The Company's Constitution requires that no Director may hold office without re-election past the third annual general meeting following the director's appointment or 3 years, whichever is longer.

ASX Listing Rule 14.4 also provides that each Director must not hold office (without re-election) past the third annual general meeting following the Director's appointment or 3 years, whichever is longer.

Mr Anthony Wehby was appointed a Director of the Company on 4 July 2016 and was last re-elected as a Director at the 2022 AGM.

Under this Resolution, Mr Wehby has elected to retire by rotation, and being eligible, seeks re-election as a Director of the Company at this AGM.

Mr Wehby is a highly experienced board member and chairman. He is the Chairman of Variscan Mines Limited (ASX: VAR). He was previously a Director of Ensurance Ltd and Chairman of Tellus Resources Limited and Aurelia Metals Limited. Since 2001, Mr Wehby has maintained a financial consulting practice, focusing on strategic advice to companies including investments, divestments and capital raisings. Prior to 2001, Mr Wehby was a partner in PricewaterhouseCoopers Australia (Coopers & Lybrand) for 19 years.

Directors' Recommendation

The Directors (excluding Mr Wehby) recommend that Shareholders vote for this Resolution.

The Chair intends to vote all undirected proxies in favour of this Resolution.

ASX Listing Rule 7.1A

Resolution 3 – ASX Listing Rule 7.1A Approval of Future Issue of Securities

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a Special Resolution passed at its annual general meeting, to add an additional 10% capacity.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

As of the date of this Notice of Meeting, the Company has a market capitalisation of approximately \$133.4 million and therefore is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

This Resolution seeks Shareholder approval by way of a Special Resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without further Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval.

Information Required by ASX Listing Rule 7.3A

The following information is provided to Shareholder for the purposes of Listing Rule 7.3A.

Period for which the approval will be valid

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) the date which is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) the time and date of the entity's next annual general meeting; and
- (c) the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a)

significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Minimum price at which the equity securities may be issued under Listing Rule 7.1A

Any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company's equity securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in that class, calculated over 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at the equity securities are to be issued is agreed by the Company and the recipient of the equity securities; and
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a), the date on which the equity securities are issued.

Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholders approve this Resolution. However, if Shareholders approved this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used for the following purposes:

- (a) the acquisition of new investments;
- (b) expenditure associated with exploration or drilling; and
- (c) development of the Company's existing assets in NSW.

Risk of economic and voting dilution to existing ordinary Securityholders

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' economic and voting power in the Company may be diluted.

There is a risk that:

- (a) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

The table below shows the potential dilution of existing Securityholders on the basis of 3 different assumed issue prices and values for the variable "A" in the formula in rule 7.1A.2:

Variable "A" ASX Listing Rule 7.1A.2		Potential Dilution and Funds Raised		
		\$0.008 50% decrease in issue price	\$0.016 issue price ^(b)	\$0.032 100% increase in issue price

- (a) Based on the total number of fully paid ordinary Shares on issue as at 7 October 2025.
- (b) Based on the closing price of the Company's Shares on ASX as at 7 October 2025.
- (c) The table assumes that the Company issues the maximum number of ordinary Shares available to be issued under Listing Rule 7.1A.
- (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of equity securities under Listing Rule 7.1A based on that Shareholder's holding at the date of this Explanatory Statement.
- (e) The table shows the effect of an issue of equity securities under Listing Rule 7.1A only, not under the Company's 15% placement capacity under Listing Rule 7.1.

Allocation policy for issues under Listing Rule 7.1A

The Company's allocation policy and the identity of the allottees of equity securities under Listing Rule 7.1A will depend on a number of factors, including:

- (a) the Company's intentions in relation to the possible issue of equity securities (for cash consideration) during the Listing Rule 7.1A mandate period;
- (b) the structure and timeframe of the capital raising opportunities available to the Company and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
- (c) the potential effect on the control of the Company;
- (d) the Company's financial position and the likely future capital requirements; and
- (e) advice from the Company's corporate or financial advisors.

As of the date of this Notice, no specific intention to issue equity securities in relation to any parties, investors or existing Securityholders have been formed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules and the Corporations Act, the Board of Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

If and when the determination is made to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company's obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders of the Company, clients

of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

The Company seeks to invite Mr Andrew Corbett (or his nominee), subject to Shareholder approval that is sought under this Resolution, to participate in the Incentive Plan by subscribing for 1,744,974 Long-Term Share Price Outperformance Incentive Options (**LTI Options**).

The proposed grant of LTI Options forms part of the remuneration package for Andrew Corbett and is intended to:

1. incentivise long term share price appreciation and the achievement of key operations objectives;
2. ensure the Company retains the services of Andrew Corbett as KSN's Managing Director; and
3. align the interests of the Managing Director and Shareholders while reinforcing the commitment of the Managing Director.

