EXPLANATORY STATEMENT

This Explanatory Statement forms part of the Notice of Meeting and has been prepared to provide Shareholders with material information to enable them to make an informed decision on the business to be conducted at the AGM.

ITEM 1: Financial Report – Year ended 30 June 2025

The Corporations Act requires the Financial Report (which includes the financial statements and the Directors' Declaration), the Directors' Report and the Auditor's Report to be tabled for discussion at the AGM. There is no requirement either in the Corporations Act or in the Constitution of the Company for Shareholders to approve the Financial Report, the Directors' Report or the Auditor's Report. Shareholders attending the AGM will be given a reasonable opportunity to ask questions about, or make comments on, the Financial Report.

This item of business provides Shareholders with an opportunity to ask questions concerning or make comments on the Company's financial statements and reports for the year ended 30 June 2025 and the Company's performance generally. A representative of the Auditor (Ernst & Young) will be attending the AGM.

As a Shareholder, you are entitled to submit a written question to the Auditor prior to the AGM provided that the question relates to:

- the content of the Auditor's Report; or
- the conduct of the audit in relation to the Financial Report.

All questions must be sent by email to the Company Secretary at co.sec@ppkggroup.com.au and must not be sent directly to the Auditor. The Company will then forward all questions to the Auditor. All written questions for the Auditor must be received by the Company no later than 11:00 am (AEST) on **Wednesday, 19 November 2025**.

The Auditor will answer written questions submitted prior to the AGM.

The Auditor will also answer questions at the meeting from Shareholders relevant to:

- the conduct of the audit;
- the preparation and content of the Auditor's Report;
- the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- the independence of the Auditor in relation to the conduct of the audit.

ITEM 2: Remuneration Report

The Directors' Report for the year ended 30 June 2025 contains a Remuneration Report which sets out the policy on remuneration of the Directors of the Company and specified executives of the Company.

The Corporations Act requires that a resolution be put to the vote that the Remuneration Report be adopted. The Corporations Act expressly provides that the vote is advisory and does not bind the Directors of the Company. However, if at least 25% of the votes cast are against the adoption of the Remuneration Report, the Company's next Remuneration Report must explain the Board's proposed action in response or explain why no action has been taken.

In the following year, if at least 25% of the votes cast on the resolution that the Remuneration Report be adopted are against adoption, Shareholders will then vote to determine whether the Directors, excluding the CEO, will need to stand for re-election (a **Spill Resolution**). If more than 50% of the votes cast on the Spill Resolution are in favour, a separate re-election meeting must be held within 90 days.

At the Company's 2024 Annual General Meeting, the votes cast against the Remuneration Report considered at that meeting were less than 25%.

Members attending the AGM will be given a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

Directors' recommendation

The Board unanimously recommends that Shareholders vote in favour of this resolution.

Subject to the voting exclusions set out in this Notice of Meeting, the Chair intends to vote undirected proxies in favour of this resolution.

ITEM 3: Election of Mr Richard Francis as a Director of the Company

Independent Non-Executive Director

Appointed on 2 December 2024

Appointed as Chair of the Audit & Risk Committee on 19 December 2024

Rick has over 25 years experience in the energy and infrastructure sectors, including over a decade as the Managing Director and CEO of Spark Infrastructure Group (previously ASX:SKI). He was also CFO at Spark Infrastructure for 3 years, CFO at ASX-listed APA Group for 4 years and had a number of roles at ASX-listed Origin Energy over 8 years. He also has extensive board experience in both the listed and unlisted arenas, including as Deputy Chair of TransGrid, director of Victoria Power Networks (CitiPower and Powercor), director of SA Power Networks and executive director of Spark Renewables. Rick is also a Non-Executive Director of Li-S Energy Limited (ASX:LIS).

In addition to supporting and leading the transition to a cleaner future through renewables and associated technology during his tenure at Spark Infrastructure, he has experience in many different complex transactions including unsolicited take-overs, acquisitions, corporate restructures and many different types of equity and debt raisings.

