Executive Director on 10 January 2018 and subsequently appointed Executive Chairman on 3 April 2023

Dr Tunks was re-appointed by the Directors pursuant to Clause 12.3 of the Constitution on 6 April 2018 and 23 November 2022 and accordingly, and pursuant to Listing Rule 14.4, holds office until the date of this Meeting, and being eligible, seeks re-election.

Resolution 2 is an ordinary resolution, requiring a simple majority of eligible votes cast by the Shareholders if it is to be passed.

2.2. Director's Biography

Dr Tunks is a member of the Australian Institute of Geoscientist holding a B.Sc. (Hons.) from Monash and a Ph.D from the University of Tasmania. Dr Tunks has held numerous senior executive positions in a range of small to large resource companies including Auroch Minerals, A-Cap Resources, IMAGOLD Corporation and Aboosso Goldfields.

In his role as CEO and director of A-Cap Resources Dr. Tunks led the discovery of the 10th largest uranium resource in the world and managed four separate capital raisings totalling AUD\$45 million. Through his 30-year career within the resource and academic sectors Dr. Tunks has developed a unique skill set including technical, promotional and corporate.

2.3. Directors' Recommendation

The Board (other than Dr Tunks) unanimously supports the re-election of Dr Tunks.

3. Resolution 3 – Change of Company Type

3.1. Change of Company Type

Section 162(1) of the Corporations Act provides that a company change to a company of a different type (including from a public no liability company to a public company limited by shares) in circumstances where all of the issued shares of the company are paid up, by passing a special resolution resolving to change its type.

Resolution 3 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders entitled to vote on the Resolution must be in favour of Resolution 3 for it to be passed.

If Resolution 3 is not passed, the Company will not be able to change its company type from a public liability company to a public company limited by shares.

3.2. Directors' Recommendation

The Directors of the Company believe that this Resolution is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of Resolution 3.

4. Resolution 4 – Ratification of Prior Issue - Placement Shares

4.1. General

On 23 July 2025 the Company advised it had received commitments for a placement of 303,571,429 new Shares pursuant to Listing Rule 7.1 (**Placement Shares**) at an issue price of \$0.14 to raise \$42,500,000 (before costs) (**Placement**).

Funds from the Placement will be used primarily to support the Company's forward development strategy of the Caldeira REE Project, including accelerating the project towards Final Investment Decision in 2026.

The Placement was not underwritten. Canaccord Genuity (Australia) Limited and SCP Resource Finance LP acted as Joint Lead Managers and Bookrunners to the Placement and were paid fees of 6% cash on gross proceeds raised.

4.2. ASX Listing Rule 7.1

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule, the Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

The issue of the of the Placement Shares does not fit within any of the exception set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Placement Shares.

By ratifying the issue of the Placement Shares, the Company will retain the flexibility to issue equity securities in the future up to the 15% annual placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

If Resolution 4 is not passed, the Placement Shares issued under the Placement will be included in the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the date of issue of such Shares.

4.3. Technical Information required by Listing Rule 14.1A

If Resolution 4 is passed, the Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Shares.

If Resolution 4 is not passed, the Placement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Shares.

4.4. Technical information required by ASX Listing Rule 7.4

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to the Resolution 4:

- (i) the Placement Shares were issued to sophisticated, professional or other exempt investors, identified by the Joint Lead Managers. Given the stage of development of the Company, the jurisdiction of the assets and size of the placement, the Joint Lead Managers targeted specific institutional groups that would be comfortable with the risk profile of the Company and able to participate in the placement in material manner. None of the subscribers to the Placement were related parties of the Company. No other applicant was a member of the Company's key management personnel, a substantial holder in the Company, an advisor to the entity or an associate of any of these persons and were not issued more than 1% of the entity's current issued capital;
- (ii) a total of 303,571,429 Placement Shares were issued under the Company's Listing Rule 7.1 capacity;
- (iii) the issue price was \$0.14 per Placement Share;
- (iv) the Placement Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (v) the Placement Shares were issued on 30 July 2025 and 1 August 2025;
- (vi) the purpose of the issue of the Placement Shares and the intended use of the funds raised under the Placement is summarised in section 4.1 above;
- (vii) the Placement Shares were issued pursuant to a co-manager appointment letter with the Joint Lead Managers, the terms of which have been summarised at section 4.1 above; and
- (viii) a voting exclusion statement is set out in Resolution 4 of the Notice.

