ASX Listing Rule 7.1A

Resolution 4 – ASX Listing Rule 7.1A Approval of Future Issue of Securities

Background

ASX Listing Rule 7.1 generally limits the number of equity securities that a listed company may issue without shareholder approval in any 12-month period to 15% of its issued share capital at the start of that period, subject to certain exceptions.

ASX Listing Rule 7.1A, however, enables an "eligible entity" to seek Shareholder approval by way of a special resolution at its AGM to increase this placement capacity by an additional 10%. An eligible entity is one that, as at the date of the AGM:

- has a market capitalisation of \$300 million or less; and
- is not included in the S&P/ASX 300 Index.

As at the date of this Notice, the Company has a market capitalization of approximately \$83,243,655 and is therefore an eligible entity for the purposes of Listing Rule 7.1A. If the Company is not an eligible entity as at the date of the AGM, Resolution 4 will be withdrawn.

Resolution 4 seeks Shareholder approval by way of a special resolution to allow the Company an additional 10% placement capacity under Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will have the flexibility to issue equity securities up to 25% of its issued capital without further Shareholder approval (i.e., 15% under Listing Rule 7.1 plus an additional 10% under Listing Rule 7.1A).

If this Resolution is not passed, the Company will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1 and will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A.

Information Required by ASX Listing Rule 7.3A

The following information is provided to Shareholders for the purposes of Listing Rule 7.3A.

Period for which the approval will be valid

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) The date which is 12 months after the date of the annual general meeting at which the approval is obtained.
- (b) The time and date of the Company's next annual general meeting.
- (c) The time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).

Minimum price at which the equity securities may be issued under Listing Rule 7.1A

Any equity securities issued under the additional capacity must be in an existing quoted class of the Company's equity securities and must be issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in the class, calculated over 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at which the equity securities are to be issued is agreed by the Company and the recipient of the equity securities; and
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a), the date on which the equity securities are issued.

Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used:

As noted above, any equity securities under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholders approve this Resolution. However, if Shareholders approved this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used for the following purposes:

- (a) raising funds to further develop the Company's business expansion; and
- (b) raising funds to be applied to the Company's working capital requirements.

Risk of economic and voting dilution to existing Shareholders:

If this Resolution is approved, Shareholders may be subject to potential economic and voting dilution as a result of any issues equity securities under Listing Rule 7.1A. This dilution arises because the Company may issue additional shares, which could decrease the proportionate interest of existing Shareholders in the Company.

There is also a risk that:

- the market price for the Company's equity quoted class of securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
- the equity securities may be issued at a price that is at a discount to the prevailing market price for the Company's equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

The table below shows the potential dilution of existing Shareholders on the basis of 3 different assumed issue prices and values for the variable "A" in the formula in rule 7.1A.2.

Allocation Policy for issues under Listing Rule 7.1A

The Company's allocation policy and the identity of the allottees of equity securities under Listing Rule 7.1A will depend on a number of factors, including:

- (a) the Company's intentions in relation to the possible issue of equity securities (for cash consideration) during the Listing Rule 7.1A mandate period;
- (b) the structure and timeframe of the capital raising opportunities available to the Company and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
- (c) the potential effect on the control of the Company;
- (d) the Company's financial position and the likely future capital requirements; and
- (e) advice from the Company's corporate or financial advisors.

Based on the Company's historical cashflow reports and capital raising activities in the past 12 months, the Company considers that it may raise funds during the Listing Rule 7.1A mandate period, although this cannot be guaranteed. As of the date of this Notice, no specific intention to issue equity securities in relation to any parties, investors or existing Shareholders have been formed. In addition, no intentions have been formed in relation to the possible number of issues or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules and the Corporations Act, the Board of Directors reserves the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

If and when the determination is made to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company's obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders of the Company, clients of the Australian Financial Services Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

Issue or agreement to issue equity securities under Listing Rule 7.1A in the 12 months prior to AGM:

The Company has not issued or agreed to issue equity securities under Listing Rule 7.1A.2 in the 12 months preceding the AGM. Any increase in issued capital during this period was the result of the conversion of existing employee options and performance rights, which are excluded under the exceptions in Listing Rule 7.2.

This Resolution is a Special Resolution. For a Special Resolution to be passed, at least 75% of the votes validly cast on the resolution by Shareholders (by number of ordinary Shares) must be in favour of this Resolution.

Directors' recommendation

The Board of Directors recommend that Shareholders vote for this Resolution.

