## EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared for the information of Shareholders in relation to the business to be conducted at the Meeting.

The purpose of this Explanatory Memorandum is to provide Shareholders with all information known to the Company which is material to a decision on how to vote on the Resolutions being considered and voted on, as set out in the accompanying Notice of Meeting.

This Explanatory Memorandum should be read in conjunction with the Notice of Meeting.

Capitalised terms in this Explanatory Memorandum are defined in the Glossary in **Annexure C** or otherwise in the Explanatory Memorandum. All references to “sections” in this Explanatory Memorandum are to sections of this Explanatory Memorandum, unless otherwise specified.

### 1. FY25 Financial Report

In accordance with section 250(R) of the Corporations Act, the Company tables the Directors’ Report, the Auditor’s Report and the financial statements of the Company for the financial year ended 30 June 2025. These reports are contained in the FY25 Annual Report, which was released to the ASX on 26 September 2025.

Neither the Corporations Act nor the Constitution requires Shareholders to vote on the reports or financial statements. However, Shareholders will be given a reasonable opportunity to ask questions of the Company and the Company’s auditor, who will be in attendance at the Meeting, regarding the reports and financial statements.

A copy of the FY25 Annual Report can be downloaded from <https://www.jupitermines.com>.

### 2. Resolution 1: Adoption of FY25 Remuneration Report

#### 2.1 Background

The FY25 Remuneration Report sets out the remuneration arrangements for Directors and Key Management Personnel. The Chair will allow a reasonable opportunity for Shareholders to ask questions about, or make comments on, the FY25 Remuneration Report.

#### 2.2 Voting on the Remuneration Reports

The Corporations Act requires the Company to put a resolution to Shareholders that the FY25 Remuneration Report be adopted. In accordance with section 250R(3) of the Corporations Act, the vote on Resolution 1 is advisory only and does not bind the Directors or the Company.

In accordance with Division 9 of Part 2G.2 of the Corporations Act, if 25% or more of votes that are cast on Resolution 1 are voted against the adoption of the FY25 Remuneration Report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution that proposes that another general meeting of the Shareholders be held within 90 days at which all of the Directors (other than the Managing Director) must stand for re-election (**Spill Resolution**).

At the Company’s 2024 annual general meeting held on 28 November 2024, the resolution to adopt the remuneration report was passed by more than 75% of votes cast on the resolution. Accordingly, if more than 25% of votes are cast against Resolution 1 at the Meeting, a Spill Resolution will not be required to be put to Shareholders at this Meeting.

#### 2.3 Voting exclusions

Certain voting exclusions apply to Resolution 1. Please see the Voting Prohibitions and Exclusions tables on page 7 of the Notice of Meeting.

#### 2.4 Board recommendation

Noting that each Director may be considered to have a personal interest in their own remuneration as set out in the FY25 Remuneration Report, the Board unanimously recommends that Shareholders vote **in favour of Resolution 1** at the Meeting.

Brad Rogers, the current Chief Executive Officer and Managing Director of the Company, was appointed to these roles commencing 1 August 2022. Brad's services agreement (**Services Agreement**) sets out, amongst other things, his current remuneration structure, including applicable incentive payments.

As disclosed in the FY25 Remuneration Report, available in the FY25 Annual Report, which was released to ASX on 26 September 2025, Mr Rogers' remuneration consists of a Total Fixed Remuneration (**TFR**) component, a short term incentive (**STI**) component, and a long term incentive (**LTI**) component.

The STI component of Mr Rogers' remuneration is subject to performance measures or goals covering four categories, as illustrated in the following table:

Category	Weighting	Measure	Outcome
Safety and Governance	25%	<ul style="list-style-type: none"> <li>Total Recordable Injury Frequency Rate</li> <li>ESG reporting framework and priorities</li> <li>Tshipi solar project</li> </ul>	20.9%

Strategic Initiatives	50%	<ul style="list-style-type: none"> <li>Tshipi consolidation</li> <li>Other M&amp;A targets</li> <li>Optimise production from all owned mines</li> <li>EV battery market entry strategy</li> </ul>	37.4%
<b>Total</b>	<b>100%</b>		<b>77.8%</b>

Please refer to the FY25 Annual Report for more detail on the Company's approach to executive remuneration for FY25.

In respect of FY25, the Board has assessed the performance of Mr Rogers against the performance measures referred to above and determined that he is entitled to an STI award for FY25 of \$505,095 (**FY25 STI Award**), of which \$252,547.55 (representing 50% of the FY25 STI Award) will be payable in cash, and of which \$252,547.55 (representing 50% of the FY25 STI Award) will be payable in equity in the form of performance rights (**STI Performance Rights**), issued under the Incentive Plan.

"Target" STI is up to 75% of TFR and "Stretch" up to of 90% of TFR (120% of Target). The number of STI Performance Rights to be issued to Mr Rogers will be calculated based on a value of \$0.314 per STI Performance Right, being the volume-weighted average price (**VWAP**) of the Company's Shares for the 5 days leading up to 1 July 2024. Please refer to the table in section 4.2 for further detail.

The Board (excluding Mr Rogers) considers that the incentives intended for Mr Rogers represented by the issue of the STI Performance Rights are a cost-effective and efficient means for the Company to provide a reward and incentive to Mr Rogers, as opposed to the additional payment of cash compensation. The STI Performance Rights confer on the holder the right to receive one Share upon vesting and exercise of the STI Performance Rights. 50% of the STI Performance Rights will vest and be capable of exercise on the date that is 12 months after their issue. The remaining 50% of the STI Performance Rights will vest and be capable of exercise on the date that is 24 months after their issue. The STI Performance Rights are proposed to be issued under the Incentive Plan. The material terms of the STI Performance Rights are further described in the table in section 4.2 and in **Annexure A**.