A summary of the material terms of the LTI Options are as follows:

Type of Incentive Security	Material terms
----------------------------	----------------

1,744,974 LTI Options	<ul style="list-style-type: none"> The earliest date on which the LTI Options may vest (and become fully exercisable) is 1 July 2028; The LTI Options will vest subject to KSN ASX share price performance (based on the VWAP for the month of June 2028 compared to June 2025 of \$0.1292) relative to a peer group of companies as approved by the Remuneration and Nomination Committee. The amount of Options vesting will be prorated evenly from 50% to 100% according to the percentile that KSN performance falls within the peer group with: <ul style="list-style-type: none"> 50% will vest on achieving relative performance equivalent to the 50th percentile of the peer group; 100% will vest on achieving relative performance equivalent to or above the 80th percentile of the peer group; and 0% will vest if KSN performance is below the 50th percentile of the peer group. The ZEPOs will be unquoted, and they will not entitle Andrew Corbett to receive dividends on Shares before vesting or exercise (as applicable). The ZEPOs will not carry voting rights; All vested LTI Options (ZEPOs) have an expiry date of 3 years from vesting. Any ZEPOs which have not been exercised prior to the expiry date will automatically lapse and be forfeited; All LTI Options that have not vested by 31 August 2028 will automatically lapse and be forfeited; Vested Options which have not been exercised by 5pm on 31 August 2031 will automatically expire; and Where employment is terminated, Mr Corbett will have 3 months to exercise vested LTI Options. Director and Related Party Approvals

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire securities under an employee incentive scheme unless it obtains the approval of its shareholders:

- (a) a director of the Company;
- (b) an associate of a director of the Company; or
- (c) a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

As Mr Corbett is a Director of the Company, the proposed issue of LTI Options constitutes the acquisition of securities under an employee incentive scheme for the purposes of Listing Rule 10.14 and therefore requires the approval of the Company's shareholders under Listing Rule 10.14.

To this end, this Resolution seeks the required Shareholder approval to issue the LTI Options to Mr Corbett under and for the purposes of Listing Rule 10.14.

If approval is obtained under Listing Rule 10.14, in accordance with Listing Rule 10.12 (exception 8), separate approval is not required under Listing Rule 10.11.

If this Resolution is passed, the Company will be able to proceed with the proposed issue of LTI Options as outlined in this Resolution.

If this Resolution is not passed, the Company will not be able to proceed with the proposed issue of LTI Options and the Board will consider alternative remuneration principles.

The passing of this resolution is not interdependent on the passing of Resolution 5.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
- (b) Shareholder approval is obtained prior to the giving of the financial benefit.

The proposed issue of LTI Options constitutes the giving of a financial benefit.

A “related party” for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of “related party” also includes a person whom there is reasonable grounds to believe will become a “related party” of a public company.

The non-conflicted Directors of the Company (being Mr Mick Wilkes, Mr Anthony Wehby and Mr Stuart Rechner) carefully considered the issue of these LTI Options to Mr Corbett and formed the view that the giving of this financial benefit as part of his remuneration would be reasonable, given the circumstances of the Company, the quantum and terms of the LTI Options, and the responsibilities held by Mr Corbett in the Company.

Accordingly, the non-conflicted Directors of the Company believe that the issue of these LTI Options to Mr Corbett falls within the “reasonable remuneration” exception as set out in section 211 of the Corporations Act and relies on this exception for the purposes of this Resolution. Therefore, the proposed issue of LTI Options to Mr Corbett requires Shareholder approval under and for the purposes of Listing Rule 10.14 only.

Information Required by ASX Listing Rule 10.15

The following information in relation to the issue of LTI Options to Mr Corbett is provided to Shareholders for the purposes of ASX Listing Rule 10.15:

- (a) The allottee is Mr Andrew Corbett (or his nominee).
- (b) Andrew Corbett is Managing Director of the Company and therefore falls under ASX Listing Rule 10.14.1.
- (c) The maximum number of Options that may be acquitted by Mr Corbett is 1,744,974.
- (d) Mr Corbett's total remuneration package for FY26 is anticipated to be valued at \$450,902, which consist of:
 - i. \$420,902 in salary;
 - ii. \$30,000 in post-employment benefits.
- (e) Since the Incentive Plan was last approved by Shareholders on 28 November 2024, the Company has issued the following securities under the Incentive Plan to Andrew Corbett:

Financial Year	Number of securities received	Acquisition price for each security
FY25	i. 7,949,195 Long Term Share Price Outperformance Options	i. Nil
	ii. 3,590,608 Short Term Incentive Performance Options	ii. Nil
	iii. 3,357,770 Misima Sale Price Maximisation Incentive Options	iii. Nil
		iv. Nil

	iv. 1,618,788 Mineral Hill Project Goal Performance Options	
--	---	--

- (f) The material terms of the LTI Options are outlined above, with full terms noted in Annexure A.

The Company has chosen to grant the LTI Options to Andrew Corbett as part of his remuneration package to:

1. incentivise long term share price appreciation and the achievement of key operations objectives;
2. ensure the Company retains the services of Mr Corbett as KSN's Managing Director; and
3. align the interests of the Managing Director and Shareholders while reinforcing the commitment of the Managing Director.

