**Should you wish to discuss the matters in this Notice of Meeting please do not hesitate to contact the Company Secretary on +61 8 9473 8345.**

## Explanatory Statement

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

### 1. Annual Report

Shareholders will be offered the opportunity to discuss the Annual Report at the Meeting. The Company will not provide a hard copy of the Annual Report to Shareholders unless specifically requested to do so. The Annual Report is available on the Company's website at <https://dreadnoughtresources.com.au/>.

There is no requirement for Shareholders to approve the Annual Report. However, the Chair will provide a reasonable opportunity for Shareholders to ask questions or make comments about the Annual Report and the management of the Company. Shareholders will also be given an opportunity to ask the auditor questions as permitted by the Corporations Act.

### 2. Resolution 1: Adoption of Remuneration Report

#### 2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

#### 2.2 Voting consequences

The vote on this Resolution is advisory only and does not bind the Company or its Directors. However, the Board will actively consider the outcome of the vote and comments made by Shareholders on the Remuneration Report when reviewing the Company's future remuneration policies and practices.

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings. If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

#### 2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

### 3. Resolution 2: Re-election of Director - Mr Philip Crutchfield

#### 3.1 General

The Constitution sets out the requirements for determining which Directors are to retire at an annual general meeting. ASX Listing Rule 14.5 states that an entity which has directors must hold an election of directors at each annual general meeting. Mr Crutchfield, having been a director of the Company since 13 September 2022, and last re-elected on 30 November 2022, will retire in accordance with the Constitution and ASX Listing Rule 14.5 and, being eligible, seeks re-election from Shareholders.

### 3.2 Qualifications and other material directorships

Mr Crutchfield is a prominent and well-respected barrister specialising in commercial law. Philip is a non-executive director of Hamelin Gold Limited (ASX:HMG) (since 2021) and Encounter Resources Limited (ASX:ENR) (since 2019).

### 3.3 Independence

If re-elected, the Board considers that Mr Crutchfield will be an independent director.

### 3.4 Board recommendation

The Board supports the election of Mr Crutchfield and recommends that Shareholders vote in favour of this Resolution because the Board considers that the experience, expertise and skills of Mr Crutchfield assist the Board in fulfilling its responsibilities.

### 3.5 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Mr Crutchfield will be re-elected to the Board as an independent non-executive Director. If this Resolution is not passed, Mr Crutchfield will not continue in their role as an independent non-executive Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

## 4. Resolution 3: Issue of Performance Rights to Related Party - Dean Tuck

### 4.1 General

On 3 September 2025, the Board resolved to seek Shareholder approval for the issue of Performance Rights to a Director at the next meeting of Shareholders. At the time the Board resolved to issue these Performance Rights the prevailing share price of the Company was approximately \$0.016. Resolution 3 seeks Shareholder approval for the purposes of Listing Rule 10.14 for the issue of a total of 17,500,000 Performance Rights to Dean Tuck (or his nominee/s) (the **Related Party**) (**Performance Rights**) pursuant to the Equity Incentive Plan (a summary of which is outlined within Schedule 2). The Performance Rights proposed have vesting conditions reflecting operational performance targets in the short term (by the end of 2026) and longer term (being the end of 2027 and 2028).

The Performance Rights will be divided equally into four classes with different vesting conditions as follows:

- (a) The Volume Weighted Average Price ("VWAP") of the Company's shares being at least \$0.025 for 30 trading days before 31 December 2026
- (b) The VWAP of the Company's shares being at least \$0.035 for 30 trading days before 31 December 2027
- (c) Delivery of a 500,000oz gold JORC Resource with a cutoff of at least 0.5g/t Au or equivalent before 31 December 2027
- (d) Delivery of a 1,000,000oz gold JORC Resource with a cutoff of at least 0.5g/t Au or equivalent before 31 December 2028

Resolution 3 is an ordinary resolution.

### 4.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Performance Rights constitutes the giving of a financial benefit. The proposed grantee of the Performance Rights, Dean Tuck, is a related party of the Company by reason of being a Director.

Section 211 of the Corporations Act provides that shareholder approval under section 208 is not required if the financial benefit to be provided to the related party is remuneration as an officer or employee of the company and to give remuneration would be reasonable given the circumstances of the company giving the remuneration and the related party's circumstances (including responsibilities involved in the office or employment).

