Proxies and Attorneys

Appointing Proxies and Attorneys

Shareholders entitled to vote at the Meeting are entitled to appoint a proxy or attorney to attend and vote on their behalf. A proxy or attorney need not be a shareholder and can be either an individual or a body corporate.

A shareholder that is entitled to cast two or more votes may appoint no more than two proxies or attorneys. Shareholders who wish to appoint two proxies or attorneys may specify the percentage of votes or number of shares to be voted by each proxy or attorney when appointing their proxy or attorney. If a shareholder appoints two proxies or attorneys and does not specify the percentage of voting rights that each proxy or attorney may exercise, the rights are deemed to be 50% each. Fractions of votes will be disregarded.

Voting by Proxies

Shareholders should consider directing their proxy as to how to vote on each resolution by marking either the "For", "Against" or "Abstain" box when completing their Voting and Proxy Form to ensure that their proxy appointment specifies the way their proxy is to vote on each resolution. In certain circumstances (see below under the heading "Voting Restrictions"), a proxy may be prohibited from voting undirected proxies.

Where the Chair is appointed proxy, unless they are restricted from voting on a resolution, they will vote in accordance with the shareholder's directions or, in the absence of a direction:

- *in favour* of Items 3, 4, 6, and 7
- *against* Item 5

The Explanatory Notes to the Notice of Meeting contain further information on the Board's recommendations.

Under the *Corporations Act 2001* (Cth) (the **Corporations Act**), if the appointment of a proxy specifies the way the proxy is to vote on a particular resolution:

- if the proxy is not the Chair of the Meeting, the proxy need not vote on a poll but if the proxy does so, the proxy must vote as directed (subject to any applicable voting restrictions); and
- if the proxy is the Chair of the Meeting, the proxy must vote on a poll and must vote as directed.

In addition, there are some circumstances where the Chairman of the Meeting will be taken to have been appointed as a shareholder's proxy for the purposes of voting on a particular resolution even if the shareholder has not expressly appointed the Chairman of the Meeting as their proxy. This will be the case where:

- the appointment of proxy specifies the way the proxy is to vote on a particular resolution;
- the appointed proxy is not the Chair of the Meeting; and
- a poll is called on the resolution, and either of the following applies:
 - the proxy is not recorded as attending the Meeting; or
 - the proxy attends the Meeting but does not vote on the resolution.

Corporate Representatives

In accordance with section 250D of the Corporations Act, any corporate shareholder or proxy may appoint a person to act as its representative.

The representative must complete and submit a formal notice of Appointment of Corporate Representative signed by the corporation and this must be received at support@cm.mpms.mufig.com prior to the Meeting. A copy of that notice can be obtained from the Share Registry by calling +61 1300 820 260 between 9:00am and 5:00pm (Sydney time) or at au.investorcentre.mpms.mufig.com.

A copy of the signed Appointment of Corporate Representative, or other evidence satisfactory to the Chair of the Meeting, must be produced prior to the Meeting.

Voting Restrictions

Resolution 6 – Remuneration Report

Except to the extent otherwise permitted by law, any member of the key management personnel of the Company's consolidated group (**KMP**) whose remuneration details are included in the Remuneration Report (or a closely related party of any such member), may not vote, and the Company will disregard the votes cast by or on behalf of such persons on resolution 6, unless the vote is cast:

- as proxy for a person entitled to vote in accordance with a direction on the proxy form; or
- by the Chair of the Meeting as proxy for a person entitled to vote on the resolution, the proxy appointment does not specifically direct the way the proxy is to vote, and the proxy appointment expressly authorises the Chair to vote undirected proxies as the Chair sees fit, even if the resolution is connected directly or indirectly with the remuneration of a KMP.

Resolution 7 – Grant of Performance Rights to the Executive Chair

The Company will disregard any votes cast in favour of resolution 6 by Ms Wirth and her associates. Further, a vote must not be cast on resolution 7 by a KMP, or a closely related party of a KMP acting as proxy if their appointment does not specify the way the proxy is to vote on the resolution. However, this does not apply to a vote cast in favour of resolution 7 by:

- a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way;
- the Chair (who is a KMP) as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chair to vote on the resolution as the Chair sees fit, even if the resolution is connected directly or indirectly with the remuneration of a KMP; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Explanatory Notes

Item 2 – Financial Statements and Reports

The Corporations Act requires that the financial report and the reports of the Directors and Auditor be laid before the Meeting. There is no requirement for shareholders to vote on these reports. Shareholders will be given a reasonable opportunity to raise questions and make comments on these reports and on the management of the Company at the Meeting.