The LTI Options are valued at \$59,958. The valuation of the LTI option has been assessed based on the current share price of \$0.16 with a risk weighting applied reflecting the vesting outcomes, e.g. a 50% chance of being in the top 50% of the peer group, and a 20% chance of being in the top 20%. The average of the expected value of securities issued across each percentile of performance is then determined to calculate the value.

- (g) The LTI Options will be issued within three years from the date of this Meeting, if approved by Shareholders of the Company.
- (h) The LTI Options are being issued for nil consideration pursuant to the terms of the Incentive Plan.
- (i) The material terms of the Incentive Plan are set out in Annexure D of this Notice of Meeting.
- The Company has chosen this type of security because it is cost -effective approach to remunerate and incentivise Mr Corbett in his role as the Managing Director and reflects what the Board considers to be appropriate in the circumstances.
- (j) Details of any securities issued under the Incentive Plan will be published in each annual report of the Company relating to a period which securities have been issued, and that approval for the issue of securities was obtained under ASX Listing Rule 10.14. Any additional persons who become entitled to participate in the Incentive Plan after the resolution was approved and who were not named in the notice of meeting will not participate until approval is obtained under ASX Listing Rule 10.14.

Directors' Recommendation

The Board of Directors (excluding Mr Corbett) recommend that Shareholders vote for this Resolution.

The Chair intends to vote all undirected proxies in favour of this Resolution.

Resolution 5 – Approval to Issue Short-Term Incentive Performance Options to Mr. Andrew Corbett, Managing Director

Background

The Company seeks to invite Mr Corbett to participate in the Incentive Plan by subscribing for 697,990 Short-Term Incentive Performance Options (**STI Options**).

The proposed grant of STI Options forms part of the remuneration package for Mr Corbett and is intended to:

1. incentivise short term share price appreciation and the achievement of key operations objectives;
2. ensure the Company retains the services of Mr Corbett as KSN's Managing Director; and
3. align the interests of the Managing Director and Shareholders while reinforcing the commitment of the Managing Director.

A summary of the material terms of the STI Options are as follows:

Type of Incentive Security	Material terms
697,990 STI Options	<ul style="list-style-type: none"> The earliest date on which the STI Options may vest (and become fully exercisable) is 1 July 2026 The STI Options will vest subject to KSN ASX share price performance (based on the VWAP for the month of June 2026 compared to June 2025 of \$0.1292) relative to a peer group of companies as approved by the Remuneration and Nomination Committee. The amount of STI Options vesting will be prorated evenly from 50% to 100% according to the percentile that KSN performance falls within the peer group with: <ul style="list-style-type: none"> 50% will vest on achieving relative performance equivalent to the 50th percentile of the peer group; 100% will vest on achieving relative performance equivalent to or above the 80th percentile of the peer group; and 0% will vest if KSN performance is below the 50th percentile of the peer group. On vesting, STI Options convert to non-transferable Zero Exercise Price Options (ZEPOs). The ZEPOs will be unquoted, and they will not entitle Andrew Corbett to receive dividends on Shares before vesting or exercise (as applicable). The ZEPOs will not carry voting rights; All vested STI Options (ZEPOs) have an expiry date of 3 years from vesting. Any ZEPOs which have not been exercised prior to the expiry date will automatically lapse and be forfeited; All STI Options that have not vested by 31 August 2026 will automatically lapse and be forfeited; and Where employment is terminated, Mr Corbett will have 3 months to exercise vested STI Options. Any unvested Options will be forfeited.

Full terms of the STI Options are outlined in Annexure B.

Director and Related Party Approvals

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire securities under an employee incentive scheme unless it obtains the approval of its shareholders:

- (a) a director of the Company;
- (b) an associate of a director of the Company; or
- (c) a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

As Mr Corbett is Managing Director of the Company, the proposed issue of STI Options constitutes the acquisition of securities under an employee incentive scheme for the purposes of Listing Rule 10.14 and therefore requires the approval of the Company's shareholders under Listing Rule 10.14.

To this end, this Resolution seeks the required Shareholder approval to issue the STI Options to Mr Corbett under and for the purposes of Listing Rule 10.14.

If approval is obtained under Listing Rule 10.14, in accordance with Listing Rule 10.12 (exception

8), separate approval is not required under Listing Rule 10.11.

If this Resolution is passed, the Company will be able to proceed with the proposed issue of STI Options as outlined in this Resolution.

If this Resolution is not passed, the Company will not be able to proceed with the proposed issue of STI Options and the Board will consider alternative remuneration principles.

The passing of this resolution is not interdependent on the passing of Resolution 4.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
- (b) Shareholder approval is obtained prior to the giving of the financial benefit.

The proposed issue of STI Options constitutes the giving of a financial benefit.

A “related party” for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of “related party” also includes a person whom there is reasonable grounds to believe will become a “related party” of a public company.

The non-conflicted Directors of the Company (being Mr Mick Wilkes, Mr Anthony Wehby and Mr Stuart Rechner) carefully considered the issue of these STI Options to Mr Corbett and formed the view that the giving of this financial benefit as part of their remuneration would be reasonable, given the circumstances of the Company, the quantum and terms of the STI Options, and the responsibilities held by Mr Corbett in the Company.