If Resolution 4 is not approved by Shareholders, the Company will not be able to issue the STI Performance Rights to Mr Rogers, and will not be utilising the most cost-effective and efficient means for incentivising Mr Rogers. In these circumstances, the Company may consider alternative methods of remunerating Mr Rogers, including determining to pay the 50% portion of Mr Rogers' FY25 STI Award represented by the STI Performance Rights in cash.

#### ASX Listing Rule 10.14

Under ASX Listing Rule 10.14, an entity must not permit any of the following persons to acquire equity securities under an 'employee incentive scheme' (as defined in the ASX Listing Rules) without shareholder approval:

- a director of the entity (or an Associate of that director); or
- a person whose relationship with the entity, or a director of the entity (or an Associate of that director) is such that, in ASX's opinion, the acquisition should be approved by shareholders of the entity.

The Incentive Plan is an 'employee incentive scheme,' and the STI Performance Rights are 'securities', for the purposes of the ASX Listing Rules. As Mr Rogers is the Chief Executive Officer and Managing Director of the Company, the issue of the STI Performance Rights to Mr Rogers (including to his nominee, if applicable) falls within the ambit of ASX Listing Rule 10.14, and requires Shareholder approval. No exceptions to ASX Listing Rule 10.14 apply in the current circumstances; accordingly, Resolution 4 seeks Shareholder approval for the issue by the Company of the STI Performance Rights to Mr Rogers for the purposes of ASX Listing Rule 10.14.

#### ASX Listing Rule 10.19

ASX Listing Rule 10.19 provides that, without the approval of its shareholders, a company must ensure that no officer of the entity or any of its controlled subsidiaries will be, or may be, entitled to termination benefits if the value of those benefits and the termination benefits that are or may become payable to all officers together exceed 5% of the equity interests of the company as set out in the latest accounts given to ASX under the ASX Listing Rules. Termination benefits, for the purposes of the ASX Listing Rules, means any payments, property and advantages that are receivable on termination of employment, engagement or office.<sup>1</sup>

Any determination of, or exercise of discretion by, the Board under the Incentive Plan (or any other terms that apply to the STI Performance Rights): (i) in relation to the early vesting and / or exercise of any of Mr Rogers' STI Performance Rights; or (ii) that any of Mr Rogers' STI Performance Rights do not lapse in connection with him ceasing to be employed by, or holding office in, the Company, may constitute a 'termination benefit' to which ASX Listing Rule 10.19 applies. Depending on the value of the termination benefits (when aggregated with any other termination benefits that are, or may become, payable to other officers), and the equity interests of the Company at the time such termination benefits may crystallise, it is possible that the value of Mr Rogers' termination benefits would exceed the 5% threshold under ASX Listing Rule 10.19.

Accordingly, Shareholder approval is being sought under Resolution 4 for any termination benefits that may be provided to Mr Rogers in relation to the STI Performance Rights issued to him in accordance with Resolution 4 as a result of any determination of, or exercise of discretion by, the Board under the Incentive Plan. The value of any such termination benefits cannot presently be determined, and may be affected by a variety of factors, including (but not necessarily limited to):

- the circumstances of, and reasons for, Mr Rogers' ceasing to be employed by, or hold office in, the Company;
- Mr Rogers' length of service and the portion of any relevant measurement periods in respect to the STI Performance Rights that have expired at the time Mr Rogers ceases to be employed by, or hold office in, the Company;
- Mr Rogers' TFR at the time the STI Performance Rights are issued under the Incentive Plan, and at the time Mr Rogers ceases to be employed by, or hold office in, the Company;
- the number of unvested STI Performance Rights that Mr Rogers holds at the time he ceases to be employed by, or hold office in, the Company; and
- the number of STI Performance Rights in relation to which it is proposed the Board will make a determination or exercise its discretion.

#### ASX Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of 'securities' (as defined in the ASX Listing Rules) that a listed company such as the Company can issue without approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period. This 15% amount is commonly referred to as a company's 'placement capacity'.

ASX Listing Rule 7.2 (exception 13(b)) provides that ASX Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme (such as the Incentive Plan) if, within 3 years before the date of issue of the securities, shareholders have approved the issue of securities under the employee incentive scheme as an exception to ASX Listing Rule 7.1. Exception 13(b) of ASX Listing Rule 7.2 is only available if and to the extent that the number of equity securities issued under the employee incentive scheme does not exceed the maximum number set out in the notice of meeting dispatched to the company's shareholders in respect of the meeting at which shareholder approval was obtained under ASX Listing Rule 7.2 (exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the employee incentive scheme from those terms as set out in the notice of meeting seeking shareholder approval for the employee incentive scheme for the purposes of that exception.

The Incentive Plan was approved by Shareholders at the Company's 2024 annual general meeting held on 28 November 2024, including for the purposes of ASX Listing Rule 7.2 (exception 13(b)). The material terms of the Incentive Plan are set out in **Annexure A**. The Board considers that:

<sup>1</sup> **Note:** 'Termination benefits' under the ASX Listing Rules do not include any benefits from superannuation or provident funds and those required by law to be made. [jupitermines.com](http://jupitermines.com)

- the issue of the STI Performance Rights contemplated by Resolution 4 will fall within the maximum number of securities to be issued under the Incentive Plan as approved by Shareholders at the Company's 2024 annual general meeting (being 98,025,266 securities); and
- there have been no material changes to the terms of the Incentive Plan from those terms as set out in the notice of meeting for the Company's 2024 annual general meeting.