The Directors (other than Dean Tuck who did not consider the issue given his material personal interest in the matter) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of the Performance Rights because the agreement to issue the Performance Rights, reached as part of the remuneration package for Dean Tuck, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

#### 4.3 ASX Listing Rule 10.14

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

- (a) a director;
- (b) an associate of a director; or
- (c) a person whose relationship with the company, or with a director or associate of a director, is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

As the issue of the Performance Rights constitutes the issue of equity securities to a Director, Shareholder approval pursuant to ASX Listing Rule 10.14 is required.

The Company therefore seeks the required Shareholder approval for the issue of the Performance Rights under and for the purposes of Listing Rule 10.14.

#### 4.4 Effect of the Resolutions - Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to proceed with the issue within three years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.14), the issue will not use up any of the Company's 15% annual placement capacity. If this Resolution is not passed, the Company will not be able to proceed with the issue of Performance Rights to the Related Party. In that case, the Company may have to consider alternatives in respect of his remuneration, which may include increasing his cash remuneration.

#### 4.5 Board Recommendation

The Directors (other than Dean Tuck who declines to give a recommendation given his material personal interest in the matter) recommend Shareholders vote in favour of Resolution 3.

#### 4.6 Technical information required by ASX Listing Rule 10.15

Pursuant to and in accordance with ASX Listing Rule 10.15, the following information is provided in relation to the issue of the Performance Rights to the Related Party:

- (a) a total of 17,500,000 Performance Rights will be issued, comprising 4,375,000 Class L, 4,375,000 Class M, 4,375,000 Class N and 4,375,000 Class O, to Dean Tuck (or his nominee/s);
- (b) Dean Tuck is a Director, being within the category set out in Listing Rule 10.14.1. Any nominee/s of Dean Tuck who receive Securities may constitute 'associates' for the purposes of Listing Rule 10.14.2;
- (c) the maximum number of Performance Rights to be issued to the Related Party is set out in Section 4.6(a);
- (d) the current total annual remuneration package of Dean Tuck (Related Party) for the current financial year (1 July 2025 - 30 June 2026), before the issue of the Performance Rights the subject of Resolution 3, is:

Salary	\$350,000 per annum
Superannuation	\$42,000 per annum
<b>Total</b>	<b>\$392,000 per annum</b>
Options / other non-cash remuneration	None
Performance Rights ( <i>issued following Shareholder approval on 6 December 2024</i> ).	20,000,000 Performance Rights ( <i>Refer to Remuneration Report in the annual financial report for the year ended 30 June 2025 for the valuation.</i> )
Performance Rights ( <i>subject to Shareholder approval of Resolution 4</i> ) <i>Refer to the valuation of these Performance Rights at Section 4.6(j)</i>	4,375,000 Class L Performance Rights 4,375,000 Class M Performance Rights 4,375,000 Class N Performance Rights 4,375,000 Class O Performance Rights

- (e) Dean Tuck (or his nominees) has previously been issued the following Equity Securities under the Plan (including the former Incentive Option Plan) with Shareholder approval under ASX Listing Rule 10.14:
- (i) 20,000,000 Performance Rights (under the Plan) issued on 6 December 2024;
  - (ii) 3,600,000 Performance Rights (under the Plan) issued on 4 December 2023;
  - (iii) 5,000,000 Performance Rights (under the Plan) issued on 30 November 2022; and
  - (iv) 5,000,000 Options (under the former Incentive Option Plan) issued on 30 November 2021.
- (f) the Performance Rights will be issued on the terms and conditions set out in Schedule 1. Each Performance Right entitles the holder to acquire a share in the Company subject to the fulfilment of the vesting and exercise conditions;
- (g) Performance Rights are being offered as an incentive component of the Related Party's remuneration package. The Company has chosen to seek Shareholder approval for the issue of Performance Rights as part of the Related Party's remuneration package to provide a performance-linked incentive component, and to motivate and reward their performance in the achievement of the vesting conditions within the relevant time periods. This is considered a cost-effective remuneration practice and will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given. It is considered reasonable given the vesting conditions will align the interests of the Related Party with those of Shareholders;
- (h) the Performance Rights will be issued no later than 3 years after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules), and it is intended that the Performance Rights will all be issued on the same date;
- (i) the Performance Rights will be issued for no cash consideration. Accordingly, no capital will be raised from the issue of the Performance Rights, as the purpose of the issue is to provide an equity incentive as part of the remuneration package for the Related Party;
- (j) the value of the Performance Rights is set out in the table below. The valuation of the Class L and Class M Performance Rights has been completed by an independent corporate advisory firm of the Company using a trinomial valuation model with a valuation date of 3 September 2025, being the date the Board resolved to seek Shareholder approval. The valuation of Class N and O Performance Rights has been completed by internal management of the Company using the Cox, Ross & Rubinstein Binomial Tree valuation model, with a valuation date of 3 September 2025. The underlying security price used in the valuation model reflects the closing price of the Company's Shares as at the valuation date of 3 September 2025. The share-based payment valuations for Performance Rights shown below are prepared solely for financial reporting purposes (and specifically for AASB 2 Share Based Payments) and are not to be considered either the market price that the performance rights could theoretically be traded at nor an appropriate valuation for any other purposes including personal taxation.