Accordingly, the non-conflicted Directors of the Company believe that the issue of these STI Options to Mr Corbett falls within the “reasonable remuneration” exception as set out in section 211 of the Corporations Act and relies on this exception for the purposes of this Resolution. Therefore, the proposed issue of STI Options to Mr Corbett requires Shareholder approval under and for the purposes of Listing Rule 10.14 only.

Information Required by ASX Listing Rule 10.15

The following information in relation to the issue of LTI Options to Mr Corbett is provided to Shareholders for the purposes of ASX Listing Rule 10.15:

- (a) The allottee is Mr Andrew Corbett (or his nominee).
- (b) Andrew Corbett is a Director of the Company and therefore falls under ASX Listing Rule 10.14.1.
- (c) The maximum number of Options that may be acquitted by Mr Corbett is 697,990.
- (d) Mr Corbett's total remuneration package for FY26 is outlined in Resolution 4 above.
- (e) Since the Incentive Plan was last approved by Shareholders on 28 November 2024, the number of securities issued to Andrew Corbett under the Incentive Plan is outlined in the Explanatory Statement to Resolution 4 above.
- (f) The material terms of the STI Options are outlined above, with full terms noted in Annexure B.

The Company has chosen this type of security because it is cost -effective approach to remunerate and incentivise Mr Corbett in his role as the Managing Director and reflects what the Board considers to be appropriate in the circumstances.

The STI Options are valued at \$59,190 using Monte Carlo option pricing framework. Key assumptions that form the basis of this valuation are volatility of 55% and share price at valuation of \$0.16.

- (g) The STI Options will be issued within three years from the date of this Meeting, if approved by Shareholders of the Company.
- (h) The STI Options are being issued for nil consideration pursuant to the terms of the Incentive Plan.
- (i) The material terms of the Incentive Plan are set out in Annexure D of this Notice of Meeting.
- (j) Details of any securities issued under the Incentive Plan will be published in each annual report of the Company relating to a period which securities have been issued, and that approval for the issue of securities was obtained under ASX Listing Rule 10.14. Directors' Recommendation

The Board of Directors (excluding Mr Corbett) recommend that Shareholders vote for this Resolution.

The Chair intends to vote all undirected proxies in favour of this Resolution.

Resolution 6, 7 & 8 – Approval to Issue FY26 Service Fee Options to Directors of the Company

Background

Resolutions 6, 7 & 8 seek Shareholder approval to issue and allot a total of 861,785 FY26 Service Fee Options (**FY26 Options**) to Mr Mick Wilkes, Non-Executive Chair, Mr Anthony Wehby, Non-Executive Director, and Mr Stuart Rechner, Non-Executive Director (together **Non-Executive Directors**). These FY26 Options cover the period 1 July 2025 to 30 June 2026.

The Company is proposing to grant the FY26 Options in lieu of additional cash fees to each of these Non-Executive Directors as part of their respective remuneration packages. An issue of securities as part of the remuneration packages of company directors is a well-established practice of publicly listed companies and, in the case of the Company, has the benefit of conserving cash whilst fairly rewarding the Non-Executive Directors. The proposed issue of FY26 Options in lieu of cash for approximately 43% of fixed remuneration for each of the Non-Executive Directors is consistent with recommendations provided by the Nomination and Remuneration Committee in its benchmarking report for the Company's Chair and Non-Executive Directors following its review of the Company's remuneration framework.

In determining the number of securities proposed to be issued and their terms, consideration was given to the relevant experience and role of each of the Non-Executive Directors, their respective overall remuneration terms and the market price of the Company's Shares.

Shareholder approval is sought under this Notice to issue:

- a) Resolution 6: 369,333 FY26 Options to Mr Wilkes (or his nominee);
- b) Resolution 7: 246,226 FY26 Options to Mr Wehby (or his nominee); and
- c) Resolution 8: 246,226 FY26 Options to Mr Rechner (or his nominee).

The Company considers that the issue of the FY26 Options is an appropriate mechanism to further align the interests of the Directors with Shareholders of the Company.

The key terms of the FY26 Options proposed to be issued to the Non-Executive Directors are as follows:

1. Each FY26 Option is exercisable at no cost (nil).
2. Each FY26 Option will be issued with the vesting hurdle being 12 months of services as Director of the Board from 1 July 2025 to 30 June 2026.

The full terms of the FY26 Options are set out in Annexure C of this Notice.

Director and Related Party Approvals

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire securities under an employee incentive scheme unless it obtains the approval of its shareholders:

- (a) a director of the Company;
- (b) an associate of a director of the Company; or
- (c) a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

As Mr Wilkes, Mr Wehby and Mr Rechner are Directors of the Company, the proposed issue of FY26 Options constitutes the acquisition of securities under an employee incentive scheme for the purposes of Listing Rule 10.14 and therefore requires the approval of the Company's shareholders under Listing Rule 10.14.

To this end, Resolutions 6, 7 and 8 seek the required Shareholder approval to issue the FY26 Options to Mr Wilkes, Mr Wehby and Mr Rechner under and for the purposes of Listing Rule 10.14.