Items 3 and 4 – Re-Election of Directors

Rule 8.1(d) of the Company's Constitution requires two of the current Directors (excluding a director who is a managing director), including a Director retiring and offering themselves for re-election under rule 8.1(i), to retire by rotation at the Meeting.

Ms Olivia Wirth, in her capacity as Executive Chair, is a managing director of the Company and is therefore not required under the Constitution to retire at the AGM and offer herself for re-election.

Under rule 8.1(g) of the Company's Constitution, the Directors to stand for re-election must be determined based on who is the longest in office since their last election or appointment. Dr Gary Weiss, who was elected in 2023, is the longest serving director since his last election and will therefore retire as a Director at this year's Meeting and offer himself for re-election.

Mr Terry McCartney and Mr Rob Perry were both last elected in 2024. The Directors have agreed among themselves pursuant to rule 8.1(g) that Mr Perry will retire as a Director at this year's Meeting and will offer himself for re-election.

Further details of the qualifications, experience, and responsibilities of Dr Weiss AM and Mr Perry are provided below.

Dr Gary Weiss AM

Board Recommendation

The Board (other than Dr Weiss AM) considers Dr Weiss AM to be independent, and unanimously recommends shareholders vote **in favour of Item 3** being the re-election of Dr Weiss AM.

The Board makes this recommendation because Dr Weiss AM has and continues to make a significant contribution to the Board, bringing extensive executive and board experience and expertise across a range of industries.

Board Recommendation

The Board (other than Mr Perry) considers Mr Perry to be independent, and unanimously recommends shareholders vote **in favour of Item 4** being the re-election of Mr Perry.

The Board makes this recommendation because since his appointment Mr Perry has made a significant contribution to the Board, bringing deep experience and expertise in finance, audit and risk management, especially in the retail and consumer space.

Item 5 – Election of Non-Board Endorsed External Nominee Stephen Mayne as a Director

Rule 8.1(k)(3) of the Company's Constitution allows eligible shareholders who have provided the requisite notice to be eligible for election as a Director at the Meeting.

Mr Mayne notified the Company on 25 September 2025 that he wished to nominate himself as a Director.

As at the date of this Notice, Mr Mayne holds 11 shares in the Company and is therefore eligible to nominate himself pursuant to the above Rule 8.1(k)(3).

Mr Stephen Mayne

Stephen Mayne, 56. BCom (Melb). GAICD. Stephen is a Walkley Award-winning business journalist. Board Recommendation

The Board has considered Mr Mayne's nomination and unanimously believes that it is not in the best interests of shareholders that Mr Mayne be elected as a director of the Company.

The Board recommends that shareholders vote **against** this resolution.

Item 6 – Remuneration Report

The Remuneration Report includes information on:

- the remuneration policy adopted by the Board;
- the relationship between that policy and the Company's performance;
- the remuneration arrangements and outcomes for each Director and KMP in FY25; and
- the performance conditions that must be met prior to an executive deriving any value from the "at risk" components of their remuneration.

The Remuneration Report is included in the Company's 2025 Annual Report, which is available on the Investor Centre section of the Company's website, myer.com.au/investor.

At the Meeting, the Chair will give shareholders a reasonable opportunity to ask or submit questions about or comment on the Remuneration Report.

The shareholder vote on this resolution is advisory only and will not bind the Directors or the Company. The vote will, however, be taken into consideration in determining future remuneration policy for Directors and executives.

Board Recommendation

The Board unanimously recommends that shareholders vote **in favour of Item 6** being the Remuneration Report.

Item 7 – Grant of Performance Rights to the Executive Chair

Why We Are Seeking Shareholder Approval?

ASX Listing Rule 10.14 provides that a listed company must not permit a Director of the company to acquire equity securities under an employee incentive scheme, unless it obtains the approval of shareholders.

Ms Wirth's remuneration package for FY26 (as set out below) includes an award under the Company's long term incentive (**LTI**) plan, subject to shareholder approval. The FY26 LTI plan award will be in the form of performance rights, which on vesting (subject to the achievement of specified performance hurdles, as described below), give rise to an entitlement to the grant of shares in the Company.