Rick has a Bachelor of Commerce from UNSW and a Masters of Business Administration from the Macquarie Graduate School of Management. He is also a Graduate of the Australian Institute of Company Directors and a Chartered Accountant.

Rick was appointed by the Board to fill a casual vacancy. He is now formally standing for election to the Board.

Directors' recommendation

The Board recommends (Mr Francis abstaining) that Shareholders vote in favour of this resolution.

Subject to the voting exclusions set out in this Notice of Meeting, the Chair intends to vote undirected proxies in favour of this resolution.

ITEM 4: Extra 10% placement capacity

Background

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Listing Rule 7.1A enables an 'eligible entity' to seek approval from its Shareholders by way of special resolution passed at its AGM for an additional issuance capacity of 10% (**Additional 10% Placement Capacity**). Any such Shares must be issued within the Additional Placement Period (defined below). For the avoidance of doubt, any approved Additional 10% Placement Capacity is in addition to the Company's ordinary 15% placement capacity under Listing Rule 7.1.

What is the 'Additional Placement Period'?

Any approval of an Additional 10% Placement Capacity under Listing Rule 7.1A commences on the date of this AGM and expires on the earlier of:

- (a) the date that is 12 months after the date of this AGM;
- (b) the time and date of the next AGM; or
- (c) the time and date of an approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

The period between those two dates is the '**Additional Placement Period**'.

Who is an 'eligible entity'?

Only 'eligible entities' may seek approval under Listing Rule 7.1A. An entity will be eligible to seek approval under Listing Rule 7.1A if (at the date of the special resolution):

- (a) the entity has a market capitalisation of less than the prescribed amount, namely \$300 million; and
- (b) the entity is not included in the S&P/ASX300 Index.

As at the date of this Notice of Meeting, the Company is an 'eligible entity' for the purposes of Listing Rule 7.1A.

Nature of proposed resolution

Item 4 seeks approval from Shareholders for the Company to acquire an Additional 10% Placement Capacity. Approval of the Additional 10% Placement Capacity would provide greater flexibility for the Board to issue Shares during the Additional Placement Period.

If passed, the effect of this Resolution would be to permit the Company to issue Shares under Listing Rule 7.1A during the Additional Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1. If not passed, the Company will not be able to access the Additional 10% Placement Capacity and will remain subject to the ordinary 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

This resolution is a special resolution and, as such, requires the approval of 75% of the eligible votes cast in order to pass.

Scope of Listing Rule 7.1A

If approved, the number of Shares permitted to be issued under the Additional 10% Placement Capacity will be determined in accordance with the formula set out in Listing Rule 7.1A.2, which operates on a 'point-in-time' basis.

$$(A \times D) - E$$

A has the same meaning as in Listing Rule 7.1, namely 90,812,498 as at the date of this Notice of Meeting (being the total number of shares on issue).

D is 10%, being the additional issuance capacity.

E is the number of equity shares issued under Listing Rule 7.1A.2 without subsequent approval in the 'relevant period', being the 12 months immediately preceding the date of issue. That number is zero.

As such, the maximum number of Shares the Company would be entitled to issue under an approved Additional 10% Placement Capacity is 9,081,249 at the date of this Notice of Meeting.

In the event that the Company makes use of any Additional 10% Placement Capacity, the Company will announce to the market that any such issue or proposed issue of Shares occurred under Listing Rule 7.1A.

Specific information required by Listing Rule 7.3A

The following information in relation to the Shares proposed to be issued is provided to Shareholders for the purposes of Listing Rule 7.3A.

