EXPLANATORY NOTES

ITEM A DISCUSSION OF FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, Shareholders will have a reasonable opportunity to ask questions or make comments on the Company's Financial Report, Directors' Report and Auditor's Report for the year ended 30 June 2025.

The Company's auditor, Pitcher Partners, will be available at the Meeting and Shareholders will have an opportunity to ask the auditor questions in relation to the conduct of the audit, the Auditor's Report, the Company's accounting policies and the independence of the auditor.

The auditor will also respond to any written questions, provided these are submitted to the Company no later than five business days prior to the Meeting.

There is no requirement for Shareholders to approve the Company's Financial Report, Directors' Report and Auditor's Report.

ITEM 1 REMUNERATION REPORT

Background

The Remuneration Report for the financial year ended 30 June 2025 is included in the Company's Annual Report and sets out the Company's remuneration arrangements for Key Management Personnel.

The Chair will allow a reasonable opportunity for Shareholders to ask questions about, or make comments on, the Remuneration Report at the Meeting. Shareholders will then be asked to vote on the Remuneration Report.

The vote is advisory only and does not bind the Company or its Directors. The Board will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

Spill resolution

If at two consecutive annual general meetings, at least 25% of the votes cast are against the adoption of the Company's Remuneration Report, Shareholders must vote on whether the Board should go up for re-election.

The Board takes its responsibilities to remuneration very seriously. Absent of any feedback from the 2024 annual general meeting, the Board believes that the remuneration outcomes for the financial year ended 30 June 2025 continues to align with Shareholder interests and furthers the Company's strategy. The Remuneration Report incentivises Key Management Personnel to optimise financial outcomes and allows the Company to operate with a minimally sufficient but highly skilled team. The quantum of remuneration also remains unchanged from prior years.

Shareholders should note that whilst the vote on Item 1 is advisory only, if at least 25% of the votes cast on this resolution are cast against the adoption of the Remuneration Report for the financial year ended 30 June 2025, the Company would receive a 'first strike'. If a 'second strike' were to occur at the 2026 annual general meeting, this would require the Company to put a conditional board spill resolution to the AGM.

Board recommendation

The Board unanimously recommends that Shareholders vote **in favour** of the adoption of the Remuneration Report.

The Chair intends to vote undirected proxies in favour of Item 1 in accordance with the express authorisation on the Proxy Form.

Voting prohibition statement

In accordance with the Corporations Act, the Company will disregard any votes cast on Item 1:

- by or on behalf of a member of Key Management Personnel (details of whose remuneration are including in the Remuneration Report), or their Closely Related Parties, regardless of the capacity in which the votes are cast; or
- by a person who is a member of the Key Management Personnel at the date of the Meeting, or their Closely Related Parties, as a proxy.

However, votes will not be disregarded if they are cast as a proxy for a person entitled to vote on Item 1:

- in accordance with a written direction specifying the way the proxy is to vote on the resolution; or
- by the Chair pursuant to an express authorisation to exercise the proxy even if this Item is connected directly or indirectly with the remuneration of the Key Management Personnel.

EXPLANATORY NOTES

ITEM 2 RE-ELECTION OF DIRECTOR

Mr Rodney Dyer was appointed to the Board on 20 May 2022.

In accordance with Listing Rule 14.4 and rule 11.3 of the Constitution, the Board is seeking confirmation of Mr Dyer's re-election as a Director at this Meeting. His relevant skills and experience are summarised below.

Mr Rodney Dyer

Term	Appointed on 20 May 2022
Independent	The Board considers Mr Dyer independent
Skills and experience	Mr Dyer has served on the Boards of a number of infrastructure companies and has held executive positions in both small and large companies. He has had accountability for delivering both project and the business outcomes for greenfield and brownfield projects across a wide range of industries. Previously Mr Dyer held the position of Chief Projects Officer for Seafarms Group and Project Director for Project Sea Dragon from 2017 to 2021.
Other directorships	None.
Interests in the Company	Nil.

Board recommendation

The Board (other than Mr Dyer who has an interest in the resolution) believe that the re-election of Mr Dyer to the Board is in the best interests of the Company and unanimously recommend that Shareholders vote **in favour** of the re-election of Mr Dyer.