As Ms Wirth is a Director of the Company, the Company is seeking shareholder approval under and for the purposes of ASX Listing Rule 10.14.1 (and all other purposes) to grant such securities to Ms Wirth and the provision of ordinary shares in the Company on the vesting of any performance rights.

If shareholder approval is given, the performance rights will be granted to Ms Wirth shortly after the Meeting and in any event within 12 months of the Meeting. If shareholder approval is not obtained, the Board will consider alternative arrangements to appropriately remunerate and incentivise Ms Wirth, which may not be consistent with Myer's remuneration principles, such as providing an equivalent long term cash incentive subject to the same performance conditions and performance period as described below for the grant of performance rights.

Why Are Performance Rights Chosen for FY26?

Following the same approach as applicable since FY21, the Board has determined that the FY26 LTI plan grant will be in the form of "performance rights" for all participating executives, including Ms Wirth. This decision to change from performance options to performance rights from FY21 was in response to shareholder feedback, and to avoid the potential dilutive impact of performance options, while still aligning executives' interests with the interests of shareholders through the grant of performance rights without providing ownership in shares unless performance conditions are met.

Performance Rights

Each performance right entitles Ms Wirth to be vested with one fully paid ordinary share in the Company if the applicable performance hurdles (as set out below) are met, subject to adjustments for capital actions. The performance rights will be granted in one tranche and will be broadly on the same terms as performance rights granted to other executives participating in the performance rights LTI plan offer for FY26.

Subject to shareholder approval at the Meeting, Ms Wirth will be granted performance rights to a maximum value of \$1,250,000 which represents 100 percent of her Total Fixed Compensation. No amount will be payable by Ms Wirth for the award of the performance rights.

The key terms of the performance rights are described in more detail below.

Number of Performance Rights Proposed to be Granted

The number of performance rights granted will be determined by reference to the maximum value of the proposed grant (being \$1,250,000) divided by the face value attributed to the performance rights. The value attributed to each performance right will be \$0.4777, which is the volume weighted average price (**VWAP**) of the Company's shares over the five trading days following the release of the Company's FY25 results on 23 September 2025.

A VWAP of \$0.4777 will result in Ms Wirth receiving 2,616,705 performance rights, ie. the maximum value of the proposed grant (being \$1,250,000) divided by the value attributed to each performance right (being \$0.4777).

Performance Hurdles

Two stages of performance testing will apply to the performance rights:

Stage 1: an absolute Total Shareholder Return (TSR) test requires the achievement of a positive absolute TSR over the testing period (27 July 2025 to 29 July 2028). If the absolute TSR is negative over the testing period, the performance rights lapse.

Stage 2: Only if Stage 1 testing delivers a positive absolute TSR result, will Stage 2 testing be undertaken. Stage 2 testing focuses Executives on sustainable performance against long-term targets. Stage 2 requires two performance hurdles to be met:

- (1) 50% of the performance rights will be subject to a hurdle based on the Company's Total Shareholder Return relative to an agreed peer group across the three-year performance period (**Performance Period**), (**rTSR Hurdle**); and
- (2) 50% of the performance rights will be subject to a hurdle based on the Company's Earnings Per Share (**EPS**) growth (**EPS Hurdle**).

The Stage 2 performance hurdles have been chosen to align with shareholder returns and the delivery of shareholder value over the long-term.

The number of performance rights that vest will depend on how well Myer has performed during the Performance Period against the relevant performance hurdles. For outstanding performance, 100% of the performance rights will vest. Only a percentage of performance rights will vest for performance below that level. If Myer does not achieve certain minimum thresholds, then all the applicable performance rights will lapse and no performance rights can vest. Further information regarding the vesting schedule for each of the Stage 2 performance hurdles is set out below.