4.5. Directors' Recommendation

The Directors of the Company believe Resolution 4 is in the best interest of the Company and its Shareholders and unanimously recommend that the Shareholders vote in favour of this Resolution.

5. Resolutions 5-7 - Issue of Shares –Dr Andrew Tunks, Dr Marcelo de Carvalho and Mr Stuart Gale

5.1. General

On 2 June 2023 the Company received Shareholder approval for the adoption of the "Meteoric Resources NL Employee Securities Incentive Plan" (**Plan**) and the provision for the issue of 100,000,000 Securities under that Plan.

The aim of the Plan is to allow the Board to assist eligible persons under the Plan, who in the Board's opinion, are dedicated and will provide ongoing commitment and effort to the Company. Eligible persons are full-time or permanent part-time employees of the Company or a related body corporate (which includes Directors, the company secretary and officers), or such other persons as the Board determines.

To achieve its corporate objectives, the Company needs to attract and retain its key staff. The Board believes that grants made to eligible persons under the Plan provides a powerful tool to underpin the Company's employment and engagement strategy, and that the implementation of the plan will:

- enable the Company to recruit, incentivise and retain key personnel and other employees needed to achieve the Company's business objectives;
- link the reward of key staff with the achievements of strategic goals and the long term performance of the Company;
- align the financial interest of participants in the Plan with those of Shareholders; and
- provide incentives to participants in the Plan to focus on superior performance that creates Shareholder value.

The key features of the Plan are as follows:

EXPLANATORY MEMORANDUM

5.2. Chapter 2E and ASX Listing Rule 10.14

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in Sections 217 to 227 of the Corporations Act; and
 - (b) give the benefit within 15 months following such approval,
- unless the giving of the financial benefit falls within an exception set out in Sections 210 to 216 of the Corporations Act.

The issue of the STI Shares pursuant to the Plan constitutes giving a financial benefit and, Dr Tunks, Dr de Carvalho and Mr Gale (**Related Parties**) who are related parties of the Company by virtue of being Directors.

In addition, ASX Listing Rule 10.14 also requires Shareholder approval to be obtained where an entity issues, or agrees to issue, securities under an employee incentive scheme to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in ASX Listing Rule 10.12 applies.

The proposed issue of STI Shares to the Related Parties requires the Company to obtain Shareholder approval pursuant to ASX Listing Rule 10.14 because it will result in the Company issuing securities to a related party of the Company under an employee incentive scheme. Accordingly, Shareholder approval is sought pursuant ASX Listing Rule 10.14 (in accordance with the provisions of Listing Rule 10.15).

Approval pursuant to ASX Listing Rule 7.1 is not required in order to issue the STI Shares to the Related Parties as approval is being obtained under ASX Listing Rule 10.14. Accordingly, the issue of the STI Shares to the Related Parties will not be included in the 15% calculation of the Company's annual placement capacity pursuant to ASX Listing Rule 7.1. If Resolutions 5 to 7 are not passed the Company will not be able to issue the STI Shares to the Directors and will need to consider additional methods of appropriately incentivising the Board including the payment of cash.

Resolutions 5 to 7 are ordinary resolutions.

5.3. Technical information required by Chapter 2E of the Corporations Act and ASX Listing Rule 10.15

Pursuant to and in accordance with the requirements of sections 219 of the Corporations Act and ASX Listing Rule 10.15, the following information is provided in relation to the proposed issue of STI Shares:

- (d) No loan has been or will be given to Dr Tunks, Dr de Carvalho and Mr Gale relating to the grant of the STI Shares. The STI Shares will be granted for nil consideration as short-term incentives for the Directors. Accordingly, no funds will be raised from the grant of the STI Shares.