Furthermore, ASX Listing Rule 7.2 (exception 14) provides that ASX Listing Rule 7.1 does not apply to an issue of securities that is approved by a company's shareholders under ASX Listing Rule 10.14. Resolution 4 seeks the approval of Shareholders for the issue of the STI Performance Rights under, amongst other things, ASX Listing Rule 10.14.

If Shareholders approve Resolution 4, the issue of the STI Performance Rights to Mr Rogers will not count towards the Company's 'placement capacity'. Accordingly, the Company is not seeking Shareholder approval for the issue of the STI Performance Rights under ASX Listing Rule 7.1.

#### *Sections 200B and 200E of the Corporations Act*

Subject to certain exceptions, section 200B of the Corporations Act prohibits the giving by a company of certain benefits to individuals who hold a managerial or executive office, or have held a managerial or executive office in the previous three years, in connection with their leaving their employment with the company or any of its Related Bodies Corporate, without the approval of the company's shareholders under section 200E of the Corporations Act.

Any determination of, or exercise of discretion by, the Board under the Incentive Plan in relation to the early vesting, or non-lapsing, or Mr Rogers' STI Performance Rights may constitute a benefit to which section 200B of the Corporations Act applies.

Accordingly, Shareholder approval is being sought under Resolution 4 for the purposes of section 200E of the Corporations Act in relation to any termination benefits that may be provided to Mr Rogers in relation to the STI Performance Rights issued to him in accordance with Resolution 4 as a result of any determination of, or exercise of discretion by, the Board under the Incentive Plan, in addition to any other termination benefits that may be provided to Mr Rogers under the Corporations Act. As mentioned above, the value or amount of any such benefits cannot be determined in advance, and may be affected by a variety of factors, including those set out above under the heading "ASX Listing Rule 10.19."

#### *Section 208 of the Corporations Act*

Chapter 2E of the Corporations Act requires that a listed company (such as the Company), or an entity that a listed company controls, must not give a financial benefit to a related party of the company unless the approval of the listed company's shareholders has been obtained in accordance with the Corporations Act, and the relevant benefit is given within 15 months of the approval being obtained.

As Chief Executive Officer and Managing Director of the Company, Mr Rogers is a related party of the Company. What constitutes a 'financial benefit' is not defined in the Corporations Act, but is widely understood to have a broad application, and would include the issue of the STI Performance Rights.

It is an exception to the requirement that a listed company obtain shareholder approval to give a financial benefit to a related party of that company if: (i) the benefit is remuneration to a related party as an officer or employee of the listed company; and (ii) to give the financial benefit would be reasonable in the circumstances of the company giving the benefit, and the related party receiving the benefit.

The Board (excluding Mr Rogers) has determined that the proposed issue of the STI Performance Rights to Mr Rogers constitutes reasonable remuneration having regard to the respective position of the Company and Mr Rogers, including the responsibilities and duties of Mr Rogers in relation to the Company. Accordingly, the Board (excluding Mr Rogers) has determined that the issue of the STI Performance Rights falls within the abovementioned exception to the need to obtain the approval of Shareholders for the purposes of Chapter 2E of the Corporations Act, and no such approval is proposed to be sought.

## 5. Resolution 5: Approval of issue of long-term performance rights to Brad Rogers, Chief Executive Officer and Managing Director of the Company, for the financial year ending 30 June 2026

### 5.1 Background

As described in section 4.1, Mr Brad Rogers' remuneration package under the terms of his Services Agreement includes a long term incentive (LTI) component, 100% of which is to be paid in the form of the issue of performance rights.

The Company is seeking approval at the Meeting to issue long term incentive performance rights to Mr Rogers in respect of the financial year ended 30 June 2026 (**LTI Performance Rights**), issued under the Incentive Plan. Please refer to the FY25 Annual Report for more detail on the Company's approach to executive remuneration for FY25.

The number of LTI Performance Rights for which approval is sought under Resolution 5 (5,460,751 LTI Performance Rights) comprises the maximum opportunity in respect of the variable component of Mr Rogers' total remuneration opportunity for FY26. The table in section 5.2 provides further detail in respect to how the number of LTI Performance Rights proposed to be issued to Mr Rogers was calculated.

The number of LTI Performance Rights that will vest and become capable of exercise into Shares will ultimately depend on the extent to which the performance criteria for the LTI Performance Rights are met during the applicable measurement period. The table in section 5.2 sets out further detail in relation to the performance criteria and measurement periods for the FY26 LTI Performance Rights. The material terms of the LTI Performance Rights are further described in the table in section 5.3 and in **Annexure A**.

If Resolution 5 is not approved by Shareholders at the Meeting, the Company will not be able to issue the LTI Performance Rights to Mr Rogers, and will not be utilising the most cost-effective and efficient means for incentivising Mr Rogers. In these circumstances, the Company may consider alternative methods of incentivising Mr Rogers, including payments in cash.

#### ASX Listing Rule 10.14

The operation of ASX Listing Rule 10.14 is described in section 4.1 under the heading "ASX Listing Rule 10.14".

The Incentive Plan is an "employee incentive scheme," and the LTI Performance Rights are 'securities', for the purposes of the ASX Listing Rules. As Mr Rogers is the Chief Executive Officer and Managing Director of the Company, the issue of the LTI Performance Rights to Mr Rogers (including to his nominee, if applicable) falls within the ambit of ASX Listing Rule 10.14 and requires Shareholder approval. No exceptions to ASX Listing Rule 10.14 apply in the current circumstances; accordingly, Resolution 5 seeks Shareholder approval for the issue by the Company of the LTI Performance Rights to Mr Rogers for the purposes of ASX Listing Rule 10.14.

