## RESOLUTIONS 8 TO 10 – APPROVAL TO RATIFY ISSUE OF SECURITIES PREVIOUSLY ISSUED (MARCH PLACEMENT, MAY PLACEMENT, SEPTEMBER PLACEMENT AND CONSIDERATION CONTRIBUTING SHARES)

### 8.1 Background

As announced:

- (a) via the Appendix 2A released on 12 March 2025, the Company issued 1,222,222 Shares at an issue price of \$0.027 per Share to Metropolis Pty Ltd in consideration for professional consultancy services rendered to the value of \$33,000 (March Placement Shares) pursuant to the Company's 15% placement capacity available under Listing Rule 7.1;
- (b) on 14 May 2025, the Company issued 17,647,059 Shares at a price of \$0.017 per Share to sophisticated and professional investors to raise \$300,000 (**May Placement Shares**) pursuant to the Company's 10% placement capacity available under Listing Rule 7.1A;
- (c) on 29 September 2025, the Company issued 1,176,471 Shares at an issue price of \$0.0187 per Share and 1,176,471 free attaching options with an exercise price of \$0.05 and expiry date of 28 September 2030 to Metropolis Pty Ltd in consideration for professional consultancy services rendered to the value of \$22,000 (September Placement Securities) pursuant to the Company's 15% placement capacity available under Listing Rule 7.1; and
- (a) on 5 September 2025, the Company issued 1,138,952 unlisted partly paid, ordinary shares, paid-up to \$0.001 with the remaining unpaid amount of \$0.05 per share not being subject to call before 30 July 2028 (Consideration Contributing Shares) to Northmead Holdings Pty Ltd pursuant to the Company's 15% placement capacity available under Listing Rule 7.1. The Consideration Contributing Shares were issued in payment of a \$15,000 'commitment fee' payable by the Company under the terms of the Loan Agreement between the Company and Northmead Holdings Pty Ltd (with such commitment fee being equal to 3% of the principal sum of \$500,000 loaned to the Company by Northmead Holdings Pty Ltd) and the value of the Consideration Contributing Shares was determined by way of an independent valuation.

The Board is seeking shareholder approval to ratify the prior issue of the above equity securities as follows:

- the March Placement Shares and the September Placement Securities are the subject of Resolution 8 (and were issued to the same consultant);
- the May Placement Shares are the subject of Resolution 9; and
- the Consideration Contributing Shares are the subject of Resolution 10.

### 8.2 ASX Listing Rule 7.1 and Listing Rule 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rules 7.1 and 7.1A limit the number of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% and 10% (respectively) of the fully paid ordinary securities it had on issue at the start of that period (adjusted for certain events over that 12-month period).

None of the issue of the March Placement Shares, the May Placement Shares, the Consideration Contributing Shares or the September Placement Securities (**Issued Securities**) fit within any of the exceptions available under Listing Rule 7.2 and, since those issues have not yet been approved by EMU's shareholders:

(a) the March Placement Shares, the Consideration Contributing Shares and the September Placement Securities (which were issued using the Company's 15% placement capacity available under Listing Rule 7.1) effectively use up the Company's 15% placement capacity in Listing Rule 7.1 to the extent of

those securities, thus reducing EMU's capacity to issue further equity securities without shareholder approval for the respective 12-month period following the issue date of the relevant securities; and

- (b) the May Placement Shares (which were issued using the Company's 10% placement capacity available under Listing Rule 7.1A):
  - a. effectively use up the Company's 10% placement capacity in Listing Rule 7.1A to the extent of those securities, thus reducing EMU's capacity to issue further equity securities without shareholder approval for the respective 12-month period following the issue date of the relevant securities; and
  - b. will not be counted in variable "A" in the formula in Listing Rule 7.1 for the purpose of calculating the Company's 15% placement capacity available until the issue is approved under Listing Rule 7.4 or a period of 12 months has passed since their issue.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rules 7.1 or 7.1A (as applicable) and so does not reduce the company's capacity to issue further equity securities without shareholder approval under those rules.

EMU wishes to retain as much flexibility as possible to issue additional equity securities without having to obtain shareholder approval for such issues under Listing Rule 7.1. To this end, Resolutions 8 to 10 seek Shareholder approval to ratify the prior issue of the Issued Securities under and for the purposes of Listing Rule 7.4.