If approval is obtained under Listing Rule 10.14, in accordance with Listing Rule 10.12 (exception 8), separate approval is not required under Listing Rule 10.11.

If Resolutions 6, 7 and 8 pass, the Company will be able to proceed with the proposed issue of FY26 Options as outlined above.

If Resolutions 6, 7 and 8 do not pass, the Company will not be able to proceed with the proposed issue of FY26 Options and may consider other mechanisms to appropriately remunerate the Non-

Executive Directors, including 100% cash-based remuneration.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
- (b) Shareholder approval is obtained prior to the giving of the financial benefit.

The proposed issue of FY26 Options constitutes the giving of a financial benefit.

A “related party” for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of “related party” also includes a person whom there is reasonable grounds to believe will become a “related party” of a public company.

The non-conflicted Directors carefully considered the issue of these FY26 Options to the Non-Executive Directors and formed the view that the giving of this financial benefit as part of their remuneration would be reasonable, given the circumstances of the Company, the quantum and terms of the FY26 Options, and the responsibilities held by Non-Executive Directors.

Accordingly, the non-conflicted Directors believe that the issue of these FY26 Options to Non-Executive Directors fall within the “reasonable remuneration” exception as set out in section 211 of the Corporations Act and relies on this exception for the purposes of this Resolution. Therefore, the proposed issue of FY26 Options to the Non-Executive Directors requires Shareholder approval under and for the purposes of Listing Rule 10.14 only.

Information Required by ASX Listing Rule 10.15

The following information in relation to the issue of FY26 Options to the Non-Executive Directors is provided to Shareholders for the purposes of ASX Listing Rule 10.15:

- (a) The allottees are:
 - (i) Resolution 6: Mr Wilkes, Non-Executive Chairman of the Company (or his nominee);
 - (ii) Resolution 7: Mr Wehby, Non-Executive Director of the Company (or his nominee); and
 - (iii) Resolution 8: Mr Rechner, Non-Executive Director of the Company (or his nominee)
- (b) Mr Wilkes, Mr Wehby and Mr Rechner are current Directors of the Company and therefore all fall under Listing Rule 10.14.1.
- (c) The maximum number of FY26 Options that may be acquired by the Non-Executive Directors are as follows:
 - (i) Resolution 6: 369,333 FY26 Options to Mr Wilkes (or his nominee);

 - (iii) Resolution 8: 246,226 FY26 Options to Mr Rechner (or his nominee).
- (d) The Non-Executive Director’s FY26 total remuneration package is anticipated to be as follows:

Anthony Wehby	\$74,229	Service Fee Options subject to Resolution 8
Stuart Rechner	\$ 74,229	Service Fee Options subject to Resolution 9

- (e) Since the Incentive Plan was last approved by Shareholders on 28 November 2024, the Company has issued the following securities under the Incentive Plan to the Non-Executive Directors:

Name	Number of securities received	Acquisition price for each security

Anthony Wehby	381,925	Nil
Stuart Rechner	381,925	Nil

- (a) The material terms of the FY26 Options are outlined above, with full terms noted in Annexure C.

The Company has chosen this type of security because the issue of such securities is a well-established practice of publicly listed companies and, in the case of the Company, has the benefit of conserving cash whilst fairly rewarding the Non-Executive Directors. The FY26 Options are valued at \$111,343 which is determined by the variance between the current fixed remuneration paid to the Non-Executive Directors and remuneration from the benchmarking report with adequate consideration given to the relevant experience and role of each of the Non-Executive Directors, their respective overall remuneration terms and the market price of the Company's Shares. The number of securities to be issued is based on June 2025 VWAP being \$0.1292. A breakdown on the value of the service fee options for each resolution is summarised under the background section above.

- (f) The FY26 Options will be issued within 3 years from the date of this Meeting, if approved by Shareholders of the Company.
- (g) The FY26 Options are being issued for nil cash consideration pursuant to the terms of the Incentive Plan. As such, no funds will be raised from the issue of FY26 Options or on conversion of the FY26 Options to Shares.
- (h) The material terms of the Incentive Plan are set out in Annexure D of this Notice of Meeting.
- (i) Details of any securities issued under the Incentive Plan will be published in each annual report of the Company relating to a period which securities have been issued, and that approval for the issue of securities was obtained under ASX Listing Rule 10.14. Any additional persons who become entitled to participate in the Incentive Plan after the resolution was approved and who were not named in the notice of meeting will not participate until approval is obtained under ASX Listing Rule 10.14.

Directors' Recommendation

The Board of Directors (excluding Mr Wilkes in respect to Resolution 6, Mr Wehby in respect to Resolution 7 and Mr Rechner in respect to Resolution 8) recommend that Shareholders vote for Resolutions 6, 7 & 8.

The Chair intends to vote all undirected proxies in favour of Resolutions 6, 7 & 8.

Resolution 9– Ratification of Prior Issue of Shares under Listing Rule 7.1

Background

On 16 December 2024, the Company issued 85,333,334 Shares (**Placement Shares**) at \$0.075 per Share to sophisticated, professional and institutional investors under a Placement Offer (**Placement**) to raise a total of \$6,400,000 (before costs). The Placement Shares were issued utilising the Company's placement capacity under Listing Rule 7.1 and 7.1A.