On 16 October 2025, the Company completed the issue of the Placement Shares (**Tranche 1 Placement**) to the Placement Participants utilising its placement capacity as follows:

### 5.2 Use of Funds

The funds raised under the Placement will be used to accelerate exploration in the Yilgarn region, complete underground and new target drilling at Star of Mangaroon, advance exploration including critical minerals drilling; and for general working capital purposes.

### 5.3 Lead Manager

In consideration for the provision of the lead manager services and pursuant to the Lead Manager Mandate, the Company agreed to pay Petra a selling and management fee of 6% on the proceeds raised under the Tranche 1 Placement.

The Lead Manager Mandate is otherwise on standard terms and conditions.

## 6. Resolution 4 and 5 – Ratification of Prior Issue of Placement Shares – Listing Rule 7.1 and 7.1A

### 6.1 General

The Resolutions seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of 514,285,713 Placement Shares.

### 6.2 Listing Rules 7.1 and 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 provides that a company must not issue or agree to issue more equity securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period.

Under Listing Rule 7.1A, however, an Eligible Entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%. The Company obtained this approval at its annual general meeting held on 28 November 2024.

The issue does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue.

### 6.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue.

### 6.4 Technical information required by Listing Rule 14.1A

If Shareholders approve this Resolution, the issue of the Placement Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of issue.

If Shareholders do not approve this Resolution, the issue of the Placement Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of the issue.

### 6.5 Technical information required by Listing Rules 7.4 and 7.5

Pursuant to and in accordance with Listing Rules 7.4 and 7.5, the following information is provided in relation to this Resolution:

- (a) the Shares were issued to the Placement Participants who were identified through a bookbuild process, which involved Petra Capital in consultation with the Directors, seeking expressions of interest to participate in the Placement from non-related parties of the Company;
- (b) the Company confirms that no Material Persons were issued more than 1% of the issued capital of the Company;
- (c) 514,285,713 Placement Shares were issued;
- (d) the Placement Shares were issued on the same terms and conditions as the Company's existing Shares;
- (e) the Placement Shares were issued on 16 October 2025;
- (f) the Placement Shares were issued at an issue price of \$0.035 per Placement Share;
- (g) funds raised from the issue of Placement Shares are being used for the purposes as set out in Section 5.2;
- (h) the Placement Shares were not issued under an agreement;
- (i) a voting exclusion statement applies to this Resolution; and
- (j) the issue of Placement Shares did not breach Listing Rule 7.1 and 7.1A.

## 7. Resolutions 6 to 8 – Approval for Related Party Participation in Placement

### 7.1 General

As set out in Section 5.1, the Related Parties, have each agreed to participate in the Placement for an aggregate of \$610,000 on the same terms as the Tranche 1 Placement Participants (**Participation**).

The proposed allocations to each of the Related Parties under the Tranche 2 Placement is as follows:

- (a) **Resolution 6** - Mr Paul Chapman (and/or his nominee/s) for \$100,000, being 2,857,150 Related Party Shares;
- (b) **Resolution 7** - Mr Philip Crutchfield (and/or his nominee/s) for \$500,000, being 14,285,715 Related Party Shares; and
- (c) **Resolution 8**- Mr Dean Tuck (and/or his nominee/s) for \$10,000, being 287,515 Related Party Shares.

Resolutions 6 to 8 seek Shareholder approval for the issue of the Related Party Shares to the Related Parties (and/or their nominee/s) under the Tranche 2 Placement as outlined above, as a result of the Participation.