- (a) Any approval will only be valid for the Additional Placement Period.
- (b) Any Shares issued under Listing Rule 7.1A.2 will be issued for a cash consideration and will be in an existing class of quoted security. Any Shares will be issued at an issue price which is not less than 75% of the volume-weighted average market price of the Company's Shares calculated over the 15 trading days before:
 - (i) the date on which the price at which the Shares are to be issued is agreed; or
 - (ii) if the Shares are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Shares are issued.
- (c) At this stage, there are no clear and final purposes for which any funds raised by issuing securities under Listing Rule 7.1A.2 would be used. The Company may seek to issue the Shares under this approval to raise funds for the following purposes: ongoing development and manufacture of products, a potential business or product acquisition, new product development costs, repayment of debt, providing additional debt financing to investee companies, administration costs and general working capital. The Company does not have an allocation policy for such share issues, as it will be dependent on the prevailing market conditions at the time of any proposed issue which could be up to 12 months from the date of this AGM. The identity of any allottees would be determined on a case-by-case basis at that time and the Company has no specific intentions in that regard.
- (d) If Item 4 is approved by shareholders and the Company issues Shares under the Additional 10% Placement Capacity, there may necessarily be economic and voting dilution to existing ordinary security holders who do not participate. In particular, there are risks that:
 - (i) the market price for the Company's Shares may be significantly lower on the date of the issue of the Shares than on the date of this AGM; and
 - (ii) the Shares may be issued at a price that is at a discount to the market price for the Company's Shares on the issue date.
- (e) The table below describes the potential / hypothetical economic and voting dilution of existing Shareholders based on a number of different scenarios, including different numbers of Shares on issue (variable 'A' in the formula above) and different issue prices. It uses a current market price of \$0.40, being the closing price on 1 October 2025. This table is purely illustrative in nature and is provided to Shareholders as required by the Listing Rules.

Variable 'A'	Number of Shares issued and funds raised under the Additional 10% Placement Capacity	Hypothetical economic and voting dilution		
		\$0.20 Issue Price at half the current market price	\$0.40 Issue Price at current market price	\$0.80 Issue Price at double the current market price
Current Variable 'A' 90,812,498*	Shares issued	9,081,249	9,081,249	9,081,249
	Funds raised	\$1,816,250	\$3,632,500	\$7,265,000
	Dilution	10%	10%	10%
50% increase in Current Variable 'A' 136,218,747 Shares	Shares issued	13,621,874	13,621,874	13,621,874
	Funds raised	\$2,724,375	\$5,448,750	\$10,897,500
	Dilution	10%	10%	10%
100% increase in Current variable 'A' 181,624,996	Shares issued	18,162,498	18,162,498	18,162,498
	Funds raised	\$3,632,500	\$7,265,000	\$14,530,000
	Dilution	10%	10%	10%

* There are currently 90,812,498 Shares on issue as at the date of this Notice of Meeting. The number of Shares on issue (Variable A) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. The current issue price set out above is the closing market price of the Shares on the ASX on 1 October 2025.
2. The Company issues the maximum possible number of equity securities under the 7.1A Mandate.
3. The Company has not issued any equity securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.4.
4. The issue of equity securities under the 7.1A mandate consists only of Shares. It is assumed that no options are exercised into Shares before the date of issue of the equity securities.
5. The calculations above do not show the voting dilution that any one particular Shareholder will be subject to. All Shareholders should consider the voting dilution caused to their own shareholding depending on their specific circumstances.
6. This table does not set out any voting dilution pursuant to approvals under Listing Rule 7.1.
7. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
8. The table shows only the effect of issues of Shares under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

- (f) The Company has not issued any Shares under Listing Rule 7.1A.2 in the 12 months preceding this Notice of Meeting.
- (g) It is not known at this time if an issue of Shares will be made under the Additional 10% Placement Capacity. The Company is not proposing to make such an issue at this time, nor is the identity if any such allottee known. As such, no existing security holders' votes would be excluded under the voting exclusion statement included in this Notice.

Directors' recommendation

The Board unanimously recommends that Shareholders vote in favour of this special resolution.

Subject to the voting exclusions set out in this Notice of Meeting, the Chair intends to vote undirected proxies in favour of this resolution.
