Explanatory Statement to the Notice of Annual General Meeting

This Explanatory Statement accompanies Prime Financial Group Limited's Notice of 2025 Annual General Meeting (AGM or Meeting) to be held as a hybrid meeting on Friday 28 November 2025 at 9:00am AEDT. This Explanatory Statement forms part of the Notice of 2025 AGM. The Notice of 2025 AGM should be read together with these notes.

ORDINARY BUSINESS

2025 Annual Financial Statements

The Annual Financial Statements for the year ending 30 June 2025, comprising the Director's Report and Financial Report for the year ended 30 June 2025 and the Auditor's Report on the Financial Report will be laid before the Meeting. Members will be given the opportunity to ask questions about or make comments in respect of the Annual Financial Statements and the management of the Company.

Resolution 1. Non-binding resolution to adopt Remuneration Report

Pursuant to the Corporations Act 2001 the AGM of a listed company must propose a resolution that the Remuneration Report be adopted. The vote on this Resolution is advisory only and does not bind either the Directors or the Company.

Nevertheless, the Board will take into account the discussion on this item and the outcome of the vote when considering the future remuneration policies and practices of the Company. Furthermore, as a result of a change to the Corporations Act 2001 which came into effect on 1 July 2011 - known as the "Two Strikes" rule - if a company's remuneration report receives a "no" vote of 25% or more (the first strike), the Company's subsequent remuneration report must explain whether members' concerns have been taken into account. Where the Company's subsequent remuneration report also receives a "no" vote of 25% or more (the second strike), a resolution must then be immediately put to members as to whether a General Meeting should be held (within 90 days) at which all Directors (except the Managing Director) who were in office at the time of the second strike must stand for re-election.

The Remuneration Report is included in the Annual Report distributed to members and will be laid before the Meeting. Members will be given the opportunity to ask questions about or make comments on the Remuneration Report at the Meeting.

Recommendation

The Directors recommend that you vote in favour of this resolution.

Resolution 2. Re-election of Director – Mr Tim Bennett

At each Annual General Meeting of the Company, one third of the Directors of the Company (except a Managing Director) must retire from office by rotation, in accordance with the Company's constitution.

Furthermore, no Director (except a Managing Director) shall retain office for a period in excess of three years without submitting himself or herself for re-election.

Mr Tim Bennett is scheduled to retire by rotation at the AGM, and being eligible for re-election, offers himself for re-election.

Resolutions 3, 4 and 5. Approval of issue of Performance Rights under the Performance Rights Plan

Introduction

The Company is proposing to issue performance rights (Performance Rights) to each of Mr Simon Madder, Mr Tim Bennett and Mr Matt Murphy (Participating Directors) under the Company's existing performance rights plan (Performance Rights Plan) (Proposed Performance Rights Issues).

A summary of the terms of the Performance Rights Plan is set out in Schedule 1, and a summary of the vesting conditions of the Performance Rights that are proposed to be issued to each of the Participating Directors pursuant to Resolutions 3, 4 and 5 is set out in Schedule 2.

Prime's team is our biggest asset, and we want to continue to develop incentive structures, a culture and balance to achieve sustainably higher business and personal growth with a business owner mentality at the core.

Prime's Long-term Incentive (LTI) program is designed to provide a long term at-risk incentive to all Prime staff and allows our team to become owners in Prime on the basis of growth in Underlying Earnings Before Interest Tax Depreciation and Amortisation (UEBITDA) and Absolute Total Shareholder Return (ATSR).

The Company remunerates its senior team, executives and all staff in a manner that is market competitive and consistent with best practice as well as supporting the interests of shareholders. Consequently, under Prime's Remuneration Policy, and subject to the determination of the Remuneration Committee, the remuneration of senior team members and executives may be comprised of the following:

- Fixed salary, including superannuation, that is determined from a review of the market and reflects core performance requirements and expectations;
- A Short-term Incentive (STI) designed to reward achievement by individuals of performance objectives;

Explanatory Statement to the Notice of Annual General Meeting

and

- A Long-term Incentive (LTI) based on ongoing Group performance.

By remunerating senior team members and executives through short and long-term incentive plans, in addition to their fixed remuneration, Prime's objective is to align the interests of the senior team and executives with those of shareholders and increase performance of the Company. The philosophy of deploying this remuneration structure and strategy is to provide a clear intention to improve the Company's fiscal performance and thereby increase underlying shareholder value.

