Directors recommendation

The Directors (with Mr Middleton abstaining) recommend that shareholders vote in favour of Resolution 4.

6. Resolutions 5 and 6 (inclusive) – Approval of issue of Options to Related Parties, Duncan Gordon and Jonathan (Sam) Spring

Background

Mr Duncan Gordon and Mr Jonathan (Sam) Spring were appointed as Directors of the Company on 29 September 2025. The Company has agreed, subject to obtaining Shareholder approval, to issue a total of 10,000,000 unlisted Options each (total 20,00,000 Options) (**Related Party Options**) to Mr Duncan Gordon and Mr Jonathan (Sam) Spring (or their nominees) (**Related Parties**) as part of their agreed remuneration.

The proposed issue of 10,000,000 Related Party Options to each of Messrs Gordon and Spring is intended to align their interests with those of shareholders by providing an equity-based incentive that rewards future performance and value creation.

The number of Options reflects Messrs Gordon and Spring's expected contribution to the Company's strategic and operational objectives and is consistent with remuneration practices commonly adopted by small-cap ASX-listed resource companies, where modest cash remuneration is typically supplemented with equity incentives to attract and retain suitably qualified directors. The Related Party Options are to be issued directly as a reward for services provided and are not being issued under any employee incentive scheme of the Company. The issue of the Related Party Options will only proceed if Shareholder approval is obtained at the Meeting.

ASX Listing Rule 10.11

ASX Listing Rule 10.11 provides that, unless an exception in Listing Rule 10.12 applies, a company must not issue Equity Securities to a related party without Shareholder approval. Messrs Gordon and Spring are related parties of the Company by virtue of being Directors (Listing Rule 10.11.1). The proposed issue of Related Party Options to Messrs Gordon and Spring (or their nominees) fall within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. Accordingly, Shareholder approval pursuant to ASX Listing Rule 10.11 is required under Resolutions 5 and 6 for the issue of the Related Party Options.

Information required by Listing Rule 14.1A

If Resolutions 5 and 6 are passed, the Company will be able to proceed with the issue of 10,000,000 Related Party Options each to Messrs Gordon and Spring (or their nominees). Furthermore, the issue of these Options (being approved under Listing Rule 10.11) will fall under an exception to the Company's 15% placement capacity under Listing Rule 7.1, meaning it will not use up any of that capacity. Resolutions 5 and 6 are each independent Resolutions and are not inter-conditional.

If Resolutions 5 and 6 are not passed, the Company will not be able to proceed with the issue of the Related Party Options to Messrs Gordon and Spring as proposed, and the Company may need to consider alternative remuneration or compensation arrangements for his services.

Chapter 2E of the Corporations Act

For a public company or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and

(b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The grant of the Related Party Options constitutes giving a financial benefit and Messrs Gordon and Spring are related parties of the Company by virtue of being Directors. The Directors (other than Messrs Gordon and Spring in relation to their respective resolutions) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the grant of the Related Party Options because the agreement to grant the Related Party Options is considered reasonable remuneration in the circumstances which were negotiated on arm's length terms as part of their letters of appointment.

Information required by ASX Listing Rule 10.11

For the purposes of Listing Rule 10.13, the Company provides the following information:

7. Resolution 7 - Approval of 10% Placement Capacity

Background

Listing Rule 7.1A provides that an Eligible Entity (as defined below) may seek shareholder approval by special resolution passed at an annual general meeting to have the capacity to issue up to that number of Equity Securities (as defined below) equal to 10% of its fully paid ordinary shares (**10% Placement Capacity**) without using that company's existing 15% annual placement capacity granted under Listing Rule 7.1.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

As at the date of this Notice, the Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$4 m based on the number of Shares on issue and the closing price of Shares on the ASX on 23 October 2025.

An Equity Security is a share, a unit in a trust, a right to a share or unit in a trust or option, an option over an issued or unissued security, a convertible security, or, any security that ASX decides to classify as an equity security.

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of quoted Equity Securities and must be issued for cash consideration only. As at the date of this Notice, the Company currently has two classes of quoted Equity Securities on issue, being the Shares (ASX Code: OB1) and listed OB10 Options.

If Shareholders approve Resolution 7, the number of Equity Securities the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2. If Resolution 7 is not passed, the Company will not be able to access the additional 10% Placement Capacity without Shareholder approval provided for in Listing Rule 7.1A and will remain

subject to the 15% limit in issuing Equity Securities without shareholder approval set out in Listing Rule 7.1

Resolution 7 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 7 for it to be passed.

