Explanatory Memorandum

This **Explanatory Memorandum** has been prepared to provide shareholders with material information to enable them to make an informed decision on the business to be conducted at the Annual General Meeting of the Company. Amongst other things, this Explanatory Memorandum provides shareholders with the information required to be provided to shareholders by the *Corporations Act 2001* (Cth) ("Corporations Act") and the *ASX Listing Rules* issued by ASX Limited ACN 008 624 691 ("ASX Listing Rules").

This Explanatory Memorandum sets out an explanation of each of the resolutions to be put to shareholders.

Explanatory Note Item 1 – Financial Statements and Reports

Section 317 of the Corporations Act requires that the Financial Report, Director's Report and Auditor's Report be tabled before the Annual General Meeting each year. There is no requirement either in the Corporations Act or the Company's Constitution for shareholders to vote on, approve or adopt these reports. Shareholders will have a reasonable opportunity at the Annual General Meeting to ask the Chair questions and make comments on the business, operations and management of the Company. The auditor of the Company will also be available to take shareholders' questions and comments about the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the auditor in relation to the conduct of the audit.

In addition to taking questions at the Annual General Meeting, written questions to the Company's auditor about the conduct of the audit of the Financial Report and the preparation and content of the Auditor's Report, may be submitted no later than five business days prior to the meeting, being **9:00am (AEDT) on Friday 14th November 2025** to:

The Company Secretary
Level 15, 2 Market Street
Sydney, NSW, 2000
Australia
Email: AGM@macquarietechnologygroup.com

The Company will pass all written questions on to the auditor. The auditor will prepare and provide to the Company a question list which sets out the questions that the Company has passed on to the auditor and that the auditor considers to be relevant to the conduct of the audit of the Financial Report or the content of the Auditor's Report. Please note that a question may not be included in the question list if it is substantially the same as a question already included in the list, or if it is not practicable to include the question in the question list because of the time when the question is passed on to the auditor. There is no requirement for the auditor to provide written answers to the questions, however, if the auditor chooses to prepare written answers to any of the questions, the Chair may permit the auditor to table the written answers at the Annual General Meeting. The auditor will

Macquarie Technology Group Limited

ACN 056 712 228

Explanatory Memorandum

also answer questions asked at the Annual General Meeting, however where questions concern issues raised in the written questions, the auditor may refer shareholders to the written answers (if any).

Explanatory Note Item 2 – Remuneration Report (Resolution 1)

Section 250R(2) of the Corporations Act requires that the Remuneration Report be adopted at the Company's Annual General Meeting by a resolution. While there is a requirement for a formal resolution, the shareholders' vote is advisory only and does not bind the Company, nor will it require the Company to alter any arrangements detailed in the Remuneration Report, should the resolution not be passed. However, the Directors will take the outcome of the vote into consideration when reviewing the remuneration policies and practices of the Company in the future.

Under the Corporations Act, if at least 25% of the votes cast on the resolution are against the adoption of the relevant Remuneration Report at two consecutive annual general meetings (and any such potential 25% or more vote "against" commonly referred to as a "first strike" or "second strike"), shareholders will be required to vote at the second of those annual general meetings on a resolution that another general meeting be held within 90 days, at which all of the Directors in office at the time of the Directors' resolution to make the Directors' Report containing that second Remuneration Report (other than the Managing Director) must stand for re-election. At last year's annual general meeting, the resolution to adopt the 2024 Remuneration Report was carried with over 97.65% of votes cast "for" the Remuneration Report.

The Remuneration Report is set out on pages 27 to 44 of the Company's 2025 Annual Report. The Remuneration Report explains the structure of, and policy behind, the Company's remuneration practices and the link between the remuneration of employees and the Company's performance. The Remuneration Report also sets out remuneration details of each Director and for any specified Key Management Personnel of the Company.

Shareholders will have a reasonable opportunity at the Company's Annual General Meeting to ask questions and make comments on the Remuneration Report. The Company's preference is to receive questions in advance by email.

The Directors recommend that shareholders vote in favour of Resolution 1.

Voting Exclusion Statement

In accordance with the Corporations Act, the Company will disregard any votes cast on Resolution 1 by, or on behalf of, a member of the Key Management Personnel of the Company whose remuneration details are included in the Remuneration Report, or by a Closely Related Party of such a member of the Key Management Personnel (each an "Excluded Shareholder").

"Key Management Personnel" of the Company includes those persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly

Macquarie Technology Group Limited

ACN 056 712 228

Explanatory Memorandum

or indirectly, including any Director (whether executive or non-executive) of the Company.

A "Closely Related Party" to a member of the Key Management Personnel is a term defined in the Corporations Act and includes a member's spouse, child, spouse's child, dependent of the member or their spouse, a company the member controls, anyone else who is one of the member's family who may be expected to influence, or be influenced by, the member in the member's dealings with the Company.

However, the Company will not disregard a vote if it is cast by:

- (i) an Excluded Shareholder (including the Chair) as a proxy for a shareholder who is entitled to vote, who has been appointed as proxy in writing that specifies how the proxy is to vote on the proposed resolution (i.e. a directed proxy) (and the vote is cast in accordance with that direction); or
- (ii) the Chair, as a proxy for a shareholder entitled to vote, who has been appointed in writing and where that proxy appointment (a) does not specify how the proxy is to vote on the proposed resolution (i.e. undirected proxy); and (b) expressly authorises the Chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of Key Management Personnel.