#### ASX Listing Rule 7.1

The operation of ASX Listing Rule 7.1 is described in section 4.1 under the heading "ASX Listing Rule 7.1".

As described in that section, the Incentive Plan was approved by Shareholders at the Company's 2024 annual general meeting held on 28 November 2024, including for the purposes of ASX Listing Rule 7.2 (exception 13(b)). Furthermore, ASX Listing Rule 7.2 (exception 14) provides that ASX Listing Rule 7.1 does not apply to an issue of securities that is approved by a company's shareholders under ASX Listing Rule 10.14. Resolution 5 seeks the approval of Shareholders for the issue of the LTI Performance Rights under, amongst other things, ASX Listing Rule 10.14.

If Shareholders approve Resolution 5, the issue of the LTI Performance Rights to Mr Rogers will not count towards the Company's 'placement capacity'. Accordingly, the Company is not seeking Shareholder approval for the issue of the LTI Performance Rights under ASX Listing Rule 7.1.

#### ASX Listing Rule 10.19

The operation of ASX Listing Rule 10.19 is described in section 4.1 under the heading "ASX Listing Rule 10.19".

Any determination of, or exercise of discretion by, the Board under the Incentive Plan (or any other terms that apply to the LTI Performance Rights): (i) in relation to the early vesting and / or exercise of any of Mr Rogers' LTI Performance Rights; or (ii) that any of Mr Rogers' LTI Performance Rights do not lapse in connection with him ceasing to be employed by, or hold office in, the Company, may constitute a termination benefit to which ASX Listing Rule 10.19 applies. Depending on the value of the termination benefits (when aggregated with any other termination benefits that are, or may become, payable to other officers), and the equity interests of

the Company at the time such termination benefits may crystallise, it is possible that the value of Mr Rogers' termination benefits would exceed the 5% threshold under ASX Listing Rule 10.19.

Accordingly, Shareholder approval is being sought under Resolution 5 for any termination benefits that may be provided to Mr Rogers in relation to any LTI Performance Rights issued to him in accordance with Resolution 5 as a result of any determination of, or exercise of discretion by, the Board under the Incentive Plan. The value of such termination benefits cannot presently be determined, and may be affected by a variety of factors, including (but not necessarily limited to):

- the circumstances of, and reasons for, Mr Rogers' ceasing to be employed by, or hold office in, the Company;
- Mr Rogers' length of service and the portion of any relevant measurement periods in respect to the LTI Performance Rights that have expired at the time Mr Rogers ceases to be employed by, or hold office in, the Company;
- Mr Rogers' TFR at the time the LTI Performance Rights are issued under the Incentive Plan, and at the time Mr Rogers ceases to be employed by, or hold office in, the Company;
- the number of unvested LTI Performance Rights that Mr Rogers holds at the time he ceases to be employed by, or hold office in, the Company; and
- the number of LTI Performance Rights in relation to which it is proposed the Board will make a determination or exercise its discretion.

#### *Sections 200B and 200E of the Corporations Act*

The operation of sections 200B and 200E of the Corporations Act is described in section 4.1 under the heading "*Sections 200B and 200E of the Corporations Act*".

Any determination of, or exercise of discretion by, the Board under the Incentive Plan in relation to the early vesting, or non-lapsing, or Mr Rogers' LTI Performance Rights may constitute a benefit to which section 200B of the Corporations Act applies.

Accordingly, Shareholder approval is being sought under Resolution 5 for the purposes of section 200E of the Corporations Act in relation to any termination benefits that may be provided to Mr Rogers in relation to the LTI Performance Rights issued to him in accordance with Resolution 5 as a result of any determination of, or exercise of discretion by, the Board under the Incentive Plan, in addition to any other termination benefits that may be provided to Mr Rogers under the Corporations Act. As mentioned above, the value or amount of any such benefits cannot be determined in advance, and may be affected by a variety of factors, including those set out above under the heading "*ASX Listing Rule 10.19*".

#### *Section 208 of the Corporations Act*

The operation of Chapter 2E of the Corporations Act is described in section 4.1 under the heading "*Section 208 of the Corporations Act*".

As Chief Executive Officer and Managing Director of the Company, Mr Rogers is a related party of the Company. What constitutes a 'financial benefit' is not defined in the Corporations Act, but is widely understood to have a broad application, and would include the issue of the LTI Performance Rights.

As mentioned in section 4.1, it is an exception to the requirement that a listed company obtain shareholder approval to give a financial benefit to a related party of that company if: (i) the benefit is remuneration to a related party as an officer or employee of the listed company; and (ii) to give the financial benefit would be reasonable in the circumstances of the company giving the benefit, and the related party receiving the benefit.

The Board (excluding Mr Rogers) has determined that the proposed issue of the LTI Performance Rights to Mr Rogers constitutes reasonable remuneration having regard to the respective position of the Company and Mr Rogers, including the responsibilities and duties of Mr Rogers in relation to the Company. Accordingly, the Board (excluding Mr Rogers) has determined that the issue of the LTI Performance Rights falls within the abovementioned exception to the need to obtain the approval of Shareholders for the purposes of Chapter 2E of the Corporations Act, and no such approval is proposed to be sought.

## **5.2 LTI Performance Rights metrics**

The metrics and weightings chosen for all of the LTI Performance Rights take into account investor feedback and are linked to key financial and non-financial drivers which are expected to have long-term impacts on the success of the Company, and therefore are aligned with Shareholders' interests.