## 7.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The Participation of each of Mr Chapman, Mr Crutchfield and Mr Tuck will result in the issue of Related Party Shares which constitutes giving a financial benefit and each of Mr Chapman, Mr Crutchfield and Mr Tuck are related parties of the Company by virtue of being Directors.

In respect of Resolution 6, the Directors (other than Mr Chapman who has a material personal interest in Resolution 6) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the Participation of Mr Chapman because the Related Party Shares will be issued to Mr Chapman (and/or his nominee/s) on the same terms as the Placement Shares issued to non-related party participants in the Tranche 1 Placement, and as such the giving of the financial benefit is on arm's length terms.

In respect of Resolution 7, the Directors (other than Mr Crutchfield who has a material personal interest in Resolution 7) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the Participation of Mr Crutchfield because the Related Party Shares will be issued to Mr Crutchfield (and/or his nominee/s) on the same terms as the Placement Shares issued to non-related party participants in the Tranche 1 Placement, and as such the giving of the financial benefit is on arm's length terms.

In respect of Resolution 8, the Directors (other than Mr Tuck who has a material personal interest in Resolution 8) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the Participation of Mr Tuck because the Related Party Shares will be issued to Mr Tuck (and/or his nominee/s) on the same terms as the Placement Shares issued to non-related party participants in the Tranche 1 Placement, and as such the giving of the financial benefit is on arm's length terms.

## 7.3 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue of Related Party Shares falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

## 7.4 Technical information required by Listing Rule 14.1A

If Resolutions 6 to 8 are approved, the Company will be able to proceed with the issue of the Related Party Shares within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules) and will raise additional funds which will be used in the manner set out in Section 5.2.

If Resolutions 6 to 8 are not approved, the Company will not be able to proceed with the issue of the Related Party Shares under the Participation and the additional \$610,000 (before costs) will not be raised under the Tranche 2 Placement.

## 7.5 Technical information required by Listing Rule 10.13

Pursuant to and in accordance with Listing Rule 10.13, the following information is provided in relation to Resolutions 6 to 8:

- (a) the Related Party Shares will be issued to the Related Parties (and/or their nominee/s);
- (b) the Related Parties fall within the category set out in Listing Rule 10.11.1 given that each of Mr Chapman, Mr Crutchfield and Mr Tuck are related parties by virtue of being Directors. Any nominee(s) of the Related Parties who receive the Related Party Shares may constitute 'associates' for the purposes of Listing Rule 10.11.4.
- (c) the maximum number of Related Party Shares to be issued to the Related Parties is 17,428,580, comprising:
  - (i) 2,857,150 Related Party Shares to Mr Chapman (and/or his nominee/s) pursuant to Resolution 6;
  - (ii) 14,285,715 Related Party Shares to Mr Crutchfield (and/or his nominee/s) pursuant to Resolution 7; and
  - (iii) 285,715 Related Party Shares to Mr Tuck (and/or his nominee/s) pursuant to Resolution 8;
- (d) the Related Party Shares will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares.
- (e) the Company expects to issue the Related Party Shares within 5 Business Days of the Meeting. In any event, the Company will not issue any Related Party Shares to the Related Parties later than one month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules);
- (f) the Related Party Shares will be issued at \$0.035 per Related Party Share, being the same price as the Placement Shares issued to the Tranche 1 Participants;
- (g) the purpose of the issue is to raise capital (specifically, the additional \$610,000 (before costs) to be raised under the Placement), which the Company intends to apply as set out in Section 5.2;
- (h) the Related Party Shares are not being issued under an agreement; and
- (i) a voting exclusion statement applies to Resolutions 6 to 8.

## 8. Resolution 8: Approval of 10% Issuance Capacity

### 8.1 General

A summary of Listing Rule 7.1 is set out in Section 6.2.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An "eligible entity" means an entity which is not included in the S&P/ASX300 Index and which has a market capitalisation of \$300 million or less at the date of the Meeting.

The Company is an eligible entity for these purposes as at the Disclosure Date (5,593,785,713 Shares at a Share price of \$0.036 being a market capitalisation of \$201,376,286).

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval (**Additional Issuance Capacity**).

For note, a special resolution is a resolution requiring at least 75% of votes cast by shareholders present and eligible to vote at the meeting in favour of the resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the Additional Issuance Capacity and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

The Board considers it is in the Company's best interests to have the opportunity to take advantage of the flexibility to issue additional Equity Securities provided under ASX Listing Rule 7.1A. As at the date of this Notice, no decision has been made by the Board to undertake any issue of Equity Securities under the Additional Issuance Capacity if Shareholders approve Resolution 8. The Board unanimously recommends that Shareholders vote in favour of Resolution 8.