Resolution 5 – Approval of the CEO and Managing Director’s FY2026 Long-Term Incentive Grant of Performance Rights

Background

The Company seeks to invite Brendan Malone, CEO and Managing Director of the Company, subject to Shareholder approval that is sought under this Resolution, to participate in the Company’s Equity Incentive Plan approved by Shareholders on 28 November 2023 by the issue of 353,705 Performance Rights (the **Incentive Securities**) under that Incentive Plan, subject to Shareholder approval under Listing Rule 10.14.

Details of Brendan Malone’s total remuneration package

Brendan’s remuneration package for FY26, which is consistent with FY25, is as follows:

	FY26 at Target	FY26 at Stretch
Fixed Remuneration (FR) inclusive of superannuation	\$625,875	\$625,875
Short Term Incentive (STI)	\$163,314	\$244,971
Long Term Incentive (LTI)	\$163,314	\$244,971
Total Remuneration	\$952,503	\$1,115,817

Long Term Incentives (LTI) form part of the Company’s core remuneration strategy, providing executives with a variable, at-risk remuneration component, aligned with Shareholders’ interests.

The number of Performance Rights has been determined using a 10 days VWAP post the FY25 results announcement of \$0.692586¹. The number of Performance Rights proposed to be granted of 353,705 represents \$244,971 divided by \$0.692586.

The objective of the proposed grant is to link Brendan’s incentives with longer-term value creation for Shareholders, and to align his interests with those of Shareholders generally, by the imposition of ‘Total Shareholder Returns’ and ‘Earning Per Share’ hurdles.

¹ The 10 days VWAP from 1 September 2025 to 12 September 2025

A summary of the Performance Rights and Conditions are provided below:

LTI Hurdle	Weighting	Performance Rights	Performance Conditions
Total Shareholder Return (TSR)	50%	176,852	<ul style="list-style-type: none"> • Less than Target² of \$1.00 will result in nil vesting • Attaining the Target of \$1.00 will result in 66.7% vesting • Attaining the Stretch³ of \$1.20 will result in 100% vesting • Straight line vesting will apply between Target and Stretch • TSR will be measured against the 5VWAP post the FY28 results being released to market
Earnings Per Share (EPS)	50%	176,853	<ul style="list-style-type: none"> • Less than Target⁴ of 4.50 cents per share will result in nil vesting • Attaining the Target of 4.50 cents per share will result in 66.7% vesting • Attaining the Stretch³ of 5.31 cents per share will result in 100% vesting • Straight line vesting will apply between Target and Stretch
	100%	353,705	

Performance Rights with the same performance conditions will be approved for KMP and other executives.

Further details about the LTI instruments are set out below in these Explanatory Notes.

Board discretions regarding satisfaction of performance conditions under this Resolution 5

Notwithstanding any other provision in this Explanatory Memorandum the Board is provided with certain discretions under the Equity Incentive Plan, including to reduce or waive any performance condition at any time and in any particular case. The Board will exercise such discretions in a manner consistent with protecting the Company's long-term stability, sound risk management, acting in good faith and aligned with the creation of long-term shareholder value.

² Target TSR of \$1.00 is equivalent to a 3 year CAGR of 14.65% on the 5VWAP of \$0.663537 from 1 September to 5 September.

³ Stretch TSR of \$1.20 is equivalent to a 3 year CAGR of 21.83% on the 5VWAP of \$0.663537

⁴ Given FY25 EPS was negative, a CAGR on a negative starting point is invalid.

In determining whether the performance conditions attaching to the Performance Rights which are proposed to be granted to Brendan, the calculation of the:

- TSR (and achievement of the TSR performance conditions); and
- EPS (and achievement of the EPS performance conditions)

will be determined by the Board in its absolute discretion, having regard to those matters that it considers relevant and, the Board may make such adjustments that it considers appropriate to give the performance conditions attaching to the Performance Rights their intended effect (including any adjustments for unusual or non-recurring items that the Board considers appropriate).

Director and Related Party Approvals

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire securities under an employee incentive scheme unless it obtains the approval of its shareholders:

- (a) **Listing Rule 10.14.1** – a director of the Company.
- (b) **Listing Rule 10.14.2** – an associate of a director of the Company.
- (c) **Listing Rule 10.14.3** – a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

As Brendan Malone is a Director of the Company, the proposed issue of Incentive Securities constitutes the acquisition of securities under an employee incentive scheme for the purposes of Listing Rule 10.14 and therefore requires the approval of the Company's Shareholders under Listing Rule 10.14.