### Calculation of number of LTI Performance Rights to be issued

The formula applied for the proposed issue of the LTI Performance Rights to Mr Rogers is:

$$\text{LTI} = \frac{\text{TFR} \times 120\%}{B}$$

where:

TFR = Mr Rogers' Total Fixed Annual Remuneration (comprising salary and superannuation);

B = VWAP of Shares in the 5 ASX trading days up to 1 July 2025

LTI = Quantity of LTI Performance Rights to be issued

### 5.2.1 FY26 Performance targets, measures and weightings

#### 5.5 Board recommendation

The Board, with Mr Rogers abstaining, recommends that **Shareholders vote in favour of Resolution 5** at the Meeting.

## 6. Resolution 6: Renewal of proportional takeover provision

### 6.1 Background

The Company's current Constitution was approved by Shareholders at the Company's 2022 annual general meeting held on 26 July 2022 (**2022 AGM**). At the 2022 AGM, separate Shareholder approval was also obtained in respect of article 5 of the Constitution, which set out proportional takeover approval provisions that prohibit the Company from registering a transfer of Shares under a proportional takeover bid unless the bid is approved by a resolution passed by Shareholders in a general meeting.

Under section 648G(1) of the Corporations Act, the proportional takeover approval provisions in a company's constitution must be renewed every three years or they will cease to have effect. At the 2022 AGM, Shareholder approval was given for the proportional takeover approval provisions in article 5 of the Constitution for the period until 26 July 2025, being three years from the date of approval.

Section 648G(3) of the Corporations Act provides that when a company's proportional takeover approval provisions cease to have effect, the company's constitution is altered by omitting the provisions. Accordingly, as the proportional takeover provisions in article 5 of the Constitution were not renewed prior to 26 July 2025, following that date the Constitution was altered pursuant to the operation of the Corporations Act to omit article 5.

The Company is now seeking Shareholder approval, by special resolution, to modify the Constitution by reinserting proportional takeover approval provisions into the Constitution, in accordance with sections 136(2) and 648G(5) of the Corporations Act.

If Resolution 6 is approved by Shareholders, the proportional takeover approval provisions will be reinserted into the Constitution as article 5, and will have effect on those terms until 26 November 2028. The Company is permitted to seek further Shareholder approval to renew the proportional takeover approval provisions in article 5 of the Constitution for further periods of up to three years on each occasion.

In accordance with the requirements of section 648G(5) of the Corporations Act, the Company provides the information in sections 6.2 to 6.6 below.

#### *Special resolution*

Section 136(2) of the Corporations Act provides that a company may modify or repeal its constitution, or a provision of its constitution, by a special resolution of its shareholders. Under section 250MA of the Corporations Act, a special resolution, relevantly, must be passed by at least 75% of the votes of members entitled to vote on the resolution. Accordingly, in order to be approved, Resolution 6 must be approved by at least 75% of the votes of Shareholders entitled to vote on Resolution 6 (including by proxy, attorney or, in the case of a corporate Shareholder, by corporate representative).

#### *Right of certain Shareholders to apply to the court to have Resolution 6 set aside*

If Resolution 6 is passed at the Meeting, then, for a period of 21 days after the Meeting, holders of 10% or more of the Company's Shares will have the right to apply to the court to have Resolution 6 set aside. The court may set aside Resolution 6 if it is satisfied in all circumstances that it is appropriate to do so.

### 6.2 What is a proportional takeover bid

A proportional takeover bid is an off market takeover bid where an offer is made to each shareholder of a company to acquire a specified proportion only of that shareholder's shares (that is, less than 100%). The specified proportion must be the same in the case of all shareholders. If a shareholder accepts the proportional takeover bid, the shareholder will dispose of the specified proportion of shares and retain the balance.

The Corporations Act allows a company to provide in its constitution that if a proportional takeover bid is made, shareholders must vote on whether to accept or reject the proportional takeover bid and that decision will be binding on all shareholders. This provision allows shareholders to decide collectively whether a proportional takeover bid is acceptable in principle.

### 6.3 The effect of the provisional takeover provision

The effect of the proportional takeover provisions in article 5 of the Constitution is that if a bidder makes a proportional takeover bid for the Company, the Company must refuse to register a transfer of Shares giving effect to any acceptance of the takeover bid unless the takeover bid is approved by Shareholders in general meeting, or the deadline for obtaining such approval passes (as further detailed below).

In the event that a proportional takeover bid is made, the Directors must convene a meeting of Shareholders to vote on a resolution to approve the proportional takeover bid. For the resolution to be approved, it must be passed by a simple majority of votes at the meeting, excluding any votes of the bidder and its associates.

If no such resolution is voted on at least 14 days before the last day of the takeover bid period or such later date as approved by ASIC, the resolution will be deemed to have been approved. This effectively means that Shareholders may only prohibit a proportional takeover bid by passing a resolution rejecting the proportional takeover bid.

If the resolution is approved or deemed to have been approved, a transfer of Shares under the proportional takeover bid must be registered provided it complies with the other provisions of the Corporations Act and the Constitution.

If the resolution is voted on and rejected, the registration of any transfer of Shares resulting from the proportional takeover bid is prohibited and the proportional takeover bid is deemed by the Corporations Act to have been withdrawn.

The Directors will breach the Corporations Act if they fail to ensure the resolution is voted on.

The proportional takeover approval provisions do not apply to full takeover bids and, if refreshed, will only apply until 26 November 2028, unless again renewed by Shareholders by passing a special resolution.