ASX Listing Rule 7.1

Resolution 9 proposes that Shareholders of the Company approve and ratify the prior issue and allotment of 14,614,200 Placement Shares, which were issued on 16 December 2024 (**Issue Date**) (**7.1 Placement Shares**).

The 7.1 Placement Shares were issued by utilising the Company's existing capacity under Listing Rule 7.1. The issue of the 7.1 Placement Shares did not breach Listing Rule 7.1.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of the 7.1 Placement Shares did not fit within any of the exceptions to Listing Rule 7.1 and, as it has not been approved by the Company's Shareholders, it effectively uses the 15% limit under Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the Issue Date.

Listing Rule 7.4 allows the Shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval to subsequently approve the issue of the 7.1 Placements Shares for the purposes of Listing Rule 7.4.

If this Resolution is passed, the issue of the 7.1 Placement Shares will be excluded in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12-month period following the Issue Date.

If this Resolution is not passed, the issue of the 7.1 Placements Shares will be included in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12-month period following the Issue Date.

Information required by ASX Listing Rule 7.5

The following information is provided to Shareholders for the purposes of Listing Rule 7.5.

- (a) The 7.1 Placement Shares were issued to Institutional and other sophisticated investors, who are not related parties of the Company.
- (b) The Company issued 14,614,200 Fully Paid Ordinary Shares.
- (c) The Shares were fully paid on issue and ranked equally in all aspects with all existing fully paid ordinary shares previously issued by the Company.
- (d) The 7.1 Placement Shares were issued on 16 December 2024.

- (e) Each of the 7.1 Placement Shares were issued at an issue price of \$0.075 per Share, which raised approximately \$1,096,065 (before costs) .
- (f) Funds raised from the issue of the 7.1 Placement Share will be used by the Company for:
 - a. Accelerate the exploration strategy at Mineral Hill to grow the resource base and underpin Kingston's target to double Mineral Hill production; and
 - b. General working capital.
- (g) The persons that were issued 7.1 Placement Shares, along with their associates, are excluded from voting on Resolution 9, along with any other person referred to in the voting exclusion statement for Resolution 9 contained in the notice of meeting.

Directors' Recommendation

The Board of Directors recommend that Shareholders vote in favour of this Resolution.

The Chair intends to vote all undirected proxies in favour of this Resolution.

Resolution 10– Ratification of Prior Issue of Shares under Listing Rule 7.1A

Background

On 16 December 2025, the Company issued 85,333,334 Shares (**Placement Shares**) at \$0.075 per Share to sophisticated, professional and institutional investors under a Placement Offer (**Placement**) to raise a total of \$6,400,000 (before costs). The Placement Shares were issued utilising the Company's placement capacity under Listing Rule 7.1 and 7.1A.

ASX Listing Rule 7.1A

Resolution 10 proposes that Shareholders of the Company approve and ratify the prior issue and allotment of 70,719,134 Placement Shares, which were issued on 16 December 2025 (**Issue Date**) (**7.1A Placement Shares**).

The 7.1A Placement Shares were issued by utilising the Company's existing additional placement capacity under Listing Rule 7.1A. The issue of the 7.1A Placement Shares did not breach Listing Rule 7.1A.

Listing Rule 7.1A allows eligible entities (including the Company) to seek approval of its shareholders by special resolution at its annual general meeting to have an additional placement capacity of 10% on top of the 15% placement capacity under Listing Rule 7.1. The Company obtained this approval at the 2023 AGM.

The issue of the 7.1A Placement Shares did not fit within any of the exceptions to Listing Rule 7.1A and, as it has not been approved by the Company's Shareholders, it effectively uses up part of the 10% limit in Listing Rule 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1A for the 12-month period following the Issue Date.

Listing Rule 7.4 allows the Shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1A and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1A.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1A.

To this end, this Resolution seeks Shareholder approval to subsequently approve the issue of the

7.1A Placements Shares for the purposes of Listing Rule 7.4.

If this Resolution is passed, the issue of the 7.1A Placement Shares will be excluded in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1A without Shareholder approval over the 12-month period following the Issue Date.

If this Resolution is not passed, the issue of the 7.1A Placements Shares will be included in calculating the Company's 10% capacity to issue equity securities under Listing Rule 7.1A without Shareholder approval over the 12-month period following the Issue Date.

Information required by ASX Listing Rule 7.5

The following information is provided to Shareholders for the purposes of Listing Rule 7.5.