This Resolution seeks the required Shareholder approval to issue the Incentive Securities to Brendan Malone under and for the purposes of Listing Rule 10.14.

If approval is obtained under Listing Rule 10.14, in accordance with Listing Rule 10.12 (exception 8), separate approval is not required under Listing Rule 10.11.

If this Resolution is passed, the Company will be able to proceed with the proposed issue of Incentive Securities to Brendan Malone.

If this Resolution is not passed, the Board will restructure Mr Malone's remuneration arrangement to an equivalent cash-based compensation structure tied to performance of the Company over the same performance period proposed for the Incentive Securities.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) The giving of the financial benefit falls within one of the exceptions set out in sections 210 or 216 of the Corporations Act.
- (b) Shareholder approval is obtained prior to the giving of the financial benefit in the manner set out in sections 217 to 227 of the Corporations Act.
- (c) The proposed issue of Incentive Securities constitutes the giving of a financial benefit.

A “related party” for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of “related party” also includes a person whom there is reasonable grounds to believe will become a “related party” of a public company.

The non-conflicted Directors of the Company (being Kelly Humphreys, Jonathan Brett, Juliana Nguyen and Paul Rogan), carefully considered the issue of these Incentive Securities to Brendan Malone and formed the view that the giving of this financial benefit as part of his remuneration would be reasonable, given the circumstances of the Company, the quantum and terms of the Incentive Securities, and the responsibilities held by Brendan Malone in the Company.

Accordingly, the non-conflicted Directors of the Company believe that the issue of these Incentive Securities to Brendan Malone fall within the “reasonable remuneration” exception as set out in section 211 of the Corporations Act and relies on this exception for the purposes of this Resolution. Therefore, the proposed issue of Performance Rights to Brendan Malone requires Shareholder approval under and for the purposes of Listing Rule 10.14 only.

The following information in relation to the issue of Incentive Securities to Brendan Malone is provided to Shareholders for the purposes of ASX Listing Rule 10.15:

At the 2024 AGM, held on 26 November 2024, a resolution was passed to issue Incentive Securities to Brendan Malone. Prior to that, the Incentive Plan was approved by Shareholders on 28 November 2023 and 19 November 2020, and the Company issued the following Incentive Securities to Brendan Malone:

Date	Number of securities received	Acquisition price for each security	Exercise price per Option

- (f) The material terms of the Incentive Securities are as follows:

- (g) The Company has chosen this type of security because it aligns the interests of Shareholders with the Company's Managing Director, and has appropriate performance measures.
- (h) The Incentive Securities will be issued within 3 years from the date of this Meeting, if approved by Shareholders of the Company at the 2025 Annual General Meeting.
- (i) The Incentive Securities are being issued for nil consideration pursuant to the terms of the Incentive Plan.
- (j) The material terms of the Incentive Plan are set out in Annexure A of this Notice of Meeting.
- (k) The Company will not issue a loan to Brendan Malone for the acquisition of the Incentive Securities.
- (l) Details of any securities issued under the Incentive Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue of securities was obtained under ASX Listing Rule 10.14. Any additional persons covered by Listing Rule 10.14 who become entitled to participate in the Incentive Plan after the resolution was approved and who were not named in the Notice of Meeting, will not participate until approval is obtained under ASX Listing Rule 10.14.

Directors' Recommendation

The Board of Directors (excluding Brendan Malone) recommend Shareholders vote for this Resolution.

Resolution 6 – Approval of Increase to Non-Executive Director Fee Pool

In accordance with Listing Rule 10.17 and the Company's Constitution, Shareholder approval is sought to increase the maximum aggregate remuneration payable to the Company's non-executive directors in any financial year by \$150,000, from \$550,000 to \$700,000.

Listing Rule 10.17 provides that the Company cannot increase the total aggregate amount of Directors' fees that can be paid to the Company's non-executive Directors without Shareholder approval. These fees encompass all fees payable by the Company or its subsidiary to a non-executive Director for acting as a Director of the Company or its subsidiary (including attending and participating in any Board committee meetings) and includes superannuation contributions for the benefit of a non-executive Director and any fees which a non-executive Director agrees to sacrifice for other benefits. These fees do not include reimbursement of genuine out-of-pocket expenses, genuine "special exertion" fees paid in accordance with the Company's Constitution or securities issued to a non-executive Director under Listing Rules 10.11 or 10.14 with the approval of Shareholders.