The information below provides more background on ASX Listing Rule 7.1A and the disclosure required by ASX Listing Rule 7.3A.

## 8.2 Technical information required by ASX Listing Rule 7.3A

### (a) Securities which may be issued under the Additional Issuance Capacity

Under the Additional Issuance Capacity, the Company may only issue Equity Securities belonging to an existing quoted class of the Company's Equity Securities. As at the date of this Notice, the Company has on issue one class of quoted Equity Securities, being fully paid ordinary shares (ASX Code: **DRE**).

### (b) Minimum issue price

Equity Securities issued under the Additional Issuance Capacity must be issued for cash consideration per security at an issue price which is not less than 75% of the volume weighted average market price for the securities in that class, calculated over the 15 ASX trading days on which trades of securities in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 ASX trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

The Company will disclose this information when Equity Securities are issued under the Additional Issuance Capacity.

### (c) Period for which approval will be valid

Shareholder approval of the Additional Issuance Capacity will be valid for the period commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) the date that is 12 months after the date of the Meeting; or
- (ii) the time and date of the Company's next annual general meeting; or
- (iii) if the Company receives Shareholder approval for a proposed transaction under ASX Listing Rule 11.1.2 (significant change to the nature or scale of activities) or ASX Listing Rule 11.2 (disposal of main undertaking), the time and date of that approval, (**Additional Issuance Period**).

### (d) Dilution risks

If Equity Securities are issued under the Additional Issuance Capacity, there is a risk of economic and voting dilution of existing Shareholders, including the following risks:

- (i) the market price for Equity Securities in the class of securities issued under the Additional Issuance Capacity may be significantly lower on the issue date than on the date of the approval under ASX Listing Rule 7.1A (that is, the date of the Meeting, if Resolution 8 is approved); and
- (ii) the Equity Securities may be issued under the Additional Issuance Capacity at a discount to the market price for those Equity Securities on the issue date, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the potential dilution of existing Shareholders on the basis of the market price of Shares and the number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A.2, both as at the Disclosure Date. The table also shows two examples:

- (i) where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue as at the Disclosure Date. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlement offer or securities issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future general meeting; and
- (ii) where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the market price as at the Disclosure Date.

The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)	Dilution			
	Issue Price (per Share)	\$0.018 50% decrease	\$0.036 Issue Price	\$0.054 50% increase
5,593,785,713 (Current Variable A)	Shares issued	559,378,571	559,378,57	559,378,57
	Funds Raised	\$10,068,814	\$20,137,629	\$30,206,443
8,390,678,570 (50% increase)	Shares issued	839,067,857	839,067,857	839,067,857
	Funds Raised	\$15,103,221	\$30,206,443	\$45,309,664
11,187,571,426 (100% increase)	Shares issued	1,118,757,143	1,118,757,143	1,118,757,143
	Funds Raised	\$20,137,629	\$40,275,257	\$60,412,886

The table above uses the following assumptions:

- (i) As at the Disclosure Date there are 5,593,785,713 Shares on issue.
  - (ii) The issue price set out above is the closing price of the Shares on the ASX on the Disclosure Date.
  - (iii) The Company issues the maximum possible number of Equity Securities under the Additional Issuance Capacity.
  - (iv) The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
  - (v) The issue of Equity Securities under the Additional Issuance Capacity consists only of Shares and the consideration provided for those Shares is cash. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
  - (vi) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
  - (vii) The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
  - (viii) This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
  - (ix) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.
- (e) **Purpose of issues under Additional Issuance Capacity**
- The Company may issue Equity Securities under the Additional Issuance Capacity to raise cash to fund the following:
- (i) general working capital expenses;
  - (ii) activities associated with its current business;
  - (iii) repayment of debt; or
  - (iv) the acquisition of new assets and investments (including any expenses associated with such an acquisition).

The Company will comply with the disclosure requirements of ASX Listing Rule 7.1A.4 on issue of any Equity Securities pursuant to the approval sought by Resolution 8.

(g) **Allocation policy under Additional Issuance Capacity**

The Company's allocation policy and the identity of the recipients of Equity Securities issued under the Additional Issuance Capacity will be determined on a case-by-case basis at the time of issue and at the Company's discretion.