Performance Hurdle	Description								
rTSR Hurdle	Why was it chosen?								
	The rTSR Hurdle was selected to ensure alignment between executive and shareholder outcomes. This measure provides a direct comparison of the Company's performance over the Performance Period against a comparator group of companies that would, broadly, be expected to be similarly impacted by changes in market conditions.								
	How is it tested?								
	The rTSR Hurdle will be tested following the end of the Performance Period by comparing the Company's total shareholder return performance over the Performance Period relative to a comparator group of peer companies. The comparator group includes listed companies from the retail and consumer services sector. The constituents are: Accent Group, Adairs, Baby Bunting, Beacon Lighting, Endeavour Group, Harvey Norman Holdings, JB Hi-Fi, Kogan, Lovisa Holdings, Metcash, Nick Scali, Premier Investments, Super Retail Group, Temple & Webster Group, Universal Store Holdings, Wesfarmers and Woolworths.								
	This group was selected by the Board using the same criteria used by the Board in selecting the group used for the FY25 LTI grant and is viewed as the most appropriate TSR comparator group currently available.								
	The table below sets out the percentage of performance rights subject to the rTSR Hurdle that can vest depending on the Company's relative TSR performance:								
	<table><tr><th>rTSR Percentile Ranking</th><th>% of performance rights subject to the rTSR Hurdle that will vest (rounded down to the nearest whole numbers)</th></tr><tr><td>Up to but excluding 50th percentile</td><td>Nil</td></tr><tr><td>Including 50th percentile and up to but excluding 75th percentile</td><td>Pro rata, with linear progression between 50% and up to 100%</td></tr><tr><td>75th percentile or greater</td><td>100%</td></tr></table>	rTSR Percentile Ranking	% of performance rights subject to the rTSR Hurdle that will vest (rounded down to the nearest whole numbers)	Up to but excluding 50th percentile	Nil	Including 50th percentile and up to but excluding 75th percentile	Pro rata, with linear progression between 50% and up to 100%	75th percentile or greater	100%

75th percentile or greater	100%								
EPS Hurdle	Why was it chosen?								
	The Board considers EPS as an effective measure for determining the underlying profitability of the business. When determining normalised EPS for LTI purposes, statutory earnings is adopted as the base and the Board will allow adjustments to be made for significant items on a case-by-case basis.								
	The Board also retains discretion to not exclude a significant item from underlying EPS or not include any non-significant item in underlying EPS, where the Board determines that such treatment is warranted. For example, to the extent a write-down occurs that is recorded as a significant item but considered to have been within Management's control, the Board may determine that it will form a part of the EPS calculation.								
	How is it tested?								
	The EPS Hurdle will be tested by calculating the compound annual growth rate in the Company's underlying EPS over the Performance Period (being the period 27 July 2025 to 29 July 2028), using FY25 pro forma underlying EPS as a base. For this purpose FY25 pro forma underlying EPS is calculated as:								
	(a) Myer Group pro forma Underlying NPAT for FY25 of \$56.9m (assumes the acquisition of Apparel Brands occurred on 28 July 2024), divided by (b) the number of Myer Group shares on issue at 26 July 2025 (1,728.1m).								
	The resulting growth rate will be used to determine the level of vesting for the performance rights subject to the EPS Hurdle.								
	The table below sets out the percentage of performance rights subject to the EPS Hurdle that can vest depending on the Company's growth in EPS:								
	<table><tr><th>Compound Annual Growth in underlying EPS</th><th>% of performance rights subject to the EPS Hurdle that will vest (rounded down to the nearest whole numbers)</th></tr><tr><td>Less than 19%</td><td>Nil</td></tr><tr><td>19% to 37.8%</td><td>Pro rata, with linear progression between 50% and up to 100%</td></tr><tr><td>37.8% or greater</td><td>100%</td></tr></table>	Compound Annual Growth in underlying EPS	% of performance rights subject to the EPS Hurdle that will vest (rounded down to the nearest whole numbers)	Less than 19%	Nil	19% to 37.8%	Pro rata, with linear progression between 50% and up to 100%	37.8% or greater	100%

Less than 19%	Nil								
19% to 37.8%	Pro rata, with linear progression between 50% and up to 100%								
37.8% or greater	100%								

Explanatory Notes

continued

Each of the performance hurdles under Stage 2 will be assessed separately and apply to different performance rights. This means that both hurdles do not need to be satisfied for any of the performance rights to vest.

For example, it is possible for some or all of the performance rights subject to the rTSR Hurdle to vest, while none of the performance rights subject to the EPS Hurdle vest (and vice versa).

The performance hurdles will be tested once, following the end of the Performance Period and the release of the Company's FY28 financial results. There will be no retesting.

The Board retains discretion to adjust:

- the absolute TSR performance gateway;
- the relative TSR hurdle; and
- the EPS hurdle,

in exceptional circumstances, including (in the case of the EPS hurdle) to take account of any material transactions which occur during the Performance Period.

