- Cluey Ltd has entered into a binding terms sheet to acquire 100% of the issued capital of Education Futures Group Pty Ltd ("EFG"), holding company of the Art of Smart group of companies ("Proposed Acquisition"), for a maximum consideration of \$6.5 million¹, structured part cash and part scrip completion and earnout payment.
- Cluey also announces the launch of a \$4.5 million (before costs) equity raising via a fully underwritten 2 for 11 pro-rata non-renounceable entitlement offer ("Entitlement Offer") at an offer price of \$0.07 per new share ("Issue Price")

 - Provide new product offerings to meet existing demand for in-person learning that Cluey cannot currently service.

 - Enable Art of Smart to access Cluey Learning's extensive always-on customer acquisition capability, enabling Art of Smart to acquire students at a low cost.
 - Leverage Cluey's extensive demand data, enabling the identification of key new campus locations, facilitating the rollout of new Art of Smart campuses.
 - Leverage Cluey Learning's expertise associated with delivering tutoring services across all age groups, year levels, and states, to extend Art of Smart's capabilities beyond their established core senior secondary segment.
 - Benefit the combined Cluey Learning and Art of Smart business through synergies, including content and curriculum development, product and technology and customer acquisition.

¹ The tranche 1 completion payment is subject to settlement adjustments for working capital and cash.

² The Proposed Acquisition is subject to entry into a longer form and definitive share sale agreement, satisfactory due diligence and other conditions precedent and may not complete. If the parties do not enter into a definitive share sale agreement or the Proposed Acquisition does not complete, the Board reserves the right to withdraw the Entitlement Offer.

Cluey Ltd (ASX: CLU) ("Cluey" or the "Company"), Australia's largest dedicated online learning support and school tutoring company, today announces the launch of a fully underwritten 2 for 11 non-renounceable entitlement offer at the Issue Price to raise ~\$4.5 million (before costs). Gleneagle Securities (Aust) Pty Ltd is acting as lead manager and underwriter to the Entitlement Offer.

Cluey joint-CEO Matteo Trinca said: "The acquisition of Art of Smart marks an important step in Cluey's evolution as a leading education services company. By combining Cluey's online scale, technology platforms, extensive customer acquisition capabilities and upcoming self-study subscription service with Art of Smart's proven in-person learning model, we're extending our reach and meeting student demand across every learning format - online, on campus, and everywhere in between."

Overview of the Proposed Acquisition

Consistent with Cluey's strategy to deliver an enhanced portfolio of learning products and services, both online and in-person, Cluey has entered into a binding terms sheet to acquire 100% of the issued capital of EFG, holding company of the Art of Smart group of companies. The Proposed Acquisition is subject to entry into a definitive long form share sale agreement. Completion of the Proposed Acquisition is subject to conditions precedent, including satisfactory due diligence, completion of the Entitlement Offer, Rowan Kunz's entry into an executive employment service agreement with Cluey Learning Pty Ltd in the position of 'managing director' of the Art of Smart group and the obtaining of third party and landlord consents.

The purchase price for the Proposed Acquisition is structured as:

- a tranche 1 completion payment based on a multiple of 6.5 x FY25 normalised EBITDA of the Art of Smart group, subject to a working capital and cash (debt-free) completion adjustment. The completion payment is payable to the three vendors all in cash, except for 3.75% of the completion payment being satisfied by the issue of Cluey shares to the majority vendor, controlled by Rowan Kunz. The number of Cluey tranche 1 shares that will be issued will be calculated using the agreed FY25 normalised EBITDA amount divided by the 30-day volume weighted average share price of Cluey prior to completion. Cluey shares issued to the majority vendor will be subject to a 24 month voluntary escrow period (unless extended in certain circumstances); and
- a tranche 2 earnout payment based on a multiple of 6.5 x the increase in FY27 EBITDA from FY25 normalised EBITDA, where the FY27 EBITDA will be reduced by any shortfall if FY26 EBITDA is less than FY25 normalised EBITDA. The earnout payment is payable to the three vendors all in cash, except for 37.5% of the earnout payment being satisfied by the issue of Cluey shares to the majority vendor, controlled by Rowan Kunz. The number of Cluey tranche 2 shares that will be issued will be calculated using the earnout payment amount divided by the 30-day volume weighted average share price of Cluey prior to the release date of Cluey's audited FY27 financial results. Cluey shares issued to the majority vendor will be subject to a 12 month voluntary escrow period (unless extended in certain circumstances).

The binding term sheet provides Cluey with exclusivity rights until 31 January 2026 and termination rights if diligence is not satisfactory or the Entitlement Offer is withdrawn by Cluey.