No decision has been made in relation to an issue of Equity Securities under the Additional Issuance Capacity, including whether the Company will engage with new investors or existing Shareholders, and if so, the identities of any such persons.

However, when determining the allocation policy and the identity of the recipients, the Company will have regard to the following considerations:

- (i) prevailing market conditions;
- (ii) the purpose for the issue of the Equity Securities;
- (iii) the financial situation and solvency of the Company;
- (iv) impacts of the placement on control;
- (v) other methods of raising capital; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Recipients may include existing Shareholders or new investors, but not persons who are related parties or associates of related parties of the Company. If the issue is made in connection with the acquisition of assets, the recipients may be the sellers of those assets.

(h) **Previous issues under the Additional Issuance Capacity**

The Company obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its previous annual general meeting held on 28 November 2024 (**Previous Approval**).

Since that date, the Company has issued Equity Securities under Listing Rule 7.1A2 in the 12 months preceding the date of this Annual General Meeting.

The Company issued:

The ratification of the February 2025 Placement shares and the April 2025 Placement shares were approved by shareholders at a General Meeting of the Company held on 9 May 2025.

The Placement Shares were issued to sophisticated and professional investors who participated in the Company's placements undertaken in February 2025, April 2025 and October 2025.

None of the subscribers were a related party of the Company or an associate of any of them, or a party to whom an issue of equity securities requires Shareholder approval under ASX Listing Rule 10.11.

None of the allottees was a person whose identity would be deemed to be material in terms of the criteria in s ASX Listing Rules Guidance Note 21 (being members of Key Management Personnel, Company advisers, substantial shareholders, or associates of any of these parties, who were issued a number of shares equal to or greater than 1% of the Company's issued capital at the time.

- (ii) The Placement Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares.

- The February 2025 Placement Shares were issued at an issue price of \$0.01 each, which represented a discount of 20.0% to the latest trading price on 31 January 2025 (being the latest trading day before the trading halt preceding the announcement of the Placement).

(each, a **Vesting Condition**) unless the Vesting Conditions are waived in accordance with the rules of the Plan.

**Change in number of underlying securities:** A Performance Right does not confer a change in the number of underlying securities over which the Performance Right can be exercised.

**Timing of issue of Shares on exercise:** Following the date of receipt of a validly issued Notice of Exercise and within the time period specified by the ASX Listing Rules, the Company will:

- (i) issue the number of Shares required under these terms and conditions in respect of the number of Performance Rights specified in the Notice of Exercise; and
- (ii) if admitted to the official list of ASX at the time, apply for official quotation on ASX of Shares issued pursuant to the exercise of the Performance Rights.
- (iii) Also, if required, the Company will give ASX a notice that complies with section 708A(5)(e) of the Corporations Act (**Cleansing Notice**), or, if the Company is unable to issue a Cleansing Notice, lodge with ASIC a prospectus prepared in accordance with the Corporations Act and do all such things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares does not require disclosure to investors. If a Cleansing Notice for any reason is not effective to ensure that an offer for sale of the Shares does not require disclosure to investors, the Company must, no later than 20 Business Days after becoming aware of such notice being ineffective, lodge with ASIC a prospectus prepared in accordance with the Corporations Act and do all such things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares does not require disclosure to investors.

**Notice of Exercise:** The Performance Rights may be exercised during the Exercise Period by notice in writing to the Company in the manner specified on the Performance Rights certificate or otherwise in the rules of the Plan (**Notice of Exercise**).

**Shares issued on exercise:** Shares issued on exercise of the Performance Rights rank equally with the then issued Shares of the Company.

**No voting or dividend rights:** A Performance Right does not carry any voting rights or entitle the holder to any dividends.

**Participation in new issues:** There are no participation rights or entitlements inherent in the Performance Rights and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Performance Rights without exercising the Performance Rights.

**Reconstruction of capital:** If at any time the issued capital of the Company is reconstructed, all rights of a holder are to be changed in a manner consistent with the Corporations Act and the ASX Listing Rules at the time of the reconstruction.

**Rights on winding up:** A Performance Right does not confer any right to participate in the surplus profits or assets of the Company upon winding up of the Company. The Performance Rights do not confer any right to a return of capital, whether in winding up, upon reduction of capital or otherwise.

**Transferability:** A Performance Right is not transferable other than in a manner consistent with the ASX Listing Rules and the rules of the Plan.