Shareholder approval sought

ASX Listing Rule 10.14 provides that a listed company must not permit a director (or certain other persons) to acquire equity securities under an employee incentive scheme unless it obtains the approval of its shareholders.

The Proposed Performance Rights Issues fall within ASX Listing Rule 10.14 and therefore require the approval of shareholders. Resolutions 3,4 and 5 seek the required shareholder approvals for the Proposed Performance Rights Issues for the purposes of ASX Listing Rule 10.14.

The Board has considered the Proposed Performance Rights Issues and, taking into account the circumstances of the Company and its subsidiaries, the circumstances of the Participating Directors, and the remuneration practices of other similar entities, considers that the financial benefits provided to the Participating Directors by way of the Performance Rights (together with the other elements of their remuneration packages) constitute reasonable remuneration. Accordingly, approval under Chapter 2E of the Corporations Act 2001 is not being sought.

If Resolution 3 is passed, the Company will be able to proceed with the proposed issue of Performance Rights to Mr Simon Madder and issue up to a total of 1,252,505 Performance Rights to Mr Simon Madder or his nominee.

If Resolution 4 is passed, the Company will be able to proceed with the proposed issue of Performance Rights to Mr Tim Bennett and issue up to a total of 1,052,104 Performance Rights to Mr Tim Bennett or his nominee.

If Resolution 5 is passed, the Company will be able to proceed with the proposed issue of Performance Rights to Mr Matt Murphy and issue up to a total of 70,140 Performance Rights to Mr Matt Murphy or his nominee.

If Resolution 3, 4 or 5 is not passed, the Company will not be able to proceed with the proposed issue of Performance Rights that are the subject of the failed Resolution(s).

Information required by ASX Listing Rule 10.15

The following information is provided in accordance with ASX Listing Rule 10.15 which sets out the information that must be provided to shareholders in order to obtain shareholder approval under ASX Listing Rule 10.14:

- The persons to acquire Performance Rights under the Performance Rights Plan are Mr Simon Madder, Mr Tim Bennett and Mr Matt Murphy, or their respective nominees. They are all Executive Directors of the Company.
- Mr Simon Madder, Mr Tim Bennett and Mr Matt Murphy fall within ASX Listing Rule 10.14.1 as they are Directors of the Company. Their nominees (if applicable) would fall within ASX Listing Rule 10.14.2, as they would be considered associates.

Explanatory Statement to the Notice of Annual General Meeting

- c. The maximum number of Performance Rights that may be issued under the Performance Rights Plan pursuant to Resolutions 3, 4 and 5 is:

Mr Simon Madder	1,252,505
Mr Tim Bennett	1,052,104
Mr Matt Murphy	70,140
Total:	2,374,749

Each Performance Right that vests and is exercised will convert into an ordinary share in accordance with its terms.

- d. The current total remuneration package (excluding the Performance Rights that are the subject of Resolutions 3, 4 and 5) for each of the Participating Directors who will participate in the Proposed Performance Rights Issues is set out in the Table below:

Director	Current Fixed remuneration package	Short Term Incentive
Mr. Simon Madder	\$501,296 per annum (inclusive of superannuation)*	STI to be determined by reference to achievement of performance objectives. It is noted that for the last 2 financial years Mr Simon Madder received the following STI payments: <ul style="list-style-type: none"> FY 24: \$249,398 FY 25: \$249,398
Mr. Tim Bennett	\$420,000 per annum (Base Consultancy fees)	STI to be determined by reference to achievement of performance objectives. It is noted that for the last 2 financial years Mr Tim Bennett received the following STI payments: <ul style="list-style-type: none"> FY 24: \$180,000 FY 25: \$100,000
Mr. Matt Murphy	\$250,000 per annum (inclusive of superannuation)	STI to be determined by reference to achievement of performance objectives. It is noted that for the last 2 financial years Mr Matt Murphy received no STI payments.

*The Remuneration Report for the year ended 30 June 2025 included in the Annual Report distributed to members incorrectly discloses a higher per annum fixed remuneration package (inclusive of superannuation). The discrepancy arises due to Mr Madder's superannuation entitlement being miscalculated resulting in a cumulative overpayment of \$27,500 between October 2024 and September 2025. Upon discovering the error, arrangements were put in place for the overpayment to be reimbursed by way of monthly deductions from Mr Madder's fixed remuneration. The overpayment will be fully reimbursed by 30 June 2026.