Information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to this Resolution 7:

(a) Minimum Price

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 10 ASX trading days of the date in section 7(a)(i), the date on which the Equity Securities are issued.

(b) Period of Issue

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting; and
- (ii) the date of approval by Shareholders of any transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid); and
- (iii) the time and date of the Company's next Annual General Meeting.

(10% Placement Capacity Period).

(c) Risk of voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue. If Resolution 7 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A(2), on the basis of the market price of Shares ('**Market Price**') and the number of Equity Securities on issue as at 23 October 2025

The table below shows the voting dilution impact where the current number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Issued Share Capital (Variable A)	50% decrease in Market Price \$0.0115		Current Market Price \$0.023		50% increase in Market Price \$0.0345

Table 1 - Assumptions and explanations

- The Market Price is \$0.023 based on the closing price of the shares on ASX on 23 October 2025.
- The above table only shows the dilutionary effect based on the issue of the Equity Securities under the 10% Placement Capacity (assuming only Shares are issued) and not any shares issued under the 15% under Listing Rule 7.1.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue.
- The Company issues the maximum number of Equity Securities under the 10% Placement Capacity
- The issued share capital has been calculated in accordance with the formula in Listing Rule 7.1A(2) as at 23 October 2025.
- The issue price of the securities issued under the 10% Placement Capacity used in the table is the same as the Market Price and does not take into account the discount to the Market Price (if any).
- The above dilution table does not account for the quoted options on issue.]

Shareholders should note that there is a risk that:

- the Market Price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- the Shares may be issued at a price that is at a discount to the Market Price for those Shares on the date of issue.

(d) Purpose of Issue under 10% Placement Capacity

The Company has no particular purpose in mind at this time and merely wishes to be prepared for any eventuality. It is most likely that if an issue is made it will be for the purpose of expanding or furthering the development of the Company's existing exploration projects and/ or for general working capital. Equity Securities can only be issued for cash consideration pursuant to Listing Rule 7.3A.3.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) upon issue of any Equity Securities.

(e) Allocation policy under the 10% Placement Capacity

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- the purpose of the issue;

- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

SCHEDULE 1 –TERMS & CONDITIONS OF RELATED PARTY OPTIONS

Entitlement

Each New Option gives the Optionholder the right to subscribe for one Share. To obtain the right afforded by each Option, the Optionholder must exercise the relevant Options in accordance with the terms and conditions attaching to the Options. Subject to variation in the share capital of the Company, the amount payable by the Optionholder on the exercise of each option shall be \$0.04 (**Exercise Price**).

Exercise

The Options will expire on the date which is 4 years from the date of issue (**Option Expiry Date**), unless exercised earlier pursuant to the terms and conditions of the Options. Any Option not exercised before the Option Expiry Date will automatically lapse on the Option Expiry Date.

The Options shall be exercisable at any time on or prior to the Option Expiry Date by the Optionholder providing a notice in writing to the Company and payment of the Exercise Price in cleared funds (**Exercise Notice**). Within 10 business days of receipt of the Exercise Notice, the Company will:

- (a) allot and issue such number of Shares in the Company as required by the terms and conditions with reference to the number of Options specified in the Exercise Notice;
- (b) if required, provide the ASX with a notice that complies with section 708A(5)(e) of the Corporations Act or, if the Company is unable to issue such a notice or such notice is not effective, lodge with ASIC a prospectus prepared in accordance with the Corporations Act and do all things necessary to ensure that an offer for sale of Shares does not require disclosure to investors pursuant to section 708A(11) of the Corporations Act.

If the Company is admitted to the official list of the ASX on the date of the exercise of the Options, application will be made by the Company to the ASX for official quotation of the Shares that result from the exercise of the relevant Options.

Other than for such an adjustment, an Option does not confer the right to a change in Exercise Price or a change in the number of underlying securities over which the Option is capable of exercise.

There are no participation rights or entitlements inherent in the Options, and Optionholders will not be entitled to participate in new issues of capital offered to shareholders by virtue of the Options. The Company will notify all Optionholders that hold Options capable of exercise prior to the relevant qualifying date for the new issue of capital no less than 10 business days prior to the closing date of that offer, so as to enable those Optionholders to exercise some or all of their Options such that they may then participate in the relevant issue of capital.

Options not Quoted

The Options will not be quoted on the ASX.

Compliance with Listing Rules

If, and to the extent, any of the preceding terms and conditions in respect of the Options are inconsistent with the Listing Rules, the Listing Rules will prevail in all respects to the extent of the inconsistency.