- (k) The relevant interests of the Eligible Participants in securities of the Company as at the date of this Notice are set out below:

Dr Andrew Tunks	\$320,000	\$1,220,126	\$805,298
Dr Marcelo de Carvalho	\$318,769	\$1,143,868	\$699,906
Mr Stuart Gale	\$450,000	\$2,213,426	\$476,646

- (m) If the maximum number of STI Shares are issued to the Eligible Participants, a total of 2,581,518 STI Shares would be issued. This will increase the number of Shares on issue from 2,640,934,211 to 2,643,515,729 (assuming that no Options or Performance Rights are exercised and no other Shares are issued) with the effect that the shareholding of existing Shareholders would be diluted by an aggregate of 0.98%, comprising 0.43% for Dr Tunks, 0.43% for Dr de Carvalho and 0.12% for Mr Gale.
- (n) The primary purpose of the issue of the STI Shares is to provide a performance linked short term incentive component in the remuneration package for the Eligible Participants to motivate and reward the performance of the Eligible Participants in their respective roles as Executive Directors. In addition, by providing the Eligible Participants with a portion of their remuneration as Short Term Incentives under the Plan, the Company retains that additional cash for use in other aspects of its operations.
- (o) Dr Andrew Tunks declines to make a recommendation to Shareholders in relation to Resolution 5 due to his material personal interest in the outcome of the Resolution. However, in respect of Resolutions 6 and 7, he recommends that Shareholders vote in favour of that Resolution for the following reasons:
- a. the STI Shares align the interests of the Eligible Participants with those of Shareholders by creating a stronger link between performance resulting in increased Shareholder value and reward to the Eligible Participant. Each Eligible Participant will have a greater involvement with, and share in, any future growth and profitability of the Company; and

EXPLANATORY MEMORANDUM

- b. the provision of the STI Shares is a reasonable and appropriate method to provide benefits to the Eligible Participants as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash benefits were given to the Eligible Participants;
- (p) Dr de Carvalho declines to make a recommendation to Shareholders in relation to Resolution 6 due to his material personal interest in the outcome of the Resolution. However, in respect of Resolutions 5 and 7, he recommends that Shareholders vote in favour of that Resolution for the reasons set out in paragraph (n);
- (q) Mr Gale declines to make a recommendation to Shareholders in relation to Resolution 7 due to his material personal interest in the outcome of the Resolution. However, in respect of Resolutions 5 and 6, he recommends that Shareholders vote in favour of that Resolution for the reasons set out in paragraph (n);
- (r) In forming their recommendations, each Director considered the experience of each other Eligible Participant, the existing and proposed contribution of each Eligible Participant to the Company and the current market practices when determining the provision of the awards proposed;
- (s) The Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolutions 5 to 7.

5.4. Section 195(4) Corporations Act

Three of the Company's six directors have a material personal interest in the outcome of Resolution 5 to 7 (as applicable to each Director) in this Notice of Meeting by virtue of the fact that Resolutions 5 to 7 are concerned with the issue of STI Shares to those Directors.

Section 195 of the Corporations Act essentially provides that a director of a public company may not vote or be present during meetings of directors when matters in which that director holds a material personal interest are being considered.

In the absence of Shareholder approval under section 195(4) of the Corporations Act, the Directors may not be able to form a quorum at Board meetings necessary to carry out the terms of these Resolutions. The Directors have accordingly exercised their right under section 195(4) of the Corporations Act to put the issue to Shareholders to determine.

5.5. Directors' Recommendation

The Directors (other than Dr Tunks, Dr de Carvalho and Mr Gale) of the Company believe Resolutions 5 to 7 are in the best interest of the Company and its Shareholders and unanimously recommend that the Shareholders vote in favour of the Resolutions.

SCHEDULE 1- SUMMARY OF INCENTIVE PLAN

A summary of the terms of the Meteoric Resources NL Employee Securities Incentive Plan is set out below.