The last Shareholder approval for the fee pool was obtained at the Annual General Meeting held on 25 November 2022, where the pool was set at \$550,000 per annum.

The Board seek Shareholder approval to increase the aggregate amount of directors' fees for non-executive directors as:

- (a) it is important to ensure that the Company maintains the ability to pay competitive fees and attract and retain high caliber non-executive directors;
- (b) with the addition of two new non-executive Directors this financial year, the Company will be very close to the existing approved fee pool maximum of \$550,000, with no flexibility and capacity for any increase in future; and
- (c) the size of the proposed increase would be consistent with other ASX listed entities of similar market capitalisation.

If this resolution is passed, it is not intended that there will be any increase in non-executive Directors fees this financial year.

The increase will, however, provide the Company with the ability to attract and retain high quality directors in a competitive market, set the size of the Board appropriate for the Company's needs and to increase fees in the future in line with market conditions.

As required by Listing Rule 10.17, the Company confirms that the following securities have been issued to non-executive directors in the preceding three years (from the date of this Meeting) under Listing Rules 10.11 or 10.14:

Non-Executive Director	Date of Issue	Security	Number	Consideration	Key Terms
Kelly Humphreys	9 December 2022	Unlisted options (under company incentive plan)	175,000	Nil ^(a)	Vest 1 February 2025, and exercisable at \$1.937 each on or before 1 February 2027.
Jonathan Brett	N/A	N/A	Nil	N/A	No company-issued securities since appointment (15 December 2023).
Juliana Nguyen	N/A	N/A	Nil	N/A	No company-issued securities since appointment (13 January 2025).
Paul Rogan	N/A	N/A	Nil	N/A	No company-issued securities since appointment (13 January 2025).

Effect of voting outcome

If Shareholders approve this Resolution, the maximum aggregate amount of fees payable to the Company's Non-Executive Directors will increase from \$550,000 to \$700,000 per annum, effective from the date of the Meeting. While the Board does not presently intend to increase individual Non-Executive Director fees in the current financial year, approval will provide flexibility to appropriately size the Board and its committees and to make future adjustments.

If Shareholders do not approve this Resolution, the maximum aggregate amount will remain at \$550,000 per annum. The Company will continue to operate within the existing cap, and any Board or committee changes would need to be accommodated within the current limit.

Directors' recommendation

Given the nature of this Resolution, the Board does not consider that it is appropriate to make a recommendation on how Shareholders should vote on this Resolution.

Annexure A – Summary of Incentive Plan

Eligibility	<p>The Board has the discretion to determine which employees of the Group are eligible to participate in the Plan, and the number and type of Awards that they will be offered ("Eligible Employee"). This includes anyone employed by the Company or any of its subsidiaries, which can include a director or non-executive director, or anyone else that the Board determines should be eligible to participate in the Plan.</p>
Awards	<p>The Plan provides flexibility for the Company to grant options to acquire Shares (or an equivalent cash amount), rights to acquire Shares (or an equivalent cash amount) and/or Shares as incentives ("Awards").</p> <p>The Board may determine that the Awards will be subject to performance, service, or other conditions which must be satisfied or waived, whether prior to any grant, including a matching grant, or as a condition of vesting or exercise ("Conditions") and, if so, will specify those Conditions in the invitation to each Eligible Employee.</p> <p>The Board may, at its discretion, vary, reduce or waive any Conditions attaching to Awards at any time, subject to applicable law.</p>
Acquisition price	<p>The grant of Awards under the Plan may be subject to the payment of an acquisition price by the participant as determined by the Board, or otherwise Awards may be granted at no cost to the participant.</p>
Exercise price	<p>The exercise of Awards in the form of options or rights may be subject to payment of an exercise price by the participant as determined by the Board, or otherwise may be exercised at no cost to the participant.</p>
Shares as an Award or on vesting of an Award	<p>Shares granted under the Plan or issued or transferred on the exercise of options or rights will rank equally in all respects, and carry the same rights and entitlements, as other Shares already on issue by the Company, including dividend and voting rights.</p> <p>Depending on the terms of an Award, Shares may be subject to dealing restrictions, which means that they may not be disposed of or dealt with for a period.</p>
Vesting of Shares	<p>Shares granted under the Plan which have not been forfeited under the Plan will vest if and when any applicable Conditions have been satisfied or waived by the Board. Shares may remain subject to dealing restrictions after vesting.</p> <p>Shares will continue to be subject to forfeiture following vesting under the Plan. Alternatively, the Board may determine to make a cash payment in lieu of the release of Shares from restriction (in which case, the Company will buy back and cancel the Shares or deal with the Shares in any other manner determined by the Board).</p>

