EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2025 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at: www.carnabyresources.com.au.

1. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

1.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

1.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

1.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

2. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MR GREG BARRETT

2.1 General

Listing Rule 14.4 and clause 14.2 of the Constitution provide that, other than a managing director, a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or three years, whichever is the longer. However, where there is more than one managing director, only one is entitled to be exempt from this rotation requirement.

Mr Greg Barrett, having held office without re-election since 24 November 2022 and being eligible, retires by rotation and seeks re-election.

Further information in relation to Mr Greg Barrett is set out below.

Qualifications, experience and other material directorships	Mr Barrett has over 25 years' experience as a corporate and finance professional, primarily within the mining industry. Mr Barrett has previously served as the Chief Financial Officer of several ASX-Listed companies with operating gold mines in Australia and abroad. Prior to commencing in commerce, Mr Barrett was employed by KPMG. Mr Barrett holds a Bachelor of Commerce from the University of Western Australia.
Term of office	Mr Barrett has served as a Director since 12 March 2020 and was last re-elected on 24 November 2022.
Independence	If re-elected the Board considers that Mr Barrett will be an independent Director.
Board recommendation	The Board (other than Mr Barrett) has reviewed Mr Barrett's performance since his appointment to the Board and considers that Mr Barrett's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Mr Barrett and recommends that Shareholders vote in favour of this Resolution.

2.2 Technical Information required by Listing Rule 14.1A

If this Resolution is passed, Mr Barrett will be re-elected to the Board as a non-executive independent Director.

In the event that this Resolution is not passed, Mr Barrett will not continue as a Director. The Company may seek nominations or otherwise identify suitable qualified candidates to join the Company. As an additional consequence this may detract from the Board and the Company's ability to execute on its strategic vision.

3. RESOLUTION 3 – APPROVAL OF 7.1A MANDATE

3.1 General

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. As of the 16 October 2025, the Company's

market capitalisation is \$116,738,127. The Company is therefore an eligible entity for these purposes.

3.2 Technical information required by Listing Rule 14.1A

For this Resolution to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be cast in favour of the Resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

4. RESOLUTION 4 – RENEWAL OF THE COMPANY'S EMPLOYEE INCENTIVE SECURITIES PLAN

4.1 General

This Resolution seeks Shareholder approval for purposes of Listing Rule 7.2 (Exception 13(b)) for the issue of a maximum of 18,000,000 Securities under the employee incentive scheme titled "Employee Incentive Securities Plan" (**Plan**).

The objective of the Plan is to attract, motivate and retain key employees, contractors and other persons who provide services to the Company, and the Company considers that the adoption of the Plan and the future issue of Securities under the Plan will provide these parties with the opportunity to participate in the future growth of the Company.

A summary of Listing Rule 7.1 is set out in Section 3.1 above.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

4.2 Technical Information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to issue Securities under the Plan to eligible participants over a period of 3 years. The issue of any Securities to eligible participants under the Plan (up to the maximum number of Securities stated in Section 4.3 below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If this Resolution is not passed, the Company will be able to proceed with the issue of Securities under the Plan to eligible participants, but any issues of Securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the Securities.

5. RESOLUTION 5 – RATIFICATION OF CONSIDERATION SHARES – LATITUDE 66 AGREEMENT

5.1 Background

This Resolution seeks Shareholder ratification for the purposes of Listing Rule 7.4 for the issue of 9,852,217 Shares to Latitude 66 Limited (ASX: LAT) (**Latitude 66**) on 15 October 2025.

On 31 July 2025, the Company announced that it had agreed terms to acquire the remaining 17.5% interest in the Greater Duchess Copper Gold Joint Venture from joint venture partner Latitude 66 (the **Transaction**). The Transaction completed on 16 October 2025.

Under the binding heads of agreement for the Transaction (**Lat 66 Agreement**), the Company acquired 100% of Latitude 66's rights, title and interests in the Greater Duchess Copper Gold Joint Venture for total consideration of A\$6,000,000. The consideration was to be satisfied on the following basis:

- (a) A\$2,000,000 satisfied in cash at completion of the Transaction; and
- (b) \$4,000,000 satisfied by the issue of 9,852,217 Shares at completion of the Transaction using a deemed issue price of A\$0.406 per Share (**Consideration Shares**), which is equal to the 30-day volume weighted average price for the period ending on the trading day immediately preceding the date of the Company's acceptance of Latitude 66's notice of offer. The Consideration Shares are the subject of this Resolution.

The Lat 66 Agreement otherwise contains other customary terms and conditions typical for an agreement of its nature, including warranties and indemnities, pre-completion undertakings, termination rights and confidentiality provisions.

For further information on the Transaction, please refer to the Company's ASX announcements dated 31 July 2025 and 16 October 2025.

5.2 **Listing Rule 7.1**

A summary of Listing Rule 7.1 is set out in Section 3.1 above.

The issue of the Consideration Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Consideration Shares.

5.3 **Listing Rule 7.4**

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Consideration Shares.

5.4 **Technical information required by Listing Rule 14.1A**

If this Resolution is passed, the issue will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

If this Resolution is not passed, the issue will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

5.5 **Technical information required by Listing Rules 7.4 and 7.5**

6.4 Listing Rules 7.1 and 7.1A

A summary of Listing Rules 7.1 and 7.1A is set out in Section 3.1 above.