- e. Mr Simon Madder, Mr Tim Bennett and Mr Matt Murphy have previously been issued Performance Rights under the Performance Rights Plan for nil consideration. These are shown in the table below.

Explanatory Statement to the Notice of Annual General Meeting

- h. The Company has chosen to grant the Performance Rights to the Participating Directors for the following reasons:
 - i. The issue of Performance Rights has the benefit of further aligning the interests of the Participating Directors with those of the shareholders;

Explanatory Statement to the Notice of Annual General Meeting

- ii. The issue is a reasonable and appropriate method to provide cost effective, non-cash remuneration, allowing cash reserves to be used for its operations;
- iii. the issues will have no immediate dilutionary impact on shareholders and will only dilute shareholders if the relevant Performance Rights vest on the achievement of the vesting conditions.
- i. If all the vesting conditions are met and 100% of the Performance Rights proposed to be issued under Resolution 3, 4 and 5 vest, the Company considers the Performance Rights will have an approximate total value of:
 - \$285,571 for the Performance Rights that are the subject of Resolution 3; and
 - \$239,880 for the Performance Rights that are the subject of Resolution 4; and
 - \$15,992 for the Performance Rights that are the subject of Resolution 5.

This valuation is calculated based on the volume weighted average market price (VWAP) of the Company's shares for the 30 day period up to 22 October 2025, which is \$0.228 per share. Shareholders should be aware that changes in the inputs into the valuation of the Performance Rights, including the market price of the Company's shares and the probability of the vesting conditions being satisfied could result in the actual valuation of the Performance Rights being different to the indicative valuation discussed in this Explanatory Statement.

- j. It is proposed that the Participating Directors (or their respective nominees) will be issued the Performance Rights as soon as practicable (and within the required three years) after the date of the Meeting.
- k. The Performance Rights will be issued to each Participating Director (or their nominee) for nil cash consideration (in line with the terms of the Performance Rights Plan), as part of their remuneration package.
- l. No loans will be provided in relation to the acquisition of the Performance Rights.
- m. Details of any securities issued under the Performance Rights Plan will be included in the annual report of the Company relating to the period in which they were issued, along with a statement that the approval for the issue was obtained under the ASX Listing Rule 10.14.
- n. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the Performance Rights Plan after Resolutions 3, 4 and 5 are approved and who are not named in this Notice will not participate until approval is obtained under that rule.
- o. Voting exclusion statements in respect of Resolutions 3, 4 and 5 have been set out within the Notice that accompanies this Explanatory Statement.

If approval is given under ASX Listing Rule 10.14, approval is not required under ASX Listing Rule 7.1.

ASX Listing Rule 7.1

This Resolution proposes that Shareholders of the Company approve and ratify the prior issue and allotment of 2,551,814 Shares.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of 2,551,814 Shares does not fit within any of the exceptions (to Listing Rules 7.1) and, as the issue has not been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the Completion Date.

Listing Rule 7.4 allows the Shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

The Company is focused on growth and wishes to retain as much flexibility as possible to issue additional equity securities into the future for further acquisitions without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval to ratify the issue of 2,551,814 Shares for the purposes of Listing Rule 7.4.

If this Resolution is passed, the issue of 2,551,814 Shares will be excluded in calculating the Company's 15% capacity to issue equity securities under Listing Rules 7.1 without Shareholder approval over the 12-month period following the Completion Date.

If this Resolution is not passed, the 2,551,814 Shares that are the subject of this Resolution will be included in calculating the Company's 15% capacity to issue equity securities under Listing Rules 7.1 without Shareholder approval over the 12-month period following the Completion Date.

For the avoidance of doubt, the Company is not asking shareholders to approve the issue of any Shares that may need to be issued pursuant to Tranches 2, 3 or 4.

Resolution 7: Approval of Cap on Aggregate Non-Executive Remuneration

A new constitution was approved at the 2024 AGM. Under article 6.3(a) of the Constitution, the aggregate remuneration of non-executive directors (inclusive of superannuation and insurance premiums attributable to director and officer insurance policies) may not exceed in total in any financial year the amount fixed by the Company in general meeting for that purpose.

Under the previous Constitution, the cap for the aggregate remuneration of non-executive directors was set at \$375,000 per annum.

The purpose of Resolution 7 is to confirm that the annual cap for the aggregate remuneration of non-executive directors will continue to be capped at \$375,000.

Recommendation

The directors recommend that you vote in favour of this resolution. The Chair of the meeting intends to vote undirected proxies in favour of Resolution 7.
