To consider and, if thought fit, to pass the following as an ordinary resolution of the Unitholders in the Fund:

"That, for the purpose of ASX Listing Rule 7.4 and for all other purposes, unitholders ratify the issue of 1,625 Exchangeable Notes which are exchangeable into a maximum of 81,250,000 Units in the Fund (based on an initial exchange price of \$4.00) on 3 September 2025 as announced to the ASX on 27 and 28 August 2025 and summarised in the Explanatory Notes."

Voting exclusions apply to this proposed resolution (as described below).

32-54 KAURNA AVENUE, EDINBURGH SA

Voting exclusions statements

The Corporations Act and the Listing Rules require that certain persons must not vote, and the Responsible Entity must disregard any votes cast by or on behalf of certain persons, on the resolution to be considered at the Meeting. These voting exclusions are described below.

Voting exclusion: Item 1 - Approval under Listing Rule 7.4 to refresh the Fund's 15% placement capacity under ASX Listing Rule 7.1

Pursuant to section 253E of the Corporations Act, the Responsible Entity and its associates are not entitled to vote the Units held by them if they have an interest in the resolution set out in Item 1 other than as a Unitholder. As far as the Responsible Entity is aware, neither it nor any of its associates have an interest in the resolution set out in Item 1 other than as a Unitholder.

In respect of the resolution set out in Item 1, in accordance with the Listing Rules, the Responsible Entity will disregard any votes cast in favour of the resolution by or on behalf of:

- any person who participated in the issue of the Exchangeable Notes; or
- an associate of that person or those persons.

However, this does not apply to a vote cast in favour of the resolution by:

- any person as a proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- the Chairperson as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chairperson to vote on the resolution as the Chairperson decides; or
- a Unitholder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the Unitholder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - the Unitholder votes on the resolution in accordance with directions given by the beneficiary to the Unitholder to vote in that way.

Voting instructions

Voting entitlement

The Responsible Entity has determined that persons holding Units at **7:00pm (AEDT) on Monday 15 December 2025** will, for the purposes of determining voting entitlements at the Meeting, be taken to be the Unitholders of the Fund.

Resolutions will be by poll

The Board considers voting by poll to be in the best interests of the Unitholders as a whole as it ensures the views of as many Unitholders as possible are represented at the Meeting. Accordingly, the resolution will be voted on by a poll.

Proxies and authorised representatives

Unitholders who are entitled to attend and vote at the Meeting have the right to appoint a proxy to attend and vote for them. Unitholders are encouraged to complete a Proxy Form to appoint the Chairperson of the Meeting as their proxy and to provide specific instructions on how the Unitholder's vote is to be exercised on the Item of business. The Chairperson must follow your instructions. If a person other than the Chairperson is appointed as proxy, the proxy will revert to the Chairperson in the absence of the appointed proxy holder's attendance at the Meeting. The proxy does not have to be a Unitholder.

Unitholders holding two or more Units can appoint either one or two proxies. Where two proxies are appointed, the appointing Unitholder can specify the number of votes or the proportion of the Unitholder's votes they want each proxy to exercise. If no number or proportion is specified, each proxy may exercise half of the Unitholder's votes.

Corporate Unitholders must provide the Responsible Entity with satisfactory evidence of the appointment of any corporate representative, prior to the commencement of the Meeting.

A proxy can be either an individual or a body corporate. Should you appoint a body corporate as your proxy, that body corporate will need to ensure that it:

- appoints an individual as its corporate representative to exercise its powers at meetings; and
- provides the Responsible Entity with satisfactory evidence of the appointment of its corporate representative prior to commencement of the Meeting.

If a proxy appointment is signed by the Unitholder but does not name the proxy or proxies in whose favour it is given, the Chairperson may either act as proxy or complete the proxy appointment by inserting the name or names of one or more Directors or the Company Secretary. In addition, if you direct your proxy how to vote and your nominated proxy does not attend the Meeting, or attends but does not vote on a poll on the resolution, the Chairperson of the Meeting will act in place of the nominated proxy and vote in accordance with any instructions.