If Resolutions 8 to 10 are passed:

- (a) the March Placement Shares, the Consideration Contributing Shares and the September Placement Securities will be <u>excluded</u> in calculating EMU's 15% placement capacity in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without shareholder approval over the 12-month periods following the respective issue dates of the relevant securities; and
- (b) the May Placement Shares will be counted in variable "A" in the formula in Listing Rule 7.1 for the purpose of calculating the Company's 15% placement capacity available, effectively increasing the number of equity securities the Company can issue without shareholder approval.

If any of Resolutions 8 to 10 are not passed, the Company's 15% placement capacity will be decreased as follows:

- (a) if Resolution 8 is not passed, the total Shares available to be issued under the Company's 15% placement capacity will be reduced by the 1,222,222 March Placement Shares and the 2,352,942 September Placement Securities;
- (b) if Resolution 9 is not passed, the 17,647,059 May Placement Shares will not be counted in variable "A" in the formula in Listing Rule 7.1 for the purpose of calculating the Company's 15% placement capacity, thereby reducing the Company's available placement capacity under Listing Rule 7.1 by approximately 2,647,058 Shares for a period of 12 months from the date of issue of the May Placement Shares; and
- (c) if Resolution 10 is not passed, the total Shares available to be issued under the Company's 15% placement capacity will be reduced by the 1,138,952 Consideration Contributing Shares.

Resolutions 8 to 10 are ordinary resolutions, requiring it to be passed by a simple majority of votes cast by the Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

### 8.4 Directors' Recommendation

The Directors unanimously recommend that Shareholders vote **in favour** of Resolutions 8 to 10.

The Chair intends to exercise all undirected proxies **in favour** of Resolutions 8 to 10.

### **RESOLUTION 11 – APPROVAL OF 10% PLACEMENT FACILITY**

### 9.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of the period (adjusted for certain events over that 12-month period).

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its AGM, to increase this 15% limit by an extra 10% to 25% (10% Placement Facility).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes as at the date of this Notice. If, on the date of the Meeting, the Company is not an eligible entity under the Listing Rules for the purposes of Listing Rule 7.1A, then Resolution 11 will be withdrawn.

Resolution 11 seeks Shareholder approval by way of a special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval. The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

If Resolution 11 is passed, the Company will be able to issue Equity Securities under the 10% Placement Facility without any further Shareholder approval, provided that the issue complies with the requirements of Listing Rule 7.1A regarding, among other things, minimum issue price and the issue being made for cash consideration (LR7.1A Requirements). The Company's ability to place Equity Securities under the 10% Placement Facility will be in addition to the Company's 15% placement capacity available under Listing Rule 7.1, which is not subject to the LR7.1A Requirements.

If Resolution 11 is not passed, the Company will not be able to access the additional 10% Placement Facility to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

### 9.2 Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows.

### (a) Period for which the approval will be valid (Listing Rule 7.3A.1)

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the AGM at which the approval is obtained, and expires on the first to occur of the following:

- (i) the date that is 12 months after the date of the AGM at which the approval is obtained; or
- (ii) the time and date of EMU's next annual general meeting; or
- (iii) the time and date of the approval by EMU's shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

### (10% Placement Period).

The Company will only issue and allot the Equity Securities pursuant to the 10% Placement Facility during the 10% Placement Period.

(b) Minimum price at which the Equity Securities may be issued (Listing Rule 7.3A.2)

The Equity Securities will be issued at an issue price of not less than 75% of the volume weighted average price for the relevant class of the Company's Equity Securities over the 15 Trading Days in which trades in the class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

### (c) Purposes for which the funds raised by issue of Equity Securities may be used (Listing Rule 7.3A.3)

The Company may seek to issue the Equity Securities to raise funds for making (or to securing the right to make) one or more acquisitions and/or to further its existing projects; and/or general working capital; so that the Company has the necessary working capital and flexibility to consider, and if thought fit, to put it in a stronger position to make (or to secure the right to make) one or more acquisitions and/or to further its existing projects.

### (d) Risk of economic and voting dilution to existing shareholders (Listing Rule 7.3A.4)

If Resolution 11 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. There is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the relevant class of the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

### The table shows:

- (i) two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples: one where the issue price of ordinary securities is decreased by 50% and the other where the issue price of ordinary securities is increased by 100% relative to the current market price.