## Schedule 2 - Key terms of the Dreadnought Equity Incentive Plan

The principal terms of the Dreadnought Equity Incentive Plan are summarised below:

**Eligibility:** Participants in the Plan may be:

- (i) an employee or Director (whether executive or non-executive) of, or any individual who provides services to, the Company and any Associated Body Corporate of the Company (each a **Group Company**);
- (ii) a prospective participant, being a person to whom the offer is made but who can only accept the offer if an arrangement has been entered into that will result in the person becoming an Eligible Participant under subparagraph (i); or
- (iii) a person prescribed by the Corporations Regulations for the purposes of section 1100L(1)(a)(iv) of the Corporations Act

who is declared by the Board to be eligible to receive grants of Equity Incentives under the Plan (**Eligible Participants**).

**Offer:** The Board may, from time to time, in its absolute discretion, make a written offer to any Eligible Participant (including an Eligible Participant who has previously received an offer) to apply for up to a specified number of Equity Incentives, upon the terms set out in the Plan and upon such additional terms and conditions as the Board determines.

**Limit on Offers:** The Company must have reasonable grounds to believe, when making an Offer to which the limit on Offers as set out in section 1100V of the Corporations Act applies, that the number of Shares to be received on exercise of Equity Incentives offered under such an Offer, when aggregated with the number of Shares issued or that may be issued as a result of offers made as covered by section 1100V(1)(b) of the Corporations Act at any time during the 3 year period ending on the day the Offer is made, will not exceed, if the Constitution specifies an issue cap percentage, that percentage, otherwise, the greater of:

- (i) 5% of the total number of Shares on issue at the start of the day the Offer is made; or
- (ii) such other percentage prescribed by the Corporations Regulations for the purposes of section 1100V(2)(b)(iii).

**Issue price:** Unless the Equity Incentives are Options quoted on the ASX, Equity Incentives issued under the Plan will be issued for nil cash consideration.

**Vesting Conditions:** An Equity Incentive may be made subject to vesting conditions as determined by the Board in its discretion and as specified in the offer for the Equity Incentive.

**Vesting:** The Board may in its absolute discretion (except in respect of a Change of Control occurring where Vesting Conditions are deemed to be automatically waived) by written notice to a Participant (being an Eligible Participant to whom Equity Incentives have been granted under the Plan or their nominee where the Equity Incentives have been granted to the nominee of the Eligible Participant), resolve to waive any of the Vesting Conditions applying to Equity Incentives due to:

- (i) Special Circumstances arising in relation to a Relevant Person in respect of those Equity Incentives; or
- (ii) a Change of Control occurring; or
- (iii) the Company passing a resolution for voluntary winding up, or an order is made for the compulsory winding up of the Company.

**Lapse:** An Equity Incentive will lapse upon the earlier to occur of:

- (i) an unauthorised dealing in, or hedging of, the Equity Incentive;
- (ii) a Vesting Condition in relation to the Equity Incentive is not satisfied by its due date, or becomes incapable of satisfaction as determined by the Board in its sole discretion, unless the Board exercises its discretion to waive the Vesting Conditions and vest the Equity Incentive in the circumstances set out in paragraph (f) or the Board resolves, in its absolute discretion, to allow the unvested Equity Incentives to remain unvested after the Relevant Person ceases to be an Eligible Participant;
- (iii) in respect of unvested Equity Incentive only, a Relevant Person ceases to be an Eligible Participant, unless the Board exercises its discretion to vest the Equity Incentive in the circumstances set out in paragraph (f) or the Board resolves, in its absolute discretion, to allow the unvested Equity Incentives to remain unvested after the Relevant Person ceases to be an Eligible Participant;
- (iv) in respect of vested Equity Incentives only, a relevant person ceases to be an Eligible Participant and the Equity Incentive granted in respect of that person is not exercised within one (1) month (or such later date as the Board determines) of the date that person ceases to be an Eligible Participant;

- (v) the Board deems that an Equity Incentive lapses due to fraud, dishonesty or other improper behaviour of the Eligible Participant;
- (vi) in respect of unvested Equity Incentive only, the Company undergoes a Change of Control or a winding up resolution or order is made and the Board does not exercise its discretion to vest the Equity Incentive;
- (vii) the expiry date of the Equity Incentive.