## 6.4 Reasons for adopting the proportional takeover approval provisions

Without the proportional takeover approval provisions, a proportional takeover bid may result in control of the Company passing without Shareholders having the opportunity to dispose of all of their Shares to the bidder. This could result in practical control of the Company passing to the bidder without the payment of an adequate control premium and with Shareholders left as a minority interest in the Company.

The proportional takeover approval provisions lessen this risk because they allow Shareholders to decide whether a proportional takeover bid is acceptable and should be permitted to proceed. The Directors consider that it is appropriate for Shareholders to have this right. The proportional takeover approval provisions may also assist in ensuring that any proportional bid is adequately priced.

## 6.5 Potential advantages and disadvantages

The Corporations Act requires Shareholders to be given a statement which identifies and discusses the potential advantages and disadvantages, for Directors and Shareholders, of the proportional takeover approval provisions proposed to be approved or renewed (as the case may be). A statement of potential advantages and disadvantages is set out below. The Directors consider that the proportional takeover approval provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

Advantages	Disadvantages
Enhance the bargaining power of Shareholders in connection with any potential sale of the Company, which may assist in ensuring that any proportional takeover bid is adequately priced.	The likelihood of a proportional takeover bid succeeding may be reduced.
Improve corporate management by eliminating the possible threat of a hostile takeover through longer term planning.	Discourage the making of proportional takeover bids in respect of the Company and may reduce any speculative element in the market price of Shares arising from the possibility of a takeover bid being made.
Assists in preventing Shareholders from being locked in as a minority.	The provisions are inconsistent with the principle that a share in a public company should be transferable without the consent of other shareholders.
Gives individual Shareholders the ability to better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders, which may assist in deciding whether to accept or reject an offer under the takeover bid.	There may be a lost opportunity for individual Shareholders to sell a portion of their Shares at a premium.

## 6.6 No knowledge of present acquisition proposals

As announced to the ASX on 14 May 2025, the Company is aware that Exxaro Resources Limited (**Exxaro**), a diversified mining company listed on the Johannesburg Stock Exchange, has entered into a binding agreement with Ntsimbintle Holdings Proprietary Limited (**NH**), the Company's major Shareholder, to acquire from NH, among other things, a 19.99% interest in the Company (**Proposed Transaction**).

The Proposed Transaction is subject to a number of conditions, including the receipt of certain regulatory approvals in South Africa. Subject to the fulfillment of the relevant conditions, including receipt of the required regulatory approvals, the Proposed Transaction is expected to complete in early 2026.

Further information regarding the Proposed Transaction is set out in the Company's announcement to the ASX on 14 May 2025, titled "*Jupiter welcomes Exxaro as prospective partner & shareholder*".

Separately, the current proportional takeover provisions lapsed in July 2025. Due to the change in the Company's year-end, the timing of General Meetings moved to November, the provisions had lapsed and the Company did not wish Shareholders to incur the cost and inconvenience of holding and Extraordinary General Meeting to renew the approval prior to the expiry in July 2025.

## 6.7 Voting prohibitions and exclusions

There are no voting prohibitions or exclusions which apply to Resolution 6.

## 6.8 Board recommendation

The Board believes that the potential advantages of reinserting the proportional takeovers approval provisions into the Constitution outweigh the potential disadvantages of not doing so, and accordingly, the Board recommends that **Shareholders vote in favour of Resolution 6** at the Meeting.

## ANNEXURE A - MATERIAL TERMS OF INCENTIVE PLAN

A summary of the material terms of the Incentive Plan (**Plan**) is set out below.

<b>Administration of the Plan</b>	The Plan will be administered by the board of the Company ( <b>Board</b> ) which, except as otherwise expressly provided in the Plan, has the absolute and unfettered discretion to act in connection with the Plan, and to exercise any power or direction under the Plan. The Board can determine appropriate procedures for the Plan's administration, appoint or engage service providers for its operation, and delegate a person(s) for any period to exercise the Board's powers arising under the Plan.
<b>Eligible Participants</b>	<b>Eligible Participant</b> means an employee (including a director employed in an executive capacity) or any other person who the Board determines is eligible to receive a grant of an Award under the Plan, which may include a non-executive director or independent contractor of a group company.
<b>Awards</b>	<b>Award</b> means an option, a performance right, or an incentive right. Awards are not quoted on ASX or any other exchange.
<b>Invitations</b>	The Board may in its absolute discretion and subject to the Plan invite Eligible Participants to participate in the Plan and apply for a grant of Awards upon the terms set out in the Plan and any other terms and conditions as the Board determines. An invitation may take any form determined by the Board.
<b>Issue Cap for monetary offers</b>	<p>The Company must not make an invitation under the Plan under which Awards are offered in return for monetary consideration if the number of shares in the Company (<b>Shares</b>) that may be issued, or acquired upon exercise of options and performance rights offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan and received in Australia during the three-year period ending on the day of the invitation, will exceed 5% of the total number of issued Shares at the start of the day the invitation is made (unless the Constitution specifies a different percentage).</p> <p><b>Note:</b> The Company's constitution does not specify a percentage limit for these purposes.</p> <p><b>Note:</b> All offers of Awards under the Plan will also be subject to any threshold on the number of equity securities that may be issued under the Plan as approved by shareholders pursuant to ASX Listing Rule 7.2 (exception 13(b)) from time to time.</p>
<b>Vesting of Awards</b>	<p>Subject to the rules of the Plan, an Award will only vest and become exercisable (as applicable) where each vesting condition and any additional terms specified in the invitation for that relevant Award has been satisfied, or otherwise waived by the Board. Vested options and performance rights may be exercised in one or more parcels of any size, provided that the number of Shares allocated upon exercise of the number of options or performance rights (as applicable) in any parcel is not less than a "Marketable Parcel" (as defined in the ASX Operating Rules).</p> <p>A participant has the right to acquire one Share (or to be paid a cash payment in lieu of one Share, at the discretion of the Board) upon the vesting and exercise of an option or performance right. Upon the vesting of an incentive right, a participant has the right to be paid the cash amount specified in the invitation for those incentive rights, with such amount determined in accordance with the Plan.</p>
<b>Lapse of Awards</b>	<p>An Award will lapse on the first to occur of the following:</p> <p>(a) a date or circumstance specified in the invitation for that Award or a provision of the Plan as to when an Award lapses;</p>