		Dilution		
Variable "A" in		\$0.0215	\$0.043	\$0.086
Listing Rule 7.1A.2		50% decrease in Issue Price	Issue Price (current share price)	100% increase in Issue Price
Current Variable A 24,716,554 Shares	10% voting dilution	247,165,546 Shares		
24,710,334 Shares	Funds raised	\$531,406	\$1,062,812	\$2,125,624

50% increase in current Variable A	10% voting dilution	370,748,319 Shares		
37,074,832 Shares	Funds raised	\$797,109	\$1,594,218	\$3,188,435
100% increase in current Variable A	10% voting dilution	494,331,092 Shares		
49,433,109 Shares	Funds raised	\$1,062,812	\$2,125,624	\$4,251,247

### The table has been prepared on the following assumptions:

- (i) Shareholders approve Resolution 11.
- (ii) The Company issues, in a single allotment, the maximum number of Equity Securities available under the 10% Placement Facility.
- (iii) No existing Convertible Securities (including any Convertible Securities issued under the 10% Placement Facility) are converted into Shares before the date of the issue of the Equity Securities.
- (iv) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (v) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of this Meeting.
- (vi) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (vii) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities under the 10% Placement Facility includes Convertible Securities, it is assumed that those Convertible Securities are converted into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- (viii) The issue price is \$0.043 being the closing price of Shares on the ASX on 23 October 2025.

The Company will comply with the disclosure obligations under Listing Rule 7.1A(4) upon issue of any Equity Securities.

- (e) Details of the Company's allocation policy (Listing Rule 7.3A.5)
- (f) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:
  - (i) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
  - (ii) the effect of the issue of the Equity Securities on the control of the Company;
  - (iii) the financial situation and solvency of the Company; and
  - (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not a related party or an Associate of a related party of the Company.

(g) Details of any Equity Securities issued, or agreed to be issued, under Listing Rule 7.1A.2 in the preceding 12-month period (Listing Rule 7.3A.6)

The Company previously obtained Shareholder approval under Listing Rule 7.1A at the 2024 AGM held on 30 November 2024.

During the 12-month period preceding the date of this meeting, the Company issued 17,647,059 fully paid, ordinary under Listing Rule 7.1A (being the May Placement Shares described above) issued at a price of \$0.017 per Share (representing a discount of 21.3% to the 15-day VWAP closing market price to the day immediately prior to the date of issue) to sophisticated and professional investors identified by the directors as being willing investors to raise a total of \$300,000.

The May Placement Shares represented 10% of the total Equity Securities on issue at the commencement of that 12-month period (adjusted for certain events over that 12-month period).

The full \$300,000 raised from the issue of the May Placement Shares has been spent on the Company's working capital requirements.

(h) Any proposal to make issue of Equity Securities under Listing Rule 7.1A.2 (Listing Rule 7.3A.)

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A2 and, accordingly, no voting exclusion statement is required.

The Directors consider that the passing of this Resolution 11 will provide the Company with greater flexibility when considering future capital raising opportunities by increasing the Company's ability to issue new Shares permitted by the Listing Rules without requiring Shareholder approval.

The Directors unanimously recommend that Shareholders vote in favour of Resolution 11.

Resolution 11 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Chair intends to exercise all undirected proxies in favour of Resolution 11.

### EMU NL ANNEXURE A

### TERMS OF OPTIONS ISSUED TO CONSULTANT

Each option issued pursuant to the September Placement (**New Option**) entitles the holder to subscribe for a fully paid, ordinary share in the capital of the Company (**FPO Share**) on the following terms and conditions:

### **Entitlement**

Each New Option entitles the holder to subscribe for one FPO Share upon exercise of the New Option.

### **Exercise Price**

The exercise price of each New Option is \$0.05 (Exercise Price).

### **Expiry Date**

Each New Option has an expiry date of 28 September 2030 (Expiry Date).

#### **Exercise Period**

Each New Option is exercisable at any time on or before the Expiry Date (Exercise Period).

#### Quotation

No application will be made for Quotation of the New Options.

### **Notice of Exercise**

Each New Option may be exercised by notice in writing to the Company together with the payment for the number of FPO Shares in respect of which the New Options are exercised at any time during the Exercise Period. Any notice of exercise of a New Option received by the Company will be deemed to be a notice of the exercise of the relevant number of New Options as at the date of receipt of the notice and accompanying payment (Exercise Date).

### Timing of issue of FPO Shares on exercise

Within 15 Business Days after the Exercise Date the Company will:

- (i) issue the number of FPO Shares required under these terms and conditions in respect of the number of New Options specified in the notice of exercise and for which cleared funds have been received by the Company; and
- (ii) if admitted to the official list of ASX at the time, apply for quotation on ASX of FPO Shares issued pursuant to the exercise of a New Option.

### **FPO Shares issued on exercise**

FPO Shares issued on exercise of New Options rank equally in all respects with the then issued fully paid ordinary shares of the Company.