Chair will vote undirected proxies on Resolution 1

Section 250R(5) of the Corporations Act permits the Chair of the Annual General Meeting, whose remuneration details are included in the remuneration report, to vote, as a proxy, undirected proxies on the adoption of the remuneration report. As a result, the Chair of the Annual General Meeting who is a member of the Key Management Personnel or a closely related party of a Key Management Personnel, is able, as a proxy, to vote undirected proxies in the vote on Resolution 1 (adoption of the Remuneration Report) where the shareholder granting a proxy to the Chair provides express authorisation for the Chair to exercise the proxy and the shareholder is not themselves a member of the Key Management Personnel or a closely related party.

The Company's Proxy Form has been prepared on this basis and as such the Chair will vote undirected proxies and intends to vote such proxies in favour of Resolution 1.

Explanatory Note Item 3 Election of David Buckingham (Resolution 2)

Rule 7.1(e)(1) of the Company's Constitution and ASX Listing Rule 14.4 require a Director (other than the Managing Director) who was an addition to the board since the last Annual General Meeting, to retire from office as Director at the next Annual General Meeting. Such Director may offer themselves for re-election under Rule 7.1(h) of the Company's Constitution.

David Buckingham, who was appointed as an independent non-executive Director since the last Annual General Meeting, retires in accordance with Rule 7.1(e)(1) of the Company's Constitution and, being eligible, offers himself for election as a Director of the Company.

Macquarie Technology Group Limited

ACN 056 712 228

Explanatory Memorandum

David Buckingham joined the Company's board on 24 September 2025 as an Independent Non-executive Director. David Buckingham brings more than 30 years' experience to the company as a corporate leader in telecommunications, media and technology. He is currently a Chair and Non-Executive Director of a portfolio of small listed and private technology companies including Pentanet, Hiremii, Way2VAT and Hyprfire. He is also Chair of the Perth Wildcats and a Non-Executive Director of Football West.

David Buckingham holds a Bachelor of Technology (Hons) from the Loughborough University of Technology in the UK and is a qualified ACA Chartered Accountant and a member of the Australian Institute of Company Directors.

The Directors of the Company, with David Buckingham abstaining, recommend that the shareholders vote in favour of electing David Buckingham as a Director of the Company.

The Company has assessed the independence of David Buckingham having regard to the requirements for independence which are set out in Principle 2 of the ASX Corporate Governance Council's Principles and Recommendations and has determined that David Buckingham continues to be an independent Director.

The Chairperson of the Annual General Meeting intends to vote undirected proxies in favour of David Buckingham's election.

Explanatory Note Item 4 Grant of Rights under the Plan (Resolution 3)

Background

The Board has adopted a new long term incentive plan called the FY26 Macquarie Technology Group Long Term Incentive Plan ("Plan") under which the Company, from time to time, may grant awards in the form of Rights to executives and selected senior managers of the Company or any of its subsidiaries ("Group"), Directors holding a salaried employment or office and select persons or entities who perform services for the Group notwithstanding they may not be employees of a company within the Group ("Participants").

The purpose of the Plan is to incentivise Participants to achieve performance goals that align with the Company's long-term objectives and directly link Participant remuneration to the growth in long-term Company shareholder wealth.

Resolution 3 seeks shareholder approval for the grant of the following performance rights ("Rights") under the Plan to directors of the Company:

- 7,200 Rights to David Tudehope (Resolution 3(a)); and
- 7,200 Rights to Aidan Tudehope (Resolution 3(b)).

Macquarie Technology Group Limited

ACN 056 712 228

ASX Listing Rule 10.14

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme without prior shareholder approval, unless an exception applies:

- a director of the company (ASX Listing Rule 10.14.1);
- an associate of a director of the company (ASX Listing Rule 10.14.2); or
- a person whose relationship with the company or a person referred to in ASX Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders (ASX Listing Rule 10.14.3).

However, under ASX Listing Rule 10.16(a), shareholder approval under ASX Listing Rule 10.14 is not required where the shares to be allocated on vesting and exercise of the Rights are purchased on-market and the terms of the scheme permit such purchases. The Plan provides that shares to be delivered upon vesting and exercise of the Rights may be satisfied by shares purchased on-market or cash settled. As such, the exception to ASX Listing Rule 10.14 under ASX Listing Rule 10.16(a) applies, and shareholder approval is not strictly required under ASX Listing Rule 10.14. Notwithstanding this, the Company considers it appropriate that shareholder approval of the grant of Rights to David Tudehope and Aidan Tudehope is sought in the interests of transparency and good governance.

If Resolution 3(a) and Resolution 3(b) are each passed, the Rights will be granted to David Tudehope and Aidan Tudehope, respectively, without impacting its ability to issue up to 15% of its ordinary shares without shareholder approval in any 12 month period.

If Resolution 3(a) and Resolution 3(b) are each not passed, the Rights will not be granted to David Tudehope and Aidan Tudehope, respectively, and the Company will consider alternative arrangements to appropriately remunerate and incentivize David Tudehope and Aidan Tudehope.

However, the Company will not disregard a vote if the proxy is the Chair and the appointment expressly authorises the Chair to exercise the proxy even though this resolution is connected directly or indirectly with remuneration of a member of the Key Management Personnel.

5. Each invitation will specify details of the Participant, Award Date and Award Vesting Date, number of Awards offered, performance conditions, targets and assessment, Performance Rights calculation methods, other Award Terms, and any other relevant details. This is subject to any withholding requirements under the Plan Rules. Participants will not need to pay anything for these Shares. For Executive Directors, the Company presently intends to either cash settle any vested Performance Rights or to satisfy any Vested Performance Rights by way of shares purchased on market.
8.