If you received this Notice of Meeting by mail, a Proxy Form and a reply paid envelope are enclosed with this Notice of Meeting. If you wish to appoint two proxies, please obtain an additional form from the Fund's registry or make a photocopy of the enclosed Proxy Form. To be effective, a duly completed Proxy Form and the power of attorney (if any) under which the Proxy Form is signed or a certified copy of the relevant authority must be received at the Fund's registry or at the Responsible Entity's registered office at least 48 hours before the start of the Meeting (being no later than **12:00pm (AEDT) on Monday 15 December 2025**).

Proxies may be returned to Boardroom as follows:

Undirected proxies

If you choose to appoint a proxy, you are encouraged to direct your proxy how to vote on the Item of business by marking "For", "Against" or "Abstain" against the Item of business on the Proxy Form. If you do not direct your proxy how to vote, you are authorising your proxy to vote as they decide, subject to any applicable voting exclusions.

If the Chairperson of the Meeting is your proxy and the appointment directs the way the Chairperson is to vote, the Chairperson must vote on a poll, and must vote as directed, on the Proxy Form.

However, if the Chairperson is your proxy and you do not direct the way the Chairperson is to vote, then by signing and returning the Proxy Form, you will be expressly authorising the Chairperson to vote as he sees fit in respect of the resolution.

The Chairperson of the Meeting intends to vote all available undirected proxies in favour of the resolution.

Submitting questions

Unitholders are encouraged to submit questions in advance of the Meeting to the Responsible Entity. Questions must be submitted by emailing the Company Secretary at anna.kovarik@centuria.com.au prior to the date of the Meeting.

If you are submitting a question or comment before the Meeting, please ensure it is received by **12:00pm (AEDT) on Monday 15 December 2025**.

The Chairperson will allow Unitholders the opportunity to ask questions during the Meeting on the formal Item of business.

However, it would be preferable for questions to be submitted to the Responsible Entity in advance of the Meeting. In order to ask a question during the Meeting, please follow the instructions from the Chairperson. The Chairperson will provide Unitholders with a reasonable opportunity to ask relevant questions or make relevant comments in relation to the Item of business.

The Chairperson will attempt to respond to all questions during the Meeting. In the interests of all participating Unitholders:

- please ensure that your question or comment relates to the Item of business. Unrelated questions that are received during the Meeting will not be addressed by the Chairperson of the Meeting during the Meeting; and
- where similar questions are received from different Unitholders, the Chairperson of the Meeting will provide a single response in order to streamline the conduct of the Meeting.

Technical difficulties

Technical difficulties may arise during the course of the Meeting. The Chairperson has discretion as to whether and how the Meeting should proceed if a technical difficulty arises. In exercising this discretion, the Chairperson will consider the number of Unitholders affected and the extent to which participation in the business of the Meeting is affected. Where the Chairperson considers it appropriate, the Chairperson may continue to hold the Meeting and transact business, including conducting a poll and voting in accordance with valid proxy instructions. Accordingly, Unitholders are encouraged to lodge a directed proxy or direct vote in advance of the Meeting even if they plan to participate in the Meeting.

Appointment of Chairperson

The Chairman of the Responsible Entity, Roger Dobson, is to be the Chairperson of the Meeting. Failing him, another person appointed by the Board will act as Chairperson of the Meeting.

By order of the Board of Directors of Centuria Property Funds No. 2 Limited.

Company Secretary

Explanatory notes

These Explanatory Notes have been prepared to provide Unitholders with sufficient information to assess the merits of the resolution and the business to be conducted at the Meeting. You should read these Explanatory Notes in full before making any decisions in relation to the resolution.

Item 1 - Approval under Listing Rule 7.4 to refresh the Fund's 15% placement capacity under ASX Listing Rule 7.1

Purpose of Item 1

On 27 and 28 August 2025, the Responsible Entity announced:

- the launch by the Fund of a fully underwritten A\$325m guaranteed exchangeable notes offering due September 2030 (**Exchangeable Notes**), with those notes exchangeable into Units in the Fund; and
- a concurrent reverse bookbuild process to repurchase up to A\$300m of the outstanding 3.95% exchangeable notes due in March 2028 (**Existing Notes**) by CIP Funding Pty Limited.

As a result of this offer, a wholly owned subsidiary of the Fund issued 1,625 Exchangeable Notes in the Fund on 3 September 2025 which are exchangeable into a maximum of 81,250,000 Units in the Fund (based on an initial exchange price of \$4.00). Further details of the issue are set out in the ASX announcements dated 27 August 2025 and 28 August 2025.

