### 4. **Resolution 1 – Remuneration Report**

#### 4.1 **General**

In accordance with section 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Directors' Report for the year ended 30 June 2025 in the Annual Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

In accordance with section 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

If the Company's Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings, Shareholders will have the opportunity to remove the whole Board, except the managing director (if any).

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director, if any) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Chair will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on the Remuneration Report.

#### 4.2 **Additional information**

Resolution 1 is an ordinary resolution.

Given the personal interests of all Directors in the outcome of this Resolution, the Board declines to make a recommendation to Shareholders regarding this Resolution.

### 5. **Resolution 2 – Re-election of Director – Mr Ronnie Beevor**

#### 5.1 **General**

Article 6.3(d) of the Constitution requires that one Director must retire at each annual general meeting. Article 6.3(e) of the Constitution requires that the Directors to retire are those who have held their office as Director for the longest period since their last election or appointment to that office. In the event two or more Directors have held office for equal periods of time, the retiring Directors are to be determined by lot, unless otherwise agreed by those Directors.

Article 6.3(f) of the Constitution provides that a Director who retires in accordance with Article 6.3(d) is eligible for re-election.

Mr Ronnie Beevor was appointed as Director on 25 March 2023 and was last re-elected at the annual general meeting held on 31 October 2023.

Accordingly, Mr Beevor retires at this Meeting and, being eligible, seeks re-election pursuant to Resolution 2.

Mr Beevor holds an Honours degree in philosophy, politics and economics from Oxford University, and qualified as a chartered accountant in London. Other current directorships: Champion Iron Limited, Felix Gold Limited, Lucapa Diamond Company Limited (in voluntary administration) and Peel Mining Ltd. Former directorships (last three years): Bannerman Energy Limited.

Mr Beevor does not currently hold any other material directorships, other than as disclosed in this Notice.

The Company confirms that it took appropriate checks into Mr Beevor's background and experience and that these checks did not identify any information of concern.

If elected, Mr Beevor is considered by the Board (with Mr Beevor abstaining) to be an independent Director. Mr Beevor is not considered by the Board to hold any interest, position or relationship that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of the entity as a whole rather than in the interests of an individual security holder or other party.

Mr Beevor has acknowledged to the Company that he will have sufficient time to fulfil his responsibilities as a Director.

## 5.3 Board recommendation

The Board (other than Mr Beevor who has a personal interest in the outcome of Resolution 2) supports the election of Mr Beevor.

After appropriate consideration, and taking into account Mr Beevor's past performance, contributions to the Company and the current and future needs of the Board and the Company, the Board's members (excluding Mr Beevor) unanimously agreed that Mr Beevor's distinct set of skills and experience, are of obvious and on-going benefit to the Board.

If Resolution 2 is approved, Mr Beevor will be re-elected as a Director of the Company.

If Resolution 2 is not approved, Mr Beevor will not be re-elected as a Director of the Company.

## 5.4 Additional information

### 6.1 General

Listing Rule 7.1A enables an eligible entity to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% annual placement capacity under Listing Rule 7.1.

The number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 6.2(c) below).

If Resolution 3 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

Note that 'A' has the same meaning in Listing Rule 7.1 when calculating the Company's 15% annual placement capacity.

**D** = is 10%.

**E** = is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the Relevant Period where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under Listing Rule 7.4.

(e) **At what price can the Equity Securities be issued?**

The effect of Resolution 3 will be to allow the Company to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without further Shareholder approval or using the Company's 15% annual placement capacity under Listing Rule 7.1.

**6.3 Specific information required by Listing Rule 7.3A**

Pursuant to and in accordance with Listing Rule 7.3A, the following information is provided in relation to the 10% Placement Facility:

**(a) Final date for issue**

The Company will only issue the Equity Securities under the 10% Placement Facility during the 10% Placement Period (refer to Section 6.2(f) above).