- (a) The 7.1A Placement Shares were issued to Institutional and other sophisticated investors, who are not related parties of the Company. Farjoy Pty Ltd (or his nominees), Delphi Unternehmensberatung Aktiengesellschaft being Substantial Shareholders, RA Saywell Investments Pty Ltd or his nominees being advisor of the company and participants in the 7.1A Placement Shares will be excluded from voting for this resolution.
- (b) The Company issued 70,719,134 Fully Paid Ordinary Shares.
- (c) The Shares were fully paid on issue and ranked equally in all aspects with all existing fully paid ordinary shares previously issued by the Company.
- (d) The 7.1A Placement Shares were issued on 16 December 2024.
- (e) Each of the 7.1A Placement Shares were issued at an issue price of \$0.075 per Share, which raised approximately \$5,303,935 (before costs).
- (f) Funds raised from the issue of the 7.1A Placement Share will be used by the Company for:
 - a. Accelerate the exploration strategy at Mineral Hill to grow the resource base and underpin Kingston's target to double Mineral Hill production; and
 - b. General working capital.
- (g) The persons that were issued 7.1A Placement Shares, along with their associates, are excluded from voting on Resolution 10, along with any other person referred to in the voting exclusion statement for Resolution 10 contained in the notice of meeting.

Directors' Recommendation

The Board of Directors recommend that Shareholders vote in favour of this Resolution.

The Chair intends to vote all undirected proxies in favour of this Resolution.

Resolution 11– Ratification of Prior Issue of Shares under Listing Rule 7.1

Background

On 22 January 2025, the Company issued 26,666,621 Shares (**SPP Shares**) at \$0.075 per Share under a fully underwritten Share Placement Offer (**SPP**) to raise a total of \$2,000,000 (before costs). The offer was fully underwritten (to \$2 million) by Delphi Unternehmensberatung Aktiengesellschaft, an existing major shareholder and sophisticated investor (**Underwriter**). The Company received application for 16,126,541 Shares totalling to \$1,209,494 from existing shareholders. Shortfall Shares of 10,540,080 totalling to \$ 790,506 was allotted to the Underwriter.

The shortfall Shares were issued utilising the Company's placement capacity under Listing Rule 7.1 (10,445,779 Shares) and 7.1A (94,301 Shares) as short fall shares issued under a SPP cannot rely

on ASX Listing Rule 7.2 Exception 5.

ASX Listing Rule 7.1

Resolution 11 proposes that Shareholders of the Company approve and ratify the prior issue and allotment of 10,445,779 SPP shortfall Shares, which were issued on 22 January 2025 (**Issue Date**) (**7.1 SPP Shortfall Shares**).

The 7.1 SPP Shortfall Shares were issued by utilising the Company's existing capacity under Listing Rule 7.1. The issue of the 7.1 SPP Shortfall Shares did not breach Listing Rule 7.1.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of the 7.1 SPP Shortfall Shares did not fit within any of the exceptions to Listing Rule 7.1 and, as it has not been approved by the Company's Shareholders, it effectively uses the 15% limit under Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the Issue Date.

Listing Rule 7.4 allows the Shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval to subsequently approve the issue of the 7.1 SPP Shortfall Shares for the purposes of Listing Rule 7.4.

If this Resolution is passed, the issue of the 7.1 SPP Shortfall Shares will be excluded in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12-month period following the Issue Date.

If this Resolution is not passed, the issue of the 7.1 SPP Shortfall Shares will be included in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12-month period following the Issue Date.

Information required by ASX Listing Rule 7.5

The following information is provided to Shareholders for the purposes of Listing Rule 7.5.

- (a) The 7.1 SPP Shortfall Shares were issued to the Underwriter, who is not a related party of the Company.
- (b) The Company issued 10,445,779 Fully Paid Ordinary Shares.
- (c) The Shares were fully paid on issue and ranked equally in all aspects with all existing fully paid ordinary shares previously issued by the Company.
- (d) The 7.1 SPP Shortfall Shares were issued on 22 January 2025.
- (e) Each of the 7.1 SPP Shortfall Shares were issued at an issue price of \$0.075 per Share, which raised approximately \$783,433 (before costs).
- (f) Funds raised from the issue of the 7.1 SPP Shortfall Shares will be used by the Company for:
 - a. Accelerate the exploration strategy at Mineral Hill to grow the resource base and

underpin Kingston's target to double Mineral Hill production; and

- b. General working capital.
- (g) The 7.1 SPP Shortfall Shares were issued pursuant to an underwriting agreement between the Company and the Underwriter. The terms of the underwriting agreement were disclosed to Shareholders in the SPP offer booklet contained in the announcement "Share Purchase Plan Opens" on 16 December 2025. The key terms of the underwriting agreement were:
 - a. that the SPP was underwritten to the amount of \$2 million (before costs) by the Underwriter
 - b. the company paid an underwriting fee equaling 6% of the underwritten amount (\$120,000)
 - c. The Underwriter had certain termination rights that were disclosed in the SPP offer booklet, but did not eventuate.
- (h) The Underwriter, along with their associates, are excluded from voting on Resolution 11, along with any other person referred to in the voting exclusion statement for Resolution 11 contained in the notice of meeting.

Annexure D – Terms of the Employee Incentive Scheme

Summary of Employee Incentive Scheme Rules

The terms of the Employee Incentive Scheme (EIS) are summarised below.