	<p>(b) failure to meet a vesting condition within the vesting period or meet any other condition applicable to the Award within the period specified in the invitation for that Award (unless the Board determines otherwise);</p> <p>(c) the receipt by the Company of a notice in writing from a participant that the participant has elected to surrender the Award; and</p> <p>(d) 6 years from the date of grant of the Award.</p>
<b>Cash equivalent payments</b>	<p>Unless the terms of an invitation provide otherwise, the Board may determine that the exercise of some or all of a participant's options or performance rights may be satisfied by the Company making a cash payment to a participant, in lieu of an allocation of Shares.</p> <p>Where the Board makes such a decision, the Company must pay the participant an amount equivalent to the value of the exercised options or the performance rights calculated by multiplying the number of options or performance rights that have been exercised by the market value of Shares on the date on which the Share in respect of that Award would otherwise have been allocated to a participant (less, in the case of options, any exercise price for those options specified in the invitation which has not been paid by the participant to the Company).</p>
<b>Cashless exercise of options</b>	<p>In lieu of paying the exercise price, a participant may choose to exercise some or all of its vested options by way of cashless exercise in accordance with the formula set out in the Plan.</p>
<b>Restrictions on dealing in Awards</b>	<p>A participant must not Deal with an Award unless that Dealing: (i) is required by law and the participant has provided satisfactory evidence of that requirement to the Board; and (ii) is permitted by the Company's securities trading policy.</p> <p><b>Deal or Dealing</b> means any dealing including but not limited to a sale, transfer, assignment, trust, encumbrance, option, swap, any alienation of all or any part of the rights attaching to the Award, or any arrangement or transaction in financial products that operates to limit the economic risk associated with holding an Award.</p>
<b>Cessation of employment</b>	<p>Where a cessation of employment of an employee occurs, and that employee (or a nominated party of that employee) is a participant, then in the circumstances that the employee is a:</p> <p>(a) good leaver, the Board has discretion to determine that:</p> <ul style="list-style-type: none"> <li>some or all of the participants' unvested Awards will immediately vest and be exercised, or will continue in force and remain capable of vesting in accordance with their terms;</li> <li>some or all of the participants' options and performance rights that have vested but have yet to be exercised, will immediately be exercised, or will continue in force and remain capable of vesting in accordance with their terms; and / or</li> <li>any disposal restrictions or any other terms which apply to an Award or to Shares allocated on the exercise of an option or performance right cease to apply; or</li> </ul> <p>(b) bad leaver, the participant's unvested Awards, and / or vested options and performance rights that have vested but are yet to be exercised, will immediately lapse (unless the Board in its discretion determines otherwise).</p> <p>The terms of an invitation may prescribe the treatment of Awards upon a cessation of employment of an employee who is a participant (or a nominated party of a participant), which may differ to the default position contained in the Plan. In the event of an inconsistency, the terms of a particular invitation prevail against the rules of the Plan.</p>

<b>Change of employment</b>	<p>If an employee (or a nominated party of that employee) is a participant and is transferred to work for a group company outside of Australia, the Board has the discretion to determine how the participant's Awards will be treated where the:</p> <ul style="list-style-type: none"> <li>(a) participant would suffer a tax disadvantage in relation to their Awards;</li> <li>(b) Company would be restricted in its ability to vest Awards, allocate Shares, or pay the amount payable upon the exercise or vesting of an Award (as applicable), or</li> <li>(c) participant would face restrictions on their ability to hold or Deal with Awards, the Shares or the proceeds of the Shares acquired on vesting or exercise, because of the laws of the country.</li> </ul>
<b>Change of Control</b>	<p><b>A Change of Control Event</b> means:</p> <ul style="list-style-type: none"> <li>(a) a takeover bid is made for Shares and that bid is, or is declared, unconditional, and if completed in accordance with its terms, upon completion the bidder would obtain a relevant interest in more than 50% of shares in the Company;</li> <li>(b) the Company's members approve: <ul style="list-style-type: none"> <li>• a scheme which, if it becomes effective, would result in any person (either alone or together with its related bodies corporate) acquiring a relevant interest in all of the Shares in the Company;</li> <li>• a scheme for the reconstruction of the Company or its amalgamation with any other company or companies which would, if it becomes effective, result in any person (either alone or together with its related bodies corporate) acquiring a relevant interest in more than 50% of the Shares in the Company;</li> </ul> </li> <li>(c) the Company's members pass a resolution approving an acquisition by a person of a relevant interest in more than 50% of the Shares in the Company;</li> <li>(d) a person obtains a relevant interest in Shares which the Board (constituting the members of the Board prior to the acquisition by the person of the relevant interest) determines, acting in good faith and in accordance with their fiduciary duties, is of a level sufficient to control the composition of the Board; or</li> <li>(e) any other transaction or event which, in the Board's opinion, does or is likely to result in a change of Control (as defined in the Corporations Act) of the Company.</li> </ul> <p>If a Change of Control Event occurs, or the Board determines that such an event is reasonably likely to occur, the Board may in its discretion determine how any or all of a participant's Awards are to be dealt with (which may be in accordance with the particular treatment set out in an invitation in relation to that Award, if any particular treatment is so specified in the invitation).</p> <p>If the Board does not exercise its discretion, and a participant's invitation does not specify a particular treatment for that Award, then, in relation to that Award: (i) all unvested options, performance rights and incentive rights automatically vest (and in the case of options and performance rights, are automatically exercised); and (ii) any options or performance rights that have vested but are not yet exercised, are automatically exercised).</p>
<b>Adjustment of Awards</b>	<p>Prior to allocating Shares or making payment in respect of vested Award to a participant (as applicable), the Board may, in its discretion, adjust the terms of an Award or grant additional Awards to a participant, in order to minimise or eliminate any material advantage or disadvantage to a participant resulting from a corporate action by, or capital restructure of, the Company.</p> <p>Any adjustments must comply with any applicable ASX Listing Rules.</p>