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

If this Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' economic and voting power in the Company may be diluted as shown in the below table (in the case of Options, only if the Options are converted into Shares).

The table below shows the dilution of existing Shareholders based on the current market price of Shares and the current number of Shares for Variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 (see Section 6.2(c) above) as at the date of this Notice (**Variable A**), with:

- (i) two examples where Variable A has increased, by 50% and 100%; and
- (ii) two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

Shares (Variable A in Listing Rule 7.1A.2)	Dilution			
	Issue price per Share	\$0.10  50% decrease in Current Market Price	\$0.20  Current Market Price	\$0.40  100% increase in Current Market Price
18,664,040 Shares  Variable A	10% Voting Dilution	1,866,404 Shares		
	Funds raised	\$186,640	\$373,281	\$746,562
27,996,060 Shares  50% increase in Variable A	10% Voting Dilution	2,799,606 Shares		
	Funds raised	\$279,961	\$559,921	\$1,119,842
37,328,080 Shares  100% increase in Variable A	10% Voting Dilution	3,732,808 Shares		
	Funds raised	\$373,281	\$746,562	\$1,493,123

Notes:

- The table has been prepared on the following assumptions:
  - (a) The Company obtained Shareholder approval on 10 October 2025 to, amongst other things, undertake a consolidation of its issued capital and issue Shares in connection with a capital raising (refer to the Company's notice of meeting dated 11 September 2025 and the announcement dated 10 October

2025 setting out the results of the meeting). This table assumes an issue price of \$0.20 per Share, being the proposed issue price under the capital raising.

- (b) Variable A comprises of 18,664,040 existing Shares on issue as at the date of this Meeting (on a post-consolidation basis), assuming the Company has not issued any Shares in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with Shareholder approval under Listing Rule 7.1 and 7.4.
  - (c) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
  - (d) No convertible securities (including any issued under the 10% Placement Facility) are exercised or converted into Shares before the date of the issue of the Equity Securities.
  - (e) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
2. The number of Shares on issue (i.e. Variable A) may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue, scrip issued under a takeover offer or upon exercise of convertible securities) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting.

The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.

The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

(e) **Allocation policy**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing Shareholders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new investors who are not related parties of or associates of a related party of the Company.

(f) **Issues in the past 12 months**

The Company has previously obtained Shareholder approval under Listing Rule 7.1A at its annual general meeting held on 13 November 2024.

In the 12 months preceding the date of the Meeting and as at the date of this Notice, the Company has not issued or agreed to issue Equity Securities under Listing Rule 7.1A.

At the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A and has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in any such issue.

However, in the event that between the date of this Notice and the date of the Meeting, the Company proposes to make an issue of Equity Securities under Listing Rule 7.1A to one or more existing Shareholders, those Shareholders' votes will be excluded under the voting exclusion statement in the Notice.

#### 6.4 **Additional information**

Resolution 3 is a **special resolution** and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board recommends that Shareholders vote in favour of Resolution 3.

### 7. **Resolutions 4 & 5 – Amendments to Articles 2.1 and 6.1 of the Constitution**

#### 7.1 **General**

Under section 136(2) of the Corporations Act, a company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders.

Resolution 4 and Resolution 5 seek the approval of Shareholders to modify the Company's existing Constitution in order to comply with the policies of the TSXV in connection with the Company's dual listing on the TSXV and more specifically to:

- (a) provide that the Company will only issue shares as fully paid and non-assessable, i.e. not partly paid (the subject of Resolution 4); and
- (b) require all of the Directors to retire at each annual general meeting (the subject of Resolution 5).

As a condition to the Company's dual listing on the TSXV, the Company was required to undertake that as long as the Company is listed on the TSXV it will seek Shareholder approval to amend its Constitution to implement the abovementioned modifications.

As the Company is an Australian incorporated public company and its primary listing is on the ASX, the Board considers that the Company remain subject to the requirements under the Corporations Act and ASX Listing Rules for the retirement / rotation of directors rather than modify its Constitution in accordance with Resolution 5 to align with the policies of the TSXV.