The Board also retains discretion to adjust any performance related conditions to protect the financial soundness of the Company, or to respond to significant unexpected or unintended consequences that were not foreseen by the Board or other circumstances that the Board determines warrant such treatment.

Allocation of Shares Following Vesting

The performance rights issued to Ms Wirth will be eligible to vest following the end of the three-year Performance Period. On vesting, vested performance rights will convert to fully paid ordinary shares on a one for one basis.

Restriction Period

An additional one-year disposal restriction period applies to shares allocated following vesting of performance rights (**Restriction Period**), to further enhance alignment with shareholders. The Restriction Period will end on the day following release of the Company's FY29 financial results. During this period, the vested shares cannot be sold or otherwise dealt with by Ms Wirth, regardless of whether or not she remains employed by the Company during the Restriction Period.

Dividends and voting rights

Performance rights do not carry entitlements to ordinary dividends, voting rights or other shareholder rights until the performance rights vest and shares are provided. Accordingly, participating executives do not receive dividends during the performance period.

Other Terms

The terms of the LTI plan also allow the Board to claw back any performance rights which were granted on the basis of, or have become eligible to vest as a result of, a material misstatement in, or omission from, the Company's financial statements or a misstatement concerning the satisfaction of performance conditions applicable to the LTI.

The Board may also take steps to ensure that no unfair benefit is obtained in cases of fraud or dishonest or gross misconduct, or certain actions of participants, including actions that bring the Company to disrepute or have the effect of delivering strong performance in a manner that is unsustainable or involving high-risk and is likely to result in a detrimental impact on Company performance following the end of the performance period.

Subject to applicable law, the Board has the discretion to claw back such performance rights, including by resetting the Vesting Conditions applicable to Performance Rights, lapsing unvested Performance Rights or recoup proceeds from the sale of Shares allocated following the exercise of Performance Rights.

Subject to applicable law relating to the provision of benefits, and unless the Board determines otherwise, the treatment on termination of employment will be as follows:

- If Ms Wirth's employment with the Company ceases prior to the end of the Performance Period:
 - due to resignation or termination for cause (including gross misconduct), all of her unvested performance rights will lapse, subject to the Board's discretion to determine that a different treatment should apply; and
 - due to any other circumstances, subject to the Board's discretion to determine that a different treatment should apply, a pro-rata portion of the unvested performance rights will lapse, having regard to the portion of the Performance Period that has elapsed as at the date of cessation and the total Performance Period. Any performance rights that do not lapse will remain on foot to be tested against the applicable performance hurdles following the end of the Performance Period in accordance with their normal terms; and

- If Ms Wirth's employment with the Company ceases following the end of the Performance Period, but before the end of the Restriction Period, any vested performance rights will continue unaffected, except where her employment is terminated for cause (including gross misconduct) in which case, she will forfeit all shares allocated to her, subject to the discretion of the Board.

Other Required Information – ASX Listing Rules

Ms Wirth's remuneration package was set on her appointment in March 2024. Ms Wirth's package recognises the skills and experience required for the role and the Board is satisfied that the package was appropriate and necessary to attract and retain such a high-quality candidate.

Ms Wirth's maximum remuneration for FY26 is \$3,625,000, comprising:

- \$1,250,000 as Total Fixed Compensation (inclusive of superannuation);
- \$1,125,000 as her maximum opportunity under the Short Term Incentive plan; and
- \$1,250,000 as her maximum earning opportunity under the LTI plan.

Shareholders are referred to the Company's Remuneration Report for further details of Ms Wirth's remuneration.

Ms Wirth was issued with 1,526,996 performance rights in the Company under the Myer LTI plan for FY25.

No amount was paid by Ms Wirth for the award of performance rights.

No loan will be provided by the Company to Ms Wirth in relation to the grant of performance rights under the FY26 LTI plan.

Details of any performance rights issued under the LTI plan will be published in the Company's Annual Report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14. Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the LTI plan after the resolution is approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

Board Recommendation

The Non-Executive Directors have concluded that Ms Wirth's remuneration package, including the proposed award of performance rights, is reasonable and appropriate having regard to the Company's circumstances and Ms Wirth's duties and responsibilities. The Executive Chair's remuneration, with a heavy equity weighting, strongly aligns her interests with creation of shareholder value.

The Board (other than Ms Wirth) recommends that shareholders vote **in favour of Item 7** being the Grant of Performance Rights to the Executive Chair.