<b>Rights issues and entitlement offers</b>	If the Company makes a pro rata issue of Shares to existing holders of Shares generally by way of a rights issue or entitlement offer, and no Share has been allocated in respect of an option before the record date for determining entitlements to the pro rata issue, the option will be adjusted in accordance with the formula in the ASX Listing Rules. This rule does not limit the Board's discretion to adjust Awards as permitted by the Plan and the ASX Listing Rules.
<b>Bonus issues</b>	If the Company makes a bonus issue of Shares to existing holders of Shares involving capitalisation of reserves of distributable profits, and no Shares have been allocated in respect of an option or performance right before the record date for determining entitlements to the bonus issue, options and performance rights will be adjusted in accordance with the ASX Listing Rules. This rule does not limit the Board's discretion to adjust Awards as permitted by the Plan and the ASX Listing Rules.
<b>Rights attaching to Awards</b>	<p>An option or performance right issued under the Plan:</p> <ul style="list-style-type: none"> <li>(a) does not confer a right to receive a dividend and, except as otherwise required by law, to vote at a meeting of members of the Company; and</li> <li>(b) carries no entitlement to a return of capital or to participate in the surplus of profits or assets upon the winding up of the Company,</li> </ul> <p>unless and until the option or performance right has (if applicable) converted into a Share in accordance with the Plan.</p>
<b>Reorganisations</b>	A reorganisation (including consolidation, subdivision, reduction or return) of the issued capital of the Company is affected, options and performance rights will be adjusted in accordance with the ASX Listing Rules. This rule does not limit the Board's discretion to adjust Awards as permitted by the Plan and the ASX Listing Rules.
<b>Participation in new issues</b>	<p>Other than in circumstances provided for in the ASX Listing Rules, an option or performance right does not confer on a participant the right to participate in a new issue of securities to holders of existing Shares unless:</p> <ul style="list-style-type: none"> <li>(a) the participant has become entitled to exercise the option or performance right;</li> <li>(b) Shares have been allocated in respect of that option or performance right before the record date for determining entitlements to the new issue of securities; and</li> <li>(c) the participant participates in the new issue of securities as a holder of those allocated Shares,</li> </ul>
<b>Amendments to the Plan</b>	<p>Subject to the ASX Listing Rules, the Corporations Act and any other applicable law, the Board may amend all or any of the provisions of the Plan, or the terms and conditions of any Award granted under the Plan (including waiving, amending or replacing any vesting condition in any Award, provided that the interests of the relevant participant are not materially prejudiced or advantaged).</p> <p>The Board may not exercise any of the powers described above in a manner which adversely affects the existing rights of a participant except with the consent of the participant or the approval of more than 50% of the holders of awards affected by an amendment, unless the amendment is a permitted amendment as set out in the Plan.</p>
<b>Duration of the Plan</b>	The Plan continues to operate until the Board decides to end the Plan. The Board may terminate or suspend the Plan at any time. If the Plan is terminated or suspended, that termination or suspension will not prejudice any accrued rights of any participants.

## HOW TO COMPLETE THIS SHAREHOLDER PROXY FORM

### YOUR NAME AND ADDRESS

This is your name and address as it appears on the Company's share register. If this information is incorrect, please make the correction on the form. Shareholders sponsored by a broker should advise their broker of any changes. **Please note: you cannot change ownership of your shares using this form.**

### APPOINTMENT OF PROXY

If you wish to appoint the Chairman of the Meeting as your proxy, mark the box in Step 1. If you wish to appoint someone other than the Chairman of the Meeting as your proxy, please write the name of that individual or body corporate in Step 1. A proxy need not be a shareholder of the Company.

### DEFAULT TO CHAIRMAN OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chairman of the Meeting, who is required to vote those proxies as directed. Any undirected proxies that default to the Chairman of the Meeting will be voted according to the instructions set out in this Proxy Form, including where the Resolutions are connected directly or indirectly with the remuneration of KMP.

### VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by placing a mark in one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as they choose. If you mark more than one box on an item your vote on that item will be invalid.

### APPOINTMENT OF A SECOND PROXY

You are entitled to appoint up to two persons as proxies to participate in the Meeting and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning the Company's share registry or you may copy this form and return them both together.

To appoint a second proxy you must:

- on each of the first Proxy Form and the second Proxy Form state the percentage of your voting rights or number of shares applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- return both forms together.

**Individual:** where the holding is in one name, the holder must sign.

**Joint Holding:** where the holding is in more than one name, either shareholder may sign.