The terms and conditions on which any Options and Performance Options are granted to Directors or employees, including any vesting and performance criteria, will be governed by the terms set out in an offer or invitation to participate in the EIS made to Directors or employees from time to time.

i) Eligible Participants

The EIS is open to directors and to full time and part time employees of the Company and Related Bodies Corporate of the Company, other than such persons who have given notice of resignation, or who have been given notice of termination, of his or her employment, or removed from his or her position (Eligible Participants).

Options and Performance Options may not be offered to a Director or his or her Associates except where approval is given by the Shareholders in general meeting in accordance with the requirements of the Listing Rules.

Purpose of the EIS

The purpose of the EIS is to:

- a) establish a method by which Eligible Participants can participate in the future growth and profitability of the Company;
- b) provide an incentive and reward for Eligible Participants for their contributions to the Company;
- c) attract and retain a high standard of managerial and technical personnel for the benefit of the Company; and
- d) align the interests of Eligible Participants more closely with the interests of Shareholders, by providing an opportunity for Eligible Participants to hold an equity interest in the Company.

Board discretions

The Board has broad discretions under the EIS, including (without limitation) as to:

- a) identifying persons eligible to participate in the EIS;
- b) the timing of making an offer to participate in the EIS;
- c) the terms of issue of Options and Performance Options;
- d) subject to the requirements of the Listing Rules, particularly Listing Rule 6.23.2, the cancellation of Performance Options for no consideration, subject to agreement with the participant;
- e) the periods during which Options and Performance Options may be exercised or vest; and
- f) the exercise price of Options.

Options and Performance Options not to be quoted

Options and Performance Options granted under the EIS will not be quoted on ASX. However, application will be made to ASX for official quotation of Shares issued or transferred on the exercise of an Option or vesting of a Performance Option provided the Shares are listed on ASX at that time.

Shares issued on exercise of Options and Performance Options

Subject to the terms of the Options or Performance Options, each Option or Performance Option entitles its holder to subscribe for and be issued with one Share in the Company.

Shares issued pursuant to the exercise of Options and Performance Options will in all respects rank equally and carry the same rights and entitlements as other Shares on issue in the Company.

Holders of Options and Performance Options will not be entitled to notice of, or to vote or attend at meetings of the Company or receive dividends until Shares are issued on the exercise of the Options or vesting of the Performance Options.

Lapse of Options and Performance Options

Unless the Directors in their absolute discretion determine otherwise, Options and Performance Options shall lapse:

- i) if not exercised or vested prior to their expiry date; or
- ii) if any Performance Hurdle(s), Vesting Conditions or Exercise Conditions are not satisfied.

Unless the Directors in their absolute discretion determine otherwise, Performance Options shall also lapse:

- i) if the holder voluntarily resigns otherwise than to take up employment with a Related Body Corporate of the Company or is dismissed from employment for a material breach of contract of employment, negligence or other conduct justifying termination of employment without notice, except that:
 - A) the Performance Options will not lapse if the cessation of employment was due to death, permanent disablement (for example, illness or incapacity necessitating the permanent withdrawal of the employee from the work force), retirement, redundancy or any other circumstance in which the Board determines the Performance Options should not lapse;
 - B) Performance Options may vest, within 12 months after the holder ceases to be a participant where that cessation was by reason of permanent disablement or any other circumstance deemed by the Board to necessitate the permanent withdrawal of the participant from the workforce; and
- ii) if, in the opinion of the Board, the holder has acted fraudulently or dishonestly or is in material breach of his or her obligations to the Company or any of its Related Bodies Corporate, and the Board determines (at its sole and absolute discretion) the Performance Options held by that holder to have lapsed.

Restrictions on transfer

Performance Options and Options granted under the EIS may not be sold, transferred, mortgaged, pledged, charged, encumbered with a security interest in or over them, or otherwise disposed of by a participant without the prior consent of the Board or where such assignment or transfer occurs by force of law.

Participation rights of Option and Performance Option holders

Holders of Options and Performance Options will only be permitted to participate in a pro rata issue of Shares by the Company if they exercise their Options or if their Performance Options vest before the record date for the relevant issue. The Company must ensure that it notifies holders of Options of the proposed issue at least 7 Business Days before the record date to determine entitlements to the pro rata issue.

Adjustment of Options and Performance Options

If the Company makes a pro rata bonus issue, and an Option or Performance Option is not exercised before the record date for that bonus issue, then on exercise of the Option or Performance Option, the holder is entitled to receive the number of bonus shares which would have been issued if the Option or Performance Option had been exercised before the record date.

In the event of a reorganisation (including a consolidation, subdivision, reduction or return) of the issued capital of the Company, the number of Options and Performance Options to which each Option and Performance Option holder is entitled or the exercise price or both will be changed in the manner required by the Listing Rules and, in any case, in a manner which will not result in any benefits being conferred on holders of Options and Performance Options which are not conferred on Shareholders.

Takeovers

In the event of a takeover bid, certain capital reorganisations or transactions occurring that give rise to certain changes of control of the Company, restrictions on the exercise or vesting of an Option or Performance Option will lapse so that Option or Performance Option holders are able to participate in the relevant transaction.

Amending the EIS

Subject to any applicable Listing Rules or laws, the EIS may be suspended, terminated or amended at any time by resolution of the Board.