The Chair intends to vote undirected proxies in favour of Item 2.

ITEM 3 ADDITIONAL CAPACITY TO ISSUE SECURITIES

Background

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities (as defined below) that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a Special Resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of A\$300 million or less. The Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a market capitalisation of less than A\$300 million.

An equity security includes a share, a unit in a trust, a right to a share or unit in a trust or option, an option over an issued or unissued security, a convertible security, or, any security that ASX decides to classify as an equity security. Any equity securities issued under the Additional 10% Capacity must be in the same class as an existing class of quoted equity securities. As at the date of this Notice, the Company currently has one class of quoted equity securities on issue, being Shares.

Purpose of approval

Item 3 seeks Shareholder approval by way of a Special Resolution for the Company to have the Additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without shareholder approval.

If Item 3 is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further shareholder approval.

If Item 3 is not passed, the Company will not be able to access the Additional 10% Capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1, which may limit the Company's ability to take advantage of opportunities to raise equity capital.

EXPLANATORY NOTES

Details of the Additional 10% Capacity

Minimum issue price	<p>The Company will not issue securities under the Additional 10% Capacity at a price less than 75% of the volume weighted average price for the securities in the same class, calculated over the 15 ASX Trading Days on which trades in that class were recorded immediately before:</p> <ul style="list-style-type: none">the date on which the price at which the securities are to be issued is agreed; orif the securities are not issued within 10 Trading Days of the date in the paragraph above, the date on which the securities are issued.

They may, however, include substantial Shareholders and/or new Shareholders, but will not include related parties of the Company (or their Associates).</p>
Risk of dilution	<p>There is a risk of economic and voting dilution to the Shareholders, including that:</p> <ul style="list-style-type: none">the market price for the equity securities may be significantly lower on the date of the issue than it is on the date of the Meeting; andthe equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date. <p>The table below sets out:</p> <ul style="list-style-type: none">the economic and voting dilution based on 100%, 150% and 200% of the Company's current issued share capital; andthe capital raised by an issue of securities at the current market rate, at a 50% reduction and at a 100% increase to the current market rate.

EXPLANATORY NOTES

Shares on Issue	Shares Issued 10% voting dilution (Shares)	Capital raised (\$)		
		At 50% decrease in market price \$0.001	At current market price \$0.002	At 100% increase in market price \$0.004
Current 4,836,599,179	483,659,917	\$483,659.92	\$967,319.83	\$1,934,639.67
50% increase 7,254,898,768	725,489,876	\$725,489.88	\$1,450,979.75	\$2,901,959.50
100% increase 9,673,198,358	967,319,835	\$967,319.84	\$1,934,639.67	\$3,869,277.54

Assumptions and explanations

The market price is based on the closing price for the Shares on 17 October 2025, being \$0.002.

These calculations assume that each Shareholder maintains its current Shareholding in the Company and does not participate in the issue which utilises the Additional 10% Capacity.

No further equity is issued either under the Company's current capacity to issue 15% of its equity securities or on conversion of convertible securities.

The Company utilises the full Additional 10% Capacity by issuing Shares.

The table represents dilution as a whole and is not an example of dilution that may be caused to a particular Shareholder.

Previous approval

At the Company's 2024 annual general meeting, Shareholders did not approve the Company's capacity to issue equity securities equivalent to an additional 10% of the Company's ordinary securities.

Security issues in the last 12 months

The Company has not issued or agreed to issue any equity securities under Listing Rule 7.1A in the 12 months preceding the date of the Notice.

Special Resolution

For Item 3 to be passed, it must be approved by a Special Resolution, requiring approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Board Recommendation

The Board unanimously recommends Shareholders vote **in favour** of granting the Company the Additional 10% Capacity.

The Chair intends to vote undirected proxies in favour of Item 3.

Voting Prohibition Statement

The Company is not proposing to make an issue of equity securities under the Additional 10% Capacity at the time of dispatching the Notice. Accordingly, no Shareholders are currently excluded from voting on this Item.