The resolution in Item 1 seeks Unitholder approval for the prior issue of the Exchangeable Notes, on the basis that they are convertible for up to 81,250,000 Units in the Fund. The Exchangeable Notes were issued to repurchase the Existing Notes, and to the extent not required for that purpose, for general corporate purposes.

Listing Rules 7.1 and 7.4

Listing Rule 7.1 provides that the number of Equity Securities in the Fund that can be issued or agreed to be issued by the Responsible Entity in any 12 month period is limited to 15% of the Units on issue in the Fund at the commencement of that 12 month period (**15% Placement Capacity**) unless:

- an exemption in the Listing Rules applies; or
- the Responsible Entity has obtained approval from Unitholders in the Fund.

Under Listing Rule 7.4, an issue of Equity Securities without approval under Listing Rule 7.1 may be treated as having been made with Unitholder approval for the purpose of Listing Rule 7.1 (and therefore not counted towards the 15% Placement Capacity) if:

- the issue did not breach Listing Rule 7.1; and
- the Unitholders subsequently approve it.

The purpose of the resolution in Item 1 is to, for the purposes of Listing Rule 7.4, approve the prior issue of 1,625 Exchangeable Notes, convertible for up to 81,250,000 Units in the Fund, so as to refresh the Responsible Entity's placement capacity to issue, or agree to issue, Equity Securities in the Fund under Listing Rule 7.1.

If the resolution in Item 1 is passed, the issue of Exchangeable Notes will be excluded in calculating the Fund's 15% Placement Capacity under Listing Rule 7.1, thereby increasing the number of Equity Securities the Responsible Entity can issue without Unitholder approval over the 12-month period following the issue date. This will provide the Responsible Entity with maximum flexibility to manage its future capital requirements.

If the resolution in Item 1 is not passed, the issue of the Exchangeable Notes will be included in calculating the Fund's 15% Placement Capacity, effectively decreasing the number of Equity Securities it can issue without Unitholder approval over the 12-month period following the date of issue of the Exchangeable Notes.

If you wish to appoint the Chair of the Meeting as your proxy, mark the box. If you wish to appoint someone other than the Chair of the Meeting as your proxy, please write the full name of that individual or body corporate. If you leave this section blank, or your named proxy does not attend the meeting, the Chair of the Meeting will be your proxy. A proxy needs not be a securityholder of the company. Do not write the name of the issuer company or the registered securityholder in the space.

Appointment of a Second Proxy

You are entitled to appoint up to two proxies to attend the meeting and vote. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by contacting the company's securities registry or you may copy this form.

To appoint a second proxy, you must:

- complete two Proxy Forms. On each Proxy Form, state the percentage of your voting rights or the number of securities applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded.
- return both forms together in the same envelope.

STEP 2 VOTING DIRECTIONS TO YOUR PROXY

To direct your proxy how to vote, mark one of the boxes opposite each item of business. All your securities will be voted in accordance with such a direction unless you indicate only a portion of securities are to be voted on any item by inserting the percentage or number that you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item for all your securities, your vote on that item will be invalid.

Proxy which is a Body Corporate

Where a body corporate is appointed as your proxy, the representative of that body corporate attending the meeting must have provided an "Appointment of Corporate Representative" prior to admission. An Appointment of Corporate Representative form can be obtained from the company's securities registry.

STEP 3 SIGN THE FORM

The form **must** be signed as follows:

Individual: This form is to be signed by the securityholder.

Joint Holding: where the holding is in more than one name, all the securityholders should sign.

Power of Attorney: to sign under a Power of Attorney, you must have already lodged it with the registry. Alternatively, attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: this form must be signed by a Director jointly with either another Director or a Company Secretary. Where the company has a Sole Director who is also the Sole Company Secretary, this form should be signed by that person. **Please indicate the office held by signing in the appropriate place.**

STEP 4 LODGEMENT

Proxy Forms (and any Power of Attorney under which it is signed) must be received no later than 48 hours before the commencement of the meeting, therefore by **12:00pm (AEDT) on Monday, 15 December 2025.** Any Proxy Forms received after that time will not be valid for the scheduled meeting.