**Not transferrable:** Equity Incentives are only transferrable in Special Circumstances with the prior written consent of the Board (which may be withheld in its absolute discretion) or by force of law, upon death to the Participant's legal personal representative or upon bankruptcy to the Participant's trustee in bankruptcy.

**Cashless exercise:** A Participant may, subject to the terms of any Offer, elect to exercise such vested Options by way of a 'cashless exercise'.

Where a Participant makes such an election, rather than the Participant being required to pay the Option Exercise Price for each Option to be exercised, the Company will issue the Participant with a smaller number of Shares on the exercise of the Options representing the difference between the value of the Shares to be issued and the Option Exercise Price.

Where the Options are exercised by a 'cashless exercise', the Company will only issue such number of Shares as is determined by the following formula (rounded down to a whole number of Shares):

$$\frac{\text{Number of Options exercised} \times (\text{Closing Share Price} - \text{Option Exercise Price})}{\text{Closing Share Price}}$$

Where **Closing Share Price** means the closing Share price on the date of receipt by the Company of the exercise notice for the Options.

**Shares:** Shares resulting from the exercise of the Equity Incentives shall, subject to any Sale Restrictions (defined below) from the date of issue, rank on equal terms with all other Shares on issue except as regards any rights attaching to such Shares by reference to a record date prior to the date of their issue.

**Sale Restrictions:** The Board may, in its discretion, determine at any time up until exercise of Equity Incentives, that a restriction period will apply to some or all of the Shares issued to an Eligible Participant (or their eligible nominee) on exercise of those Equity Incentives up to a maximum of fifteen (15) years from the grant date of the Equity Incentives. In addition, the Board may, in its sole discretion, having regard to the circumstances at the time, waive any such restriction period determined.

**Quotation of Shares:** If Shares of the same class as those issued upon exercise of Equity Incentives issued under the Plan are quoted on the ASX, the Company will, subject to the Listing Rules, apply to the ASX for those Shares to be quoted on ASX within 10 business days of the later of the date the Shares are issued and the date any restriction period applying to the disposal of Shares ends.

**No Participation Rights:** There are no participating rights or entitlements inherent in the Equity Incentives and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Equity Incentives.

**Change in exercise price or number of underlying securities:** Unless specified in the offer of the Equity Incentives and subject to compliance with the Listing Rules, an Equity Incentive does not confer the right to a change in exercise price (if any) or the number of underlying Shares over which the Equity Incentive can be exercised.

**Reorganisation:** If, at any time, the issued capital of the Company is reorganised (including consolidation, subdivision, reduction or return), all rights of a holder of an Equity Incentive are to be changed in a manner consistent with the Corporations Act and the Listing Rules at the time of the reorganisation.

**Amendments:** Subject to express restrictions set out in the Plan and complying with the Corporations Act, Listing Rules and any other applicable law, the Board may at any time by resolution amend or add to all or any of the provisions of the Plan, or the terms or conditions of any Equity Incentive granted under the Plan including giving any amendment retrospective effect.

**Trust:** The Board may, at any time, establish a trust for the sole purpose of acquiring and holding Shares in respect of which a Participant may exercise, or has exercised, vested Equity Incentives, including for the purpose of enforcing the disposal restrictions and appoint a trustee to act as trustee of the trust. The trustee will hold the Shares as trustee for and on behalf of a Participant as beneficial owner upon the terms of the trust. The Board may at any time amend all or any of the provisions of the Plan to effect the establishment of such a trust and the appointment of such a trustee.

**Definitions:** Capitalised terms used in the above summary are as defined in the Equity Incentive Plan, including:

**Associated Body Corporate** means:

- (i) a related body corporate (as defined in the Corporations Act) of the Company;

- (ii) a body corporate which has an entitlement to not less than 20% of the voting Shares of the Company; and

- (ii) a court approves, under section 411(4)(b) of the Corporations Act, a proposed compromise or arrangement for the purposes of, or in connection with, a scheme for the reconstruction of the Company or its amalgamation with any other company or companies; or
- (iii) in any other case, a person obtains Voting Power in the Company which the Board (which for the avoidance of doubt will comprise those Directors immediately prior to the person acquiring that Voting Power) determines, acting in good faith and in accordance with their fiduciary duties, is sufficient to control the composition of the Board.

**Relevant Person** means:

- (i) in respect of an Eligible Participant, that person; and
- (ii) in respect of a nominee of an Eligible Participant, that Eligible Participant.