The agreement to issue the Shares under the Placement does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the combined 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 and 7.1A for the 12 month period following the date of the agreement to issue the Shares under the Placement.

6.5 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rules 7.1 and 7.1A. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the agreement to issue the Shares under the Placement.

6.6 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the agreement to issue the Shares under the Placement will be excluded in calculating the Company's 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the agreement to issue the Shares under the Placement.

If this Resolution is not passed, the agreement to issue the Shares under the Placement will be included in calculating the Company's 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of the agreement to issue the Shares under the Placement.

7. RESOLUTION 7 – INSERTION OF PROPORTIONAL TAKEOVER PROVISIONS IN THE CONSTITUTION

7.1 General

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, an entity may include a provision in its constitution whereby a proportional takeover bid for shares may only proceed after the bid has been approved by a meeting of shareholders held in accordance with the terms set out in the Corporations Act.

In accordance with section 648G(1) of the Corporations Act, such clause will cease to apply at the end of three years from the incorporation of the Company, insertion of the clause or renewal of the clause (as appropriate) unless otherwise specified. When this clause ceases to apply, the constitution will be modified by omitting the clause.

A company may renew its proportional takeover approval provisions in the same manner in which a company can modify its constitution (i.e., by special resolution of shareholders).

The proportional takeover provisions contained in clause 36 of the Constitution are no longer operative as it has been more than three years since they were last approved by Shareholders.

This Resolution is a special resolution which will enable the Company to modify its Constitution by re-inserting proportional takeover provisions into the Constitution in the form of clause 36. The new clause 36 is in the same form as the existing clause 36 (as set out in Annexure A of this Notice).

The Company is permitted to seek further Shareholder approval to renew this clause for further periods of up to three years on each occasion.

A copy of the Constitution was released to ASX on 5 December 2019 and is available for download from the Company's ASX announcements platform.

7.2 Technical information required by section 648G(5) of the Corporations Act

Overview	A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.
-----------------	---

	<p>Pursuant to section 648G of the Corporations Act, the Company has included in the Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act.</p> <p>This clause of the Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause.</p>
Effect of proposed proportional takeover provisions	Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a Resolution to approve the proportional off-market bid is passed.
Reasons for proportional takeover provisions	A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.
Knowledge of any acquisition proposals	As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.
Potential advantages and disadvantages of proportional takeover provisions	<p>The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.</p> <p>The potential advantages of the proportional takeover provisions for Shareholders include:</p> <ul style="list-style-type: none"> (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed; (b) assisting in preventing Shareholders from being locked in as a minority; (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid. <p>The potential disadvantages of the proportional takeover provisions for Shareholders include:</p> <ul style="list-style-type: none"> (a) proportional takeover bids may be discouraged; (b) lost opportunity to sell a portion of their Shares at a premium; and (c) the likelihood of a proportional takeover bid succeeding may be reduced.

**Recommendation
of the Board**

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of this Resolution.

The Plan Shares may be subject to performance hurdles and/or vesting conditions as determined by the Board.</p> <p>Where Plan Shares granted to a Participant are subject to performance hurdles and/or vesting conditions, the Participant's Plan Shares will be subject to certain restrictions until the applicable performance hurdles and/or vesting conditions (if any) have been satisfied, waived by the Board or are deemed to have been satisfied under the Rules.</p>
Rights attaching to Plan Shares	<p>All Shares issued or transferred under the Plan or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (Plan Shares) will rank equally in all respects with the Shares of the same class for the time being on issue except for any rights attaching to the Shares by reference to a record date prior to the date of the allotment or transfer of the Plan Shares. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.</p>
Disposal restrictions on Plan Shares	<p>If the invitation provides that any Plan Shares are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.</p> <p>For so long as a Plan Share is subject to any disposal restrictions under the Plan, the Participant will not:</p>

	<p>(a) transfer, encumber or otherwise dispose of, or have a security interest granted over that Plan Share; or</p> <p>(b) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.</p>
General Restrictions on Transfer of Plan Shares	<p>If the Company is required but is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, Plan Shares issued under the Plan (including on exercise of Convertible Securities) may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Act.</p> <p>Restrictions are imposed by Applicable Law on dealing in Shares by persons who possess material information likely to affect the value of the Shares and which is not generally available. These laws may restrict the acquisition or disposal of Shares by you during the time the holder has such information.</p> <p>Any Plan Shares issued to a holder under the Plan (including upon exercise of Convertible Securities) shall be subject to the terms of the Company's Securities Trading Policy.</p>
Buy-Back	Subject to applicable law, the Company may at any time buy-back Securities in accordance with the terms of the Plan.
Employee Share Trust	The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding Convertible Securities for holders under the Plan and delivering Shares on behalf of holders upon exercise of Convertible Securities.
Maximum number of Securities	The Company will not make an invitation under the Plan which involves monetary consideration if the number of Plan Shares that may be issued, or acquired upon exercise of Convertible Securities offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan during the 3 year period ending on the day of the invitation, will exceed 5% of the total number of issued Shares at the date of the invitation (unless the Constitution specifies a different percentage and subject to any limits approved by Shareholders under Listing Rule 7.2 Exception 13(b)).
Amendment of Plan	<p>Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.</p> <p>No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.</p>
Plan duration	<p>The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.</p> <p>If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.</p>

If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.