Vesting and exercise of options and rights	<p>Options and rights which have not lapsed under the Plan will vest if and when any applicable Conditions have been satisfied or waived by the Board. To exercise vested options or rights, any Conditions applicable on exercise must be satisfied or waived by the Board.</p> <p>Following the valid exercise of an option or right, the Company will issue or arrange the transfer of such number of Shares to the participant that relate to the option or right being exercised. Alternatively, the Board may determine to make a cash payment in lieu of the issue or transfer of Shares.</p>
Lapse of options and rights	<p>Options or rights which have not been exercised by the date 5 years from the date of grant of the options or rights, or such other date determined by the Board and specified in the invitation ("Expiry Date"), will lapse and may no longer be exercised unless the Board determines otherwise.</p>
Forfeiture/lapse of Awards	<p>Unless otherwise determined by the Board, a Share granted under the Plan will be forfeited, and an option or right will lapse, in certain circumstances including:</p> <ul style="list-style-type: none"> • where the Board determines that any Condition applicable to the Award cannot be satisfied; • in the case of an option or right, on the Expiry Date applicable to the option or right; • if the Company receives a notice in writing from the participant to the effect that the participant has elected to surrender the Award; • in certain circumstances if the participant's employment is terminated (see 'Cessation of employment' below); • if the Board determines that the Award is liable to clawback or malus (see 'Clawback and malus' below) • if the Board determines that the Award will be forfeited or lapse in the event of a change of control in respect of the Company; and • where the participant purports to dispose of the Award or enter any arrangement in respect of the Award, in breach of any disposal or hedging restrictions.
Participation rights in issues and reorganisations of capital	<p>Options and rights do not confer the right to participate in new issues of Shares or other securities in the Company.</p> <p>However, subject to the ASX Listing Rules, the Plan provides for adjustments to be made to the number of Shares which a participant would be entitled on the exercise of options or rights or the exercise price (if any) of the options or rights in the event of a bonus issue or pro-rata issue to existing holders of Shares (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment) or a reorganisation of capital.</p>

Restrictions	<p>Awards may not be sold, transferred, mortgaged, pledged, charged, granted as security, or otherwise disposed of, without the prior approval of the Board, or unless required by law.</p> <p>Participants must not enter any arrangement for the purpose of hedging or otherwise affecting their economic exposure to any unvested Shares, or options or rights.</p>
Quotation	<p>Awards, except Shares, will not be quoted on the ASX. The Company will apply for official quotation of any Shares issued under the Plan, in accordance with the ASX Listing Rules.</p>
Cessation of employment	<p>The Board has discretion to determine, subject to compliance with applicable law, that some or all of a participant's unvested Awards or vested but unexercised Awards (as applicable):</p> <ul style="list-style-type: none"> • lapse; • are forfeited; • vest (immediately or subject to Conditions); • are awarded (immediately or subject to Conditions); • are only exercisable for a prescribed period and will otherwise lapse; • are subject to modified Conditions than those that previously applied; and/or • are no longer subject to some or any of the restrictions (including any Condition) that previously applies, <p>as a result of the participant ceasing employment with the Group.</p>
Clawback and malus	<p>The Board has clawback and malus powers under the Plan. For example, if the Board becomes aware of a material misstatement in the Company's financial statements, that a participant has committed an act of fraud, negligence or gross misconduct or failed to comply with any restrictive covenant or that some other event has occurred that may warrant the Board exercising malus or clawback powers, then the Board may exercise those malus or clawback powers to ensure no unfair benefit is derived by the participant.</p>
Change of control	<p>If a change of control event occurs with respect to the Company, the Board may determine, in its discretion, the way Shares, or options or rights, will be dealt with. A change of control includes any transaction, event or state of affairs that, in the opinion of the Board, is likely to result in, or should otherwise be treated as, a change in the control over the Company.</p>
Amendments	<p>The Board may amend the rules of the Plan (including amending, reducing or waiving the application of the rules in relation to a participant) or amend the terms of an invitation made under the Plan.</p>
Trust	<p>The Company may establish an employee share trust for the purposes of the Plan.</p>