### **Quotation of FPO Shares on exercise**

Application will be made by the Company to ASX for Quotation of the FPO Shares issued upon the exercise of a New Option.

### Participation in new issues

However, the Company will ensure that for the purposes of determining entitlements to any such issue, the record date will be at least four (4) Business Days after the issue is announced. This will give the holder of a New Option the opportunity to exercise the New Option prior to the date for determining entitlements to participate in any such issue.

### Adjustment for bonus issues of FPO Shares

If the Company makes a bonus issue of FPO Shares or other securities to existing Shareholders (other than an issue in lieu or in satisfaction, of dividends or by way of dividend reinvestment):

the number of Shares which must be issued on the exercise of a New Option will be increased by the number of Shares which the New Option holder would have received if the New Option holder had exercised their New Options before the record date for the bonus issue; and no change will be made to the Exercise Price.

### Adjustment for rights issue

If the Company makes an issue of FPO Shares pro rata to existing Shareholders (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment) the Exercise Price of each New Option will be reduced according to the following formula:

### **EMU NL ANNEXURE A**

New exercise price = O - 
$$\frac{E[P-(S+D)]}{N+1}$$

- O = the old Exercise Price of the New Options.
- E = the number of underlying FPO Shares into which one New Option is exercisable.
- P = average market price per FPO Share weighted by reference to volume of the underlying FPO Shares during the 5 trading days ending on the day before the ex-rights date or ex entitlements date.
- S = the subscription price of a FPO Share under the pro rata issue.
- D = the dividend due but not yet paid on the existing underlying Shares (except those to be issued under the pro rata issue).
- N = the number of FPO Shares with rights or entitlements that must be held to receive a right to one new share.

### Adjustments for reorganisation

If there is any reorganisation of the issued share capital of the Company, the rights of a New Option holder will be varied to comply with the Listing Rules which apply to the reorganisation at the time of the reorganisation.

### **Lodgement Instructions**

Cheques and money orders shall be in Australian currency made payable to the Company and crossed "Not Negotiable". The application for Shares on exercise of a New Option with the appropriate remittance should be lodged with the Company Secretary, at the Company's registered office or the Share Registry.

### EMU NL ANNEXURE B

The value of the Consideration Contributing Shares was determined by way of an independent valuation.

### The terms of the Consideration Contributing Shares are as follows:

Partly paid ordinary shares ("Consideration Contributing Shares") in the capital of Emu NL ("Company") rank equally with fully paid ordinary shares ("Shares") in the capital of the Company subject to the following terms:

### Amounts paid & unpaid:

### **EMU NL** ANNEXURE C

### **TERMS OF LOAN AGREEMENT**

The Company secured a debt facility (Loan Agreement) with Northmead Holdings Pty Ltd (Lender) a substantial shareholder of the Company. The Lender agreed to lend the Company up to \$500,000 (Principal Sum), to be repaid on or before 30 November 2025 (Loan Facility). Absent the Lender's consent, funds drawn down under the Loan Facility may only be applied to the exploration of the Company's Yataga Project in Queensland and supporting working capital. Interest is payable at the rate of 18% per annum but absent default the lower rate of 15% will be accepted.

The Company agreed to pay the Lender an equity-based commitment fee equal to 3% of the Principal Sum, to be satisfied by the issue of 1,138,952 unlisted partly paid Contributing Shares, paid to \$0.001 and unpaid to \$0.05, with no call to be made before 30 July 2028 (**Consideration Contributing Shares**). The value of the Consideration Contributing Shares was determined by way of an independent valuation.

Should the Company make an entitlement offer (**Offer**) to shareholders during the term of the Loan Agreement, upon the closing of such Offer, the Lender is entitled to direct the Company to repay the advanced portion of the Principal Sum immediately in satisfaction of the Lender's entitlement under the Offer. Any balance remaining after the satisfaction of the Lender's Entitlement will be repaid in cash or may at the election of the Lender be satisfied by an application for any Shortfall.

The Company may at its election convert any portion of the Principal Sum that has been advanced to it (in whole or in part) to equity, with the value of the Shares to be issued to be the lesser of:

- i. \$0.025 per Share;
- ii. the price at which any Shares are issued between the date of the Loan Agreement and the date of the election; and
- **iii.** the lowest price at which the Company has agreed to issue or offer Shares between the date of the Loan Agreement and the date of the election, subject always to the ASX Listing Rules.

The Company has granted the Lender a security over the assets that comprise the Badja Project (Western Australia) in consideration for the Loan Facility being made available to it.