1. Eligible Participant

Eligible Participant means a person who is a full-time or part-time employee, officer, or contractor of the Company, or an Associated Body Corporate, or such other person who has been determined by the Board to be eligible to participate in the Plan from time to time. The Company will seek Shareholder approval for Director and related party participation in accordance with Listing Rule 10.14.

2. Purpose

The purpose of the Plan is to:

- (a) assist in the reward, retention and motivation of Eligible Participants;
- (b) link the reward of Eligible Participants to Shareholder value creation; and
- (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.

3. Plan administration

The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion. The Board may delegate its powers and discretion.

4. Eligibility, invitation and application

The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides.

On receipt of an Invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part.

If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

5. Grant of Securities

The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.

6. Terms of Convertible Securities

Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them unless otherwise determined by the Board. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

7. Vesting of Convertible Securities

Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.

8. Exercise of Convertible Securities and cashless exercise

To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Security (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice.

An invitation may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

9. Delivery of Shares on exercise of Convertible Securities

As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.

10. Forfeiture of Convertible Securities

SCHEDULE 1- SUMMARY OF INCENTIVE PLAN

Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly; committed an act which has brought the Company, the Group or any entity within the Group into disrepute, or wilfully breached his or her duties to the Group or where a Participant is convicted of an offence in connection with the affairs of the Group; or has a judgment entered against him or her in any civil proceedings in respect of the contravention by the Participant of his or her duties at law, in equity or under statute, in his or her capacity as an employee, consultant or officer of the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

- (a) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and
- (b) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation or vesting notice.

11. Change of control

If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event provided that, in respect of Convertible Securities, the maximum number of Convertible Securities (that have not yet been exercised) that the Board may determine will vest and be exercisable into Shares under this Rule is that number of Convertible Securities that is equal to 10% of the Shares on issue immediately following vesting under this Rule, which as far as practicable will be allocated between holders on a pro-rata basis on the basis of their holdings of Convertible Securities on the date of determination of vesting.

12. Rights attaching to Plan Shares

All Shares issued or transferred under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (**Plan Shares**) will rank *pari passu* in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.

13. Disposal restrictions on Plan Shares

If the invitation provides that any Plan Shares are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

For so long as a Plan Share is subject to any disposal restrictions under the Plan, the Participant will not:

- (a) transfer, encumber or otherwise dispose of, or have a security interest granted over that Plan Share; or
- (b) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.

14. Adjustment of Convertible Securities

If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

15. Participation in new issues

There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.

16. Compliance with applicable law

No Security may be offered, grated, vested or exercised if to do so would contravene any applicable law. In particular, the Company must have reasonable grounds to believe, when making an invitation, that the total number of Plan Shares that may be issued upon exercise of Convertible Securities offer when aggregated with the number of Shares issued or that may be issued as a result of offers made at any time during the previous three year period under:

- an employee incentive scheme of the Company covered by ASIC Class Order 14/1000; or
- an ASIC exempt arrangement of a similar kind to an employee incentive scheme,

but disregarding any offer made or securities issued in the capital of the Company by way of or as a result of:

- (i) an offer to a person situated at the time of receipt of the offer outside Australia;
- (ii) an offer that did not need disclosure to investors because of section 708 of the Corporations Act (exempts the requirement for a disclosure document for the issue of securities in certain circumstances to investors who are deemed to have sufficient

SCHEDULE 1- SUMMARY OF INCENTIVE PLAN

investment knowledge to make informed decisions, including professional investors, sophisticated investors and senior managers of the Company); or

(iii) an offer made under a disclosure document,

would exceed 5% (or such other maximum permitted under any applicable law) of the total number of Shares on issue at the date of the invitation.

17. Maximum number of Securities

The Company will not make an invitation under the Plan if the number of Plan Shares that may be issued, or acquired upon exercise of Convertible Securities offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan, will exceed 76,000,000 (Related Parties excluded).

18. Amendment of Plan

Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

19. Plan duration

The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.

20. Income Tax Assessment Act

The Plan is a plan to which Subdivision 83A-C of the Income Tax Assessment Act 1997 (Cth) applies (subject to the conditions in that Act).