The proposed amendments to Article 6.1 of the Constitution will require the Managing Director to also retire and seek re-election at each annual general meeting as, unlike the ASX Listing Rules, the policies of the TSXV do not exclude the Managing Director from the director rotation requirements.

The Board wishes to note that requiring all of the Directors to retire and seek re-election annually risks causing frequent changes in the composition of the Board, which may:

- interrupt the continuity of leadership necessary for implementing long-term strategies;
- create uncertainty for Shareholders about the future strategic direction of the Company; and/or
- deter high-quality candidates from considering a position on the Board, as they may instead seek opportunities with greater job security and stability.

A copy of the modified Constitution is available for review by Shareholders at the office of the Company. A copy of the modified Constitution can also be sent to Shareholders upon request to the Company at [info@montroyalres.com](mailto:info@montroyalres.com). Shareholders are invited to contact the Company if they have any queries or concerns.

If Resolution 4 is passed, the Company will adopt the amendments to Article 2.1 in the modified Constitution with effect from the date this Resolution is passed.

If Resolution 4 is not passed, the Company will not adopt the amendments relevant to that Resolution and, in accordance with the Company's TSXV conditional admission letter, shall continue to seek Shareholder approval for the Resolution at each subsequent annual general meeting until such Shareholder approval is obtained.

If Resolution 5 is passed, the Company will adopt the amendments to Article 6.1 in the modified Constitution with effect from the date this Resolution is passed.

If Resolution 5 is not passed, the Company will not adopt the amendments relevant to that Resolution and, in accordance with the Company's TSXV conditional admission letter, shall continue to seek Shareholder approval for the Resolution at each subsequent annual general meeting until such Shareholder approval is obtained.

## 7.2 **Summary of material proposed changes**

### **Partly paid shares (the subject of Resolution 4)**

It is proposed to amend Article 2.1 in-line with the policies of TSXV which requires shares will only be issued as fully paid and non-assessable shares and that the Company will not issue partly paid shares.

### **Retirement of Directors (the subject of Resolution 5)**

Article 6.1 of the Constitution sets out the procedure for the retirement of directors at the Company's annual general meeting every year. Currently, one-third of the Directors for the time being (rounded down), shall retire from office, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

The proposed modifications to the Constitution are in line with the policies of TSXV which requires all of the Directors (including the Managing Director) to retire at each annual general meeting and a retiring Director remains in office until immediately before the election and will be eligible for re-election at the meeting.

As noted above, the Board considers that the Company's procedure for the retirement of directors at the Company's annual general meeting each year should remain as set out in the Company's current Constitution which is in line with the requirements of the Corporations Act and ASX Listing Rules.

### 7.3 **Additional information**

Resolution 4 and Resolution 5 are **special** resolutions and therefore each requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board recommends that Shareholders vote in favour of Resolution 4.

Given the personal interests of all the Directors in the outcome of Resolution 5, the Board declines to make a recommendation to Shareholders in relation to Resolution 5. The Chair intends to **ABSTAIN** from voting undirected proxies on Resolution 5.

## 8. **Resolution 6 – Change of Company name**

### 8.1 **Section 157 of the Corporations Act**

Section 157(1)(a) of the Corporations Act provides that a company may change its name if the company passes a special resolution adopting a new name.

The Company's current name is "Mont Royal Resources Limited" and Resolution 6 seeks the approval of Shareholders for the Company to change its name to "Mont Royal Limited."

If Resolution 6 is passed, the change of Company name will take effect when ASIC alters the details of the Company's registration in accordance with section 164 of the Corporations Act.

If Resolution 6 is not passed, the Company will be unable to change its name to "Mont Royal Limited".

### 8.2 **Additional information**

Resolution 6 is a **special resolution** and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board recommends that Shareholders vote in favour of Resolution 6.
